Mrs. Mary Lou DeGroot and daughter Deborah entertained relatives at dinner on Saturday, May 15. Guests enjoying the evening were Mr. and Mrs. Charles Heidt and son Rich of Park Hills and Mr. and Mrs. C. Obermeier of Hyde Park.

Several from this area, attended the closing night of the revival at Visalia and enjoyed the services. Mrs. Lelia Wharton of Banes-

ville, O., visited her son M. G. Wharton and family here. Miss Helen Richardson visited over the weekend of May 15 with the Giles family in Lexington and Mrs. S. B. Mann in Wilmore. She tells of attending services at Wilmore Methodist church where they not only have a beautiful building, but well filled with a beautiful group of young people.

This community was saddened by the death on Wednesday morning of Mrs. Mildred Grubbs. A good friend and kind neighbor, always ready to give a helping hand. Surviving are her husband, William; three sons, Robert, Gary and Scott; also a brother and sister and many other relatives.

CHRISTIAN ATHEISTS

Lesson for May 30, 1971

Background Scripture: Isaiah 10:5-15
Devotional Reading: Isaiah 35

"Terrible!" said Hiram. "Scandalous!" retorted Emily. "Shocking!" exploded Ralph.

This was a fair sampling of responses by many of the good church people of Afton" to an article in the local Sunday paper concerning the public pronouncements of a new infamous atheist. "There is no God," the atheist was quoted as saying, "and the sooner people give up their superstitious religious practices, the quicker this world will know peace and prosperity for everyone."

Rev. Althouse
Slightly dishonest

"Terrible!" Hiram had exclaimed. He is sales manager for a local discount store. Much of that store's success was attributable to Hiram's shrewd — and often, slightly dishonest — merchandising tactics. These included "marking down" prices that had been purposely over-inflated, making price comparisons on products that only seemed comparative in quality, holding "bargain sales" that weren't really "bargains," failing to mention extra "hidden costs," and staying open Sundays and holidays in defiance of local closing laws. Hiram's success was recognized by his church when he was elected a trustee, a move that was resented by some members of the church whose own businesses had suffered in competition with Hiram's tactics.

"Everyone does it!" "Scandalous!" Emily had said. She is a bookkeeper for a small company that makes precision missile parts for the government's space program. Emily, a teacher of youth in the church school, likes her job very much. The salary is excellent and the working conditions are ideal. When she first took the job she was disturbed to learn that it was unwritten policy to falsify entries on costs data. But when she was told that "everyone does this kind of thing on government contracts," she decided it wasn't worth losing her job. As a result, she never even thinks about it anymore.

"Shocking!" had been the explosive response of Ralph, a superintendent in his church school for more than twenty years. He was also a clerk in the city licensing bureau, a job he had gotten through political patronage and kept by doing what was expected of him. What was "expected of him" included giving preference to firms and individuals that "voted right" and financially supported the party. It sometimes even included "looking the other way" when some of the best contributors to the party were found to be in violation of the license provisions. Doing "what was expected" didn't really bother Ralph, for he was convinced "that's the way it is in politics," and the other party would do the same if it got a chance.

An atheism of deeds
There we are: three churchmen who react vigorously against the suggestion that there is no God. Strange that their lives say pretty much the same thing.

This is the message that the prophet Isaiah brought to the people of his own day. They professed to believe in God—the God of Abraham, Isaac, and Jacob—but they lived in a way that denied their profession of faith. Regardless of what they said with their mouths, the atheism of their deeds was clear to the prophet.

So it is with the Christian atheist. He does not say, "There is no God," he just acts that way! (*All names in this story are wholly fictitious—L.W.A.)

Designers are doing an about face about mirrors and are including them in many decorating plans. The return to mirrors is part of the tradition of the 30's when fireplace walls, ceiling, and whole rooms were mirrored in lavish splendor. In fact, this is just a part of the total 30's revival that has moved into clothing, furnishings, entertainment, and other areas of our life.

Since early times, the secrets connected with transforming glass into a mirror was a treasured art, and mirrors were prized possessions of the very wealthy. Throughout those generations, however, mirrors were considered primarily functional and their decorative value was dependent on the style, quality, and material in the frames around them.

Modern decorators have used mirrors to widen a wall, lengthen a hall, push up a ceiling, to brighten a dull room, lighten a dark room, double the impact of a good room, to minimize a flaw, to maximize a masterpiece, make any piece seem more important. For example, some designers are using mirrors on the ceiling, in the center of a dining area as an example, to carry the sparkle overhead.

Large structural mirrors are being used alone or with bookshelf units to create focal walls. The mirror idea is being used on furniture, screen, and other areas to add visual interest to the room. Framed mirrors can be selected to

go with any decorating mood.

Mirrors must be used carefully, so your home doesn't look like a public area. Perhaps, you would even need to seek professional advice about using, fitting, and installing mirrors properly, but you'll find mirrors in your home an exciting decorating addition.

To keep mirrors at their sparkling best, clean with mild liquid cleaner and a soft cloth. Never paint around the edges or clean with acids or harsh cleaners.

The first successful appendectomy was performed in Iowa in the year 1885.

Think About Fire

Think about fire for a moment—the kind of fire that destroys possessions and takes lives. Every day there are over 6,000 fires in this country, most of them occur in the home. More tragically, a human life is killed by a fire every 43 minutes.

Be prepared—know what to do in case of fire in your home. The following few simple precautions could save your life and/or property:

- 1) Plan an escape route in case of fire and work out an alternate one.
- 2) Hold fire drills, train each member of the family to respond immediately. Get everyone out of the house. Possessions can be replaced, lives cannot.
- 3) Notify your fire department, know the phone number by memory. Give your name and street location clearly.
- 4) Have a fire extinguisher or a water hose ready to use. Either might help control a small fire until help arrives.

Mother to her small son: "I don't care if our basement wall is cracking, stop telling everyone you come from a broken home."

4-H NEWS—BUCKAROOS

The monthly meeting of the Buckaroos was held on May 6. Our topic was on getting prepared for the coming 4-H show.

The group went Sunday to the 4-H show at the Boone County fairgrounds. We had a good time. Our thanks to Mrs. Cliff Martin and Cliff Laboiteaux for helping to get the children to and from

the show.

Our next meeting will be held on May 26. Hope to have everyone present.

Our vice president Lois Mobley is in the hospital with an appendicitis. We hope she can be back with us for our next meeting.

Your fruit tree normally begin to bear fruit soon after it has become old enough to blossom freely.

Nevertheless, the health of your tree and its environment, its fruiting habits, and the cultural practices you use, can influence its ability to produce fruit. Adequate pollination is also essential to fruit yield.

If just one of these conditions is unfavorable, yields may be reduced. Perhaps the tree will not bear fruit at all. As a grower, you can exercise some control over most of the factor contributing to fruit production.

When you purchase nursery-

grown fruit trees, their tops will probably be from 1 to 2 years old. The length of time from planting to fruit bearing varies with the type of fruit. Trees that grow at a moderate rate generally bear fruit sooner than those that grow either too quickly, or too slowly.

Fruit trees need full sunlight for best production. Inadequate sunlight delays the beginning of fruit bearing and may reduce the amount of fruit. Avoid placing fruit trees where they will be shaded by building or by other trees.

Your trees will grow more vigor-

ously and bear better if they have adequate space to develop their root systems. Do not plan them where roots of forest or shade trees will compete with them for the same soil. To reduce competition from weeds or grass, cultivate, mulch, or apply weed killer. Prune young apple trees to develop a strong framework with a central leader and horizontal branches. Excessive upright growth will delay fruit bearing and reduce the quantity of fruit produced.

NEW BANKLICK BAPTIST CHURCH

James D. Johnson

Face lifting anyone? New Banklick Baptist church is in the very process of getting a face lifting. Yes, things are beginning to look different at our church. Men are busy chipping off the old concrete and putting on some new; and then comes the fluresal to give it a fresh new appearance. It just won't look the same—but more beautiful than before. This has been underway in the planning stage for over three years. This is just the first part of a long range remodeling and building program underway at the church. The building of a new pastorium is already under consideration at the present time; also, plans are being studied to provide more classroom space for our Sunday school departments. Then comes a study for a new Youth and Educational Building with adequate parking facilities. We seek the will of our Lord in all our ventures at New Banklick Baptist church. Brothers Harold Callen, Sunday school director, Ray Mercer, youth and recreation department and George Shadler, in charge of the pastorium building, are all very busy and making every effort to achieve their goals as quickly as possible.

Churchwide Wiener Roast
 Everyone is invited to an old-fashion wiener roast on Saturday, June 12, 7:00 p.m. at the church. If you are one or 90 years old you are invited to attend; member or non-member. All we ask is that everyone bring wieners, buns, and drink for their family; we will furnish the fire. A good old-fashion singing will follow the feast of hot-dogs, and what have you. Plan now to bring the family and enjoy some old-fashion type get-together. Do You Love Good Gospel Singing?

If your answer is yes, then the place is the Rosedale Baptist church, 45th and Glenn, Latonia, Ky. The date is Sunday, June 6. The time is from 2 o'clock until 4 in the afternoon. Guest singers are Kenny Felts, recording star, and the London Singers from London, Ky. Carl Evans is the pastor of Rosedale Baptist church and invites everyone to come and join the singing of good Gospel music.

Youth "Thing"
 The youth "thing" was held recently with the family of our rec-

reation director. Ray and Louise Mercer were the sponsors along with Frank and Gilberta Kidwell at the residence of the Mercers in Turkeyfoot Acres for the latest Youth "Thing." The gala "Thing" featured at the beginning some very good barbecued hamburgers, potato chips, baked beans, cake and ice tea. The chef for the evening was Steve Powell. The evening was one filled with fun, music, and what have you. One of the most attractive moments was a race between Brother Jim Johnson, our pastor, and Miss Rita Fisk. Guess who won? The evening was climaxed by a special talk on "Israel In Prophecy and Today," with a question and answer period following. Those present were Kitty Davis, Rita

and Ricky Fisk, Alan Grayson, Billy Hensley, Barbara Johnson, Jim and Mary Johnson, Donna and Greg Kidwell, Frank and Gilberta Kidwell, Regina Lawson, Mike Mercer, Steve and Larry Powell, Mike and Nelson Schadler; also, Ray, Louise, Don, Kenny and Doug Mercer, Brenda and Linda Johnson and Carla Kidwell. All in all everyone had a wonderful time and are looking forward to the next meeting of our youth group.

The members of New Banklick Baptist church invite you to visit them if you have no present church home. We know you will enjoy the friendly atmosphere we would hope you would come to stay.

It's the hard tasks that make us.

W-V Baseballers Have Good Season

This year's baseball team at the Walton-Verona High School got off to a very good start by winning seven of their first eight ball games. Then they had trouble in putting wins together. Even so, they had a winning season, and some fine performances were turned in by some of the players.

The pitching was generally excellent. It was led by Mike Ferguson, Rodney Robinson and Darrell Rich. They were backed up by first-year man Mike Ramsey, and some others helped at times.

The team defense on the bases was very good, with excellent play by the outfield, in particular, centerfield, where Mike Sargent was one of the best in the region.

The hitting was led by the seniors, in particular, John Arlinghaus, Rodney Robinson, Myrick Crouch and Mike Ferguson.

Mike Sargent hit two homers in one game. John Arlinghaus had a homer, triple and single in one game. Tommie Farwell hit an extra-inning home run which won a game for the team.

Most members of the team were seniors, but coming back next year will be some fine boys with an excellent crop of freshmen boys coming out to help. So, Walton should continue to have good baseball for a few years.

Also, this year's team got a fine trophy for winning the District runner-up spot, but in the future we would like to have the winner's trophy.—Pub. Chm.

COMPLETES NURSING SCHOOL

The Nursing School of Northern Kentucky State College has announced it graduates for 1971, with 22 young women completing the two-year Associate Degree program which will qualify them for the registered nursing licensing examination.

Among the graduates was one Walton girl, Altigail R. Bach of 336 Green Road.

Reward Offered by Telephone Company

Cincinnati Bell has offered a reward of \$5,000 for information leading to the arrest and conviction of any person or persons engaged in the theft or damage of telephone cables furnishing telephone service to citizens of Boone, Campbell, Gallatin, Grant, Kenton or Pendleton Counties.

The award offer stemmed from recent thefts of telephone cable in the Corinth and Williamstown areas. 130-foot sections from two overhead cables serving Corinth were recently cut, and thieves removed a 140-foot section of cable in the Williamstown area.

Anyone with information about such incidents should contact H. E. Barnett, Vice President, Cincinnati Bell, 225 East 4th St., Cincinnati, Ohio 45202, or call him at 397-4997. All information will be held in confidence.

PONY SHOW WINNERS

Among the winners at the recent Pony Show, sponsored by the Boone County 4-H Junior Leaders' Club, held at the Burlington Fairgrounds were Shea Stephenson and Todd Stephenson of Verona, and Nancy Kohns of Walton. There were 102 entries in 19 classes.

Proceeds will be used to sponsor a trip to Boone County for Pennsylvania 4-H'ers who hosted last year's Boone County delegation in their state.

1955 CLASS REUNION

The 1955 graduating class of the Walton-Verona High School will have a class reunion on Saturday, June 19th at Big Bone State Park. Each family is asked to bring a picnic lunch. Eating time will be 2:00 p. m. All class members and their families are urged to attend.

A PRACTICE RING AT FAIRGROUNDS

A new practice ring is being built on the Boone County Fairgrounds at Burlington. The new ring is being built to provide a space for exhibitors to practice with a greater degree of safety. The new ring will be approximately 225x125 feet and will also provide space for additional shows, if needed.

Volunteer leaders of the Boone County 4-H Clubs are donating the materials and labor for the erection of the ring. Anyone desiring to assist them with either materials or labor should call Mrs. Nona Lucas at 586-6765.

PINKERTON GRADUATE

Mrs. Bridges Wilder, Registrar at Pinkerton High School, Midway, announces the graduation of Miss Cynthia Lynn Alphin, daughter of Mr. and Mrs. William A. Alphin, Walton. Graduation exercises were held May 23.

Miss Alphin plans to attend Midway Junior College this fall.

GREEN ROAD SPECIAL

Carrying out an anti-littering campaign, young members of the Green Road Special 4-H Club picked up two truck loads of debris which had been tossed out of vehicles driven along the road.

A large amount of the trash was found in the Cruse Creek area and consisted of beer and soft drink cans and bottles, auto tires and parts of automobiles.

The project was under the direction of Mrs. Barbara Simpson, leader, and Mrs. Mary Sue Deters, assistant leader, both of whom requested that the use of the area as a public dump be stopped.

Before the 4-H workers started their trash collection, they were guests at a picnic at the Deters farm on Green Road.

Club members who participated in the clean-up were: Jerry Bach, Annette Collett, Margaret Collett, Amy Deters, Jed Deters, Sara Deters, Suzanne Deters, Thad Deters, Lori Elliott, Rhonda Elliott, Wanda Goekke, Don Richardson, Tom Richardson, Becky Saltee, Lori Simpson, Melanee Simpson, and Connie Maymeyer.

The May meeting of the Green Road Special 4-H Club was held in the home of Mrs. Simpson.

At the April meeting three new members, Wanda Goekke, Becky Saltee and Connie Maymeyer, were welcomed into the club.

Mrs. Simpson presented a schedule of important dates to remember for the next three months.

A little first-grade girl did not have her immunization request in her hand as she stood in line so the nurse said to her, "Where is your slip?" The tiny miss carefully lifted a corner of her little plaid skirt and said "I didn't wear one today."

W-V PERFECT ATTENDANCE

Perfect attendance at Walton-Verona High School was attained by the following students for the school year 1970-1971:

Connie Leek, Michael Martin, Melissa Messmer, Rita Berkemeier, Ann Johnson, Paul Bowling, Nancy Burden, Frank Gibson, Vicki Hatten, Gladys Hicks, Rickie Sargent, Tim Butler, Vivian Adams, Jerry Burdette, Vicky Boyers, Darrell Burnette, Karen Densler, Jeff Edwards, Charles Gibson, Fannie Thorpe, Gwen Milner, Cathy Disney, Debra Disney, Donald Bone.

Larry Brooks, Debra Stepp, Tony Blau, Jo Ann Amunzlat, David Berkemeier, Dayna Cheesman, Jeff Acree, John Stewart, Steve Alford, Becky Gibson, Marita Humphrey, Peggy Morgan, Beverly Bonar, Rita Ryan, Helen Collins, Marilyn Adams, Charles Berkemeier, Brenda Thompson, Mills Rouse, Susie Hammond, Shirley Adams, Belinda Brown, Charles Butler, Donna Coyle, Peggy Garrison, Gene Dixon, Ronnie Cuzick, Debbie Whaley, Ernest Arnold, Debbie Sizemore, Annette Arnold, Ritchie Roberts, Darrell Rich, Cindy McMillan, Debby Lamb, Mike Ferguson, Timothy Edwards, Sherry Clifton, Darlene Berkemeier, Gary Ingram.

MOVING TO LEXINGTON

Members of the Walton Christian church gave a covered-dish dinner last Sunday in honor of Rev. and Mrs. Arthur J. Russell (above).

Rev. Russell has retired from the ministry and moved to Lexington. They were well liked in and around Walton and we wish them the best in their retirement.

Special Programs In Kenton County

Seven Kenton County schools will open their doors this summer for special programs and parents who wish to enroll their children should register them Friday, June 11.

Classes begin the following Monday, Kenton County Board of Education officials report.

Summer classes for junior and senior high school students who must make up a course will be held at Twenhofel and Turkeyfoot Junior High Schools.

Special education classes are set for Beechgrove Elementary School. Reading centers are to be established at White's Tower and at Crescent Springs Elementary Schools.

All courses are tuition free. In addition, tuition classes in typing will be held at the Dixie Heights and Simon Kenton High Schools and driver training courses at Dixie.

Several reports were given at a recent meeting of the Walton Youth Club.

One of the first reports was given by Capt. William Martin, representing the County Police. He stated that he sees all reports from Walton and that they had never had a complaint on or against the Walton Youth Club, and he thought they were a fine group of girls and boys. If anyone comes into the club who has been drinking or is still doing so, they are put out at once.

In a second report, the children told how they had outfitted two children with clothing and bought them a year's supply of shoes, which included good shoes as well as play shoes. They also outfitted three other children from skin out, and got part-time jobs for all the children. These children were potential school dropouts, now at work part time and paying the Youth Club back every dime for their clothing and I might add, they haven't missed a payment. They have savings accounts and save regularly; their grades in school are all up and their absences are down. They also took several children to a free clinic in Cincinnati, who were taking drugs. These children were out of school and were not club members.

The third reports was on the needs, activities and financial condition of the Youth Club.

Needs—The Youth Club needs a fire escape, which they have now found in Cincinnati, but need help in bringing it to Walton and putting it on the side of the building. Mr. Ed Berkemeier said he and men from the Walton Volunteer Fire Department would help with the fire escape. They discussed sliding which is needed for appearance, to reduce the hazard of fire and for the insulation the sliding will give. Mr. Saylor, the Industrial Arts teacher, is going to check on sliding. If you would like to donate something, they need two sewing machines, chairs or church benches, tools for working with leather goods, art supplies of any kind, any kind of paper to use

FIRES AT HOME

Every day there are over 6,000 fires in America, most of them occur in the home. Do you know how to react in case your house gets on fire with you and your family inside?

1) Don't panic, panic is a great killer. Remember escape route.
2) Never open a hot door—if it is too hot to touch, it is suicide to open.

3) Awaken other family members, scream, pound on walls, anything to get everyone out of the fire.

4) If smoke is thick, crawl on your hands and knees—there is more oxygen and less smoke at floor level. Take short, shallow breaths, cover your head and stay close to walls.

5) Rooms opening onto porches or garage roofs make easier escape hatches. A good house is one that you can get out of in case of fire.

Fire destroys—don't let it happen to you.

REVIVAL AT BIG BONE

Rev. Merle Thomas of the Kevil United Methodist Church, Kevil, Ky., will be conducting revival services at the Big Bone United Methodist Church, June 7 through June 13. There will be special music each service. Services will be at 7:45 p. m. each day except Sunday, June 13, which will be homecoming day.

Sunday School at 10 a. m., worship at 11 a. m., followed with a basket lunch and fellowship in Big Bone State Park, with a closing service Sunday afternoon at 2:30.

Rev. Gayle D. Stewart, pastor, invites all interested persons to attend the revival and homecoming.

SEVENTH ANNIVERSARY

The Rev. Colburn Hooten recently celebrated his seventh anniversary as pastor of the Hickory Grove Baptist Church, Taylor Mill Road, Nicholson. The church has taken great strides forward during the ministry of Rev. Hooten, and we congratulate him and his congregation.

Mr. and Mrs. James Hampton and baby son, James Allen, were the guests of her father, Elbert Ransom, Monday.

Mr. and Mrs. Stanley Allen and son, Ray, spent the weekend in Michigan, visiting Mr. Allen's sister, Mrs. Ruth Smith and husband at Ann Arbor, and his brother, Frank Allen of Claire, Mich.

A 220-lb. earthman would weigh 220 lbs. on Saturn, 76 lbs. on Mars, 56 lbs. on Mercury, 170 lbs. on Venus, 180 lbs. on Uranus, and 520 lbs. on Jupiter.

To Honor Kenton Co. Board Member

On Sunday, June 6th, during the morning worship services at the Goshen Christian Church, Piner, W. W. Worthington will be honored for serving 14 years as a member of the Kenton County Board of Education. Mr. Worthington resigned the first of the year, and Chlorine Menefee was appointed to fill his place of the board.

R. C. Hinsdale, Superintendent, and Robert Scott, Chairman of the Kenton County Board of Education, as well as others will be present. All friends, neighbors and those who have been associated with Mr. Worthington during his term of office are cordially invited to be present.

A basket dinner at the church will follow the morning service. We are informed that this is supposed to be a surprise, so please don't tell him.

A New Telephone Directory June 8th

It's new. It's compact. It's all Northern Kentucky. And it will be delivered beginning June 8.

It's Cincinnati Bell's Northern Kentucky Telephone Directory covering Boone, Kenton and Campbell Counties.

Telephone company officials say the directory distribution will be completed in about four weeks. All copies will be hand delivered—something new for rural Boone County customers, who formerly received them by mail.

The new books will contain 194 white pages with alphabetical listings for an estimated 81,500 telephone customers in the three counties. The yellow pages will total 504 pages.

Included with the distribution of the Northern Kentucky Directory will be a copy of the Metropolitan Cincinnati white pages for each Northern Kentucky customer who has Greater Cincinnati telephone service.

Cincinnati Bell has ordered more than 130,000 copies of the new compact Northern Kentucky directory.

Telephone users are reminded that the telephone directory is a personal book in which they can underline or circle numbers to make their telephoning quicker and easier.

Election Results Although Late—

The primary election is long gone and we are sure everyone in this area knows the results. Many were glad to see Ford win the Democratic nomination for Governor, and of course, some were not so pleased—but that's elections.

Tom Emberton will be the Republican opposition for Ford in the general election in November for the Governorship.

Our old friend, Dan Roberts, was defeated by Bill McBee in his bid for election as State Representative, Democratic wise, and Donald Brown won, by 21 votes, the right to oppose McBee in November, on the Republican ticket.

McBee defeated Roberts 1988 to 1452, and Brown bested Lawson 367 to 346.

In Boone County, Ford received 3057 votes to 1148 for Combs. In fact, Mr. Ford carried all of the Northern Kentucky counties. Emberton got 549 local votes. John Breckinridge carried the county for lieutenant governor, receiving 1315 Democratic votes, while Henry Beach got 953, and Julian Carroll (state winner) received 818.

James Host won the Republican nod for lieutenant governor with 298 votes.

For Superintendent of Public Instruction, Lyman Ginger, state winner, carried this county with 845 votes.

We trust the November campaign for governor will be a bit more pleasant than the primary. We deplore the practice of some candidates threatening and intimidating small weekly newspapers with threats of libel suits.

Demonstration Day, May 15th

Let's demonstrate! This phrase to 4-H'ers means an entirely different thing than it generally does. To 4-H demonstrations are given to show someone how to perform some task that they learned thru 4-H such as how to mix a special salad or how to assemble an extension cord, and the signs they carry are placed on oneasel and list the most important points to remember in making whatever item they are demonstrating.

On May 15 at Twenhofel Junior High School, the 4-H'ers held an Area Demonstration Day during which 4-H'ers from the eight Northern Kentucky Counties competed for the opportunity to participate in the state contest.

The following Kenton County 4-H'ers came out on top: Linda Riley, clothing demonstration; Luellen Wolsing, general category; Susan Campbell, health, junior division; Lisa West, other foods category; Regina Wayman, senior division health; Michelle Arnold, home furnishings in the senior category.

Annual St. Cecilia Auction

On Saturday, June 5, at 10:30 a. m., the annual auction and rummage sale will be held in the St. Cecilia School basement, Madison Pike, Independence.

Beautiful dishes, good furniture, some new items, some antiques, and many unusual items will be up for bid.

This year, helping Harry Johnson, will be Johnny Price, the youngest auctioneer in the state.

Come early and join in the fun. Lunch will be available, and the public is invited.

Honored by Goshen Church

Mrs. Claude Goad was recently honored at the Goshen Christian Church, Piner, for having found the word kingdom the most times in the Bible. She found the word 406 times. We challenge the other churches in the area to see if anyone can find the word more times than Mrs. Goad, a member of the church said.

Also recently honored was Mrs. Roy Elliott when she was chosen "Mother of the Year" at the May 7 Mother-Daughter banquet.

Annual FFA Convention

The 42nd annual convention of the Kentucky Association of Future Farmers of America is being held in Louisville this week.

Approximately 1,000 FFA wearing blue and gold jackets were expected to attend. Highlights of the meet will be the selection of state winners in various speaking contests, recognition of agricultural achievement, and the naming of the organization's Star State Farmer.

There is nothing like horseback riding to make a person feel better off.

Baptist Women Meet

Baptist Women of Wilmington Baptist Church met in the home of Mrs. Lyle Spillman, May 6, with 14 members and a child present.

The meeting was called to order by the president, Mrs. Spillman, who welcomed each one.

Mrs. James Bailey had the devotional, reading Titus 2:1-9, and praying for our missionaries.

A special prayer for the sick, the shut-ins, and boys in service was given by Sherry Burkhardt.

Roll call with each answering with a name of a person in the Bible which begin with the first letter in our name.

A report from all committees were heard. Nine cheer cards and two sympathy cards were sent.

The minutes and treasurer's reports were read and approved.

After the business meeting, Mrs. B. N. Spegal was in charge of the lesson on Mexican Baptist Thrust to the Future, which was very interesting. All members took part.

At the close of the meeting refreshments were served by the hostess to the following: Mrs. B. N. Spegal, Mrs. Sherry Burkhardt, Mrs. Wendel Bridges, Mrs. Hugh Ray, Mrs. Wayne Adams, Mrs. Marion Collins, Jr., Mrs. Bob Cooper, Mrs. Wayne Fisk, Mrs. Elmo Menefee, Mrs. Keith Creasy, Mrs. Bill Goshorn, Mrs. James Bailey, Mrs. Minnie Mae Mann, and Miss Stephanie Burkhardt.

The next meeting will be held June 3 at the home of Mrs. Keith Creasy at 7:45 p. m. All ladies of the church and visitors are welcome.—Pub. Chm.

TOO LATE?
Lesson for June 6, 1971

Background Scripture: Isaiah 30, 31;
32:16-18; 37:35-37;
Devotional Reading: Psalm 46

A teenage girl is afraid to face her parents. Last evening she had come home from a party a whole hour late. She thought she could sneak in without anyone hearing, but as she got to the top of the steps, she saw her father and

heard him say, "We'll talk about it in the morning." She knew what that meant. "Please, God," she prayed, "don't let them be mad."

The infrequent prayer

Rev. Althouse A young adult is faced with a written examination that will either qualify him or disqualify him as an accountant. Though he wants the job, he has been "guffing-off" in preparing for the examination. Now at last the day of examination is here and he is afraid he's going to fail. He hasn't prayed in years, but now he asks God to get him through successfully.

A middle-aged woman's eyes are getting very heavy and her thoughts become fuzzy. In a few moments there would be complete unconsciousness and then the operation would commence. It was a serious operation and she was afraid. With her last few moments of consciousness she prayed: "Our Father who art . . . in heaven . . . hallowed be thy name . . . Thy kingdom . . . come . . . thy . . . will be . . . done . . ."

King Hezekiah of Judah, knowing that he and his people had drifted away from their dependence upon God, prayed: "So now, O Lord our God, save us from his hand (an enemy), that all the kingdoms of the earth may know that thou alone art God." I can't help being a bit amused with his prayer. Instead of coming right out and saying, "Lord, help us, we're in a terrible mess," he tries to give the impression that it is really God's reputation—among non-believers about which he is concerned. This would be like the teenage girl asking God to keep her father from becoming angry because it would be bad on her mother's nerves, or the young man asking to pass the exam so that he could continue paying on his church pledge, or the woman asking for a successful operation so that she won't be a bother to the hospital nurses. Certainly God isn't fooled by these clever deceptions.

What do we mean "too late"?

What about Hezekiah and the people of Judah? Wasn't it too late for them to return to God? Wasn't this prayer the last resort of desperate sinners?

Much depends upon what we mean by "too late." If we mean "too late" to re-establish their relationship with God, the answer is that it is never too late for that. Remember the one thief who hung on a cross next to Jesus? In a few hours he would be dead, but it was not "too late" for Jesus to assure him, "Today you will be with me in paradise."

If we mean "too late" to ask God for help, the answer must again be "No."

If, however, we mean "too late" to turn back the clock and undo what we have done, the answer may be "Yes, it is too late for that." For the teenage girl it was "too late" to change the fact that she had been careless with her time. For the young adult it was "too late" to make-up for the lost opportunities to study. For the woman in the hospital there was no turning back the clock as if the illness had never happened. With Hezekiah and his people there could be no magic that suddenly would wipe clean the slate and instantly transform this stricken land into a nation of God-fearing people.

Yet, it was not "too late" for any of these people. There was still time to turn to God and receive his help in meeting and seeing through the troubles they had brought upon themselves. It is never "too late" for that.

(Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U.S.A. Released by Community Press Service.)

A gentleman on a bus was smoking a foul-smelling cigar. Turning to the little lady next to him, he asked, "My smoking won't bother you, will it?" "No," she replied "not if my getting sick won't bother you."

ALERT today, ALIVE tomorrow!

Amazing, aren't they — these young things with their fancy hairdos and skintight pants? And the girls are even worse!

A full measure of

with Gas & Electricity

Your automatic heating system provides indoor climate control part of the year.

But, why not enjoy a full measure of comfort? Central cooling can be added to your ducted heating system easier than you may think.

Then, year 'round climate control is just a dial away.

When an electronic air cleaner is included, indoor air is cleansed. Dirt and pollen disappear.

Portable dehumidifiers and humidifiers are also available for year 'round moisture control. See the big display of indoor climate control equipment in CG&E's downtown Cincinnati Lobby, Fourth and Main.

Rev. and Mrs. Robt. Glinn, Mrs. Jo Ann Stephenson and Mrs. Emma Jane Ryle went to Salem Baptist church, Mt. Washington, O., on Friday night to hear Rev. E. L. Bynum of Tabernacle Baptist church, Lubbock, Texas.

Merrell Allen called on Omer Black Tuesday afternoon.

Mrs. Maude Slover visited her

sister, Mrs. Ellen Orloff, of Harlan, Ky., who is 91 years old.

Mr. and Mrs. Louis Slover visited Mr. and Mrs. D. Kirby, Cincinnati, last Sunday.

Mr. and Mrs. Gilbert Turner Sr., Shawn and Janice visited Mr. Turner's parents of Cincinnati, on Sunday.

At the final P-TA meeting of the Hamilton school, Mrs. Marlene Howell was elected president and

Mrs. Pauline Kirby, vice president. Mr. Allen showed home pictures of all the children of the school.

Mrs. Frances Gruelle and son Rodney were dinner guests of Mrs. Emma Jane Ryle Monday.

Mr. and Mrs. Jerry Aylor left by plane Saturday for a fishing trip in Orlando, Fla., of about four days.

Mr. and Mrs. Richard Bishop's dinner guests Saturday were Mr. and Mrs. Kenny Aylor of Florence.

Henry Bell and daughter, Jalana, called on his daughter, Mr. and Mrs. Chas. Rollings of Florence. Billy Hallen and Tim and Pat Puckett had the misfortune to run into a pole with his car this week, caused by trying to rid the car of a bee. Fortunately they escaped with a few bruises and scratches.

VERONA

Floannie Edrington, Reporter
(Delayed from Last Week)

Mr. and Mrs. Melvin Collins and children moved from their home here in Verona to their house they bought from Wallace Lucas in Florence. We hated to lose them from our little town but wish them the best of luck in their new home.

Mr. and Mrs. Winfred Swearingin and children spent last Sunday with Mrs. Allie Chandler.

Floannie Edrington spent Mother's Day with Mr. and Mrs. Harvey Hughes.

Calvin Sturgeon, who suffered a heart attack one evening recently, has been taken from intensive care

and is doing fine. We hope he gets to come home soon.

Dutch Sturgeon still remains very ill. We wish him a speedy recovery.

Mrs. Lillian Stephenson is still on the sick list. We hope for a quick recovery.

Wedding bells will be ringing in our community again soon.

Mr. and Mrs. Lawrence Farrell were calling on Mr. and Mrs. Melvin Collins, Friday.

Sorry there was no Verona news in the Advertiser the past two weeks. So many have asked me why, so I could only tell them they didn't print it.

Patios made of brick, concrete, cement, unglazed tile or similar materials will be easier to keep clean if they are coated with colorless silicone-based water repellants. This coating has great resistance to moisture, and rain or hose water will run off quickly carrying dirt with it.

If a paint job involves hiding cracks, rough or patched plaster, or dry wall seams, a texture paint is advisable. It's thicker than reg-

ular paint and can be brushed on and then stippled with a brush, sponge or roller.

To paint exterior wood above masonry, use a non-chalking paint. This paint will not wash down and streak the masonry.

Looking toward the heat of summer, it's worth knowing that a coat of white paint or whitewash on a black asphalt or metal roof can reduce the temperature underneath by several degrees on a very hot day. Consult your paint dealer as to what type of paint to use on your particular type roof.

Several good water emulsion house paints are on the market. These paints dry in less than an hour, which means that insects, dirt, and other wind-carried debris so common in spring are less likely to be trapped in the paint film. Sudden rain squalls will not spoil the job and painting can be resumed on a wet surface. However, in using this kind of paint, be sure to follow carefully the instructions on the can or bucket. Remembering the old paint and varnish advertising slogan, "Save the surface and you save all," it is always a good idea to paint and repaint. Lack of paint coating causes wood to rot and metal to rust. Lack of caulking allows windows to loosen and let in destructive moisture. If such things are ignored, a pile of costly repair bills may result.

CARD OF THANKS—

We wish to express our thanks to everyone who was so kind during the death of our wife and mother, Ruth C. Barlow. Those who sent food, cards and flowers, the men who dug the grave, Dr. J. M. Huey and Dr. Charles Perry, St. Elizabeth Hospital, Chambers and Grubbs, and Rev. Roy Johnson for his consoling words. Your kindness will never be forgotten.

Mrs. I. A. Keeney, Reporter

Mr. and Mrs. Jennings Mills of Middletown, Ohio, called on Mr. and Mrs. Dawson Ballinger one day the past week. They had visited the family burial lot in Independence. They report that his brother, Batson Mills, is enjoying fairly good health at present.

Mrs. Emily Klette had lunch with her mother on Tuesday and took her to vote.

Mr. and Mrs. Tom Nunery, Mr. and Mrs. George Finnell, Jr. and Mr. and Mrs. Davey Parsons spent the past weekend with Rev. and Mrs. Sanford Rucker in Ashland. They found them in good health and as always, busy.

The senior class of Simon Kenton High School enjoyed a trip to Mammoth Cave and Cumberland Falls the past weekend.

Mr. and Mrs. George Shaw of Alexandria, were Sunday guests of Mr. and Mrs. John Shaw, May 23.

The Peopons enjoyed a trip into Central Kentucky one day recently. Mrs. Georgia Richardson spent this week with her daughter and family, Mr. and Mrs. Russell Marshall and daughter, at Nicholasville.

Mrs. Inez Callen is visiting relatives in Williamstown.

The WSCS met at the church with Miss Helen Richardson as the hostess. Mrs. D. Ballinger had the program. A good number were in attendance.

The Senior Citizens will meet on June 8 at Brucewood Church at 10 o'clock. If you need transportation call 356-2352 or 356-5009.

NORMAN STEPHENS

Here comes the winner! Can he hold that first-place position? Or will he fall? Victory is the most important thing in the world for these youngsters right now. Everything hinges on the outcome of this contest.

Enthusiasm is an important part of successful living. It can stimulate the imagination and inspire the mind. And it can be a contagious thing, too. It can affect your co-workers, your friends and your family. That is why it is so important to instill enthusiasm in any successful organization, as well as in individuals.

One of the greatest institutions on earth, the Church, has inherited a rich spiritual enthusiasm which has been handed down through the centuries. Its members, working together, fired by the enthusiasm of Faith can give you renewed inspiration which you in turn, can pass on to others.

Plan now to attend church next Sunday. Become a part of this great fellowship of believers who can instill and impart enthusiasm into our lives, our community, our world.

NEW BANKLICK BAPTIST CHURCH

James D. Johnson

The unexpected happened to us recently as we were making our usual hospital rounds at Booth Memorial. We were visiting Mr. Earl Carpenter who had been there for some time; however, as we entered the room we noticed a new patient was in the first bed. He was smuggled down into several pillows, and with one glance you could see that he was in pain. We looked over the bed to see the name of this patient. At first it was hard to tie in the name that came into focus of our bi-focals with our dear friend in Walton, so we went over to talk with Mr. Carpenter. As we talked, there came a low muffled sound from somewhere in the room. As we listened we caught the words, "Is that the voice of Jim Johnson that I hear?" At first, we did not know what they were saying, but when we did catch on we located the voice belonging to the new patient in the room. We walked over and he

raised his head up and we were shocked to see our dear friend, James Lawrence, from the Walton Advertiser! He, we were told, had to have emergency surgery the day before. So one never knows who he will meet when visiting in a local hospital. We want Jim to hurry up and get well, because he's the anchor man on the team of the Walton Advertiser.

The Hot Dogs are on the prowl again at New Banklick Baptist Church! That's right, we are having a church-wide wiener roast on Saturday, June 12 at 7:00 p. m. at the church. Everyone who likes to roast wieners the old fashion way may come; however, bring your own wieners, buns, drink for your group and come and enjoy the fellowship: we'll furnish the fire. There will be an old fashioned singing after the fellowship of hot-dogs.

The following young men of our church membership will be graduating this year from Simon Kenton: Virgil R. Hensley, Paul Sorrell, Mike Schader and Ernest McKinley. Congratulations to all of you and God bless.

Our Sunday School attendance contest is almost over for the second quarter of 1971. Here is how it stands at this writing:

Weeks	Percentage
April 1	66.0 83.5 98.0*
April 2	71.4 72.5 98.0*
April 3	51.7 67.0 80.0*
April 4	44.6 50.0 88.0*
May 1	57.0 77.7* 77.0
May 2	66.0 71.7 100.0*
May 3	64.3 62.2 73.0*
May 4	50.9 72.3 79.3*

*Indicates weekly winner.

The Children's Department is well in the lead at this time and with only five more Sundays to go seems to have the contest well in the bag for another quarter. Keep your attention on this column for the final results of this tremendous contest in the battle of the ages.

A number of our members have recently celebrated their wedding anniversaries. They are: Kenneth and Martha Tomlin, April 6, their silver anniversary; Mason and Marie Schader, April 26, their 38th anniversary; Harold and Coella Callen, May 3, their 35th anniversary; Herman and Wanda Spada, May 11, their 9th anniversary; Clara and Willie Kidwell, May 12, their 45th anniversary; Roy and Frances Beach, May 16, their 18th anniversary; Virgil and Lula Hensley, May 26, their 26th anniversary, and Ray and Louise Mercer, May 28, their 16th anniversary. Congratulations to all of these are in order, and may God continue to bless each and every one as they continue their walk through life, side by side.

Watch this column for a very important announcement of a coming event for everyone in Boone and Kenton County on September 19, 1971.

We of New Banklick Baptist Church would just love to meet you at our church if you do not have a church home of your own. Come visit us and see for yourself that you are a visitor only once—then you'll want to stay.

How We Get Out Is Important . . .

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

Welfare Reform Experiment . . .

Overburdened taxpayers in California and throughout the nation have every reason to applaud the courageous campaign initiated by Gov. Ronald Reagan to revamp the welfare system in California.

What the Governor has proposed is a 70-point plan to stem the rising welfare tide in his State. He would tighten eligibility rules for getting on welfare and ban such abuses as giving aid to able-bodied college students; mailing benefit checks to recipients in foreign countries; and not having federal food stamps count as income.

Unemployed able-bodied welfare recipients would be required to register for, as the Governor puts it, "public assistance work force projects aimed at making California a better place in which to live."

As expected, the liberal do-gooders are screaming that Reagan is advocating "slave labor" and he is pictured as a cruel politician who wants to save money at the expense of the needy.

The truth of the matter is that his plan actually would increase the size of welfare payments to approximately 300,000 truly needy families with dependent children but reduce or eliminate aid to about 100,000 unneedy or "affluent poor."

In introducing his proposals, the Governor said: "This is an idea whose time has come. We can show the rest of the country a way out of its problems."

We wish him every success, for if it does succeed, other state governments and this administration will be hard-pressed to resist taxpayer demands for similar reforms.

Home Agent's Party Line

By Nancy Norman

Money may be tight these days, but no one need scrimp on looking good. A whole raft of electric appliances have been developed—or improved—to help every member of the family look their best with at-home care.

Electric hair dryers are almost standard beauty equipment. Every woman can keep her hair clean and pretty as she likes, because drying hair is no longer an all-day affair. Salon-type dryers are the newest, with hard bonnets which are easy to get under, even with the largest rollers.

Keeping hair pretty between shampoos is no longer a problem, thanks to the electric beauty aids which curl, style and fluff hair. There are several types of curlers—shop carefully before buying.

Electric combs and brushes have wider application for the whole family. They are designed to shape and fluff hair while blowing it dry. Good for women who prefer the straighter hair styles, and they also work well on the hair of children.

Even complexion care has gone electric. While there will never be a substitute for soap and water, the deep cleansing action of the facial mist appliance is an important aid in complexion care.

Lighted makeup mirrors are also aids to complexion care. They can be set to simulate daylight, fluorescent light or soft lamp light in each setting. These mirrors are mercifully frank about blemishes and skin condition.

There are powerful aids for dental and hand care. The automatic toothbrush, available in up-and-down and back-and-forth motions or both. Even the youngest of the brushers can develop good habits in dental care.

For beautiful hands, there are electric manicure sets which enable even the butter-fingered to get professional results. Some have a nail drying feature, and an extra on some a deluxe hair dryer.

Electric shavers are important grooming aids for both men and women. Improvements in their design, greater speed, changeable blades, shaped shaving surfaces and cordless models, are gathering more converts daily. Women shavers have been up-dated with shaving surfaces curved to fit the contour of legs and underarms.

There are even appliances to simulate the work of a professional masseuse. Hand-held vibrators and massagers are available to soothe muscles from the nape of the neck to the aching feet.

Clothing care now has electric assistance. One of the most recent additions to the list of personal care appliances is the steam unit which removes wrinkles from any fabric which can be steam pressed. These appliances are small in size and allow easy packing for travel.

Trouser cuffs originated when the Prince of Wales turned up his pants bottoms so they would not get muddy.

Visalia Finds Its Sister City In Cal.

Visalia (Kentucky) has found a sister city—way out in California, and as a result, students at the Visalia Elementary School in Kenton County, are getting a first-hand lesson in history and geography.

It had its beginning last fall when a couple of California visitors came to Cincinnati and learned about the Kenton County village.

Armed with a camera, the Californians, Mr. and Mrs. Lawrence Rignin, admired the lush hills and the beautiful trees.

On their return home to Visalia, California, they turned over their story and pictures to the editor of the Times-Delta who devoted a full page to the Kentucky town and its people.

Mrs. Beatrice Steinhauer, principal of the Visalia school, saw an opportunity to give her charges some lessons and received a wealth of information from California.

Students learned that it probably was the same family which settled the two communities. They also learned that the California Visalia is in the San Joaquin Valley, midway between Los Angeles and San Francisco.

The California Visalia is much larger, with a population of more than 27,000, but its Kentucky sister is some 30 years older.

Independence Gospel Sing

A contemporary musical presentation of the Gospel for the 70's entitled, "Life," will be presented at the Grace Baptist Church, Independence, on Wednesday, June 16 at 8:00 p. m., by the Youth Singers of Ashland Avenue Baptist Church, Lexington.

The church invites everyone to attend, especially the youth.

Heritage Week Is Observed Locally

The Walton United Methodist Church entertained the high school graduates of the church, their parents, the senior citizens, and members of the church before 1920 one night recently.

This dinner was in connection with celebration of Heritage Week. Serving the dinner were members of the Youth Choir, and they also entertained with a humorous song following the dinner.

Rev. Robert Yates spoke to the group and pictures taken when the seniors were in the Primary Class in Bible School were shown.

Those attending were: Mr. and Mrs. Bruce Cox, Mr. and Mrs. Lawrence Lemons, Mr. and Mrs. J. J. Barnett, Rev. and Mrs. W. Hoffman, Miss Louise Conrad, Mrs. Carl Conner, Mrs. John Hanks, Mr. and Mrs. Charles Carlisle, Rev. Robert Yates, Mr. and Mrs. Jesse Callen, Mrs. Mary Stephenson, Mr. and Mrs. John Gray, Dennis Gray, Mr. and Mrs. Guy Carlisle, Christy Carlisle, Ricky Goldsberry, Betty Lou Mitts, and Steve Maines.

A Kentucky Colonel

Mrs. Anna Mae Simpson, wife of Malcolm Simpson, owners of the Walton Advertiser, was honored recently by being named a Kentucky Colonel on the staff of Governor Louie B. Nunn. The presentation was made by Otis Resdnour, well known Walton businessman.

Mrs. Simpson is a member of Walton United Methodist Church, Walton Wa-Na Woman's Club, the Greater Walton Businessmen's Association, and is bookkeeper for Walton Auto Parts.

Art Studio Open House

The Anneliese Art Studio, North Main St., Walton, will hold Open House on Sunday, June 20th from 12:00 noon to 7:00 p. m.

Everyone is invited to attend. A door prize will be a painting by Anneliese (Mrs. Heinz Wahrnburg), which would add greatly to your home.

People who smoke in bed should sleep on a water mattress.

BOONE YOUNG DEMS NAME MURRAY PREXY

Donnie Murray of Verona, has been elected president of the Boone County Young Democrats. Other officers for 1971 are: Ray Muff of Florence, vice president; Mike Ramsey of Walton, second vice president; Mills Rouse of Walton, treasurer, and Shelly Edwards of Florence, secretary.

"Goals of the organization are to become involved in today's politics, work in supporting candidates, and prove that the American system of government can and will work for today and the future," said one of the members, E. Andre Busald, Florence attorney.

ANNUAL ICE CREAM SOCIAL

The Bykota Class of the Walton Christian Church will hold their annual ice cream social on Saturday, June 19, starting at 4:00 p. m. and continuing until 8:00 p. m., on the church lawn.

There will be homemade ice cream and homemade cakes, sandwiches, and drinks.

Come out and enjoy an evening of fellowship.

Final Meeting Of The Piner P. T. A.

The final meeting of the 1970-71 school year of the Piner PTA was held May 20.

Mrs. Bobby Beighle vice president, had the devotional; Mrs. Shirlee Gilvin conducted her last meeting and gave the yearly report of the president.

A very good and entertaining program was given by students. The 4th group modeled and displayed their projects for the year. Mr. Smith had children from his physical education classes performing various gymnastics, and the 7th and 8th grade band members put on a musical. These students were exceptionally good to have had music for only one or two years.

New officers for the coming year were installed by Mrs. Woody W. Worthington. They were: Mrs. Cliff Martin, president; Mrs. Chlorine Menefee, vice president; Mrs. Elmer Price, treasurer, and Mrs. Nancy Roberts, secretary.

The group is looking forward to a very good year next year, and it is hoped everyone continues to support the PTA.

I would also like to thank the Walton Advertiser for being so nice about putting in all articles for our school. It is much appreciated, and makes a job for the publicity chairman easier.

The Youth Club Starting Library

The Youth Club of Walton is starting a library for its members. About 50 books are on hand at present but many more are needed. If anyone has any books or National Geographic magazines, it would be appreciated if you would call 485-4867 or 485-4407.

The club is also having a contest between new and old members to see who will win \$5.00 for getting the most kids to pay their dues and become members. The dues are the same as last year—a quarter a month or \$3.00 a year. Dues are to be paid, all at one time, to reduce bookkeeping.

The contest will end July 15 at the regular third Thursday meeting at the center at 7:30.

Memberships, however, are taken the year round, so if you join in July, the dues would be \$2.75. In August, dues \$2.50, etc. Dues are not reduced regularly and all 1971-72 memberships will expire June 1, 1972.

Gets Doctor's Degree

Thomas William McDonald, son of Mr. and Mrs. T. C. McDonald, Route 1, Walton, received the degree of Doctor of Medicine at Commencement exercises at the University of Louisville, June 6.

Medical degrees were granted to 90 persons by the School of Medicine. The new MD will now begin his internship.

Rabies Clinics Set For Boone County

It is again time for all dogs that have reached the age of six months or older and have not taken their rabies shots to come to the Rabies Clinic. Also, all dogs that had shots three years ago are now due again.

You probably wonder why your dog has to keep taking the shots. If they accidentally bite some little boy or girl, they will be much relieved to know that your dog has taken these shots.

There are always some dogs that have not had their shots but they still want to play with your dog. If they contact rabies by some old skunk, fox, bat, etc., your dog will be in no danger because it has had the shots. The clinics have been set up as follows:

June 14—Verona School, 9:00 to 11:00 a. m.; Walton, Firemen's Grounds, 1:00 to 3:00 p. m.

June 15—Burlington Courthouse, 9:00 to 11:00 a. m.; Grant Firehouse, 1:00 to 2:00 p. m., and Petersburg Postoffice, 2:30 to 3:30 p. m.

June 16—Taylorsport, Sprague's Grocery, 9:00 to 10:00 a. m.; Constance, Skyline Grocery, 10:30 to 11:30 a. m.; Hebron, Connor Junior High School, 1:00 to 3:00 p. m.

June 17—Big Bone Park, 9:00 to 10:00 a. m.; Rabbit Hash, Stephen Grocery, 10:30 to 11:30 a. m.; Union Presbyterian Church, 1:00 to 3:00 p. m.

June 18—Florence Elementary School, 9:00 to 11:00 a. m. and 1:00 to 3:00 p. m.

An accredited Veterinarian will administer the 3-year vaccine, and there will be a fee of \$1.50 for each vaccination.

WALTON MASONS TO MEET

Walton Lodge, No. 719, F&AM, will hold its regular monthly business meeting on Thursday, June 17 at 8:00 p. m. All members are urged to be present, and visitors are welcome.

John Wayne Hosts New Vietnam Film

The premier showing of "No Substitute for Victory," an action-filled color film about Vietnam, starring John Wayne, Martha Raye and a host of military leaders, will be held at the American Legion Post on Flag Day, Monday, June 14, at 8:00 p. m.

The 75-minute motion picture, scheduled for just one showing in the area, surveys this country's involvement in Vietnam and criticizes in no uncertain terms the "no-win" policies of recent Administrations. The Walton TRAIN Committee, which has urged a "win" policy in Vietnam and a halt in aid to the Communists, is sponsoring the public showing. Tickets are \$2.00 each for adults, and \$1.00 each for students.

The show is action-packed and should be seen by all.

Mrs. Bob Stephenson, Chairman of the Walton TRAIN Committee, said, "For a time it seemed pretty lonely advocating victory against the Communists. We are proud and happy to be able to call John Wayne and all these other famous Americans as our allies. We certainly agree that in war there is no substitute for victory."

Tickets for the show, "No Substitute for Victory," may be obtained by call 485-4557 or 485-7308 or by stopping at the Walton Lock-er.

ATTEND STATE FIRE SCHOOL

Several youth from the Walton Volunteer Fire Department attended the State Fire School at Lexington, Monday through Wednesday of this week.

Those who attended for the first time were Dean Ward, Allen Elmore, John Barcus and John Roberts. Those who attended for the second time were Mike Jarman, Terry McCubbin, Lenny Clifton and Paul Allen.

These young men give many hours to the fire department and they are to be commended on the fine job they are doing.

LIONS CHARITY HORSE SHOW ON JUNE 12th

The Walton Lions Club will sponsor a horse show on Saturday, June 12 (rain date June 13) at the Lloyd Memorial Park, Crittenden, Ky. Show time is 12:00 noon.

The program is made up of 17 classes, both English and Western. Many action classes are offered, and many classes are set up for Junior Exhibitors.

The Ladies Auxiliary of the Lions Club will serve refreshments. For further information, contact Ab Ryan at Ryan's Hardware in Walton.

Come out for the show. Help the Lions Club help people who have eyesight problems. The club says, "We need your help!"

Literary Club Holds Year's Final Meet

The Walton Woman's Literary Club held its final meeting of the year on Wednesday, June 2, at 2:00 p. m., in Fellowship Hall of the Walton Christian Church.

Mrs. A. H. Gaines presided; Mrs. Dan Bedinger led in reading the Club Collect and the salute to the flag.

Miss Elma Taylor, vice president, introduced the speaker, Jack Lynn, Fifth Regional Director of the Kentucky Department of Fish and Wildlife Resources. He showed two beautiful colored films, "Feathered Rainbow" and "Rediscover Kentucky." Mr. Lynn was accompanied by Paul Oliver, Conservation Officer from Erlanger. The ladies appreciate the fine work these men are doing.

"Spiritual Guidance," "Let Your Life Be A Light," was beautifully presented by Mrs. J. R. Flynn. She read Matthew 5:16.

The club voted to participate in the "Kentucky's First Ladies in Miniature" project. The first lady selected by the club is Harriet Newberry, granddaughter of Mrs. Katherine Hughes McCreary. Miss Newberry was hostess for Governor McCreary, 1875-1879. Mrs. Gaines appointed Mrs. W. R. Belcher, Mrs. Carl Conner, Mrs. Eleanor Rodney and Mrs. William Brown to serve on the "Heritage Doll" committee.

Mrs. Charles Alphin gave an informative report on the "World Status" of the United States today.

Mrs. W. W. Rouse gave a resume of the club's programs and work during 1970-71.

Mrs. Lloyd Watson installed the following officers for 1971-72: Miss A. H. Gaines, president; Miss Elma Taylor, vice president; Mrs. Claude Thompson, secretary, and Miss Louise Conrad, treasurer.

Mrs. Margaret Fields of Florence, was a welcomed guest.

Members present were: Miss Rachel Acree, Mrs. Charles Alphin, Mrs. Dan Bedinger, Miss Virginia Beverly, Mrs. W. R. Belcher, Mrs. William Brown, Mrs. Cameron Brakefield, Mrs. John Campbell, Mrs. Zayda Clore, Mrs. Carl Conner, Miss Louise Conrad, Mrs. J. R. Flynn, Mrs. A. H. Gaines, Mrs. George Knox, Mrs. L. R. Richardson, Mrs. Eleanor Rodney, Mrs. W. W. Rouse, Miss Katherine Scott, Mrs. Sam Sleet, Miss Elma Taylor, Mrs. Claude Thompson, Mrs. Melvin Wasson, Mrs. Lloyd Watson, Miss Mary West, and Mrs. Walter Whitson.

Hostesses were Mrs. Melvin Wasson, Mrs. George Knox, Mrs. Charles Alphin and Mrs. William Brown.—Club Reporter

Hurry—Last Chance!

Everyone knows how badly the City of Walton needs a sewer system. Funds are the big problem. We are assured of some Government aid but we need more, so that our citizens will not be overburdened by the cost. We want rates that are as cheap as possible.

We asked for letters. Many took the time to write—some did not. So, as the date draws near, we need more letters to present when we make the trip to Washington to knock on doors. Write now to help yourself as well as your neighbor to get a bigger loan.

Address your letters to Walton City Council or the Greater Walton Businessmen's Association, Walton, Kentucky 41094. Thank you!

State Meeting Of FHA In Morehead

Simon Kenton High School and Twenhotel Junior High School were represented at the 26th State meeting of the Kentucky Association of Future Homemakers of America at Morehead State University, on June 2-4, with four FHA members and one adviser. They were among the 850 delegates and advisers from throughout Kentucky who attended the 3-day annual meeting.

The theme "FHA's Horoscope" was presented by the ten state officers at the opening session.

The Morehead and Sandy Valley FHA Districts were hostesses to the meeting, which was under the direction of Mrs. Agnes Foster, of the State Department of Education, who serves as Kentucky FHA State Adviser.

At the banquet Thursday evening Miss Debi Hegi, 1970-71 National FHA officer, Monett, Mo., talked on "Sign of the Times."

Sixteen \$300 scholarships were presented to outstanding FHA'ers who plan to major in home economics in a Kentucky college or university.

Those attending from the local schools were: Mrs. Helen G. McElroy, Adviser at Simon Kenton; Marsha Lawless, FHA president, and Beama McInosh, first vice president, both of Simon Kenton; Vicki Mastin, Simon Kenton Song Leader, and Barbara Cook, historian, both of Twenhotel.

The Kenton County Garden Club Meets

The Kenton County Garden Club met at the RECC auditorium, May 27 at 7:45 p. m. The session was called to order by Miss Elma Taylor in the absence of Mrs. Wesley Hall. Minutes were read, but no treasurer's report was given. It was suggested by Mr. Lillard that some boulders be placed in the triangle, which was approved.

The meeting was then turned over to the program chairman, who presented Jack Lynn, District Conservationist, and his assistant, Paul Oliver. They showed a film of small wild animals of Kentucky in which snakes were prominent. Following this, there was a showing of scenes of Kentucky.

The hostesses, Miss Alice Jane Williams and Mrs. William Gutteridge, then served delicious refreshments to the following: Mr. and Mrs. Lynn, Paul Oliver, Miss Helen Richardson, Mrs. Paul Pepon, Mrs. L. Gouge, Mrs. Forest Popp, Mrs. W. Bates, Mrs. Leontine Stephens, Miss Margaret Stephens, and Mrs. F. Keeney.

Mrs. Chalmers Ballinger and Mrs. B. Banks will be hostesses for the June 24th meeting at 1:30 p. m. Plans will be announced.

Bake Sale A Success

The Stars and Bars 4 H Horse Club would like to thank those who helped make their recent bake sale a success. Those who bought and donated to the club are greatly appreciated.

The same night, three of the members of the club showed at the Ridgeway Saddle Club Horse Show. A first place in English Pleasure and a third in Western Pleasure were won by Stars and Bars.

Southern States Meeting

The local Southern States Cooperative annual membership meeting for the Walton area will be held on July 22. This decision was made by local farmer-members at a recent annual meeting conference held by Boone County Farm Supply, a cooperative service agency of Southern States.

Among features of this year's session will be reports on Southern States Cooperatives and the local agency operations for the fiscal year which ends June 30. In addition there will be elections and other business matters.

LEGION AUXILIARY SOCIAL

The Ladies' Auxiliary of Johnson McElroy American Legion Post, No. 277, will hold their bi-monthly social at the Legion Hall on High Street, Walton, on June 13 at 2:00 p. m. Everyone welcome.

PLANS JULY WEDDING

Melinda Sue Caldwell

Mr. and Mrs. Albert Caldwell of Crittenden, announce the engagement and approaching marriage of their daughter, Melinda Sue, to Philip Newel Spegal, son of Mr. and Mrs. J. B. Spegal, Demossville.

The wedding will take place on Friday, July 9th at the Crittenden Baptist Church.

The Individual Attention Counts

A 25-year teacher in the Kenton County school system has the key to the problem of education in Kentucky.

Mrs. Forest Popp, Nicholson, ended her 1970-1971 school year with her second graders at Kenton Elementary School, with an observation growing out of a quarter century of teaching.

"It's the individual attention which counts most in stimulating the pupil, with establishing a learning program, with instilling within him a desire for knowledge," she says.

And, unlike a lot of the general public, she has a high regard for the younger teacher, believing that they share with the classroom veteran a dedication to children.

She believes, too, that it is the obligation of the experienced educator to give a helping hand to the newcomer to the ranks.

Mrs. Popp, whose husband is in the excavating business, has spent most of her life in the area between Independence and Nicholson.

She attended the public schools at Independence and then taught in the elementary school before moving into the Kenton Elementary School. She is a graduate of the University of Kentucky.

The Popps have a 32-year-old married daughter, Peggy, living in Miami, Fla.

Local Man Injured By His Neighbor

On Tuesday night, June 1, a pack of dogs belonging to Jennings Thurman of Campbell Road, just South of Walton, attacked John B. Tepe, who lived adjacent to Mr. Thurman. When Mr. Tepe started to cross his own yard to talk to Mr. Thurman, he (Thurman) became violent, and Tepe started to walk away, but Thurman attacked him from the rear, crushing his skull into fragments with a piece of angle iron.

A local doctor was called and gave first aid to the victim, and the Walton Volunteer Fire Department Life Squad and State Police rushed Mr. Tepe to St. Elizabeth Hospital, where he has been in a critical condition. Tepe underwent surgery Tuesday to repair the damage. (The above story was told to the Advertiser by Mrs. Tepe).

Mrs. Tepe wishes to thank the Walton Life Squad and all friends who have so graciously stood by the injured man.

According to reports, Thurman was arrested last Friday by Kenton County police.

\$39,000 GRANT FOR BIG BONE STATE PARK

The U. S. Bureau of Outdoor Recreation has announced a \$39,000 grant for recreational development of Big Bone State Park.

Congressman Gene Snyder's office said the money would be used to build a multipurpose recreation court, two tennis courts, one creative playground, four horseshoe pits, two shuffleboard courts, and retroactive payment for engineering and architect fees.

Somehow I get the impression that the only reason Mother puts up with such nonsense as having breakfast in bed on Mother's Day is that everyone else in the family seems to enjoy it so much.

Those present were: Miss Rachel Acree, Mrs. Nell Campbell, Rev. and Mrs. A. J. Russell, Mr. and Mrs. W. W. Rouse, Mrs. Sam B. Sleet, Miss Mary West, Mrs. Walter Whitson, and guests, Miss Kathryn Scott and Ada Young.

RESOLUTION OF RESPECT

At the regular meeting of the Board of Directors of Verona Bank, held in its office in Verona, Kentucky, on the fourth day of May, 1971, there was a vacant seat occasioned by the death of our associate, Raymond A. Stephenson, who has served as a member of our board for the past 14 years, giving his excellent ability and time whole heartedly to the advancement and security of the bank. The members of the board are deeply grieved over the loss of such a stalwart, untiring and able associate. Now, therefore, in open session by motion, the following resolutions were adopted:

BE IT RESOLVED—In the passing of Raymond A. Stephenson, the Verona Bank has lost a valuable executive, one whose place will be hard to fill; that Boone County has lost one of its most upright, honorable and valuable citizens.

That his family has lost a kind and affectionate husband and father. Be it further resolved that a copy of this resolution be printed in the Walton Advertiser, a copy sent to the bereaved family, and a copy be spread upon the minutes of the Verona Bank.

CONVENIENT AND SO THRIFTY

AN ELECTRIC REFRIGERATOR-FREEZER

Today's refrigerator-freezers do so many things, so well.

Keep foods garden-fresh for months, serve up a constant supply of ice, provide special food compartments to keep all kinds of foods at temperatures best for each. Nicer still are the new models that defrost themselves automatically. Save you that sloppy, inconvenient task.

Isn't it time you put a new combination refrigerator-freezer to work for you and your family?

Things get done faster and better in an all-electric kitchen! Your Rural Electric System will help you design a step-saving, cheerful kitchen. No obligation, of course.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

WHY GO TO CHURCH

The church is the greatest influence in a community.

Therefore it needs your support. The church is one of the oldest established institutions throughout the world. It may be known by other names, but wherever a house of worship is established, it makes for a better city—a better town—a better people.

The church represents a group of people like you and me. Its mission is to build body, soul and spirit. It starts with the little children, training them in the better things of life. Throws its doors wide open to all who will come. There is a lot of empty pews, and

there is a seat for you. Will you see that that seat is not vacant on the Lord's Day. The church needs all of you and all of us need the church.—Author unknown

The President's Reorganization Proposals

by

M. GENE SNYDER

U. S. Congressman

4th District, Kentucky

The Committee on Government Operations, which is chaired by Congressman Chet Holifield (Cal.) will hold hearings this week on the President's proposals to reorganize the Executive branch of the U. S. Government. The hearings will be conducted by the Subcommittee on Legislation & Military Operations.

The President proposes to abolish seven Cabinet departments: Agriculture, Interior, Commerce, Transportation, Labor, Health, Education and Welfare, and Housing and Urban Development. Their functions would be redistributed in four new departments: Natural Resources, Economic Affairs, Community Development, and Human Resources. A total of 385,000 employees and budget outlays of nearly \$100 billion are involved in the

proposed reorganizations.

This is the most far-reaching reorganization of the executive branch that has ever been proposed by a President of the United States. It places an unprecedented legislative task upon the Committee on Government Operations.

The first round of hearings will be devoted to an overview of the reorganization proposals. These have been embodied in four bills—H. R. 6969, 6960, 6961, 6962.

It is apparent that the proposed reorganizations, if enacted into law, would have a significant impact on existing committee jurisdictions and legislative responsibilities.

The subcommittee will hear all individuals and organizations having a legitimate interest and a special competence in the Government activities and operations proposed to be reorganized. Congressman Holifield has assured the President that his reorganization proposals will be accorded full and fair hearings by this committee.

Mrs. J. A. Keeney, Reporter

The Homemakers Club met at the church, June 1. A good number were present. We were glad to welcome back Mrs. Edith Ware, who had missed several months because of illness. The principal theme of the morning meeting was plans for the proposed trip to the Amish settlement at Wooster, Ohio on June 22. Mrs. L. J. Rapp was hostess and as usual did everything just right to have a delicious luncheon. The programmed lesson was given in the afternoon by a Kentucky State Policeman, Mr. Haines, who talked about the abuse of drugs and what we can do to detect usage and or present same. He told of one teenager who learned that some medicine of his mother's contained a powerful drug. He used the medicine and filled the capsule with flour, for his mother. The following enjoyed the day together: Mesdames V. Damico, E. Ware, J. Elam, M. Rich, B. Hill, O. Shaw, H. Wayman, E. Faulkner, K. Wharton, F. Keeney, E. Mann, L. Finnell, D. Pepon, D. Nitschke, E. Payne. Would you like to go on our trip? Call 356-6332.

Mrs. Marie Rich enjoyed a visit on Sunday from her new great-grandson, Christopher Robert Rich, and his parents, Mr. and Mrs. Robert E. Rich and sister Michelle.

Mrs. Dawson Ballinger and I called on Mrs. Edith Hamilton at the Independence Baptist Rest Home. We found her in good spirits and fairly well contented. Hope she will soon be able to go home.

Mr. and Mrs. J. J. Barnett attended a dinner Friday, honoring his brother, Clarence Barnett, who is retiring after years of work for the L&N Railroad.

The church here honored those young people who are connected with the church and Sunday school by presenting to each graduate a Bible. May it be a light to their pathway through life.

From the government's standpoint, an income tax is preferable to an outgo (sales) tax, because if the wage earners ever got their hands on all their pay, some few eccentric souls just might decide to put it in a savings account instead of spending it.

Next best thing to having a garbage disposer in the kitchen sink is to have an 11-year-old boy living in the house.

The first shoemaker to make right and left shoes in the U. S. was William Young of Philadelphia.

NEW BANKLICK BAPTIST CHURCH

James D. Johnson

The theme song for one of the more popular television programs aired weekly is "Something Great Is Going To Happen To You." We want to tell everyone who reads this column that heading your way in September is SOMETHING GREAT that is going to happen to everyone in Boone and Kenton Counties. We will tell you that much, the place that it will take place is at the Simon Kenton High School football stadium. Watch this column from time to time for the SOMETHING GREAT that will change your whole life.

The building program for remodeling in our Sunday School building is well under way. Re-

cently our Church Council met and recommended to the deacons that they consider the recommended changes in our present building facilities to provide more room for our Sunday School classes. We feel that this will be one of the greatest moves in the right direction in some time. The move is to facilitate an arrangement where each department will be in their separate areas for better teacher-pupil relationship. More about this in a later article.

There are three kinds of people in this world: there are those who watch things happen; there are those who make things happen, and then there are those who just don't care what happens. If you are in the group that "make things happen" then you are ready for what we are about to announce in the next great "Happenings" at New Banklick Baptist Church. We are having an Old Fashion Gospel

Singing at our church on Sunday, June 20, beginning at 2:00 p. m., and lasting as long as our singers last and all of you who will come and enjoy "making things happen" that has not been seen for many moons in this area. Some of the most outstanding groups in our area will be introduced, and all of them from our church. You come and be the judge, but you will have to admit that New Banklick Baptist Church has a lot of talented people when it comes to singing. We will have the Disney family, composed of Jack, Norma, Charlotte, Kathy, Connie and Ronnie. There will be the Faith Quartet, consisting of Roy and Francis Beach, Jackie Grayson, Ann Dunavent and Lois Reinhart. Another talented couple in our church is Ray and Louise Mercer. Then to put icing on the cake of enjoyment we will present our very own Youth Choir, Junior Choir, and Adult Choir for your listening pleasure. Mrs. Katherine Hopper-ton is our church pianist, who along with our Music Director, Gene Parker, will be in charge of the entire program. So, if you "want to make something happen" then mark your calendar for Sunday, June 20, starting at 2:00 p. m. and then just come and enjoy the afternoon.

We want to take this opportunity to encourage our youth to take the advantage of two camp dates at Bethel: July 12-17 for boys and girls, ages 9-11, and the Music Week, August 16-20, ages 12-17. The cost for a five-day camp is only \$16.00 per person, and we would like for you to have an enjoyable week anywhere else for that price where you will have the finest of planning, supervision and Christian atmosphere! To sign up please

contact our camp personnel for New Banklick: Miss Diane Schadler and George V. Schadler at least 10 days before the camp you will attend. This is the chance of a lifetime for our youth, so all you parents please encourage them to attend. You'll be glad that you did.

The pastor of New Banklick Baptist Church, Brother Jim Johnson, wants to thank all of you who read this column and have made such wonderful remarks about them. So, if you have no church home, come, visit with us!

THE WAR WITHIN

Lesson for June 13, 1971

Background Scriptures: Isaiah 2:2-4; 9:2-7; 11:1-10.
Devotional Reading: Isaiah 11:1-10.

World peace is as much a problem today as at any time in the history of mankind. It is probably an even greater problem today because of man's greater capacity for rendering destruction and misery to more people, faster than ever before.

"It shall come to pass"

It is easy to understand men's dreams of peace. The people of Israel looked for the great day when the King-

dom of God would finally be established in the world. The prophet Isaiah, spoke poetically of Israel's dreams of peace: "... and they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war any more. (Isaiah 2:4) The wolf shall also dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fawn together; and a child shall lead them. (Isaiah 11:6)

But more than two thousand years have passed and that dream has still not been fulfilled. After centuries of warfare and billions of victims, it is not hard to understand the despair that many people feel. When shall the lion "eat straw," the wolf "dwell with the lamb," and swords be beaten "into plowshares?"

Part of the Iceberg

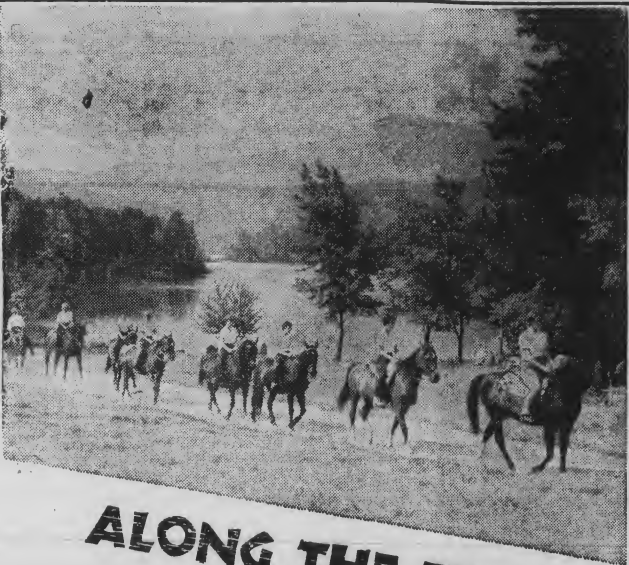

One of our difficulties is that we tend to think of peace as something which is primarily a matter of the external relations between nations and people. From our point of view, it is a matter of the Soviet Union giving up its aggressive intentions in the world, of Red China learning to live in peace with other nations, of the Israeli and Arab learning to settle their disputes in the Middle East, and the North Vietnamese agreeing to leave "in peace" the people of South Viet Nam.

This, however, is only part of the problem. It is comparable to that part of the iceberg that is visible above the water. Peace between nations is simply another perspective to the problem of inner peace within the lives of individuals. Wars between nations are really large-scale manifestations of the wars that take place within men.

Robert Louis Stevenson's novel, DR. JEKYLL AND MR. HYDE, is a fascinating description of the human war that rages within all men. Two personalities were at work within Dr. Jekyll. Modern psychiatry sees this inner conflict as the seat of many of our emotional and physical disturbances. Freud, the father of modern psychiatry, wrote at length of this inner war, ascribing sexual conflicts as the cause. Adler, one of Freud's disciples, saw it primarily in terms of a ruthless drive for power and supremacy. Karl Menninger, a prominent analyst today, sees it as a struggle between a "life instinct" and a "death instinct."

Christianity believes that the means to find inner peace has come to us in the person of Jesus Christ. It is in his peace alone—"not as the world giveth (peace)"—that is able to bring harmony within the soul of man, and since man cannot achieve harmony with others so long as he is at war within himself, the peace of Jesus Christ is the key to world peace.

ALONG THE TRAIL

Novices tend to follow the path, especially when it is straight and narrow. But even with experienced riders there can be unexpected turns, and it's possible to get lost.

In life there are very few straight paths. It is extremely easy to come upon an unexpected turn, and to encounter doubt, confusion, even despair.

Horseback riding is not compulsory. But you do have a life—and you have to live it. The way is up to you. If we get lost, we can give up, but with the help of the Church, you will find a trustworthy guide which will renew your faith and clear the way to the path of eternal fulfillment.

FHA Alumnae Family Banquet

On Thursday, May 20, the Simon Kenton FHA Alumnae held a "Family Banquet" at the RECC Building on Walton-Nicholson Pike. President Judy Schadler gave the welcome and each alumnae member then introduced herself, her husband and children. After Rita Potts gave the blessing, the dinner was enjoyed by the following:

Bob, Judy and Bradley Schadler, Lloyd and Rita Potts, Rusty, Sandy, Rusty, Terry and Kelli Richardson, Judy New and son, Denny, Terry, Pam, Danny and David Barnes, Bob, Marilyn, Kim and Michelle Young, Gary, Verna and Todd Wagner, Paul, Ginger, David and Sheila Bailey, Steve, Peggy, Kevin and Stephanie Wartman, Carol Kitts and children, Kathy and Keith, Harold and Marilyn Ellison, Don and Carol Reid, Harold, Linda and Denise Gadd. Marilyn Ellison and Yvonne Strain (unable to attend) were the hostesses. Marilyn served her miniature cakes and Yvonne her homemade tea cookies.

Winners of the centerpiece planters were Rita Potts, Pam Barnes, Ginger Bailey, Sandy Richardson and Verna Wagner.

David Bailey was the winner of the child's gift certificate.

While the children played, the men chatted, and the alumnae had the job of clearing the tables. It is hoped everyone had a good time at this first family banquet.

The next alumnae get-together will be on Thursday, June 17 at 7:30 p. m., in the RECC Building. A "white elephant" sale will be the program, and the Simon Kenton FHA senior officers are invited to attend now that they are eligible to join the group.

GRADUATE W-V BAND

Nine members of the Walton-Verona High School Band have graduated this year. They are: Row 1, Cindy McMillian, major-ette and clarinet; Betty Mitts, head majorette and flute; Brenda

Densler, majorette and bass clarinet; row 2, Connie Denney, trombone; Mike Sargent, trumpet; row 3, Lois Lay, flute; Steve Stephenson, Baritone; Gary Ingram, tenor saxophone, and Ritchie Roberts, baritone.

During the last of the school year, the W-V High School Band was quite busy.

April 24, the band was in a parade at Coney Island; May 6, the band attended a Cincinnati Symphony Orchestra concert; May 9, presented the Spring Concert with the other W-V bands. The Band Banquet was held May 13—performances of the Kentucky State Music Festival were given awards, along with many other presentations; Commencement was held May 23, with the band prominently on the program; but this was not the end of the work of the band, for on May 30 the band was in a Memorial Day parade in Hebron, and completed the current school year with other parades in Walton and Ludlow-Bromley on May 31.

The 150-member organization is looking forward to the Summer Band program, to begin with recruiting of fifth graders on Monday and Tuesday, June 21-22. A six-week session with many different activities will follow.

ASC Certification Deadline June 30

Producers have to certify their compliance under the 1971 set-aside farm programs. Deadline for certification in Boone County is June 30, according to J. Lassing Huey, Chairman of the ASC Committee.

In most cases, it will be to a producer's advantage to certify his program as early as possible, Huey said. A producer must certify before he can receive any set-aside payment. To certify, a producer signs a statement at the County ASCS Office showing the acreage devoted to various crops under the 1971 farm programs. At the same time, he designates the amount and location of his set-aside acres.

The Boone County ASCS Office is ready to give farmers all possible help in correctly certifying their acres, Mr. Huey said. County Executive Director Doretta B. Rouse and her staff will be glad to answer any questions or help with any problems.

Producers who certify in time for data to be processed will get checks for their preliminary set-aside program payments as soon as after July 1 as possible.

The County ASCS Office also provides measurement service, at cost, to help producers determine acreages at planting time or at certification time.

Girls Show Food Skills

Eighty 4-H'ers from throughout Kentucky demonstrated their food skills at the University of Kentucky recently. Local winners were as follows: Dairy Foods, Senior—Champion, Marianne Smith, Union; "Creamy Kooky Kachem." The runner-up in Breads, Junior, was Gina Combs, Walton; "Making Whole Wheat Better Bread." Another runner-up was Lisa West of Kenton County, with "A Special Salad."

Plans Softball Tourney

The Verona Volunteer Fire Department is sponsoring a softball tournament on July 3-4-5. Entry fees are \$30.00 per team. Drawing for the tournament will be held June 27 at 1:30 p. m. at the Verona ballpark.

First prize will be \$50.00 and second prize \$15.00. For more information, contact John Scott at 485-4668, or Bobby Burgess at 485-5166.

Piner PTA Chairmen

The Executive Board of the Piner PTA met in the school library June 3, at 9:30 a. m. The following chairmen were announced for the coming year:

Membership, Mrs. Eddie Whaley; Homeroom, Mrs. Dorothy Kreke; Mental and Emotional Health, Mrs. Curtis Cooper; Hospitality, Mrs. Robert Young; Hospitality, Mrs. Robert Lancaster; Safety, Mrs. Richard Morehead; Health, Mrs. Willis Streine; Cultural Arts, Mrs. Carlos Oliver; Library, Mrs. Elmer Price, Jr.; Publicity, Mrs. Wendel Bridges.

Mrs. Cliff Martin, president, introduced each member and then explained the duties of each office.

Some of the plans for the coming year were: A Fall Festival, money to be used to purchase gym equipment; newsletter to all parents; a question and answer period, about school activities, with Mr. Webb, principal; a style show; a scrapbook and a plaque in the school library honoring General Auton, and a tea to welcome first graders and their mothers.

Appreciation Luncheon

The Kenton Elementary PTA Executive Board members served a Teacher Appreciation Luncheon to the faculty and staff of the Kenton Elementary School, June 7th, in the school cafeteria.

Mrs. Ray Baldwin was in charge of arrangements for the buffet luncheon.

A summertime theme was used in the table decorations by Mrs. Jack Land and Mrs. Ronnie Clark.

ANNUAL ICE CREAM SOCIAL

The Bykota Class of the Walton Christian Church will hold their annual ice cream social on Saturday, June 19, starting at 4:00 p. m. and continuing until 8:00 p. m., on the church lawn.

There will be homemade ice cream and homemade cakes, sandwiches, and drinks.

Come out and enjoy an evening of fellowship.

The Anneliese Art Studio, North Main St., Walton, will hold Open House on Sunday, June 20th from 12:00 noon to 7:00 p. m.

Everyone is invited to attend. A door prize will be a painting by Anneliese (Mrs. Heinz Wahrenburg), which would add greatly to your home.

Hinsdale Resigns As Kenton School Head

The man who directed a multi-million dollar expansion program for the Kenton County school system has resigned his post for health reasons and board members are seeking a new superintendent.

R. C. Hinsdale, teacher, principal and administrator, submitted his resignation at a special meeting of the board.

Chairman R. C. Scott announced that it had been accepted with regret and the board had agreed to name the new Dudley Pike school, soon to be under construction, the R. C. Hinsdale Elementary School.

Hinsdale became superintendent in 1960 and during his tenure constructed to what amounted a new school each year, what with new buildings or major additions.

The insured value of the buildings, not including the Dudley school, is more than \$10 million. They were needed to care for a doubling of the school population during the 11 years.

When Hinsdale took over, the system was caring for approximately 6,000 students. Next fall's enrollment will approach the 11,000 mark.

During his tenure, the academic standing of the system has been upgraded and all but three of the 15 schools have standard certificates. The high schools have a comprehensive rating.

Scott noted that when the post was offered Hinsdale, he agreed "reluctantly to accept with the provision that he be permitted to return to teaching if things didn't work out."

Hinsdale is a graduate of Berea College. He obtained his master's degree and did post-graduate work at the University of Kentucky.

During the past winter, Hinsdale suffered serious injuries in an auto crash during a holiday visit with relatives in the Carolinas.

The resignation is effective at the end of the fiscal year, June 30, but Hinsdale has agreed to remain at his post to insure a smooth transition.

8-A Report Cards Needed

Billy Prewitt, principal of the Walton-Verona High School, requests that all students in grade 8-A (Mrs. Gill's home room) bring or mail their report card to the school office as soon as possible for records.

Annual Memorial Day Parade Held

The annual Memorial Day parade and ceremonies at Independence, was held on Monday, May 31. The parade started from the Simon Kenton High School, following a route North along Madison Pike. The procession halted briefly at the Independence Cemetery and at St. Cecilia Cemetery for memorial services, including prayer by Brother Walter Lawson of Bethel Baptist Church, and Father James Rachford of St. Cecilia Church, and the placing of a wreath at each site.

The parade terminated at the Memorial to Our War Dead in front of the Kenton County Court House, where again a wreath was placed with attending prayer by Brother Lawson, followed by a salute by the firing squad of the American Legion, Moon Brothers Post, and tape played by Stephen Wood of Simon Kenton Band.

The ceremonies then included an (Continued On Back Page)

Production Credit Ass'n Loans Over \$21,000,000

The Federal Intermediate Credit Bank of Louisville has reached a new peak in dollars outstanding, according to J. W. Brown, president. Brown said that the bank has topped the \$700 million figure for the first time. The new high in loan volume represents an increase of nearly \$117 million over a year ago in money outstanding to the 39 production credit associations in Ohio, Indiana, Kentucky and Tennessee, and to other financing institutions. Reasons cited by Mr. Brown for the increase included greater demand for short and intermediate term loans by farmers, some severe losses due to corn blight, and expansion of farm operations.

First Kentucky Production Credit Association, with offices in Walton, has over \$21,000,000 in loans outstanding which represents about \$2,800,000 increase over a year ago.

W-V School Board Sets Opening Date

The Board of Education of Walton-Verona Schools has set the opening date for the 1971-72 session. During the regular meeting last Thursday, members voted to begin the school term with an in-service day for teachers on Friday, September 3, with students attending for their first day on Tuesday, September 7. A more detailed schedule will be given at a later date. June 2, 1972 is set at the last day of school.

Supt. E. C. Roberts reported that construction on the new elementary building at Verona was progressing ahead of schedule and would be ready for us by opening day of school. Favorable weather has enabled the contractors to work together in the construction.

In other action, the board voted to purchase four band uniforms at a cost of approximately \$550.00 and to contract with the Boone County Health Department for services at \$300.00 for 1971-72.

There will be some summer maintenance on the high school building as members approved the purchase of paint for the inside.

Mr. Roberts was elected to serve for a one-year term as secretary to the Board of Education at no salary.

Advertisements for bids on milk, bread, gasoline, motor oil, anti-freeze, bus insurance, and fuel oil are being made and will be opened on August 11.

Bills and salaries for June were accepted and the treasurer's report for May was:

May 1 balance	\$74,328.14
Receipts	60,622.56
Disbursements	40,249.17
May 31 balance	\$94,701.53

Gets Scholarship to Northern Ky. State

Chela Richardson, senior at Simon Kenton High School, has received a full-tuition scholarship to Northern Kentucky State College. The school is granting scholarships to the highest-ranking students from each of the Northern Kentucky high schools.

Chela is the daughter of Mr. and Mrs. Lybran Richardson of Independence. She was editor of her high school newspaper, and selected for Who's Who among American high school students and outstanding high school students. She also served on the "It's Academic" team from Simon Kenton; was president of the Simon Kenton Spanish Club; member of the National Honor Society, and member of Future Teachers of America. Chela was selected as one of the top ten outstanding 4-H members of Kentucky, and is president of her church youth group. She will major in mathematics and plans to be a high school math teacher.

The scholarship program is in its first year at NKSC and promises to be an important factor in making it possible for the area's honor students to obtain a college education at Northern.

Fried Chicken-Fish Dinner

The Union Volunteer Fire Department and Auxiliary are having a fried chicken and fish dinner on Saturday, June 19, from 3:30 to 8:30 p. m., in the Union Fire House.

The menu will consist of fish or chicken, french fries, cole slaw, bread and coffee. Also available will be homemade pies and cakes.

Head-On Crash Kills Two & Injures Three

Two cars smashed head-on South of Walton, Sunday, killing two persons and seriously injuring three others.

Killed in the crash were Mrs. Pauline Spegal, 48, of Gardnersville Road, Demossville, and Jesse H. Netter, 65, of near Ghent, in Carroll County. Both were passengers in the cars which collided.

Kenton County police reported Mrs. Spegal was riding in a 1962 Chevrolet driven by her husband, Herschel Spegal, 58, a Pendleton County farmer.

Mr. Spegal suffered a massive chest injury and at last report was in a critical condition at St. Elizabeth Hospital.

Their daughter, Sandy, 12, is in a serious condition with face cuts and bruises.

Driving the other car, a 1959 Dodge, was James A. Netter, 38, an Owenton construction worker. He is in fair condition at St. Elizabeth Hospital.

With him was his father, Jesse, who was killed in the crash. Kenton County police said a witness, Tom Hennehan, Cincinnati, witnessed the collision.

Hennehan said he was going northbound on U. S. 25 and saw Netter's Dodge behind him, also coming northbound. But the Dodge traveled on the wrong side in the southbound lane for over a mile.

The Spegal car then pulled out from a Dairy Queen and headed south. The cars hit head-on near Eads Road.

Walton and Independence life squads removed the victims from the scene.

Services for Mrs. Spegal were held Wednesday at the Gardnersville Christian Church, with burial in Gardnersville Cemetery.

Besides her husband and daughter, she leaves another daughter, Mrs. Karen Gibson, North Canton, Ohio; a brother Ira Menefee, Jr., Piner; two sisters, Mrs. Helen Elliott of Phoenix, Ariz. and Mrs. Mary Duncan of Crittenden, and her mother, Mrs. Mattie Menefee, Crittenden.

BIT 'N' SPUR CLUB

The Bit 'n' Spur 4-H Club held its monthly meeting at the home of George W. Ryan, June 4th at 7:30 p. m.

It was decided at the last meeting to have a clinic at the Ryan Ring on Beaver Road, June 6 at 2:00 p. m. Two demonstrations were given, one by Danny Harden on face markings of a horse, and by Steve Cauthen on the five main colors of a horse. The club also gave a horse clinic at 2:00 p. m., Sunday, June 6 at the Ryan Arena.

The judge was Joe Kohsin and he helped each child in the classes of showmanship and Western horsemanship and pleasure. He also helped the Walking Horse people. Each child brought a covered dish. The next meeting is on Thursday, July 1 at the Travis Dum home at 7:30 p. m.—Reporter

WALTON—

Dorothy Hoffman, valedictorian of the graduating class at Walton-Verona High School, has been given

the annual award of the Readers Digest Association for students who by their successful school work give promise of attaining leadership in the community, it was announced this week by Supt. J. O. Ward.

Mr. and Mrs. Bruce Wallace have returned to their home here after spending several months in Florida.

Mrs. Mabel Johnson and daughters, Loretta and Betty, were the weekend guests of Mr. and Mrs. Harry Fisk of Nicholson.

Mr. and Mrs. Jack Johnson and two children of Longview, Texas, have been guests of his sister, Mrs. Lawrence Wilson, and family. Lynelle Flynn was confined to her home last week with mumps.

CARD OF THANKS—

We wish to express our sincere thanks and appreciation to our many friends, relatives and neighbors for their kindness, for the food, flowers, visits, cards, and all the many prayers at the time of the death of our dear and loved one, William H. Presser.

Especially do we thank Brother Jerry Ennis for his consoling words, Dr. Huey, Dr. Poore and his nurse for their faithful services. Thanks to Chambers & Grubbs of Walton and Grubbs of Florence for their most efficient and understanding services.

CLARA PRESSER & FAMILY

Gene Milton Penn received a fractured hand Monday when he got it caught in a pulley when his father, Andy Penn, was putting up hay. He was taken to St. Elizabeth Hospital.

Pupils of Mrs. T. P. Strittmatter gave a piano concert Saturday at her home on South Main Street, during the afternoon. Those participating were: Betty Jane Code, June Doan, Elizabeth Grubbs, Sara Dean Hance, Patsy Jones, Joanna Kent, Judy Norman, Irma Rector, Carol Scheidemann and Mary Jane Turner.

Virginia Lou Schwab, daughter of Mr. and Mrs. Louis Schwab, of Walton, left Sunday for a month's visit with her uncle, Harold Menke, and family in Tampa, Fla.

An impressive church wedding took place at the Walton Christian Church, Sunday, June 10 at 3:30 p. m., when Miss Anna Pauline Stephenson and Gaines Edwards Huey were united in marriage.

Miss Alma B. Conrad of Minneapolis, Minn., visited Mr. and Mrs. Lebus Stephenson and daughter on Tuesday evening of last week.

Mrs. Charles Carlisle and Mrs. Guy Carlisle spent Sunday at Butler State Park, Carrollton.

INDEPENDENCE, R-1—
Mr. and Mrs. J. A. Keeney and son, Don, visited on Sunday with their daughter, Mrs. Morris Wharton, of near Dayton, Ohio.

Mr. and Mrs. Dawson Ballinger are entertaining their daughter-in-law, Mrs. Chester Ballinger, and children of Arizona.

Mrs. Mary Marshall and daughter, Vivian, of Laton, spent the weekend with Mr. and Mrs. L. N. Riley.

Wayne Riley, who is stationed at Fort Rucker, Ala., was home over the weekend to attend the wedding of his sister, Wavelyn.

BEAVER LICK—

Mr. and Mrs. I. D. Isaacs and son spent Sunday with Mr. and Mrs. Henry Black.

We are very happy to know that Jack and Jill Feagan are improving.

Mr. and Mrs. Marvin Kelly and children spent Sunday with Mr. and Mrs. H. E. Tanner of Erlanger.

NEW BANKLICK BAPTIST CHURCH

James D. Johnson

Our Youth Choir is getting a face-lifting! Yes, that's what we said, "face-lifting!" New robes are being prepared for them and they will be fitted for the same in the near future; however, the Junior Choir will have their fitting date as of Wednesday night, June 16. This will be a great moment in the lives of these youngsters who have worked so hard to obtain these robes. Their directors, Mrs. Fran-

cis Beach, Mrs. Jackie Grayson, and Mrs. Katherine Hopperton, have been real busy making it possible for them to get their robes. (If there are any churches who are interested in hearing these fine group of youth just call our church number, 356-5538, and arrangements will be made. There is no charge for these groups to sing in any church group.) If you want a first hand introduction to these groups then plan now to attend our Gospel Singing, Sunday, June 20, starting at 2:00 p. m., and see first hand for yourself. We know you will receive a blessing if you come.

Our church voted in our last

business meeting that they would pick up half of the cost for camp of any of our youth from New Banklick Baptist Church who will attend one of the scheduled encampments. We feel that if our youngsters will get just a taste of camp life that they will want to go back next year, and the next, etc. The camping dates that the church is emphasizing are: July 12-17, Boys and Girls Camp, ages 9-11; July 26-31, Youth Week, ages 12-17; August 16-20, Music Week, ages 12-17. All forms are available at our church office, and includes a "Camper's Health Examination" form which must be signed by your doctor NOT MORE THAN 30 DAYS BEFORE ATTENDING CAMP. The total cost of all five-day camps is \$16.00. Thus when the church pays one-half the total cost to you is only \$8.00 for a five-day camp for each boy or girl. We feel that it will be worth every cent put forth to help our youth have a broader understanding of the Christian Life.

VACATION BIBLE SCHOOL is about ready to get into action. The big day is June 21. The hours are 9:00 a. m. until 4:00 noon. The ages are from three

through 14 years of age. The buses will run on scheduled runs for the five days. One bus will start in Turkeyfoot Acres and pick up in the Kimberly Drive, Pearl Drive subdivisions, along Independence Station Road to Independence, down Banklick Station Road then onto Maher Road and then to the church. Bus number two will start at the church, go South on Banklick Rd. to Walton-Nicholson Road, turn Northeast to Bristow Road, then to Shaw Road, onto Banklick Station Road, to Bristow Road and then to the church. All buses will depart around 8:30 a. m. and will return around 12:30 p. m. each day except Friday. Our school picnic will be held this year at the church. The bus will return the children home by 1:30 p. m. Each child should bring a sack lunch. Drink and a popsicle

will be furnished.

The pastor of New Banklick Baptist Church, Jim Johnson, wishes to invite each and everyone to our church this Sunday, June 20 at 2:00 p. m. for a grand time of Gospel Singing. If you do not have a church home to attend then why not give us a try and come and hear the Gospel preached and sung at each and every

service. We may not be the biggest but we do try to be the friendliest. Good News Church in town. Come and give us a try. We just believe that you might come to stay. Our theme is: "Enter to worship — Depart to serve." That's the Commission to every "born again" Christian and when it is properly related, great things will happen to you.

A BOY THAT MISUNDERSTOOD

As a boy, I was always disturbed by this Biblical passage in Matthew: "For I have come to set a man against his father and a daughter against her mother... He who loves father and mother more than me is not worthy of me."

In those days of innocence, it seemed that my greatest love should go to Mother and Father. They gave me life, love and visible physical needs

that seemed all-important.

But what I did not understand was that this life of mine came directly from God through my parents. I had tried to separate God's love from the love of Mother and Father. It was through Him that they received the great gift of human love. And because a mother has God's love implanted in her heart, she will instinctively love me. Matthew was emphasizing the fact that God's love must come first and that human love will then follow in its proper perspective.

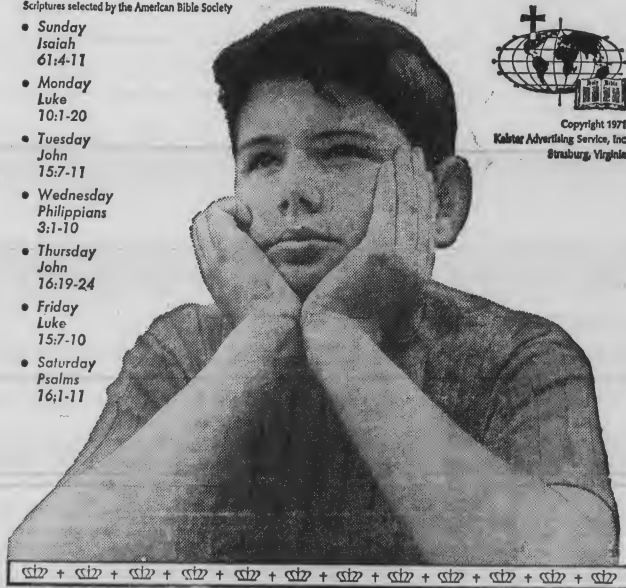

Take your child with you to church and church school so that both may gain a better understanding of God's will. One who really loves God supremely will invariably develop a deeper love for family, friends and neighbors.

WHAT GOD WANTS

Lesson for June 20, 1971

Background Scriptures: Micah 2, 3;
Devotional Reading: Micah 3:3-12.

Two great prophets had labored diligently to call the people of Israel from their rebellious ways. Yet, for all their prophetic power, Amos and Hosea were largely unsuccessful in bringing the people of Israel to repentance. To be sure, some people responded to their message, but as a whole the nation was unresponsive, or if there was a response, it was not sufficient to avert national disaster.

Rev. Althouse Assyria became a major power, sweeping down from the north and leveling everything in its path. First Syria, Israel's northern neighbor, fell. Then, ten years later, in 722 B.C., Israel also was destroyed, its people carried off into captivity, dispersed and never to return.

Judah, the smaller and southern of the two Jewish nations, was spared for the time being, not through any benevolence on the part of the Assyrians or any military might of its own, but because it lay off the beaten path and major trade routes. It was hardly a piece of real estate for the Assyrians to covet.

The small-town prophet

Still, this tiny nation's position was not very secure. It lay squeezed between two mighty powers, Egypt to the south and Assyria to the north. Furthermore, the conditions that had provided the decay and downfall of Israel were also present in Judah.

Corruption, self-indulgence, and idolatry were spreading through the little kingdom like a cancer.

Judah needed some prophets who, like Amos and Hosea, would bring that nation God's word and call them to repentance. Two men did come forth for the Lord, Micah and Isaiah.

Micah is the least-known of the two. The book bearing his name is quite brief compared to the massive volume called Isaiah. Isaiah gained more prominence because, as an aristocrat, his ministry was largely to the prominent and powerful men in the highest circles of Jerusalem. By contrast, Micah came from a small town, Maresah, that is remembered only because of him. His ministry was directed to a different kind of audience.

An "evil time" coming

Micah proclaimed that there would come an "evil time" for the nation of Judah when no longer would the people "walk haughtily." But the purpose of his message was not to proclaim destruction, but to focus upon national sins so that the people could repent and the destruction would not occur.

What are these dangerous evils? There is the evil of the idle rich who seek only to accumulate more wealth—and always at the expense of someone else (2:1, 2). There is the evil of the militant war-mongers in the cities who force peaceful farmers into military service (2:8). There is the evil of a society which destroys the family (2:9) and exploits those who cannot defend themselves (3:2, 3).

Because of these evils, the relationship between God and Judah is being destroyed and the final result will be disaster for this nation: "Then they will cry to the Lord, but he will not answer them" (3:4).

What does God really want from his people? Says Micah, "Is it not for you to know justice?" (3:1).

Mrs. J. A. Keeney, Reporter

The Senior Citizens met at the Brucewood Church, Tuesday morning, June 8. Not as many present as we had hoped to see, but we were glad to see and talk with old friends and make new ones. Delicious refreshments were enjoyed. The ladies enjoyed a couple of games of Chinese checkers,

and the men seemed to find pleasure in just talking. We would like so much to see you and you and you. Those responsible for starting this effort have put quite a bit of work and time into it, so let's do our part in making it successful.

Mr. and Mrs. Ronald Losey and sons, Jeffrey and Jerry, visited with her parents, Mr. and Mrs. J. Sayle, of Owenton.

Mr. and Mrs. Carsee Brinkley

entertained on Sunday, a brand new granddaughter, Jessica Hope, daughter of Mr. and Mrs. Robert Brinkley, and sister of Miss Julie Brinkley.

We regret to hear that Mrs. Lucile Bird, who has been an invalid for several months, suffered a stroke and is a patient in Booth Hospital at present.

Mrs. D. Ballinger and I called on Mrs. Edith Hamilton at the Independence Baptist Home, recently. Some of the workers there say that Edith has more than the usual number of visitors. We hope she can soon go home.

J. B. Losey is attended the Kentucky Annual Methodist Conference at Morehead last week.

Three men were working at building a well. A passerby inquired of each what are you doing? Said No. 1, I'm laying stone; No. 2 said, I'm building a wall; No. 3 answers proudly, I'm building a cathedral. Are you piling up stones or building a life?

Mrs. Agnes Caldwell called on

Mrs. Marie Rich one evening last week.

BUILDERS
BUILD MORE
THAN HOMES...**

When you deal with a professional builder, you'll get more than a quality-built home. You'll also have the added security of knowing the job was done right; the added comfort and convenience of a well planned home which has been designed for your family's needs.

That's why so many professional builders recommend electric heat. They know it is the modern fuel for modern living. It gives maximum comfort; minimum problems. These builders have learned it keeps homeowners happy.

And that's why you build in the first place! When it comes time to build your dream home, see a professional builder.

Why are so many of your neighbors switching to Electric Heat? Ask your Rural Electric System for all the facts about Electric Heat... and how easily it can be installed in your home.

BAND RECRUITING

Recruiting for beginning band class is being held this week. Students must be going into the fifth grade in order to join.

Anyone who has not been contacted this week who would like to join should call James Layne at 485-4566. He will be in the Music Building at W-V School during Wednesday through Friday of this week between 9:00 and 5:00 and 7:00 to 8:00. You need to make arrangements about getting an instrument. Classes will begin next week. The W-V Band has 150 members.

FULL SPEED AHEAD

The Walton Advertiser is pretty much back to normal now—and we are grateful. Jim Lawrence has been on the job for a little over two weeks and getting along in good style.

If you have some printing to be done—come in or give us a call—we'll be glad to serve you.

We thank those who were patient with us during our "crisis" and we hope that those who couldn't wait, will give us a try at some other date. Thanks!

May Meeting of Boone Co. DAR

The May meeting of the Boone County Chapter, Daughters of the American Revolution, was held on a Wednesday evening at Heritage House, Florence, with Mesdames William Conrad, Helen Collins, Fred Bennett, William Vickers, Harold Kohl and Roy Nestor as hostesses.

Chapter Regent, Mrs. Francis J. Sayre, presided and led in the DAR Ritual. Spiritual values were given by Mrs. William Conrad.

The guest speaker, Mrs. Glenn Roberts, Ft. Thomas, State Chairman of the "Flag of the United States of America" committee, was introduced by Mrs. Joseph Eubanks. Mrs. Roberts used as her subject, "Americanism," and gave a reading on "I Am the Nation," which stated the U. S. was born on July 4, 1776.

It was announced that Mrs. Floyd Roberts had been awarded the jeweled DAR insignia pin, presented by the Museum Committee of the National Society, DAR. It is valued at \$750 and is of gold, centered with a diamond.

A letter was read from Hindman Settlement School in Kentucky, thanking the Chapter for the money gift sent to the school Christmas, and stating that the school would be glad to accept good used clothing.

Mrs. Sayre announced that the Chapter Yearbook had won the National award in Washington. At this time she presented the President General's message.

Mrs. Helen Collins discussed the farm programs. She said that a census had been taken for the years 1969-971 and that the number of farms is dropping, and that people in the U. S. are depending more on foreign products.

A social hour followed.

Present were: Mesdames Henry Dye, George Meyers, Clifford Coyle, Joseph Eubanks, Floyd Roberts, Francis Sayre, William Conrad, Proctor Brothers, Bernard Scott, Samuel Denham, Jr., Helen Collins, Howard Jarrell, Carol Conrad, Roy Nestor, and Davis Gaines.

Gets Appreciation Note

E. C. Roberts, school superintendent, has received from the family of Vernice C. Gill "acknowledgement of appreciation for your kind expressions of sympathy," addressed to the following, c/o Mr. Roberts: 1967-68 7th grade, 1968-69 7th grade, 1970-71 7-A class, 1970-71 8-A class, 1972 senior class, Walton-Verona PTA, W-V faculty, and all men teachers who served as Honor Peabearers.

VERONA FIREMEN'S PICNIC

The Verona Fire Department is sponsoring its annual picnic Friday and Saturday, June 25-26 at the Verona ballpark. There will be games, music and food. Come, one, come all!

Lillard Chapter DAR Meeting

Captain John Lillard Chapter, Daughters of the American Revolution, met at Harp House, Williamstown, June 12, in commemoration of the organization of the chapter 29 years ago by Mrs. Watson W. Tranter, mother of Mrs. Robert C. Hume, former Kentucky State Regent.

Mrs. Charles Alphin, Regent, quoted from the President General's message, which was in regards to "preservation of our Republic."

Miss Martha Blaine displayed the new Regent's banner, carried in the State DAR meeting in Lexington, "Capt. John Lillard Chapter, Grant County, Ky., NSDAR." All chapters received a banner, presented by State Regent Mrs. Wilson Evans.

Miss Elizabeth Fliege introduced the speaker, Miss Laura Dickerson, who gave highlights of the Continental Congress. She closed with the beautiful poem, "I Am An American."

Miss Dickerson, State Regent, presided at the installation of new officers, who will serve until June, 1974.

In appreciation of her splendid work while serving as Chapter Regent, Mrs. Charles Alphin was presented a gold pin in honor of her new office—Kentucky State Corresponding Secretary.

Those who enjoyed the luncheon were: Mesdames Charles Alphin, J. W. Bennett, Ivan Clements, Zayda R. Clore, B. C. Cotton, Margaret Fields, Abram Hedges, Robert Hume, Daniel Lusby, Sally Odor, Alva Ransdell, Edgar McNabb, Gene DeMolsey, Roy C. Nestor, Glenmore Bennett, Marie Bishop, Ann Stanchina, and Dr. Lenore Chipman; Mesdames Martha Blaine, Laura Dickerson, Elizabeth Fliege, Jan DeMolsey and Louise Fliege.

Kenton Teachers Attending School

Fifteen teachers at Twhotel Junior High School and Simon Kenton High School will spend the summer working on their masters' degrees, according to a survey made by Don Davis, assistant superintendent of the Kenton County school system.

In all, 82 members of the Kenton County faculty will be in colleges or universities this summer with 35 working toward their first graduate degree. Three others are in doctoral programs.

While the majority will attend schools in Greater Cincinnati and Kentucky, two are to enroll at the University of Montana and the University of Missouri.

Local schools include Northern Kentucky State College, Thomas More College, Xavier University, University of Cincinnati, and Miami of Ohio.

Pennsylvania 4-H's

Eighteen 4-H junior and three adult leaders from Cambria County, Pennsylvania, arrived in this county last Monday evening for a week's visit with Boone junior leaders.

Karen Bodenschatz, 14; Sally Ann Hawk, 17, and Chuck Nealen, 16, stayed with Mr. and Mrs. John Hetterman and daughters, Judy and Susan, of Crittendon, Route 2.

While here, they visited several plants in the Industrial Park, Florence, enjoyed a cook-out at Holiday's Farm, visited the University of Kentucky campus, Keeneland, Spindletop and Coldstream and Kelly Green Farms.

They also visited the State Capitol at Frankfort, and before leaving went to Proctor & Gamble, and enjoyed a swim party at the Boone Aire Country Club. FOR SALE—Horse, 4 years old, ride, good with children, works good; also 1½-year-old work filly. 823-0181. 16-25

Now remember, relaxation is very important, the analyst was saying. What do you do for relaxation? I kill flies with a bow and arrow, Mo said. Isn't that sort of messy? Nawwww, said Mo, I only aim at their legs.

A FOODS RUNNER-UP

Lisa West of the Discoverer's 4-H Club recently went to the State Foods Demonstration competition at the University of Ky.

She was in the General Foods category with "A Special Salad," as her demonstration. Out of 14 girls competing in her division, Lisa was runner-up.

This is quite an honor and the members of her club and family are proud of her. Lisa happened to be the only Kenton County girl out of 82 participating. We feel she represented her county and the entire Northern Kentucky area very well.

Lisa is 13 and lives in Independence, with her parents, Mr. and Mrs. Robert West, and two sisters.—Reporter

Youth Revamping Their Organization

The Walton-Verona Youth Club is in the process of revamping its organization. They are trying to bring more arts and crafts, games, etc. to the youth.

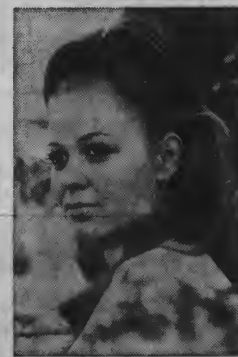

The Center is now open to members and their guests on Monday and Thursday nights. On these evenings, the youth take part in ceramics, plastic dip art, textile painting (they bring their own articles to paint). The Center supplies the paint. We also have ping pong, pool, games and companionary. The Center will be open on Sunday afternoon soon.

Dances will be held every other Saturday night. These dances will be open only to the youth going to the Walton-Verona area schools and churches showing their ID cards and their own guest. The alternate Saturday evenings, it hoped to be open to members only, the same as Monday and Thursday evenings.

Membership cards are available to those going into the 7th grade or are 13 years old. The age limit is 20 years. Dues are 25c a month and payable all at one time. All memberships expire June 1, 1972.

The group needs old, usable sewing machines, chairs or benches, odds and ends of yarn (knitting), books for the library (preferably the paper backs bought from school), but any books will be accepted, instructive or entertaining, that are suitable for the teenager.

AT RECC MEETING

Pat McKinney

Singing star Pat McKinney will be in Grant County on July 1st, to headline the entertainment at the Owen County RECC annual membership meeting. In addition to appearances on the Grand Ole Opry in Nashville, Miss McKinney has appeared with Jimmy Dean, Porter Wagoner, Sonny James and other notables.

On Ky. Long Rifle Team

Jack Rouse, South Main Street, Walton, tried out for the Kentucky Long Rifle Team and tied for 3rd place in the state. The top ten shooters in the state make up the team. Congratulations!

Annual Meeting Owen Co. RECC

An outstanding selection of entertainment for this year's annual membership meeting of the Owen County RECC, to be held at the Grant County Consolidated High School, Dry Ridge, on Thursday, July 1, has been scheduled.

There is no admission charge and the general public is invited to attend the meeting. Membership registration will begin at 5:00 p. m. and the program will get under way at 8:00.

Singing star, Pat McKinney, along with Bobby Pierce and the Nashville Sounds, Bill Brickley and his Poodle Fantasy, and the exciting juggling team of Kirk and Joy will appear on the program.

Always one of the major attractions of the rural electric annual meeting is the beauty contest to select the young lady who will reign as Miss Owen County RECC during the coming year. Approximately 12 girls are expected to participate in this year's contest. The winner will receive a lovely silver award as well as the winner's sash, a \$150 clothing allowance and an expense-paid trip to the state finals of the Miss Kentucky RECC Beauty Pageant to be held during the State Fair in Louisville in August. The state winner will represent Kentucky in the national finals in Las Vegas, next February.

According to Marvin Keith, manager of Owen County RECC, this year's annual meeting will be one of the most important ever held. There have been several very significant developments in the electric utility industry during the past year. At the business session, the members will be brought up to date on how these developments affect the local rural electric system.

Youth Needed In Covington

Teenagers and young adults from the Boone-Kenton area are being asked to give their services in a summer program in the downtown Covington area.

The call for help has gone out from the Northern Kentucky Interfaith Commission and Trinity Episcopal Church. They are co-sponsoring a Recreational Roundup in the inner city.

Miss Ann Ware, a University of Kentucky graduate in recreational programs, will lead the group and the first planning session will be held at 2:00 p. m., Monday, June 28, at the Covington church.

Those who offer to help need not work the entire summer but will be scheduled as their time permits. Following each inner-city program, the youth leadership will meet to evaluate their efforts and plan the following sessions.

The Recreational Roundup is one of a series of programs being sponsored by the Interfaith Commission and churches for the inner-city of Newport and Covington.

Band to LeSourdsville

Members of the Walton-Verona Band and their families are planning a trip to LeSourdsville Lake on Saturday, June 26.

Transportation will be provided for 25 cents per person. Admission to the park will be free and there will be reduced rates on all mechanical rides. A picnic lunch may be taken or food may be purchased at the park. Buses will leave the school at 10:15 a. m.

Recitals at Florence

There will be a piano and organ recital for four Boone County graduates, class of 1971, on Friday, June 25th at 7:30 p. m., at Greerview Baptist Church, Florence.

The four participants are Misses Debra McCracken, Donna Vernon, Sally Shelton and Diana Wallace, students of Mrs. Samuel W. Leming, III. The young ladies will present works of the masters as well as of the modern composers.

On Thursday, June 24 and Saturday, June 26, two other recitals will be given at 7:30 p. m. at the Greerview church.

GETS NEW PRINCIPAL

Supt. E. C. Roberts has announced the hiring of Hobart R. Thompson, Somerset, Ky., as high school principal at Walton-Verona High for the 1971-72 year.

Mr. Thompson has been affiliated with the Pulaski school system in various capacities for several years.

Billy E. Prewitt, high school principal here since February 19, 1968, has resigned to accept a position with the Gallatin County system as elementary principal.

GIRL SCOUT TRAINING

There will be a training session for those who will be working in the Girl Scout program at Goshen Christian Church, Piner, on Monday, June 28 at 7:30 p. m.

Anyone interested in Girl Scouts is invited to be present.

June Meeting of The Wa-Na Club

The June meeting of the Wa-Na Woman's Club was a dinner meeting at the Rountowner Restaurant on the 3rd.

Mrs. Donald W. Dammert, third vice-president of Kentucky Federation of Women's Club, was the guest speaker, talking about the Background and Accomplishments of the Kentucky Federation, and then installed the officers for the coming year, as follows:

President, Mrs. Daniel Hance; First Vice-President, Mrs. Asa M. Rouse; Second Vice-President, Mrs. Malcolm F. Simpson; Secretary, Mrs. Robert Elenschmidt; Treasurer, Mrs. Nelson Popham; Historian, Mrs. Jack Norris; Parliamentarian, Mrs. George Black.

Those enjoying the evening were: Mesdames David Webster, Lewis Webster, Malcolm Simpson, Preston Art, Chester Sturgeon, Dale Stephens, Jack Falls, Dennis Flynn, W. W. Rouse, Nelson Popham, Robert Elenschmidt, Robert Slayback, George Black, Jack Norris, Bryan Rector, David Ashley, Donald W. Dammert, Asa Rouse, Daniel Hance, and Miss Joella Sleet.

RUMMAGE SALE AND BAKE SALE SATURDAY

A rummage sale plus a bake sale will be held Saturday, June 26, on North Main Street next to the Roberts Insurance office. The hours are 8:00 a. m. to 5:00 p. m. Home made cakes, cookies, candy, etc., will be on sale as well as good clothing of all kinds.

This affair is being sponsored by the Happy Helpers Class of the Walton United Methodist Church. Your patronage would be appreciated.

Walton AA Open Meeting

The Walton AA will hold their open meeting on Saturday, June 26 at the Walton Christian Church.

There will be an out-of-town speaker and the group will give their first token to a local member for a year's serenity.

Anyone having a relative or a friend with an alcoholic problem, is invited to attend the meeting. Coffee will be served.

4-H Buckaroos Meet

The May meeting of the Buckaroos was held at the home of leader, Mrs. Renate Burden, on the 26th. Our basic subject was head cars.

Carla Martin, Darlene Smith, Rebecca Burden, and Melinda Burden placed 1st, 2nd and 4th at the Ridgeway Show. Those above and Freddy Gosney rode in the Memorial Day Parade in Dayton-Bellevue. Darlene Smith brought a 5th place at the Lions Club Charity Show.

If you would like to join 4-H, call for information at 356-2437.—Rep.

A traveling salesman had just purchased the last sleeping-car reservation and was leaving the ticket window. An elderly woman rushed up and cried, "I have to get on that train. It's a matter of life or death." Always gallant, the salesman turned over his ticket to the distraught woman. That night his wife received a telegram: "Delayed unavoidably. Have given berth to an old lady."

Stephens Resigns As Walton Mayor; Guy Carlisle Chosen

The resignation of Kenneth Dale Stephens as Mayor of Walton was accepted during the regular Council session Tuesday of last week at City Hall. Named to fill the unexpired term, which runs through 1973, was Councilman Guy O. Carlisle. Mr. Carlisle was appointed to Council to fill the vacancy created when Carl Gerth moved out of town. A new Councilman will be named to round out the six-member group.

Mr. Carlisle is a lifelong resident of Walton. He and his wife, Betty, and their two daughters, Christy and Connie, reside at 91 North Main Street. He is a partner with his father, Charles, in the Carlisle Oil Company, and an active member of the Walton Volunteer Fire Department.

Some of the other business transacted by Council included the decision to tar and chip Park Avenue. This street is reported to be in bad condition and will be repaved soon. Several other streets will be patched.

A representative group from the Council and other interested persons will make a trip to Washington, D. C., in the near future to seek financial aid from HUD officials for sewers in the city.

Several new parking regulation signs have been put up in various sections of the business district. Motorists are asked to obey these markers and avoid a costly citation to court.

Bellevue-McVie Picnic

The third annual Firemen's Picnic of the Bellevue-McVie Volunteer Fire Dept., Inc., will be held Friday evening, June 25, and all day Saturday, June 26.

The affair will be held on the old Bellevue baseball field, across from the Bellevue School on Ky. 18.

There will be chicken and fish dinners Saturday, a drawing Saturday night at 10:00, fireworks on Saturday night at 10:30, and live music (country and rock and roll) all Saturday afternoon and evening. There will also be door prizes, rides, games, booths, and a sandwich and drink booth.

Look for Outstanding Young Kentuckian

The 1971 State Fair Board and the Kentucky Jaycees are searching for the ten "Outstanding Young Kentuckians" to be recognized this year at the fair.

Ted J. Bushelman, Public Relations Director for the Greater Cincinnati Airport, is chairman for the Boone County Jaycees O. Y. K. project, and is asking that you send for nomination blanks to select the "Outstanding Young Kentuckian" in Boone County. The young person you wish to nominate must be no more than 20 years of age by May 1, 1972. Address your requests to Ted at 107 Jo Ann Dr., Florence, Ky. 41042.

What kind of young people are being looked for? Ted says the young person should be one who has made special, outstanding achievements worthy of recognition. He or she may be chosen because of exceptional talent in some area such as music or science, has unusual academic ability or is a star athlete, has performed a heroic act, or has aided another person or group, or a community in some way. The main criterion is that the young person is especially outstanding in some respect.

Booth Technology Grad

A 1969 graduate of Simon Kenton High School, Colleen McDonald, was half of the smallest graduating class in Northern Kentucky when she received her diploma Friday, June 11 from the Booth Hospital School of Radiologic Technology.

Miss McDonald and Janice Stephens, a 1969 graduate of Dixie Heights High School, made up the entire class which completed two years of training. Both have obtained positions.

Last winter Miss McDonald was honored when she was asked to prepare a paper for the Louisville convention of the Kentucky Society of Radiologic Technologists. The paper was later published in a New York based magazine.

The incoming class of freshmen scheduled to begin work June 21 will include a Boone County coed, Mrs. Linda Gay, a graduate of Boone County High School. There are four in the new class.

SEATBELTS ARE
PEOPLE
STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Mrs. J. A. Keener, Reporter

Mr. and Mrs. J. J. Barnett attended the graduation at Lafayette High School, Lexington, where their granddaughter, Janet Barnett, was one of some 600 graduates. Miss Barnett, well known here, on a scholarship in music from U. K., where she will enter this fall. We congratulate her and wish her success in her chosen work.

Mr. and Mrs. J. W. Shaw and Carol enjoyed a trip the first of this week to Carter Caves in Carter County. They visited Rev. and Mrs. Sanford Rucker at Ashland, and returned home Thursday.

Mrs. Lydia Rees had surgery at Booth Hospital on Saturday. We join her family in prayer for her complete recovery.

Mrs. Emil Stein, who has been an invalid for many months, is not so well at present. We are concerned to learn that she has to have help even to get out of bed. She enjoys seeing friends, so let's try to go to see her soon.

Our sympathy is given to Mrs. Irene Wolke in the death of her mother, Mrs. Anna Braunstein,

who died Wednesday at St. Elizabeth Hospital. To love one's mother is irreplaceable, but there is comfort in the thought of Plasm 127:2 for so He giveth his beloved sleep. Rev. Irwin Wolke, a grandson, celebrated the Mass of the Resurrection on Friday.

Mr. and Mrs. J. W. Fryer and daughter, Julia, of Austin, Texas, were guests of her mother, Mrs. F. Keener, arriving on Tuesday evening. Several relatives and friends called to see them. They departed on Thursday morning, visited friends in Southern Indiana and his brother, Edward Fryer, in Nashville. They planned to be home Saturday. We were so glad to see them—just so short a visit, it seems almost a dream.

—DEATHS—

MRS. IDA FEAGAN

Mrs. Ida Feagan, Walton, who would have observed her 100th birthday anniversary in September, died Thursday, June 17 at Woodpoint Nursing Home, Florence. She was a member of the First Baptist Church, Walton.

Surviving are a son, John Lewis Feagan of Beaver Road, and Mrs. Clifford Powers of South Main St., both of Walton; 11 grandchildren and 13 great-grandchildren.

Services were held at 2:00 p. m. last Saturday in the Chambers and Grubbs Funeral Home, of Walton, with Rev. Keith Creasy, pastor of Wilmington Baptist Church, Fisk-

burg, in charge, assisted by Rev. Roy Spark of Richmond Presbyterian Church. Burial was at Brooksville, Ky.

HARVEY (DUTCH) STURGEON

Harvey D. (Dutch) Sturgeon, 77, of Verona, died of cancer at his home at 2:10 a. m., Friday, June 18. He was a retired section hand for the L&N Railroad, and was an overseas veteran of World War I.

Survivors include his wife, El-nora Vaughn Sturgeon; a son, Robert Sturgeon, Verona; a brother, Claude Sturgeon, Verona, and one sister, Mrs. Gertrude Sturgeon, Dry Ridge.

Services were held at 2:30 p. m.

last Sunday at the Hamilton Funeral Home, Verona. Burial was in New Bethel Cemetery, Verona.

CARD OF THANKS—

We wish to thank our many friends, neighbors and relatives for their many acts of kindness during the long illness and death of our dear husband, father and brother, Joe Dance. Thank you so much for the prayers, cards, flowers, calls, letters, visits, and the food you have given. And a special thanks to those who visited Joe and helped make his days a little more pleasant. May God bless you.

4th District, Kentucky

•

The other day I received a letter from a woman in the Fourth District who said that she had stopped looking at the national television news shows. They were just too depressing with their reports of war, racial disturbance, crime and poverty.

While her remedy was rather extreme, perhaps it would be a refreshing change to talk about some of the good things that have occurred in the last year or two, at home and abroad.

First, let's look at the world situation. There has been some progress toward peace.

In Vietnam, our military forces have been reduced from a 1968 high of 540,000 to 248,000 on May 1, of this year, with another 100,000 scheduled to be withdrawn by December.

In the Middle East, the United States managed to halt the fighting through its cease-fire proposal. And this has provided a calmer setting for our efforts not only to resolve the Israel-Arab conflict,

but also to avoid a dangerous great-power confrontation with the Soviet Union.

On the domestic front, one dramatic fact stands out: After years of heavy defense spending, there has been a reordering of priorities to meet the people's needs. In 1986, 45 percent of the Federal budget went to defense, 32 percent for human resources. This year's budget proposed 37 percent for defense and 41 percent for human resources — a complete turnaround.

The first quarter figures add up to the largest gain in the gross national product for any three months in history.

All this is not intended to give the impression that everything's rosy. It isn't. We still face many serious problems, at home and abroad. On the other hand, there are some things to cheer about too. They just don't seem to be quite as newsworthy. That is why I would like to make these items newsworthy in my column this week.

Anneliese's
art studio
211 N. Main
Walton, Ky.

The open house at Anneliese's Art Studio was well attended. We had visitors from Cincinnati, Hamilton and up to Columbus, Ohio, as well as down to Crittenden, Dry Ridge, Williamstown, and Paris. We are happy to see that even one family from Verona was interested. We also thank our few friends from Walton for helping make the day it turned out to be. We are sorry to see that most of our community did not understand that we extended the invitation to all. I also want to thank my friends for all the beautiful flowers, cookies, and help they gave to make it a perfect day.

The pictures of all my students were beautiful. I also want to thank Mrs. Ruth Stephenson of Crittenden, Miss Nona Endress of Independence, Miss Pam Hurd of Morning View, and Mrs. Hank Godman of Walton, for the beautiful original paintings they donated as door prizes. The winner of them, as well as the painting done by Anneliese will be announced in next week's paper. Anneliese also introduced her new, charming co-teacher of the art studio, Miss Nona Endress, Independence, to all students and parents. Miss Endress is the daughter of Mr. and Mrs. Arvel Bolin of Independence, and a trainee of Anneliese.

Thank you all—Anneliese

NEW BANKLICK BAPTIST CHURCH

James D. Johnson

We are very proud to be the pastor of one of the finest churches in our Northern Kentucky area. My wife, Mary; our children, Barbara, Brenda, Linda and Edward (who found his lifetime mate in these Northern Kentucky hills, the former Miss Peggy Correll), have come to know and love many wonderful Christian people, of all faiths, in this section of the country. It has been through the efforts and encouragement of many

of these that has made it possible for us to remain in this part of Kentucky. It seems to us that the more Kentuckians you meet, the more you love you, and accept you as one of them. Truly, the family and I feel very much at home here in Northern Kentucky, and pray our Lord that He will permit us to continue to serve in our present state for many moons to come. May God continue to bless all of you who it has been our joy to meet and know and work with in our Lord's work.

Next week we will have much to report to our readers. Since this month has many programs under

way and most of them will not be complete until June 25, we are not able to write the results at this time. We promise you a grand selection of the brightest things only, for two weeks, in our next article.

As you know that from time to time, we have mentioned about something wonderful is going to happen to the people of this section of Northern Kentucky. We feel that it is time that we let the cat out of the bag and let you in on something real wonderful that is going to happen to anyone who will attend the services. These are the Boone-Kenton Crusade Revival services to be held at the Simon-Kenton football stadium. The revival is co-sponsored by the following Baptist Churches in this area: Amity, Grace, Hickory Grove, New Banklick, Oak Ridge, Piner, Walton First, and Wilmington. The date is September 19th through 25th, 7:30 p. m. nightly. Everyone is invited to come and share in the good Gospel preaching of Evangelist Brasher, from South Carolina. More about this from time to time.

Our Sunday School attendance contest has hit head-on with what

is known as the summer slump. The Children's Department is still running way ahead of all the other departments and is a dead ringer to walk away with the banner for a second time. The Youth and Adult Departments are just going to have to put forth more effort if they plan on winning the banner next quarter (July-August-September).

New Banklick Baptist Church is attempting to organize a RA Chapter for the younger boys of our church. George V. Schadler and Ray Mercer are in charge of this effort for a wonderful organization in any Baptist church. Keep up the good work men and may you

have many boys to join this fine organization of Christian Training.

Recently we received a surprise letter from Evangelist John Dare of Bangalore, South India. Evangelist Dare had read an article that this pastor had published in one of our State Baptist papers last February 18. We appreciated the wonderful comments that he made, and ask you to join me in prayer for this man of God who is reaching these Indians for Jesus Christ in this Muslim infested country. Our missionaries and evangelists need our prayers.

We do invite you to come and join us in worship at New Banklick anytime you do not have a Church Home to attend.

NOTICE—

Due to inconvenience and danger to the person mowing, beginning July 1st no artificial flowers or private fencing will be permitted in Hughes Chapel Cemetery. Notice is being given so that lot owners, who now have items of this nature in the cemetery and do not wish them destroyed, may have time to remove them before that date.

After July 1st, any remaining items will be removed by the caretaker. We urge the understanding and cooperation of all lot owners, in support of this necessary decision.

THE 'GOOD' OFFERING

Lesson for June 27, 1971

Background Scripture: Micah 6, 7.
Devotional Reading: Isaiah 58:1-9a.

Suppose you were to receive in the mail today an envelope in which you would find your last Sunday's church offering with a note saying, "Sorry, this offering not acceptable." Or suppose that next Sunday the usher were to hand you back your dollar bill and say, "I'm sorry, we can't accept that." What would be your reaction? (Don't worry — it's not likely to happen!) If your imagination will allow you to seriously suppose the above situations, you may have some idea how the people of Judah felt when they heard the message of Micah. It was as if he was saying that their offerings were not acceptable to God, that they were not good enough. (We all know that there is no better way to infuriate a religious person than to intimate that there's something wrong or inadequate about their giving!)

Two big questions Micah, however, was not put on the defensive, but instead he seized the initiative by posing to the people of Judah two important questions from God, "O my people, what have I done to you? In what have I wearied you? Answer me!" (6:3). This is really a rhetorical question—a question that does not really seek information, but rather assumes an answer before it is asked. What God is really asking of his people is to give some reason for their rebellion and infidelity against him. What has he done to deserve such treatment?

It is obvious to all, however, as it is meant to be, that God has faithfully fulfilled his part of the covenant. Thus, the prophet is reminding Judah that she has no justification for her infidelity. He is quite specific, citing what God has done, recalling the "saving acts of the Lord." "For I brought you up from the land of Egypt," he reminds them, "and redeemed you from the house of bondage; and I sent before you Moses, Aaron, and Miriam" (6:4). These "saving acts" were the very basis for the Hebrew faith in God. This was a faith dependent, not upon ideas about God, doctrines, creeds, or speculations, but upon God's actions in the affairs of men and nations. He was a God who continually revealed himself to man in his saving actions in the world. One of the greatest of these, of course, was the escape from Egypt.

What kind of offering? We come, then, to the second question which Micah raises: What kind of offering does God really want? If the offerings they give now are not acceptable to the Lord, what does he want from them?

With what shall I come before the Lord, and bow myself before God on high? Shall I come before him with burnt offerings, with calves with burnt offerings, with calves a year old? Will the Lord be pleased with thousands of rams, with ten thousands of rivers of oil? Shall I give my first-born for my transgression, the fruit of my body for the sin of my soul? (6:7, 8)

Bigger and better sacrifices? No, says Micah, you don't have to keep looking for the answer: He has showed you, O man, what is good; and what does the Lord require from you but to do justice and to love kindness, and to walk humbly with your God (6:8).

You do not have to search for God's word, you already have it. The only question is whether you will do what he asks and give to him the good offering.

Mother of the bride

In a few minutes she will be walking down the aisle. Bruce will be at the altar to meet her, and when they walk out of the church, they will be man and wife.

Even though we have been planning the wedding for weeks, it is hard to believe the time is really here. It seems like only yesterday — though actually it was twenty years ago—that our little girl was christened right in this same church.

What an all-important part of our lives this church has been! I have turned to it both in times of joy and times of sorrow. So has our daughter.

Now, as I slip into my place in the first pew on the left side of the aisle, it is with the wonderful feeling that this church is a part of her, too, and that its teachings will stay with her forever. I could not ask for more.

Junlor 4-H Week

"What do you want to be when you grow up?" Boys and girls start hearing this question and wondering about their future very early in life. Some 700 young people, including 10 from Boone County—already beginning to grow up—looked for possible answers to this familiar question during Junlor 4-H Week at the University of

Kentucky, June 7-11. These 4-H'ers from all parts of the state were sixth, seventh and eighth graders this past school year. During the daytime conference sessions, they explored the opportunities offered in a variety of careers, as well as the requirements in these fields. They heard about careers in home economics, agriculture and agribusiness from staff members of the UK College of Home Economics and College of

Agriculture; visited the Central Kentucky Area Vocational School to learn about opportunities for training in such schools, and toured the International Business Machines Corporation facilities to find out about careers in that type of organization. Assemblies at night stressed opportunities in 4-H and in various areas of personal development. Also included on the night program was entertainment by acts selected at various area 4-H Variety Shows, as well as supervised recreation.

Discoverer's 4-H Club

At the Area Rally Day, May 23, two girls from this club gave demonstrations. Laura West gave on "making a cleaning kit," and got a blue ribbon. Lisa West gave on "A special salad," and won a blue ribbon and the championship. She goes on to the State Foods competition in Lexington, which was held June 4-5.

BLUE RIBBON 4-H CLUB

The May and June meetings of the Blue Ribbon 4-H Club were called to order by Brenda Gibson. Brenda Duncan led the songs and pledges.

The following officers were appointed to finish the present terms: Patty Gash, secretary; Robbie Gibson, recreation leader, and Tracey Gabbard, reporter.

Clothing projects modeled at the County Style Revue were: Tracey Gabbard, apron, a blue ribbon; Brenda Duncan, first dress, a red ribbon; Brenda Gibson, skirt and blouse, runner-up and blue ribbon. She will model at the Area event on June 26.

Three members and the leader participated in the Independence Memorial Day Parade.

Thanks to the Trailblazers Club for a very interesting showing of slides from the Netherlands by Catherine Geluk.

Members attending the meeting were Brenda Duncan, Tracey Gabbard, Patty Gash, Brenda and Robbie Gibson.

A picnic is being planned in July.—Reporter

PINER CLEVER CLOVERS

The last meeting of the Piner Clever Clovers was held in the home of Rhonda and Dexter LaFollette.

President Andrea Ballard called the meeting to order. Pledges to the flags were led by Cheri Smith. There were then two songs. The roll call was given and the members answered with giving names of flowers.

Members present were: Rhonda LaFollette, Dexter LaFollette, Debbie Wolfe, Cheri Smith, Andrea Ballard and Trudy Magee. Two leaders present were: Mrs. LaFollette and Mrs. Ballard.

Members made a motion that they would fix a flower bed in front of the Piner-Fiskburg Firehouse.

The next meeting of the club will be held at the Firehouse with Andrea Ballard as hostess.—Reporter

TEL-STAR 4-H CLUB

Tel-Star 4-H Club met at the home of Mark Kenner, May 20. The meeting was opened at 7:30. Kim Works presided, and pledges were given to the flags, led by Jan Lewin.

Members discussed the horse show in Boone County. We had three horses that were going to be shown. They belong to Kim Works, Rhonda Davis and Mark Kenner. We also talked about the 4-H Camp this year, and the girls who took sewing discussed the style revue.

The meeting was adjourned and refreshments served.—Reporter

THE HEART OF MODERN LIVING IS FULL HOUSEPOWER!

A home with an adequate wiring system is wired in for solid comfort and convenience! It means you'll have plenty of electrical energy to do so many jobs . . . saving you time and effort.

But the ever-increasing use of electricity can outgrow your wiring system. If your home was wired more than 10 years ago, chances are circuits have become over-loaded . . . your TV picture may flicker or lights dim.

Have your wiring checked. In most cases, larger electrical entrance equipment (fuse box) is all that's needed to give you extra housepower for modern living at its best.

Be certain your home has adequate electrical entrance equipment (fuse box) for your current use of electrical power. If lights dim or motors start slowly, you should have your system checked so you can make full use of rural electric power.

Piner PTA Luncheon

The annual luncheon by the PTA of Piner Elementary School for the faculty, bus drivers, cooks, and janitors was held on June 7th in the school.

Mrs. Roberta Steinhauser, fifth grade teacher, was in charge of the program, which honored Mrs. Agnes Caldwell, who retired.

Special guests were her daughter, Mrs. Betty Sue Cook, and Mrs. Lanham.

Mrs. Caldwell received gifts from the Food Service of Kenton County, the faculty, and the PTA. Mrs. Steinhauser composed a poem in honor of Mrs. Caldwell:

AGGIE

She started to cook way back in '29 Days of depression, nobody had a dime.

A meal for 8c was what you could get

I'm here to say it was the best yet. Teachers and helpers have come and gone

But dear old Aggie cooked on and on.

The food she has prepared would stack up a mile

I'd hate to see what I've eaten in a pile.

The size of the teachers, as you can see

Is a witness as to how good your must be.

Even the principal added pounds, hasn't he?

So "Aggie," in retirement, we wish you the best,

Now why don't you sit down and take a long rest.

A MAYOR'S FAREWELL

K. Dale Stephens

K. Dale Stephens has resigned as Mayor of the City of Walton, effective as of last Tuesday. He has served 5½ years as mayor, beginning in January, 1966. Prior to this he completed four years as a Council member.

In submitting his resignation, Mr. Stephens said, "I am grateful for the privilege to have served the city for these 9½ years, but in-as-much as I have moved from the city, it is mandatory that I resign as mayor. It is my personal conviction that Walton does have a great future, depending on the outcome of the sewer system, which is a must. I feel that Mr. Carlisle, as mayor, and the council members are very competent and will do an excellent job in leading the town forward."

More and more people are freezing and canning fruits and vegetables. The Extension Service will be conducting classes in Food Preservation this summer to aid the novice in developing these skills as well as the experienced in up-dating their information.

The first of these classes will be on your home freezer. It will be held on Tuesday, July 6, 9:30 a. m., Conner Junior High School, in the Home Economics room. Packaging materials, what to freeze, how to freeze meats, fruits, vegetables, etc. and freezer management will be discussed at this time.

The second class will be on the canning of fruits and vegetables. It will be held on Tuesday, July 13, at 9:30 a. m., at Conner Junior High School, in the Home Economics room. Equipment, food spoilage, and the water bath methods will be discussed.

These meetings are open to the public and we encourage you to invite your friends and neighbors.

If you have any questions concerning food preservation, call or stop by our office to pick up bulletins from the University of Kentucky or the United States Department of Agriculture on various aspects of freezing and canning.

COUNTY AGENT'S ½ ACRE

—by—

JOE GLAXON

About one and one-half million acres have been dropping out of our cropland base each year.

During the 1945-1964 period, 54 million acres were abandoned or shifted to noncrop uses. But for every two acres that went out, about one acre of new cropland was developed. So, on balance, the annual reduction came to roughly 1.4 million acres.

However, the land drain is not as bad as it looks. Much of the new land is more productive than that abandoned.

Overall, production increases per acre since the 1940's have more than offset the shrinkage in farmland.

Most significant, the production gains have been outstripping our population's growth rate, currently around one percent a year. Population during 1950-1970 expanded one-third—crop production over one-half—and the per capita agricultural output by six percent.

Right now about one-fifth of the nation's land area is used for crops, or roughly 430 million acres. Another 640 million consists of grassland pasture and rangeland, although some of this has very low carrying capacity for livestock.

But what about next year, and the next 25 or 50 years?

"In the judgment of competent authorities," said Agriculture Secretary Clifford M. Hardin, "the United States has the land, and the ability to satisfy the food requirements of a population perhaps double the size of today's, provided we plan the use of the land wisely."

"A crucial question arises, however, and policy makers must keep it constantly in mind. It is this: In planning for greater economic, urban and industrial growth, how do we preserve our better farmlands for future needs and at the same time assure adequate land areas for other open space uses?"

W-V 1955 CLASS REUNION

The 1955 class reunion of Walton-Verona High School was held on June 19th at Big Bone State Park. The weather was rainy but a good time was had by all who attended.

Those present were Mr. and Mrs. Ovie Griffith, David, Diana and Ramona of Indianapolis, Ind., Mrs. Shirley Carpenter Cook, Mark and Luann of Walton, Mr. and Mrs. George Scott, Bryan, Randy and Michelle of Winston Park, Mr. and Mrs. George Dewart (Rose Poole), Billy, Jimmy and Timmy of Florence, Mr. and Mrs. Russell Elmore (Virginia Ball), Russell, Virginia and Joan of Taylor Mill, Mr. and Mrs. J. D. Risner and Scott of Verona, Mr. and Mrs. Jay Stonberg (Shirley Crowe) of Forence, Calif., and Mr. and Mrs. Kay Kelly (Loretta Johnson), Kevin and Shannon of Independence.

Mrs. Shirley Austin Smith was unable to attend as she is a patient in St. Elizabeth Hospital. Mrs. Charles Rose (Yvonne Flynn) of Charlottesville, Va., was unable to attend because of their business.

WOMEN'S CHURCH SOFTBALL LEAGUE

The Walton Women's Church Softball League opened its season on Tuesday, June 22.

The first game featured Richwood Presbyterian and Walton Methodist. Richwood was the winner by a score of 22-19. In the second game, Walton Baptist was victorious over Walton Christian by a score of 39-11.

This is the first year for the Women's League. There will be two games each Tuesday, starting at 6:30. The games are held at the high school field.

The ladies would appreciate your help both vocal and financial. When the hat is passed, be generous. Come out and cheer your favorite team to victory.

On June 29, All Saints played Walton Baptist, and Walton Methodist met Walton Christian.

Summer Pests— Unwelcome Guests

Summer hikes, picnics and camping trips often bring the outdoors enthusiast into contact with an endless variety of crawling, flying, hopping pests, according to Randel Ritchie, Boone County Sanitarian. Since their bites often spoil an otherwise pleasant occasion, a few pointers on prevention and first aid can literally save the day.

Chiggers are most common in the South, especially in regions of lush vegetation and moisture. The wearing of high shoes or boots is of some protective value, as is the sprinkling of sulfur on the clothes before expected exposure. Since chiggers usually do not attach themselves for an hour or more after they reach the body, bathing promptly after exposure, using a brush and soapy water, may eliminate them. Alcohol applied to the skin after bathing also increases protection. If a bite is inflicted, application of ice water gives some relief. Bathing the affected parts with baking soda solution, ammonia water or strong alcohol has some value.

Ticks can transmit a number of diseases, one of the more serious being Rocky Mountain spotted fever. This disease is transmitted by the wood tick, frequently found in wooded areas in Kentucky. The wood tick may also transmit Colorado tick fever and tularemia (rabbit fever) and may cause tick paralysis. These blood-sucking insects attach themselves to humans as they pass through areas thick with vegetation. They must be removed with care since they may be easily broken and the head left imbedded in the skin, where the wound may become infected.

For bee and wasp stings as well as other insect bites, the immediate application of ice or ice water gives relief and slows absorption from the bite. For those allergic to the poison, the use of a tight constricting band is advised if the bite is on the hands or feet. This first aid measure should be followed by attention from a physician.

Today many commercial repellents are available for insect bites and stings.

Black widow spiders are common in Kentucky and can always be identified by the red hourglass on their abdomens. These spiders are found under stones, in hollow stumps, woodpiles and other protected places; indoors they are found in a wide variety of places where there is some dampness.

The bite of a black widow causes redness and slight local swelling. Severe pain begins at once, spreading throughout the body. Profuse perspiration, nausea and difficulties in breathing and speaking may develop, and painful cramps of abdominal and other muscles are common. A physician should be seen. However, almost all cases recover, although severe discomfort may be experienced for a day or more.

"MISS PLAY SAFE"

Cincinnati's insurance industry likes Miss Jenny Russell of 5552 Madison Pike, Independence. She's Miss Play Safe this year. Insurers appointed her to the rank and now she's promoting them.

Day-Milner Wedding At Christian Church

Mrs. David A. Milner

Miss Mollie Ann Day, daughter of Mrs. Herbert Day, and David Allan Milner, son of Joseph Milner, were married Saturday evening, May 22 at 7:30 p. m., in the Walton Christian Church. Rev. A. J. Russell performed the double-ring ceremony.

The bride was given in marriage by her brother, Robert Cooper.

The bride wore a floor length gown with an empire waist of white silk organza. The flowing gown with sheer leg-of-mutton sleeves was accented with white chantilly lace and delicate lace beading with pastel pink ribbon insert. She had a chapel length veil of silk illusion featuring the same delicate lace beading as her gown.

Her matron of honor was Linda King Helmer, and the bridesmaids were Kathy Coyle and Millie Baker. Their dresses were identical with colors of orchid, dark pink and blue. Kim Martin, junior bridesmaid, niece of the bride, was dressed in light pink. Rosemary Willett, flower girl, niece of the bride, was dressed in orchid.

Mr. Milner chose for his best man, Rick Stephens, and ushers were Junior Day, brother of the bride, and Mike Glenn. Kevin Martin, nephew of the bride, was ringbearer.

After a short honeymoon, the newlyweds are making their home in Erlanger.

NOTE—We are sorry about the above photograph, but apparently it was of inferior quality and bits of the picture flaked off in mailing and handling.

Visit Mammoth Cave

The young people of the Walton Christian Church enjoyed a trip to Mammoth Cave, last Saturday.

Those who enjoyed the trip were Layna, Dayna and Jayna Cheesman, Gaisle Stephens, Mary Beth Rouse, Patsy Marsh, Gina Combs, Fanny Thorpe, Rene Huey, Chuck and Becky Gibson, Gwen Milner, Patty Raybourne, Tommy Farwell, Brad Berkshire, Mr. and Mrs. Jack Rouse, Mr. and Mrs. Russell Groger, Dr. and Mrs. Galses E. Huey and son, Bradley, and Mr. and Mrs. David Gamble and son.

Named '76 Queen

Miss Deborah Ann Chapman, 17, the daughter of Mr. and Mrs. Gerold Chapman, Covington, was selected Miss Spirit of '76, Saturday night in the beauty contest held at Cold Springs.

The brunet queen, a graduate of Simon Kenton High School, was sponsored by Don's Standard Service Center of Covington.

First runner-up was Miss Janice Coppage, 18, of Independence, and second runner-up was 21-year-old Debbie Thompson of Erlanger.

HOME FREEZING PROGRAM

Home freezing will be the topic of a program to be presented on Tuesday, July 6 at 9:30 a. m. in the Conner Junior High School Home Economics Room, Hebron.

Freezing all types of foods, packaging materials, recommended methods, and freezer management will be discussed. The lesson will be given by Nancy W. Norman, County Extension Agent for Home Economics.

Anyone interested in using the home freezer to the greatest advantage is invited to attend.

Fair Catalogs Out Soon

The Boone County Fair catalogs are off the press and, according to R. V. Lents, advertising manager, may be had for the asking at the following area places after Wednesday of next week:

Dixie State Bank, Verona Bank, Fred and Frank's Place and Big Bone Grill, Carter's Corner at Union, Shepherd's Grocery at Beaver Lick, George and Bonnie's at U. S. 42 and Frogtown Road, Jones' Service Station at Union, Ryan Hardware and Implement of Walton, Walton Dry Goods and Hardware of Walton, Benton-Bonar of Walton, Robinson's Grocery at Richwood, and Howell's Carry-Out at Devon.

Named Kentucky Colonel

Robert (Shorty) Coyle of 5 Huey Drive, Walton, was honored recently by being named a Kentucky Colonel on the staff of Governor Louie B. Nunn.

Mr. Coyle is married to the former Betty Lay and they are the parents of three sons, Greg, Jeff, and Randy. He is a member of the First Church of God, Erlanger; an employee at the Fisher Body Plant in Norwood, Ohio, and a member of the Boone County Auxiliary Police.

Camping Area At Big Bone Unknown

The camping area at Big Bone State Park is ready and waiting, but deserted.

Glenda Beach, daughter of Edna Beach, 30 North Main St., Walton, receptionist at the campground entrance, said "We've been open about four weeks and nobody knows about us. The people who have been here have liked the park, though."

A brochure put out by the Kentucky Parks Department lists the Big Bone campground as opening in early August. And according to James Casey, Erlanger, "Frankfort says there isn't a lake here."

"I called the Parks Department this morning to see how fishing was here and they told me there wasn't a lake at Big Bone. Eight acres of water looks like a lake to me."

Luther Risner, manager of the park, takes it all good naturedly. "Sure, we opened ahead of time, so nobody knows we're even here."

The 82 campsites are all equipped with electric outlets and black-top parking pads, and with ample water nearby; spotless shower rooms, and camping is only \$3.00 a night. There is also a security guard on duty 24 hours a day.

It would seem that it would be a good idea for Frankfort to keep abreast of the times, and "get on the ball."

Boys Injured On Bikes

Larry Norris, son of Mr. and Mrs. Jack Norris, High School Ct., Walton, received a broken arm from a bicycle accident recently.

David Michael, son of Mr. and Mrs. Carl Michael, of Alta Vista, Walton, was injured when he had a bicycle mishap last week. He received a concussion and a punctured ear drum. However, he is getting along nicely after spending several days in a hospital.

New Regulations Of Boone Health Dept.

At the regular Board of Health meeting on June 10th, the following local regulation was passed:

"A Serological Test for Syphilis and a test for Tuberculosis (tuberculin test and/or chest x-ray) is required for all Food Handlers in Boone County." This regulations went into effect today—July 1st.

No Building In Walton

The following motion was also passed: As of January 1, 1972, the Boone County Board of Health will no longer issue plumbing permits or allow occupancy for new construction in Walton until a definite completion date for the sewer system can be given.

Some Personal Thoughts

We had heard that this regulation was coming, and maybe justly, but we feel it is a bit severe. It's always easy to stand on the outside and say you must do this or that. The system would have been in operation if money had been available. However, citizens of Walton feel that maybe a \$2,000 assessment and a sewage bill of a little \$25.00 per month is a bit too steep for the average, and as a result, people are leaving town. This is a bit like telling a man who makes \$80.00 a week with a family of four he has to buy a \$25,000 or \$30,000 home.

An old timer once said, "Walton was a one-horse town when I came here, and I want it to stay that way," or words to that effect. I guess we could have a "ghost town" and maybe attract tourists and make enough money to have sewers.

Chief Opposed To Subsidizing

Walton Fire Chief Charles Worthington attended a recent session of the Boone County Fiscal Court and voiced his opposition to a request made by a private business for financial aid.

The Boone Ambulance Service of Florence, had asked for \$30,000 subsidy for operation of its business.

Chief Worthington stated that the Walton Volunteer Fire Department did not charge the people of Walton for either fire protection or ambulance service. "Walton is opposed to subsidizing a privately operated ambulance service," he added.

Worthington was joined by Chief Paul Dickman of Hebron. They said it would not be fair to ambulance services made possible by donation and fund-raising projects to give aid to a private business. Members of the court agreed and voted against the request.

An August 29th wedding is planned in Indianapolis, at the Rose-dale Hills Methodist Church.

Team-Teaching at Caywood School

A Northern Kentucky school has gained state-wide attention in a two-page article published in the latest edition of the Kentucky School Journal.

The article, by the journal's roving reporter, tells of the three-year project at Caywood Elementary School in which a team-teaching concept was developed.

Under the plan, students were grouped according to abilities so that more individual attention could be given each child. However, the students were permitted to move from one group to another as their learning processes improved.

Mrs. Mildred Tupman, Caywood principal, reported that achievement tests indicated improvements.

Federal funds supported the three-year project and Mrs. Tupman and faculty members are hoping that some way will be found to continue the search for still additional means to improve teaching and individual attention.

"FASHION ON THE GO" THEME OF AREA SHOW

"Fashion On the Go," was the theme of the 1971 4-H Area Fashion Show held at Pendleton County High School recently. And did Boone County "Go?" Three of the top four contestants were from this county.

Billy Susan Napier won the Junior championship with her maxi skirt and selected blouse.

Senior Division champions were Cindy McMillian, of Walton, (formal), and Shelly Baute (tailored) are eligible to compete in the State Fashion Revue to be held in Louisville, in August.

Marianne Smith, another Boone Countian, served as one of the narrators for the one-day event.

WINS NEW TELEVISION

Ottis Resadnor, Walton, won the television given away at the Ken Harper picnic held at the John Brooking farm on Chambers Road. Congratulations, Ott.

Recreational Outlay Hikes Boone Budget

Recreation, police and public works departments received sizeable increases over last year's budget in the newly adopted Boone County budget for fiscal 1971-72.

The county will operate on a total of \$646,739, amount approved by Fiscal Court last week. The budget shows an increase of \$27,000 over last year, which will add to the county's income in taxes.

The recreation budget was increased from \$5,000 to \$15,000 because the county plans to establish a recreational program and implement recommendations from a comprehensive study of park and recreational needs, County Judge Bruce Ferguson said.

Although it may be several months before the program can be organized, Fiscal Court members agreed to increase the recreation budget to assure that a countywide program could begin within the next year. The first step will be to hire a parks supervisor to plan and carry out activities.

A comprehensive study, compiled by University of Kentucky student David Guokas, who was hired by the county in January, related that most county youths leave the county for leisure time pursuits, and that adults and youths spend a large amount of time watching television.

The county owns no community park land. The report suggests that the county make use of school sites and acquire land near schools to develop park programs, and check the possibility of leasing park land from private corporations in the area.

The county also needs a five-member park board, to be appointed by the county judge, to administer the program and to apply for federal funds for recreational purposes.

The police budget increase includes funds for a three-man felony squad to operate in both the county and the City of Florence. Organization of the new squad hinges upon the approval of a federal grant which would supply 75 percent of the cost.

RECEIVES FELLOWSHIP

Dr. Gayle Roberts of Birmingham, Ala., the son of Mr. and Mrs. Dan J. Roberts, Walton, has been granted a fellowship and will study cancer research at the University of Alabama.

Bell Recycling Of Old Telephone Directories

Cincinnati Bell has been recycling old telephone directories for a quarter of a century—long before ecology became a household word. An estimated 1,800,000 pounds of paper will be recycled this year.

Each year, as the new telephone directory is delivered, the old book is collected and shipped by rail—between 19 and 23 fully loaded box cars yearly—to a paper company in Wisconsin for recycling into cycling into cardboard products.

Cincinnati Bell and Illinois Bell were singled out recently by the Bell System as two companies which "continue to collect directories on a general basis."

Wardrobe
With a fashion look to match a woman's every mood, wardrobes have expanded. And they periodically need to be sorted and checked.

Whether or not clothes make the woman, it's certainly up to her to see that her clothes are in good shape — always clean, and ready to be worn. One of the best habits to get into every time you change seasons, is to clean and then store all the clothes you won't be wearing until that season rolls around again.

There are other nice things you can do for your clothes. Knits need special attention when hanging — if you must hang them, use special or padded hangers. Better yet, fold your knits and place them in drawers — it will keep them from stretching.

Mrs. J. A. Keeney, Reporter

The WSCS met at the church on Wednesday evening with a good attendance. Mrs. Ronald Losey was in charge of the program and chose for her subject, "Young Women Speak Out," or the need for the younger women in the work of the church. The president, Mrs. Shaw, conducted the business session during which plans for a picnic, to be held at the July meeting, to which we will invited the WSCS from Ida Spence. Following the business, we were dismissed with prayer and enjoyed refresh-

ments in the dining room. The following were among those present: Mrs. C. Losey, Mrs. D. Ballinger, Mrs. C. Taylor, Mrs. C. Fennell, Mrs. C. Ramsburg, Rev. and Mrs. Pepon and children, Lola, Dale and Seth, Miss Carol Shaw, and Mrs. F. Keeney.

Jeff Childers is at Camp Earl Wallace, Lake Cumberland, this week attending the Kentucky State Wildlife program.

Mrs. Lydia Rees, who has been a patient in Booth Hospital, is doing well and will be released very shortly. We hope for her a quick recovery.

Mr. and Mrs. Jack Howard and children are on vacation this week at Kentucky Lake.

Jeffrey Losey spent a few days visiting his grandparents, Mr. and Mrs. John Sayle, of Owenton. Rev. and Mrs. Roy Martin, Sheri and Kenny, spent Sunday with Mr. and Mrs. J. J. Barnett.

Woody Armstrong is visiting his sister, Mrs. Dawson Ballinger.

Mr. and Mrs. Kenneth Childers and son, Adam, spent Wednesday at Butler State Park.

Mrs. Leontine Stephens called on her brother's family Thursday evening and stopped by to chat a while with me.

Mr. and Mrs. Clarence Barnett

called on Mr. and Mrs. J. J. Barnett, Tuesday evening.

Several from this community who went on the tour to the Amish Village, near Wooster, Ohio, Tuesday, reported an interesting trip and a pleasant but tiresome day. In some respects it was like going back 100 years.

EVEN THE OLDEST HOUSE GETS A NEW LEASE ON LIFE WITH ELECTRIC HEAT

When you're remodeling and modernizing, eliminate those chilly corners and icy drafts of old-fashioned heating systems. Forget them completely by modernizing with electric heat. With rural electric power on the job, you can relax... with full-room, full-house comfort, winter after winter.

Electric heat is clean and quiet. Its flameless safety is so convenient and dependable. And, best of all, you control the temperature by setting a simple dial to the warmth you like. Electric heat keeps it that way — automatically.

Why are so many of your neighbors switching to Electric Heat? Ask your Rural Electric System for all the facts about Electric Heat... and how easily it can be installed in your home.

Homeowners are beginning to notice the sod webworm moths in their lawns now. The small buff colored moths, about an inch long are stirred from their hiding places in the lawn when you mow or walk across the grass. They fly in a jerky, zig-zag manner and quickly return to the grass a short distance away to hide again.

Ordinarily prompt action is recommended for dealing with insect problems, but it doesn't pay to be too hasty with the sod webworm.

Instead of applying chemical controls when the moths are first noticed, or when they are most abundant, it is best to wait about 10 days after the moths begin to disappear. The reason for this delay is to aim your insecticide application at the control of the sod webworm larvae and not at the moths. Although the insecticides may kill the moths, they do not prevent the moths from laying eggs which hatch later when the effects of the insecticides have become weak. By waiting 10 days after the moths are most abundant, the eggs from these moths have hatched and the larvae, or worms, can be killed by the insecticides. If you lose track of time as to when the moths were at their highest numbers, you can get pretty good control by treating your lawn during the last week of June. You will have to treat again near

mid-August for the second generation of sod webworms.

The insecticides recommended are carbaryl (Sevin), diazinon (Spectracide) or Dylox. Directions for their use are given in UK Misc. 363-B, Sod Webworms and their control.

Police skillings in our nation have been on the rise in recent months.

While some of the killings seem to be the work of organized political activists many are the results of assaults on officers in the line of duty as in the tragic incident of two Louisville police detectives killed last month.

That is why I intend to press even harder for legislation I introduced (H. R. 4169) before this incident—four months ago—to provide for the Federal death penalty for anyone convicted of killing policemen, firemen or other law or judicial officers performing their duty.

In the last few years something has changed. Police officers are being shot, stabbed, stoned and beaten with a frequency that I am increasingly concerned about.

My inquiry to the Federal Bureau of Investigation the week before the Louisville shooting revealed that in 1969, the last full year tallied by the FBI, 35,202 police officers were assaulted in the U. S. and 11,949 of those attacks resulted in serious injuries. These were assaults with serious injuries, but not fatal.

Let us focus on the soaring number of police killings. More than 100 policemen were slain during 1970, compared with 86 a year earlier, and 64 in 1968.

This year the pace of killings is even higher, with 52 men killed through the first six months.

Most frightening is the rise of a new phenomenon—ambushes, as in New York City, and unprovoked murders of officers while on routine duty or inside police stations. In 1970, there were 24 such cases—more than double the 1969 figure and four times that of 1968. In the entire 10 years before 1970, only 43 officers were killed in un-

provoked attacks, including those by mentally deranged.

Further, it is my conviction that the FBI should be authorized to assist local enforcement agencies in apprehending the slayers of policemen killed in the line of duty. In this way the full expertise of the FBI could be brought to bear

to insure that the killers be brought to justice.

Local and state enforcement agencies are doing a good job in combating the rising crime rate. It is highly commendable that the murder suspects in the Louisville police slayings, last month, were apprehended within three days. However, local agencies across the country most assuredly could use Federal assistance when seeking out perpetrators of police killings.

Just as surely as the Lindbergh law made kidnapping a Federal crime punishable by death (thereby halting a wave of abductions in the 1930's), legislation such as my bill will bring the legal and moral deterrence necessary to eradicate this swelling wave of police killings and make the stationhouse safe.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

Our Gospel Hymn Sing last Sunday, June 20, was a joyful success. You have heard artists declare how impossible it is to put on canvas a scene that is too beautiful to paint. This is the way this writer feels about describing our Gospel Hymn Sing. This was our first one with everyone participating from New Banklick Baptist. We were told several months ago, when it was in the planning stages, that it would not be possible for us to have a Gospel Hymn Sing for any length of time as we would not be able to get that many to participate—but, how wrong they were. There was a nice crowd who came and stayed the full two and one-half hours of continuous singing. Truly Heaven came down and Glory filled all our souls who were present.

One of the things that thrilled my heart the most were the very colorful robes of the Junior Choir; the beautiful outfits worn by the

Youth Choir—the girls had blue and white dresses, and the boys wore blue shirts with white tie and pants. They were just beautiful. The Spiritual-Heirs Quartet wore dresses of purple, grey and pink, and were so lovely to behold. The next step will be the Adult Choir. Wonder what they will be wearing?

The two and one-half hours of joyful singing was filled with a great cast of singers. Besides the joyful music of our choirs: Adult, Youth and Junior, which sang the praises of God fit for the ears of anyone, we heard one of the finest quartets anywhere—our own Spiritual-Heirs (their name was given by the pastor, Jim Johnson, because they sing Spiritual filling songs, and they are "heirs of God and joint-heirs with Christ"—Romans 8:17), which included Mrs. Francis Beach, Mrs. Ann Dunavent, Mrs. Jackie Grayson and Mrs. Lois Reinhart, pianist. You have never heard such sweet, angelic music in your life. This writer witnessed grown men and women shedding tears of joy, and not a sound came from the congregation, other than sighs of Holy excitement as one catching their

breath after watching the free-fall of a parachutist to earth, and then ending with a look of speechless awe, as if it were impossible to believe such beautiful talent had come from our midst. Then as they finished their last number, you could hear the welcomed "A-men!" from the congregation, which to Gospel singers is to their heart and ears as the applause is to theatrical performers. Truly God blessed all of us present with the voices of these Christian ladies. Then the beautiful voice of Mrs. Lois Reinhart thrilled our hearts with a special number. There were the blended voices of our music director, Gene Parker, and Mrs. Ann Sorrell, followed by four beautiful numbers by our Youth Choir, who will thrill the hearts of anyone who loves Gospel music as it should be sung. They were under the direction of Mrs. Lois Reinhart and Mr. Charlie Sears, guest pianist for the evening. He is the organist for the Oak Ridge Baptist Church. Then the real treat of the evening, the singing of the Faith Quartet, composed of Gene Parker, Roy Beach, Ray Mercer and Jim Johnson. Now man, you talk about singing, if

you missed this group, you just plain missed it man, and you'll never know the blessings you failed to get that would do you for eternity.

Next in our program, we had the good fortune of hearing the Disney Family—Norma, Charlotte, Cathy, Connie and Ronnie. Good old Gospel music as Paul spoke of in Colossians 3:16. This family is very talented and they are a blessing to all. They were followed by Ray and Louise Mercer, who are ready to sing at the drop of a hint. Ray and Louise thrill our hearts each time we hear them. Now you can talk about your church choirs upon church choirs, but there is none that compete with New Banklick's Adult Choir. They are the very foundation of our music department, and it is the hope of every youth in our church to one day be able to sing in this choir. If you have never heard this choir you cannot appreciate what we are trying to put into words; however, if you have heard our choir you know what I have said is for real.

We then were given the opportunity to hear the golden voice of Mrs. Jackie Grayson. This young lady has a gift from God—a beautiful voice that we will put up against the greatest singers in the world—and if you had been there, you would know what I am about to say is true; but as she sang, "I'd Rather Have Jesus," it was done with such soul rendering conviction that you could almost feel like reaching out and taking Jesus by the hand. Oh, but how Jackie thrills our hearts at New Banklick Baptist. Then we were given the rare privilege to have a solo by our church pianist, Mrs. Katherine Hopperton, whose voice is a gem of gems. She sang, "Great Is Thy Faithfulness," and when she sings you can feel the presence of

the Holy Spirit as He is searching out for all to be His children for eternity.

The evening was climaxed by a surprise group, "The Miss-Fits," composed of Mr. Roy Beach, Mr. Willie Kidwell, Mr. Ray Mercer and Mr. Gene Parker. They were just great! We hope to hear more from these fellows in the very near future. Get ready fellows! The Junior and Youth choir closed our service by singing, "Let There Be Peace." Oh, how wonderful; oh, how beautiful and sweet they were. We can only add, "Thank YOU LORD for all these wonderful and talented and Christian folk who made all this possible."

If your church would like to have an evening of Old Fashion Gospel Hymn Singing then we offer our services free of charge to you. If you would like for us to come on a Sunday afternoon for a couple of hours, then why not call Brother Jim Johnson, pastor, at 356-5538, and let him schedule you now. We serve the Lord and His Churches on a first come, first serve basis. The cost to you, if not over 25 miles if free of charge. God has given us the talent to use for Him, and the buses to transport our people who love Him enough to give of their time talent. We will accept an invitation from most Christian centered churches.

As we write this column this week we are in the midst of Vacation Bible School. Our attendance at this writing was 167. More about it next week.

New Banklick Baptist Church is located along beautiful Banklick Creek at 225 Banklick Road, Walton, Kentucky. You are invited to come and hear good Gospel preaching and singing every Sunday. We preach to please God and not man; we sing to open the hearts of man and not their lips.

New Banklick Baptist Church is a church where friends meet friends and sinners meet Christ. Which ever you are you have an open invitation to visit us any Sunday morning, night or come and pray with us on Wednesday night. (Colossians 3:16).

HOW FREE ARE YOU?
Lesson for July 4, 1971

Background Scriptures: Mark 10:42-45;
John 8:31-42; 1 Corinthians 6:12;
Galatians 5:13-26;
Devotional Reading: Psalms 105:1-12.

There is a lot of confusion about this word "freedom." Take, for example, the confusion of a college freshman whom we shall call "Jim." Upon arriving at college, Jim felt like shouting, "Free at last!" No more would his parents be there to tell him what he could and couldn't do. From now on he would be governing himself.

Called to freedom
Jim found himself doing a lot of things he hadn't been able to do before and this exercise of his freedom had a delicious taste to him. In a month, he was spending a good deal of time with a group of five or six other students from his dormitory at a little bar just next to the campus. As time went on, less and less time was spent in study. By the end of the semester, Jim had been placed on "academic probation." Sitting in the Office of the Dean of Student Affairs, he reflected upon the price he had paid in order to exercise his new freedom. Now the important question was: "Can I break out of this pattern I've slipped into? He had become a slave to his own immaturity."

This was precisely the problem that prompted Paul to write his epistle to the congregation at Galatia. He felt it important to remind them of what they had been called to: "For you were called to freedom, brethren" (5:13). They needed to be reminded that the gospel of Jesus Christ had set them free of exterior control, that they were not intended to remain in bondage to anything or anyone—least of all themselves!

This is the ironic thing about freedom: when we are made free to make our own choices, some of us choose slavery in some other form. So Paul tells the Galatians that God didn't free them from their old pagan lives so that they could live in bondage to either passion or the Jewish law. He set them free so that they would really be free.

Through love be servants
Look at the catalogue of sins he finds among these so-called "liberated" people: immorality, impurity, licentiousness, idolatry, sorcery, enmity, strife, jealousy, anger, selfishness, dissension, party spirit, envy, drunkenness, carousing, etc. If any of the Galatians were subject to any of these, Paul said, then they had traded their freedom for slavery.

Paul does not end with condemning slavery. He shows, however, how a man can use his Christian freedom. Motivated by the power of love, the Christian is set free to choose to serve others. A servant is in bondage to a master. The servant does not serve him because he wishes to, but because he is in bondage.

Not so, however, with the Christian, Paul says. Because he doesn't have to serve anyone, he may choose to put his life in the service of someone who needs it, and if he freely makes the choice himself, even though he serves he retains his freedom. This is what was unique and compelling about Jesus' servanthood: he wasn't forced to serve, but willingly chose to do so. Because the choice was his, his dignity could not be taken away.

Freedom wisely used
Martin Luther has said: "A Christian man is a perfectly free lord of all, subject to none. A Christian is a perfectly dutiful servant of all, subject to all." This is the meaning of Christian freedom: to be able to choose to follow willingly the best that is within us.

How free are you?

It's easy to become enamored of the "woods and templed hills" . . . to fall in love with the "rocks and rills" . . . to hear freedom ringing "from every mountain-side."

But look at the boy in our picture. See him not only silhouetted against a valley in the Great Smokies . . . see him in a Kansas cornfield . . . on a Brooklyn street.

The day has long passed when America could believe that her mountains and prairies were fitting evidence of her greatness.

Even the pride of the historic Pilgrims has little impact on this atomic age.

MEN they make a nation great!

And this boy is one of them . . . young . . . eager . . . ready for destiny.

He's one of the free—yes!

But one of the NOBLE free?

That depends—on the truths we teach him . . . on the Faith we share with him . . . on the part that God, the Author of Liberty, is to have in his life.

RICHWOOD SERVICE STATION MANAGER KIDNAPPED LAST WEDNESDAY; FOUND DEAD SATURDAY, NEAR MONROE, OHIO

The body of Harold Davis, 26, a Richwood service station manager, was found dead about 7:00 a. m., last Saturday by a fisherman near Monroe, Ohio.

Davis was kidnapped from the Standard Oil station on Richmond Road, just West of the I-75 exit, last Wednesday.

Sheriff Roy Wallace said Davis' feet were found tied together with a belt. "It looks as if he had been hanged and possibly beaten and shot," Wallace said. The body was found lying face down in thick weeds near a creek bed. No money was found in his possession, it is reported.

Davis was kidnapped by three or four men in a dark brown, late-model car while working at the station he opened July 18.

Elmer Horstmeier, 61, Cincinnati, working inside an office with mirrored windows, witnessed the kidnapping but thought it was an ordinary transaction at first. However, when Davis climbed into the car and was driven away, Horstmeier called Kentucky State Police. Davis' head had dropped from sight as the car left, he said.

Charles Davis, the victims brother, said Davis had about \$200 on him at the time.

Since the kidnapping, Davis' wife, Judy, 23, expecting their second child in December, and other members of the family had been grimly waiting at the victim's apartment in Crescent Park.

Warren County authorities, where the body was found, said the corpse

had been sent to Dr. Frank Cleveland, Hamilton County coroner, for an autopsy.

Deputy Sheriff Walter O'Brien of Warren County, said Davis' head had been beaten. "There were marks on his neck which may have been made by ropes," he said. "Every inch of his body had marks of some kind. There were burn marks all over, as if he had been tortured with a lighted cigarette."

Deputy Sheriff Jerry Massey, said condition of the body led him to believe it had been there about one and a half days. He said, "My estimate would be that he was strangled. There was a key tied to a string in his right hand. It looked like it was the key to the service station." Massey said Davis was fully clothed in his service station uniform. His wallet was still on the body but empty of cash. It did contain credit cards.

Davis, a husky native of Floyd County, Ky., had come to Kentucky in April, 1971 for training as a Standard Oil manager. He had worked for a time at a company station on Burlington Pike, near I-75.

From 1966 to a few months ago he had worked at Earl's Mobile station in Ypsilanti, Mich. and here is a clue to the whole thing: According to Ypsilanti authorities, Davis, while working there in a service station, had thrown gasoline on several male blacks who attempted to hold up the service station.

Businessmen To Meet Wednesday, July 14th

Because of the closeness of the Fourth of July holiday, the regular meeting of the Greater Walton Businessmen's Association will be moved to Wednesday night, July 14. The meeting will be held at 8:00 p. m., at First Federal Savings and Loan, just South of Walton.

Principal business will be the progress of the Walton Sewer Project.

This will be the last meeting of the summer for the organization, according to Ab Ryan, president, with no meetings scheduled for August and September.

In the meantime, however, the board of directors will be working with the Walton City Council on a presentation to the federal government for additional funds for the sewer project.

Annual Dinner, July 11th

The annual fried chicken and roast beef dinner will be held on Sunday, July 11th at the St. Matthews School at White Villa.

It is given by the St. Mary's and St. Matthew's churches.

Serving will be from 12:00 until 7:00 p. m. The prices are \$1.50 for adults, and 75c for children.

Rev. Al Griesinger hopes to see all his friends at this event. All are invited.

Superintendent to Be Named After July 15

The Kenton County Board of Education will not take action on the appointment of a new school superintendent until after July 15.

This was indicated when Robert Scott, board chairman, said that applications would be received until that time. Those "interested and qualified" should also send him a complete resume of experience and education in addition to other pertinent data.

The post has been vacant since early in June when R. C. Hinsdale resigned. However, he informed the board that he would continue on in the post until a successor was named.

Hinsdale, in stepping down, cited ill health. He was injured in a Christmas holiday auto crash while visiting relatives in North Carolina.

DEDICATION OF CAMP SITE

The new camp area at Big Bone Park will be dedicated on Monday, July 12th at 11:00 a. m., by Gov. Louie B. Nunn.

The public is encouraged to attend.

Heart Attack Fatal To Rev. Hoffman

Rev. George W. Hoffman

Rev. George W. Hoffman, 84, a retired Methodist minister, died last Saturday at Booth Hospital, following a heart attack at his home earlier in the week.

He resided just North of Walton on U. S. 25. Survivors include his wife, Jessie; two daughters, Mrs. W. A. Dealy of Ft. Lauderdale, Fla., and Mrs. Paul Beighle of Walton; two sons, George W. Hoffman, Jr. of Memphis, Tenn., and Roger C. Hoffman of Columbus, Ohio; nine grandchildren, and one great-grandchild.

Rev. Hoffman was well known and highly respected in this area. He first came to Walton as a boy and attended Walton High School. After becoming a minister, he returned with his bride, to be the first pastor to live in the present Methodist parsonage. A number of years later, the Hoffmans returned to the local Methodist Church, and this time he was pastor for nearly seven years. After his retirement, he and Mrs. Hoffman purchased a home here. He had continued active and on June 27 had preached at the Richmond Presbyterian Church.

Brother George was a member of the Walton Masonic Lodge, No. 719.

Services were held at 10:00 a. m., Tuesday at the Walton United Methodist Church, with Chambers and Grubbs Funeral Home, Walton, in charge. Burial was in the Wilmore (Ky.) Cemetery.

One of the best ways to surprise your husband on your anniversary is to mention it.

Food Stamps In Boone

During May, 545 low-income persons in Boone County received food stamps valued at \$13,460, Commissioner of the Department of Eco-

Snyder To Speak At Don Brown Fund-Raiser

Congressman M. G. "Gene" Snyder will be guest speaker for a fund-raising dinner to be held for Don Brown, Florence, who is seeking election to the Kentucky Legislature from Boone County.

The dinner will be held Friday night, July 23, at the Hungry Jack Cateria, Florence. Tickets at \$5 each are available from members of the various Republican organizations in Boone County.

Miss Owen County RECC Is Selected

On Thursday evening, July 1st, Miss Delaina Shumate, 17-year-old daughter of Mrs. Belva Shumate, of Burlington, was named Miss Owen County RECC of 1971. The Beauty Contest was one of the highlights of the 35th annual membership meeting of Owen County RECC. Approximately 3,000 persons attended this year's meeting of the cooperative, which was held at Dry Ridge.

A total of eight young ladies from this area participated in the Beauty Contest. Among other honors, Miss Shumate won an expense-paid trip to Louisville, to participate in the state finals of the Miss Kentucky RECC Beauty Pageant, to be held during the Kentucky State Fair in August. This winner will then represent Kentucky in the national finals in Las Vegas, Nev., next February.

First runner-up in the local contest was Miss Shelly Baute, the daughter of Mr. and Mrs. Elmer Baute, Union.

The annual meeting of the local RECC featured entertainment by Grand Ole Opry singing star, Pat McKinney, along with Bobby Pierce and the Nashville Sounds, a country music group; Bill Brickley and his poodle, Fantasy, and the exciting juggling team of Kirk & Joy.

During the business session, members of the cooperative heard reports on the activities and plans of their cooperative by Manager Marvin Keith; President of the Board of Directors Howard Greene, and Secretary-Treasurer Robert Arthur. In other action, members re-elected to the Board of Directors Howard Greene of Owen County; Robert Arthur, Grant County, and Roy Gray, Campbell County.

economic Security Merritt S. Deitz, Jr., has announced.

This record compares to 633 low-income persons who received food stamps worth \$15,571 during the month of April.

In May of 1970, only 230 persons in Boone County received food stamps at a cost of \$5,678.

Woman Killed In Hit-Skip Accident

A 65-year-old Kenton County woman was critically injured about 3:30 p. m., last Friday, when her car was struck by a hit-skip driver near Simon Kenton High School, Independence.

The victim was Mrs. Gladys Russell, of Dixon Road, Morning View, who died of head injuries at St. Elizabeth Hospital, Saturday.

Witnesses told police that she was southbound on Madison Pike, near the school, when her car was sideswiped by a 1957 to 1969 white Ford attempting to pass. Other details were not learned.

Police were searching for the hit-skip driver who continued south on Madison Pike.

This hit-skip incident involving serious injury was the fourth in Kenton County in less than two weeks.

She is survived by her husband, Edwin Russell; two daughters, Mrs. Wanda Huff of Union, and Mrs. Libby Hiles of Erlanger; three sons, Raymond Russell of Blanchester, Ohio, John Russell of Vevay, Ind., and Ronald Russell of Independence; a sister, Mrs. Minnie Strawser of Howe, Ind., and 13 grandchildren.

Services were held at 2:00 p. m., Tuesday in the Chambers and Grubbs Funeral Home, Independence. Burial was in the Independence Cemetery.

On NKSC Dean's List

Northern Kentucky State College's Vice President for Academic Affairs, Dr. Ralph A. Tessmer, has announced the 1971 spring dean's list. Those named from the Advertiser area and their point average were: Bernard Cornelius, Independence, 3.7; Deborah DeGroot, Morning View, 3.8, and Michael Mullins, Morning View, 3.7.

Health Department Now In New Home

Spacious quarters and conservative but cheery furnishings serve to make the Boone County Health Department's new building an investment worthwhile. The Department officially opened last Thursday in its new location on Woodpoint Road, next to the Nursing Home, in Florence.

The new center has 12 rooms, including an auditorium with a demonstration kitchen, offices, conference rooms, etc.

The staff of the department works in conjunction with the Board of Health and is composed of two nurses, Mrs. Mary C. Cress, who is also acting administrative assistant, and Mrs. Helen Blank; two clerks, Mrs. Carolyn Moulder and Mrs. Goldie Rice; two sanitarians, a nutritionist, and plumbing inspector.

The sanitarians, Robert W. Eybank and Randel E. Ritchie, work to improve the general public health of the county through the local sanitation program.

Activities of the nutritionist, Mrs. Edna Risen, who is in the county one day a week, include follow-up of children referred from pediatricians or the public health nurses, diet consultation services to pre-natal, and follow-up of the children from pre-school clinics.

Joe Abel, plumbing inspector, reviews all plans for buildings and all plumbing jobs in the county. He also issues permits for plumbers and homeowners, in accordance with the State Plumbing Code.

With the opening of the new quarters, there are hopes for the fulfillment of such activities as a continuous educational program for foodhandlers, classes for diabetics, weight control classes, food demonstrations for low income families, and private consultations with patients and nurses.

Agricultural Field Day

The annual Animal Agricultural Field Day will be held at Cold Stream Farm, Lexington, on Wednesday, July 21, beginning at 10 a. m.

You may visit research areas with a total 25-30 individual exhibits. Individual questions may be answered when making the tours in the morning.

There will be a free lunch, sponsored by the RECC, and outstanding speakers in the afternoon.

The Boone County Livestock Improvement Association is sponsoring a free bus to the field day. The bus will leave Boone County High School parking lot at 8:30 a. m. You are cordially invited to attend.

Please call the Extension Office at 588-6101, Ext. 17, by July 13th and make reservations for the bus.

WALTON FIREMEN'S PICNIC, JULY 9 & 10

The annual Walton Volunteer Firemen's Picnic will be held on Friday and Saturday, July 9-10, at the picnic grounds located on High School Court, Walton.

A variety of food will be served, starting at 5:00 p. m. each night. There will be plenty of prizes to be won at the various booths, and there will be cash prizes given each night.

A variety of music will be played by an Independence band called the "Evolutions." They are a four-piece band, including Ron and John Perry, Mike Borne and Rick Hamlin. They have played at the Walton Youth Center and at private parties. Music and dancing will start at 8:00 p. m. each night. Come out and expect a night of good, clean fun.

Unique Feature For New Hinsdale School

Kenton County's newest school, the R. C. Hinsdale Elementary School, Dudley Pike, will have a unique feature on its completion in September, 1972.

Robert Ehmet Hayes, architect, revealed that a ginkgo tree with an 80-foot spread, will be spared and remain standing in front of the building.

Low bids, approved by the Kenton Fiscal Court, indicate the new structure will cost approximately \$1 million.

Five pods will surround a learning center and construction will permit teachers to give more individual attention to students who, in turn, will be able to progress as fast as their abilities permit.

The school is being named for the retiring superintendent.

Highway Improvements

The State Highway Department received bids June 25 for improvement of Boone County roads, as follows:

Bituminous concrete surfacing of three miles of Chambers Road from U. S. 25 to Kentucky 338 (Richwood Road); .7 mile of Eads Road from Kenton County line to the Verona-Crittenden Road, and 1.7 miles from Eads Road to Kentucky Highways 14 and 18.

Announcing the No. 1 tune of the bureaucrats' hit parade: "I want to hold your hand out."

Ice Cream Social July 10

An ice cream social will be given by the Loyal Workers Class at the Independence Christian Church on Saturday, July 10, from 5:00 until 8:00 p. m.

There will be homemade ice cream, sandwiches, cake, coffee and soft drinks.

Come out and enjoy your supper with us, a member said.

PLAN NEW BANK IN CITY OF FLORENCE

The Boone County Planning Commission has granted a permit for the construction of a new bank at Florence.

Boone State Bank is to be built at the intersection of U. S. Highway and Industrial Road, which is just East of I-75.

The developers, R. C. Durr, Frazier Escue and Gene Kelly, also proposed building a Ramada Inn near the bank. But the hotel construction is blocked by Florence's moratorium on multi-family dwellings.

The commission granted the developers a permit to operate the bank from a mobile office for six months until construction is completed.

Home Canning Program To Be Given July 13th

A program on home canning of fruits and vegetables will be given Tuesday, July 13, at 9:30 a. m. in Conner Junior High School Home Economics Department. This meeting will be presented by the Boone County Extension Service with Mrs. Nancy Norman and Mrs. Mary Hood Lutes doing the instructing.

Food spoilage, selection of produce and equipment, using both the pressure and water-bath canner, and standard for home canned foods will be discussed.

The public is invited to attend. Home canning of fruits and vegetables is enjoying a revival of interest. Canning practices are constantly being tested, improved and simplified to perfect the money saving, self satisfying art of processing foods at home.

Waitress: Shall I cut your pizza into eight or 16 pieces? Customer: Make it eight, I don't think I can eat 16.

See and hear the Southern-Aires Quartet of Dayton, Ohio, at the New Banklick Baptist Church, 225 Banklick Road, Walton, on Sunday, July 11th, morning and afternoon. Bring your lunch and enjoy the fellowship. Lunch will be served at 1:00 p. m. The afternoon session will start at 2:00 p. m. You are invited to be present.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

COUNTY AGENT'S 1/2 ACRE

—by—
JOE CLAXON

If sometime you should come across a huge, greenish-colored grotesque looking insect staring at you from a bean vine in the garden or taxus bush on the lawn, don't panic or race for some kind of a swatting weapon.

More than likely, this great bug will be a praying mantis and won't hurt you at all; rather, it will help

you fight off insects that will do you harm.

Insects brought in from other countries are usually undesirable. The Japanese beetle, European corn borer, and Oriental fruit moth are good examples of alien immigrants that have become serious pests. Occasionally, however, one comes in from foreign shores that has beneficial habits and is worthy of naturalization. Such is the praying mantis which came to us by accident from China.

Brought in on nursery stock, the Chinese praying mantis was first discovered in the 1890's in the neighborhood of Philadelphia where it thrived and became a credit to the community. Since that time it has been distributed to various parts of the Nation, both by acci-

idental shipments and artificially. Although grotesque and sometimes reaching a length of six inches, the mantis, colored with greens and browns that harmonize with the vegetation, is still an attractive and fascinating creature.

The head, which is free, is moved about in a most comical manner, forming inquiring poses and watchful attitudes, ever alert for victims.

Like most other predatory creatures, it will remain motionless as a statue for hours with its toothed forelegs elevated over its head like a saint engaged in prayer. But let a careless grasshopper, moth or some other bug pass by and these cocked legs flash out with the speed of a striking rattlesnake and soon the victim is no more.

The manner in which it holds these spined front legs raised to heaven has been misconstrued by superstitious peoples the world over. This attitude, really one of menace, has been mistaken for that of prayer.

In reality, the mantis is anything but prayerful. Actually, it is a treacherous, merciless and ferocious creature—a cruel, pitiless destroyer, even of its own kind. But with man, it is gentle and can actually be made into an interesting pet. Also, inasmuch as its food consists of many of the more destructive insects, it is a great benefactor of man. It has been said, and not without justification, that a mantis in the cabbage patch is worth a pint of insecticide.

WALTON LOCALS

Ted Locke of Alta Vista, is a patient in Booth Hospital, following a heart attack at his home last Thursday.

Sgt. Richard Clements, who is stationed in California, is visiting his parents, Mr. and Mrs. Lloyd Clements of Alta Vista.

Mr. and Mrs. James Lawrence and son, Randy, were the Thursday night dinner guests of Mrs. Marjorie Smoot and daughter, Charlotte, of Florence.

Mr. and Mrs. Elmer Seng and daughters and Rita Berlemeyer spent last week camping at Butler Park, Carrollton.

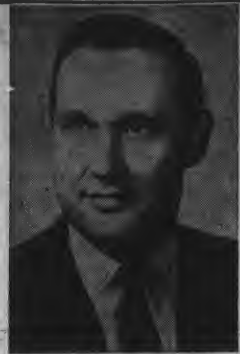

BIRTHS

Born to John and Shirley Jones of 46 North Main St., Walton, a daughter, at 1:45 a. m., July 3rd, at St. Elizabeth Hospital.

Nothing makes the Women's Lib movement look more like a lost cause than those hundreds of wedding pictures appearing in papers, each radiant bride eager to take on a man's name, his laundry, his children and possibly even his support.

July 4-It's Not All Fireworks

•
by
M. GENE SNYDER
U. S. Congressman

•

The anniversary of the adoption of the Declaration of Independence by the Continental Congress, July 4, 1776, is the greatest secular holiday of the United States that is observed by American citizens.

In recent years there has been a general tendency to shy away from celebrations of national accomplishment. In fact, we are too busy to spend much time in the practice of national pride. Periodically, however, we are obliged to survey what we and our forefathers have done. One of the few occasions for display in America is the FOURTH OF JULY—a day of historic significance throughout the world.

There are those of cynical nature who tend to look askance at such a celebration; to regard it as a reflection of the dead past, and to scoff at patriotic sentiment. They think they are superior beings with better things to do than sing our national anthem.

PTA CONFERENCE.

The Kentucky Parent-Teacher Association's Annual Leadership Conference will be held July 20-21, at Eastern Kentucky University in Richmond.

Mrs. Clifford Martin, president, and Mrs. Elmer Price, Jr., treasurer of Piner Elementary School PTA are planning to attend. Any interested member from the Piner PTA who would like to attend, please contact Mrs. Martin at 356-9229, or Mrs. Price at 359-4474. The cost of the room per night is \$2.00, and meals are available in the cafeteria at student rates.

The sessions begin July 20 at 2:00 p. m. and adjourn at 12:00 p. m., July 21.

America's accomplishments are many and there should be a spiritual regeneration of our independence every FOURTH OF JULY. How, after all did we win our independence? Was it handed to us on a platter? Was it stolen while somebody's back was turned? On the contrary, we won it against heavy odds and by honorable means, and in so doing, set a pattern for democratic progress throughout the world. Moreover, we—as a republic—won it while

proclaiming that a new kind of Government would result—and the remarkable thing about this was not the promise, but the fact that the promise was kept. On all too many occasions, the revolutionary leaders of recent years are concerned in the welfare of their people only so long as they are leading the fight to overthrow the Government. Witness Fidel Castro, right off our American shores. Once in power, they frequently take on all the bad characteristics of those they replace. In the American Revolution that was not the case. Instead, a Republic was born.

It might have been well for all Americans to have celebrated the Fourth by reading the Declaration of Independence and the Constitution as a part of the Independence Day celebration in view of some of the distortion and dissension in recent times.

We should know the glories of our American heritage, but not rest on our laurels. We should reverse the historic past, but win the future. Thrill to the exploits of our patriotic and national heroes but every one of us should contribute his own skill and efforts to the continued progress of America and the preservation of our Republic.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

Friday, June 25, 1971, was a very hot day. Clouds were starting to form in the heaven above. Threats of a long-awaited and much needed rain were in the making. As the pastor of New Banklick Baptist Church stood outside passing out the cold ice cream bars to everyone who came by, a young lady sidled up to him and with a voice choked back by tears asked him, "Brother Jim, is it over?"

"Yes, my dear," came the reply, "I'm afraid it is."

Then came a tug at his pants leg by a young lad who too was not able to comprehend that this was the last day, and being a little shy, looked to see if anyone was watching, then in a low voice asked, "Preacher, can we come back next week?"

"No, son, this is our last day for this year. Maybe next year things will be different, and you can stay longer," replied the pastor who,

too felt like choking back tears as others gathered around to ask questions, and to receive their ice cream bar.

What was the sad moment all about? Our Vacation Bible School had come to a close for another year. Only this year, as with many other churches in our area, we had only five days of school. Our boys and girls had such a great time this year. Things were much smoother this year. We had eliminated a lot of unnecessary things to give the children more Bible teaching and less playing and running around as was the case last year. And we are happy to report that these children seemed to have learned more about the Bible and missions and their church than before. We only wish that we could have gone ten days with more Bible study, but when your workers are few and the children are many, then something must be eliminated, and so one week became the victim and the children the losers. Must we fall prey to one of the greatest enemies of Christianity—time and lack of interest to teach the children about God, His Son Jesus Christ,

and His Word the Bible? Let us be much in prayer for better Vacation Bible Schools in all of our churches in this land next year. (Matthew 21:22).

Our report is graciously submitted for your consideration: We had a total of 201 enrolled, with an average daily attendance of 163, giving the percentage of daily enrollment to attendance of 86.56%, compared to 71.5% last year. There were 15 decisions made by our boys and girls in their relationship to Jesus Christ. Our mission offering for the week was \$77.69, against \$68.52 last year for five days. We had an attendance of 193 for Parent's Night, on Sunday, June 27, which was higher than last year, which was 178. This was the first year that we went into the new grading system which worked famously and gave us ample space for the first time. We tried using our youth from ages 15 up as helpers in our first four grades, and we are so pleased with them that we will use more of them next year. They proved to be such wonderful workers with the children, and all the children loved them to no end. We just cannot praise these enough.

Our perfect attendance roll looked like this:

Pre-School Division (3, 4 and 5 years old), Steven Schneider, Todd Wagner, Duane Gray, Stanley Parker, Matthew Switzer, Amy

Sunday
reservations

Thursday we breakfasted in Paris and then had a business lunch in New York. On Friday, we joined a conference in San Francisco. With the new space-age technology, we feel so free, as though we have conquered time and distance and everything.

Well, maybe not everything!

You know some things can't be answered by better machines. So, wherever we are, we go to church on Sunday. How about you?

We appreciate Dr. George Jones, Executive Secretary and Treasurer of our Northern Kentucky Baptist Association, for talking to our boys and girls on Thursday about Kentucky Baptist and what they have done, are trying to do, and will do, and he challenged all of us to give our all to Jesus Christ and the Great Commission.

Truly this has been a great school and God has richly blessed us in every way. (II Timothy 2:15).

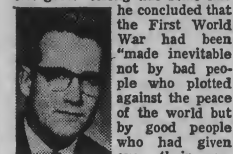

THE PROBLEM WITH GOOD MEN

Lesson for July 11, 1971

Background Scriptures: Deuteronomy 17:14-20; Judges 9:8-15; Mark 12:1-17; Romans 13:1-7; Timothy 2:1-6. Devotional Reading: Romans 12:1-13.

Reinhold Niebuhr, the great American theologian, once noted that "not much evil is done by evil men." To the contrary, "most of the evil is done by good people who do not know that they are not good." Along this same line

Rev. Althouse science into the keeping of their various political groups.

The problem with "fatness"

Niebuhr was commenting on the tragic tendency of Christians to "leave politics" to others. Many of the failures of our society can be attributed to a failure of Christian citizenship. All too often we have been content to live our complacent lives quite indifferent to rendering any more to "Caesar" than we have had to.

This is the meaning of the parable which Jotham tells in Judges 9:8-15. The occasion of the parable is a crisis in the life of the Hebrew confederacy, Gideon, the great man of God, is dead. One of his descendants, Abimelech, an evil man, has successfully plotted the deaths of almost all Gideon's other descendants. Ruthlessly, he seizes power for his own selfish aims.

Jotham, one of the few of Gideon's other descendants who escapes, tries to rally the good but indifferent men of Shechem. Abimelech's tyranny is possible, he realizes, so long as the men of Shechem fail to respond to his challenge. So he tells them a story of how one time the trees sought a king. Going first to the noble olive tree, they ask: "Reign over us" (Judges 9:8), but the olive tree responds: "Shall I leave my fatness, by which gods and men are honored, and go and sway over the trees?"

Unfortunately, the olive tree loved its prosperous existence and did not want it disturbed for the sake of exercising responsibility. The same was also true of the fig tree and the vine. Thus, because the capable trees refused to rule, the trees in desperation turned to one who was not fit to rule, but at least willing: "Then all the trees said to the bramble, 'Come you, and reign over us!' (9:14). And the least capable tree of all became the ruler."

Tyranny doesn't "just happen"

One of the things that this parable should teach us is that poor government, corruption, and even tyranny do not "just happen." We find ourselves ruled by evil men, very often, not because they have waged a campaign to seduce us, but because we have actively (not passively) allowed them to fill the vacuum of leadership in our communities and nations. In the parable, the bramble bush did not seek to become king; the trees turned to him because the capable trees could not be bothered with the responsibility.

The problem with good men, all too often, is that they sit back and leave the world to those who are not good.

Trotling Tips

A favorite and rewarding procedure for taking fish, especially in summer months, is trotling.

This has been a highly productive method of catching certain species down through the years and is extensively used by many commercial and sports fishermen.

There's a knack about trotling that is necessary if the fisherman is to be successful. There are those who think the procedure is simply to attach a number of to a line, stretch it across a body of water and come back to the baited hooks to remove strings of fish. Not so.

Much skill is involved in properly rigging, setting and fishing a trotline. There are regulations governing the setting of trotlines and the operator must also be acquainted with these laws. The skill of an expert trotliner is admired by his fellow fishermen.

As for the laws: A person may fish not more than two trotlines, of not more than 50 hooks each under the provision of a sports fishing license. The hooks must be at least 18 inches apart, but can be farther spaced as desired. Under the provisions of a commercial license the fisherman may fish any number of trotlines that may contain as many hooks as he desires but no hooks may be spaced less than 18 inches apart.

Other rules: Trotlines must be "run" at least every 24 hours and lines must be removed from a body of water. Trotlines may not be set within 200 yards below any lock and dam. Game fish cannot be harvested from commercial lines.

Sports trotline fishing offers lots of entertainment and good results to a number of fishermen. They are dedicated in their endeavors and are elated at taking a nice string of catfish from a river on their favorite trotline as is the bass fisherman when he harvests a fighting smallmouth.

The line takes a little time to make. It is made of staging or nylon, with the hooks usually dropped from the main line at a distance of about 1 inch. The ends of the line are fastened to an overhanging tree limb or root and the line stretched fairly tight, depending on the water, to another anchoring point.

The hooks have already been placed on the line when it is set. Then the fisherman will bait the book to coincide with the quarry's menu.

At times minnows will be used, at other times crawfish; sometimes liver is chunked onto the hooks, and one of the better baits is small bluegill hooked so they continue to swim about. The harvest most likely will be catfish,

buffalo, white perch (drum), or carp and occasionally a game fish, which the sports fisherman may keep.

Before the line is baited, it is weighted with small rocks so that it will ride at the desired level. A mousetrap move to hold up the line to the desired level, is attained by attaching capped cans or bottles to the line for balance.

Usually the trotliner will bait his lines in the afternoon or right after dark and if he is ambitious he will run the line again about midnight and often will take off many fish at this time. The third run comes at daylight and this can be a most enjoyable part of trotling.

Commercial trotliners are much more adamant in their efforts,

Firemen's Picnic Is Well Attended

The Walton Volunteer Fire Department and the Ladies' Auxiliary held their annual picnic last Friday and Saturday evenings at the firemen's grounds on High School Court, Walton.

The weather was not the best, but good crowds turned out, and the affair was quite a success.

A little bad seems to go along with any good, and the firemen are no exception. Sometime Sunday night, the door to their storage room was unlocked and eleven cases of beer were taken. Four cases were found just outside the building Monday morning.

Lots of prizes were given away and on Friday night, the winners were: Jack Norris, Walton, \$50.00; William Jansen, Erlanger, \$25.00; V. J. King, Walton, 2 free games of bowling at Walton Bowl; Ed Vodicka, Independence, 10 gallons of gas at Mike Vest's service station.

Saturday night's lucky people were: Chester Ryan, \$100.00; A. N. Rogg, Dayton, Ky., \$50.00; Gert Connelly, Crittenden, 10 gallons of gas at Mike Vest's service station; Rose Dawalt, Florence, three free games of bowling at Walton Bowl; Marjorie Schaefer, Walton, pair of rabbits, given by Mr. and Mrs. Tepe; Robert Blackwell, Cincinnati, pair of rabbits, given by Mr. and Mrs. Tepe; Mary Jane Nie, Independence, grease job and an oil change, Russell McCord's 76 service station.

Chief Charles Worthington said, "We, the firemen and Ladies' Auxiliary wish to thank each and everyone who helped us in any way at the picnic (before, by donations, ads, work) and at the picnic for help of any kind."

"As usual we acted as rain makers, which hurt the picnic proceeds, but we hope to have a one-day stand at a later date. So, stay with us and we'll be able to keep fighting your fires and making the squad runs. Thanks again!"

Walton OES To Meet

Walton Chapter, No. 161, OES, will hold its regular monthly business meeting on Monday, July 19 at 7:30 p. m. in the Masonic Hall.

At this meeting the Worthy Grand Matron will make an official visit to the chapter.

All members are urged to be present and visitors are cordially invited to attend. Refreshments will be served.

Some Signs of Drug Abuse

Following are a few of the signs that may indicate that a young person could be abusing drugs or using narcotics. While these symptoms are not proof of drug abuse (most could occur for several other reasons), they should serve to alert parents and friends that a problem may exist. If you're not sure, talk with your family physician:

Redness and watering of eyes—glue sniffing.

Running nose—heroin, morphine or cocaine.

Red, raw nostrils—sniffing of cocaine.

Constant licking of lips to keep them moist, resulting in chapped, raw lips—amphetamines.

Dreadful loss of weight—heroin or opium.

Profuse perspiration and body odor—amphetamines.

Long sleeve garments worn constantly to hide needle "tracks"—heroin or methedrine.

Sunglasses worn at inappropriate times and places hiding dilated pupils—LSD.

Staggering, disoriented—barbiturates.

FAMILY REUNION

On Monday, July 5th, Mr. and Mrs. G. Wayne Bridges entertained some 35 relatives and friends in their home on L.L. Highway, Independence, with a delicious basket dinner. Those present to enjoy the day's festivities were:

Mr. and Mrs. H. G. Bridges, Sherrill, Dan and David, and Mike McGargue, Mr. and Mrs. Arde

HEAD START TO BEGIN JULY 19th

Classes in the Northern Kentucky Head Start program will open July 19 in Boone and Kenton Counties, according to Mrs. Annetta Bryant, director.

The \$200,000 program for low-income pre-school children is sponsored by the Northern Kentucky Community Action Commission.

Thirty children will attend two classes at All Saints Church in Walton, and 80 children will be in four classes at the First Christian Church in Covington.

There are a limited number of vacancies to be filled, Mrs. Bryant said. Eligible families may apply at the Head Start office, 128 East 11th Street, Covington, or call 581-6607, extension 62.

Mrs. Bryant was appointed local Head Start director May 1.

Revival Services at the Goshen Christian Church

There will be revival services at Goshen Christian Church on the Bracht-Road, beginning on Sunday evening, July 18 and continuing through Saturday evening, July 24, at 7:30 each evening.

Rev. Tim Humphries, pastor of the Church of Christ, Nicholson, is to be the evangelist. There will be special music each evening with singing groups from Cincinnati, Covington and Independence.

The minister, Rev. Marshall Hills, extends a cordial Christian welcome to all.

Southern States To Meet On July 22nd

Election of local Advisory Board, Farm Home Advisory Committee members and operations reports will highlight the Southern States Cooperative's Annual membership meeting for the Walton area, on July 22, at All Saints Church Recreation Hall. The meeting will be held at 8:30 p. m., EDST.

Ralph E. Curry, Verona, will serve as chairman of the local meeting. The Rev. Harry Tenhundfeld of All Saints Church in Walton, will give the invocation.

Local operations and services will be discussed by Christopher C. Combs, manager of Boone County Farm Supply.

George W. Stewart, Lexington, a member of the cooperative's regional staff, will report on the overall Southern States operations for the fiscal year, which ended June 30. There will also be a 15-minute color movie.

Another meeting feature is an audience participation quiz, designed to test participants' "Cooperative Intelligence Quotient" or knowledge of Southern States Cooperative.

There will be a ceremony honoring new board members at which they will receive lapel pins. Retiring board members will be presented the cooperative's Leadership Award in recognition of their services.

Nominees for the local Advisory Board for the Walton area are A. J. Lunsford and Robert Northcutt of Morning View, Kenny Bach of Walton, and Robert Kelly of Crittenden.

Ladies nominated for the Farm Home Advisory Committee are: Mrs. E. J. Coyle, Jr., Mrs. Joe Jones and Mrs. Delbert Messmer, all of Verona, and Mrs. A. L. Reed of Crittenden.

The session will also include the presentation of Cooperative Service Awards to Boone County Farm Supply.

Tungate, Mrs. Blanche Harker, Mr. and Mrs. Lloyd Bridges, Mr. and Mrs. George W. Campbell, Michael and Kim Sue, Mr. and Mrs. Don Whaley, Diane, Janice, Jeffrey and Dawn Ann, Mr. and Mrs. James Havey, Joey, Jimmy and Shannon Kay, and last but not least, the host and hostess and their children, Galien, Jody, Glen and Greg Bridges.

Governor Wants A Big Bone Museum

A glowing picture of Big Bone Lick State Park as a historical site of national importance was painted Monday by Gov. Louie B. Nunn who dedicated 62 new campsites and a central service building at the park.

The state is "fully committed to making this a first-class park," the governor declared in his talk at the Boone County site.

Big Bone Park, he said, is "vital in our plans" for 1974 when the state will observe the 200th anniversary of the first permanent settlement and the 100th running of the Kentucky Derby.

He said, "we are making plans to build a modern multi-million dollar museum in which the fossilized remains of Big Bone Lick's prehistoric visitors can be properly kept, viewed and studied."

"I have directed the Department of Parks to use whatever is necessary to bring back to Kentucky the fossil bones that have been removed," he added.

Mr. Nunn pointed out that the National Park Service recently designated Big Bone as a national historical site, which makes it eligible for federal aid.

In the next few weeks, he said, he would meet with U. S. Secretary of the Interior Rogers Morton "and give him the opportunity to share in the funding of an expansion program that can make this park one of the finest in America."

By early fall, Nunn said, replicas of two of the Lick's prehistoric visitors—bison and mastodon—will be delivered to a temporary museum.

And the state, he said, has just matched a \$66,000 federal grant to acquire 305 more acres of land to add 348 campsites, a swimming pool, 12 central facilities, a nature center and other attractions.

"I visualize Big Bone as Kentucky's most vital tourist magnet," the governor said.

SOCIAL AT ALL SAINTS

The monthly social will be held on Saturday, July 17, at 8:15 p. m., at the All Saints School, Walton.

LOCAL AIRPORT HAS A NEW MANAGER

A new man took over the controls at the Greater Cincinnati Airport in Boone County, last Friday.

He is Barry S. Craig, 40, aviation director at Cox Municipal Airport, Dayton, Ohio, since 1966.

Craig took over a gargantuan and difficult job at the airport. He'll be key man in building a planned \$27 million terminal expansion program soon to begin. In addition, he is in charge of the everyday operation of the sprawling airport.

He is a native of Columbus, Ohio and grew up in Cakumet, Mich. He served in the Air Force during the Korean War.

Open House July 18th

There will be open house for Leslie Beagle, who will celebrate his 87th birthday, at the home of Edith Meneese, from 2:00 to 5:00 p. m., Sunday, July 18. All friends and relatives are invited to attend.

Service Station At Richwood Reopened

The Richwood service station where kidnap-slaving victim Harold Davis was manager, reopened for business Thursday of last week.

Larry Robinson, Hebron, is the temporary manager of the station. He formerly was assistant manager at the Burlington Pike Standard Oil Station, Florence.

The Davis family was freed of the station's lease by Standard and the business is being operated by the company, said Ben Abbott, Standard Oil sales representative in Covington. "It probably will be some time before a new dealer takes over," Abbott said. "When someone does decide they want to lease the station, they will have to go to training school, and that takes a couple of weeks."

"Nobody in the Davis family wanted to keep the place, so right now Larry Robinson is in charge."

The Davis family went back to Floyd County (Ky.) and Michigan. Abbott added, "We're just going to keep it open until somebody else decides to lease it. And we will be open 24 hours a day."

Dog Licenses Past Due In the State

Dog licenses were due June 30, 1971 on all dogs over six months old, regardless of what kind they are, whether kept in the house, in kennels or outside, according to Kentucky State Law.

There is still some confusion in Boone County as to where licenses may be obtained since this year, for the first time, they are not being sold at the Sheriff's Office. They are being sold at Denham's Drug Store, in Florence; Ryan's Hardware, Walton, and by the Dog Warden. Or simply send a check (\$1.50 per dog) and an 8-cent stamp to the Boone County SPCA, Box 154, Florence, giving your name and address, your dog's breed, sex, markings and name. Your license will be promptly mailed to you.

Kennel license costs, \$10.00 for up to 10 dogs, and \$15.00 for over 10 dogs.

There will be no penalty for buying license tags late, although according to the Kentucky Dog Law, "Any person failing to license their dog or dogs are subject to a fine of not less than \$5.00 and not more than \$100.00 or be imprisoned for not less than five and more than 60 days or both so fined and imprisoned."

If your dog is lost, wearing his current tag, he can be easily traced by the number and returned to his owner. Without a tag, he appears to be a stray and his chances of getting back home are much less. No unlicensed dog can be protected under the Kentucky Dog Law. No livestock damage claim can be paid to the owner of an unlicensed dog.

Summer Executive Council Meeting

The summer Executive Council meeting of the Simon Kenton FFA was held June 24th at the RECC Building, Nicholson.

Nine members, the chapter advisor (Mrs. McElroy), and chapter mother (Mrs. Lawless), were present.

The meeting began with the 1971-72 president, Marsha Lawless, presiding. Business was discussed, dates were set, and decisions were made so that when the Fall term starts the FFA can swing into action without delay.

Boone Tax Rate Same This Year

The Boone County Fiscal Court has adopted the same county property tax rate this year as last—17.7 cents per \$100 valuation.

But despite the rate, the county hopes to pick up an additional \$44,286 in tax revenue this year.

This will come from growth (the difference between the 1971 assessment and the 1970 assessment).

Boone's total assessment this year topped \$300 million for the first time—the actual figure being \$300,566,502.

This is \$25,020,279 more than last year's total assessment which totaled \$275,546,223.

This year's leveling of the county tax rate comes after three successive years of tax cuts as a result of Kentucky's rollback law.

But a new law which went into effect this year allows schools and counties to tax all growth in assessments at their previously existing rate.

Junior Bowl Honor Roll

The Junior Bowl Honor Roll at Walton Bowl, Saturday, July 10th were: Kenny Rich, 316; Bobby Joe Glenn, 306; David Mastin, 315; Ernie Arnold, 313. The Junior Bowler of the Week was Jeff Amer, 439.

Walton Softball Results

On June 28, All Saints defeated Walton Baptist, 35-2; Richwood won out over the Methodists 14-10 in a very exciting game.

On July 6, Walton Christian went against All Saints with the Saints winning 31-1. In the second game Walton Baptist downed Richwood 25-18.

On July 13, Richwood played All

All Saints Annual Festival

The All Saints Annual Festival will be held Saturday, July 31 and Sunday, August 1.

There will be a chicken or roast beef dinner on Saturday with serving from 4:00 to 7:00 p. m. and on Sunday from 12:00 until 7:00 p. m.

There will also be booths, rides and refreshments. The grounds are located on Needmore St., Walton, with plenty of parking.

Utility Co. Asks Official

Views On Power Line

The East Kentucky Rural Electric Cooperative Corporation is seeking views of Boone County officials on the routing of a power line through the Big Bone area.

The Co-op submitted maps with alternate routes plotted to Boone Fiscal Court for comment and recommendation.

The Fiscal Court referred the matter to the Boone County Planning Commission.

The maps were turned over to the commission engineer, William L. Clark, for study and a report at the next meeting.

Neighborhood Youth Corps Cleaning Town

By Roscoe Denney, Foreman

The Neighborhood Youth Corps is a federal government program and is a division of the Community Action Commission. It is designed, primarily, to enable young people to earn money for school. Unlike the Youth Opportunity Program, which was established for high school dropouts only, the NYC employees must presently be enrolled in school. They range in age from 14-18.

Our program here is one of many in the Northern Kentucky area, but is one of only two in the Boone County or other rural areas. Work began for local Walton and Verona employees on June 2nd. Each worker is entitled to a maximum of 212 hours and the program will end approximately the last week in July.

These employees are paid thru governmental funds.

The City of Walton supplies the work and has chosen numerous jobs to help beautify our city. These numerous jobs include the sweeping of streets, clearing area around the lake for picnics, policing the firemen's picnic grounds, and picking up trash along the roadside.

Four of the workers are receiving valuable experience in working with the Water Works Department. Three others are receiving bookkeeping and accounting experience while working at the City Building.

Although its primary purpose is to serve as a source of income NYC does have other obligations. Among these obligations are to develop an awareness that our town and our country needs to be and must be kept clean, to install a sense of appreciation for the beauty of our land, and to establish a concept of economics thru a savings program.

The NYC employees wish to thank all those people who have been so kind to them throughout the summer. Special thanks go to those who bought soft drinks and lunch for them.

FAMILY REUNION

A reunion of the Washum family was held Sunday, July 4, at the home of Mr. and Mrs. George Washum, Bramlage Road, Walton.

All enjoyed plenty of home cooked food and games were also enjoyed by all as well as reminiscing about the many things that had happened.

Those attending were: Mr. and Mrs. Claude E. Washum and family, Mr. and Mrs. Paul Ryan, Mrs. Blanche Ryan and family, and Elbert Washum, all of Verona; Mr. and Mrs. Rodney Renaker and family, Tommy Stephens, Johnny Lovelace, Mr. and Mrs. Russell Baker and son, and Mr. and Mrs. Herman Allen, Jr. and sons, all of Union; Mr. and Mrs. W. S. Johnson and family of Russellville; Mr. and Mrs. Guy Weatherhold, Fern Weatherhold, and Marie Weatherhold and son of Ashland; Janet Deck and daughter, and James Pope of McVillie; Arnold Riddle, and Mrs. Dave Wright and son of Covington; Frank Ryan, Mr. and Mrs. Bill Willett and family, Mr. and Mrs. Donald Courtney, Anna Riddle, and Mr. and Mrs. George Washum, all of Walton, and Darrel Lewis of Colorado.

Saints and the Methodist played the Baptists. See next week's paper for results.

The crowds are growing each week, so how about being on hand next week? All this action takes place in the Walton Women's Softball League.

Worried about disposing of leaves and grass clippings? Save yourself the cost of a city sanitation bill and gain a valuable organic source as well. This year, build a compost pile. Your garden will benefit from compost. It improves the soil, and makes the finest of plants even better.

Compost is easy to make. All you need is organic matter, soil, and fertilizer. The most common organic matter sources are leaves, grass clippings, weeds, garden refuse, and manure. Special additives usually don't help much. Fertilizer will speed up composting more than anything.

Build the compost pile in an out-of-the-way section of your back lawn or in the corner of a vegetable garden. For best results, locate the pile in a shady spot, but not directly under a tree, as its roots may grow into the pile. Make an open-end bin box or box—3 to 5 feet wide, 3 to 4 feet high, and any length—to hold the compost. Build the box with wire fencing supported by posts, boards or masonry materials can also be used.

To make the compost, pile alternate layers of raw organic material, fertilizer, and soil. Start with organic matter, 6 inches deep if the material is fairly solid, or 12 inches deep if it is loose. Add water if the material is dry. Next add fertilizer. For general use compost, add 10-10-10 or 16-6-4 analysis fertilizer at the rate of 1 1/2 cups per bushel of compact organic matter, or 5-10-5 at the rate of 2 1/2 cups per bushel. Also add two-thirds cup of ground dolomitic limestone per bushel of organic matter. If making compost for acid-loving plants, such as azaleas, rhododendrons or holly, fertilize with three-fourths cup of ammonium sulfate or one-half cup of ammonium nitrate, and omit the dolomitic limestone.

After the fertilizer, add a one-inch layer of soil. Continue to alternate layers of organic matter, fertilizer and soil, until the pile is 3 to 4 feet high. It should be slightly lower in the center for ease of watering. Complete the pile with a layer of soil on the top and sides.

Keep your compost moist but not soggy. No offensive odors will result providing the pile is kept moist and a layer of soil is on the top and sides. Turning or mixing the pile is not necessary if it has been built in the manner described. Allow it to stand undisturbed for one full summer before it is used. For a continuous compost supply, make more than one pile.

Confidence in the government means going ahead and sending a deposit for vacation reservations before your income tax refund comes through.

APPENDIX A—STATEMENT OF NONDISCRIMINATION

Owen County Rural Electric Cooperative Corporation has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

"Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder, may by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations."

Economy & Ecology

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

A lot has been said and written, and a lot has been done in the past two years—here in the Congress—to begin the long overdue job of cleaning up our environment.

Kentuckians, and indeed Americans, want clean air, clear rivers and streams, and clean lands and parks. In order to make all this possible, new laws are required. The cleaning up of the environment has been considered so important in the past two years that of the 695 bills signed into law during the last session of Congress, 121 of them—or one out of every six—were environmental bills.

As an advocate of improving the environment, I note that one of these major new laws resulted in the creation of the new Environmental Protection Agency. This was designed to consolidate dozens of agencies dealing with pollution and solid waste management, pesticides, radiation hazards, and noise abatement. I am hopeful that this consolidation will achieve efficiency, eliminate duplicity, and bring large revenue savings to the taxpayer.

Other legislation includes the National Environmental Policy Act establishing a council of environmental engineers. The Clean Air Act contains some of the most comprehensive and tough environmental action to pass through the Congress. American automobile manufacturers will be required to have 90 percent less carbon monoxide and hydrocarbons by 1975.

The Resource Recovery Act authorizes research on safer pesticides.

It must be remembered that cleaner environment doesn't happen overnight, nor can all the causes of air and water pollution be brought to an immediate stop. Pollution has been going on for many years, and it will be years before the environment is as clear and healthy as we all want. The cost of cleaning up the environment has been estimated at around \$71 billion over a five year period. What we want could be different from what we are willing to pay in both inconvenience and dollars. Unknown to many who seek immediate solutions right now, this will probably mean, "Look out for a collision involving economy and ecology."

Ready for those hot, humid days of summer? Maybe you are—but how about your food? You need to consider extra precautions, and storage plans for perishable foods in the summer time.

First, remember (and tell the children) to shut your refrigerator door—promptly. Often it is left open while someone thinks, and possibly decides, what they wanted from the refrigerator in the first place. Average temperature in the general storage area of the refrigerator should be 38 degrees to 42 degrees Fahrenheit according to the U. S. Department of Agriculture. Proper refrigerator temperature is one safeguard for your food—and your health.

If you store bread in the original wrapper in the refrigerator you will protect it against mold. If you plan to buy several loaves at one time they'll keep their quality for two to three months if stored in your home freezer.

Don't buy extra flour or cereals in the summertime. But always keep them in tightly covered containers and inspect often for weevils. Always check on your spices and sugar too. They also need to be in tightly covered containers.

If you've opened a jar of mayonnaise keep it in the refrigerator. Remember to do the same with jams, jellies and even cooking oils and peanut butter.

Some other hints on storage:

Before storing vegetables you should check and see if there are any bruised, soft or decayed ones. Only store vegetables in good condition, because partially decayed ones can ruin several if stored together.

Did you stop at the fresh fruit stand and buy several boxes of strawberries? Strawberries should remain whole and uncovered in the refrigerator until ready to use. Washing and stemming them immediately may result in loss of food value and increased spoilage. According to USDA, fresh strawberries should be prepared and used as soon as possible—or within one or two days—for best flavor and food value.

If you've purchased ham, frankfurters, bacon, bologna or smoked sausage, you can just put them in the refrigerator in their original packaging.

CARD OF THANKS—

The family of Mrs. Pauline Spegal wishes to thank all neighbors and friends for their kindness shown during her death. We especially want to thank Bro. Cloe and Bro. Gerald Bishop for their consoling words.

SPORTSHORTS

The Cincinnati Reds swept a 4-game series from the New York Mets last week, before taking a break for all-star game.

Members of the Reds chosen for the all-star game were John Bench, Clay Carroll, Pete Rose, and Lee May, with Sparky Anderson managing the National League.

Pete Rose has hit in 15 consecutive games.

Wayne Granger, pitcher for the Reds, hit his first major league home run last Friday night.

Tony Perez drove in all five runs in the nightcap of the double-header Sunday with two home runs and a single.

Deron Johnson, former Red, tied a major league home run record when he hit four consecutive home runs Saturday and Sunday.

WALTON LOCALS

Claude Kendall of Ft. Lauderdale, Fla., is spending the summer with Mr. and Mrs. James Webster and family.

Mrs. and Mrs. Woodrow Greene spent the weekend in Louisville, visiting Mr. and Mrs. Charlie Allen. On Sunday, they went to see the Stephen Foster tory at Bardstown.

Mrs. Kaye Ellis and sons and Mrs. Georgia Greene spent last Monday afternoon with Mrs. Geo. Henry of Warsaw.

CARD OF THANKS—

We wish to thank our many friends and neighbors for their many acts of kindness during the illness and death of our loved one, Harvey (Dutch) Sturgeon. Thanks so much for your calls, cards, flowers, visits, food, and especially for your many prayers. A special thanks to Dr. Huey, Fred Hamilton, and Bro. Kennedy for their services and help during the time of our loss.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

This has been a very exciting summer for this writer. We have had the pleasure of witnessing many wonderful events in our Nation's history; the meeting with men who are concerned with our Baptist Heritage in Kentucky; the receipt of a wonderful letter from far away India where an article we had written in one of our State papers was read by Evangelist

John Dare; the wonderful singings that we have attended these past three months; but most of all was the joy in meeting a dear lady who remembers the past history of New Banklick Baptist Church and the community surrounding her. It all started one evening in May—in fact Sunday, May 23—with a light rap on the door to the pastor's study. Looking up from the desk and softly giving the invitation to enter, a nice looking gentleman stuck his head in the door and with a very congenial smile introduced himself as Dr. Owens, professor of music at New Orleans Baptist Theological Seminary, New

Orleans, La. He had brought with him his wife and her grandmother, of whom we are writing this article. She is Mrs. A. C. (Marian) Marsh of Verona, Ky., and her husband of over 50 years. She (Mrs. Marsh) began by informing me that she used to attend this church (the old building that burned) many years ago, in fact, she said, "I used to teach school at the old Banklick School on the corner. I don't remember now just where it was, but it was almost 69 years ago. I attended the Banklick Baptist Church (the New had not been added then) with one of the sons of Mr. Bagby who will this property to the church; however, something happened to our friendship, and I chose as my lifetime mate, A. C. Marsh, who has given me many happy years. "Brother Johnson," she asked, "do you know Mason and Marie Schadler?"

"Yes, indeed I do," came my reply. "They are still members of this church, and live over on Maher Road." "Do you remember James and Margaret Kanatzar?" I asked. "Was he here when Brother Simeon Webster was pastor?"

"Yes, and James was ordained a deacon here some years later." Then looking at us with her eyes sparkling, with a smile that made her appear so young and beautiful, almost as she was back in her courting days as a young school

teacher at Banklick School, she then became aware that she did know James and Margaret Kanatzar. She thought for a moment, then asked about some other old friends of the past. "Do you know the Willie Kidwells?" she asked. "They used to belong to the Goshen Christian Church, where I attended for a long time. Did they ever change their membership to Banklick?"

I thought for a moment how to answer her questions and then replied, "Yes, I do know Willie and Clara Kidwell. Yes, they still were members of the Goshen Christian Church. No they had not changed their membership; however, they were about the most faithful attenders we had."

"How about Mr. and Mrs. Works. Her name was Tina. They were such wonderful and dedicated Christians. Do you know them?" she asked.

I looked at her and smiled, and then with carefully chosen words replied, "Mrs. Works has already gone on to be with the Lord. She passed away shortly before I came to New Banklick; however, Mr. Works still lives down by the Johnson Farm. Do you remember Brother Roy Johnson?"

"Oh, I'm sorry to hear about Tina. And I do remember Brother Roy Johnson. Where is he now?" "Brother Roy is supposed to be retired, but believe me when I say he is still working for the Lord as hard as ever before. He is in constant demand to serve as Interim Pastor in Northern Kentucky."

She told about the times that she had ridden to New Banklick

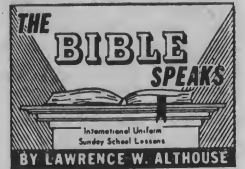

Baptist Church on horse back or in a wagon, and how much fun they used to have on the creek bank. Truly Mrs. Marsh has brought back just a little history of the past about our church and our people and we do hope she will come again and visit and give us a little more of the history of our church and community. Our prayers are that she and Mr. Marsh will have many more happy years together. And if we have gotten facts just a little bit mixed up we pray she will forgive us and set us right. To Dr. and Mrs. Owens we wish them the best in their efforts at the Seminary.

You talk about people who love to sing, and who will go through anything to get to sing, then you must be talking about the people from New Banklick Baptist Church. On Saturday night, June 3, we were invited to come to the Mortonville Methodist Church and help them in their revival efforts. Pastor Larry Jones had given the invitation to one of our members who had only a time to contact everyone who would attend and sing for the glory of the Lord. There were 38 people who loaded our church bus and drive the 100 miles to Mortonville, Ky., which is located in South Central Kentucky in Woodford County, near Versailles, Ky. Our group enjoyed the opportunity to sing, and we heard some real Baptist preaching by Evangelist Tommy Fryman. We pray that they enjoyed having us as much as we enjoyed traveling the distance to help in our little way in revival. Our bus driver, Joe Grayson, had the joy of being entertained all the way there and back, and we had a very fruitful and safe trip with only one little mishap, the bus blew a water hose to the back heater, but we were fortunate plus a good driver: Brothers Roy Beach, Virgil Hensley and Ray Mercer, besides our driver. We were delayed only about 45 minutes and then back on our way home.

We want to take this opportunity to invite you to our preaching services on Sundays, July 18-25, when we will have guest preachers, Rev. Sam Branham and Rev. Simeon Webster, retired ministers, and

both former pastors of many years ago. We know these men have many friends in this area who are probably not in church and so we invite you to come and reacquaint yourselves with them.

As you read this article, Mary, the children and I will be about half way through our 3,500 mile tour of former pastorates in Texas and Alabama. We will be speaking in churches in these areas. We are truly looking forward to this tour and seek your prayers for us as we go in His Name. Our son, Edward, and his wife, Peggy, and their daughter, Tracy, will be staying at the parsonage until we return. Brother Albert Martin will be in charge of all our church emergencies and will look after things while we are gone. We will write about our Homecoming on July 11, and then will write an article from Texas about our trip and such. So all of you who read this, please, add us to your prayer list daily.

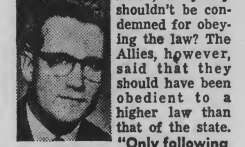

FOLLOWING 'ORDERS'

Lesson for July 18, 1971

Background Scriptures: Deuteronomy 16: 18-20; 17:8-11; Daniel 6; Acts 4:13-20; 1 Peter 2:13-17.
Devotional Readings: 1 Peter 4:12, 19.

At the Nuremberg War Trials following the Second World War some of the defendants sought to justify their "war crimes" by protesting that they had "only been following orders." They had been obedient to the laws of the Third Reich; surely they shouldn't be condemned for obeying the law? The Allies, however, said that they should have been obedient to a higher law than that of the state. "Only following orders"

Several months ago an American soldier was on trial for a similar "war crime." He too protested that he had "only been following orders." Ironically, the same American public which called for the prosecution of Germans at Nuremberg now found itself confused and upset by the very same issue. Instead of insisting that he too should have been obedient to a higher authority, many exalted his unquestioning obedience of the military authority.

We have had to realize that this problem of God and state is not so easy as we might have thought. On the one hand we are counseled by Paul: "Let every person be subject to the governing authorities . . . Therefore he who resists the authorities resists what God has appointed . . ." (Romans 13:1,2). There is also Peter: "Be subject for the Lord's sake to every human institution . . ." (1 Peter 2:13).

These early Christian leaders recognized the value of government, law, and order, even when the rulers were not inclined to the Gospel of Jesus Christ. For all its faults, it brought order and peace where it prevailed. Because man is a sinner and not perfectly good, and because in his rebelliousness against God he is capable of causing much harm and misery to others, he needs some source of authority to help him live a productive life. We wish men would always want to do the right thing, but they do not and so we need government and governors to help us along that line.

Right in the sight of God Yet, having said this, we cannot forget that Jesus was unfairly tried and put to death as a subversive of the state. There is Peter and John standing before the Jewish court and protesting that they would have to obey God rather than men and there is also a long history of struggle between Christians and their states: John Hus, Martin Luther, Thomas More, Johnathan Edwards, etc.

How can we put these two seemingly paradoxical ideas together? Perhaps we must say, for one thing, that we must be subject to the state and its officials so long as our loyalty to God is not in danger. Order, even the imperfect order of a struggling government, is a blessing that must not be regarded lightly. Secondly, however, when we feel that our loyalty to our government is in conflict with our loyalty to God, we have no choice but to carefully and prayerfully steel ourselves to follow the highest "orders" of all.

Up AND DOWN

"Wow!" "I left my stomach back on that last hill!" "What a ride!" Excitement on wheels. That's a roller coaster—up and down, up and down.

Just like a roller coaster, all of us realize that our very life is a series of hills and valleys. We are enjoying a smooth and peaceful existence, when suddenly we find ourselves far from the peaceful valley on what seems like a mountain of confusion and distress.

At such crucial times we need to remember there is a nearby fortress of stability. It is that place of power that stands ever ready to provide the necessary faith and courage to face tomorrow with enthusiasm. Discover the inner peace that comes from divine love. Worship in church this Sunday.

Harry Glacken Killed In An Auto Accident

Two cars crashed head-on on U. S. 25 South of Walton, killing the driver of one car and critically injuring the second driver.

Killed was Harry Glacken, 72, of U. S. 25, Crittenden. Glacken's 1962 Chevrolet was headed South on U. S. 25, according to Kenton County Police, when it was struck by a 1964 Buick driven by Gerald Grant Morrison, 35, of Route 2, Dry Ridge.

"Both men had to be pried out of the cars," Sgt. Charles Gail of the county police said.

Gail said Morrison's car veered off the right side of the highway and then swerved back across the centerline, striking Glacken's car, at 10:15 a. m., last Saturday. "The impact shoved the left front of each car back to the door post," Gail said.

Morrison was taken to St. Elizabeth Hospital by the Piner Life Squad, where his condition is critical at last reports.

Both Glacken and Morrison were alone in their cars, it is said.

Mr. Glacken, a member of the Crittenden Baptist Church, was a retired employee of the Southern Railroad.

Survivors include his wife, Della Glacken; a daughter, Mrs. Ruth Glenn of Walton; three sons, Howard Glacken of Independence, Dennis Glacken of Scott Air Force Base, Ill., and Garna Glacken of Walton; 10 grandchildren; a sister, Mrs. Myrtle Tanner of Crittenden, and a brother, Russell Glacken of Cleves, Ohio.

Services were held at 2:00 p. m., Tuesday at the Eckler Funeral Home, Dry Ridge, with burial in the Crittenden Cemetery.

Walton Youth Choir Going On A Tour

The "Tell It Like It Is" Choir of First Baptist Church, Walton, will leave Wednesday, August 5 for a five day tour. Traveling by Greyhound bus, they will sing the folk-musical "Tell It Like It Is" at the following churches:

Sherwood Baptist Church, Bayless Baptist Church and Parkway Baptist Church all in St. Louis, Woodland Baptist Church in Louisville and Versailles Baptist Church in Versailles. The choir will return to Walton on Sunday evening, August 8th.

On Sunday, August 22, this choir will sing at the Kentucky State Fair in the New Market Hall at 7:00 p. m. Admission to the Hall is free and you are invited to attend and support the choir. Other Choirs from many parts of the state will be singing on the hour from one to nine o'clock.

Pfc. Terry D. Webster

Pfc. Terry D. Webster, 18, son of James and Gertrude Webster of Crittenden, Kentucky, is spending a 30 day furlough with his parents after a four month tour of duty in Germany. He is to report July 27th for a tour of duty in Vietnam.

Pfc. Webster enlisted in the Army in September of 1970 and is with the motor pool division.

Before entering the service he attended school at Walton-Verona.

Farmers Need Credit Cards

Farmers in Kentucky will soon need only a credit card to go "shopping" for their farm machinery parts and equipment.

Farm machinery dealers in the state may not extend credit to their farmer-customers through one or both of two major credit card systems—Master Charge or BankAmericard.

Ambulance Drivers Needed In Walton

Emergency ambulance service is needed in our community. Last year the Walton Fire Department responded to 65 calls. Five of these calls were in the city limits and 60 on the highways and to various homes within our fire district. As you know the Fire Department is volunteer and our funds come from the annual picnic and donations.

We have approved federal funds for \$6,500 from the Federal Highway Act toward the purchase of a proper and fully equipped ambulance which will cost \$13,000. We also have a garage available to us by the city to house this equipment.

Our problem now is personnel to man this equipment. We need men and women to respond to calls for aid. The life squad will be a separate unit within the Fire Department. Personnel will be trained in the various techniques of first aid and life saving. If you are interested in helping, come to the Walton City Building, July 26 at 8:00 p. m. for an open meeting and further details.—Walton Fire Dept.

W-V Youth Center Dance On July 31

On Saturday, July 31, the Brookville Zoo will make an appearance at the Walton-Verona Youth Club, from 8:30 to 11:30 p. m.

The group members are: Steve Woods, trumpet and vocal; Tommy Williams, drums and vocal; Phill McKinzy, lead guitar and vocal; Steve Hungular, organ, saxophone and vocal; Mark Gray, trombone and vocal; Steve Leisner, base, guitar and vocal.

The dance is open to anyone—7th grade up, who has attended the Walton-Verona school or who goes to any church in this area.

Each teenager is entitled to one guest, who is a person outside of this area. Walton-Verona School and Church ID cards must be shown at the door.

The center is open the following nights to members and their guests: Monday, 7:00 to 9:00 p. m., Mrs. McKay, chaperone; Wednesday, 7:00 to 9:00 p. m., Mr. McKinney chaperone; Friday, 7:00 to 9:00 p. m., Mrs. Arnett and Mrs. Freeman, chaperones; Saturday, 7:00 to 9:00 p. m., Rich or Mr. McKinney, chaperone. Saturday of every other week there is a dance. There are many activities at the center to entertain the young people.

Piner-Fiskburg Auxiliary Meets

The Ladies' Auxiliary of the Piner-Fiskburg Volunteer Fire Department met in July at the fire house with Leatha Woods, president, presiding.

Opening prayer was by Ruby Worthington, with pledge of allegiance by all.

New business was the election of officers for the coming year. They are: President, Faye Bray; Vice President, Genevieve Lunsford; Secretary, Opal Allen; Treasurer, Nancy Roberts; Publicity, Ruby Worthington; Sunshine, Leatha Woods.

Plans were made for the ladies to get in touch with all members and friends to ask for donations for the booth at the Kenton County Fair, which will be held Aug. 10-14. Please support the Fire Department when you are asked.

The Birthday Calendar is in progress, so please buy a calendar and give a listing when you are called.

You will receive a Newsletter soon stating receipts and disbursements and telling what has been accomplished the past year.

The auxiliary meets on the second Tuesday of each month at the Fire House, Piner. Your attendance is needed.

Junior Bowl Honor Roll

The Junior Bowl Honor Roll at Walton Bowl for Saturday, July 17 was as follows:

Darwin Darlington 301; Ernie Arnold 306; Glenn Lucas 309; Kenny Rich 324; David Mastin 318; James Dixon 384. Junior Bowler of the Week was Jeff Ammer with a 403.

Health Inspector: Don't you know it isn't sanitary to let your hogs run around the house this way? Native: Can't say that I do. We ain't lost nary a hog in 15 years.

Harry Glacken Killed In An Auto Accident

Two cars crashed head-on on U. S. 25 South of Walton, killing the driver of one car and critically injuring the second driver.

Killed was Harry Glacken, 72, of U. S. 25, Crittenden. Glacken's 1962 Chevrolet was headed South on U. S. 25, according to Kenton County Police, when it was struck by a 1964 Buick driven by Gerald Grant Morrison, 35, of Route 2, Dry Ridge.

"Both men had to be pried out of the cars," Sgt. Charles Gail of the county police said.

Gail said Morrison's car veered off the right side of the highway and then swerved back across the centerline, striking Glacken's car, at 10:15 a. m., last Saturday.

"The impact shoved the left front of each car back to the door post," Gail said.

Morrison was taken to St. Elizabeth Hospital by the Piner Life Squad, where his condition is critical at last reports.

Both Glacken and Morrison were alone in their cars, it is said.

Mr. Glacken, a member of the Crittenden Baptist Church, was a retired employee of the Southern Railroad.

Survivors include his wife, Della Glacken; a daughter, Mrs. Ruth Glenn of Walton; three sons, Howard Glacken of Independence, Dennis Glacken of Scott Air Force Base, Ill., and Garmal Glacken of Walton; 10 grandchildren; a sister, Mrs. Myrtle Tanner of Crittenden, and a brother, Russell Glacken of Cleves, Ohio.

Services were held at 2:00 p. m., Tuesday at the Eckler Funeral Home, Dry Ridge, with burial in the Crittenden Cemetery.

Walton Youth Choir Going On A Tour

The "Tell It Like It Is" Choir of First Baptist Church, Walton, will leave Wednesday, August 5 for a five day tour. Traveling by Greyhound bus, they will sing the folk-musical "Tell It Like It Is" at the following churches:

Sherwood Baptist Church, Bayless Baptist Church and Parkway Baptist Church all in St. Louis, Woodland Baptist Church in Louisville and Versailles Baptist Church in Versailles. The choir will return to Walton on Sunday evening, August 8th.

On Sunday, August 22, this choir will sing at the Kentucky State Fair in the New Market Hall at 7:00 p. m. Admission to the Hall is free and you are invited to attend and support the choir. Other Choirs from many parts of the state will be singing on the hour from one to nine o'clock.

All Saints Annual Festival

The All Saints Annual Festival will be held Saturday, July 31 and Sunday, August 1.

There will be a chicken or roast beef dinner on Saturday with serving from 4:00 to 7:00 p. m. and on Sunday from 12:00 until 7:00 p. m. There will also be booths, rides and refreshments. The grounds are located on Needmore St., Walton, with plenty of parking.

Wilmington Women Meet

The Baptist Women of Wilmington Church met in the home of Mrs. Keith Creasy, July 1, with 11 members present.

The meeting was called to order by the president, Mrs. Lyle Spillman, who welcomed all present. Mrs. James Bailey was in charge of the devotional, reading Acts 4:31-37, followed by prayer. Special prayer for the sick, shut-ins, and the boys in service was given by Mrs. B. N. Spegal. Minutes and treasurer's report were read and approved. Roll call was answered by giving their favorite flower and why.

After committee reports and the business session, the meeting was turned over to the leader, Mrs. B. N. Spegal. The subject was "The Spanish Baptist Dilemma," with all members taking part. It was an interesting lesson.

The session was closed with a

Pfc. Terry D. Webster

Pfc. Terry D. Webster, 18, son of James and Gertrude Webster of Crittenden, Kentucky, is spending a 30 day furlough with his parents after a four month tour of duty in Germany. He is to report July 27th for a tour of duty in Vietnam.

Pfc. Webster enlisted in the Army in September of 1970 and is with the motor pool division.

Before entering the service he attended school at Walton-Verona.

Farmers Need Credit Cards

Farmers in Kentucky will soon need only a credit card to go "shopping" for their farm machinery parts and equipment.

Farm machinery dealers in the state may not extend credit to their farmer-customers through one or both of two major credit card systems—Master Charge or BankAmericard.

Ambulance Drivers Needed In Walton

Emergency ambulance service is needed in our community. Last year the Walton Fire Department responded to 65 calls. Five of these calls were in the city limits and 60 on the highways and to various homes within our fire district. As you know the Fire Department is volunteer and our funds come from the annual picnic and donations.

We have approved federal funds for \$6,500 from the Federal Highway Act toward the purchase of a proper and fully equipped ambulance which will cost \$13,000. We also have a garage available to us by the city to house this equipment.

Our problem now is personnel to man this equipment. We need men and women to respond to calls for aid. The life squad will be a separate unit within the Fire Department. Personnel will be trained in the various techniques of first aid and life saving. If you are interested in helping, come to the Walton City Building, July 26 at 8:00 p. m. for an open meeting and further details.—Walton Fire Dept.

Kenton County Garden Club

The Kenton County Garden Club met in the home of Mr. and Mrs. Ben Banks on Valley View Drive, June 24, at 1:30 p. m. Mrs. C. Ballinger was co-hostess. In spite

of the absence of several members we had a good meeting.

Our new president, Mrs. W. Hall, was in charge of the business session. Mrs. F. Keeney read the minutes, followed by roll call and answered by naming a favorite flower. The devotion was given by Mrs. Mildred Popp. No formal program was given but all present joined in discussion of the program for next year. One on which all agreed was pictures on conservation by W. T. Lynn. At the close of the meeting a committee visited the Lillard Nursery to choose the boulders to place in the mini park at Nicholson.

The next meeting will be a luncheon at Town & Country the last week in July.

Delicious refreshments were served to: Mrs. Wm. Guttridge, Mrs. L. M. Gabriel, Miss Alice J. Williams, Miss Margaret Stephens, Miss Elma Taylor, Mrs. F. Bates, Mrs. Forest Popp, Mrs. F. Keeney, Mrs. W. Hall, Mr. and Mrs. Banks, and Mrs. C. Ballinger.

Kenneth Mastin spent a few days recently with his grandparents, Mr. and Mrs. J. J. Barnett.

Mrs. Lyda Rees is recuperating at the home of her sister, Mrs. George Finnell, following surgery at Booth Hospital.

At last report, Mrs. Florence Stein was not doing as well as we would like to hear.

Mr. and Mrs. E. P. Keeney and Crystal visited his mother recently. They called on a few friends and relatives, and took a trip to Boone Tavern, Berea, and the old Fort location at Boonesborough, after which they left for their home at Lake Bluff, Ill.

Mrs. Ezra Elmore is not feeling up to par. We hope she is much improved by now.

Mr. and Mrs. George Finnell quietly celebrated their 50th anni-

versary. In the evening their families came to celebrate with refreshments and good wishes. We would like to add our congratulations and wishes for many happy returns.

The Bible School, which ended recently, was a pleasant time for the children. We pray that many truths learned will be treasured through life and help them to an abundant entrance to the better world.

Discoverer's 4-H Club

No regular meeting was held in June of the Discoverer's 4-H Club in order to give everyone a break from the routine.

The July meeting was called to order by Lisa West. Kathy Elbert called the roll, and Wilda Stephens had no treasurer's report. The vice president brought a guest.

In old business was the setting of a date in August for a bake sale, and following announcements of club members in 4-H events in the past months.

May 15—Area Rally. Laura West won blue ribbon on demonstration; Lisa West won blue and championship with demonstration.

May 21—County Dress Devue.

Kathy Elbert, blue on skirt; Laura West, blue on skirt; Lisa West, blue on dress; Diane Scherder, red on apron. All modeled these garments they made.

May 31—Memorial Day Parade. Kathy Elbert and Diane Scherder marched.

June 4—State Foods Demonstration at the University of Kentucky. Lisa West won blue ribbon and runner-up with demonstration.

June 24—Home Furnishings. Diane Scherder, Kathy Elbert, Lisa and Laura West participated.

July 26—30—4-H Camp. Diane Scherder, Kathy Elbert, Lisa and Laura West will attend.

County Fair exhibits were discussed, and the meeting August 2 will get us prepared for the fair.

The meeting adjourned and our picnic lunch and fun was enjoyed by all.—Reporter

—DEATHS—

MRS. NELLIE R. WHITE

Mrs. Nellie R. White, 88, of 5746 Madison Pike, Independence, died Wednesday, July 14 at the Baptist Senior Citizens Home, Independence.

dence. She was a retired cafeteria worker at Simon Kenton High School.

Surviving her is a brother, Oscar Rankin, Independence. Services were held at 2:00 p. m., last Friday in the Chambers and

Grubbs Funeral Home, Independence, with burial in the Independence Cemetery.

MELVIN (JIM) WASSON

Melvin (Jim) Wasson, 76, of 51 Alta Vista, Walton, died Thursday, July 15, at his home.

He was a self-employed painter and decorator; was a trustee of New Bethel Cemetery, Verona; a member of Verona Lodge, No. 876, F&AM, Verona, and an Army veteran of World War I.

Mr. Wasson is survived by his wife, Lelia Readnour Wasson.

Services were held at 4:00 p. m., Sunday in the Hamilton Funeral Home, Verona, with burial in New Bethel Cemetery.

Verona Lodge held rites at 8:00 p. m., Saturday, and Johnson-McElroy Post, No. 277, American Legion, Walton, conducted military rites at graveside.

I don't know why everyone gets so excited about having holidays fall on Monday. No one ever killed himself working on Monday anyway.

THOSE IN SERVICE

Paul M. Praither, RMSN, U. S. Navy, son of Mr. and Mrs. Charles W. Praither, is enroute to Naples, Italy for duty, after spending his leave with his parents and family. His new address: NAVSUPPACT, APO 09524, New York.

CARD OF THANKS—

I want to thank each one for the nice cards and flowers that were sent to me while I was in the hospital, and also a "special thanks" to all who done for my family while I was gone from home.

AUCTION

SATURDAY, JULY 31st -- 12:00 HIGH NOON

Selling for Master Commissioner, Mabel Benson, of Boone County, to settle the Flynn Estate—WALTON, KY., BOONE COUNTY.

160 ACRES divided into 8 Parcels on Johnson Road off Stephenson Mill Road; also on McCoy's Creek Road off Beaver Road, about 2 Miles West of I-75 Walton Exit.

Parcel 1 will be sold at 12:00; parcels 2 through 8 will be sold, starting at 1:00, and lots in Walton will be sold at 4:00 p. m.

PARCEL 1—15½ acres which lays very good and borders I-71 in rear with 5-room, 3 bedroom home, basement, furnace, barn, and two ponds.

PARCEL 2—10¾ acres facing 600 feet on McCoy's Creek Road (a good building site) which runs West parallel with I-71 off Beaver Road—see sign.

PARCEL 3—12 acres facing 600 feet on McCoy's Creek Road (good building site).

PARCEL 4—10½ acres facing 600 feet on McCoy's Creek Road (good bldg. site).

PARCEL 5—14¾ acres facing 600 feet on McCoy's Creek Road.

PARCEL 6—63 acres with over 1,800 feet frontage on McCoy's Creek Road, suitable for farming or for that ranch home.

PARCEL 7—18 acres with 1,150 feet of road frontage on McCoy's Creek Road; a nice building site.

PARCEL 8—24¾ acres rolling to level with large lake plus site of old Stephenson Mill school house with cistern.

ALSO, starting at 4:00 p. m., Parcels A, B & C, being 3 building lots facing on Stephenson Mill Road in Walton City Limits.

REMEMBER we start with Parcel 1 at 12:00 on Johnson Road, just off Stephenson Mill Road, 2 miles West of Walton. Then we move to McCoy's Creek Road and start selling at 1:00 on Parcels 2 through 8, facing on both sides of McCoy's Creek Road, which runs almost parallel North and South with I-71 off Beaver Road, approximately 2 miles West of Walton, Ky. Then at 4:00 p. m., we move over into Walton proper and sell parcels A, B & C, being 3 building lots facing 80 ft., 90 ft. and 100 ft., respectively, on Stephenson Mill Road.

Directions: Take Walton Exit off I-75 and follow auction arrows!

Here is an opportunity to buy a tract of land, large or small, and you set the price.

TERMS: \$25.00 deposit on each parcel sold and execute bond with approved surety bearing legal interest from the day of the sale until paid and having the force and effect of a judgement. Bidders will be prepared to comply promptly with these terms.—MABEL BENSON, Master Commissioner.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The glorious gates of heaven swung open Sunday, July 11, 1971, and every soul present got the opportunity to walk on the streets of gold as we listened to the golden voices and smiles of contentment of the Southern-Aires Quartet from Dayton, Ohio. Each time you hear them, it's like hearing the Gospel Message for the first time, you want to hear it again, and again, and again! If you have never had the opportunity to hear them or have them in your church we do highly recommend them if you desire real spiritual stirring gospel music. I have heard many, and to this writer they have that important something that makes them so different from many that I have heard, that feeling of contentment after one has been with Jesus, and they let their "light" shine before men that they might see their good works and glorify their Father which is in heaven."

We desire to share several things with you that thrilled our heart the most. We had the joy of meeting, and hearing the testimony of their new bass singer, Daryl Sticker, who was new not in the fact that he is "a" new bass singer, but in the fact that he has just joined the Southern-Aires to take the place of Cliff Chamblin who has joined another group. Then the joy of little Todd Summers, son of Barbara and Kenny Summers of the group, who sang two numbers. He thrilled everyone present, young and old alike. Then of course this was the first time that our own singers filled the period of intermission without calling on other outside singers. We had the joy of presenting our own combined Junior and Youth Choirs under the direction of Mrs. Jackie Grayson and Mrs. Francis Beach with Mrs. Lois Reinhart at the piano.

Next, came the Spiritual-Heirs, composed of Mrs. Francis Beach, Mrs. Ann Dunsen, Mrs. Jackie Grayson and Mrs. Lois Reinhart. We were thrilled by the solo parts by Mike Schadler, Stephanie Grayson, Terri Kyle, Jennie Lawson and Rita Fisk of our Youth and Junior Choirs. Our last group to come and sing was the Disney Family, composed of Mrs. Norma, Charlotte, Cathy, Connie and Ronnie Disney, and closing our group's part in the afternoon singing was our own music director, Mr. Gene Parker. We do thank our Lord Banklick Baptist Church that He has given our Church.

We would not want to leave out the wonderful meal prepared by our fine group of ladies. So much food that this was most certainly not the place for any weight-watchers (in fact I know several who forgot their diets for the day and really enjoyed themselves). We wish to express our thanks to Mrs. Louise Mercer and the men of the church who did a wonderful job in setting up the tables and preparing the good hot coffee and cold tea. Helping Mrs. Mercer serve the drinks were Mrs. Dorothy Anderson and Mrs. Phyllis Egan. Many of the ladies were so wonderful to help with many of the tasks from time to time and we wish it were possible to list all their names but we do not know them, so we will just have to say, "thank-you all from the bottom of our hearts, whoever you are, and may God add His blessings to you always."

We have much to write about the future of our church, but at the present time, as you read this, Mary and I will be heading back to our "Old Kentucky Home" in Walton. So if you don't have a place to worship, and you enjoy sweet fellowship, good Gospel singing and preaching, then New Banklick Baptist Church is the Church for you!

CARD OF THANKS . . .
We wish to thank all our friends and neighbors for their many acts of kindness and sympathy during the death of our father. We especially thank Dr. Huey, the Wallace Grubbs family and Rev and Mrs. Charles Alford for their services.

Taking a chance

That's a high fence for a young man to walk, but take a good look at his face, and you'll see that he's not only determined to do it, but confident that he can.

Chances are, with this attitude, he won't slip. At least, he'll have far less chance of slipping than if he approached "fence-walking" plagued by self-doubt.

So many of us approach tasks, challenges, opportunities, with a nagging conviction of our own failure, even before we begin. We need more faith in ourselves. Self-faith comes only from a far greater faith in God.

Face up to your own "fence-walking." In the course of life, we all have to do quite a bit of it. Find the courage to start by listening to what your church has to say to you.

MAKE A HOUSE A HOME

Lesson for July 25, 1971

Background Scriptures: Genesis 1:26-31; 2:18-25 Song of Solomon 2:8-14; Malachi 2:15, 16; Mark 10:2-12; Devotional Reading: Genesis 24:32-47.

A severe housing shortage near a military base forced a young army doctor, his wife, and three children to live in the cramped quarters of a local hotel. Someone remarked to the doctor's six-year-old daughter, "Isn't it too bad you don't have a home?" "Oh, we have a home," she replied quickly, "we just don't have a house to put it in."

A different perspective
Rev. Althouse We often use these two terms, "house" and "home," as if they meant the same thing. Of course they do not. You may buy a house, but you can only build a home and that with which you "build" it is not wood, stone, or brick.

The British writer, Gilbert K. Chesterton, once said that he would sometime like to enter his home in a totally different manner than usual. He spoke of setting a ladder by his house and entering like a burglar in the night through an upper window. He was simply saying that sometimes we are so close to our homes that we could well profit by seeing them from a new and different perspective. We become so accustomed to the daily routines and procedures, so oblivious to the unique qualities of those who share it with us, that our appreciation becomes jaded and stale. Often we must see our homes through the eyes of someone who has no home, no family, no companionship, no opportunity for this kind of intimate fellowship. Too often we measure our homes and families against some unrealistic ideal that leads us to be dissatisfied because they are not perfect. If only we realized what we do have in our family fellowship, how much more grateful and appreciative we might be.

Help and companionship
Sometime we need also to see the family in the perspective of what God intended it to be. The concept of the family finds its origin, not in sociological convenience (as some have maintained), but in God's observation that "It is not good that the man should be alone" (Genesis 2:18). Mankind has been fashioned by God in such a way that families are necessary to meet the need of companionship. Men were not created to live alone.

Furthermore, families are necessary because men need others to help them. "I will make him a helper fit for him" (2:18b). Children need parents (even less-than-perfect parents); parents need children (even less-than-perfect children); the family is God's gift to men to fulfill these needs. Not every one is blessed with a natural home. There are people without mates, couples without children, children without parents, brothers and sisters. If our houses are truly to become homes, we must learn to push wider our family circles so that everyone has a family of some kind.

COUNTY AGENT'S 1/2 ACRE

—by—
JOE CLAXON
More and more people water their lawn during the summer. It has been estimated that a lawn uses from .2 to .3 inches of water a day or about 180 gallons a day per thousand square feet. To say the least, watering your lawn can be expensive.

Kentucky Bluegrass and fescues are not killed by dry weather, but they will become dormant, greening up only after rain. A hose in hand may cool you, but few people have the time and patience to water a whole lawn with one. If you do water, be sure to use a good sprinkler, leaving it in place long enough to wet the soil to a depth of 8 to 10 inches. Use a trowel, spade, or soil testing tube to see when the soil is thoroughly wet. Then, refrain from watering for a few days and let the ground dry out so the grass is at its wilting point before watering again. This promotes deep rooting, and grass utilizes available water and plant nutrients better.

Remember that water not only improves grass growth, but also encourages weeds. Crabgrass seeds germinate readily when the soil surface is wet and warm. Disease can be another problem. Early-morning watering gives grass a chance to dry off during the day and helps discourage spread of disease. If diseases are not a problem in your lawn, water anytime during the day.

Our New Constitutional Amendment

By Gene Snyder

The 26th Amendment to the Constitution, granting those 18 to 21 year-olds the right to vote in local and state, as well as Federal elections, won final approval this month.

No constitution in the world has withstood the dangers of time like the Constitution of the United States of America. In nearly 200 years of government, the people of this nation have chosen to amend our original Constitution 26 times. Now, three-fourths of the States have ratified the 26th Amendment and for the first time, 18 to 21 year-olds have the privilege to vote in Federal, State, County and City elections. The results are expected to be more significant than any amendment since the 19th amendment in 1920, which gave voting rights to women.

At a time when there has been so much talk about a generation gap, I am hopeful that this action by the States will encourage the young and old alike to cherish their right to vote and join together in the voting privilege that is the foundation of this great Republic.

The 26th Amendment will now give our youth the opportunity to grasp the voting lever rather than grasping bottles and stones in the streets to bring about certain social changes they have been advocating. It is my hope that these youngsters realize the impact of their vote. Most of our fine young Kentucky voters may make another impact by gaining political control of university and "hippie" communities in a greater influence of disciplined restraint within the system.

Two maiden ladies were discussing a favorite topic—men. "Which would you desire most in a husband—brains, wealth or appearance," asked one. The second one hesitated not a moment. "Appearance," she replied, "and the sooner the better."

Three Youth Injured And One Is Killed

Two single car accidents last week injured three local youth and claimed the life of a Michigan boy. The Walton Life Squad responded to both accidents.

On Wednesday evening, July 21, an auto hit a culvert heading on Salem Creek Road about 1/4 mile from Ky. 16. Phil Jones and Johnny Jackson received cuts and bruises and were treated at a Covington Hospital. Peggy Moses, another occupant of the car, was injured more seriously and had emergency surgery. She was reported to be in satisfactory condition early this week.

Saturday morning about 9:00 o'clock, a 1966 Ford went out of control on the North bound lane of I-75. It smashed into the Eads Road bridge abutment killing the driver, Robert James Conrad, 18, and seriously injuring a passenger, Rodney Perry, 17. They were reportedly returning to Westland, Mich., after a trip to Florida.

The Life Squad also responded to an auto accident Thursday afternoon at 2:00, when four persons from Warren, Mich., were injured. They were treated at a Covington Hospital.

Sportsmen Fair At Crittenden, Aug. 1

The 37th annual Fifth District Federation of Kentucky Sportsmen Fair will be held Sunday, August 1 at the Lloyd Wildlife Management and Recreation Area, Crittenden. The grounds are located on Highway 491, near U. S. 25, just south of Crittenden.

Hundreds of Northern Kentucky outdoorsmen will compete in the largest and oldest district championships in the hunting and fishing skills.

Competition will begin at 10:00 a. m. in some events and will continue until dark in what appears to be the biggest field of entries ever. There are, for example, 42 trapshooting teams scheduled.

Championship events include trapshooting, rifle, pistol, muzzle-loading rifle, casting, and archery. Competition is limited to members of the 30 or so sportsman-conservation organization affiliates of the federation, formed back in the nearly 1930's.

Trophies are awarded in most of the events to the placing teams, high individuals, ladies, and juniors.

The fair will be held rain or shine, it is reported.

Archery will be supervised by the Northern Kentucky Archery Association.

There will be ample food and refreshments on the grounds and in the clubhouse, and at some of the exhibits.

DRIVERS COOPERATING

Mayor Guy Carlisle reports that drivers are cooperating rather nicely in respect to the new parking signs. Some citations were issued but not too many. Additional information is expected to be posted soon on the loading zone markers.

Test Air Pollution Here

According to M. W. Twyman of Florence, senior chemist with the Kentucky Air Pollution Control Commission, a device is in operation at the Walton Fire Department, which tests air pollution. The device provides official statistics on the amount and type of air pollution.

Another air testing device is to be installed at Petersburg.

OPENS LAW OFFICE

John A. Hartman, attorney at law, has opened an office in the Huey Building, 24 North Main St., Walton.

Mr. Hartman is a graduate of Walton-Verona High School and the University of Kentucky Law School. He has also spent two years in the U. S. Army.

The young attorney is the son of Mr. and Mrs. John Hartman of North Main St., Walton.

WINS MITCHELL AWARD

Miss Lois Lay

Miss Lois Lay, daughter of Mr. and Mrs. Edward Lay, High Street, Walton, has been selected to receive the Myrtle C. Mitchell award at Eastern Kentucky University, Richmond. This award is for students of high academic promise, excellent character, and the potential for leadership.

Miss Lay was valedictorian of her class of 1971 at Walton-Verona High School, served on the Shillito sewing board where she received honorable mention. She was a member of the Beta Club, also a member of the W-V Band.

She was active in 4-H sewing and served as a junior 4-H leader for three years.

She is a member of the First Church of God, Erlanger, where she is active in their youth program.

Lois will be entering college this fall at EKV, where she plans to major in home economics.

Boone Fair Offers \$10,000 Premiums

Boone County is gearing for its biggest fair since the first event 39 years ago.

The fair, formally known as the 4-H and Utopia Fair, opens Monday, August 2, and continues thru Saturday, August 7.

"We have around \$10,500 to give out in premiums and awards this year," said R. V. Lents, fair advertising manager.

"There'll be a new baby show class," Lents said. "This will be for babies two to three years old."

"There will also be the two classes we had last year—those from six months to a year, and another from one to two years."

There will be two greased pig contests this year—one for boys and one for girls.

The fair will be held on the 49-acre fairground on Idlewild Road, just outside Burlington.

Some of the highlights follow: Monday, 8:00 p. m., horse pulling contest; Tuesday at 8:00 p. m., beauty pageant; Wednesday, 1:00 p. m., 4-H horse show, and at 2:00 p. m., baby show, 6 months to one year, and at 7:30 p. m., another 4-H horse show; Thursday, baby show at 2:00 p. m., and pony show at 8:00 p. m.; Friday, baby show at 1:00 p. m., and horse show at 8:00 p. m.; Saturday, tractor pulling at 9 a. m., Western horse show at 1:00 p. m., and at 8:00 p. m., horse show.

First State 4-H Electric Conference In August

The Kentucky Youth Electric Advisory Committee is jointly sponsoring the Commonwealth's first 4-H Electric Conference with the University of Kentucky's Extension Service. The conference will be held on the U. K. campus, August 5-7, 1971.

Area winners in 4-H Electric demonstrations for both junior and senior boys and girls will be competing for state awards. The demonstration competition will take place on Thursday evening, Aug. 5.

Thirty-one youngsters will be participating in this first conference. Jeff Scott and Daryl Scudder from Boone County will be representing Northern Kentucky in this first State 4-H Electric Conference.

Verona Residents Buck Postal Change

Postal patrons on Route 1, Verona are fighting to keep their link with the Verona Postoffice.

The U. S. Postal Service plans to consolidate that rural route with one emanating out of the Crittenden Postoffice.

Verona area rural residents feel their service may be impaired at best under the new route merger. And they fear it may eventually lead to loss of their post office and town identity—which, we think is a reasonable conclusion.

One of those fighting the planned consolidation is "Buck" Baker, a self-employed truck driver, who lives six miles outside Verona on the rural route to be consolidated.

"One carrier simply can't serve both routes well," Baker said. "Right now the carrier goes out of Verona at 7:00 a. m. and gets back in at 3:00 p. m. The only way time can be gained to cover the additional part of the combined route will be to cut service," Baker added.

But Hebert Lehman, chief of delivery service at the Cincinnati office of the Postal service, said the full route will continue to get service. "We're consolidating the routes where there are under-employed carriers," Lehman said. "When there is a vacancy then we combine routes which don't take a full eight hours. Now obviously its going to take longer for a carrier to cover the combined route, so it does mean some customers may be getting later delivery."

Lehman added, "Withdrawing a rural route does not necessarily mean the loss of a post office. I assume there are enough people in the community to warrant keeping the post office."

Mrs. Jean Crouch, Verona postmaster, said she is also opposed to the proposal for consolidating the routes.

Ray D. Gullion, carrier on Verona, Route 1, is retiring, and this led to the consolidation, Lehman said.

Baker is circulating a petition and already has some 600 signatures of people on the route who oppose the change.

The route includes Ky. 14, U. S. 42, Ryle-South Fork, Walnut Lick, and Walther roads, and Hume, Concord and Monk communities.

Republican Picnic Set For August 8th

The Boone County Republican Club, sponsors of the annual Boone County Republican picnic, announces this year's festivities will be held on Sunday, August 8th, at Big Bone Lick State Park.

A number of candidates on the state ticket plan to attend as does Congressman Gene Snyder. As customary, the picnic is open to everyone, regardless of political affiliation. The picnic gives people a chance to informally meet and talk to the candidates.

Each family attending is asked to bring a covered dish. The meat course and table service will be furnished by the Boone County Republican Club.

In case of rain, County Chairman Otis Readnor notes the picnic will be held in the spacious facilities of the Erlanger Tobacco Warehouse. Talks and festivities are planned to begin around 2:30 or 3:00 o'clock, according to Dale Campbell, president of the club.

Chest X-Ray Unit at Florence, August 6th

The Boone County Health Department announces that the TB Chest X-Ray Unit, sponsored by the Kentucky Elks Association and the State Department of Health, will be at the Boone County Health Department's new location at 7325 Woodpoint Drive, Florence, on Friday, August 6, 1971.

The hours are 10 a. m. to 12:00 noon and 1:00 to 3:00 p. m. Persons eligible for the free x-rays are those over 18, those under 18 and pregnant women only if referred by a physician.

GETS DOCTOR DEGREE

Henry J. Bindel, Jr., a native of Covington, and the son of Mrs. Ida Bindel, recently completed his Doctor of Science degree at the U. of Maryland at College Park.

Bindel graduated from Simon High School in 1945, and from 1950-1952 was a science teacher at Simon Kenton.

He graduated from Eastern Kentucky University, Richmond, with B. S. and M. A. degrees.

He taught in the Louisville Public Schools, and returned to Eastern for three years as Supervisor of Science. He was an administrator in the Flint (Mich.) School System for 6 1/2 years, and then went to the National Education Association in Washington, D. C. as director of field programs for science teachers. Since completing his work at the University of Maryland, he is with the Baltimore County Public Schools.

His wife, Doris Jean (Brown) Bindel, of Louisville, is a social studies specialist in the Montgomery County Public Schools, Maryland. The Bindels have two sons, Stephen, 21, in the U. S. Marine Corps, and Douglas, 18.

NKSC Receives Grants

Northern Kentucky State College has received four separate Federal grants for expansion through the Department of Health, Education and Welfare, totaling over \$55,000. \$18,316 in matching funds under Title 6 were awarded for general educational equipment purchases. \$11,534 was granted for the purchase of library books, \$16,000 for a community education program in fine arts, and \$9,335 in educational opportunity grants for student aid.

Manpower Needed For New Ambulance

Through the continuous efforts of the Walton Volunteer Fire Department to improve equipment and services to the people of this area, they have come up with another great improvement. A grant has been made through the Federal Highway Act for funds in the amount of \$6,500, half the cost of a fully equipped ambulance. A storage or parking facility has also been made available by the city.

Now the only thing is that the ambulance does not come equipped with manpower. Therefore the local Vols are trying to recruit additional personnel to be members of the ambulance teams.

Two persons were enrolled Monday evening at the City Hall in the ambulance service, which will be a separately but working part of the Fire Department. All new persons enlisted will be trained in various techniques of first and advanced lifesaving.

Interested persons, men and women, are urged to attend another open meeting at City Hall on Monday, August 2, at 8:00 p. m., for further details and enlistments.

Cantata At Richwood

The choir of the Richwood Presbyterian Church will present its first Cantata on Sunday evening, August 1st. It will be held at 8:00 p. m. in the sanctuary of the church on Richwood Road, Walton.

The Cantata is the occasion for the choir's first appearance in their new robes. Members of the choir are: H. P. Baker, Roy Sharp, Clarence Gullion, Rose Lee Scott, Wanda Volt, Bonnie Shields, Cathy Holt, Kathleen Wiley, Sue Robinson, Bettie Alexander, Denyse Gullion, Karen Alexander, Sandy Shields, Paula Alexander, Rhonda Anglin, Jean Ellington, Rhonda Robinson, and Cheryl Brock. The director is Debbie Nix and the pianist is Connie Sharp.

The public is invited to attend.

A woman in describing her holiday said she had visited San Jose. "It's San Hoasy!" said her friend. "In California, you pronounce all the j's as h's. When were there?" "In Hume and Huly," she replied.

SPCA and Court Sever Connections

The Boone county Fiscal Court has severed its connections with the Boone County SPCA, according to reports.

"From now on it will be up to the SPCA to work with our dog warden, Sam Vest, on animal matters," County Judge Bruce Ferguson said.

"And we will deal only with Vest as our official representative in animal matters."

The cutoff came after reported disagreement between the SPCA and Vest were discussed. And a report that the SPCA can no longer provide a temporary animal shelter as it has for the past several months.

David Krueger explained that the SPCA had run out of funds due to a misunderstanding with the Fiscal Court over the manner in which animal care payments were to be made.

The court had agreed earlier to pay \$125.00 monthly for shelter rent and for dog extermination to the SPCA.

"The SPCA was expecting the money," Krueger said.

Judge Ferguson said the court never received a bill, which was necessary before payment could be made.

The court agreed to pay the amount due the SPCA over the past month for these services. But hereafter, all payments will be made to the dog warden, who may then contract for dog services.

Muscular Dystrophy Carnival On July 31

A neighborhood carnival against Muscular Dystrophy will be held on Saturday, July 31, at the firemen's picnic grounds in Walton.

Don Brown Dinner Is Well Attended

Last Friday night at the fund-raiser in honor of Don Brown, candidate for State Representative from Boone County, he pledged himself to be responsive to the needs of the people.

"As your legislator," Brown said, "I will be just one of many in Frankfort, therefore I will not—in all honesty—evade the vital issues—nor will I make hollow promises. The only promise I do make—without reservation—is to be present to the best of my ability the wishes of the people of Boone County. Mine will be a constructive campaign."

Chairwomen for the dinner, at which Gene Snyder was principal speaker, were Mrs. Lucy Alphin and Mrs. Connie Barker. Mrs. Russell Cornett emceed the capacity dinner audience. The invocation and benediction were given by the Rev. William Hodges of Greenview Baptist Church.

PARCEL 2—10¾ acres facing 600 feet on McCoy's Creek Road (a good building site) which runs West parallel with I-71 off Beaver Road—see sign.

PARCEL 3—12 acres facing 600 feet on McCoy's Creek Road (good building site).

PARCEL 4—10½ acres facing 600 feet on McCoy's Creek Road (good bldg. site).

PARCEL 5—14¾ acres facing 600 feet on McCoy's Creek Road.

PARCEL 6—63 acres with over 1,800 feet frontage on McCoy's Creek Road, suitable for farming or for that ranch home.

PARCEL 7—18 acres with 1,150 feet of road frontage on McCoy's Creek Road; a nice building site.

PARCEL 8—24¾ acres rolling to level with large lake plus site of old Stephenson Mill school house with cistern.

ALSO, starting at 4:00 p. m., Parcels A, B & C, being 3 building lots facing on Stephenson Mill Road in Walton City Limits.

REMEMBER we start with Parcel 1 at 12:00 on Johnson Road, just off Stephenson Mill Road, 2 miles West of Walton. Then we move to McCoy's Creek Road and start selling at 1:00 on Parcels 2 through 8, facing on both sides of McCoy's Creek Road, which runs almost parallel North and South with I-71 off Beaver Road, approximately 2 miles West of Walton, Ky. Then at 4:00 p. m., we move over into Walton proper and sell parcels A, B & C, being 3 building lots facing 80 ft., 90 ft. and 100 ft., respectively, on Stephenson Mill Road.

Directions: Take Walton Exit off I-75 and follow auction arrows!

Here is an opportunity to buy a tract of land, large or small, and you set the price.

TERMS: \$25.00 deposit on each parcel sold and execute bond with approved surety bearing legal interest from the day of the sale until paid and having the force and effect of a judgement. Bidders will be prepared to comply promptly with these terms.—MABEL BENSON, Master Commissioner.

Food properly prepared for the home freezer will give much satisfaction during the following months. How about testing your freezer IQ with the following quiz:

Answer True or False:

Food stored in a freezer compartment of a refrigerator should be kept for only a short time as this is rarely 0 degrees F. or below.

2. Hot water can be run over

the sides of a freezer to aid in defrosting.

3. If the electric power fails, the first thing to remember is to keep the freezer closed.

4. A turkey can be stuffed and then frozen.

5. Packaging materials need be only moisture proof.

6. Commercially baked products need an overwrap when frozen.

7. Fruits can be frozen with or without sugar or in a syrup.

8. Foods can be re-frozen.

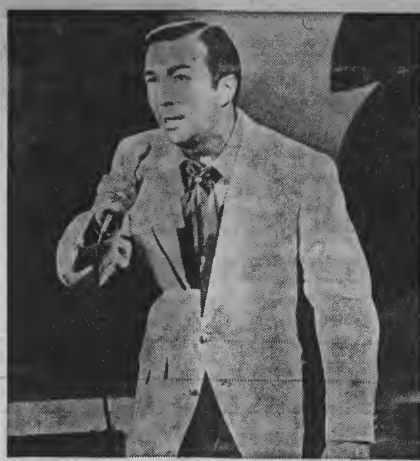

9. Meat can be cooked while still frozen.

10. Vegetables need not be blanched if frozen quickly.

Now for the Answers:

1. True. Only separate freezer compartments or separate freezers maintain 0 degree F. or below.

2. False. Hot water could in-

jure coils that are near the surface of the walls. Use a fan or warm water in a container (do not set directly on freezer walls, but set on wood or newspapers) to aid in loosening frost.

3. True. The freezer will maintain a freezing temperature for about 24 hours if it is nearly full. If power has not been restored within this time, use dry ice or move food to a locker.

4. False. Home freezers do not have the methods of commercial packing plants for blast freezing.

5. Packaging materials should be moisture and vapor proof and air tight.

6. True. Unless used in a few days, they do need an overwrap.

7. True. Fruits can be frozen by these three methods. However, some fruits freeze better when one or the other methods are used.

8. False. Only bakery products can be re-frozen. NEVER re-freeze meats, fruits or vegetables.

9. True. It is difficult to calculate the cooking time but once the meat has thawed a thermometer can be inserted to indicate internal temperature.

10. False. Vegetables always need to be blanched to retard enzyme action.

For further information on home freezing, call the Extension Service and request U. K. Circular 527 on freezing.

W-V Youth Center Dance On July 31

On Saturday, July 31, the Brookville Zoo will make an appearance at the Walton-Verona Youth Club, from 8:30 to 11:30 p. m.

The group members are: Steve Woods, trumpet and vocal; Tommy Williams, drums and vocal; Phill McKinzy, lead guitar and vocal; Steve Hungular, organ, saxophone and vocal; Mark Gray, trombone and vocal; Steve Leistner, base, guitar and vocal.

Saturday of every other week there is a dance. There also many activities at the center to entertain the young people.

WALTON LOCALS

Willing Workers Meet

Thursday evening, July 22, the Willing Workers Class of Walton Christian Church met in the home of Mr. and Mrs. Arthur Russell in Lexington. Mr. and Mrs. Russell, with her mother, Mrs. Groves, gave a cordial welcome to all the group.

The usual potluck supper was served on the lawn with Mr. Russell serving as chief chef over the charcoal grilled steaks, which were especially delicious.

After supper, the business session followed. Mrs. Lillian Acree gave an interesting devotional, reading from James, chapter 1. She then illustrated the similarity of the party of the body to a shoe. After the meeting, a pleasant social hour followed.

Those present were: Mrs. Lillian Acree, Miss Rachel Acree, Mrs. Nell Campbell, Mr. and Mrs. W. W. Rouse, Mrs. Sam Sleet, Miss Mary West, and Mrs. Walter Whitson. Guests were Rev. and Mrs. Thomas Alderson, Mrs. Robert Acree, Miss Lee Ann Acree, and Mrs. Jack Rouse.

Mr. and Mrs. Richard Champney and twin daughters, Karla and Kelly, have returned to their home in Schaumburg, Ill., after spending a week with relatives in Walton. Their daughter, Stacey, remained for a longer visit with her aunt and family. Mr. and Mrs. Don Heinzelman, and her grandmother, Mrs. Ruth Vest. She expects to fly home about Aug. 1. Their daughter, Stephany has spent several weeks in Iowa with relatives.

Mrs. Mildred Robinson and her mother of Crittenden, entertained with a covered-dish dinner recently to celebrate the birthday of Mrs. Nancy Lawson. Those present were Mrs. Robert Horn, Mrs. John Rich and daughter, Mrs. Emma Cheesman, Mrs. Walter Whitson, Miss Beverly Bonar and friend.

The state with the lost lakes is Florida, with about 30,000.

COUNTY AGENT'S 1/2 ACRE

—by—
JOE. CLAXON

Your supply of fresh vegetables does not have to end when the summer is over. By planting certain vegetables you can extend the harvesting season to late November or early December. Some vegetables grow well even after frost has killed most of the common garden crops. Some of the vegetables which you can harvest in October, November or December are cabbage, kale, lettuce, mustard, radishes, broccoli, cauliflower and turnips.

Crops planted in the fall garden as transplants are cabbage, broccoli and cauliflower. Some gardeners start lettuce in seed flats, then transplant the plants to the garden from August 15 to September 15. Cabbage, broccoli and cauliflower should be transplanted to the garden about July 15. Allow 5 to 6 weeks for growing your transplants.

Seed carrots and kale about the 15th of July in order to give them enough time to develop. Mustard, radishes, and turnips should be seeded August 1-15.

All of the fall crops except carrots and radishes will need dusting or spraying to control insects. The insecticides used throughout the summer may also be used on the fall crops. These materials are Sevin, malathion, and methoxychlor. Follow the manufacturer's recommendations printed on the package.

Apply 4 to 5 pounds of 5-10-10 or 6-12-12 fertilizer per 100 feet or row. Mix fertilizer with soil before dropping the seeds.

Open a furrow, drop the seeds, apply 1 gallon of water to each 10 feet of row, and then cover the seeds. Cabbage, broccoli and cauliflower need to be irrigated. Unless water is available for irrigation, these crops may not mature.

NOTE: Agronomy Field Day will be July 29th. It begins at 9:30 a. m. and everyone is invited. It is at the Agronomy Research Farm, located on the Iron Works Road, Lexington, Ky.

Mistress: Speak, Fido, speak!
Fido: What'll I say?

Chaos In The Courtroom

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

Since ancient times, the attorney's duty has been to advocate his client's cause with vigor and zeal. But this duty has long been subject to limitations designed to preserve the integrity of the judicial process. An attorney is obligated to protect the interests of his client. However, if he speaks and behaves in such a manner that undermines the judicial office, he may be cited for contempt of court. If he speaks and behaves in such a way as to create unfair bias against the defendant, plaintiff, witness, or the court, a favorable judgment may be overturned by an appellate court upon finding a prejudicial misconduct.

Though the line between verbal misconduct and statements within the bounds of legitimate argument may not be considered by some—especially those within the profession—to be a line at all, it is at best an unpredictable and ill-defined gray area whose shadings change from case to case and from judge to judge.

In recent years, there has been a growing complement of attorneys with radical views—such as William Kunstler, defense attorney for the riotous "Chicago 7"—who are adding to a mounting number engaged in "incivility" in the courtroom.

Since my early days in law school, I have had a high esteem for the legal profession and though I certainly do not agree with Chief

Justice Warren Burger's highly questionable Cassius Clay decision, I do agree with him in his address before the American Bar Association last week that the profession must impose "more stringent discipline" on unruly lawyers and outside forces.

The courts should require and insist that counsel both appreciate the true nature of the courtroom process and adhere to their professional obligations to their clients and to society. Anything less will surely result in tragedy and chaos in the courts.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The other day, just before leaving for Texas, someone called me and asked several very interesting questions. The questions were the type that would thrill any pastor or church member, when coming from the lips of a non-church member. The first question they

asked this writer was, "How can one church have so much singing talent when others seem to have so little?" The second question was, "How could any minister preach the evangelistic sermons that you preach, Sunday after Sunday, without being repetitious?" Now this writer did not want to be hasty or seem to be too boastful in his answers to these two questions; however, he did recall that Paul could write, "But he that glorieth (boasts), let him glory in the Lord," (II Cor. 10-17).

Thus we will "boast" or "glory" in the Lord as we answer these two questions. The reason that we have so many talented singers and musicians is that we have so many people who love God, because "God commendeth His love toward us, in that, while we were yet sinners, Christ died for us," (Romans 5:8). And to all of our talented people this is enough to sing about. Then again we also practice what Paul preached to the Colossians when he wrote, "Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord," (Col. 3:16). Thus when one knows that God has given them this talent to worship Him they had better get busy doing just that. This writer has an old saying that goes like this: "If you can sing, and want to sing, you

ought to be put in Sing-Sing until you do sing." As for the second question, we have no problems of finding new Scripture Passages for new messages each service. In fact, this writer has the great problem of deciding which one the Lord wants him to deliver to the people. As we study and pray, we enjoy the heavenly Fellowship with Holy Spirit, and He guides us into the knowledge of all things that Jesus has instructed Him to inform us to preach. I get so disgusted at times hearing preachers remark, "I don't know what I am going to preach Sunday, I just don't seem to have anything left that I haven't already preached." Man if you preach from the Bible, the Holy Word of God, you could live to be a thousand and never have exhausted the Messages from God! But this does require a steady prayer and study habit for anyone to do this. We found ourselves in that situation only once and corrected it by renewing our Fellowship with Holy Spirit. Try it just once, and I guarantee that you will never want to try anything else once you spend some time with Him. And we practice to preach the Bible; not a message of "you ought to do this" or "you ought to wear this" or "you need to say this." We preach the Word, and if the Word of God does not convict you through the power of the Holy Spirit then it will be like water falling on a duck's back, wont mean a thing (read John 16:7-15). So this individual and this

writer are now on mutual grounds. We love good gospel music and good gospel preaching. And you get both at New Banklick Baptist Church.

We are so proud of our Youth of New Banklick Baptist Church. We have had the great joy of witnessing several of them take leading parts in their service for Jesus Christ. First, in our Youth Choir, we have several future music leaders: Mike Schaeffer, who did a wonderful job during our Gospel Singing some weeks back; likewise, Jeanne Lawson, Terri Kyles, Rita Fisk; and from the Junior Choir, Stephanie Grayson and Vickie Kinser. These kids are to be congratulated for such fine work for Him.

If you have no church affiliation, and love good gospel music and preaching, then New Banklick Baptist Church is the church for you!

All Saints Annual Festival

The All Saints Annual Festival will be held Saturday, July 31 and Sunday, August 1. There will be a chicken or roast beef dinner on Saturday with serving from 4:00 to 7:00 p. m. and on Sunday from 12:00 until 7:00 p. m. There will also be booths, rides and refreshments. The grounds are located on Needmore St., Walton, with plenty of parking.

My wife writes me that she is all unstrung, what shall I do? Send her a wire.

UNREALIZED IDEAL

Lesson for August 1, 1971

Background Scriptures: Exodus 20:12; Ephesians 5:21 through 6:4; Devotional Reading: Proverbs 31:10-22.

"PAUL IS A MALE CHAUVINIST!" read a placard carried by a Women's Liberation advocate in a recent demonstration. There were probably many spectators who asked, "Paul, who?", but many of us, familiar with the traditional criticisms of the Apostle Paul and his view of women, got the point.

Many of us are familiar with the view that Paul was: (1) a woman-hater; (2) anti-marriage; and (3) a tyrannical family structure. These criticisms, however, are mostly very unfair to Paul. Paul's concept of both womanhood and the family were, in reality, actually revolutionary for the day in which he lived.

"A piece of property" To understand Paul's contribution to both womanhood and family life, we need to realize what was the status of the woman in Paul's day. The Jew's view of womanhood was generally very low. Every morning the Jewish male gave thanks that God had not made him "a Gentile, a slave, or a woman." The Jewish woman had few rights and was little more than a piece of property for her husband.

In the Greek and Roman worlds the standards were even lower. The wife had only two functions: bearing children and managing the household. Loving her husband, being his companion, sharing his life, were not part of the concept of marriage. A married woman was little more than a slave and her husband's rights were almost unlimited.

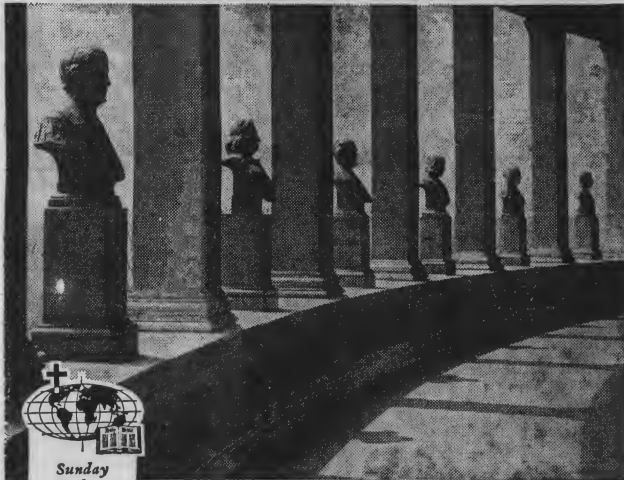

When we view Paul's teachings, then, we can see what a tremendous change he was calling for. True, Paul's vision was limited from our perspective (he did not anticipate a day of legal equality), but it was revolutionary for his time and, if we understand it, still an ideal that is seldom reached in our society.

"Wives, be subject to your husbands, as to the Lord" (Ephesians 5:21). Note that this submission is to be the same kind of voluntary, uncoerced submission, we give to Christ. There is a world of difference between this and the standard of his own day. Paul's society was not about to confer legal equality on the wife, but Paul found a way of erasing the old bondage.

"Husbands, love your wives" Furthermore, look at the obligation he has placed on the husband: "Husbands, love your wives as Christ loved the Church and gave himself up for her" (5:25). If any man of Paul's day tried to follow this admonition, he had to lift the level of his family life several thousand per cent! What an ideal—even today!

Legal equality and democracy in the home are of great importance. Yet, legal rights cannot take the place of the kind of loving relationship of which Paul is speaking in Ephesians.

"Hall of Fame, New York University" is the way our photographer labeled this shot. Then our editor strained his eyes to see if he could make out any of the names of these great men on the tablets below the busts. He couldn't! Seven great men, but their names are lost in the shadows.

Nor does that fact obscure their greatness. The contribution each made to his fellow men remains. Yes, their greatness lies in the kind of men they were. The goals they strove for. The fruits of their perseverance and dedication.

They are not great men because they are in bronze. The bronze came later!

The largeness or smallness of our lives is measured in what we are, what we strive to be, what we aim to contribute. Yet these human elements are insufficient without the divine element—faith in God.

Today the Church is helping to mold greatness in many men. Someday a grateful posterity will cast a few of them in bronze.

Staffordsburg

Mrs. J. A. Keeney, Reporter

The oldest citizen of their neighborhood, Mrs. Caroline Armstrong, has been a patient in Booth Hospital since July 20. We would like to hear that she is improving.

David, the 11-year-old son of Mr. and Mrs. David Damon, of Steep Creek Road, was seriously injured in a tractor accident. No one saw him and it is not known just what happened. He had surgery and is now improving. We hope he will soon be as good as new.

Mrs. Lydia Rees, who has been convalescing following surgery, at the home of her sister, Mrs. Geo. Fennell, seems to be recovering nicely. He hopes to be able to return home quite soon.

I recently received a letter from Thelma Miller and a picture of Mrs. Ida Keeney, taken on her 91st birthday.

Mr. and Mrs. Dawson Ballinger and Mr. and Mrs. Walter Maddox spent Wednesday with Mr. and Mrs. William Brammick of Kelat, Ky. Everyone enjoyed the day a great deal.

Dale Pepon and Jeffery Losey spent some ten days at Wilmore camp meeting, where they were joined part time by Rev. and Mrs. Pepon, Lola and Seth.

The Staffordsburg Homemakers Club enjoyed a picnic at the home of Mr. and Mrs. Don Nehring on July 20. They recently moved into a new home on Camp Ernst Road, where they have an antique shop. They have a beautiful home and the items in the shop are quite interesting. Tables were set in the basement and a delicious meal was enjoyed. During the business session it was decided to make a donation to the Kenton County Fair. Among those present were: Mesdames Clara Nehring, Frances Elam, Bess Hill, Marie Rich, Ethel Mann, Georgia Rapp, Opal Shaw, Oeora Binder, Evelyn Harney, Shirley Damico, Jimmie and Genevieve Nitschke, Helen Weyman, Nancy Brautigan, Wayne and Amy, Lena Fennell, Kathryn Wharton, Lizzie Faulkner, Francys Keeney, and Mrs. Cooper and Miss Nehring. It will not be long until September 7, when we meet again.

Mrs. Gertrude Holthaus of Arizona, is visiting her son, Bernie Cavanaugh, and family.

Mrs. Robert Brinkley and daughters visited Mr. and Mrs. Carsee Brinkley, who had recently returned from a visit to Phoenix City, Ala., and on into Florida.

Mrs. Russell Rector spent a week with her son, Roy, and family of Cincinnati.

Becomes A Life Member

Bryant Rust, Walton, has become a life member of the American Polled Hereford Association, according to an announcement from the beef breed association's national headquarters in Kansas City, Mo. Polled Herefords are the fastest growing major beef breed in the world.

Boone Road Improvements

Highway Commissioner B. E. King, Frankfort, has announced the addition of three road improvement projects to Boone County's 1971-72 Rural Secondary Program. Bituminous resurfacing is planned for 1.7 miles of Ky. 237, 1.4 miles of Ky. 1292, and 1.9 miles of Ky. 14. Rural Secondary projects are financed by two cents of the 7-cent-per-gallon motor fuel tax.

Booth At County Fair

As in past years, the Republican Club of Boone County, will operate a booth at the Boone County Fair, the week of August 2-7.

This year literature will be available on the GOP state ticket, in addition to that of Don Brown, candidate for the state legislature from Boone County. Information on registration will also be available.

Many of the state ticket candidates plan to attend. Operators of the booth note that volunteers are always welcome.

Republican Women to Meet

Mrs. Russell Cornett, President of the Boone County Republican Women's Club, announces that the regular August meeting of the club will be held Tuesday, August 3rd at 1:00 p. m. Mrs. Robert McManus will host the group at her home at 62 Utz Drive, Florence. All interested women are invited to attend.

New Attractions At Kenton County Fair

Oecil Cummins, Piner, Chairman of the Kenton County Fair Board, Inc., has announced the addition of a "Kenton County Little Miss" contest, an Arabian horse show, art exhibits and sales, and handicraft exhibitions to the 1971 Kenton County Fair and Horse Show. Almost every aspect of the fair has been expanded, promising fun for the entire family. The fair will be held Tuesday through Saturday, August 10-14, at the fairgrounds located at Taylor Mill Road and Harris Pike, Independence.

Highlighting the opening of the fair on Tuesday, Aug. 10, will be the selection of the Miss Kenton County.

Mrs. Wesley Hall and Mrs. Evelyn Rector organized an art exhibit, giving local artists an opportunity to compete and display their talents to the community. Three categories of exhibits will be open to both children and adults. These are: oil and acrylics; water color; pastels or others.

Girls, ages 3-6 by August 10, who are residents of Kenton County are eligible to enter the "Little Miss" contest.

Along with the new additions to the fair, there will also be the baby contest, and children's pet parade, which in the past has included snakes, turtles, cats, dogs, goldfish, and many other favorites of the children.

There will be carnival rides for fun and many various concessions. Kenton County farmers will have an opportunity to demonstrate their skills and equipment in the tractor pulling contest.

Open classes of cattle, horses, flowers, sewing, baking, canning, garden vegetables, and many others can be entered. There will be 4-H and FFA exhibits and competitions with the assistance of Wm. T. Straw and Miss Connie Langford, county agents, and John Gray, vocational agriculture teacher.

The Kenton County Fair Board members invite everyone, rural and city, to come to the biggest fair ever.

Other officers and board members are: Charles Casey, vice president; Bob Maddox, treasurer; Ruth Marcum, secretary; Lloyd Bridges, Harold Bray, Jim Kennedy, Roy Klein and Stanley Bird.

BIRTHDAY CELEBRATION

Mr. and Mrs. Ernest McCormick of Senour Road, near Taylor Mill, were spending vacation days on Big Bone Riverside, but after a few days of heavy rains decided to give up and return home Monday, July 26.

On arriving home, they found their home quite full of guests who came as a surprise on Mrs. McCormick, as it was her birthday. After word got around that the McCormicks were coming home, Mrs. Billye Pennington and Mrs. Mary Hiatt, acting as the co-hostesses, gathered friends together, each bringing a covered dish.

Games were played, prizes given, an outdoor grill erected and a cookout started at 5:00 p. m. It rained and kept everyone indoors, but all had a good time.

Mrs. McCormick received nice gifts from all.

The party began at 1:30 p. m. with no time limit. A few left about 5:00 and others stayed until 9:00, and the last guests stayed until 11:30.

Mr. McCormick topped the day with ice cold watermelon from Boone County.

Those present were: Mrs. Virginia Hogan, Mrs. Betty Clary, Mrs. Emma Caryl McPherson and son, Timmy, Mrs. Kathryn Pittman, Mrs. Sarah Antrobus, Mrs. Emma Julia Auton, Mr. and Mrs. George Lightner and girls, Missey, Sue, Judy, Amy and Becky, Mrs. Mary Hiatt and son, Timmy, Mrs. Billye Pennington and daughter, Lora, and son, Glenn, Mr. and Mrs. McCormick and children, Rickey and Julia.

Mrs. McCormick received four birthday cakes. They are regular subscribers to the Walton Advertiser, and enjoy it every week.

KENTON CO. SCHOOLS OPEN ON AUGUST 30th

The bad news has gone out to Kenton County school students—vacation is nearing an end.

R. C. Hinsdale, superintendent, has announced that class will convene on Monday, August 30th.

For teachers, the holiday end comes even sooner, with an orientation program set for Wednesday, August 25. The next two days will be devoted to in-service training projects.

The first holiday of the year is on Monday, September 6—Labor Day.

Mr. Hinsdale said school officials anticipate an enrollment of 10,500—up several hundred from last year.

LEONARD COOK ILL

Leonard Cook, Sr., Walton, well known former tobacco man, is a patient in St. Elizabeth Hospital, Covington. He is suffering from a heart attack and is said to be in a serious condition.

SHIELDS REUNION

The annual Shields reunion was held at Big Bone State Park on Sunday, August 1.

Those present were: Mrs. Dora Jones, Mr. and Mrs. Beckham Shields, Mr. and Mrs. Raymond Shields, Mr. and Mrs. Floyd Shields, Mrs. Aline Stephens, Faye, Ricky and Tommy, Mr. and Mrs. John Shields, Mr. and Mrs. Paul Shields and Patricia, Mr. and Mrs. Edward Bowen, Mr. and Mrs. Virgil Shields, Nelson, Steve, Keith, Brenda and Greg, Mr. and Mrs. Lloyd Shields and Judy, Mr. and Mrs. Floyd Shields, Jr. and Jeff, Mr. and Mrs. Larry Stephens, Wayne and Shanna, Mr. and Mrs. Robert Shields, Barbara and Margie, Mr. and Mrs. Alfred Love, Gary and Denise, Mr. and Mrs. Edward Shields, Eddie, Jr., Steve and Norma Jean, Avery Johnson, Mr. and Mrs. Silas Johnson and Bonnie Sue, Mrs. Jessie Campbell, Mr. and Mrs. Jack Shield and Sheila.

Mr. and Mrs. Jesse Humphrey, Donna, August and Carleen, Mr. and Mrs. Clinton Shields and Val, Mr. and Mrs. Glenn Jones, Mark and Keith, Mr. and Mrs. Reuben Jones, Debbie, Bill, Penny, David and Larry Joe, Mr. and Mrs. Guy Wilson and Tracy, Mr. and Mrs. Jack Armstrong, Kenny and Robie, Mr. and Mrs. Bob Pelley, Mr. and Mrs. Joe Woods, Mrs. Randall Shields, Timmy, Angie and Tonya, Mr. and Mrs. Alfred Pence and Bryan, Mr. and Mrs. Larry Giltiam, Mr. and Mrs. Dale Williamson, Terry, Linda, Joan, Daryl and Kevin, Mr. and Mrs. Edward Osborne, Mr. and Mrs. John Arrasmith and Cheryl, Mr. and Mrs. Jack Frommel, Robin Jones, Diane Renaker, Jeff Smith, Kim Tagert, and John Hammonds.

Jury Load Is 10-Year High

Approximately 90 cases will be investigated by the Kenton County Grand Jury which was impaneled on Monday of this week by Judge Melvin T. Stubbs in Kenton Circuit Court.

"This represents the greatest number of cases that have been referred to any grand jury impaneled in this court in the past 10 years," Judge Stubbs said.

In his charge to the grand jury, Judge Stubbs said:

"It is not my function as presiding judge of this court to discuss individual cases which you will be called upon to consider. I do point out, however, that many of these cases referred to you from the lower courts involve breaking and entering and theft of property.

"The increase in crime rate, not only locally but throughout the nation, presents serious and complex problems for our law enforcement officers and places deep concern in the minds of our people. No right is more basic and fundamentally a part of America than the right of the individual citizen to security of his person, home, business and property generally.

"The violation of one's rights in these aspects can neither be overlooked nor excused," Judge Stubbs said.

WALTON-VERONA HIGH SCHOOL PRINCIPAL & WIFE

Mr. and Mrs. Robert R. Thompson

Robert R. Thompson is a graduate of Berea College with a major (B. S. degree) in vocational agriculture in 1942. He spent about three years in military service and then returned to teach vocational agriculture in the Pulaski County School System. He received the Master's degree in education from the University of Kentucky in 1958 with a Standard 12-grade principal certification.

Mr. Thompson was principal of the Burnside Elementary and High School for six years, principal of the Shopville High School for four years, assistant principal of the Pulaski County High School two years, and was employed as principal of Pulaski County High for the coming year. He resigned to accept the principalship of the Walton-Verona High School for the 1971-72 year.

Mr. and Mrs. Thompson moved to this area the last week of July, and he assumed his responsibilities here August 1.

Mrs. Thompson is employed as a teacher by the Walton-Verona Board of Education. She is a graduate of Eastern State University and received her Master's degree in education from the University of Kentucky in 1958. Her previous work experience includes teaching Home Economics and English in high school and science in the Junior High. For the past 12 years she has been director of the school lunch program for the Pulaski County School System.

Mr. and Mrs. Thompson are the parents of three children: Warren is a recent graduate of the University of Kentucky and is employed as an accountant with the Robert Mfg. Co., Troy, Ohio; Elaine Sue is a junior at Union College, Barboursville, and Carol Jean recently graduated from high school and plans to attend Western State University this fall.

Welcome to our town, folks!

The 1971-72 officers and members who attended were: Rick Hamlin, president, Independence; Jim Murphy, vice president, Morning View; Glenn Finnell, secretary, Morning View; Bill Eubank, Fort Mitchell, temporarily took Dave Jackson's position as treasurer, who could not attend; Joe Cathoun, reporter, Independence; Ron Covey, sentinel, Independence, and John Gray, advisor, Morning View.

Other members and guests who attended were Pat Helmer, member, Walton; Charles Northcutt, a member, Walton; Jeff Gray, guest, Morning View, and Russell Gray, guest, Harrison County FFA.

Each day started at 6:00 a. m., when the cabins were cleaned for the daily inspection. Breakfast was served at 7:00, when each member was served a good variety of meals.

Hourly instructional classes began at 8:00 for officer training and committees, at 9:00 for chapter organizational discussion, and at 10:00 each chapter met to practice, study, debate, plan and train for the on-coming year.

Two hours of special interest classes were participated in 11:00 to 1:50 by members, who could choose one of the following as a class: Beginners swimming, FFA, photography, electrical work, driver safety, first aid and water safety, hunter's safety, forestry, tractor driving, boating, fisherman, and agricultural occupation.

Lunch was served at 12:00.

At 2:00, the chapters were broken down into recreational groups who competed against each other in major softball, volleyball, and basketball, and minor sports such as horse shoes, badminton, shuffle board and ping pong. Each team received points for their win.

Supper was then served at 6:00, and everyone then prepared himself for the nightly FFA meeting.

Following the meeting, the swimming pool was open from 8:00 to 9:30 and softball was also played on the lighted field at this time.

Thursday afternoon, a field meet was held for the recreational groups, who competed in rough competition against each other for the win. Following the field meet a boat race was also held.

Thursday night, each group competed in the swimming meet, and dives and swimming relays were a part of the program.

The day ended at 10:30 when everyone was in their cabins and then taps were played.

All the officers are now looking forward to going to the National Convention in Kansas City, Mo., in October.—Reporter

PINER CLEVER CLOVERS

The last meeting of the Piner Clever Clovers was held at the home of Debbie Wolfe and she served as hostess.

Andrea Ballard, president, called the meeting to order. Pledges were led by Judy Magee. Two songs were sung, after which roll call was given and members answered with something dealing with their favorite project.

Members present were: Andrea Ballard, Rhonda LaFollette, Judy Bray, Debbie Wolfe, Cheri Smith, and Judy Magee. Two guests were also present, Mrs. Smith and Doug Smith. Three leaders were present, Mrs. LaFollette, Mrs. Bray and Mrs. Ballard.

The leaders had encouraged the members to have their projects completed by time of the fair. The recreation was held before the meeting.

The next meeting of the club will be held at the home of Cheri Smith.—Reporter

Chest X-Ray Unit at Florence, August 6th

The Boone County Health Department announces that the TB Chest X-Ray Unit, sponsored by the Kentucky Elks Association and the State Department of Health, will be at the Boone County Health Department's new location at 7325 Woodpoint Drive, Florence, on Friday, August 6, 1971.

The hours are 10 a. m. to 12:00 noon and 1:00 to 3:00 p. m. Persons eligible for the free x-rays are those over 18, those under 18 and pregnant women only if referred by a physician.

Don Davis To Head Kenton Co. Schools

The Kenton County Board of Education ended a ten-week search for a new superintendent when it promoted Don Davis, assistant superintendent, to the top post.

Robert Scott, long-time chairman of the board, announced the appointment, effective this week. A half dozen educators had applied for the position.

Davis, active in both state and local education organizations, is a graduate of Dayton High School, and the University of Cincinnati. He also holds a master's degree from Xavier University.

Prior to joining the Kenton County system in 1962, he was principal at Bellevue High School. He also held teaching positions at Covington Holmes and Dayton.

He is a Rotarian and the retiring president of the Kentucky High School Athletic Association.

He succeeds R. C. Hinsdale, who resigned on the advice of his physician following an auto accident last winter. During his tenure, Hinsdale supervised the construction of an equivalent of a new school each year and Kenton County enrollment approximately doubled.

Home Building Hits New High

Multi-family construction led the way for a record \$16 million-plus housing starts in Northern Kentucky for the first half of 1971.

The residential building industry recovered, with plenty to spare, from last year's dismal lag.

Heaviest construction of building activities was in Boone and Kenton counties.

Figures show that single-family starts and valuations for the first six months of 1971 as:

Boone County, 128 for \$2,106,992, and Kenton, 178 for \$3,703,635. Figures for multi-family construction so far this year were: Boone, 258 for \$1,899,000, and Kenton, 605 for \$6,275,992.

Two new projects in Florence, halted for a time by that city's moratorium on multi-family development, accounted for more than 200 of the county's total.

Totals shown for residential construction do not include motels, schools and public and private office buildings.

some of the questions that I've been asked most often:

What type of canner should I use? Tomatoes, rhubarb, sauerkraut and fruit can be safely processed in a water bath canner. A steam pressure canner is needed for processing all vegetables except tomatoes and for meats, too. This is because a temperature higher than that of boiling water is needed to kill harmful bacteria in low acid foods.

How much headspace do I need to leave in jars? A general rule is one inch for low acid vegetables, 1/2 inch for tomatoes, 1/4 inch for pickles, relishes and juices, and 1/8 inch for jams and jellies.

Should tomatoes be packed in their own juice? Yes, for the cold-pack method, you can cover with boiling tomato juice or else press the tomatoes gently to extract their own juice. For hot-pack method, the tomatoes will make their own juice, too. Do not add water as this can cause spoilage.

How should processed food be cooled? Remove jars from the canner as soon as processing is completed. Cool jars top side up on a cloth or rack away from drafts. Allow for air circulation around the jars. Micro-organisms that cause food spoilage can begin to develop if the food is left in the water to cool.

When can the metal band of the two-piece vacuum seal be removed? After 12-24 hours, check the seal and remove the bands.

COUNTY AGENT'S 1/2 ACRE

The tobacco hornworm is beginning to show up in several tobacco fields. Adults emerge in late spring and deposit spherical green eggs singly on the underside of tobacco leaves. The eggs hatch in from four to five days. The emerging larvae molts four or five times, reaching full development in approximately four weeks, and there may be from one to four generations per year.

Those white cocoons you see externally on the hornworm are parasites and should not be destroyed. Numerous other natural enemies aid in control such as the stink bug which attacks hornworm eggs. If hand picking will not suffice and you locate 5 medium to large larvae per 100 plants, then it should be economically feasible to control them by using insecticides.

Sevin, Guthion, Thiodan, and Lornate are materials which should

provide good control. Guthion, Thiodan and Lornate are highly toxic. Read the label and follow directions carefully.

Southern Corn Blight has increased in severity in Kentucky over the past several weeks. In some areas we have had severe damage reported on unknown varieties (presumably "T" cytoplasm), known "T" varieties and blends. In many instances these have reached infection stages 3-4. Infection is classified on a basis of 1 to 5 with 5 being severe and with lesions all the way to the top of the plant. The varieties to date which have been affected this severely are: Golden Acres (T), Yoder 3349A (T), DeKalb LX64, SS 750, SS820, PAG 751, PAG 492, DeKalb XL85, DeKalb 805 (50%), SS860 (50%), Funks 5757 (33%), DeKalb 66, Pioneer 3369A, Parks (T), and many varieties not named. Serious outbreaks have also been reported on two normal cytoplasm varieties. These are Stulls 907 and Trojan 119. Several counties have reported Stulls 907 as being severely diseased while only one report of Trojan 119 N has been reported. Spots have been found on several of the other N-cytoplasm varieties but none of these have been classed as serious to date.

Youth Choir Sings "Tell It Like It Is"

The Youth Choir of Walton First Baptist Church began a tour this week that will take them to St. Louis, Mo., Louisville and Versailles, Ky. They will be presenting the musical, "Tell It Like It Is," in 5 churches before returning home on Sunday. This group will also sing at the Kentucky State Fair on August 22nd.

VERONA

Flonnie Edgington, Reporter

Miss Karen Hamilton returned home Sunday from Ft. Knox, Ky., where she had been visiting her brother, Mr. and Mrs. Jim Bob Hamilton, and three children.

Mrs. Frances Wilson was calling on Flonnie Edgington, Saturday.

Mr. and Mrs. Alwood Greenwell, Mrs. Iris Hughes and Mrs. Flonnie Edgington were calling on Mrs. Flossie Greenwell, who remains very ill at the home of her daughter, Mr. and Mrs. Fred Hamilton.

The Jones reunion was held at Big Bone Park, last Sunday. Several of them didn't get to attend, but there were several who did and all had a nice day.

Mrs. Geneva Baker, Mrs. Jean Crouch, Mrs. Allie Chandler and Mrs. Mabel Roadmour attended the Grand Old Opera in Nashville, Tenn., Saturday night.

James Whitson of Lexington, was visiting his aunt, Flonnie Edgington, recently.

Hand Washing

A routine but thorough washing of hands before every meal may seem old-fashioned, but it's still one of the best ways to prevent the transmission of germs. Recent studies by physicians and public health authorities indicate that relaxed personal hygiene habits lead to increasing incidents of infectious diseases. Accordingly, proper hand washing by both adults and children can be a big help in cutting down illness.

Donating Blood

Be a life-saver by being a blood giver! Donating blood is a safe, painless, and a satisfying experience. An average adult has 10 to 12 pints in his body, with an average donation consisting of only one pint. Giving a unit of blood stimulates a healthy person's body to make more blood, and the blood count quickly returns to normal. It is only natural to be apprehensive about giving blood; however, millions of individuals are living today because of donors who have overcome their fears and realized the importance of giving blood.

Medical Information For Campers

Before sending your child off to camp this summer, be sure he has had a complete physical examination and that the examining physician furnishes the institution with all pertinent information. Failing to provide sufficient information for the institution to give adequate medical treatment in the "absence of parents" could prove fatal. Information should include pre-existing health defects, a record of pertinent past illnesses, allergies and sensitivities, the child's immunization status, and any current treatment.

Whine With Meals

In any party gathering of more than a quartet of people, there's bound to be a chronic complainer. He may be very polite; he may be a very polished conversationalist; but the gist of his remarks — as soft spoken as "has the tang of whine. He can be a thorn in the hostess's side if she allows his remarks to bother her.

If you've painstakingly prepared a delicious curry dish, for example, he can dampen your spirits with a remark like: "I once ate at a fine Indian restaurant where the curry was really superbly prepared." Instead of passing up the asparagus quietly, he'll go on to tell you how he loathes the smell, the look and texture of the vegetable. He's the one who always has proverb-sounding maxims to spout like "Ice water with meals spoils the digestion" or "Fruit must never be chilled." Or, "Black coffee gives you heartburn."

A guest who is too full of whine at the meal can be neatly squelched—but it's not really the hostess's place to do it—after all he is still in invited guest. But if someone else does the job for you, all the easier. Guests who come with a mocking attitude, a supercilious sneer, or a disgruntled personality almost deserve to have the chip knocked off their shoulders.

For the hostess, the only thing to do is remain her cool gracious self. Serve the meal as planned, yet offer the whiner a choice of alternatives if he remains adamant. "Would you like some tea instead of coffee?" or "Can I get you a glass of Pepsi-Cola if you

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The temperature was a cool 68 degrees in the early morning as we headed our camper down the

At 48 Wayman Drive, Independence; 4-room plus utility and garage, one-half acre.

RUBBE Realty - 356-9250

long stretch of I-71 heading to Waco, Texas. The rain caught us as we approached Nashville, Tenn. This meant a cool drive toward our destination, Waco, Texas. As we approached Memphis, Tenn., the temperature changed to a hot 95 degrees. That was not too bad, not really for the time of the year, and in the deep south. The change suddenly was felt when in Tyler, Texas, the sign flashing on top of the bank read 104 degrees. Then, we knew it was hot. But we continued our trip and arrived safely in Waco. The Lord had once again seen us to our destination—and to our many friends of the past.

We were received graciously at our former pastorate at the Connelly Heights Baptist Church, and their gracious pastor, Brother Tom Lanier, received me in Christian love. We had the joy of preaching to some wonderful Texans once more. The family and I were given a special ice cream social (and with the 104 temperature, it was welcomed) on Saturday night, that many of our former associates could visit with us. We had the joy of visiting in several of the homes of those that had been so wonderful to us during our pastorate with them. God continues to bless that church with many new souls and a new sanctuary last year.

We had to leave Waco early on Wednesday morning, and we awoke early to find that the rains had come after many dry days in Texas. It rained all the way to Louisiana, where we camped for

the night. We arrived in Alabama late Thursday evening, and after having a family reunion after over two years, we retired around midnight, and boy, did we sleep like logs. We arose the next morning to have the joy of receiving many of our friends of years past, and having telephone calls from many more. Truly, "Distance makes the hearts grow fonder," for we do love everyone of our friends in each pastorate we have served our Lord.

Then came the great joy of visiting my mother who I had not seen for over a year. We have so many things in common, but the greatest of them is her love for books. We have always been great readers; however, mom is going blind, and she had some great books that she wanted me to have for my library, so she gave me as many as I could haul back to Kentucky. They will be cataloged and made available to our members at New Banklick

Baptist Church.

We had the great joy of preaching in our home church Sunday, July 25, which was the first time in almost 10 years. This was a great thrill to all of us. Their pastor, Brother William A. Carter, is a wonderful man of God, and one who we enjoyed being with Saturday night. He formerly worked with the film company who filmed the "Cross and the Switchblade," and is a wonderful man to know. We see great things in store for our home church, The Garywood Baptist Church, if all will shoulder the load together for Jesus Christ.

We will be heading back to Kentucky by the time you read this article, and we want all of our readers to know just how much we miss all of you. So you continue to pray for us and a safe journey home to continue in our service for Jesus with all of you wonderful folk. We will write more about our trip in our next article. So just remember the times of our services, and the Lord willing will be with you on Sunday, August 1.

Wife to aspiring politician: How was the applause after your speech? Husband: It sounded like a caterpillar in sneakers romping across a Persian rug.

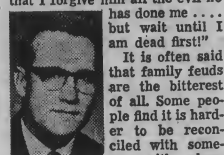

MY BROTHER'S FACE

Lesson for August 8, 1971

Background Scriptures: Genesis 27:1 through 28:5, 33; Matthew 21:28-31a.
Devotional Readings: Colossians 3:12-17.

Frederick the Great of Prussia, shortly before his death, was counseled to forgive his enemies. After some contemplation of this advice, he said to the queen: "Dorothy, write to your brother that I forgive him all the evil he

has done me . . . but wait until I am dead first!" It is often said that family feuds are the bitterest of all. Some people find it is harder to be reconciled with someone with whom they were closely related because this "closeness" often makes the hurt harder to bear. People who are closer to us have the greater opportunities to cause us pain and anguish.

A troubled house

When we read the first portion of the story of Jacob and Esau it seems that these two brothers are never likely to be reconciled. The wounds and the hurts have been made too deep, it seems. There was favoritism in the family; Esau was Isaac's favorite while Jacob was a "mother's boy." There was also dishonesty and deception; twice Jacob had tricked Esau out of something that belonged to him. We can well understand why his mother advised Jacob to go away for a while until things "cooled down."

So Jacob left home and made a long journey to visit his uncle Laban. On the way to Haran, Laban's home, Jacob has a mystical experience of a ladder reaching to heaven in a dream. When Jacob arrives at his uncle's place, he seems a changed man. He becomes hard-working, honest, productive, even though his uncle manages to cheat him with his daughters.

At last there comes a time when Jacob decides to return home. Many years have passed and he has not seen his family. He remembers his brother's hatred: will he still be seeking vengeance? Nevertheless, Jacob decides to face the consequences. He must take this risk if he is to be re-united with his family.

But Esau ran . . .

Can you imagine what Jacob must have felt and thought as he approached his brother's land? Esau might very well kill him as he had once vowed. Yet, the writer of Genesis tells us: "But Esau ran to meet him, and embraced him, and fell on his neck and kissed him, and they wept" (33:4). Is there anywhere a more poignant reconciliation scene than that?

No one can deny that Jacob had been a scoundrel and that he had rightly earned Esau's hatred. Yet, sweeter than would have been Esau's vengeance was the reconciliation, the forgiveness between these two men. Overjoyed, Jacob says: "...truly to see your face is like seeing the face of God" (33:10).

The key to reconciliation is to see God in my brother's face.

Steady does it

My sons, Jack and Freddie, are great surfboard riders. They can outride me any day, and because there's not much at which they can beat me (yet), they are tickled pink about it.

I don't mind. I remember how proud I was the day I beat my Dad at golf. He shook my hand and acknowledged that I was growing up.

I learned much from Dad. He was a lot of fun, and yet I valued just as much his serious moments. There was no doubt about his deep and abiding love for God. The memory of his quiet voice speaking of God steadied me through several rough spots in my life.

That's why on Sunday mornings I start to church with a boy on each side of me. I want God to be a reality in their lives as He has been in mine.

Serves you better... FROSTLESS

A number of things make today's refrigerator-freezer a better value than one popular 20 years ago.

It has double the refrigerator and quadruple the freezer capacity. Yet it fits your old refrigerator space. Thinner, more efficient insulation makes it possible.

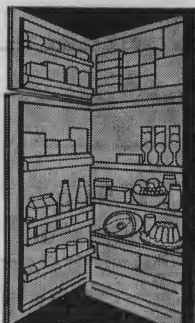

It has the frostless, double door, automatic ice maker and numerous other convenience features too. However, its cost is about the same as the older model!

Compare the colorful array of frostless refrigerator-freezers at your appliance dealer . . . and in CG&E's downtown Cincinnati Lobby, Fourth and Main.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

The People's
Right to Know

by

M. GENE SNYDER

U. S. Congressman

4th District, Kentucky

The current controversy over classification of government documents has received enormous news coverage. My views were disclosed in a recent press statement to one of the Kentucky dailies in which I stated: "I think people have an absolute right to know how this war got started. I want the truth and I am confident the

people of the Fourth District want the truth, so long as it does not threaten our national security." For some time, I had complained to previous administrations of the gross deception from the highest levels of government. I would not want the people of Kentucky to misread me in the above position, because I feel that The New York Times and other newspapers have not been very honest either. Though the Times condemns secrecy, it ex-

vised absolute secrecy in preparing its series based on stolen documents. The Times and every newspaper in America, including the weeklies which this column is solely written for, have a responsibility to their reading public to give us responsible and objective reporting without jeopardizing the security of the United States. The Pentagon study begins with an earlier period—so why did the Times choose to begin its series with the Johnson era? There are many questions still unanswered even with the recent Supreme Court decision. The Court has ruled against censorship of the press. But the real issue is not censorship, but rather how are we as a people in a free society going to protect ourselves from deceptive twisting of the facts without impairing our national security. We are certainly in need of a revision of document classification which should not be used to shield bureaucrats from public surveillance just to serve their own political or administrative interests or mistakes. I firmly believe that Thomas Jefferson was right when he said: "To inform the minds of the people, and to follow their will is the chief duty of those placed at their head." The people DO have a right to know.

LOSE DRIVER LICENSE

Listed below are the names of individuals who have lost their drivers license for the week ending July 23rd, as released by the Department of Public Safety:

Volume 56 - Number 32

Registration For New Students In Kenton Co. Public Schools

The Kenton County Elementary Schools will hold pre-school registration from 10:00 a. m. to 2:00 p. m., Monday, August 16, according to Don Davis, Superintendent.

Registration is for all new students entering grades one through six, who have not previously registered.

First grade students must be six years old on or before Dec. 31. Parents should accompany the child and present a birth certificate or hospital record. In compliance with the Kentucky State Board of Education regulation, before a child enters school there must be certified evidence of vaccination for small pox and immunization against tetanus, diphtheria, polio, and pertussis.

Schools registering new students include Bromley, Crescent Springs, Kenton Elementary, J. A. Caywood, Piner, Ryland Heights, Taylor Mill, Visalia, and White's Tower.

The Beechgrove and Park Hills Schools will not hold registration until August 30, the first day of school.

To Honor Chester Bush

Chester Bush, Grand High Priest of Kentucky Royal Arch Masons, will be honored with a reception given in his behalf on Saturday, August 14, at the Masonic Temple, 6th and Vine Sts., Dayton, Ky.

A covered dish supper will be served at 6:30 p. m. Fried chicken and roast beef will be furnished by the chapter.

All Royal Arch Masons and their ladies are invited to attend.

Cool Heat On The Road

Cool Heat, a local rock band, recently appeared in concert at Exarts Youth Center, August 6-7, which is just outside Harlan, Ky. They will be returning to Harlan on September 3-4, for a repeat performance.

The group will appear August 14 at Ludlow High School with a WSAI disk jockey to MC.

Members of the group are: Carolyn Norris, lead singer; John Snowden, lead guitar; Jerry Karr, base guitar; Tony York, rhythm guitar, and Rick Garnett, drums.

Republican Picnic Is Well Attended

The largest Boone County Republican Club Picnic in years was staged Sunday at Big Bone Lick State Park, with Jim Host, candidate for Lieutenant-Governor, heading the list of GOP notables.

Others included Ken Harper, Secretary of State and candidate for re-election; Ed Schroering, candidate for Attorney-General; Bob Miller, candidate for Secretary of Agriculture; Ben A. Burns, seeking the office of Secretary of Agriculture; Jewel Hamilton, running for Superintendent of Public Instruction; Doug Moseley, campaigning for Clerk of the Court of Appeals and local candidate, Don Brown, seeking election to the legislature from Boone County.

This was the first chance many Boone Countians have had to hear Jim Host and they came away pleased.

M. C. for the affair was Republican Club President, Dale Campbell. Music was furnished by the Al Lawrence band.

Hebron Man Gets Calf

The Boone County Junior 4-H Leaders Club calf, given at the Boone County Fair, was won by Lewis Riddell of Hebron.

The club would like to thank everyone who participated in this project. The proceeds will be used for the 4-H Exchange program.

Band Boosters To Meet

The Walton-Vernon Band Boosters will meet Monday, August 16 in the band room at 7:30 p. m.

Parents are invited to attend and help make plans for the coming school year.

Emberton and Host At Boone County Fair

Tom Emberton, GOP candidate for governor attended the Boone County Fair on Thursday evening of last week. He seemed eager to meet people and to make friends. A virtual unknown at the start of the campaign, it was evident that many recognized him on sight, and they wished him well in the forthcoming election.

Besides Mr. Emberton, Jim Host, Ken Harper, Bob Miller, and a number of other GOP candidates and officials made it a point to get to the Boone County Fair.

Republican Club to Meet

The Boone County Republican club will meet Thursday, August 12th at 8 p. m. at Republican headquarters in Florence.

The public is invited.

New School Board Member at W-V

The election of November 5, 1968, long since recorded as history, was one in which some of the final results (one in particular) are realized today, Thursday, August 12, 1971. This was the election in which Boone County voters chose Richard Nixon, Marlow Cook and Gene Snyder.

Closer to home, in the issue plagued Walton-Vernon School Board contest, in which two seats were to be filled, the name of Donald Rosenstiel received a total of 412 votes, tops in the six-person field.

However, Mr. Rosenstiel had not reached the required age of 24 years as set by the Kentucky statutes and he chose not to be seated as a board member.

Daniel Hance of Walton was second in total votes with 386 and has served on the board of education since January, 1969.

Now, after a long waiting period, a seat on the Walton-Vernon Board of Education will be filled by a man chosen almost three years ago.

When it was known that Mr. Rosenstiel was not of age to serve, Dr. William M. Walker of Verona was appointed to serve in that capacity. He was already a member of the board, having been appointed to fill the chair vacancy caused by the resignation of Mr. George Black, Walton.

Dr. Walker has resigned from the board effective the 31st of July, 1971.

During the regular session Thursday evening (today), Donald Rosenstiel, having reached the required age of 24, will be seated on the Walton-Vernon Board of Education with other members J. B. McCubbin, chairman, Mrs. Colleen Shields, Ladd Ryan and Daniel Hance.

Mr. Rosenstiel and his wife, Vicki (Logsdon), reside at Verona where he is actively engaged in farming.

All's well that ends well.

Food Stamps In Boone

During June 569 low-income persons in Boone County received food stamps valued at \$13,992.00, Commissioner of the Department of Economic Security Merritt Deitz, Jr., has announced.

This record compares to 293 persons in Boone County who received food stamps at a cost of \$7,001 during June of 1970.

South Fork Revival

A revival will be held at the South Fork Christian Church, Aug. 16-20, starting at 8:00 p. m. each evening.

Rev. Jerry Scarborough will be the evangelist. Rev. Richard Janney extends an invitation to all.

Driving school instructor to a befuddled novice at the wheel: "You still have a few minutes of your lesson left. Shall I show you how to fill in the accident form?"

Nothing makes you feel older than the discovery that today's children are studying in history class what you studied in current events.

Accurate Census Of Horses, Etc. Needed

Because of the emergency stemming from the outbreak of Venezuelan Equine Encephalomyelitis (horse sickness) in Texas, the Extension Service has been asked to obtain an accurate census of all equines (horses, ponies, mules, asses, etc.) in the State of Kentucky.

"Due to this emergency," said Joe Claxon, "we are asking that you please supply this information either by list or number of horses, ponies, mules, asses, etc., either owned by you or boarded on your farm so that we might be in a position to ward off any outbreak of this disease should it reach Kentucky."

This article is meant in no way to mean that the disease has spread to Kentucky nor does the Extension Service foresee its doing so.

"We are making this census so that we might be prepared just in case. The census will also be useful for several other reasons, so therefore, it is important that you get this information to us. We are asking your cooperation in order that we might help to protect your equine to the fullest extent possible," Claxon added.

You are urged to assist in this endeavor by notifying the Extension Service of all horse owners that you know. "We are positive that we do not have a complete mailing list of horse owners and it is of utmost importance that all horsemen cooperate," Claxon concluded.

Walton Masons To Meet

Walton Lodge 719 F & AM will hold its regular monthly business meeting on Thursday, August 19 at 8 p. m. All members are urged to be present and visitors welcome.

Beechgrove Boosters

Tractor Full, Sunday

The Beechgrove Boosters Athletic Association will hold its second annual tractor pull on Sunday, August 15 at 84 Lumber Co., Devon.

Weigh-in will start at 7:30 a. m. at Eaton Oil Gravel Pit, Industrial Road and U. S. 42, Florence.

The contest will start at 9:00 a. m. with a garden tractor class and will include classes for 4500 lbs., 6500 lbs., and 9000 lbs.

Prizes will be 50 percent of the entry fee.

Proceeds go to help the Boosters sponsor their many athletic activities for the youth of the area.

An added feature this year will be a pig barbecue.

For further information, call Shelby Mason, 356-9227, or Marlon Taylor, 356-2888. Rain date is Sunday, August 22.

Cattle Win At the Boone County Fair

The first Charolais cattle show to be held at Boone County Fair with six purebred breeders and 24 head represented. Mr. Bert, a 1/2 French purebred bull who is 11 1/2 months old and weighs 1318 pounds takes grand champion bull award. EASTERN GRADUATE

John D. Prather, son of Mr. and Mrs. Charles W. Prather, received his Bachelor of Science degree in Medical Technology last Thursday from Eastern Kentucky University, Richmond.

He is now finishing his hospital training at Fairfax Hospital, Fairfax, Va.

John has accepted a position with the Clinic in Fairfax and will be doing post-graduate work at Georgetown University in Washington, D. C.

BROWN HOME ENTERED

According to Kenton County police, the home of A. A. Brown, 337 Green Road, Walton, was entered through a front window, and three blank checks were taken, about 5:55 p. m., Thursday of last week.

Boone Police To Add A New Man

The Boone Fiscal Court has given its approval for the addition of another patrolman on the Boone County Police.

Capt. Thomas Schwartz told of long hours his men put in due to increasing demands for police services.

Earlier, the policemen had told the court they would prefer to forego a salary increase this year if that were necessary in order to obtain an extra man.

County Attorney William P. McEvoy said he monitors police radio calls in the county and confirmed the ever-increasing demands for police investigations and action. "Sometimes they'll be in Walton and get called all the way to Petersburg," he said.

Boone County has a police merit board which will appoint the new policeman from a list of three men who have passed the examination.

The present police force includes Capt. Schwartz, Sgt. Don Stamper, and Patrolmen Monty Gordon, Ramon Wilson, and Lou Wilson.

May Vote On New Jail In November

The Boone County Fiscal, according to reports, expects to take action soon toward putting the question of a new jail and police headquarters on the November ballot.

Robert Meyer of the Charles A. Hines Co., Cincinnati, urged the court to appoint a fiscal agent to handle the matter. "You must adopt the necessary legislation at least 60 days before the election," Mr. Meyer said.

The court earlier had discussed the possibility of financing construction of the proposed \$550,000 building with loans from Boone County banks. But Meyer said this could not be done. "If it goes on the ballot then it must be done by a bond issue," he said.

Almost every grand jury for many years has urged Boone County Fiscal Court to build a new jail. The present outmoded one, built in 1922, is too small and inadequate to serve the county's needs. The county now takes serious offenders to Kenton County jail in Covington.

The new jail question would require a two-thirds approval.

Employer: Personal appearance is a very helpful factor in business success. Employee: Yes, and business success is a very helpful factor in personal appearance.

I got two orders today, said the new salesman. Splendid, said the boss, what were they? One was "get out," and the other was "stay out."

One business partner to the other on a fishing trip: We forgot to lock the safe. What's the difference? We're both here, ain't we?

Respect the danger electricity. Keep an eye peeled for power lines—above and below.

If fire strikes, does your family know the best escape route? If not, plan one and practice using it.

School Health Code Is To Be Explained

A news release from the Kentucky Department of Education includes many health and physical education requirements. These health rules will be published as space permits during the coming weeks.

PART 1

School Employee Medical Examinations: All local boards of education shall require medical examination of each teacher, bus driver, custodian, cafeteria worker and other school employees upon initial employment and each year thereafter or more often if deemed necessary by the local board of education.

The medical examination shall include a test for tuberculosis and for any other disease that in the opinion of the examining physician is indicated, such as psychiatric disorders, diabetes, heart disease, epilepsy, vision, hearing, speech or other chronic or communicable diseases.

All medical examinations of employees shall be reported on the special form approved by the State Department of Education. (Next—The Child's Health.)

Walton OES To Meet

Walton Chapter 161 O. E. S. will hold its regular business meeting on August 16 at 7:30 p. m. All members are urged to be present and visitors are welcome.

Simon Kenton FHA Alumnae July Meet

The Simon Kenton FHA Alumnae met on Thursday, July 15 at the RECC Building, Nicholson, with ten members and three guests in attendance.

President Judy Schaeffer presided. Roll call was answered with each alumnae member giving her favorite recipe.

Plans were started for the September "night out," and each girl is to bring a suggestion and the details to the next meeting.

After the regular business was taken care of and the meeting adjourned, we were to learn how to make a burlap flower. Due to a mixup, we played bingo instead, and everyone present had a good time.

Judy New and Brenda Havey were hostesses for the evening and served delicious lemon cream pie and a jello cake.

The next meeting will be held on Thursday, August 19 at 7:30 at the RECC Building.

A member of the Independence Volunteer Fire Department will be present to bring the program entitled, "First Aid and Safety."

The roll call will be answered with a safety tip.

Any former Simon Kenton FHA member is welcome to attend and join the Alumnae.—Reporter

Business Women's Speaker

A family with a modest income can successfully save, according to a Taylor Mill housewife, who is also a banker.

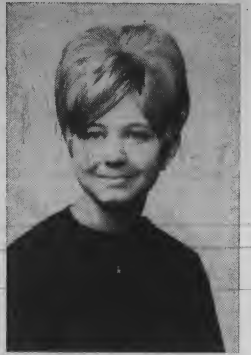

The opinion was given at the August meeting of the American Business Women's Association at Oelsner's Tavern, Park Hills, and the speaker was Mrs. Griffin Flisk, manager of the Ritts's Corner branch of the First National Bank of Covington.

Mrs. Flisk pointed out that it takes a budget and savings should be set aside first. Then, she added, the household expenses should be allocated. However, she did warn against the "standard" budget, explaining that no family is standard and in all of them there are special situations. Keeping up with the Joneses, she said, prevents many a family from getting ahead.

Caller: Is Elsie your oldest sister? Little Girl: Yep. Caller: And who comes after her? Little Girl: You and two other guys.

New Clerk: What do you do when a person forgets his change? Manager: You lightly tap on the counter with a dollar bill.

AUGUST 20 WEDDING

Miss Glenda Lee Beach

Mrs. Edna Risner Beach of Walton, and Mr. Winston G. Beach of Dry Ridge, announce the forthcoming marriage of their daughter, Glenda Lee, to Thomas Joseph Cady, son of Mr. and Mrs. Walter Cary, also of Walton.

The wedding will take place at the First Baptist Church in Walton, on Friday, August 20th at 7:30 p. m.

Both are recent graduates of Walton-Vernon High School. Mr. Cady is now attending the United Electronics Institute in Louisville. Miss Beach has complete one year at NKSC, and will be entering the University of Louisville's Dental Hygiene School this fall.

JACK REUNION HELD

The annual Jack picnic was held at the home of Mr. and Mrs. Scott Jack on Sunday, August 8. A happy, long day was enjoyed on the beautiful lawn and farm by Mr. and Mrs. W. H. Bertram, Sr. and daughter of Winchester, Ind.; Mr. and Mrs. W. H. Bertram, Jr. and daughters of Greenville, Ohio; Mr. and Mrs. Paul Siemon of Cincinnati; Mrs. Bertha Jack and Ronetta and Cheryl Reed, Beaver Lick; Mrs. Shirley Cook and children, Mrs. Martha Jane Carpenter, Mr. and Mrs. Harold Schaeffer and sons, Mr. and Mrs. Jack Rouse and daughters, Rick Perkins, Mr. and Mrs. Asa Rouse and family, Mr. and Mrs. W. Rouse, Mr. and Mrs. Kay Barrier and daughter and Mrs. Sallie Garrison.

Delicious food was enjoyed and all departed at a late hour after what everyone agreed was "a perfect day."

Worthington Reunion

The family of the late C. C. Worthington announce the forthcoming Worthington family reunion. The event will take place on Sunday, August 22nd at the Walton Firemen's Picnic Grounds.

All members and friends of the Worthington family are urged to arrive by 1:00 p. m. with a well-filled picnic basket and plan to spend the afternoon.

Hinsdale School Bonds To Be Sold

Bonds for the new R. C. Hinsdale Elementary School are to be retired in 20 years and will be offered for sale in mid-September.

Plans for the sale were announced by Kenton County School Superintendent Don Davis following approval of terms by the Kenton Fiscal Court.

Under the procedures, the title to the building will remain with the fiscal court with the school system paying an annual "rental" equal to the amount needed to retire the issue.

At the close of the twenty year period, title will be given to the Kenton County Board of Education.

Construction plans call for completion in time for the 1972 school year.

Buckaroos 4-H Club

The July meeting of the Buckaroos was held at the home of Leader Mrs. Renate Burden, with seven members present. We had a visitor from Campbell County, Regina Shackelford.

During the meeting, we filled out the entry sheets for the 4-H Area Horse Show. We decided to send a thank you card to Mrs. Nancy Baute for helping us at the Kenton County 4-H practice horse show.

The following members participated in the Area Horse Show: Fred Gosney, Peggy Collins, Carla Martin, Roxane Pfanzstiel, Darlene Smith, Rebecca Burden, and Melinda Burden. We all did very well.—Reporter

Mrs. Emma Cheesman and son, Bobbie, have moved to the property of Mr. and Mrs. Robert Horn on Chambers Street.

Johnny Johnson Honored

Johnny Johnson, son of Mr. and Mrs. James (Jack) Johnson, of Sabine, Texas, was honored June 17 by the Longview Texas Rotary Club. Brig. Gen. C. W. Shelburne, a 1935 graduate of Annapolis Naval Academy, addressed the luncheon and presented young Johnson an official certificate of appointment to the United States Naval Academy.

Johnson quarterbacked the Sabine Cardinal football team for two years and won four varsity letters in football, basketball and track. He was regional qualifier in the broad jump this spring. He enrolled at Annapolis, June 30.

The Johnson's other son, Charles Johnson, who attended East Texas Baptist College, is a Baptist minister of music, working with a youth team, holding revivals in various places.

The Johnson's daughter, wife of a Southern Baptist minister, Rev. Haskel Andrews, Jr., are located in Kilgore, Texas, and attend East Texas Baptist College.

There is a sister, Terri, who lives with her parents in Sabine.

Jack and Ruth (Dearing) Johnson are both graduates of Walton-Verona High School.

Johnny is the nephew of Mr. and Mrs. Lawrence Wilson, Walton, and the grandson of Rev. Charles Dearing of Erlanger.

Women's Society Meets

The Women's Society of Christian Service held its regular meeting Friday evening, Aug. 6, in the home of Mrs. Evan Hance.

Mrs. R. C. Brakefield conducted the meeting, and Mrs. Arvada Stuard gave the devotion. The program leader was Mrs. Carl Conner, and Mrs. Bertha Wallace read an article on the Deaconess and the work they do. Mrs. Conner told about the Deaconesses at Booth Hospital.

Those enjoying the delicious refreshments were: Mrs. Fay Conner, Mrs. Lucille Brakefield, Mrs. Bertha Wallace, Mrs. Bessie Yates, Mrs. Anna Pearl Gaines, Mrs. Arvada Stuard, Miss Louise Conrad, Mrs. Mary Stephenson, Mrs. Rebecca Brown, Mrs. Myrtle Carlisle, and the hostess, Mrs. Mary Lee Hance.

Staffordsburg

Mrs. J. A. Keeney, Reporter

Miss Janet Barnett and friend, Miss Mary Cantrell of Lexington, were weekend guests of Janet's grandparents, Mr. and Mrs. J. J. Barnett where they were joined by a cousin, Miss Sherry Martin. Mr. and Mrs. Kenneth Childers and sons Jeffery and Adam were on vacation this past week. They

went to Mammoth Cave; on to Bardonia to visit his sister and family, Mr. and Mrs. Ronald Golbert.

Dawson Ballinger celebrated his birthday on Friday. They had dinner with their son and wife, Mr. and Mrs. Chester Ballinger. Callers in the evening were Mr. and Mrs. George Finnell; Rev. and Mrs. Paul Pepon and children;

Mr. and Mrs. James Clark of Indianapolis visited their aunt,

Mrs. J. J. Barnett and family one day this week.

Rev. and Mrs. Paul Pepon and children visited their relatives in West Virginia a few days recently.

Mr. and Mrs. Ralph Bramock were visiting their parents, Mr. and Mrs. Bramock this week and brought them to call on Mr. and Mrs. Dawson Ballinger.

David Dawson, who is in St. Elizabeth hospital, seems to be a little better but no date is set for his release.

Mr. and Mrs. Marvin DeLong came home from vacation and as usual came to choir practice—no one there—so they stopped at my house to ask why. We had a nice visit with them. Later in the week they returned to her parents.

Mrs. Annabelle Stephenson is slowly improving from her long siege of illness.

Everyone around Beaver wishes to extend deepest sympathy to the Joe Ryan family in the death of their daughter, Sue Ellen, last week. May God be with each and everyone connected.

The A. C. Rosenstiel family and E. C. Stephenson attended the Hadkix reunion Sunday, Aug. 1 at Richmond, Ky. There were tables loaded with every kind of delicious food. Prayer by Jasper Mullins. Six of the nine living children attended. There were 125 present. Games and visitation in the afternoon, and a good time was reported by all. The reunion is held the first Sunday in August each year at the same place—Richmond City Park.

Farmers are all getting behind with their work, due to so much rain.

BEAVER LICK

Albert Rosenstiel has been on the sick list several days, but is up and about, doing a little work, trying to keep ahead of some of the weeds.

—REWARD—

Lost or Stolen — Black Angus heifer, weighs about 600 pounds, by Wayne Baker, Eads-Verona Road; missing two weeks.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The weeks turned into days, and the days into hours, until finally it was only seconds until our arrival home in Kentucky after almost three thousand miles of traveling through the States of Kentucky, Tennessee, Arkansas, Texas, Louisiana, Mississippi, Alabama, and back through Tennessee and Kentucky and home. The trip was made without one single mishap. Not one single accident did we wit-

ness on our trip. This is truly most unusual as we usually witness from two to three bad accidents as we travel over the country. Truly God was with us every step of the way, and delivered us safely back home to our church and friends.

Last week we told you of our experiences in Texas. This week we will just briefly touch upon the most important points of interest, and get back to our emphasis on New Banklick Baptist Church doings and things like that there, as the farmer once said. One point of interest was the humid weather upon arriving in Texas. When we

left Kentucky it was a cool 66 degrees. Upon arriving in Texas we found it to have risen to 104 degrees. They had reported only two inches of rain since last October, and all the vegetation was burned to a crisp. But on the Wednesday morning that we left, it started raining, the first in months and did not stop until we arrived in Alabama.

It was in Alabama that our two daughters, Barbara and Linda, and my wife, Mary, got real sick. A local doctor put Mary to bed until she was able to travel back home. Thus our stay in Alabama was very brief. We had only a short time to visit with my wife's sister and her family; my mother, and sister's family; a beloved former grade school teacher of mine of years ago, who is still teaching boys and girls in grade school, and very active in her church. She has been teaching over 60 years. She's a wonderful Christian lady and she has been a great supporter of my years in the ministry. Then on Sunday, July 25, it was my joy to preach in Garywood Baptist Church, my home church, where the Lord called me out to go and preach the Gospel message. It had been ten years since we had this opportunity to preach to many of my friends and supporters in the ministry for Jesus Christ. It was really old home week for Mary and me. Then on our way back home we stopped in

Centerville, Ala., the place of our first pastorate where we served four years before entering Seminary in Texas. We had the great joy of visiting in the home of Mr. and Mrs. Richmond Pearson, who have served the Lord so richly for many years in their community. We hated to have to bid all goodbye, but there is one thing we have learned in our ministry for Jesus, things are never the same as you left them when you return after years of absence. Truly, like Isaac in the Old Testament, you cannot return to the land of your beginning and redig old wells. That's just the way life is and we must accept it whether we desire it to be that way or not—you cannot go back.

It was such a joy to get back home and be able to say just how much you had missed everyone, and how our members and friends made us so welcome back home. We rejoice in how well Brothers Albert Martin, Gene Parker and Eliza Dean, with the cooperation of our members, had kept things so spotless until we returned. This is truly Christian cooperation in the highest. We did appreciate the able preaching of Brothers Sam Brannan and Simson Webster during our absence. Truly two wonderful men of God, and we highly recommend them to any pastor who needs pulpit supply while being away from their church. You will be pleased you used them.

Now that we are back, and looking forward to a great and fruitful year ahead in souls for Christ,

and greater participation by our members in our Saviour's work here at New Banklick, we can only roll up our sleeves, get down on our knees, and ask His Holy Spirit to fill us to the top, and to use us as He sees fit in the coming months. We realize things are not going to get better in the world; in fact, according to Scripture, they will "wax worse and worse," but we must all work together for the one common cause until He comes for us, and then the doubters will have this world all to themselves, and suffer they will. I'm so glad I'm saved, and know that I am heaven bound—it makes me want to shout everytime I think about it. How about you, my friends? If you are not saved, if you are tired of the old drag in worldliness, and desire something new, then why not give us a visit at New Banklick Baptist Church and listen to some real Gospel Music and preaching that will point you in the direction of HEAVEN! Remember, you are only a visitor once. After that you will want to share our joy of knowing Christ, and we believe you will come to stay.

After all that's said and one, it's so good to be back home in my "Old Kentucky Home," in Walton. Next week we will share some of our future plans with you and tell you about some of the exciting things yet to come your way at New Banklick Baptist in 1971. See you in church, Sunday?

It isn't what you start that counts; it's what you finish.

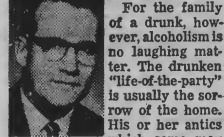

NO LAUGHING MATTER

Lesson for August 15, 1971

Background Scriptures: Jeremiah 35:1-10, 18, 19; Ephesians 5:15-20. Devotional Readings: Luke 1:1-17.

In our society the drunk is often represented or regarded as a most amusing fellow. Frequently the "hilarious" drunk is regarded as "the life of the party" and many well-known comedians have a "drunk" routine as part of their repertoire.

Rev. Althouse find so amusing are for husbands, wives, and children a source of heart-rending tragedy.

The family curse

Several years ago a woman wrote a letter to a nationally-known columnist. The letter began: "I am the happiest woman in the world. My husband died last month. He finally drank himself to death." She went on to explain that her children no longer had to ask her why their father is "so mean," nor did she need to lock them and herself in the bathroom for protection. Her twelve-year-old, she said, no longer had to help put to bed a drunken father and there were now no more liquor bills, jail fines, and attorney's fees. She signed her name, "Free At Last."

Her drunken husband was not a laughing matter.

Those who continue to regard the alcoholic and problem drinker as "amusing" ought to try putting themselves in the places of the families cursed by alcoholism. They ought to consider soberly the tragic statistics: three out of four broken homes list alcohol as a major factor; three out of ten fatal accidents involve a drinking driver; eleven thousand people killed each year by drunken drivers; one of every four emotionally disturbed persons is a problem drinker.

Mrs. Mary Mann, former executive director of the National Committee on Alcoholism, has said that the most painful years of her life were the years of chronic alcoholism. "I suffered constantly," she said, "not just one kind of pain, but all kinds of pain. I suffered physically, mentally, emotionally, financially, and socially—in every department of my life. I tell you honestly... that alcoholism is the most painful disease known to man."

The powerful witness of a few

In Jeremiah 35 the prophet is called by God to try to entice the Rechabites to break their vow of abstinence on alcohol. This was a small group of sincere men who supported the prophets in their condemnation of pagan worship by the Jews. One of their vows was to abstain from alcohol and so, though tempted, they reply: "We will drink no wine..." (35: 6).

We must admire (and emulate?) the courage of this little band of men who regarded drunkenness as no laughing matter.

You'd probably love to have a car like this to fool around with. But suppose you had to drive it day in and day out?

We Americans are used to having the latest, and we don't like to live with what seems out-of-date to us. For that reason, a good many of us don't go to church. We tell ourselves that church was great for Grandma and Grandpa, or maybe even for Mom and Dad, but it has no place for us in this jet age.

If we believe this... then it is we who are out-of-date! The Church today is a modern institution in touch with the world around it. It helps us cope with the problems of modern life, teaching us to change with a changing world. Let's catch up with the times. Let's attend church.

Letter To The Editor:

Has Beaver Road Gone to Pot?

Now this title might be amusing to some folks, but not to the ones who live on this bumpy, bumpy road. No sir, it is a very serious matter. In fact, this is the most religious piece of asphalt in town—meaning "holy." If you or your car has survived a ride from U. S. 25 down Beaver Road you have gone through any obstacle course designed to wreck and ruin you and your car. If you think this is an exaggeration, you folk who live

on a nice, smooth road take a ride some Sunday and find out. Now the next step, is part of the blame is all the traffic has been rerouted from the railroad bridge on 16, I mean trucks, tractor-trailers, etc. Well, if they are going to use our road like a U. S. 25 or I-75, I think someone, I MEAN SOMEONE, should be responsible for putting some asphalt on these holes and humps—either the railroad help the City of Walton, or the County help the railroad help the City or the State help the county help Walton to give this road. HELP, CITY COUNCIL, HELP, BOONE COUNTY, HELP anyone that doesn't want a broken leg when it gets cold and snowy, and don't think some of these holes aren't that DEEP! If it takes a petition, I'm sure all the citizens will sign it—maybe the Business Men's Association can do something about this. Also, all the garbage trucks use this road and it is certainly worthy of some fixing—they keep putting asphalt on the High School Road—what about the rest of us down here with our humps and bumps? HOPING FOR SOME ACTION, and if I were a candidate running for office, this would be a good platform to run on—I promise to pave Beaver Road, if I'm elected! Ha.

Sincerely,
MARIE BLIZZARD

Supplies of red meat will stay abundant during the second half of 1971, with beef to pick up where pork leaves off. So far this year, nearly all the gain in red meat output came from pork. Production of beef and lamb and mutton were about the same as in January to June, 1970.

Summer pork output will probably continue above the levels of a year earlier. But low hog prices since late 1970 are causing production cutbacks. So, the slaughter in October-December will probably be moderately smaller than in the fall of 1970.

Beef production is seen building in the second half, as indicated by larger placements of cattle on feed this past winter and spring. Probabilities are the cow slaughter will also be up.

These increases will more than offset prospective reductions for veal and lamb and mutton. The drop in veal production reflects

the dwindling number of dairy animals plus further expansion of the cattle feeding industry. For lamb and mutton, the anticipated decline in output is attributed to a smaller lamb crop.

The Annual Agricultural Field Day at Coldstream Farm, Lexington, which was sponsored by the College of Agriculture Animal Science Department, was well attended by Boone County farmers and

their families. There were 40 attending from this county. The air-conditioned bus was sponsored by the Boone County Livestock Improvement Association, Ray Vice, president.

While touring the Coldstream Farm, the latest research information on beef cattle, dairy cattle, sheep and swine was given. It seems that Kentucky's greatest opportunity is the development of its full potential in animal agriculture.

The Selling of The Pentagon— Myth or Fact?

By Gene Snyder

The CBS documentary, "The Selling of the Pentagon" has been the target of more controversy than any program in the history of television. CBS has refused to turn over the raw film footage to congressional committee on the ground that "freedom of the press is at stake."

The question here is not "freedom of the press." It is "responsibility of the press." Was the film doctored? Was the film rigged? Did the editors splice the film so that questions and answers of various respondents were out of sequence?

These questions are raised by critics of the film. They submit some evidence to support their charges.

However, only CBS knows for sure. Only a review of the raw film can reveal the truth. Isn't this what "freedom of the press" is all about? Is it not a search for truth?

If CBS did not doctor the film, it should not hesitate a moment to show its unused film clips. This is not a case of a reporter protecting his sources. This is not a case of a journalist covering a breaking news story in competition with other reporters.

The CBS documentary was produced with the cooperation of dozens of individuals in and out of government. Some of these individuals claim the documentary was doctored to warp and twist their statements.

They, too, have rights. Those who defend CBS should ask themselves if their positions would change if a film were doctored to put the Pentagon in a good light rather than a bad one.

Forty years ago, responsible journalists were indignant at the rigging of photographs by the editors of Bernard McFadden's New York Graphic. The paper died.

Ten years ago many journalists denounced the controversial documentary "Operation Abolition" be-

cause two or three scenes were out of sequence.

The film, which revealed Communist involvement in the city hall riots in San Francisco, was withdrawn from circulation.

Many journalists defend the publication of vital government secrets on the argument of the "people's right to know."

Now they deny the people's right to know by defending CBS in classifying its film clips "Top Secret."

They can't have it both ways. If we want to keep the free press free—and responsible—we can't use the First Amendment as an excuse for exposing the mistakes of others and also use it as an excuse for hiding our own.

When repairing farm machinery, stop it before working on it!

School Health Code Is To Be Explained

A news release from the Kentucky Department of Education includes many health and physical education requirements. These health rules for children are given this week:

All local boards of education shall require a medical examination of each child first entering school within a period of six months prior to or one month following admission to school. All local boards of education shall have an approved program of continuous health supervision which shall include screening for tuberculosis during the first year of school for any new enrollments, and vision and hearing tests for all first grade children.

An effective mechanism for referral and appropriate follow-up of any apparent abnormality noted by screening examination or teacher observation shall be recorded on school health records within 12 weeks of screening program or detection of abnormality.

Each school shall develop emergency care procedures to take care of accidents and sudden illnesses occurring in the school. The emergency care procedures shall include first aid facilities, personnel with first aid training, parents' telephone number, name of family physician, and means of transportation when necessary.

Immunizations: Local boards of education shall require all vaccinations and immunizations as required by law or regulations. (1) Except as otherwise provided by law, all children shall be required to present a valid immunization certificate upon enrollment in school, and a valid up-to-date immunization certificate shall be on file for all children at all times. The governing body of private and public schools shall enforce the provisions of this section in accordance with KRS 158.035. (2) Children transferring into school district shall comply with the above requirements.

Pupil health records: Each elementary and secondary school shall initiate a cumulative health record for each pupil entering school. Such record shall be maintained throughout the pupil's attendance. Such record shall be uniform and shall be on forms prescribed by the Superintendent of Public Instruction. Such record shall include health data of the pupil including screening test, as well as teacher observation, and physician's and dentist's recommendations. A follow-up by the proper health or school authorities shall be made on each defect noted and the result recorded.

Local school authorities shall report all known or suspected cases of communicable disease immediately to the local health department.

Each school district shall require a medical examination for each child that engages in a strenuous athletic physical activity at the beginning of each school year in which he or she participates or more often if deemed necessary due to illness or injury.

Kenton County Native Receives His Doctorate

Melvin C. Platt, Jr., was awarded the Doctor of Philosophy degree by the University of Michigan at commencement exercises held on Sunday, August 15, in Ann Arbor.

For the doctorate he majored in music education and took minors in music history and music theory. He received his initial musical training at Simon Kenton High School, Independence, under the tutelage of Robert R. Roden, and earned his bachelor's and master's degrees in music at the College-Conservatory of Music of the University of Cincinnati.

Dr. Platt, the son of Mr. and Mrs. Melvin C. Platt, Sr., of Walton, is currently teaching at the Catholic University of America, Washington, D. C., where he is in charge of music education.

Attend PTA Conference

The Piner Elementary School P. T. A. was represented at the Leadership Conference on the Eastern Kentucky University campus in Richmond, July 20-21.

Those attending (above) were: President, Mrs. Cliff Martin; Vice President, Mrs. Chlorine Menefee; Treasurer and Library, Mrs. Elmer Price, Jr., and Membership, Mrs. Ed Whaley. They attended workshops on all phases of PTA work.

Members of Angus Ass'n

Mr. and Mrs. O. G. Loomis, Walton, have been elected to membership in the American Angus Association at St. Joseph Mo., it has been announced by Lloyd D. Miller, executive secretary.

Kenton County Board Investment Program

The Kenton County Board of Education expects to net approximately \$40,000 in an investment program following the sale of \$1.15 million of construction bonds for the R. C. Hinsdale School.

The procedure, outlined by Supt. Don Davis, will enable the school system to equip the school with desks, tables, chairs, bookcases, carpeting and other items without cost to the taxpayer.

The program, he explained, is the same used by retiring Supt. R. C. Hinsdale during the construction of other Kenton County schools.

Under the procedure, the school board will invest the bond sale money in short-term government securities.

The plan is possible, Davis explained, because contractors are not paid until their work is satisfactorily completed.

The exact return on the investment will not be determined until security purchases are made and will depend on the market.

The bonds themselves are to be offered for sale in mid-September.

Wilmington Homecoming

The Wilmington Baptist Church, LLL Highway, Fiskburg, Kentucky will have Home Coming Services August 23.

Following the Morning Worship, a covered dish dinner will be held at the church. A former pastor, Rev. Ortie Bradshaw, will speak at a special 2:30 p. m. service.

This same Sunday is Building Fund Sunday at which time the church will be seeking contributions for the educational building now under construction.

All members, former members and friends of the church are invited to attend all the services on August 23: Sunday School at 10:00 a. m.; Morning Worship at 11:00 a. m.; Home Coming Service at 2:30 p. m.

Republicans Campaign

Secretary of State, Ken Harper, jointed candidates Tom Emberton and Jim Host for a rousing "meet the people" campaign in Northern Kentucky, last Saturday. They teamed with local candidates and campaign workers and went on foot from door to door in the tri-county area.

Harper worked in the Florence area with Don Brown, candidate for state representative.

The first galoshes were wooden sandals worn by French monarchs to protect their silken shoes.

Debbie Hungler Is Kenton Fair Queen

Miss Debbie Hungler was selected queen of the Kenton County Fair last week at White's Tower, before a crowd estimated at 1,000.

Miss Hungler, 18, daughter of Mr. and Mrs. Bernard Hungler, 5411 Taylor Mill Road, was crowned by the 1970 queen, Miss Janice Coppage.

Miss Hungler said, "I was so surprised. I wasn't expecting anything, and all of a sudden they called out my name, and I just started to cry."

The 1970 Dixie Heights graduate will be a sophomore at Eastern Kentucky University, Richmond, this fall, and is a member of the EKVU Colonel drill team.

Miss Hungler is a student nurse during the summer at St. Elizabeth Hospital, and will represent Kenton County in the Miss Kentucky County Fair contest in January in Louisville.

The first and second runnersup were sisters, Deborah and Pamela Chapman, Independence.

The contest was sponsored by the Kenton County Jaycees.

Preceding the Miss Kenton County Fair Pageant, was the first annual "Little Miss Kenton County Fair" queen. Because of the many entries, the Little Miss contest had to be split into four age groups. The winners of each group and the first runnerup follow:

Age 3—Melissa McLafferty, the daughter of Mr. and Mrs. Thomas McLafferty, 714 Cherokee Drive, Independence; Robin Newton, the daughter of Mr. and Mrs. Darrell Newton, 721 Lakeshore Dr., Villa Hills.

Age 4—Jennifer Jackson, daughter of Mr. and Mrs. John Jackson, 806 Harris Pike, Independence; Jan Harmeling, daughter of Mr. and Mrs. Donald Harmeling, 685 Meadow Lane, Taylor Mill.

Age 5—Kimberly Vanlandingham, daughter of Mr. and Mrs. Dave Vanlandingham, Route 5, Covington; Sheila Daly, daughter of Mr. and Mrs. Kenneth Daly, 6779 Taylor Mill Road.

Age 6—Cathy Lynn Collins, the daughter of Mr. and Mrs. William Collins, 43 Fleming Drive, Independence; Angela Schworer, daughter of Dr. and Mrs. Phillip Schworer, 130 West Lakeside Ave. Ft. Mitchell.

Reward Offered In "Fund Drive"

Collection cheaters are going to feel the wrath of the American Cancer Society. The second incident this year of unauthorized persons making a house-to-house canvass for contributions in the name of the Cancer Fund has drawn fire.

"We are offering a \$100.00 reward for information leading to arrest and conviction of any unauthorized person making solicitation," said Larry Newman, Northern Kentucky Area Vice President for the American Cancer Society.

The latest incident involved two girls asking for contributions in Florence. Florence and Edgewood were visited by unauthorized collectors in February.

Newman pointed out that the Cancer Society has but one drive a year—in April. All persons involved in the drive at that time are authorized and carry credentials identifying them and their purpose. He said the reward will be in effect for the next 12 months.

Wa-Na Club To Meet

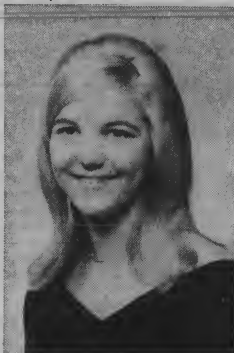

The Wa-Na Woman's Club will hold its first meeting of the 1971-1972 year on September 9. Due notice of meeting place will be announced later.

The club extends a cordial invitation to all who would like to become members to attend.

Made Kentucky Colonel

Merrill Scroggins of Walton Auto Parks, just South of town, was commissioned a Kentucky Colonel on the staff of Gov. Louie B. Nunn last week. The presentation was made by Otis Reaschour, Walton coal and feed dealer.

TO WED SEPTEMBER 3rd

Miss Annette Rouse

Mr. and Mrs. Jack Rouse, Walton, wish to announce the engagement and approaching marriage of their daughter, Melinda Annette, to Mr. Rick Perkins, son of Mr. and Mrs. James Perkins, Route 1, Independence.

The wedding will take place on Friday, September 3rd at 7:30 p. m., in the Walton Christian Church. A reception, immediately following the ceremony, will be held in the church hall.

Friends of the bride and groom are cordially invited.

Leadership Conf. For FHA Members

"FHA—Flower Garden of Leadership," was the theme of the four-day annual Future Homemakers of America Leadership Conference, held at the FFA Training Center at Hardinsburg, Ky., July 25-28.

District and State officers of FHA were helped to develop leadership qualities and become more informed about their duties and responsibilities for the coming school year. Special emphasis was given to making Future Homemakers of America a more integral part of the Home Economics program.

Slate projects selected for emphasis in local chapters this coming year will be: (1) Stable Home—Stable Life; (2) To Dare Is To Care; (3) Awarding twenty \$300 FHA Scholarships.

Persons attending from this area and responsibilities assumed were: Debbie Chamberlain, president; Nancy Bowling, first vice president; Tara Cooper, second vice president; Patty Justice, secretary; Karen Pfeiffer, treasurer; Linda Aulick, historian; Elizabeth Rudd, parliamentarian; Beanna McIntosh, reporter; Danita Lovelace, substituting for recreation leader; Debbie Stewart, song leader. All are members of the Simon Kenton High School Chapter, Independence. Mrs. Theima Jones, district adviser, also attended.

The District Leadership Training Conference will be held at Conner Senior High School, Hebron, on October 9th.

Early Registration For Beginners at W-V

Registration will be held in the administration building at Walton-Verona High School for all new students on Monday, August 23rd from 10:00 a. m. until 2:00 p. m.

They are asking that all preschool children who have not completed registration, to please comply with this request instead of waiting until the first day of school.

All students must be six years old on or before December 31. A birth certificate and a certified immunization record is required by the Kentucky State Board of Education.

Junior Bowl Honor Roll

The Junior Bowl honor roll at Walton Bowl for Saturday, August 14 was as follows:

Darel Darlington, 301; Steve Dixon, 303; Darwin Darlington, 312; Bobby Joe Glenn, 313; David Martin, 337; David Jones, 343.

The boys' bowler of the week was Jeff Ammer with a 389 and Charles Bell with 389.

Karen Yates with 285 was tops in the girls' division.

WINDOW BREAKING SPREE IN BOONE CO.

According to reports, a window-shooting spree was indulged in by someone or a group, Sunday night in Boone County. It is said some 100 windows were broken. This is the second time this sort of thing has happened in this area.

In the Walton area, the following windows were broken, it was reported to us: Walton Post Office, Sizemore Mfg. Co., Walton Ashland Services, American Oil Station, Walton Hardware and Dry Goods, and Ryan Hardware and Implement.

KENTON BUS DRIVERS

GET ROUTINGS AUG. 24

Ninety Kenton County school bus drivers will get their routings and other instructions when they meet at 1:00 p. m., Tuesday, August 24, at Simon Kenton High School, Independence.

Announcement of the meeting was made by James Walters, director of transportation for the Kenton system.

By that time, he said, routes for both the public and parochial school children will have been established.

State Beauty Pageant

The 22nd annual Miss Kentucky RECC Beauty Pageant will be held this year, August 24-25. Twenty-two of Kentucky's loveliest young ladies will compete for the state title and the right to represent the State of Kentucky in the national finals of the Miss Rural Electrification Beauty Pageant, to be held next March 1, at the National Rural Electric Cooperative Association in Las Vegas, Nev.

Finals are conducted each year during the Kentucky State Fair, in Louisville.

Miss Delainia Shumate of Burlington, will represent the Owen County RECC, Owenton, in the State Pageant.

Feeder Calf Sale On October 4th

The Northern Kentucky Feeder Calf Sales Association will sell feeder calves from dairy animals this year for the first time in its history. Rules have been changed permitting Holsteins, Brown Swiss and other dairy breeds or crosses of dairy breeds to sell in the sale. Previously calves showing dairy breeding were excluded.

The sale, set for Monday, Oct. 4 at Williamstown Stockyards, is a Farmer Cooperative Organization sale that is run by the producers. New members may join by paying a \$1.00 fee.

Both beef breed and dairy breed animals or crosses of these breeds will be sold. Animals will be graded and sold in pen lots and will be penned according to breed, grade, weight and sex.

For more information on the sale contact your local director, Beckham Shields, or your County Agricultural agent, Joe Claxon.

KENTON FAIR WINNER

The Kenton County Fair had a bigger and better beef show in 1971, and shows more interest each year from Northern Kentucky, with some very good animals from each breed: Charolais, Angus, Shorthorn, and Hereford.

Sharing top awards in the new Charolais breed, chosen from very good animals, the Grand Champion female honors went to the Tom Hodge Charolais Farm, on Eads Road, Verona, on a purebred 34 French yearling heifer "Miss Th Bingo."

Kenton County Garden Club Meeting In July

The Kenton County Garden Club met for its July meeting at Town and Country Restaurant, Covington.

Following lunch, a short business session was held. The schedule for next year was accepted. The program consisted of a poem or story read by each one present. All were interesting and well chosen.

The August meeting will be a picnic at the home of Mrs. L. M. Gabriel.

The following ladies enjoyed the day together: Lucille Hall, Margaret Stephens, Alice J. Williams, Genoa Herron and daughter, Francis Keeney, Elaine Hall, Mildred Popp, Elma Taylor, and Kathryn Guttridge.

Social At All Saints

The regular monthly social at All Saints Church will be held on Saturday, August 21 at 8:15 p. m. Everyone is invited.

4-H On the Move In Boone County

4-H was very much in evidence at the Boone County Fair this year. There were exhibits in Home Economics, field crops, garden, woodworking, and electric.

Some of the more outstanding exhibits were in the garden division, clothing and home furnishings.

The 4-H Style Show, held Tuesday night, in spite of the rain, was a success. Approximately 40 young ladies modeled their outfits and received awards for their talents.

Due to the inclement weather Wednesday, the 4-H Horse Show was moved to Sunday afternoon by the leaders and parents of the 4-H Horse Club members, after they considered the safety and the possibility of ruining someone's horse, clothing, etc.

The show Sunday attracted many of the 4-H Horse Club members in the county, who certainly proved that Boone County will be one of the leading counties with young horsemen in the future.

The 4-H Dairy Show was held on Thursday with a large attendance. Cincinnati Milk Sales, Inc., provided silver trays for champion and reserve champion showmanship. Likewise, French Bauer Co. provided ribbons and \$2.00 awards to first place blue ribbon winners. A special award was given by the Kentucky Holstein Ass'n to Martanna Smith as she was selected the outstanding Junior member of the Northern Kentucky Holstein Ass'n.

The 4-H Beef Show, held Friday afternoon, indicated the top quality beef cattle being bred and raised in the county are by the 4-H members.

Voter Registration In Walton On August 21

Jerry W. Rouse, Boone County Court Clerk, will be at the Walton City Building on Saturday, August 21, 1971, from 9:00 a. m. to Noon to register prospective voters. The voter books will close on Tuesday, September 7th for the November General Election.

Rules In Writing Representatives

The ten commandments on writing your elected representatives—including the county judge and others—are contained in a booklet being distributed by the First National Bank of Covington.

The folder, available for Boone County schools and clubs, warns against threatening an official with defeat if he doesn't agree with you.

And it also warns against expecting promises. A piece of legislation may be so altered as it goes through channels that the final measure may be completely different than when it started.

The booklet, submitted to Senators John Sherman Cooper and Marlow Cook, and Rep. Gene Snyder, has won their endorsement as a means to better the lines of communication.

In addition to such advice as don't be a pen pal and a recommendation to express your own views, the booklet also tells how and where to address your letter.

The folder, submitted to Senators John Sherman Cooper and Marlow Cook, and Rep. Gene Snyder, has won their endorsement as a means to better the lines of communication.

Benefit Horse Show For Retarded Children

The Grant County Saddle Club will sponsor a benefit horse show Saturday, August 23, at the Grant County High School grounds, Dry Ridge, at 6:00 p. m.

Proceeds from the show will be presented to the Grant County Association for Retarded Children in order to help them match funds received from a grant through the Comprehensive Care Center, Region 7, Covington, which will help organize a class for retarded children which the public schools of Grant County do not serve.

There will be 16 classes in the horse show. A beautiful 18-inch trophy will be given in each class. More information may be obtained by calling Ray Berger, 824-4280; Kathleen Poe, 824-6301, or Martha Kelly, 654-3822.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

MRS. FLOSSIE GREENWELL
 Mrs. Flossie Greenwell, 75, of 815 Garvey Ave., Elsmere, died Thursday, Aug. 12 at the home of her daughter, Mrs. Elena Hamilton, Verona.

Survivors also include a son, Atwood Greenwell, Sherman, and a sister, Mrs. Flossie Edgington, Verona.

Services were held at 3:00 p. m., Sunday at the Mt. Zion Baptist Church, Grant County. Burial was in the church cemetery.

MISS CHERLY KENDALL
 Miss Cheryl Kendall, 18, of 13 Lee St., Florence, died at 12:10 a. m., August 10, at St. Elizabeth Hospital, where she had been for a week. She was a victim of cerebral palsy.

Survivors include her mother, Mrs. James Carroll, Florence; her father, Shelby Kendall, Dayton; a sister, Mrs. Shelley Robinson, Erlanger, and her maternal grandparents, Mr. and Mrs. Ben Mitts, Covington.

Services were held at 11:00 a. m., last Thursday at Stith, Florence. Burial was in Forest Lawn Cemetery, Erlanger.

GEORGE T. SNEDEGAR
 George Travis Snedegar, 71, of 230 Latonia Terrace, died Thursday, Aug. 12 at Booth Hospital.

He is survived by his wife, Flossie; two sons, Walter and George David, both of Covington, and two daughters, Mrs. Charlene Mastin and Mrs. Lorraine Peebles, both of Independence.

Services were held Saturday at 10:00 a. m. in the Hickory Grove Baptist Church, 7132 Taylor Mill Road, Independence, where he was a deacon. Burial was in Floral Hills Memorial Gardens, Taylor Mill.

WARREN E. PRICE
 Private funeral services for Warren E. Price, 58, of 5605 Wilson Road, Independence, were held at the convenience of the family.

Mr. Price, a spray painter for Continental Electric Co., Florence, was dead on arrival Friday, Aug. 13, at Booth Hospital, following an apparent heart attack at his home.

He leaves his wife, Frances Dalheim Price; five sons, Rev. Wayne Price, First Baptist Church, Winchester, Rev. Floyd D. Price, Centerville Baptist Church, Paoli, Ind., Clarence Price of Burlington, John Price of Covington, and Randy Price at home; a daughter, Mrs. Elmer Womble of Boynton Beach, Fla.; his mother, Mrs. Warren S. Price of Covington; two brothers, Clarence Price of Park Hills, and Charles Price of Ft. Thomas; two sisters, Mrs. Pearl Silcox of Erlanger, and Mrs. Dorothy Woodward of Concord, Tenn., and three grandchildren.

Burial was in Highland Cemetery with Linnemann of Erlanger, in charge.

BOONE TRIO SITS ON TRANSIT BOARD

Boone County Judge Bruce Ferguson appointed three members to the recently established Northern Kentucky Transit Authority. The authority will consist of three representatives from each of the three Northern Kentucky counties.

The three from Boone County are: Miss Nellie McCarty and Ted Bushelman, both of Florence, and Herman (Duke) Faulconer, from the Cherry Hill area of the county.

Primary goal of the authority will be to qualify Northern Kentucky for Federal mass transit funding, if and when this becomes necessary.

TURN ON TIME-SAVING CONVENIENCE WITH AN ELECTRIC WATER SYSTEM

Nothing's as nice to have as water ... when you want it ... where you need it. Water for family and household needs. Water for animals and farm chores. Water for gardens and fields. And enough water to get the job done.

An electric water system puts water where you need it ... when you need it. Saves untold steps. And helps you earn more money because livestock and crops grow better and faster when properly watered.

You'll live better ... and earn more ... with an electric water system. Great for family comfort and convenience inside; great for scores of farm chores. Ask your Rural Electric System for free information about installing your electric water system.

Women
IN THE KNOW

by Jean Kingsley, Women's Consultant
The Travelers Companies
Food For Thought

According to recent Labor Department statistics, the average family spends about 24 percent for food, the same amount for rent or mortgage payments, ten percent for clothing and 15 percent for transportation out of its total expenditures. These, plus ten percent for medical and personal care bills, make up the largest expenses of any family.

Does the amount your family spends on food in one week come to more than 24 percent of your income for that period? Then, take a careful look at your food buying habits. Are you relying on frozen foods to save time and work? They certainly are convenient, but this kind of luxury can skyrocket your budget. Use frozen foods sparingly—when they're really needed.

You can also cut down on food costs by serving only two meals a day on weekends for the family—with the added bonus of weight loss. Try serving desserts every other night for extra savings. Women in the know will realize that if they can cut costs on any expenses by \$4.00 a week, they will have magically saved \$208.00 a year!

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The sudden change in Kentucky weather is pointing us toward one thing in particular—the fact that Fall is just a short time away. Soon we poor humans will have to forget the summer fun, with all the vacation trips, swimming parties, ice cream socials, watermelon cuttings, and what have you, and get back into the swing of things that go with Fall and Winter time. Soon will come the cold, crisp air out of the North, mixing with the warmer air from the Gulf, and mixing together will produce what we know as snow. Our change will involve our many habits: eating, sports, clothing, but most of all for the youth, there will be school with all these activities. All these things happen so suddenly that you seldom realize that they are upon you before it happens.

One sure way this writer has learned to determine when the time for this change is coming, is to listen to the conversations around the church. The youth are already talking about who their teachers will be for the coming year; the subjects they plan to take, and for the seniors, the talk is about graduation and things. We also hear some bits of conversations between teachers in our church. For example, one Sunday not too long back, two of our teachers were overheard exclaiming how they are looking forward into the new year. How they can hardly wait to receive the crop of students for this year. One of the

teachers, Mrs. Wanda White, is a veteran grade school teacher at Kenton Elementary, and last year received the treasured award of lifetime membership in the PTA, of which she is very active. The other teacher, Miss Diane Schader, who is one of our newer teachers at Simon Kenton High, is excited about the opportunity to teach our boys and girls once again.

Another sure way to know that the weather change is upon us is to listen to the chatter of the church members concerning getting things all ready for the cold weather that is on the way. There will be the expense of providing oil for the furnaces. Preparations must be made to have the old family bus ready for winter. But one thing that hits the ears of we pastors that sounds mighty good to our ears is that "time to put up the old boat, camping equipment, and get ready for winter." This usually means that now that the fun time is all over, it is time to return to the House of God, and to replenish our souls with some real "soul food," the "Bread of Life."

The migration back to The House of God is a slow process, and it usually takes three to four weeks for members to get back into the old grind. Keeping this in mind, we are looking forward for the final chapter in this present church year which will be completed with the last Sunday in September. To help with the migration of our members, visitors and friends, we call your attention to three major events that close out this exciting church year of 1970-1971. Mark your calendar with the following dates and events: August 29 is the date of our annual Sunday School picnic. The time will be just as soon as our morning worship hour

is completed, and our bus(es) will leave for Bethel Camp at that time (12:00 noon). This year, we will have planned games for all age groups, instead of the usual period of dilemma as to what to do. Everyone is invited to come. All you do is bring some food. The drinks and eating equipment will be furnished by the church; then you are invited to join all our churches of this area to the Boone-Kenton Evangelistic Crusade which starts Sunday night at 7:30 p. m., September 19 through September 25; and the final special presentation will be on Sunday, September 26, beginning at the 11 a. m. worship service and lasting through the day. This is the annual Homecoming Day for New Banklick Baptist Church. Rev. Don Davidson, former pastor for the period of 1961 to 1968. Brother Don will be bringing the morning message. Following the worship hour will be our lunch and period of fellowship. The Southern-Aires from Dayton, Ohio, will be our guest singers for the day. Our groups from our church will be presenting special music during the several break periods for the Southern-Aires. There will be no evening service that day. So plan now to make all of these special days of fellowship and worship with New Banklick Baptist Church.

The pastor, James D. Johnson, wants to extend a special invitation to each and everyone who reads this article to come and worship with us if you do not have a regular place of worship. We believe that if you enjoy good old-fashioned gospel music and preaching, you will want to stay.

When fire starts, get out of the house—and DON'T go back.

AT EASE IN ZION

Lesson for August 22, 1971

Background Scriptures: Isaiah 57:23; Amos 6:1-4; Romans 13:16-14. Devotional Reading: Proverbs 23:29-35.

Almeda C. Adams, founder of the Cleveland Music School Settlement and author of Seeing Europe Through Sightless Eyes, owes her blindness to alcohol. When she was but a few days old a physician under the numbing effect of alcohol used too strong a solution of silver nitrate to treat her eyes. She has been sightless ever since.

The same thing can happen to a whole society. The effects of alcoholism on a whole nation can be equally crippling. Some nations today are just beginning to wake up to this problem. The reason they are beginning to understand the terrible price they have to pay for this tragic social disease. They have become concerned because they can see what it does to the economy, how it affects the moral fiber of their people, and the decay it brings to the national morale.

The degenerate society

The prophets of Israel frequently brought this same warning to the nation. Drunkenness was often one of the most obvious symptoms of the degenerate society.

Thus when the prophet Amos came warning the people of Judah of God's impending judgment, he cited the drinking-bouts as part of the whole picture of corruption that would bring the downfall of these people. "Woe to those . . . who drink wine in bowls," he proclaimed. The people were not satisfied with normal utensils; they made gluttons of themselves, using bowls to increase the quantity consumed.

The problem, as Amos made quite clear, was that the people were being corrupted by their affluence. Self-indulgence had become the national past-time for those who could afford it. The description of this "fat life" is vivid: "Woe to those who lie upon beds of ivory, and stretch themselves upon their couches, and eat lamb from the flock . . . who sing idle songs to the harp . . ." (4, 5).

Having a good time?

Yet, despite the attractions of the "fat life," we cannot help wondering whether it is all it appears to be. For example, in a recent cartoon, we see an elderly woman, half drunk, sitting at a night club table. All around her are scenes and sounds of the "fat life": a band blaring away deliriously, frenzied dancers, people wearing little paper hats and blowing tiny horns. Yet as the waiter bends over her table, she asks him: "Waiter, am I having a good time?"

So it may be that people will go through the motions of "having a good time," yet still not know whether their affluence and self-indulgence are really bringing them the sought-for satisfaction. "Woe to those who are at ease in Zion," warned Amos. It is still good advice today.

SURPRISE... OF A LIFETIME

As old as childhood itself is the game of surprise.

"Close your eyes, Mommy!" And Jimmy places his precious gift on the table.

"Now, open your eyes, Mommy!" And Jimmy watches rapturously for the flash of surprise on Mother's face.

But surprise isn't always a game. Parents whose eyes were closed to their own and their children's deepest needs have often beheld the shambles which religious indifference can make of promising youth.

The essential duty of parents is to provide thorough religious instruction for their children . . . and its natural ally, parental example.

The Church is enriching the spiritual life of millions of families. But your Jimmy's opportunity for religious training and a Christian home depends on how much you SEE of his soul's need — and yours.

Springtime is a "rush season"—not only for the farmers in getting their crops sown, but also for fertilizer suppliers, because farmers have made a habit of applying at planting time most of the fertilizer they use. In fact, some fertilizer dealers in Kentucky sell two-thirds of their total fertilizer tonnage during a 6 to 8 week rush season in April and May. During the period July 1, 1969 to June 30, 1970, Kentucky farmers bought approximately 800,000 tons of fertilizer, but only 146,000 tons or 18 percent was bought during the July-December period.

This practice of farmers buying and applying most of their fertilizer in the spring rush season causes problems—both to the fer-

tilizer suppliers and to the farmers. The main problem is a tight supply demand situation in the spring and a slack season in the fall. As fertilizer production facilities have tended to become concentrated in huge plants near the sources of raw products rather than scattered widely in small, localized plants, and as many local dealers in counties of heavy fertilizer use find it uneconomical to have large enough storage facilities for more than a two or three weeks supply, both the farmers and the dealers face the problems of getting the supplies they need by rail or truck during the rush season. Rail car shortages, trucking problems, tight supply-demand relationships, and the like easily foul up the process.

Furthermore, what happens if the farmer fails to get the type and amount of fertilizer he needs during the spring planting season? Farm production and production efficiency suffer. Few farmers can afford a cutback in production and efficiency with the cost-price squeeze under which they produce.

The answer to this obviously is to smooth out the fertilizer use pattern, from the high peak of

use in the spring to a more even distribution throughout the year, or particularly in late summer and fall. By following basic agronomic principles this can be done without sacrificing production and efficiency.

These basic agronomic principles have to do mainly with (1) the seasonal fertility needs of a particular crop for best growth, and (2) the reactions of fertilizers in soil which affect their availability for use by the crop. We shall consider fertilizer reactions first.

What are the characteristics that make some jars of canned fruit or vegetables at the Kentucky State Fair blue ribbon winners? Here are the most important points as seen by Miss Elizabeth Helton and Mrs. Sue Burrier, UK

Extension foods specialists, who will help judge the canned foods at the fair.

The food should have the natural color of freshly cooked products. They should appear to be young and tender, neither tough and stringy nor under-mature. Both fruits and vegetables have their best texture, color, flavor and nutritive value when they are at their prime maturity.

The jar should show good use of space, being neither too crowded nor too loosely packed. The liquid should be clear and free of sediments and right in amount for the food used.

One-half inch head space should

be provided for all foods except corn, shelled beans and peas, all of which need from three-fourths to one inch head space.

All spots and soil should have been removed in preparation.

The pieces of fruit or vegetable should be about the same shape and size. The product should be of firm quality, rather than mushy or ragged or over-cooked! Fancy, elaborate packs are not approved, as they require too long for packing.

There should be no signs of spoilage, such as gas bubbles, molds, leaky seals, cloudy liquid, or white sediment in the bottom of the jar.

How about coming to Northern this fall?

Our college has come a long way in a year.

We began our first classes last fall.

We broke ground for our new campus in the spring. We field our first basketball team this winter.

In 1972, the Chase Law School will be part of NKSC. Our students started 9 new clubs and organizations over the last 12 months.

We've hired 21 new faculty members, added 5 new departments and 70 new courses. Our experts tell us enrollment will almost double this year. Surely we have what you're looking for. If not, you can start it when you get here.

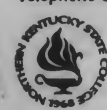

At NKSC you can major in:

- Biology
- Business
- Education
- Fine Arts
- History
- Humanities
- Mathematics
- Nursing
- Physical Science
- Psychology
- Political Science
- Social Science

NKSC should be your school

Mrs. J. A. Keeney, Reporter

The children, grandchildren and great-grandchildren of J. N. and Augusta Stephens met at the Oak Island Baptist Church on Saturday evening, August 7, for a visit together. Of some 60 who would have liked to have come only the 37 named here were present. The well filled table of food was enjoyed by all, but the visiting means

more to many of us. Let's make a place in our schedule for the summer of '72 and have the best get-together ever. Present were: Bob, Helen and Michael Stephens, J. W. and Betha Crail, Don, Jean, Keith and Kevin Russell, Leslie, Franky, Martha, Mary and Metsy Stephens, Lela, Bryan and Carol Stephens, Morris, Kathryn, Louise and Lynn Wharton, Douglas, Cindy, Thomas, Melissa, Hattie and Harold Stephens, Dave Hall, Dale Stephens, Mary Stephens, Francys

Keeney, Margaret Rector, Robert, June, Becky and Kathy Hesselman, and Leontine Stephens. Mr. and Mrs. Lee Giles of Indianapolis, are the proud parents of a daughter, named Susanna Jane. She is welcomed by two brothers. Little Melissa McClafferty won the title in the 3-year-old class as Junior Miss at the Kenton County Fair last week.

The George Fennell family enjoyed a picnic at Eagle Creek Park recently.

Mrs. Lyda Rees is convalescing very nicely at her home. We hope she will soon be back to real good health.

Keith and Kevin Russell have enjoyed Boy Scout camp this week.

Mr. and Mrs. Robert E. Rich and children spent Saturday with Mrs. Marie Rich.

We enjoyed very much a call from Mrs. Joe B. Richardson and Miss Helen Richardson.

This community and the Staffordsburg church sustained a loss this week in the death of the oldest member, Mrs. Caroline Armstrong, on Sunday morning, Aug. 8 at Booth Hospital. One of the best neighbors anyone could have, she was ready at any time to help someone. She did her share of the work, milking, tending the garden and feeding her chickens until well past 90 years. Her memory would put to shame many only half her age of 97 years. She will be missed by two daughters, Mrs. Jimmie Irvine of Lookout Heights, and Mrs. Alice Petry of Cincinnati, and one son, Harry Armstrong, at home, also 10 grandchildren, and 20 great-grandchildren. We should not mourn for one so blessed with long life and health, but cherish fond memories. She had so often said, "I'm ready to go." There is no night there—Rev. 22:5.

We would also pay tribute to another worthy example in the per-

son of Miss "Tina" Marshall, who passed away on Sunday evening at the home of her niece, Mrs. Ralph Lipscomb in Latonia. She was the last to pass away of a family of one brother and three sisters, the children of Mr. and Mrs. Pendleton Marshall. She is survived by two nieces and a host of cousins, friends and neighbors. She first became a member of Hickory Grove Baptist Church as a girl. She took her membership to Ashland Avenue Baptist, where her funeral was held. She was a schoolmate of Mrs. Caroline Armstrong at Bowman school, for a long time neighbors, and always friends.

Women Play An Important Role

by

ers of both political parties what their greatest source of strength is in an election campaign, whether it's for a national, state, or local office, the answer would be women.

The leadership and direction women have over community and home life has always been a vital influence to man and his community. But only now, an effort is being applied to bring talented women to positions of high public trust in the Federal Government.

The President has recognized that woman-power is an untapped source in government. His policy to appoint women to high government positions is supported by his recent statement: "The Nation's many highly qualified women represent an important reservoir of ability and talent that we must draw on to a greater degree. In

this Administration we have firmly espoused the rights of women, and we must now clearly demonstrate our recognition of the equality of women by making greater use of their skills in high level positions."

To do this, the President ordered all government agencies to develop and put into action plans for attracting and hiring more qualified women to top appointive posts. One of the first women President Nixon appointed to one of these positions was Mrs. Elizabeth D. Koontz. She was appointed director of the Women's Bureau of the U. S. Department of Labor. Two very recent high-level appointments were also made. The President appointed Congresswoman Charlotte Reid to the Federal Communications Commission. Mrs. Catherine May Bedell, a former member of Congress, has been sworn in as the Chairman of the U. S. Tariff Commission. He is the first woman to ever serve as USTC Chairman.

I agree with Ashley Montagu in his statement: "In all societies women have played a much more important role than their menfolk are generally ready to admit." I would be the first to admit the vital contribution women have made to the State of Kentucky and

to America. As I have stated on previous occasions, women should receive the accolades long overdue them and that is why I have made this a serious concern of my column this week.

MEDICAL MILESTONES

Today's surgeon skillfully performs delicate operations once thought impossible, yet he shares a common problem with all the practitioners who preceded him since the dawn of history—that of joining severed tissue.

The use of suture "threads" to sew up wounds spans more than 4,000 years and the search for a "perfect" suture has been unrelenting.

Sinews and strings were used by the ancient Egyptians to close wounds and, though crude, they were an improvement over techniques used before their discovery.

It wasn't until the second century, however, that Galen the Greek used strands of animal intestine to tie off cut blood vessels—and close the wounds of Roman gladiators.

Suture development continued at a slow pace until 1806, when Dr. Philip Syng. Physich of the University of Pennsylvania discovered that sutures made of animal tissue can be absorbed by the body—avoiding irritation caused by long lasting sutures. Lister's discoveries and development of sterile techniques made gut sutures practical but the nature of the absorption process caused swelling with resultant pain in some cases.

Now, a new era of surgical sutures has been entered with "Dexon"—the first synthetic absorbable suture. It has a higher tensile strength than conventionally used animal gut, is absorbed by the tissues without irritation at a predictable and uniform rate—and remains strong during the critical 15-day wound-healing period—disappearing only after its job is done.

New Officers of Kenton Elementary School PTA

Elected officers for the coming year of the Kenton Elementary School PTA were installed at the May PTA meeting. Mrs. Charles Adams was installing officer, and they are: Mrs. Ray Baldwin, president; Mrs. Eugene Zornes, vice president; Mrs. Earl Jones, recording secretary; Mrs. Roy Chambers, treasurer, and Mrs. James Whitaker, corresponding secretary.

Members of the Executive Board will meet with Mrs. Baldwin, the president, on August 19 at 1:00 p. m. at the school to make plans for the coming school year.

Committees are presently preparing for the annual chili supper to be held October 8 at Kenton Elementary School.

The Environmental Health In Schools

This is the last of a series of articles dealing with each school district and its rules and regulations in regard to employees, students and building and grounds.

All boards of education shall, in relation to each school under its jurisdiction, provide and maintain a physical environment that is conducive to the health and safety of school children. It shall be the responsibility of all local boards of education to comply with current laws and regulations applicable to health, sanitation, and safety. In accordance with current regulations and standards it shall be the responsibility of all local boards of education to provide:

- (1) An adequate supply of water of safe, potable (tasty), sanitary quality.
 - (2) An adequate sanitary disposal of sewage, and water carried waste, and solid waste.
 - (3) Adequate toilet and lavatory facilities and other sanitary fixtures according to State Plumbing Code.
 - (4) Adequate heating, lighting, and ventilation in all school buildings.
 - (5) Adequate facilities and equipment for cafeterias and lunchrooms as required by the State Food Service Code (Regulation FDC 22).
 - (6) Supervision of general sanitation and safety of the school buildings, grounds and playground equipment.
 - (7) Adequate first aid facilities.
 - (8) Adequate control of air pollutants as required by the Kentucky Air Pollution Control Commission.
- Each board of education, based on needs, shall designate a person to serve as School Health Coordinator. Such person shall meet the minimum qualifications required of this position. The school health coordinator shall work in cooperation with the Director of Pupil Personnel, other local school officials, the Bureau of Pupil Personnel Services in the State Department of Education, and the local health department in planning, promoting, and implementing a school health service program that meets the requirements of the school health code adopted by the State Board of Education.
- Each school district shall require its curriculum to include health instruction, stressing timely and local health problems such as alcoholism, drug abuse, personal hygiene, accident prevention, family living, environmental health, nutrition, and venereal disease.

Scholarships Available

Girl graduates of high schools who have given up hope of attending college this fall because of lack of finances are being offered scholarships at Midway Junior College, Midway, Ky.

Midway still has 80 scholarships open for girls. These can be a full or partial scholarship, depending upon the financial situation of the individual girl and her family.

Scholarships are also open to girls who will be in their junior or senior year of high school at Midway's Pinkerton High School.

Girls interested in scholarships should write the Office of Admissions and Financial Aid, Midway Junior College, Midway, Ky. 40347.

Registration is August 29. High school classes begin August 30th and college classes start Sept. 2.

25th Wedding Observance

Mr. and Mrs. Joe Claxton, of 112 Colonial Drive, Florence, celebrated their 25th wedding anniversary on Tuesday of this week. He has served as Boone County's Agricultural Extension Agent since June of 1952. They have a son, Joe, III, and a daughter, Ann. Congratulations, Claxtons!

College Catalogs May Be Studied

Boone and Kenton County high school students planning a college program will have available for their use 41 college and university catalogs from ten states.

The documents have been acquired by the First National Bank of Covington and may be used during banking hours at the Covington office.

The catalogs will supply students, parents and counselors with information on entrance requirements, costs, scholarships and programs offered.

In addition to catalogs from Thomas More and Northern Kentucky State, there are others from all major public and private colleges in Kentucky. There are also those from Cincinnati, Xavier, Ohio State, Tennessee, Indiana, West Virginia, Virginia, Vanderbilt, Virginia Tech, Georgia Tech, Washington and Lee, and the University of Florida.

Tourney Is Set

The Walton Fastpitch Softball team will sponsor a slow pitch softball tournament over the Labor Day Weekend starting at 9:00 on Saturday morning.

Any teams interested in entering the tournament call Lloyd Poore at 485-7196 or George Anderson at 485-7361.

Republican Club Picnic

The Gallatin County Republican Women's Club will hold its annual picnic on Sunday, August 29th at Marland Dam, beginning at 4:00 p.m.

Tom Emberton will be the principal speaker. Congressman Gene Snyder and Ken Harper will also be present.

Broken Windows Missed

In reporting the story of windows being broken recently, we failed to include Dixon's Restaurant, Walton Bowl, and Redhore Coal and Feed, all in Walton.

Reward for information is being offered by the business people.

When fire strikes, get the family out first—material things can be replaced.

Carter's Homecoming

Homecoming at Carter's Chapel United Methodist Church will be held on Sunday, August 29. The church is located 6 miles East of Crittendon, take Highway 491 (near Gardnersville).

The Southern-Aires quartet of Dayton, Ohio, will be present for the day. Dinner will be served at 12:30, and the afternoon session will start at 2:00, with other good singers.

The pastor, Rev. C. W. Closs, Jr., said, "Everyone is invited to come and spread your lunch with us and enjoy the day together worshipping God."

The Trapshooting Watson Sisters

Not too often do teenage sisters make their mark at the same time by shooting down flying clay targets with a load of shotgun pellets.

But Wanda and Sylvia Watson have accomplished not only acclaim in the world of trapshooting but have been engaged in the business itself.

Wanda is 18, Sylvia 19, and the daughters of Edgar and Mildred Watson, 49 Percival Road, Walton. The family lives on a 60-acre farm which includes a fishing lake and a trapshooting range.

Wanda is the current and three-time Fifth District lady trapshooting champion, and holds, among other titles, high nonresident lady trapshooter of Ohio.

Sylvia won the high individual lady trapshooting title at the Kentucky Trapshoot at Berea this year.

When Wanda was 16 and Sylvia 17, they took over the Barrel Lake Gun Club on their parents' farm and in their spare time learned to knock down the play pigeons as sprung from target traps.

Sylvia operates the Barrel Lake Gun Club on her own now, though she is returning shortly to Eastern Kentucky University as a sophomore.

Wanda, who plays the French horn, is preparing to enter the University of Cincinnati Conservatory of Music to matriculate in music education.

Wanda says she may participate in the forthcoming American Trapshooters' Association Grand American at Vandellia, Ohio. Sylvia will not, because of school.

Wanda won the Tri-City Gun Club Memorial Day Shoot and the high nonresident lady title of Ohio at Vandellia. She finished second in the over-all for men and women July 4th at Troy Ohio.

Boone County Jail Question On Ballot

Boone Countians will get an opportunity November 2 to decide whether they want a new jail.

Boone Fiscal Court put the jail bond issue on the general election ballot at a meeting last week.

The \$625,000 in bonds would finance construction of a three-story building to house the county jail and county police headquarters.

The court also discussed placing on the ballot the question of a tax increase for the bond issue, but this was not included in the election notice.

The tax increase would not have to exceed two cents per \$100.00 property valuation.

County Judge Bruce Ferguson said the tax question was likely to be included on the ballot, and that it would not exceed but probably would "meet the two-cent limit."

This seems to be the only way the structure could be built, because we do not imagine that the county could afford to take this great a sum from the general fund.

George T. Grady of Fox, Rensch and Company, Cincinnati, is preparing charts to figure out how long it would take to retire the bonds.

Family Picnic Dinner

A family picnic dinner was held at the home of Mr. and Mrs. Cliff Martin on Sunday, Aug. 15.

Those attending were: Mr. and Mrs. Albert Martin, Robert Martin, Mr. and Mrs. Thomas Martin, Tim, Mary Jo, Colleen, Andrea, Felicia and Anthony Martin, of Cold Springs; Mr. and Mrs. W. R. McDavid, Molly and Melinda, of Latonia; Mr. and Mrs. Bernice Parr, Dan, Melissa and Michelle, of Grove City, Ohio; Mr. and Mrs. Mike McDavid and Kelly Lynn, of Walton; Mr. and Mrs. Russell Richardson, Rusty, Terry and Kelle Dawn, of Independence; Carla Martin, and the host and hostess.

In the evening, Carla Martin entertained with a pajama party for Melissa Parr, Molly and Melinda McDavid, Colleen, Andrea, and Felicia Martin.

BOONE COUNTY FARM SPONSORS DRESS REVUE

The Boone County Farm Bureau will sponsor a dress revue for all Farm Bureau women, 18 years and over. Garments must be either 100 percent wool (can be bonded) or 100 percent cotton. The garment may be a suit, ensemble or formal dress. The garment must be constructed and modeled by the entrant. The county winner will participate in the district contest.

The revue will be held Sept. 9, and time and place will be announced later. For further information, call 686-4427 or 586-6755.

STATE FAIR WINNER

Last week at the State Fair in Louisville, in Forestry Exhibits, first year (collection of 10 or more leaves representing 10 or more forest trees found in Ky.), the winner was Gina Combs of Route 1, Walton.

Teacher's Aides Being Evaluated

A summertime experiment with teacher's aides at the Beechgrove Elementary School is being evaluated by members of the Kenton County school faculty.

Six such aides were employed under a federal grant supporting a program of special education.

One faculty member, Mrs. Geo. Edmondson, specialist in the field, pronounced her experience and success and pointed out that such help enabled teachers to devote more time to the child who needed added help.

The aide, she said, did routine record keeping, helped in the lunchroom, and supervised group activity.

She warned, however, against too strict academic standards for aides and emphasized that a good aide needs to understand the child's intelligence and achievement.

The use of aides has been tried in other areas but financial problems in Kentucky schools has prevented widespread use of such assistance.

Junior Bowl Honor Roll

The Junior Bowl honor roll at Walton Bowl for Saturday, August 21 was as follows:

Charlie Bell 309, David Mastin 314, Darel Darlington 321, Kenny Rich 322, Glenn Lucas 344, Marvin Ingram 377, James Dixon 391

Boy bowler of the week was Jeff Ammer with a 470, and the girl bowler of the week was Gisele Stephens with a 308.

Return To Regular Hours

On September 5th, the Walton Christian Church services will go back to the regular time with Sunday School at 9:30 a. m., and the morning worship at 10:50 a. m.

Walton Has New Council Member

The City of Walton has a new council member, Roger Augenstein. He was appointed last week during a regular session of City Council. Mr. Augenstein is a Doctor of Veterinary Medicine, and is associated with the Bachmeyer Animal Clinic, South of Walton. Councilman Augenstein and wife, Betty, and their two children reside on School Road.

It will be necessary for the names of Mayor Guy Cartledge and Councilman Augenstein to be placed on the November ballot.

In other action, the council has contracted with a firm to repair the streets in town as soon as he can get to it.

The city dump truck is available to use it to haul trash from their property. There is no charge. Contact the City Clerk at City Hall or call 485-4383.

Ambulance Ordered

The Walton Volunteer Fire Department has placed an order for a fully equipped new ambulance to be used by the Life Squad Unit. The department is still taking applications for new members of the Life Squad.

Home Economics' New Curriculum

Several local Home Economics teachers accepted the challenge to improve their programs through the use of the new curriculum guide for Consumer and Homemaking Education at the State Home Economics Teachers Conference. The conference was held August 10-12 at the FFA Leadership Training Center at Hardinsburg, Ky., and is sponsored by the Division of Vocational Education.

Miss Mary Bell Vaughan, Director of Home Economics Education, welcomed over 400 Home Ec educators from the State of Kentucky, who participated in learning new methods and resources for improving their local programs.

To aid teachers in the understanding and acceptance of this curriculum were Dr. Fern Harn, Curriculum Project Consultant, of Wisconsin State University, and Dr. Marjorie Stewart, Head of Home Economics Education, University of Kentucky. This new guide was written by several home economics teachers working with department heads of the universities in Kentucky and all homemaking teachers in the state are encouraged to field test it this year.

A highlight of the conference came when Everett Lindsey, a lay Methodist minister from Cincinnati and formerly personnel advisor for the Gulf Oil Corporation, spoke on "Methods of Human Motivation." He captured this group through audience-participation and his ability to relate to individuals. He presented every teacher with a diploma, entitling her to be a Human Motivator.

Excellent exhibits in each area of Home Economics were set up to help teachers enrich their classes. The Home Economics Department of the Northern Kentucky Vocational School, responsible for the furniture, games, pamphlets, and other teaching aids for the Child Development Area.

Mrs. Bessie Hawkins, Vice President of the Kentucky Home Economics Teachers' Association, presided at the Tuesday evening general session. She is a teacher of Homemaking at Owen County High School. Thelma Jones, Home Ec teacher at Ludlow, presided at the closing session. Others from the local area attending the conference were: Carol Neely, Twenhofel Junior High; Evelyn Hance, Walton-Verona, and Helen Ruth McElroy of Simon Kenton.

Literary Club To Meet

Mrs. A. H. Gaines, president of the Walton Woman's Literary Club, announces that the club will meet on September 8 at 2:00 p. m. for the first meeting of the new year.

The speaker will be Sgt. Lewis Hanks, State Highway Department, Dry Ridge, Ky. His topic will be "Defensive Driving."

Mrs. Zayda Clore, Mrs. D. L. Lusty, Mrs. W. H. Presser and Mrs. W. R. Belcher will host the meeting in Fellowship Hall of the Walton Christian Church.

Homecoming At Amity

Homecoming and the Sunday School picnic at Amity Baptist Church, Route 16, Independence, will be held on Labor Day, Sept. 6th. Services begin at 11:00 a. m. Lunch at 12:00, and games at 1:00 p. m.

There will be singing and games for all. The pastor is Rev. Chas. H. Mitchell, and the guest speaker will be Harmon Eggleson from the Newport Baptist Tabernacle. Everyone welcome!

Bake Sale, Saturday

The Wesleyan Service Guild of the Walton Methodist Church will have a bake sale Saturday, August 28th at the Walton parking lot, starting at 9:00 a. m. In case of rain, it will be held at the Walton Hardware Store.

VISIT RELATIVES, SUNDAY

Onie Cook and Lora Durr of Bright, Ind., spent Sunday with their cousin, Ruth Smith. In the afternoon they went to Mt. Zion to see Mrs. Durr's mother, Callie Beach, then to Verona, to see their cousin, Elmore Sturgeon.

FIRE DEPARTMENT MISSINGG ITEMS

The Walton Volunteer Fire Department asks the people of Walton and community to check their garages and basements, backyards, etc. to see if they have any chairs or tables borrowed from the Fire Department.

The department is also missing two salvage canvases which were used to cover someone's roof or furniture at a fire. Won't you please check and if you have forgotten to return our property, please do in order that we can help someone else.

FALL FIRE HAZARD

After the fall rains, the grass fires will be starting again. Please be careful and burn only what you can control.

Wins Third Place In State Play

The Walton Fastpitch team came in third place in the State tournament. Bubba's of Lexington were the winners beating Bonnierville, the 1970 State Champions.

Bubba's will now advance to Aurora, Ill. to play in the regional.

Homecoming At Verona Aug. 29

New Bethel Baptist Church announces their annual Homecoming on August 29. Services to begin at 9:45 a. m. with an hour of Bible study. Worship service will begin at 10:45. Former pastor, Homer Burchett, will be the guest speaker for the morning service. Mr. Burchett is presently the pastor of Mt. Freedom Baptist Church in Harrisburg, Kentucky.

Special Afternoon Services

Worship services will be followed by noon meal. The afternoon service will start at 1:30. There will be special music from the church choir, a quartet from the church, The Burchett Family, and the Ten-Mile Association Youth Choir will be singing "Good News."

Festival For Cancer Fund

Three neighbor girls on Bedinger Avenue, Walton, put together a festival last week for the benefit of the Cancer Fund. They had several games to play, bike rides, rummage sale, popcorn and kool-aid. A total of \$15.00 was made and everyone had a great day of fun.

Girls responsible for the event were Pam Popham, Amy Rouse and Denise Slayback.

The proceeds were given to Mrs. A. H. Gaines, Walton, area Cancer Fund chairman.

Women's Softball In Church League

To those who have seen the teenagers and women of the various churches in the area play softball this past summer, have had some enjoyable Tuesday evenings. As we draw to a close, we invite everyone in the community to attend our tournament which is on August 31st and September 7th at 8:30 p. m. at the Walton-Verona School ballfield.

Since we had two weeks of rain, several of the teams have games to make-up. Support your local women softball players by attendance at these games. It has been great pleasure and moral support to our team members to see our ministers in attendance.

Results of last week's games:

All Saints 47, Richwood Presbyterians 2

Walton Baptist 27, Walton Methodist 18

Rained out game played last Wednesday evening: All Saints 22 over Walton Christian 6.

Team Standings

Everything Is Free Say The Hippies

By Gene Snyder

I am upset—as most Americans are—by the increasing reports of stealing and shoplifting across the country—especially by the counter-culture, young revolutionaries who feel such deviant behavior is justified. A lot of these same hippies, longhairs are the ones that regularly use drugs. "Ripping off" or stealing, to those not familiar with the term, is rapidly becoming as much a part of the hippie culture as drugs and rock music.

There's even a handbook for rip-off artists that was recently called to my attention by one of my concerned constituents. Written by Abbie Hoffman and appropriately entitled "Steal This Book," it contains instructions on how to steal everything from apples to zebras. So sophisticated has such stealing become that Hoffman, the robbing radical, suggest going into the grocery store and slipping a few steaks or chops into the bottom of his produce bag, then placing the apples on top. Thus, you pay for apples and get free steaks.

Several publications have recently been written on the mounting number of theft-without-guilt youngsters. Since 1965, "inventory shrinkage" has increased two percent annually, and despite a heavy investment in security, retailers are expecting to report "short-

ages" of more than \$4 billion in 1971.

Is "ripping off" piecemeal revolution, an unorganized conspiracy of hit-and-run assaults on capitalism, or is it simply criminality? Irving Horowitz, professor of sociology at Rutgers and editor of the journal TRANSAction, states: "No longer is there any distinction between political dissent and deviant behavior. The two are becoming one, and obviously the merger is going to lead to strategies that are traditionally considered criminal."

In reading into this matter, I was somewhat surprised to find that Jarvis Tyner, the well-known Communist party youth leader, is highly critical of the long-haired larcenists and said, "They're hurting the revolutionary movement. We (U. S. Communist organizations) are struggling to get welfare payments increased while the hippies are giving the government an excuse to put down welfare."

While it is impossible, and perhaps inadvisable, to discuss the 28 sections of Hoffman's book consisting of information on obtaining free food and clothes; stealing of cars; free land; free long distance phone calls; and other highly immoral and deviant behavior, I have forwarded such matter to the appropriate Congressional Committee and Department of Justice authorities.

While the hippies continue to participate in sit-ins and work-stops, I hope they will also learn that a jail cell is a different life style which may give them time to think about the virtues of hard work and I hope also they will learn that nothing in life is free.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

Last week we wrote concerning the closing of the old year and the approaching Fall and Winter. We will give a report in this article about our music department and our witnessing for Jesus Christ in the different churches in Kentucky these past two months. The Lord truly has blessed and our itinerary for these past two months have been full.

We had the great joy of singing at Mortonsville Methodist Church on Saturday, July 17. This included our Adult Church Choir and our Spiritual-Heirs Group.

The First Church of God in Georgetown received the Spiritual-Heirs very graciously as they were invited to sing with the Southern-Airs of Dayton, Ohio, on Saturday night, July 31.

The Adult Church Choir with the Spiritual-Heirs accepted an invitation to sing during revival for the Methodist Church in Alberta, near Sadsville, on Saturday night, August 7.

Our last guest appearance was on Tuesday night, August 10, with

the Jonesville Methodist Church who was in revival. Our Adult Church Choir and the Spiritual-Heirs were invited to sing and this writer was asked to have a part by the giving of the Invocation and Benediction.

Our next invitation to sing will be on Saturday night, August 21, with the Mt. Gilead Methodist Church, who will be in revival. We pray that the Lord will permit our Church Choir and Spiritual-Heirs to be present. We do enjoy singing for the glory of God and for our Saviour Jesus Christ.

We have been accepting the invitation of Rev. Harry Hitch, an Evangelist from Wilmore, Ky., to help him in revivals. He was preaching the revival services at the Methodist Church in Alberta, and invited us to work with him in the Jonesville Methodist Church revival. The pastor of Jonesville United Methodist Church is Rev. Roger Kinney. It will be at the invitation of Brother Hitch that we work with him in his revival at the Mt. Gilead Methodist Church in Oxford, Ky.

We of the New Banklick Baptist Church feel that we are fulfilling the real Gospel Ministry when the Baptist can cooperate and work with the Methodist and the Meth-

odist can cooperate and work with the Baptist; and others could do the same thing if they will forget their prejudices and man-made doctrines for just a season. The only doctrine that man needs today, is the Holy Doctrine of the Bible. It is a great pity that man's intelligence has caused him to be so ignorant spiritually that we have so many denominations in the United States today. There are 253 denominations, representing 321,768 churches, with a total number of members of 120,965,238. Praise God! If all of these could just get together in the Spirit of Christ we could evangelize this whole world for Him. So the members of New Banklick Baptist Church are in agreement to share our Lord and Saviour Jesus Christ with anyone who loves Him and wants to hear good Gospel Singing and Preaching.

We extended the invitation some time ago in this column to any church who would like for us to work with in revival or to help them with an all-day singing on Sunday afternoons. We have at your invitation our Junior Choir, Youth Choir, Adult Choir, Spiritual-Heirs, Faith Quartet, the Disney Family, and many others who will be happy to contribute their time and talents for the glory of the Lord. Just pick up your telephone

and dial 331-7696 and our Music Director, Mr. Gene Parker, will tell you if we are booked for that date.

This will probably be the last article before our Sunday School Picnic so we give a brief invitation for those who enjoy sweet Christian fellowship and good food. We will meet right after our morning Worship Service at Bethel Encampment in Visalia. We plan to have lunch no later than 1:30 p. m. If you desire to come then just bring your favorite dish of food and join the crowd. The church will furnish the drinks and all eating hardware. There will be planned games for all age groups. We are looking for a very good turnout this year. The date of the picnic is Sunday, August 29. Brother Harold Callen, our Sunday School Director, is in charge.

Talk about "dares." We "dare" you to visit New Banklick Baptist

Church just once. If you love Gospel music and preaching, you will want to join the group. We may not be the largest church, but we do try to be the friendliest church. Give us a try if you are not attending anywhere at the present. (Colossians 3:16).

NO PASS JUDGEMENT

Lesson for August 29, 1971

Background Scriptures Romans 14:13-23
I Corinthians 10:23 through 11:1
Galatians 6:1-5
Devotional Reading: John 8:1-11.

It was about six months ago that my telephone rang at about three o'clock in the morning. Dazed, I groped for the phone asking myself the inevitable question: "Who could that be . . . at this time?" The voice at the other end was strange to me and I had a hard time following what she was saying. In a little while I realized why I was having so much difficulty in understanding her: she was drunk!

Rev. Althouse
Someone to talk to

Upon realizing this, I felt a wave of irritation and anger. (I am not one who wakes up cheerfully at that time of night.) She had picked me and my number because my name leads the listing of clergymen in the telephone book: lucky me! "I don't know who you are," she mumbled, "but I just needed someone to talk to so that I don't decide to end it all."

We talked (or rather, I listened) for the better part of an hour. She was an intelligent woman whose life was being wasted away by alcoholism. She had had all kinds of psychiatric treatment, been to group therapy, Alcoholics Anonymous, a private rehabilitation center, yet she was still an alcoholic. She still went on long binges and got, as she said, "roaring drunk."

Before the conversation ended, I invited her to attend our Thursday morning prayer and healing service at my church. I found it hard to conceive that we could help her when everyone else seemed to fail with her. What I failed to take into consideration, however, was that the Lord himself could heal her and reclaim her life. And that's what he's doing today. Though I am not ready to make any long range claims or predictions, it is obvious to many of us that God is performing a miracle in her life.

A Christian response

Today I am sobered by the thought that I had wanted to quickly terminate that conversation. I was annoyed and angered to have to disturb my sleep for a babbling drunk. Yet, if I had hung-up, as I had wanted, I might never have had the opportunity to see this remarkable woman healed and made whole.

Too often churches and other groups have despised both the sinner and the sinner. They have rejected the alcoholic seeking help. They would be scandalized if a problem drinker were to frequent their services and programs.

The churches must never fear to pass judgement upon this great evil, while at the same time we must heed Paul: "Let us no more pass judgement on one another" (Romans 14:13). We must fight alcoholism, yet at the same time love and minister to the alcoholic. That is the Christian response to the evil of alcoholism.

SOLITUDE but not SOLITARY

Quiet moments in solitude are good for the soul. Each of us needs those moments apart from the busy world—where we can distill our thoughts, reshape our purpose and revitalize our spirit.

This is not the same as living a solitary life—to be shut off from society, aloof and alone. We must remain in touch with the rest of mankind, or we will become lonely and selfish. We must be a part of the common flow of life.

In a society filled with patterns and cross-currents of both good and evil, where we dare not live in isolation, every person needs a strength greater than his own. That strength, derived from the presence of God in our lives, is the central concern of the Church. Spend some time in solitude with God before you attempt to meet the rush of life.

Staffordsburg

Mrs. J. A. Keeney, Reporter

Elwood Binder visited over the weekend in Kentucky.

Mr. and Mrs. Kenneth Childers and sons are spending the weekend at the State Fair.

This area was sadly surprised by the sudden death of Oscar Coleman on Thursday evening following surgery on Monday. He is survived by his wife, Mary Watson Coleman; a daughter, Shirley, at home; two sons, James of Fort Mitchell, and Ronald of Independence, and a host of relatives and friends.

Rev. and Mrs. Paul Pepoon and family are enjoying a vacation, traveling west toward where he had been a pastor several years ago.

Mrs. John Klette visited with me on Wednesday of this week.

Mies Helen Richardson, who is so thankful of others who visited Mr. Caywood at Woodpoint Rest Home on Saturday. It was his birthday. She asked me to go with her and we saw several others we knew who are patients there. Among them were Howard A. Stephens, Mrs. Gertrude Daniels and Mrs. Florence Stein.

We extend sympathy to Mrs. Fern Elbeck, who was called to Brookville, Ind., by the death of her youngest brother, Mr. Birch. He left a wife, daughter, and several brothers and sisters.

Mrs. Clinton Henry of Miami, Fla., spent a week recently with her parents and family here.

Mr. and Mrs. Don Keeney enjoyed very much a visit with Rev. and Mrs. Louis Adams from near Alken, S. C. He is a former pastor at Staffordsburg.

Garden Club Meets

The Kenton County Garden Club met with Mrs. L. M. Gabriel on Bracht-Piner Road, August 19, for a picnic, and all had a good time.

Those present were: Elma Taylor, Gladys Shumate, Audrey Gouge, Lucille Hall, Nellie Damon, Helen Banks, Dorothy Ballinger, Elsie Hiteman, Alice J. Williams, Kathryn Guttridge, Genoa Herron, Georgia Brown, Mildred Popp, Mary Bates, Frances Keeney, Bertha Gabriel, and Elizabeth Furber.

The next meeting will be held on September 14, with Miss Margaret Stephens.

Too Much Vitamin A May Be Harmful

The Boone County Health Department issues a warning against overuse of Vitamin A, particularly by young people who are seeking a cure for common acne. There is no medical basis to the contention that large doses of Vitamin A taken internally will cure acne. As a matter of fact, massive doses of Vitamin A can lead to serious side effects.

Vitamin A is an essential nutrient found in many foods. It is added to such common everyday foods as cow's milk and prepared infant formula, and is found in most fruits and vegetables. Adults regularly receive enough Vitamin

A in their daily diets to provide what their bodies need. Problems arise, when people try to take Vitamin A in large amounts on a regular basis without the advice of a physician. They may do this in the mistaken belief that it will cure or benefit acne, or that it will lessen the chance of contracting infections, or even in the belief that it will improve eyesight. And while it is true that a lack of Vitamin A can cause a condition known as night blindness, massive doses of the vitamin will not significantly improve vision.

The most common physical problems that appear when too much Vitamin A is taken are headaches, vomiting, and loss of appetite, as well as cracking of the lips and loss of hair.

The Health Department reminds

New Member For W-V School Board

The regular session of the W-V Board of Education meeting on August 12th resulted in the transaction of several important items of business, including the seating of a new member, and accepting bids on various items, and air conditioning.

The first item of business was to officially seat Donald Rosenstiel to fill the vacant chair, by a unanimous vote.

Several separate bids were opened relating to bus insurance, gas, oil, fuel oil, bread, and milk. After discussion on each group of bids the following were accepted:

Bus insurance, Federal Insurance, \$641.43, with comprehensive; gasoline \$0.2485, oil \$1.15, fuel oil \$0.1189, and antifreeze, all from Boron; bread, from Rainbow; milk, Sealtest, \$0.0685 per half pint.

Installation of air conditioners by Randall Martin at \$1,760.00. Bid cost of 11 units was \$2,744.50.

Members also voted to purchase a 66-passenger bus now rather than wait until later in the year.

Kenny Vest was voted a salary of \$5,500.00 for janitor at Verona, set up for a full year with two weeks vacation.

Several other matters of form items were approved as pertaining to business transactions.

First Fall Meeting For Boone DAR

Boone County Chapter, Daughters of the American Revolution, held its first fall meeting Sept. 1 at Heritage House, Florence, at 7:30 p. m. Hostesses were Mesdames Clarence Wolfe, Garnett Tolin, Frances Berkshire, Clyde Arnold and David Clore.

The program included a report on Resolutions adopted by the National Society, given by Mrs. William Long; interesting items about Kentucky Room at the DAR headquarters in Washington by Mrs. Garnett Tolin, and a discussion of the Rights and Freedoms guaranteed American Citizens in the Bill of Rights of the Constitution, by Mrs. William Conrad.

Attending the State Board of Management meeting in Lexington, July 21, were Mesdames R. C. Nestor, Clifford Coyle, Ashlin Logan, Davis Gaines and Joseph Eubanks, regent.

The chapter was pleased to have received an invitation to a reception honoring the First Lady of Kentucky, Mrs. Louie B. Nunn, at Spindletop Farm, Lexington, on Sept. 1. On this occasion, Mrs. Nunn will formally present to the Governor, Louie B. Nunn, funds for the purchase of the Mary Todd Lincoln home in Lexington, on behalf of all the women of Kentucky. The house will become a State Shrine and a part of the Lincoln Heritage Trail.

Another event of interest to the members is the annual meeting of the Third, Fourth and Fifth Districts of Kentucky, Society DAR, to be held at Ramsdale Inn, Lexington, on September 10.

Morning Circle Meets

The Morning Circle of the Walton Christian Church met Wednesday morning, August 18th in the church's fellowship hall with Mrs. Jack Berkshire as hostess.

Al Reed gave the study, with Mrs. Morgan Campbell having those present were Mesdames

Those present were Mesdames Al Reed, Jack Rouse, Robert Elsenchmidt, Frank Afterkirk, Jack Berkshire, Finley Jacobs, Jr., Layne Cheesman, David Peebles, Gordon Garrison and Morgan Campbell.

Kindergarten Opens Tues.

The Walton Kindergarten which is held at the First Baptist Church in Walton will begin classes Tuesday, September 7th. Classes will be held from 9:00 a. m. until 11:30.

Those children attending for the 1971-72 session are as follows:

Marc Roland, Callen Cheesman, Gary Stephens, Jennifer Keeton, Brent Baldwin, Carrie Augenstein, Kevin Moore, Georgia Anderson, Michele Crutcher, Paul Ammer, Todd Porter, David Kent, Denah Noel, Tammy Robinson, Rachel King, Dwayne Vest, Ehelley Jo Johnson, Lisa Rogers, Belinda Hopperton, Kimberly Sue Locke.

Boone Co. 4-H'ers Win At State Fair

4-H members who competed at the Kentucky State Fair won more state championships and awards than ever won before by Boone County 4-H members.

Boone County 4-H received a truly unique honor when Donna Mae Tupman's Jersey cow was selected to be a part of the Junior Jersey herd that will represent the State of Kentucky at the Mid-South Regional Fair to be held in Tennessee.

Boone County's five 4-H Horse Clubs were certainly in evidence at the State Fair Horse Show. Five of the approximately 25 county horsemen making the trip returned with seven State Championships. Among these were Curt England, Kathy Easton, Debby Lamb, Scott Howell and Charlene Hempling. Miss Hempling was also selected as high point champion in Walking horses.

Gina Combs, Walton, received two championships at the fair. She had the highest score in the Junior home furnishings, and also won the championship in the forestry division in which she had to collect and identify leaves of Kentucky forest trees.

Patti Strader, Union, placed 4th in the Junior 4-H clothing judging. Shelby Baute, Union, received the highest honor that can come to a 4-H Dress Revue participant and is champion of the Kentucky 4-H Dress Revue. She will now go to Chicago in November for the National 4-H Club Congress.

The trip to Chicago is one of the highest honors a 4-H'er can receive. We are sure that your congratulations would be appreciated by Judy Hetterman, Marianne Smith, and now by Shelby Baute for their recent accomplishments.

W-V Booster Calendars

The Walton-Verona Band Booster organization will be selling birthday calendars again this year.

A member of the band boosters will soon be contacting you, so that you may place your order for a calendar and list the birthday and anniversary of your family.

Mrs. Paul Beigle will act as chairman of the drive. Organizations desiring to list their meeting dates on this calendar, please call Mrs. Layne Cheesman at 485-4282.

Kroger Award Winners

At Boone County Fair

Winners of the recent Boone Co. Fair in the Kroger award were: Senior Division, Patty Tupman and Jim Brown; Junior Division, Susan Hetterman and John Mauer.

This award is given for overall participation in their 4-H project at the Boone County Fair. These silver trophies were donated by the Kroger Award of Cincinnati and through the Erlanger store managed by Bill Schulte.

Coffee For Mrs. Emberton

A coffee will be given in honor of Mrs. Tom Emberton by Mrs. John Maddox and Mrs. J. D. Risher on September 7, from 8 to 9 p. m. at the home of Mrs. John Maddox in Verona.

In addition to Mrs. Emberton, other candidates' wives will also be present. Any interested person is cordially invited to attend.

This coffee will climax a day in Boone County which will include a luncheon at Southern Trails Restaurant in Florence and a walk through the Walton business district.

Walton-Verona Schools To Open On September 7th

The Walton-Verona Schools begin on Friday with a meeting of all teachers at 9:00 a. m. Students will come on Tuesday, September 7th, until noon.

School will begin the first week at 8:30, but may need to be adjusted the second week to meet State requirements of students attending six hours per day.

All buses and routes will be run by the same drivers as at the end of last year, and during the first week, all runs will be made at the same time as last year.

All students in grades 7-12 (and only these grades) will be housed in the high school building at Walton, and lunch service will begin on Wednesday for them. The price of the lunch will be 35c.

All students in grades 4-6 will start in the old Verona building and will be moved out when the new school is completely finished—hopefully by the last of September. Lunches will be served to these students on Wednesday, and the cost will be 35c.

All students in grades 1, 2 and 3 will attend the new school in Verona, and will need to pack their own lunches until the kitchen facilities are completed. These students should not need to bring home "home-work" for a month or so and should be able to carry their lunches without too much difficulty. Supt. E. C. Roberts said. Milk will be served to any of these children at mid-morning and at lunch for 3c per serving.

Transportation of elementary students from Walton to Verona is not expected to be a problem. The first load, which will be made up of the larger students from the Walton first runs, will go over highway 14 and 16, with Mr. Vest and pick up students living on this road. Unless conditions warrant, all others will be transported from the high school building by non-stop commuter buses over I-71.

Mr. Roberts said, "This information has been late coming, but was necessary because of progress on the new school."

Wa-Na Club Meeting

The Wa-Na Women's Club will meet Tuesday, Sept. 6th in the Walton Union Methodist Church at 8:00 p. m.

For the first fall meeting, guests will be welcome to attend and to get acquainted with club members. Hostesses will be Mrs. Chester Sturgeon and Mrs. Malcolm Simpson.

Local Art Students Are Fair Winners

Students at the Anneliese Art Studio, Walton, did quite well in recent fairs in this area. Winners were as follows:

Grant County Fair—Animal: 1, Bert Howard, Taylor Mill; 2, Katie Childers, Covington, and 3, Helen Godmann, Independence. Still Life, 2, Mattie Cox; landscape, 1, Catharine Crouch; 3, Helen Godmann. These were in the adult class.

Under 14 years—Still life, 1, Denise McKinley; 2, Denise McKinley, and 3, Randy Edwards. Landscape—1, Denise Soden; 2, Denise McKinley. Landscape—1, Martilee Holland. Animal—1, Denise McKinley; 3, Denise McKinley.

Pencil—2, David Holland. Professional—Anneliese Wahrenburg won four first place ribbons (landscape, portrait, still life and drawing).

At the Owen County Fair, Kimberly Brown won 2 blue ribbons; Donald Brown, two blue ribbons and one red.

At the Carroll County Fair, Helen Maxwell won first and second in landscape.

Bake Sale September 18

The Beacon Class of the Walton Union Methodist Church is having a bake sale, bazaar and rummage sale on Saturday, September 18th beginning at 9:00 a. m. at the new parking lot in Walton.

Third In Tractor Event

On Saturday, August 21, Dexter LaFollette of the Piner Clever Clovers 4-H Club, represented the Northern Kentucky area in the State 4-H Tractor Operators Junior Event at the Kentucky State Fair.

He received a blue ribbon and third place. The first place winner was Daryl Hensley of Franklin County, representing the Louisville area, and second place was taken by Taylor Cannon of Scott County, who represented the Blue Grass area.

Boone and Kenton Evangelistic Crusade Begins September 19

"Let Go and Let God" is the theme for the Boone-Kenton Crusade to be held in the Simon Kenton High School football stadium, September 19-25, at 7:30 each evening.

Walter Brashier, a full-time evangelist, will bring a message from God's word each evening. He has worked with Billy Graham and the Lord has blessed his efforts in many marvelous ways in the past few years. It is interesting to note that Bro. Brashier lives next door to Cliff Barrows, song leader for Billy Graham.

Dee Wayne White will be in charge of the music for the services which will include directing a 100-voice choir made up of representatives from ten churches. Mr. White is conductor of the "Campbellaires" of Campbellville College.

The public is encouraged and cordially invited to attend any or all of the services.

Concern Is Shown For Cancer Crusade

Concern about the increasing menace posed by the threat of cancer was evidenced during the 1970-71 Cancer Crusade in Boone County when \$6,045.17 was given.

Mrs. Ralph Pfalzgraf, president of the Boone County Chapter of the American Cancer Society, announced the generous giving during the recent fund drive. "The generosity shown by our citizens will greatly assist in the fight to control the incidence of cancer throughout the world," she said. "Programs of education toward early detection, effective treatment for those afflicted and research aimed at prevention of cancer will all be aided greatly by the Boone Countians," she added.

Mrs. Pfalzgraf asks the Walton Advertiser to publicly thank its readers for their contributions and those volunteers who gave of their time and energy to make this county's participation an important link in the total effort to fight cancer. "And without the Walton Advertiser we could not have carried the plea for support," Mrs. Pfalzgraf noted.

4-H Leaders Needed

Boone County is now in urgent need of 4-H leaders in the Walton area. One hundred fifty of Walton's future leaders have expressed an interest in 4-H. Won't you help them by volunteering?

Call or write, Steve Willis, Boone County 4-H Agent, Box 218, Burlington, Ky., 586-6101 ext. 17.

Announce Engagement

Mr. and Mrs. Robert L. Benton announce the engagement of their daughter, Kathy Ann, to Dennis Wayne Courtney, son of Mr. and Mrs. Leo Courtney of Union, Kentucky. Both are graduates of Boone County High School.

The wedding date is September 10th at the First Baptist Church in Walton, Kentucky.

Return To Regular Hours

On September 8th, the Walton Christian Church services will go back to the regular time with Sunday School at 9:30 a. m., and the morning worship at 10:30 a. m.

BE ALERT! STAY ALIVE!

Personnel Changes In Kenton County

The Kenton County Board of Education announced a series of personnel changes last week, the most important of which was the promotion of Robert Barnes to the post of assistant superintendent.

Robert Scott, Board Chairman, made the announcement. Barnes had been principal of Simon Kenton High School since 1969 and had been with the Kenton County system for 14 years.

He also had served as principal of the White's Tower Elementary School.

Barnes takes the post made vacant when Don Davis was promoted to the superintendency. He replaced R. C. Hinsdale, who had resigned.

Abell New SK Principal

Robert Abell, assistant principal at Simon Kenton, was named principal of this school. He has been with the Kenton County system seven years and is a graduate of Western Kentucky University at Bowling Green.

The new assistant superintendent is a native of Kenton County, was reared on a farm, the fifth of ten children. A veteran of World War II, he graduated from the University of Kentucky with distinction in 1950, and took his first teaching job in Pendleton County.

He and Mrs. Barnes have two married daughters. Both Barnes and Abell have graduate degrees from Xavier University, Cincinnati.

Miss Kentucky RECC

Miss Rebecca Jean Bartley of Summer Shade, Ky., has been selected as Miss Kentucky RECC of 1971. She was named the winner of the Miss Kentucky RECC Beauty Pageant at the Kentucky State Fair, August 25. She represented Farmers REC of Glasgow.

The daughter of Mrs. Jean Bartley and the late Ralph Bartley, Becky competed with 21 other young ladies from throughout the Commonwealth. She is a sophomore at Western Kentucky State University, where she is majoring in elementary education. She is 19 years old.

Employment Cut May Effect School Districts

The five percent cut in federal employment may have an effect on school districts in Northern

The possibility was pointed out by Kenton County School Superintendent Don Davis who noted that the cutback ordered by President Nixon may bring about a reduction in funds under the federal impact law.

That law provides federal aid for school districts in which there are a large number of federal employees. Allocations are made by the Department of Health, Education and Welfare after a "census" is taken by school authorities.

Supt. Davis said the White House edict was the second blow in recent weeks. Earlier, the IRS had announced a cutback in employees at the Covington office. Many of those employees, he said, were parents of Kenton County school students.

William R. Brown, federal program coordinator for the Kenton County system, said that a head count will be made in mid-September and the results sent to federal officials.

Last year the Kenton County system was allocated \$42,702. In the previous school year the figure was \$36,496.

The law, Brown pointed out, provides for federal money when a large number of federal employees either work or live in the school district and have students in class.

25th Wedding Anniversary

Mr. and Mrs. Elmo Sexton of 4 Fairview Court, Walton, will celebrate their 25th wedding anniversary on Friday, September 3.

They are the parents of five children: Betty and Edith Sexton, Johnny, Jimmy and Ray Sexton.

Serving With Air Force

Airman Ricky L. Goldsberry

Airman Ricky L. Goldsberry, son of Mr. and Mrs. Noley H. Goldsberry, High St., Walton, has received his first U. S. Air Force duty assignment after completing basic training at Lackland AFB, Texas. The airman has been assigned to a unit of the Tactical Air Command at England AFB in Louisiana, for training and duty as an administrative specialist.

Airman Goldsberry is a 1971 graduate of Walton-Verona High School.

Homecoming Held At Verona Church

New Bethel Baptist Church of Verona, held its annual homecoming on Sunday, August 29, with a large number present.

The congregation has recently completed an enlarging and remodeling program.

D. H. Vest, North Main Street, Walton, was given special recognition at the Sunday morning service because he is retiring as chairman of the trustees and had taken a noticeable part in overseeing and making changes while one of the trustees.

New Bethel Church, with a membership of 448, has been a place of worship in the Verona community since its founding in 1840. The present building was constructed in 1950.

Regular morning services were conducted by Rev. Homer Burchett, a former minister delivering the message. Other former pastors also were in attendance. Following a covered-dish dinner, the afternoon program was a worship service in music.

Women's Church League Softball

During the past week, there was plenty of action on both the Walton and Verona softball fields.

With the men's softball tournament being played, the ladies were lucky to be able to finish the rain-out games of the season. Results were as follows—

Tuesday, August 24: Richmond Presbyterian 20, Walton Christian 19; All Saints 33, Walton Methodist 1; Walton Christian 28, Richmond Presbyterian 9.

Thursday, August 26, at Verona field: Walton Baptist 33, Richmond Presbyterian 7; Walton Christian 10, Walton Methodist 10—(this contest was called because darkness with two innings to be played at another date).

Sunday, August 29, at Walton-Verona School field: All Saints 30, Walton Baptist 4; Walton Methodist 31, Richmond Presbyterian 13. Season Standing—won lost
All Saints Catholic 8 0
Walton Baptist 6 2
Walton Christian 2 5
Richwood Presbyterian 2 6
Walton Methodist 1 6

Trophies for the double elimination tournament will be on display at one of the local merchants sometime this week. Starting time for the tourney on Tuesday, Sept. 7th will be 6:00 p. m. at the ball field of Walton-Verona High. So, come out and cheer for your fellow women on your church's team.—Pub. Chr.

PINER CLEVER CLOVERS
On August 16, the Piner Clever Clovers 4-H Club held their meeting at the home of Cherri Smith. Members participated in recreation before the meeting began.

The meeting was called to order by the vice president, Cherri Smith, in the absence of the president, Andrea Baillard, who was at the Ky. State Fair showing her horse on a 4-H State event. The pledges were led by Rhonda LaFollette. Two songs were led by the song leaders.

Roll call was answered by naming something you entered in the Kenton County Fair. Five members, three leaders and a guest, were present.

Dexter LaFollette was one of four boys from Kenton County who took part in the Area 4-H Tractor Driving Contest, which was held at Spindletop Farm in Lexington, the first of August, where he received a blue ribbon and qualified to go to the State where he came in third.

Our club presented a silver platter to the Kenton County 4-H organization before the County Fair so it could be presented to the top 4-H winner in field crops. The award was received by Julie Heeger of the Trailblazers 4-H Club. This will be an annual award presented by our club.

Results of the County and State Fairs will be in another report.

New members are invited to attend the next meeting which will be held at the home of Dexter LaFollette on Sept. 20 at 7:30 p. m.

Others present at the meeting were Debbie Wolfe, Judy Bray, and Dexter LaFollette; leaders, Mrs. Bray, Mrs. Smith and Mrs. LaFollette, and a guest, Doug Smith.

The Women of Richwood Presbyterian Church met at the community house for the August meeting. Those present were: Mesdames Ashlin Logan, Edward Smith, Charles Rogers, Chester Sturgeon, and Miss Jane Bristow.

Several friends gathered at the home of Mr. and Mrs. Stanley Bush on Saturday evening to surprise Gilbert and Mable Groger, it being both of their birthdays. Those who enjoyed the occasion were: Mr. and Mrs. Jesse Callen, Mr. and Mrs. J. R. Flynn, Mr. and Mrs. Frank Penick, the guests of honor, and the hosts. Everyone left wishing them many more happy birthdays.

Sympathy is extended to the Jones family in the death of Mr. Ed Jones.

Mrs. Carla Gamble has arrived in Germany to be with her husband, Sammy Gamble, who is stationed there with the Army.

Mr. and Mrs. Gilbert Groger were Sunday evening guests of Mr. and Mrs. Jess Callen.

Mrs. E. W. VanWinkle of Circleville, Ohio, was a recent guest of her sister, Mrs. Bessie Johnson, and the Kenneth Johnson family of South Main St., Walton, and of Dr. and Mrs. Tom Heavens of Cold Spring.

Miss Pam Roberts of Old Lexington Pike, is visiting her cousins, Mr. and Mrs. Chuck Smith, and daughters, Julie and Jennifer, of Detroit, Mich.

Mr. and Mrs. James A. Johnson and daughter, Terri, of Kilgore, Texas, were guests of his sister, Mr. and Mrs. Lawrence Wilson of Walton, and her father, Rev. C. G. Dearing of Erlanger, last week. The Johnsons were going by plane to attend parents' day at Annapolis Naval Academy.

Mr. and Mrs. Ray Brewster and Charles Neumeister had as a guest Bob Smiley of Anaheim, Calif. Charles and Bob served in the U. S. Army in Korea together. They enjoyed a tour in Kentucky and a trip through Mammoth Cave.

Mrs. Donna Vest of Louisville, was the Friday guest of her parents, Mr. and Mrs. Marvin Kendall.

Mr. and Mrs. Lloyd Clemons, Mrs. Layne Cheesman, Mr. and Mrs. Dan Roberts and Mr. and Mrs. James Lawrence and son, Randy, attended the wedding of Miss Terrie Hill to Bernie Spencer at Rosedale Hill Methodist Church in Indianapolis, Ind., Sunday afternoon.

Fred and Mike Stallard and David Mastin spent the weekend in Virginia.

Mrs. Robert Hetterman is a patient in St. Elizabeth Hospital.

Natalie Rosenfeldt of Detroit, Mich., spent several days with Mrs. Walter Whitson.

Leonard Cook has returned to his home after spending several weeks in St. Elizabeth Hospital.

Mrs. Jane Sleet's name was omitted from the list who visited Dr. and Mrs. T. J. Liggett in Indianapolis, Ind., last week. Sorry!

Mr. and Mrs. Chester Sturgeon, Mr. and Mrs. Don Sturgeon and son, Paul, and Mr. and Mrs. Tom Hodge and sons attended the Kentucky State Fair.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

Baptist Women Meet

The Baptist Women of Wilmington Baptist Church, Fiskburg, met August 5 with Mrs. Sherry Burkhardt with 11 members present. The meeting was called to order by Mrs. Lyle Spillman. The devotional was given by

Mrs. James Bailey, reading II Tim. 2:1-13, leading in prayer for all missionaries, especially those who had birthdays that day.

Prayer by Mrs. Wendel Bridges, praying for the sick and shut-ins, also the boys in service. Minutes and treasurer's report

were read and approved. Roll call with each answering with the name of someone in the Bible they would like for a friend.

Cards were sent to the sick and those in sorrow. All committees made their reports. Our State Missions program will

be held the week of Sept. 8th. Our goal is \$125.00.

After the business meeting, Mrs. B. N. Spegal was in charge of the program on "Italian Creativity." Mrs. Sherry Burkhardt showed pictures that she and her husband took while visiting there, also Mrs. B. N. Spegal showed some snapshots her son took while in the service. All members took part and it was a very interesting program. Mrs. Burkhardt closed with prayer.

At the close of the meeting refreshments were served to Mrs. Lyle Spillman, Mrs. James Bailey, Mrs. B. N. Spegal, Mrs. Marion Collins, Jr., Miss Nancy Culbertson, Mrs. Wendel Bridges, Mrs. Wayne Adams, Mrs. Keith Creasy, Mrs. Wayne Fisk, Mrs. Minnie Mae Mann, and the hostess, Mrs. Sherry Burkhardt, and daughter, Stephanie.

The next meeting will be with Mrs. B. N. Spegal on Sept. 9th at 7:45. All members are urged to come and visitors are welcome.—Reporter

COUNTY AGENT'S 1/2 ACRE

—by—
JOE CLAXON

Now is a good time for farmers to have soils tested to determine lime and fertilizer rates. Soil samples taken now—near the end of the growing season—will show the present plant nutrient levels and what and how much fertilizer or lime is needed to produce the next crop. Late summer sampling and testing also enables a farmer to get lime on in time to get soil PH at desired levels for the 1972 crop.

Another advantage of summer soil testing is that it makes fall fertilization possible. Needed potash and phosphate for 1972 crops can be applied when other crop chores are not demanding the full time of farm workers.

A reliable chemical soil test is

a good indicator of present fertility levels and is the best basis for deciding how much lime and fertilizer to apply for crop production. Soil test results are no better than the sample that is taken, so be sure that a good representative sample is taken. Here are some pointers to follow in the pulling of soil samples:

Confine sampling to units no larger than 10 acres. Pull 10-12 samples representative of each 10 acres—mix them thoroughly in a plastic bucket, and take about a pint of this composite sample for analysis.

Get samples which take into account features in a field which influence productivity; keep ridge-top, hillside, and bottomland samples separate. If there are areas within a field which are apparently different from the remainder of the field, sample areas separately. If the area to be fertilized contains portions of fields that have recently been limed or fertilized, sample these areas separately. If row fertilizer has been applied, don't pull soil samples from the row. A careful job of sampling fields is absolutely necessary if meaningful soil test results are to be obtained.

Pull samples to a depth at which field plowing will be done. If plowing depth is to be increased, don't increase depth more than two inches per year. This will make it easier to build fertility levels more uniformly. For fields which are to be used only for no-tillage or for pasture fields, pull soil samples from the 0-4 inch depth.

Each composite soil sample taken should be put in special containers for soil samples which are available at your County Extension Office. Your County Extension Agent for Agriculture will interpret the soil test results and make lime and fertilizer recommendations for each particular crop. The following areas should be tested now: Fields for alfalfa clovers, corn, sorghum, tobacco and soybeans.

AUCTION

SATURDAY, SEPTEMBER 11th

10:30 A. M.

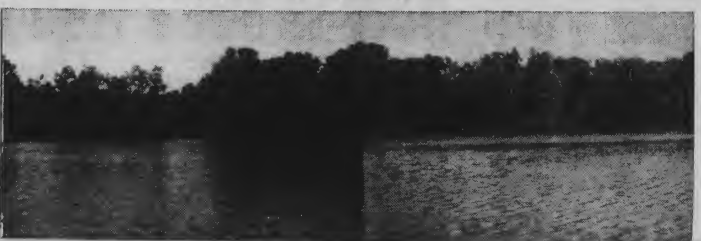

LOCATION: At the residence of the late Mrs. Gertrude Stahl on Steels Creek Road (blacktop) approximately 0.3 Mile North of U. S. Highway 42, about 6.3 Miles East of Warsaw, Ky., (watch for auction signs). In order to settle this estate, I will sell the following Real Estate and Personal Property. Farm, Household, Furnishings, Antiques, Car and Miscellaneous. Real Estate will sell at 1:00 p. m.

FARM: Consisting of approximately 32 acres (more or less), has 1.28 acres tobacco base and a poundage allotment of 3,499 pounds, has 15-acre feed and grain base, about 10 acres alfalfa hay. This farm lays well, all bottom land and all clean except about 4 or 5 acres which is in locust; has about .8 mile water frontage which is navigable for pleasure boats. This is backwater due to the construction of the Markland Dam, and this water frontage has access to the Ohio River. This farm has fair fence, and also 2 ponds and is all in grass except what is in cultivation this year—and the land is of good productive quality.

Improvements consist of good 7-room frame house with partial basement, bath and utility room, front porch and enclosed back porch, has good water supply (2 large cisterns), nice lawn with plenty shade trees, 1-car garage, 2 outside storage buildings, grape arbor, chicken house, good feed barn 50x36 feet on concrete pier foundation, good tobacco barn 50x36 feet with basement and stripping room, 2 metal corn cribs—all buildings are in good condition. This farm is well located with approximately 0.3 mile of blacktop road frontage, about 3 1/2 miles North of Glencoe and Overton Exchange of I-71, on school bus and mail routes, and in a good community. May be seen any day before day of sale. Possession will be given to house and farm with the deed, which will be 30 days from date of sale, with exception that tenant's rights are reserved to harvest and market the 1971 crop. The 1971 crops will not be sold with this farm. Approximately 4,500 tobacco sticks to go with the farm. If you are looking for a nice small farm with a lot of potentials, don't fail to attend this sale.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The BIG CHANGE OVER is coming to New Banklick Baptist Church the first Sunday in September. That's right—there will be a change in the month for our new CHURCH YEAR to begin. It has always been traditionally set for the first Sunday in October of each year; however, starting the first

Sunday in September as of this next month will be the new era in Southern Baptist. All literature has been geared to start in September rather than the traditional October. We expect to have a little confusion, as is always the result in a change-over, at the start of our new Church Year. We of the New Banklick Baptist Church will only be involved with the first phase, change of starting month; however, the second phase, organizing classes according to age as is done in public school grading,

will be impossible at the moment until more class room space and teachers are available. There are many opportunities because of this change over for any Christian who feels the call to teach a Sunday School Class, or serve in other areas of leadership. New

Banklick Baptist Church is abounding in the needs of sound Bible Doctrinated Christians who feel called to serve our Lord. If you are a Christian and a Baptist with the zeal to serve, but at the moment are not active in any church, then you need to get involved. The Lord Jesus will hold all of us responsible with our use of the talents He has given to us for His service (Matthew 25:14-30). If you find yourself in this group, contact the pastor or Bro. Harold Callen, Sunday School Director. Information will be given you as to what steps you should take to get involved in the life of our Church.

We want to report that we had a great group from our church at the Saturday night revival services with the Mt. Gilead Methodist Church at Oxford, Kentucky. Over 43 persons attended with our group either by bus or by cars. Our adult choir did an excellent job, and the Spiritual-Heirs were wonderful, in spite of our loss of Mrs. Ann Dumavent, who has moved to Michigan. It was very difficult for the other members to carry on, but carry on they did with a great vibrant spirit. The other members are Mrs. Lois Reinhart, Mrs. Jackie Grayson and Mrs. Francis Beach. The members of our Host Church received us very graciously. We were also very pleased to make the acquaintance of Brother Jim Prieto, who is a missionary from the Philippines. He did a trumpet solo, which was just wonderful; and, he led the music during the revival. He and his wife, Polly, are attending the Asbury Theological Seminary in Wilmore, Kentucky, where he is finishing his master of divinity program in preparation for the evangelistic

ministry in the Philippines. Jim is an evangelist, a graduate of a Baptist Seminary in the Philippines. They will be in Kentucky until 1973. We hope and pray that we will be able to help this fine couple by inviting them to work in our next revival in April, 1972. Jim has a wonderful Spirit about him and you can tell the Lord is using him greatly. They are in this country on faith, and are available for revival work. Pray with us that God will allow them to serve with us during our time of revival.

We want to issue a special invitation to our readers to join us in the Boone-Kenton Evangelistic Crusade which starts September 10 and goes through Saturday, September 25. Our evangelist is Walt Brashier from South Carolina; our song leader is Dr. Dee Wayne White of Campbellsville College. So please make sure your calendar is set for that date and come to the Simon Kenton Football Stadium each evening beginning at 7:30 p. m. Just come and LET GO and LET GOD! He will do the rest. (Jeremiah 33:3).

We of the New Banklick Baptist Church want to remind you that

you have a special invitation to attend our HOMECOMING on September 26. We have as our guests that day, The SOUTHERN-AIRES from Dayton, Ohio; and Brother Don Davidson, who served as pastor from 1961-68, will be bringing our morning message. Brother Don is presently serving Second Baptist Church in Defiance, Ohio. Come and greet Brother Don. I am sure he will be happy to see all of you former members who served with him during his tenure as pastor of New Banklick Baptist Church. There will be ALL DAY SINGING WITH DINNER BEING SERVED AT 1:00 p. m. so make your plans now to make this the greatest Homecoming in church history.

The pastor, James D. Johnson, and members of New Banklick Baptist Church invites you to come and visit with us if you do not have a regular church home. If you love good Gospel music and preaching then this is the place for you. We may not be the largest church in Northern Kentucky but we do try to be the friendliest. We believe that if you come to visit once—you will want to return to stay. (Psalms 122:1).

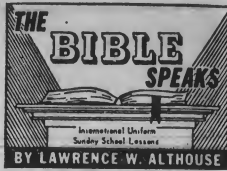

HOUSE HUNTING!

If you are hunting for a new home or the financial assistance needed in purchasing that new home, find your new home first. Then see us for the easiest financing available in Northern Kentucky. We feature attractive interest rates and low closing cost.

THE UNKNOWN

Lesson for September 5, 1971

Background Scriptures: Psalms 42, 53, 139; Acts 14:15-17, 17:22-31.
Devotional Reading: Psalms 111.

What is God really like?

When the Apostle Paul went to Athens, he went to a city where men did a great deal of speculating on this question. The Areopagus, which in English we call Mar's Hill, was a place where a group of philosophers met for discussion and debate. Paul went to that hill so he might speak to the men gathered there.

Rev. Althouse you are very religious" (Acts 17:22).

The meaning of "religious"

What did Paul mean by this? Did he mean that he had witnessed their religious rituals and rites? Did he mean that he had observed very pious living in Athens? No, he meant neither of these. What he meant was that he had observed that they were very much preoccupied with the question, "What is God like?" The Greeks in general and the Athenians in particular were known for their great curiosity about the meaning of life.

Sometimes this word "religious" gives us a great deal of difficulty. The reason is that people often mistakenly believe that a man's religion is identifiable with a particular religious group or organization. Using this reasoning, we would say that a man who belongs to a church or synagogue is "religious," and the man who does not is not "religious."

But the truth of the matter is that most men (if not all) have a religion of some kind. That is, they have some definite beliefs about the meaning of life and reality. John Bright, the Biblical scholar, has defined religion in this way: "For that to which a man looks for his ultimate well-being, his salvation no less, and from which he derives his standards of conduct—that is his God."

What you worship as unknown

Thus, the question is not whether a man has a religion, but rather what kind of religion he has. Throughout the city of Athens were monuments to many of the gods in which the Athenians believed. At one spot he found even a monument "to an unknown god."

At this point, Paul makes a very surprising statement: "What therefore you worship as unknown, this I proclaim to you" (17:23b). For this he means that the source of life and reality does not have to be unknown. God CAN be known. No one needs to remain in the dark as to what God is really like, for the message of the "good news" can make him known to us.

That is still Christianity's message to the wondering world. Even though God is always so much more than all we can say about him, still through the person of Jesus Christ it is his will to make known the unknown and reveal himself to us.

MAKE-BELIEVE

Scriptures selected by the American Bible Society

This is make-believe . . . tying a bundle to a stick and pretending to set forth on a great journey. His lively little imagination glows. Maybe, right around that bend in the road, he'll run smack into a big brown bear . . .

That's a "scary" idea. So he takes off his hat, puts down his bundle, and plays at home. Yes . . . it's fun to make-believe.

Home, just now, is his place. In it, he feels a wonderful sense of security, basking in his parents' love, knowing by instinct that they are there to help and guide him.

At night when he kneels to say his prayers, his mother tells him the story of Christ. She is preparing him for the day when he will become a more active part of the Church. She knows that, during his life, when he makes real journeys, the Church will be his home, and that it will help protect and guide him when she cannot.

Mrs. J. A. Keeney, Reporter

Born to Mr. and Mrs. Donald Duff (nee Judy Rapp) at Bethesda Hospital, Thursday, Aug. 26th, a baby girl, to be known as Leslie Cherron. All doing fine.

Mrs. Hazel Pickett, Miss Marie Armstrong and Miss Helen Crouch called on Mr. and Mrs. Charles Losey one afternoon last week.

Mr. and Mrs. L. J. Green of New Lenoxville, while here for a social event, called on a few friends last weekend.

Mrs. Georgia Rapp, Mrs. Marie Rich and Mrs. Cleora Binder visited Mrs. Emil Stein, who is a pati-

ent at Woodpoint Nursing Home, one day recently. They found her not doing very well. We would like to hear that she has made a turn for the better. Mr. Stein came the same day to bring her a favorite chair from home.

Mr. and Mrs. George Finnell, Jr., attended the Indiana State Fair on Saturday.

Mr. and Mrs. Morris Wharton, Louise and Lynn, spent Wednesday with his sister and family, Mr. and Mrs. William Meloe of Middletown, Ohio.

Rev. and Mrs. Pepon and children, David, Lora and Seth, returned from a vacation in the Black Hills on Friday evening. They said that though they had a very nice trip, home looked very good when they got back.

We are always glad to have Rev. Dearing preach for us. His sermon on Aug. 22 was interesting and if we follow it will be profitable. Come again. He was a guest of Mr. and Mrs. Dawson Ballinger.

It is sad when we must part from those we have known since we and they were young. Such was the passing of Lyle Vanlandingham. A native of Kenton County and living for quite a few years in this area, he had many friends

VERONA

Flonnie Edrlington, Reporter

Mr. and Mrs. Boyd Webster and Mrs. Nellie Linton and children went to see Mrs. Webster's son, Mr. and Mrs. Terry Lunsford, and children of Washington, D. C. They went through several other states and saw a lot of interesting things they had ever seen before. They reported a nice trip.

Bro. and Mrs. Lewis Searcy, Glo and Tim Searcy, were calling on the John Scotts, Sunday afternoon and attended church at New Bethel. Others who were calling on the Scotts, Sunday afternoon were Mr. and Mrs. Albert Crowe, Mr. and Mrs. George Scott and three children, and Miss Dolores Step.

Mr. and Mrs. Bob Utz of Florida, attended church at New Bethel Sunday evening.

We were glad to see the Searcy family and the Utz family, Sunday evening.

We are glad to report we had 13 members at our WMS meeting Thursday afternoon. We hope we can have more next time.

Mrs. Iris Hughes and Flonnie Edrlington were calling on Mrs. Ellena Hamilton, last Saturday.

Miss Vickie Leek left Sunday for her home in Ohio, to be ready to start to school. She had spent the summer with her grandmother, Mrs. Allie Chandler.

Miss Karen Hamilton spent Monday night with Miss Vickie Leek. It was Karen's birthday.

.... WEDDINGS

MASSEY-SMITH

The marriage of Miss Patricia Ann Massey, daughter of Mr. and Mrs. Barney Massey, Florence, to Curtis W. Smith, took place on August 7th.

The bridegroom is the son of Mr. and Mrs. T. E. Smith of Richmond Road, Walton.

Mrs. Steve Cahill was matron of honor. The bridal attendants were Mrs. David Woods and Miss Patti White.

Brad Smith was best man, and the ushers were Paul Lyons and Mike Lyons.

The couple will reside in Covington.

Sticky Movie Labels

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

If movies are any indication, obscenity with violence, sex, and obscenity is fast becoming the American way of life. Movies used to provide amusement and entertainment for the entire family. But

the film industry has become bolder and bolder. Today, few subjects are considered taboo.

Life all forms of communication, movies play a vital role in education. When they overemphasize

violence, sex and foul language, the result is obviously an undesirable one—for the children model themselves after adults. If they are raised on a steady diet of jazzed-up, low-taste sensationalism and violence, how can they avoid accepting this and needing more and more such sensationalism to keep from getting bored?

Protestant and Roman Catholic agencies which take a position on such matters withdrew their support of the movie industry's code in which the Motion Picture Association labels films G for General, M for mature audiences, requiring parental discretion, R for restricted, and an X rating in which persons under 17 are not to be admitted. Many civil-minded and church organizations also object to the GP (parental guidance suggested) rating because many films are marketed under the GP rating which ought to be rated for adults only. Perhaps massive boycotting of these films will bring a return to the family-type films.

The Supreme Court has neglected its duties in the area of censorship. My recent research into this matter revealed that back in 1915, the Court ruled that movies were not part of the press and therefore, not entitled to "free speech and free press" rights. But in 1952, this decision was reversed and the trend toward complete moral degradation on the screen began. I certainly am for freedom of speech and freedom of press, but the classification system by MPA only serves as a cloak and promotional tool for smut movies. It is a license for moviemakers to be more permissive.

I am concerned about the effects on the young of the increasingly graphic sensationalism which is so much a part of this rating system. In my opinion, the system that would be more workable would be local censorship boards staffed by respected members of the community who apply responsible censorship rather than the use of censorship by the industry which peddles these erotic films with sticky labels.

Family Picnic Dinner

A family picnic dinner was held at the home of Mr. and Mrs. Raymond LaFollette of 415 Bracht-Piner Road, Sunday, Aug. 22.

Those attending were: Mr. and Mrs. Lawrence Caldwell, Mr. and Mrs. Jack Caldwell and sons, Sonny, Jackie, Jay and Daryl, of Gardnersville; Mr. and Mrs. Robert Binkley of Southgate; Mrs. Joe LaFollette and family, Jimmie, Beverly, Richie and Barbie, Mr. and Mrs. John Ray Colvin and son, Jerry, and Vicky Marksberry, Mr. and Mrs. Clarence Thornberry and family, Pam, Gloria, Marty, Tony, Cluffy, Allen and Edie, all of Falmouth; Mr. and Mrs. Archie Brown and daughter, Christi, of Cincinnati; Mrs. Arnold Bolog and son, Stevie, and Leon Thornberry of Williamstown; Pfc. Mike Carr, who is home on leave from Vietnam, and Mrs. Mike Carr, Rhonda and Dexter LaFollette, and the host and hostess.

Watch Out for Children During the Weekends

Watch out for the weekends when children, free of school, throw caution to the wind and romp around unsupervised.

This advice comes from Darlene Zerhusen, Park Hills, chief nurse of the pediatrics department at Booth Hospital, Covington.

In school their play, she points out, is organized. On the weekends it is not.

She advises parents to stock up with aspirin, adhesive bandages, hydrogen peroxide, rubbing alcohol and antiseptics.

School time, she also reports, is the time of the year when a child comes home with fever of undetermined origin. "Keep him as comfortable as possible," she advises, "and consult with your doctor."

Republican Women's Club

The Boone County Republican Women's Club is having a luncheon honoring the candidate's wife on Tuesday, September 7 at Southern Trails Restaurant, Florence, beginning at 1:00 p. m.

The guest speaker will be Mrs. Tom (Julia) Emberton. For reservations, call Mrs. Robert McManus 371-6803, or Mrs. Dale Campbell 371-7164, by Friday, September 3. Tickets will be \$2.50 per person.

Charter Members Honored

The American Legion Auxiliary of Walton, recently presented to its two charter members, Mrs. Anna Hoelscher and Mrs. Alice Feldhaus with beautiful planters, each a lifetime membership pin, and a lifetime membership card.

Mrs. Hoelscher and Mrs. Feldhaus have been faithful members from the time the American Legion Auxiliary was first formed.—Pub. Chm.

Union Auxiliary Social

The Ladies Auxiliary of the Union Volunteer Fire Department plans a social for Tuesday, September 14th at 7:30 p. m. at the fire house. There will be a country store with homemade items. An auction is also planned for October 16. If anyone has any items, small or large, to donate, call 384-3530, 384-3546 or 384-3174 for pickup.

The fire department is in need of a chest type freezer at a reasonable price. If you know of any, call the above phone numbers.

Post Meeting On Friday

American Legion Post No. 277 will hold a regular meeting on Friday, September 3 at 8 p. m. at the hall on High Street.

Junior Bowl Honor Roll

The Junior Bowl honor roll at Walton Bowl, Saturday, August 28 was as follows:

Today's kitchen bears little resemblance to the kitchen of 20 years ago. Once everything was a sterile-looking white; now there is color everywhere, from walls to appliances to pots and pans. Manufacturers predict that with the increased use of plastics, bold colors will begin to gain acceptance. In appliances the trend is to add trim to match cabinets or accent with fabric and/or color.

Microwave Oven—
In addition to the bold colors, there is other news in kitchens—the microwave oven is gaining in popularity. Not only is it a time-saver for the busy homemaker, but it is a cool process which cooks the food by molecular action rather than heat transfer. Microwave ovens come in regular full-size ranges and in portable models. One manufacturer even provides an audible signal device to indicate when food is cooked, special braille controls, and a complete cookbook in braille for one of its portable microwave ovens.

Smooth-Top Range—
Another of the new dimensions in range design is the smooth-top cooking surface. The newest smooth-top glass ceramic range, developed by Owens-Illinois, and used by several range manufacturers, has cooking surfaces which can be heated to a temperature of 1200 degrees F to allow the use of regular cooking utensils. The only previous smooth-top range required special flat-bottom utensils for best cooking results.

Cool-Top Range
Westinghouse has developed a "cool-top" range without conventional heating elements. The cook top is ceramic with an oscillating magnetic circuit imbedded in it. When a pot or pan of magnetic material such as steel, cast iron, etc., is put over the heating element, the oscillating magnetic field that is created moves the molecules in the pan and the food is heated. When there is no cooking utensil on an element, there is no heat, even if the element is on. This range should be available to the consumer within five years.

Foldaway Cooking Center
A foldaway cooking center—a group of small appliances which can be plugged into a special cooking center control—is another innovation. Tappan's Pan-O-Matic center offers thermostatically controlled pots and pans that plug into a foldaway plug panel with eye-level controls.

Boone ASCS Office Information Center On Economic Action

All residents of Boone County may obtain answers to questions on operation and interpretation of the Presidential Order of August 15 on prices, wages, rents, and salaries from the Boone County Agricultural Stabilization and Conservation Service (ASCS) Office, according to J. Lassing Huey, Chairman of the County ASC Committee.

County ASCS Offices throughout the United States have been chosen as information centers to answer questions from all citizens on President Nixon's Executive Order which is designed to stem inflation and strengthen the national economy.

The Boone ASCS Office is receiving answers to questions concerning the President's action, and any person in Boone County who wants or needs precise information should get in touch with the county office at once.

The ASCS Office is located at 6 East Park, next to Burlington Lumber Co. The mailing address is Box 98, Burlington, Ky. 41005. Telephone number 586-6175. In charge of the office is Doretta B. Rouse, County Executive Director, with a staff of two persons, Ida Pearl Sebree and Hilda M. Sebree. The county ASCS office will handle complaints or appeals. They will serve only to provide official information. Persons with complaints will register them with the county office or most convenient district office of the Internal Revenue Service.

The local office will answer only those questions for which they have been supplied answers. If a member of the public wants the county office to obtain an answer, the questions will go by phone or mail to the nearest IRS office.

Goshen Christian Missionary Meet

The Goshen Christian Missionary Ladies met Wednesday, Sept. 1st in the church basement.

The president, Eula LaFollette, opened the meeting with prayer by Lillian Elliott. The secretary's report was given by Esther Glenn and was approved. The treasurer, Goldie Glenn, gave a very good report. She also gave her yearly report which showed that the ladies had been very generous. The group contributes to the care of a boy in India, the church's building fund, to Mr. and Mrs. Bill Gulick, missionaries in India, besides other worthwhile projects.

New officers for the coming year were installed during the meeting. They are: President, Mrs. Claude Burns; vice president, Mrs. Lawrence Fisk; secretary, Mrs. Marshall Hills; treasurer, Mrs. Raymond LaFollette; sunshine, Mrs. Roy Elliott; ways and means, Mrs. Rich Glenn; publicity, Mrs. Claude Goad; membership, Mrs. Oatney Worthington and Mrs. Kenneth Glenn.

The lesson for the day, "Repentance In The Life of The Church," was taught by Mrs. LaFollette. The hostess was Mrs. Hills.

The October 6th lesson will be taught by Mrs. Hills and Mrs. Burns will be the hostess.

The ladies will be busy this month cleaning and painting the basement after the remodeling is finished, hanging draperies in the two new classrooms and baptistry, and making baptistry robes.

Committees were named for the church's annual homecoming, to be held the first Sunday in October.

Those present were: Mrs. LaFollette, Mrs. Rich Glenn, Mrs. Kenneth Glenn, Mrs. Fisk, Mrs. Harold Bray, Mrs. Hills, Mrs. Robert Cornelius, Mrs. Chester Mullins, Mrs. Burns, Laura and Andy, and Mrs. Elliott.

Now that the water bed has achieved such popularity, look for "Rocked In The Cradle of the Deep" to make it into the Top Ten.

BOONE CANCER SOCIETY OFFICERS

Mrs. Charles Allphin, Florence, has been named president of the Boone County Chapter of the American Cancer Society.

Completing the team, chosen to lead the Cancer Crusade in this county for 1971-1972 were: Mrs. Frank Trego and Mrs. Harry R. Daugherty, vice presidents; Mrs. William S. Jorde, secretary; and Mrs. Ellsworth Winn, treasurer. The Cancer Crusade month is April, during which time volunteer workers will call on residents of Boone County, not only for their contributions to the crusade but, very importantly, to give out information on early detection and safeguards against cancer. And through this public education, a great many lives will be saved.

Rummage and Bake Sale

Boone County Memorial Veterans of Foreign Wars, Post 6099, Ladies Auxiliary will hold a rummage sale and bake sale Saturday, September 18th at the Post in Union, at 10 a.m. The public is invited to attend.

COLTS 4-H CLUB

The Kenton County Colts 4-H Club has achieved quite a number of awards their first year. They have participated in the Area 4-H Show, the Kenton County Fair, and the Kentucky State Fair.

Dan Smock, president, has received all blue this year and won a State Championship. Joyce Wemyer has won several blue ribbons and placed fourth in halter at the Area show. She also got third at the Kenton County Fair. Other members who won are: Paul Maxfield, two red and two white; Patti Maxfield, one blue, one red, and four white; Mark Zembrod, two white; John Zembrod, three white, and Mark Smock, one blue, four red, and one white.

This has been a good year and all members worked hard. Kenton County is proud of them.—Reporter

WHITE'S TOWER PTA

The newly-elected officers of the White's Tower Elementary School PTA were installed May 18 and will preside over the initial meeting of the current school term on Thursday, September 16, at 7:30 p.m., in the school cafeteria.

Highlights of the meeting will be the introduction of the members of the faculty by Charles Miller, principal, and introduction of the newly-elected officers for the current school year. A special program, "What's Going On In Your School?" will be presented by Mr. Miller and members of the faculty.

A special invitation is extended to parents of new students. Free baby sitting service will be provided for those attending.

Verona Post Office Loses Rural Route

The united community effort to save the rural route out of the Verona Post Office has failed, according to Jean P. Crouch, Postmaster.

Effective Saturday, Sept. 18th, Route 1 and Loop Route 2 will be served by the carrier from Crittenden. The new Administrative Postmaster of Crittenden is Robert Collier, and the carrier will be Wilbur Bingham, also of Crittenden.

Addresses will remain as they are now. All revenue purchased by patrons having a Route 1 or Route 2 Verona address must be replenished at the Verona Post Office. "I urge everyone in the Verona delivery area to purchase their stamps from the Verona office if we are to maintain a Post Office here," Mrs. Crouch said.

Geneva Baker has agreed to be the substitute of record for this route and is to be employed by the Crittenden Post Office.

Patrons who will have to move their mail boxes due to this consolidation have been or will be notified by Mr. Bingham. "A personal note of thanks for everything done in the past, to our Verona Post Office patrons, from the Postmaster, Rural Carrier, sub carrier and clerks. I only hope we can continue to serve to your satisfaction in the future," Mrs. Crouch concluded.

Now On Covington Staff

Miss Carol June Cutler of the Ohio Valley Goodwill Industries Work-Evaluation staff was transferred last week from the Valley Goodwill Center, Cincinnati, to its Northern Kentucky branch, with headquarters at 227 Court Street, Covington.

Miss Cutler joined Goodwill on June 14 of this year. She received her B. A. degree from the University of Cincinnati, and her Masters from Xavier.

Lions Candy Days September 10-11

Lions Club members throughout the state, supported by Lionses and many volunteer workers, will be on street corners, in bank lobbies and shopping centers Friday and Saturday, September 10 and 11 giving the famous F&F Laboratory's fruit flavored candy rolls to everyone passing these stations.

All workers will be identified with candy day caps, aprons and canisters.

Purpose of the Kentucky Lions Candy Day is to raise money for Lions Clubs all over the state to use in their local charitable project, and for Sight Conservation projects which includes Eye Care, Glasses, Glaucoma Clinics and Eye Treatment. The Kentucky Lions Eye Foundation will also share in the proceeds.

Club chairman for the Independence Lions Club is North Schoborg, and the goal for the state this year is \$100,000.

All of the workers will be asking you to take a free roll of fruit flavored candy in return for a contribution. Your contributions may be sent to Mr. Schoborg, P. O. Box 206, Independence, Ky. or phone 356-7755.

Next best thing to having a garbage-disposal unit in the kitchen sink is having a teenage boy in the house.

Democratic Campaign Committee In Boone

The chairman and two co-chairmen of the Boone County Democratic Campaign Committee have been appointed. It was announced this week by State Democratic Campaign Chairman Walter (Dee) Huddleston.

Named as Chairman was Victor Miller of Florence. Assisting him as Committee Co-Chairmen are George W. Ryan of Walton, and Robert Taylor of Burlington.

Chairman Miller said that other local committees will be named in the near future.

A New Legislative Plan Would Ease Court Overload

The Legislative Research Commission has developed a temporary plan that would ease Kentucky's overloaded circuit court system if adopted by the General Assembly next year.

The plan would reduce circuit court districts from 51 to 19 while increasing the number of judges from 76 to 102.

This would lower the annual caseload from the current 687 per judge to about 500.

According to the commission this would require interpreting the state constitution to permit multi-judge and multi-county court districts.

W-V Athletic Club

The Walton-Verona Athletic Club will meet Thursday at 7:30 p.m. in the Walton-Verona High School. All patrons of boys who play basketball or softball and parents of the cheerleaders are urged to be present.

Simon Kenton FHA Alumnae Meeting

On Thursday evening, August 19 the Simon Kenton FHA Alumnae met with nine members and three guests present.

Judy Schadler, president, presided. Warner Cox, Chief of the Independence Volunteer Fire Department, brought the program on "First Aid and Safety." He gave a brief summary of the Fire Department and Resuscitation. He reminded those present to have the fire and police phone numbers handy in case of emergency. He also gave a few tips on how to save a life. Mr. Cox answered questions many of the girls had throughout his talk.

After the program, the business session was conducted. Roll call was answered with each member giving a safety tip.

Final plans for "night out" were made. It was decided to go to the Mike Pink Restaurant on the river and afterwards to a movie. All hope to have lots of fun and that all members attend.

The annual bake sale will be held on Saturday, October 2nd at the Cherokee IGA from 9 a.m. to 2 p.m.

Following adjournment, refreshments were served by Sandy Richardson.

Grant To Supply Pay For Bridge Jobs and Troopers

Gov. Louie B. Nunn announced Kentucky's initial share of funds from a \$7 million federal program to boost employment will be used for hiring bridge repairmen and extra state troopers.

He said the state already has applied for some \$14 million under the grant and is awaiting Washington's approval of the application.

The first phase calls for \$846,720 in federal funds for 387 new jobs in the state Highway Department to repair bridges and construct low-water roads across the state.

Other funds will go for a new 50-man state police cadet class and the hiring of 63 civilians to replace troopers in giving driver's license exams.

PINER PTA TO MEET

The Piner PTA will have its first fall meeting on Thursday, Sept. 16th at 7:30 p.m. There will be a film on safety and a discussion on the festival to be held in October.

On August 30th, Mrs. Marilyn Lancaster, hospitality chairman, served coffee and juice to all families who were entering children in the Piner School for the first time. They were then conducted on a tour of the school.

Receive Food Stamps

During July, 548 low-income persons in Boone County received food stamps valued at \$13,201. Commissioner of the Department of Economic Security Merritt S. Deitz, Jr., announced last week.

This record compares to 381 low-income persons who received food stamps worth \$8,196 during July of 1970.

Eagle Creek Country Club Open House

Jim Middleton, president of the Eagle Creek Country Club, has announced that a day long Open House will be held this Sunday, September 12, during the daylight hours at the country club located on the Crittenden-Mt. Zion Road, just one mile South of Crittenden.

According to Mr. Middleton, the purpose of the open house is to make available all of the club's facilities, including the 18-hole golf course, olympic size swimming pool, clubhouse and pro shop facilities to all people of Grant and surrounding counties who have not had the opportunity to visit and use the club.

Normally the pool and the golf course are open only to members but throughout this one day everyone is welcome to participate.

Special reduced green fees and swimming pool rates will be in effect for this one day, also. Children under 12 years of age, when accompanied by an adult, will be admitted to the pool free of charge.

Membership is still available in the Eagle Creek Country Club, but it is anticipated that within another year or two the membership will be filled.

Gets Master's Degree

Gary L. Stephenson received his Master's degree in Education on August 18th from Florida Atlantic University, Boca Raton, Fla.

Mr. Stephenson, a former teacher at Walton-Verona, now teaches physical education at Gulf View Middle School and resides at 3478 Malaga Way, Naples, Fla.

Teacher Standards Up In Kenton Co.

The Kenton County school system will have but 11 teachers on emergency certificates during the current school year.

School Superintendent Don Davis announced that the figure is down approximately 60 percent from last year when there were 26 such teachers on a faculty of 448.

The current year's faculty totals 462 due to the increase in student enrollment.

"Many of those on emergency certificates," Davis said, "hold undergraduate degrees but lack several education courses. Others are within a few credit hours of earning their degrees."

All, he said, were recommended for employment on the basis of their work and experience.

He also pointed out that to employ emergency teachers it is necessary to get approval of the State Department of Education.

The decline in the number of such teachers has been steady for the past three years. In the 1969-1970 school year there were 57 emergency faculty members.

Basket Dinner Enjoyed

Mr. and Mrs. Joseph R. Cheesman entertained on Sunday, Aug. 29th at their home in Morning View, with a basket dinner.

Those present were: Mrs. Emma Willoughby of Latonia; Mrs. Edna Jackson of Cincinnati; Mrs. Loreta Frederick of Kenton; Arthur L. Schweeder of Cincinnati; Mrs. Stella Worke of Kenton; Mr. and Mrs. Phillip Hubbard, Wade and Chris, of Falmouth; Mr. and Mrs. Henry Rider of Morning View; Gary, Kathy and Joey Cheesman of Morning View; Mr. and Mrs. Robert Cheesman, Sandy and Robbie, of Morning View; Mr. and Mrs. Francis Bishop, Susan, Barbie and Tony, of Kenton, and unexpected guests were Mrs. Geneva Baucum, Keith, Bradley and Dudley, of Falmouth. Everyone enjoyed a lovely day.

Walton Homemakers

The Walton Homemakers Club will meet Friday, Sept. 10th at 11:00 a.m., in the home of Mrs. Nelson Popham, 21 Beidler Ave.

The lesson, "Arranging of Flowers," will be taught by Mrs. Marion Walker and Mrs. Paul Beighle. The club members are asked to bring flowers, all one kind and color, a container and an oasis.

THE REDISCOVER AMERICA PROGRAM

The newly-launched Rediscover America Program in the Mid-American states will have special funds available to individuals and groups, particularly in small towns and rural areas, concerned with the environmental richness of their community.

The list of project possibilities is endless—town and civic improvements; preservation of natural landmarks, rivers, creeks and open spaces; putting new life into old mills, early settlements and traditional customs; creative activities with folk art, music, theatre and festivals.

Grants of up to \$1,000 will be made to individuals and communities. Projects with the greatest chance of support will have sustaining community or institutional support that encourages widening local involvement. No project will be considered too small if it encourages the rediscovery and preservation of a community's character and environment.

On Ford-Carroll Committee

Dr. Floyd G. Poore, Florence, has been named to a statewide Physicians Committee for Ford-Carroll. It has been announced by Walter (Dee) Huddleston, State Democratic campaign chairman.

The committee of doctors from across Kentucky will serve in an advisory capacity to Wendell Ford, Democratic candidate for governor, and Julian Carroll, candidate for lieutenant governor.

MRS. NUNN HONORED

Last Wednesday at Spindletop Hall, near Lexington, a reception was held to honor the first lady of Kentucky, Mrs. Beula C. Nunn.

The reception was jointly sponsored by seven Federated Women's organizations, and two historically oriented groups.

Not only Kentuckians, but wives and relatives from other states attended. Highlight of the afternoon was the program, with Mrs. James Cooper Thomas of Ft. Thomas, as mistress of ceremonies.

Mrs. Joseph C. Evans, president of the Kentucky Federation of Women's Clubs, presented the 47 First Lady Dolls to Mrs. Nunn on behalf of the Federation. After display, they will be moved to the Capitol. The Mrs. Nunn Doll was made by Miss Michele Baute of Union.

Among those attending from Walton, were: Mrs. W. R. Belcher, Mrs. Gary Crutcher, Mrs. Russell Hall, Mrs. Maryalice Conrad, Mrs. Burdette Powers, Mrs. Wallace K. Grubbs, and Mrs. Aleen Conner; Mrs. David Clore of Grant, and Mrs. Lloyd Watson of Bristow Road, Independence.

Women's Church League Softball

The first series of games in the Women's Softball double elimination tournament were played on Tuesday of last week.

In the first game, Walton Christian defeated Walton Methodist by a 24-20 score. In the second fray, All Saints took the measure of Richmond Presbyterian, 46-3, and in the third contest, the Walton Christian downed Walton Baptist by a score of 29-24.

The second series of games in the tourney were played Tuesday of this week, and two teams faced elimination.

The third series of games are scheduled for Friday, Sept. 10th, but since school has opened it is not known if the field will be available or not. Those interest please check with any of the women softball player for the scheduling of the last series of games.

The publicity chairman said, "We wish to thank Preston Art of Boone County Drugs who graciously displayed our trophies in his window the past week."

Safety Coloring Book

Five transportation-related associations in the state have joined with the Kentucky Traffic Safety Coordinating Committee to publish a children's coloring book on safety. The 12-page coloring book stresses safety for children playing near streets and roadways, with particular emphasis on crossings and bicycling.

It is hoped the safety coloring books will help teach young children the importance of safe playing while near roadways.

Copies of the coloring book may be obtained by writing to KTSCC, Room 1008, State Office Building, Frankfort, Ky. 40601.

The first telephone directory was issued in 1878 in New Haven, Conn. It listed about 80 names.

Services for Miss Sally Spegal, 69, Route 1, Demossville, an auto-

mobile accident victim, were held at 2:00 p. m., last Friday in the Chambers and Grubbs Funeral Home, Walton. Burial was in the Burlington Cemetery.

Miss Spegal was killed when the car in which she was a passenger was involved in a head-on collision with another auto on Mt. Zion Road, near Crittenden.
Miss Spegal is survived by one brother, Robert Spegal, of Covington.

ALBERT MARTIN
Albert Martin, 78, of Armstrong Road, Morning View, was injured fatally in a fall last Thursday in an outbuilding on his farm.

Don Catchen, Kenton County chief deputy coroner, said Mr. Martin may have suffered a heart attack, and when he fell his head struck a timber.

Mr. Martin, a farmer, was found about 6 p. m. by his wife, Mary Helen. Mr. Catchen returned a verdict of accidental death.

Besides his wife, he is survived by three sons, Robert W. and Clifford C. Martin of Morning View, and Thomas Martin, Cold Spring; two daughters, Mrs. Mary McDavid of Latonia, and Mrs. Kathleen Paar of Grove City, Ohio; two sisters, Mrs. Fred Greshover and Mrs. Emma Cahill, and one brother, Willie Martin; 15 grandchildren, and four great-grandchildren.

Mass of the Resurrection was held at 10 a. m., Tuesday in the St. Matthew Church, Kenton. Burial was in St. Cecilia Cemetery at Independence.

Chambers and Grubbs Funeral Home, Independence, had charge of arrangements.

MRS. MARIE ARNOLD ISELEY
Mrs. Marie Arnold Iseley, 79, of 1129 Cleveland Ave., Park Hills, died Saturday, Sept. 4 at Carlsbad Nursing Home, Dry Ridge.

She is survived by her husband, J. W. Iseley, and a son, Arnold W. Iseley of Lakeside Park.

Services were held at 1 p. m., Tuesday in the Allison & Rose Funeral Home, Covington. Burial was in Highland Cemetery.

CHRISTIAN ROBERTS

Christian Baker Roberts, the one-month-old son of Dr. and Mrs. Gayle A. Roberts, Birmingham, Ala., died at 8:30 a. m., Friday, Sept. 3 in his crib at home. He had been adopted two weeks previously.

The Roberts family is formerly of Walton. Dr. Roberts is doing cancer research at the University of Alabama.

Survivors include two sisters, Laurel and Leisel Roberts, his paternal grandparents, Mr. and Mrs. Dan Roberts of Walton, an uncle and an aunt.

Graveside services were held at 11 a. m., last Saturday, in Birmingham.

A group of women were talking together. One lady said: Our congregation is sometimes down to 30 and 40 on Sunday night. Another said: That's nothing, sometimes our group is down to six or seven. An old maid added her bit: It's so bad in our church on Sunday night that when the minister says, "dearly beloved," it makes me blush.

By Nancy Norman

A popular circulation published a warning that the new varieties of tomatoes which have a slightly lower acid content should not be canned in the water bath. Upon checking with Dr. Evelyn Spindler, Extension Nutritionist, Washington, D. C., the following recommendation was made by the U. S. D. A. laboratories at Beltsville.

"We continue to recommend water bath canning of tomatoes and urge the raw pack for tomatoes, as this method helps to retain a much higher Vitamin C value. By packing the raw tomatoes in clean, sterilized jars, 35 minutes for pints, more Vitamin C is retained than in the hot pack method."

Recent studies at Beltsville also showed that the varieties advertised to be low in acid were not significantly different in Ph from the other varieties studied. There was a considerable range in Ph values for all varieties, depending on the batch being studied.

With this confirmation of the safety of water bath canning, the water-bath method is a perfectly satisfactory method. Since Vitamin C is one of the nutrients we do not have in recommended amounts in Kentucky, we continue to advise and urge the raw-pack for tomatoes. However, a further warning is to either press the tomatoes so that they release their own juice or to add tomato juice when using the raw pack. Never add water.

Did you hear about the kidnapping in Boston? No, what about it? They woke him up!

If you don't believe that success is merely luck, ask any failure.

AUCTION

SATURDAY, SEPTEMBER 11th - 10:30 A. M.

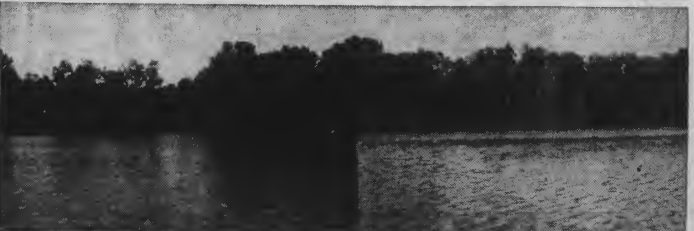

LOCATION: At the residence of the late Mrs. Gertrude Stahl on Steels Creek Road (blacktop) approximately 0.3 Mile North of U. S. Highway 42, about 6.3 Miles East of Warsaw, Ky., (watch for auction signs). In order to settle this estate, I will sell the following Real Estate and Personal Property. Farm, Household, Furnishings, Antiques, Car and Miscellaneous. Real Estate will sell at 1:00 p. m.

FARM: Consisting of approximately 32 acres (more or less), has 1.28 acres tobacco base and a poundage allotment of 3,499 pounds, has 15-acre feed and grain base, about 10 acres alfalfa hay. This farm lays well, all bottom land and all clean except about 4 or 5 acres which is in locust; has about 8 mile water frontage which is navigable for pleasure boats. This is backwater due to the construction of the Markland Dam, and this water frontage has access to the Ohio River. This farm has fair fence, and also 2 ponds and is all in grass except what is in cultivation this year—and the land is of good productive quality.

Improvements consist of good 7-room frame house with partial basement, bath and utility room, front porch and enclosed back porch, has good water supply (2 large cisterns), nice lawn with plenty shade trees, 1-car garage, 2 outside storage buildings, grape arbor, chicken house, good feed barn 50x36 feet on concrete pier foundation, good tobacco barn 50x36 feet with basement and stripping room, 2 metal corn cribs—all buildings are in good condition. This farm is well located with approximately 0.3 mile of blacktop road frontage, about 3 1/2 miles North of Glencoe and Overton Exchange of I-71, on school bus and mail routes, and in a good community. May be seen any day before day of sale. Possession will be given to house and farm with the deed, which will be 30 days from date of sale, with exception that tenant's rights are reserved to harvest and market the 1971 crop. The 1971 crops will not be sold with this farm. Approximately 4,500 tobacco sticks to go with the farm. If you are looking for a nice small farm with a lot of potentials, don't fail to attend this sale.

PERSONAL PROPERTY: New 2-piece living room suite, oil heater, 12x15 wool rug, 9x12 wool rug with runners to match, oak library table, odd rocker and ottoman, electric sweeper, 9x12 wool rug, 2-piece living room suite, 3-piece mahogany bedroom suite (poster bed, box springs and mattress), wood bed with springs and mattress, night stand, Singer sewing machine (electric, like new), lot linens, sewing table, lot what-nots, cedar chest, lot electric lamps, lot wall plaques, wheel chair, walker (like new), electric fan, electric mixer, 5-piece dinette set (chrome, like new), 9-piece dining room suite (walnut), table and 6 chairs, buffet, dish cabinet, kitchen cabinet, utility cabinet, utility table, lot dishes (several antique crystal, china, glass, etc.), practically new Frigidaire refrigerator, 20 cu. ft. deep freezer, Tappan gas cooking range, lot cooking utensils, portable oil heater, lot silverware, electric washer.

ANTIQUES: White marble-top wash stand with brass pulls, walnut dropleaf gateleg table, dresser, fainting couch, picture frames, walnut platform rocker and ottoman, square table, walnut coffee table, walnut cane-bottom chairs, cane-bottom rocker, 6-drawer spool cabinet of walnut, wicker rocker in perfect condition, oak secretary with pigeon holes, oak round-top table, stool, straight cane-bottom chairs, oak dresser, wardrobe, wash stand, wash bowl and pitcher, punch bowl set, rocker, 5 chairs, No. 3 dinner bell, Victrola cabinet, Rayo lamps, wall lamp, fruit jar, glass top lid, stone jars, jugs, biscuit board and rolling pin, mirror, hall tree with mirror, treadle-type sewing machine, 2 easels, plus many other items.

CAR: 1968 Chevrolet 4-door Bel Air with power steering, 24,000 actual miles, A-1 condition, 307 engine. Small tools, Rototiller, 6-ft. aluminum steppladder, lot hand tools, hoes, rakes, shovels, axes, etc., plus many other items too numerous to mention.

LUNCH SERVED ON GROUNDS!

NOT RESPONSIBLE FOR ACCIDENTS

TERMS: Real estate, 20% of the purchase price to be paid down with contract on day of sale with balance of purchase price to be paid on delivery of deed. Deed to be made 30 days from date of sale. Personal property, cash.

INCOMPARABLE GOD

Lesson for September 12, 1971

Background Scriptures: Exodus 33:12-23; Job 11:7-9; 37:23-24; Isaiah 40:18-26; Romans 11:33-36.
Devotional Reading: Psalms 86:1-13.

A little girl was working determinedly with a piece of paper and some crayons. "What are you drawing?" asked her grandfather. Without stopping to look up, she replied, "I'm drawing a picture of God." Amused, her grandfather said, "But we don't know what God looks like." Snapped the little girl: "We will when I'm finished!" Many people are so much like that little girl: they are very convinced of God's existence and his nature of God, there is always more that lies beyond our knowledge.

The "otherness" of God
The Hebrews, though they frequently spoke of God in terms that made him seem very much like a man, also acknowledged that there was an "otherness" about him. God was always more than a man could experience of him. They might speak to him as if he were a man, they might think of him in human terms, but they were quite aware that God's nature always far transcended their own.

This "difference" between man and God they regarded with great reverence. Because of it they avoided speaking the name of God, for it was considered too sacred to utter. In Exodus, furthermore, we find God saying: "But you cannot see my face; for man shall not see me and live" (33:20). To see God so clearly, so completely, it was thought, would be a fatal experience. The "otherness" of God is too grand, too terrible for the mind of man to behold.

What likeness of God?
"To whom, then, will you liken God, or what likeness compare with him?" (40:18). The Hebrews were constantly tempted to make idols to represent the divine realities. Ridiculing these finite deities, Isaiah says: "he seeks out a skillful craftsman to set up an image that will not move" (40:20b). How can a man worship such a finite god, the prophet wants to know? We must worship something or someone who is much more than we are or can ever be.

The Bible thus tells us not only that men have always celebrated their knowledge of God, but also that they have celebrated the reality that there is always so much more to God than we can ever know. We are inspired by a God whose meaning is not exhausted by our limited minds. As Paul puts it: "O the depth of the riches and wisdom and knowledge of God! How unsearchable are his judgments and how inscrutable his ways" (Romans 11:33).

Man needs an incomparable God.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

THE NEW BANKLICK BAPTIST CHURCH extends an invitation for those who desire good Gospel Music as part of their revival services or who would like to have an old fashion Gospel Hymn Sing on Sunday afternoon, but lack the facilities to carry out such a project, nor have the financial support, you need not pray any further for the Lord to help you achieve this goal: just call Brother Gene Parker, Minister of Music of New Banklick, at 331-7696, and give him all the details and he will start the ball to rolling; also, we do not accept any financial support for this type of ministry as our people voted not to do this when it started some months back. We feel led of the Holy Spirit to bring a new Spirit into other churches, that the people might receive a blessing from our Lord, and get on fire to serve Him. Billy Graham said in one of his messages in Los Angeles, California a while back, "That there was a stirring in the mulberry bush," referring to the Holy Spirit; and dear friends we of the New Banklick Baptist Church want to have a part in this action-of the Holy Spirit's movement. So feel free to call upon us if you desire to have a wonderful time singing praises to Him with an old fashion gospel sing. We will go to most churches who follow the New Testament teachings and who believe in the Second Coming of Jesus Christ.

It has been the joy of our Junior and Youth Choirs to have had an opportunity to sing for several groups serving the youth in Covington and surrounding areas: the Church Mission at 15th and Banklick, and CURE, an organization who works with the kids on both sides of the Ohio River. Our joint choirs had the joy of singing at the 15th Street and Banklick Mission, and to the Boys' and Girls' Opportunity Camp at Camp Bethel sponsored by CURE. Our choir members had a wonderful time as they gave themselves to be used by Him to help point these boys and girls in the right direction. Our Spiritual-Heirs group, composed

of Mrs. Lois Reinhardt, Jackie Grayson and Francis Bosch, also took a great part in singing and giving their testimonies to both the above mentioned groups. Nothing pleases a pastor more than to see his people involved in giving, instead of receiving, all the time. I am reminded of the words of the Apostle Paul in Acts 20:35, when he said, "I have shown you all things, how that so labouring ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, 'It is more blessed to give than to receive'."

The NEW BANKLICK BAPTIST CHURCH has been under a facelift job these past few weeks, with the outside of our building receiving a new coat of paint. We are so thankful for men (and ladies) who will give of their time to help keep the property that our Lord has entrusted them in excellent condition, until He returns. The ladies, bless their hearts, out did themselves in preparing a wonderful lunch for all us workmen. There have been over 20 people involved in these weeks of repair and paint-up in preparation for our Homecoming, September 26th. There is still more work to be done, and we believe will be completed if the weather will only hold up a little while longer with beautiful sunshine and warm temperatures. One of the major projects underway at the moment is the design and construction of a new outdoor sign for the church. Brother John Goff is in charge of this project.

We want to take this opportunity to encourage Baptist Churches in our area to make plans now to participate in "LAUNCH NIGHT" to be held with the Latonia Baptist Church in the heart of Latonia, Tuesday, September 14, 1971 at 7:30 p. m. John A. Wood, pastor of First Baptist Church, Paducah, will be in charge. Dr. George A. Jones, our Executive-Secretary-Treasurer, will be presenting a "PEOPLE TO PEOPLE" Chal-

BRIDGES CAN HAPPEN!

Not all bridges are built. When the sea pounds its relentless waves against a wall of rock . . . when the icy crust of a glacier spans a mountain chasm . . . when a giant of the forest falls across a stream . . . bridges simply happen.

Here perhaps is the parable of God's kind of engineering. Seemingly there are no calculations, no blueprints, no construction equipment. But results man can behold with awe and reverence.

Yet some men are so wrapped up in their human projects they simply forget that God accomplishes anything . . . until their errors begin to show . . . their bridges start to crumble. Then they need Someone to stop the collapse.

It makes better sense to work with God in all that we build — and in all that happens. The Church has been man's greatest source of help across the span of centuries.

Gun Barrel Politics

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

In a report released August 24 by the House Internal Security Committee entitled "The Black Panther Party, 1966-1971," I found some startling omissions and inadequacies in a cover-to-cover reading of this documented history of the Black Panthers.

A little over a year ago, the Panthers ranked as "the most celebrated ghetto militants." The Committee report reveals that because of their violent excesses, the Panthers have destroyed their myth as the leading revolutionaries

in the United States.

I object to the generally moderate non-alarmist tone of the report. The Panthers have, after all, posed a very serious physical threat to the police and their violent language and conduct could create a climate for revolution.

The Black Panthers should be called just what they are—"a subversive criminal group using politics as a front and Marxist and Leninist ideology as a cover for crimes of violence that have resulted in buildings being burned

to the ground and police shootings. The report further fails to magnify the alliance between the U. S. Communist Party and the Panthers. These two groups, known for their aims to overthrow the U. S. Government by force is necessary, became quite close when Panther leaders were arrested last year and the Communist Party provided legal assistance. The language of the report fails to challenge Panther propaganda. In the early chapters, it sounds more like a sociological rationalization for Panther violence rather than an investigative report of criminal activity. The Black Panthers fascinated the left, inflamed the police, terrified many Americans in our larger cities, and have had an extraordinary effect on many of the black communities.

The Panthers are not a product of our times, as the report states, but are largely a creature of the mass media—for the publicity given to this relatively small group of criminal misfits has enabled them to make gains among a tiny minority of young Negroes and to raise considerable funds from gullible whites. I feel it is in the interest of black and white to expose this organization for what it is—a group of militants who have resorted to gun barrel politics.

One morning a man went out to feed his pet deer, but it wouldn't get up. He rushed into the house and brought out something and fed it to the deer. The deer got right up and the neighbor asked what he had fed the deer. His reply was: "It was yeast....to make my doe rise."

WARN CHILDREN ABOUT PLANTS THAT POISON

Plant	Toxic Part	Symptoms
Hollyhock, Nerium, Delonix	Bark	Nausea, vomiting, diarrhea. May be fatal.
Oleander	Leaves, branches	Extremely poisonous. Affects the heart, produces severe digestive upset and has caused death.
Poinsettia	Leaves	Fatal. One leaf can kill a child.
Mistletoe	Berries	Fatal. Both children and adults have died from eating the berries.
Lily-of-the-valley	Leaves, flowers	Irregular heart beat and pulse, usually accompanied by digestive upset and mental confusion.
Iris	Underground stems	Severe, but not usually serious, digestive upset.
Rhubarb	Leaf blade	Fatal. Large amounts of raw or cooked leaves can cause convulsions, coma, followed rapidly by death.
Wisteria	Seeds, pods	Mild to severe digestive upset. Many children are poisoned by this plant.
Laurel, Rhododendron, Azalea	All parts	Fatal. Produces nausea and vomiting, depression, difficult breathing, prostration and coma.
Jewweed	Berries	Fatal. Digestive disturbance and nervous symptoms.
Yew	Berries, foliage	Fatal. Foliage more toxic than berries. Death is usually sudden without warning symptoms.
Oaks	Foliage, acorns	Affects kidneys gradually. Symptoms appear only after several days or weeks. Takes a large amount for poisoning. Children should not be allowed to chew on acorns.

More than 700 species of plants are known to have caused death or illness.

Included in these 700 are some of nature's most delicate creations: the oleander bush, the lily-of-the-valley, and the rhododendron.

Each year an estimated 12,000 children ingest these plants and others like them. A Seattle study revealed that 10 percent of child poisoning cases observed were of youngsters who had eaten toxic plants, and that in six percent of these cases, the children's parents had no idea the plants were dangerous.

The leaves of the lovely oleander bush, an indoor plant, contain a deadly heart stimulant that, if eaten, could kill a child. Some people have died merely from eating stems that had been speared on oleander twigs and roasted over an open fire.

Of greatest danger to children are the small attractive berries they find in their yards or in fields near their homes. The berries often look like wild fruit — a mouth-watering delight. Danger — their juice may be deadly.

In Ohio, one summer, a little girl prepared a play luncheon in the back yard. On a miniature plate she put an apple, a radish and some berries she had picked from a shrub growing in her mother's rock garden. Four hours later she lapsed into a coma and within seven hours after the luncheon she died.

An autopsy showed that the berries she had eaten were from the *Daphne mezereum* plant. It is cultivated in back

yards and also grows wild in thickets throughout the country. In early spring it has white or purple flowers that are followed by small red or yellow berries containing a corrosive poison that produces severe burns in the mouth and digestive tract. Only a few berries are enough to kill a child.

In Tacoma, Washington, a young girl, who was thought to have chomped on a piece of candy, died suddenly. A careful study of the case revealed that the girl had eaten several berries from the poisonous nightshade bush growing near her home.

This vine-like plant, found throughout the country, stretches along the ground or grows upright to a height of about two feet. Its berries, which grow in clusters, are most toxic when unripe; when they ripen to a bright yellow, orange, and red, they become the least poisonous part of the plant.

Another berry found to be deadly only in its unripe form is that of the *Lantana camara* or red sage, which grows extensively in the South. A few years ago 17 children in Florida were treated for ingestion of this berry; four of them were hospitalized with severe poisoning and one girl died a short while after eating the berries.

Of nearly equal attraction to children are the various parts of fruit trees — the twigs of cherry trees that release cyanide when eaten, and the leaf of the peach tree which contains hydrocyanic acid, one of the five most dangerous poisons known. Five children

became ill after drinking "tea" brewed with hot water and peach leaves.

A garden that contains potatoes and tomatoes presents a further threat to the child. The foliage and vines of both plants contain alkaloid poisons that can, when swallowed, create nervous disorder and stomach upset.

Most dangerous of all plants in the vegetable garden is rhubarb. Its stalk, commonly used in baking and cooking, of course is not toxic, but the leaf blade, containing oxalic acid which crystallizes in the kidneys, causes severe damage if a number of leaves are eaten.

Castor bean seeds, sold in any garden store for about 25 cents a packet, contain the powerful blood poison ricin that could kill a child. The beans are a mottled black and brown and resemble a beetle. Children often play with them, and jewelry manufacturers make necklaces from them. If they are chewed or swallowed, they become deadly.

It is essential that children and adults understand the dangers involved in eating plants they are unfamiliar with. Those growing in the classroom or around the home should be identified in every way before they are appreciated for something other than their natural beauty.

For more information about protecting your children from potentially dangerous plants, send for the free booklet, "Plants That Poison" by writing to: Corporate Communications, Geigy Agricultural Chemicals, 5300 Edina Industrial Boulevard, Minneapolis, Minnesota 55435.

COUNTY AGENT'S 1/2 ACRE

—by— JOE LIXON

Very little is known about how much fertilizer moves in either surface or ground water, nor do we know how much of the nitrogen and phosphorus in our water supply actually comes from fertilizer.

There are, though, ways to reduce pollution from fertilizer use.

They include (1) developing fertilizer with slower release of all nutrients to enable more complete utilization by plants; (2) improving cultural practices and timing of application to prevent leaching and erosion; (3) improving methods of application such as placement of fertilizer closer to the plant root zone to improve utilization by plants and reduce the potential for leaching and erosion; (4) applying smaller but more frequent applications of fertilizer to keep pollution within an acceptable level.

Another means of reducing pollution from fertilizer would be to simply limit or restrict its use.

A study on effects of restriction was recently published by Iowa State University. It reports that a complete removal of fertilizer would cause a sharp reduction in crop yields, high crop prices, reduced livestock production, and a large cutback in exports even if all Government-diverted acres were to be released for crop production. Corn yields in the Corn Belt, for instance, would be decreased by more than one-third if all nitrogen use were banned. Farm prices would increase, but the increase in consumer food costs would be almost double the tax savings from reduced land retirement payments.

WALTON, KENTUCKY — THURSDAY, SEPTEMBER 16, 1971

Volume 56 - Number 37

Local Service Station Attendant Shot Tues.

A Walton service station attendant was found dead of two small caliber bullet wounds about 3:30 a. m., Tuesday. Carl Walp, about 19, was employed by Delbert Messmer at the Enco station at the corner of Beaver and Stephenson Mill Roads, just West of I-75. Walp was found on the floor in the office by some women who stopped to have a tire repaired. They went to a nearby station (Union 76) and reported the incident.

Apparently Mr. Walp was made to lie on the floor with his hands behind him, where he was shot in the middle of the back and the back of the head. He was working the 9:00 p. m. to 8:00 a. m. shift. The station employs the exact change or credit card system during these hours, so the attendant had very little or no money to be taken, neither was anything else taken from the station.

Both phones had the receivers torn from them, and no leads of the person responsible were evident early Tuesday.

Messmer said that Walp had worked there since about May and had not caused any trouble. He and his wife, Donna, are said to have lived in an apartment at the old school apartment on North Main Street, Walton.

State Police investigations are being made.

Bond Boosters To Meet

The Walton-Verona Band Boosters will meet Monday, Sept. 20 at 7:30 p. m., in the band room.

The Boosters are in the process of selling the birthday calendar. Mrs. Paul Belgie will act as chairman of the drive. Organizations desiring to list their meeting dates on this calendar, please call Mrs. Layne Cheesman, 485-4222.

New Haven PTA to Meet

The first meeting of the New Haven PTA will be held Monday, September 20 at 7:30 p. m., in the school cafeteria.

The principal, Mr. Rush, will talk on the school curriculum and the lunchroom supervisor. Mrs. Brown will explain the lunch program. All the teachers will be introduced and baby sitters will be available. All proceeds this year will go to buy books for the library. Please come and support your PTA.

Women's Church League Softball

The second series of games in the Women's Church League Softball Tournament were played last week with the following results:

Richwood Presbyterian defeated Walton Methodist by a score of 21-16. It was a very good and thrilling game and all players did well.

In the second game, All Saints overwhelmed Walton Christian by a 41-3 score.

The last game of the evening was won by Walton Baptist over Richwood Presbyterian by a 32-21 score.

The final results of the tournament and the league champions and runners-up will be published next week.

The publicity chairman said, "At this time we wish to give a worthy note of praise and gratitude to our courageous umpires for the 1971 season. Without their decisions and explanations on softball rules, we would have been at a loss. Next season, 'ump,' we won't be quite as green on regulations."

Tri-City YMCA Offers Pre-School Swim Lessons

The Tri-City YMCA, Florence, will be conducting pre-school swim lessons, starting Monday, Sept. 20. These lessons are offered to members and non-members also. Boys and girls ages 3-6 are eligible to enroll in these classes.

For further information and registration, please call the Tri-City YMCA, 371-4680.

"COOL HEAT" IN HARLAN CONCERT

Cool Heat, a local rock band, returned to Everts Youth Center, just outside of Harlan, to appear in concert September 3-4.

The group was warmly welcomed by a large turnout for both of the four-hour performances.

On Friday, the group entertained was mostly young people from both Everts and Harlan. Saturday night, both young and old came out to see and hear the Cool Heat performance, and all enjoyed a night of fun.

Proceeds from the dance are to go to the community of Everts for the purchase of a new fire truck.

Members of the group are: Carol Norris, lead singer; John Snowden, lead guitar; Tony York, the rhythm guitar; Jerry Karr, bass, and Rick Garnett, drums.

The group was accompanied by Mr. and Mrs. Jerry Rigney, manager; Carolyn Rigney, Joe Norris, and Ron Covey.

WSCS and Guild Meetings

The annual fall meeting of the United Methodist Church Kentucky Conference Women's Society of Christian Service will be held on Friday, September 17, at Southern Hills United Methodist Church, 2356 Harrodsburg Road, Lexington. The Westway Service Guild will meet September 18-19.

"Mission Possible" is the theme with registration beginning at 8:00 a. m. Mrs. Louis Fields, Maysville, president, will preside.

At 7:30 p. m., Friday there will be a joint session of the Society and Guild to hear Dr. Phyllis Corbett speak.

St. Barbara Square Dance

There will be a hay ride and square dance at the St. Barbara Church on Turkey Foot Road, Saturday, September 18.

The hay ride starts at 7:30 and the square dance at 9:00, with George Mueller calling.

Call Pat List, 341-7181, or Gary Deininger, 356-2349, for reservations.

Birch Society To Present Speaker

An eye witness account of Communist efforts to subvert youth and create race hatred in the U. S. will be presented by Gerry Kirk in a public speech at the Ralph Fulton View Post, Elsmere, on Tuesday, September 21, at 8:00 p. m. The program will be presented by the Northern Kentucky Chapters of The John Birch Society as a part of its continuing effort to inform and alert the people of this community to the dangers from domestic Communism.

Gerry Kirk is a young Negro in his early twenties. In 1965, at the age of 17, he was asked by the FBI to join and report on the radical student activity at the University of Chicago. He later became a liaison man for the Communist Party within all the groups where they were working including the "peace" groups, the black militants and the student groups.

Now free to tell his story, he is on a nationwide speaking tour.

Tickets for Mr. Kirk's speech are \$1.50. They may be obtained by calling 341-5633 or 465-4202, or by writing The John Birch Society, P. O. Box 72, Erlanger, Ky. A spokesman for the Society recommends you order tickets in advance because a large crowd is anticipated.

Celebrate 28th Anniversary

Mr. and Mrs. Arthur Doggett of Verona, celebrated their 28th wedding anniversary September 8th by attending the Ohio State Fair at Columbus, and having dinner with friends in Cincinnati.

They have two sons, Sgt. David Doggett, stationed with the U. S. Army at Tripler Army Hospital in Hawaii, and Dennis, who is a junior at Eastern Kentucky University, Richmond.

Mr. Doggett has been employed by Ashland Oil and Refining Co., Covington, since 1948, and Mrs. Doggett operates the Fashionette Beauty Salon in Verona.

Hiller New W-V Assistant Coach

In regular session last Thursday in the Board of Education Room of the Administration Building, the Walton-Verona Board of Education employed Ralph Hiller as assistant basketball coach. He replaces Wendell Tilley, who asked to be relieved of that position which he has held for the past five years. This is Mr. Hiller's first year at W-V. He is math teacher for the seventh and eighth grades.

Insurance on the new Verona Elementary School will be handled by the Joseph J. Hoban Agency.

In action pertaining to students, the board voted to bar any and all high school students from earning more than five credits per year toward graduation, unless by special permission through the board of education.

Contracts will be authorized for non-resident students with all the school districts.

The senior trip to Washington, D. C., will be permitted again this year if proper chaperones are available.

Additional desks for students will be secured through surplus property after an assessment of the total needs is known.

The working budget as presented by the superintendent was approved by the board. Bills and salaries for September were ordered paid. The financial report for August. General Fund—

August 1 balance — \$91,721.31
Receipts for month — 29,419.54
Total disbursements — 6,665.02
August 31 balance — \$114,275.83

W-V Employees Will Get Raises

Supt. E. C. Roberts stated last Friday that he had received a letter from James Melton, Assistant Superintendent of Administration and Finance, State Department of Education, confirming that all employees of Walton-Verona schools are eligible to receive the increases in salary as presented in the salary schedule during the May, 1971 board meeting. "This is good news to each employee as some doubt had been cast because of President Nixon's 90-day freeze."

Pupil enrollment in the Walton-Verona schools was 835 as of last week but is expected to go higher because some first graders did not have proper health certificates. This compares to 851 in 1970 and 813 in 1969.

Kenton Co. Council PTA

Mrs. F. H. Herzog, State High School Service Chairman, will be the speaker at the Kenton County Council PTA meeting, on Monday, September 20, at 10:00 a. m., in the Willard Wade YMCA. Her topic will be Parent, Teacher, Student Association.

Doctor, observing pretty girl's X-ray: "What's a point like this doing in a nice girl like you?"

Kenton ASCS Office Information Center

All residents of Kenton County may obtain answers to questions on operation and interpretation of the Presidential order of August 15 on prices, rents, wages and salaries from the Kenton County Agricultural Stabilization and Conservation Service, according to Mose Black, Chairman of the County ASCS Committee.

County ASCS offices throughout the United States have been chosen as information centers to answer questions from all citizens on President Nixon's Executive Order which is designed to stem inflation and strengthen the national economy.

The Kenton County ASCS office is located at Nicholson. The address is 7252 Walton-Nicholson Road, Independence. The telephone number is 356-5025. In charge of the office is W. V. Benson, County Executive Director. The office has a staff of two persons: Mrs. Frances Gross, Program Assistant, and Mrs. Charlotte Thompson, Informal Program Clerk.

The County ASCS offices will not handle complaints or appeals, Mr. Black said.

Republican Conference; Campbell Heads Boone

A delegation of Boone County Republicans attended a campaign conference on August 25 in Louisville, entitled "Countdown 1971—a Victory Plan."

The local delegation was headed by Don Brown, candidate for State Representative, and Dale Campbell, president of the Boone County Republican and recently-named Boone County Chairman of the Emberton-Host campaign. Others from the county attending were: Mrs. Sylvan Martin, Mrs. John Schram, Mrs. Robert McManus, Mrs. Harry Daugherty, Mrs. Dale Campbell, Mrs. Phillip Ferrante, and Mrs. Charles Alphin.

Campbell said, "Kentucky must have the kind of leadership that Tom Emberton and Jim Host can bring to the state. They are honest men, who have offered their platforms to the people and have shown they really understand the needs and concerns of Kentuckians."

September Meeting Of the Wa-Na Club

The Wa-Na Woman's Club met for the first Fall meeting in the Walton United Methodist Church, on Thursday evening, Sept. 9th.

Mrs. Daniel Hance, president, opened the meeting, and the secretary's report was given by Mrs. Asa M. Rouse in the absence of Mrs. Robert Eisenschmidt. The treasurer's report was given by Mrs. Nelson Popham.

A program was not planned for this meeting, but Hospitality was the theme. Many were invited to visit the club to get acquainted.

The KFWC Fifth District meeting will be held at the President Inn, Ft. Mitchell, October 6. Several members will attend.

An invitation was extended to attend a Drug meeting at Boone Air Country Club, September 28 at 6:30 p. m. Dinner \$2.00. Reservations must be made.

Projects and programs were discussed for the new year. The club plans to attend the Cincinnati Symphony jazz concert in November.

Refreshments were served to the following: Mrs. Nelson Popham, Mrs. Daniel Hance, Mrs. Asa M. Rouse, Mrs. Robert Slayback, Mrs. George Black, Mrs. Gerald Elliott, Mrs. David Peebles, Mrs. Jack Norris, Mrs. Willie Mathis, Mrs. Dennis Flynn, Mrs. Luther Stephens, Mrs. Gayle McElroy, Mrs. Malcolm Simpson, Mrs. Chester Sturgeon, Mrs. Jack Rouse, Mrs. Gaines Huey, and Mrs. Harry Hanson.

Gives Hospital Experience

R. V. Lents, retired Boone County school teacher, who spent a week in a hospital for a cataract operations, has written a series of six articles telling about his experiences.

Mr. Lents, who wrote so interestingly of his experiences last summer of a trip to Europe and Africa, has written just as interestingly of his experiences in the hospital.

The Advertiser hopes to start the first of the six episodes next week. They will be continued each week as space permits.

Candidates' Wives Visit

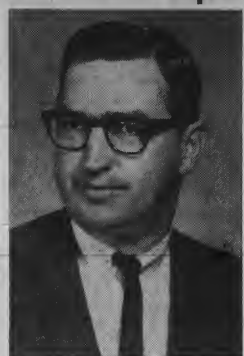

The wives of Republican candidates for State office, have been busy campaigning in the Northern Kentucky area.

Last Wednesday afternoon, Mrs. Tom Emberton, Mrs. Ken Harper and Mrs. Ed Schroering paid a visit to the Advertiser office. They were accompanied by Otis Readman.

The ladies were quite gracious and it seems to us they just might be able to gather more of the male votes than their husbands. We appreciated their taking time to call on us.

Personnel Manager (interviewing new job applicant): What have you done? Job Applicant: About what?

Homecoming Day at New Banklick Baptist

Rev. Don Davidson

You are invited to attend the annual Homecoming Day at New Banklick Baptist Church, 225 Banklick Road, Walton, on Sunday, September 26. Rev. Don Davidson, a former pastor (1961-1968), will deliver the 11:00 a. m. message. Brother Don led the church in an extensive building program which was completed in 1967 with the construction of the present Sanctuary, located on Banklick Road. The Lord blessed his ministry at New Banklick and many people met the Lord under his leadership during those seven eventful years. We want to invite all of the former members and all of you who have worked with Brother Don in the past to make your plans to attend this Homecoming Day.

Bring your lunch and fellowship with us after the morning worship hour, said the present pastor, Bro. Jim Johnson. The afternoon session starts at 2:00 p. m.

The Southern-Aires Quartet of Dayton, Ohio, and the New Banklick Choirs and Singers will furnish the music for the day. Gene Parker is Minister of Music at New Banklick.

For Independence Council

Five candidates have filed petitions for Independence City Council in the office of Kenton County Clerk A. T. Wood. They are:

Joe Caldwell, 50 McCullum Rd.; Albert J. Schulte, 22 Peach Dr.; John Jack Williams, 26 Sidney Dr.; Stanley E. Kahrs, 5225 Bell Dr.; and Charles R. King, 33 Sidney Drive.

Boone State Bank Opens In Florence

The Boone State Bank, housed temporarily in a mobile office on U. S. Highway 42, between Industrial Road and I-75, was opened Friday morning of last week.

Mrs. Mary S. Rudick is the cashier. She was formerly with the Citizens Bank, Bellevue.

The new bank was formed in a reorganization of the former Citizens Deposit Bank, Bellevue, according to John R. S. Brookings, secretary and attorney for the new bank. The Bellevue bank is now the Grant branch of Boone State Bank under the reorganization.

V. J. Hills, Edgewood, is president of the new firm, and Ben A. Courtney, Florence, is vice president.

Others active in reorganization of the bank are: H. O. Rogers, Kenneth Lucas, R. W. Burns, Edward Schmidt, Rev. Colburn Hooten, Fray Escue, Dr. George Renaker, John M. Krumpelman, R. C. Durr, Robert Maddox, Warren Kelly, and David Clore.

Kenton Elementary PTA

The Kenton Elementary PTA will meet Thursday, September 16, at 8:00 p. m., in the school.

Superintendent of Kenton County Schools, Don Davis, will be the speaker of the evening.

The school faculty and staff will be introduced by principal, F. D. Caton.

Mrs. Ray Baldwin will conduct the business meeting. Members of the Executive Board for the 1971-1972 school term will be presented. Committee chairmen for the annual chili supper will give progress reports.

Home baked goods will be on sale with proceeds to be used to purchase door prizes for the chili supper to be held October 8.

A reception will be held following the meeting in honor of the parents of first grade students.

The membership campaign will be open. All parents and friends of the school are invited to attend and to join the PTA.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

Mrs. J. A. Keeney, Reporter

An item missed last week: Mrs. Georgia Richardson had a birthday August 30. Her children who live near enough and other relatives came in the evening, bringing refreshments, to help her celebrate. We would add our best wishes for many happy returns.

The Homemakers Club met on Sept. 7 at the church with Mrs. Marie Rich as hostess. Following the salute to the flag, Mrs. Rich, retiring president, installed the new officers: Mrs. Paul Pepon, president, and Mrs. Harold Nitschke, vice president. The new president called for the minutes and roll call. New committees were named and plans for the coming year made. All members are asked to bring reading reports for the next meeting. Following lunch the leaders, Mrs. Shirley Damico and Mrs. Kathryn Wharton, gave the lesson on flower arranging. Enjoying the day were Shirley Damico, Bess Hill, Elizabeth Faulkner, Virginia Lynch, Francys Keeney, Genevieve Nitschke, Ethel Mann, Georgia Rapp, Marie Rich, Opal Shaw, Dolores Pepon, Linda Vandlingham and daughter, Edith Ware, Kathryn Wharton, Genoa Herron, Helen Wayman and Amy, and two visitors, Sadie Ervin and Carolyn Terry. The next meeting will be with Mrs. Opal Shaw, at

her home, October 5. New members are always welcome. Can't you come?

Mrs. Gaynelle Flynn had surgery Sept. 4. She is recovering very nicely and came home Sept. 10. We wish her a complete recovery.

Mrs. George Fimmel received a letter from her brother, Clyde Richardson from Laos recently saying they are having one of the worst floods ever known in that country.

Dewey Parsons made a business trip to Arizona and Colorado the past week.

Miss Karen Brueggen and some friends went to Knoxville, last weekend.

Mrs. Louella Smith visited here with the John Shaw family, and came to church Sunday, then visited relatives in the city. Carol Shaw returned to Crestwood with her and Mr. & Mrs. Shaw brought her home Friday.

Buckaroos 4-H Club

The August meeting of the Buckaroos was called to order by the president, Darlene Smith, at the home of leader, Renate Burden. There were eight members present and one visitor. Our little visitor, Tina Burton, rides in lead line. A new member, Gloria Kunkel, was voted in as new vice president.

For the next two or three months we will be studying on the parts of the horse and saddle. There

Suspects Arrested In The Shooting Of Carl R. Walp

An intensive investigation by State, Boone County, Kenton County and Covington police led to the arrest of four persons last Thursday in the last Tuesday pistol slaying of a Walton Enco service station attendant.

Charged with murder are: Chas. Ray Cain, 22, Covington; Edward Lynn McIntosh, 30, of Richmond; Miss Janice Kathryn Smith, 19, of Covington, and Rodger Allen Wood, 35, of West Virginia, but living in Cincinnati.

Carl Ray Walp, 20, was found slain in the service station office at 3:30 a. m. Tuesday of last week. "We got some information Wednesday that started us moving in the right direction," said State Police Detective Sgt. Homer Tate. "It was just one little lead that mushroomed," he said, but declined to divulge any details. Apparently the first tip led to Wood, who was arrested in Covington on Wednesday night, and the rest were rounded up Thursday.

Sgt. Tate said, "We found a billfold, identified as that belonging to the slain man, lying on a table in the apartment of Cain."

Police said Miss Smith told them there was \$20.00 in the wallet taken from Walp.

Police also impounded a blue 1962 Thunderbird, and Miss Smith told officers she drove to the station, just off I-75.

Capt. Schwartz of the Boone County Police and State Trooper Jim Wilson, acting on information, found cards and papers from the wallet of Walp, which had been thrown out on I-75 near Walton.

Still missing is the small caliber pistol used in the slaying.

Sgt. Tate said, "If it hadn't been for the help of Covington police, we'd never have got them."

The four suspects will be arraigned for a preliminary hearing before County Judge Bruce Ferguson this (Thursday) morning in Boone County Court. It is expected they will be held over for the grand jury in December.

Ordination Service For Gerald Daniel Straw

The Ordination Service for Gerald Daniel Straw into the gospel ministry was conducted at the Hillsboro Baptist Church, in Versailles, Ky., Sept. 19. The Ordination Service was led by the pastors of the Eldhorn Baptist Association, with Dr. George Redding of Georgetown College, bringing the message.

There was a surprise birthday party given to Rev. Straw after the Ordination Service by his wife, Diana.

Out-of-town guests present were: Carl Morgan and John Althaus, students at Georgetown College; Mr. and Mrs. William Straw, Independence; Dr. George Redding, Georgetown; Mr. and Mrs. Charles Praetner, Nancy, Ohio and David, Mrs. Mabel Webster, Mr. and Mrs. David Deaton, Mr. and Mrs. Franklin Breeden, Cindy and Rick all of Walton.

The Rev. Daniel Straw is presently attending the Southern Baptist Theological Seminary in Louisville, and his wife is a senior at Georgetown College.

Walton-Verona PTA

The Walton-Verona PTA will meet on Monday night, Sept. 27th at the Walton-Verona High School at 7:30 p. m.

The PTA extends an invitation to all parents to attend and help make plans for the new year, and to meet your child's teacher. This is important to your child as well as the teacher.

Students At College

We missed some students who are away at school when we published a list recently. Here are additional names:

Judy Hesterman, attending the University of Kentucky, Lexington. Brenda Schader, Cindy Allphin, Wanda Maestri, Judy Kennedy and Beverly Strong are all attending Midway Junior College.

Engagement Announced

Miss Lola Hoskins

Rev. and Mrs. Dee S. Gadd of Walton, announce the engagement and approaching marriage of Miss Lola Hoskins to Sp/4 David A. Barnes, the son of Mr. and Mrs. James Barnes of Demossville.

Miss Hoskins is the daughter of Mrs. Nannie Hoskins and the late Richard Hoskins of Pineville, Ky. Sp/4 Barnes is convalescing at Walter Reed Hospital, Washington, D. C., having been wounded in action in Vietnam.

All Saints Church Softball Champs

In the final session of the Women's Church League Softball Tournament last week, there were quite a few spectators, great sportsmanship, and church unity as the first two teams went into action on the field.

In the first game, in the sixth inning, Walton Baptist was in the lead over Walton Christian, 9-8. In the top of the seventh, the Baptists picked up three runs, and the Christians managed to get five, which made them the winners 13-12. It was a very thrilling game.

In the second contest, Walton Christian played All Saints for the championship trophy. All Saints defeated the Christians 16-1.

The roster of the 1971 champions included: Darlene and Rita Berkemeyer, Carolyn and Jeanette Cady, Linda (Zip) Code, Kathy Dorrning, Cathy and Judy Kelly, Diane and Patty Raybourne, Pam Ryan, Patty and Sue Seng, Marti and Mary Stephens, Vickie Wethington, Barb Kohler (pitcher and coach), George Raybourne (coach), and Rose Raybourne (manager).

The trophy is being dedicated to the loving memory of Mrs. Sue Seng, who organized the team and also helped Rev. Roy Sharp of the Richwood Presbyterian Church organize the Women's Church Softball League.

The runners-up in the tourney were Walton Christian Church, managed by Layne Cheesman.

Presentation of the trophies was made by Mrs. Jack Norris of the Walton Methodist Church.

Next year, it is hoped to have a few more churches join the league.—Pub. Chm.

Christian Healing Ministry

The Union Presbyterian Church, Union, will have a Christian Healing Ministry at the church, Sept. 26. Dr. Clair B. King, M. D., of Canton, Ohio, will speak Sunday at the 11:00 a. m. service, and will have a Spiritual Healing Service at 7:30 p. m., Sunday evening.

Dr. King is a practicing physician and an elder in the 2900-member Christ United Presbyterian Church in Canton. Dr. King became active in the church's Healing Ministry in 1967. He has served as chairman of numerous Spiritual Healing committees, and in October will lead a Christian Healing Ministry in Winter Haven, Fla. Dr. King's wife, Marian, who is coming with him, Mrs. King is a trained nurse and mother of two children. She has been interested and involved in Bible Study and Prayer Groups for the past 19 at the 11:0 a. m. service, and will be a spiritual cordially invited to attend these services.

LOW UNEMPLOYMENT

Boone County's unemployment rate of 1.5 percent is the lowest in Kentucky, Commissioner of the Department of Economic Security, Merritt S. Deitz, Jr., has announced. This figure is well below the Kentucky unemployment rate of 6.2 percent for July.

Commissioner Deitz also pointed out that the unemployment rate for the state was down to 6.2 percent in July as compared to 6.7 percent in June.

Walton Firemen Really Kept Busy

Members of the Walton Volunteer Fire Department have been very busy this month, especially with the life squad unit. Fifteen calls have been made to aid persons in distress, which emphasizes the need for additional equipment and personnel.

Last Saturday morning at 1:10, the department responded to a call that the wooden bridge over the L&N Railroad on Old Lexington Pike was on fire. Very little damage resulted in what is thought to have been a case of arson. Other calls were made by the life squad including the following:

Sept. 11—Auto wreck, two victims injured, taken to hospital.

Sept. 14—3:40 a. m. to Enco Service Station, shooting victim taken to Florence funeral home.

Sept. 15—4:15 a. m., car on fire on I-75.

Sept. 15—Pondelon Motel, bleeding victim taken to hospital.

Sept. 17—6:30 a. m., to Boron Truck Stop, breathing apparatus requested, insecticide spilled.

Sept. 18—3:05 a. m., two auto accidents near Crittenden exit, and three persons taken to hospital.

Sept. 19—Richwood Road, pickup truck hit concrete bridge, two injured youth to hospital.

Sept. 19—Old Lexington Pike, a motorcycle wreck.

Sept. 19—9:50 p. m., Twin Lake Subdivision, youth ill, to hospital.

Sept. 20—7:45 a. m., apparent heart attack victim to Deaconess Hospital from U. S. 42.

All kinds of baked goods will be offered for sale at Boone County Drugs and Benton-Bonar in Walton, and McCord's Store in Verona. Help support the juniors!

Dallas Justice To Run For Mayor

Dallas Justice has announced that he will be a candidate for Mayor of Walton in the November general election. He said:

"In announcing as a candidate in the coming election, I believe improvements in the City of Walton are needed in many areas. I feel, after talking to many citizens, night-time police protection, street improvements, free parking facilities in order to boost business, are needed.

"If elected, I will work to ease the burden on the working man, those on fixed income, and the property owners.

"I will offer the voters of Walton a Council ticket that I feel will move Walton in a forward direction.

"Watch this paper for a more extensive platform and the names on the Council ticket."

All Horses Must Be Vaccinated

Venezuelan Equine Encephalomyelitis (VEE) is a highly fatal virus disease of horses and other equines. A milder form of VEE strikes humans also, but is usually not fatal. Very young and very old people are most likely to develop the disease, which affects the nervous system.

It is extremely important to vaccinate at least 90 percent of all horses in a given area, otherwise the disease can continue to move and will spread quickly where the equine population is dense.

VEE is transmitted by insects, primarily by mosquitoes. A wide variety of rodents and birds are susceptible to VEE also. Therefore mosquito and rodent control, a good idea at all times, is especially important now.

The current goal is to have all equine in Kentucky vaccinated by October 1, 1971. The owners and handlers of equine are urged to cooperate with the veterinarians who contact them concerning the vaccination program in progress. Boone County is being organized in districts and you will be contacted by a veterinarian who will be vaccinating all horses in that area, according to Joe Chaxon, the Boone County Agricultural Agent. He will come to your farm and there is no charge for this service, Mr. Chaxon said.

Piner Elementary PTA

The Piner Elementary School PTA held its first scheduled fall meeting on Thursday, Sept. 16th. Miss Gert Sue Menefee, seventh grade student, had the devotional and led in the pledge to the flag. Phillip Webb, principal, introduced the teachers, and Chlorine Menefee, school board member. Mr. Webb also had a question and answer period about school activities.

Mrs. Cliff Martin, president, conducted the business session, and plans were made for the festival which will be held October 23.

Mrs. Earl Stith, safety chairman, had a film, "The Visiting Fireman," show.

On Friday, Sept. 17, the PTA was represented at the Sixth District School of Instruction at the Latonia Church of Christ.

Those attending the workshops were: Mrs. Cliff Martin, president; Mrs. Elmer Price, Jr., treasurer; Chairmen, Mrs. Richard Morehead, juvenile protection; Mrs. John Mullins, visual aid; Mrs. Robert Lancaster, hospitality, and Mrs. Wendel Bridges, public relations.

Oak Island Baptist Church Begins Revival

The Rev. Jerry Ennis of Walton First Baptist Church will be the evangelist in a one-week revival at Oak Island Baptist Church, Moffett Road, September 26 through October 3. Services will begin at 7:30 each evening.

There will be special music each evening to reach the heart of each person from Walton, New Banklick, Kento-Boo, and Bellevue Baptist Churches, along with the Oak Island Baptist Church choir.

The revival will close with Rev. Ennis at the Sunday morning worship hour, October 3. On that same evening the church will host an evening of Gospel Hymn singing with the Bell family if Covington.

The church and pastor, William Garrison, welcomes you to these special services, especially for you.

Local Club Would Sponsor Verona Homemakers Club

Several years ago there was an active Homemakers organization in Verona. Today there is none.

There are a good many new homemakers who, it is felt, would enjoy and benefit from such a group as Homemakers. Not only are new homemaking skills learned but also helpful lessons are given which help in the ordinary activities of a house and family.

These meetings can be held either during the day or at night, whichever is suitable for those interested. Also, it would be possible to have a group to meet at night composed of both Walton and Verona area ladies. This would be for those unable to meet during the day.

A new club must be sponsored by an existing one and the Walton Homemakers would be happy to do so if enough are interested. If you would like to express your interest in such an organization or would like more information, call one of these numbers: 485-4655, 485-4585 or 485-4653.

W-V ON ACADEMIC

Walton-Verona High School will be among the 81 high schools that will compete on "It's Academic" this season.

The high school TV quiz show, sponsored by The Cincinnati Gas and Electric Company, will begin its ninth season on Saturday, Sept. 25. It will be telecast in color every Saturday from 5:00 to 5:30 p. m., on WLW-T.

Appearing In Covington

Denny Taylor - Phil Jackson

Denny Taylor, son of Mr. and Mrs. John M. Taylor, Walton, and Phil Jackson of Franklin, Ohio, being billed as "The Classics," will open an engagement at the Holiday Inn Riverfront, Covington, on Monday night, Sept. 27. "Butch" will be looking forward to seeing all his friends.

They will be coming from a 16-week engagement in Leominster, Mass.

ONE-DAY FESTIVAL SATURDAY, SEPT. 25

The Walton Volunteer Fire Department will hold a one-day festival on Saturday, September 25th for a fund raiser for the new ambulance which the department expects to have by the middle of October.

The Ladies' Auxiliary will serve fresh fish sandwiches, etc.

Rides and games for the kids, and adult games, plus square dancing for the adults with music by Al Lawrence and his fellow musicians.

Be sure to attend—you can have a good time and at the same time help the firemen complete payment on the ambulance—something we really need.

Turkey and Ham Dinner

The annual turkey and ham dinner will be held Sunday, Sept. 26 at the St. Matthew's School, White Villa. Serving will be from 12:00 until 7:00 p. m.

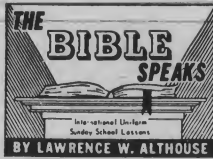

Rev. Al Griessinger, pastor, said there would be booths, games and refreshments. Everyone welcome.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

(Continued from Last Week)

Another great "Happening" at our church is the challenge that our people accepted on Sunday, September 5, when 27 people made a covenant with God to put their shoulders to the proverbial "grindstone" and to visit diligently to help reach 300 in our Sunday School by the first Sunday in Jan-

WHAT'S IT ALL ABOUT?

Lesson for September 26, 1971

Background Scriptures: Psalms 73; Ephesians 1.
Devotional Reading: Philippians 3:4b-16.

As soon as an infant is born into this world he becomes part of an unquestioned routine. Even as he grows and matures and begins to take some responsibility for himself he does most of what he does without reasoning why. We settle down into patterns of life, routines, habitual practices and become too busy to spend much time in questioning what or why.

There comes a day, however, when at last it occurs to us to step back, look at the lives we lead, and ask: "What's it all about?" Suddenly the things we have done all our lives seem incomprehensible. It is as if we have been sleep-walking and suddenly have been awakened. The world, once so familiar, so understandable, seems strange and incomprehensible. Where are we, we wonder? Where have we been and where are we going?

The meaning of life
Life and existence have always puzzled men. Does it really have a purpose? Does it make some kind of sense? Is this real or is life just a cruel illusion? What are we doing here and what are we expected to accomplish? Can we really get anywhere with all this struggle or is it as futile as it seems? Am I justified in trying to see some meaning and purpose in it or am I simply wasting my time?

Aren't these questions that all of us ask at sometime? They are as old as man himself. Just as man has been eternally seeking to discover all he can about God, so he has also been searching to discover all he can about life and its purpose. Some men have despaired and given up the struggle to live a meaningful life. Others have concluded that they must squeeze out of it all that they can, as long as they can.

Then I perceived . . .
Others, however, have found their answers as they have turned to God. The Psalmist confesses: "But when I thought how to understand this, it seemed to me a wearisome task until I went into the sanctuary of God; then I perceived their end." (Psalms 73:16, 17). Like others, he despaired of finding any meaning in life until he turned to God and at last received from him the understanding he needed.

Apart from God we cannot find either meaning or purpose for life. If there is no God, then life is futile and without any meaning. Because we believe that he knows what it's all about, we can face life with confident faith.

uary, 1972. They will first attend a Soul-Winning Class and learn to visit all types of people and to meet all types of problems. If our Lord Jesus Christ evangelized the world from the faithfulness of 11 men, and later when the great apostle Paul joined the ranks, we can surely reach 300 in Sunday School. We have been emphasizing our Sunday School for several months; however, several of our leaders joined their pastor at the Latonia Baptist Church recently to hear Dr. James E. Coggin, pastor of the Travis Avenue Baptist Church, Ft. Worth, Texas. Dr. Coggin filled our hearts with joy, not with anything that was really new, but with things that we had known about for years, but had been negligent in carrying them out. Our Sunday School Director, Mr. Harold Callen, and his wife, Coella, who teaches our Adult Ladies, were there to be inspired by this wonderful man of God. Now we are going to attempt to fill two buses and attend the second phase of this "Evangelistic Outreach"—"People to People," by attending our Launch Night for better Sunday Schools, with the Latonia Baptist Church. Pastor John A. Wood of the First Baptist Church, Pa-

ducah, will bring the challenge. We will enjoy special music by Pastor William Turner of Latonia Baptist Church. We encourage you, our readers, to visit and see what is happening to Southern Baptist in Northern Kentucky. God is going to bless us very much. If you don't attend Sunday School anywhere then why not come and give us a chance and bless us with your presence.

The Spiritual-Heirs, Mrs. Lois Reinhart, Mrs. Jackie Grayson and Mrs. Francis Beach, have been invited to sing during revival services at the Oak Island Baptist Church, Morning View, on Thursday evening, Sept. 30. We understand that Brother Jerry Innis of the First Baptist Church of Walton, will be preaching the messages each evening at 7:30.

The pastor, James D. Johnson, appreciates the wonderful words from our readers. We thank each and everyone of you from the bottom of our heart. And we invite you to visit our church because we believe we have one of the most spiritual churches in our area. A place where you can say "Amen! Praise the Lord! as the Spirit leads. If you have no church home, why not give us a try.—Zech. 4:6.

WALTON UNITED METHODIST CHURCH

The Walton Methodist softball teams enjoyed a winner roast at the home of Mr. and Mrs. David Newcomer and sons on Stephenson Mill Road, Saturday evening.

Before the meal, they gathered at the Verona ballpark and enjoyed a game of softball and for once the Methodist won.

Those enjoying the fellowship and fun were: Mr. and Mrs. Daniel Hance and family; Mr. and Mrs. Sam Mosley and family; Mr. and Mrs. Bill Mastin; Mr. and Mrs. Jack Norris and sons; Mr. and Mrs. James Lawrence and son; Mr. and Mrs. Don Sturgeon and son; Rev. and Mrs. Robert Yates and daughter; Mrs. Paul Beighle and family; Connie Carlisle and Paula Ramsey.

Rev. Robert Yates, Karen Yates and Randy Lawrence attended the sub-district Methodist Youth program at Sunny Acres Sunday.

The youth choir will begin practice Thursday afternoon at 4:00. All youth, 7th grade and up are

invited to attend. Mrs. Dorothy Beighle is the director.

The UMYF met Sunday night at the church for a planning meeting. Officers elected were: President, Karen Yates, Vice President, Randy Lawrence, Secretary and Treasurer, Paula Ramsey. Miss Wilma Goode and Mr. and Mrs. Terry Webster are the leaders.

The Beacon Class rummage sale was a success and they would like to thank all who participated.

Happy Helpers Meet
The Happy Helpers Class of the Walton United Methodist Church, held its regular meeting Tuesday evening, Sept. 14, in the church with Mr. and Mrs. Charles Carlisle were hosts.

The meeting was opened by Mrs. Jesse Callen, president. Mrs. Betty Ammer gave an interesting devotion and prayer. Minutes were read and approved, and the treasurer's report was given. Mrs. Callen read, "God Has Two Hands." Plans were made for the Christmas dinner.

The guest speaker was James Lawrence, and his talk was very inspiring and enjoyed by all. Those enjoying the delicious re-

freshments of home made ice cream and cake were: Mr. and Mrs. Jesse Callen, Mr. and Mrs. Lawrence Lemons, Mr. and Mrs. Ed Crow, Mr. and Mrs. J. J. Barnett, Mrs. Norman Hammond, Mrs. William Simpson, Mrs. Mary Stephenson, Mrs. Charles Ammer, Mr. and Mrs. James Lawrence, and Mr. and Mrs. Carlisle.

Visiting Hours

MORNINGS - 11:00 Until 12:00
AFTERNOONS - 2:00 Until 3:00

It is a beautiful afternoon, and Ken and Monica might have gone for a ride in the country. But they've come to the hospital to visit a classmate.

It isn't always a "fun" thing to visit someone in the hospital, to call on an elderly aunt, or to take a gift to a shut-in. But usually you feel better when you do.

This is a "hurry up" world we're living in. We tell ourselves that there isn't time for the little kindnesses. There isn't time for a lot of things — like, maybe, going to church.

Who are we kidding? Ourselves, perhaps?

WALTON—

Mrs. Wallace K. Grubbs entertained the Walton Woman's Literary Club last Wednesday afternoon. Mrs. Virginia M. Liggett was the guest speaker. The new president, Mrs. Leo Flynn, presided at the business session.

"One of the greatest days," said Rev. W. G. Burkett, "in the history of the First Baptist Church of Walton, was experienced on Sunday, Sept. 9th." This was "kick-off" day for the building fund campaign to raise needed funds for a new educational plant. Without any pressure of any kind, the love-offering was taken and at the

close of the evening service, the total offering was \$8,299.60.

Mr. and Mrs. Wilford Rice, Don Rice and Glenna Alphin attended the State Fair in Louisville, on Sunday.

Mr. and Mrs. Powers Conrad and Mr. and Mrs. Russell Hall have returned from a several days visit with relatives in North Carolina.

Mr. and Mrs. J. B. McCubbin of Texas, are moving to their home on Walton-Nicholson Road.

Mr. and Mrs. William Aylor of Big Bone, were guests of Mr. and Mrs. O. L. Black, Sunday.

The Wa-Na Club met at the Phoenix Restaurant, with Mrs. Fred Hamilton and Mrs. Lloyd Yates as hostesses for the day.

The Walton-Verona School opened last week with 112 enrolled at Verona and 318 at Walton. Classes have selected the following officers for the year: 7th grade, President, Judy Norman; vice president, Ronnie Cook; secretary, Joyce Schwab, and treasurer, Masi Allen. 8th grade, president, Donald Wagner; vice president, Tillie Cheesman; secretary, Marie Martin, and treasurer, Janice Osborne. 9th grade, president, Yvonne Flynn; vice president, Lois Glenn; secretary, Ovie Griffith, and treasurer, James Howard. 10th grade, president, Jean Burden; vice president, Billy Smith; secretary-treasurer, June Howard. 11th grade, president, Johnny Grubbs; vice president, Mary Ryan; secretary, Laverne Chandler; treasurer, Betty Sue Huffman. 12th grade, presi-

dent, Carol DeMoisey; vice president, Bob Chandler; secretary, Coreta Rice, and treasurer, Harold Campbell.

Kenton County Board Of Education Sets A Swing Shift Schedule

The Kenton County Board of Education has adopted a swing shift schedule for its meetings, alternating between the East and West sides of the county.

School Supt. Don Davis reported that the October 6 session will be held at 7:30 p. m., in the Crescent Springs Elementary School. The November meeting will return to the west side of the county and be held at the Administration Building, Independence.

"It is the feeling of the board that such a schedule will enable citizens to attend the meetings and ask questions regarding school problems," Davis said.

Wesleyan Service Guild

The Wesleyan Service Guild of the Walton United Methodist Church met in Fellowship Hall on Monday evening, Sept. 13, with Mrs. Melvin Uley as hostess.

The business session was conducted by the president, Mrs. Sam Mosley. A study of the book of Psalms was presented by Mrs. Gene Roland, which was enjoyed by all.

Those who attended were: Miss Louise Stuard, Mesdames Sam Mosley, John Gray, Paul Beigle, William Mastin, David Newcomer, Gene Roland, Melvin Uley and James Lawrence.

Discoverer's 4-H Club

The September meeting of the Discoverers 4-H Club was held with five members and a leader present. Lisa West called the meeting to order. Pledges given. Treasurer Wilda Stephens reported on the bake sale profits. It was voted to donate all we made to special awards for State Demonstration winners at the 4-H Recognition banquet in November. The Courier-Journal forms were handed out to all members, and should be turned in by Sept. 30.

We did very well at Kenton County Fair with 40 exhibits in 4-H and open class. Members won 3 championships in 4-H, 9 blue ribbons, 10 red and 7 white. In open class we had 2 blue first place, 3 second place and 1 third place white. Also, Lisa West won runner up in the 4-H Princess contest. Laura West's waste basket won red at State Fair, and Lisa West's canning won white at State Fair.

Next meeting we turn in our project books and hand out new project cards. November we have election of officers.

Cindy Stewart, vice president, will contact a local person to give us a Good Grooming program. Other 4-H'ers invited.

Refreshment committee elected: Diane Scherder and Laura West; telephone committee, Kathy Elbert. Meeting adjourned for refreshments.

Present: Diane Scherder, Cindy Stewart, Wilda Stephens, Laura and Lisa West, Mrs. West—Laura West.

Auton Family Reunion

On Sunday, September 12, Bill and Emma Caryl (Auton) McPherson and son, Tim, of Florence, attended the 20th annual Auton reunion at the McKendree Methodist Church in Maiden, N. C.

Following a memorial worship service, a picnic dinner was enjoyed by over 200 members of the Auton family.

The flowers on the altar included three golden mums and two white mums which represented the three living and two dead children of James Houston and Sarah Auton. After the service the flowers were placed on the graves of James and Sarah.

At least one or more representatives of each of the 14 children were at the reunion, plus members of other branches of the Auton family. Mrs. Emma Caryl McPherson represented the Kentucky family of Robert W. Auton.

My First Week in the Hospital

By R. V. Lents

EPISODE I

Most people, like myself, don't like to go to a hospital for any kind of illness or affliction. But as for me, it could mean being able to see or being blind. So I decided to go to the hospital. Previously I had been in a hospital twice, once for about 30 minutes for heat exhaustion and once for a day for food poisoning. This time I was going to be a patient for a week.

At 1:30 p. m., Tuesday, March 2, 1971, I entered the hospital. The first thing the registrar did was to ask me for my pedigree, age, address, physician's name, and for what purpose I was entering the hospital. After recording the information I had given her, she turned around in her swivel chair facing a machine which to me looked like a drill press in a machine shop, but it was not. Using the machine, she made me a dog tag, listing my name, age, address, physician's name, hospital room number, and serial number. She fastened the dog tag securely around my left wrist. While she was taking care of the records, I had time to look around for a few minutes, eyeing the pretty nurses, aids, and candy strippers. An orderly whisked me to my semi-private room on the third floor. I had requested a private room, but after arriving at the hospital, I was told about the crowded condition of the hospital, and I gladly accepted a semi-private room. It was better for me, because it was occupied by a man about my age and we had many things in common.

I was assigned to bed number one, which was a clean, comfortable bed near the door. I was asked to disrobe, don hospital attire and go to bed.

Nurse asked me if I were allergic to penicillin, sulfa drugs, streptomycin or any other thing. I said I am not allergic to anything but pretty girls. She said, "We shall not worry about that, because after your cataract operation in the morning at eight o'clock you will not be seeing anybody for a while." Jokingly, I said I am a phenologist and can tell by feeling a girl's face whether she is beautiful or not. The nurse said, "We shall see to that too."

I was given several pills and hypodermic injections. I thought probably the nurse had mistaken my left hip for a dart board at a county fair.

At six o'clock I was served a sumptuous dinner. Although I am 75, I felt like a 16-year-old boy seeing his first circus.

The nurse took a sample of my urine and blood, took my temperature, checked my blood pressure, and counted my pulse. In fact, I was given a thorough physical examination. I thought maybe I had found the fountain of youth and would see going to Vietnam.

(Continued Next Week)

WALTON, KENTUCKY — THURSDAY, SEPTEMBER 30, 1971

Volume 56 - Number 39

Lawyers Assigned In Walp Slaying

Four lawyers were assigned on Thursday of last week to represent three men and a woman charged with murder.

Teamwork by State, Boone and Kenton County lawmen brought the arrests September 16 of the four dependants.

They are charged with the murder of Carl Ray Walp, 20-year-old Walton Enco service station attendant, found slain in his office early September 14.

The attorneys assigned and their clients are:

Burton Signer, 405 York Street, Newport, for Edward McIntosh, 30, of Richmond.

Robert F. Barrett, 225 Main St., Florence, for Janice Smith, 19, of 3323 Mable Ave., Covington.

Eddie W. Brown, 262 Main St., Florence, for Rodger A. Walp, 34, of Cincinnati.

R. Barry Wehrman, 253 Pike St., Covington, for Charles R. Cain, 22, of 223 East 15th St., Covington.

The cases have not been assigned a trial date as yet.

"It's the first murder case I can remember in my six years as Boone County trial commissioner," said Asa M. Rouse, Walton, in court at Burlington.

Ben K. Hall at Burlington

WALTON-VERONA PTA

The first meeting of the new school year of the Walton-Verona PTA was well attended Monday evening at the high school gym.

The business session consisted of planning money-making projects and setting meeting dates for the year.

Friday, October 29 was the day set for the Halloween Festival. A gospel sing will also be scheduled.

In November, the PTA will meet at the new elementary school in Verona. There will not be a regular monthly meeting in October.

The room count banner was awarded to Mrs. Robert Thompson's 8-A class.

All teachers present and the board members were introduced.

Room mothers activities will be directed by Mrs. Charles Holder.

Mrs. Bernice Day gave the program as she presented a reading, "The Hotel Experience," delightfully enjoyed by those present.

Refreshments of cookies and punch were served during the social hour.

PTA officers are: Mrs. Ed Lay, president; Mrs. Betty Tucker, vice president; Mrs. James Burden, secretary, and Mrs. Donald McMillan, treasurer.

Crittenden VFD Dinner

The Crittenden Volunteer Fire Department will have its annual turkey dinner on Sunday, October 3, 1971, at the Crittenden School. Serving will be from 12:00 noon to 7:00 p. m.

Prices are, adults \$1.50, and children \$1.00.

15 Candidates File For Walton Council

There will be candidates galore for the voters to select from for City Council of Walton at the regular election, November 2. It has been quite some time since this many men have been seeking election to Council. We wonder if the parking situation and sewage didn't have something to do with this situation.

On the Progressive ticket, Guy Carlisle is running for mayor, to fill the 2-year unexpired term of Dale Stephens, who resigned. Running for Council with Mr. Carlisle are the incumbents, Don McMillan, Robert Eisenschmidt, Woodrow Greene, Luther Stephens, Dr. Roger Augustenitz, and Chester Armstrong.

On the Independent ticket, Dal las Justice is candidate for mayor; and his councilmen are James Lee Alphin, Lloyd Poore, Robert Coyle, Bill Robinson, Mrs. Maide Holder, and Tim Kidwell.

On the Citizens ticket, there are three men running for council. They are Sam Gamble, Jack Norris, and Leon Hall (a former mayor and councilman).

This should give some variety. Think the situation over, and be sure to vote November 2nd, for a mayor and six councilmen.

The Kenton County Garden Club Meets

The Kenton County Garden Club met in the home of Miss Margaret Stephens, Madison Pike, Independence, on Thursday evening, September 23.

Mrs. Wesley Hall, president, opened the meeting with an appropriate meditation and took charge of the regular business.

The Blue Grass District meeting on October 13 was announced. The Fayette County Homemakers Garden Club of Lexington, will be hostess.

Mrs. Audrey Gouge and Mrs. Dorothy Ballinger gave a brief report on the September 1 reception honoring Mrs. Beulah C. Nunn at Spindletop Hall, near Lexington.

Mrs. Lucille Hall and Mrs. John Herron also attended the reception.

Plans were made for the Oct. 22 meeting. Club members and guests will meet for lunch at the Hearstone, Ft. Mitchell, and then tour the Mt. Airy Forest and other points in Cincinnati.

The devotion was given by Mrs. Ben Banks. She read Fanciful Legends concerning the location of Eden. She led in prayer.

Mrs. Audrey Gouge, program chairman, gave some timely garden hints and introduced the program. Miss Elma Taylor and Miss Alice Jane Williams reviewed portions of "A Guide to the Wild Flowers and Ferns of Kentucky," by Wharton and Barbour. Miss Williams exhibited several specimens of fall wild flowers.

Each member answered roll call by naming her favorite wild flower. Those answering roll call were: Mrs. Dorothy Ballinger, Mrs. Ben Banks, Mrs. Edwin Damon, Mrs. Audrey Gouge, Mrs. William Guttridge, Mrs. Wesley Hall, Mrs. Forest Popp, Mrs. Leontine Stephens, Miss Margaret Stephens, Mrs. William Straw, Miss Elma Taylor, Miss Alice Jane Williams, Mrs. Beesie Stephens, and Mrs. Winifred Bates.

Delicious refreshments were served by the hostess and her mother.—Reporter

BOONE ASKS FOR FEDERAL JOB HELP

Boone county has applied for federal funds to employ 14 persons on public works projects.

Funds, if approved, will come through the Federal Emergency Employment Act.

County Judge Bruce Ferguson said the program was set up to give jobs to the unemployed. He said the county is seeking \$80,000.

The county would contribute about 15 percent of the cost, most of it as in contributions, such as equipment, materials and office space.

Yard-Basement Sale

The The Christian Church at Independence, will have a yard-basement sale October 2nd, starting at 9:00 a. m. and continuing until 3:00 p. m., at the church on Madison Pike.

Walton Emergency Runs

Five runs have been made by the Walton Volunteer Firemen during the past week:

Sept. 20, 9:30 p. m.—Squad run to Gay 90's, man ill, taken to a doctor.

Sept. 21, 4:30 p. m.—Squad run, 54 South Main, Walton, woman had apparent stroke, taken to hospital by local ambulance.

Sept. 22, 5:00 a. m.—On I-71, auto on fire.

Sept. 23, 4:05 p. m.—To 35 South Main St., Walton, couch on fire.

Sept. 25—93 North Main St., Walton, occupant had chest pains, woman taken to hospital.

Sept. 27, 7:15 a. m.—Auto reported on fire on I-75, South, gone on arrival.

Festival Rained Out

The one-day festival scheduled for Saturday was rained out. Only a few sandwiches were sold before the rains came. However, the department did receive several donations of money to be applied to the purchase of the new ambulance.

Independence To Have S&L Office

You are invited to attend the Grand Opening of the Independence Branch of the Union Savings and Loan Association at Main Street and Carrie Way, October 1 thru October 9.

The directors are pleased to announce that Mary Beth Armstrong of Locust Lane, Independence, will be at the Independence branch to serve you.

Mary Beth will be pleased to assist you with your savings accounts, money orders, and home loan applications.

Carolyn J. Reed and Flora L. Kurz are at the mail office on the Southwest corner of 11th and Madison in Covington, to also serve you.

The directors of Union S&L are: Dewey Ammon, Don Conrad, Geo. Cook, Charles Deters, J. B. Doan, Robert Hollister, Carl Schmidt, Charles Wilson and Justin Schneider.

Be sure to register for the free prizes to be given away during the Grand Opening.

School Lunch Program

The Walton-Verona schools serve good lunches every full school day. These lunches will help keep your children healthy. Students may buy a lunch for 30 cents (grades 1-6), and for 35c (grades 7-12).

Some families find it hard to pay for their children's lunch. If you can't afford to pay the full price or you think your child should have a free lunch, then fill out the application form which has been sent to you or go to the school where the application forms may be obtained. Salary earned and number of children determines whether free lunches are available for your children.

Your child will be treated the same as other children who pay, and no one will know who is paying and who is not. No student will be required to work for his or her lunch.

You may apply for free lunches for your children any time during the year.

Policeman Resigns; Council Has Meetings

Carl Hartman, a member of the Walton police force since 1962, has resigned that position as of last Saturday. Applications are now being taken at City Hall for this position. See ad in this issue.

Council members have consulted with an engineer regarding repairing the spillway at the new lake. Runoff water is undermining the constructed spillway.

The parking meters along Main Street have been changed to take nickels and dimes only. Five cents for 30 minutes and 10c per hour. Previously pennies could be used for 12 minutes each. There was a report that the increase in rates could not be made due to the President's freeze but Mayor Guy Carlisle said Monday afternoon that he had not received any official word to that effect.

This week Council began meeting with residents of North Walton to discuss the sewer proposal. Check the news item on another page regarding the schedule.

At Monday night's session, we heard there were 19 property owners were present, but no other word was available.

Fire Protection Dues Are Payable

The Walton Volunteer Fire Department fire protection dues are again payable on Friday, Oct. 1.

Chief Charles Worthington said, "As usual, we will try to get bills out to everyone. A lot of paperwork is involved so some may be late. Any member who has received a bill but has already paid for protection through September, 1972, should please disregard it."

Walton's fire protection area is the same as last year with the exception of Froggton Road between I-75 and U. S. 42. If you are in doubt as to whether your area is covered by Walton or any other group, check with the department.

The rates are: \$7.50 for one building; \$15.00 for two or more buildings; warehouses, motels, service stations, etc., will be established by the standing committee. If you have any questions, write, come in or call the fire department at the City Building.

Program at W-V

In observance of "Fire Prevention Week," a program will be conducted at the Walton-Verona High School on Tuesday, Oct. 5th. Mike Jarman and Dean Ward, active members of the Walton Volunteers, will emcee the program assisted by Mr. Conover of the State Fire Marshal's office.

Lawrence McKenney is in charge of the poster contest, and winners will be announced during the Tuesday program.

Safety First—Don't Give Fires A Chance to Start!

Presentation Service at The Wilmington Church

A special presentation service will be held Sunday evening Oct. 3rd at 7:30 in the Wilmington Baptist Church, Fiskburg. The service will recognize the following GA's for having completed all or parts of the mission adventure plan designed for individual achievement in this age group: Christa Spegal, Sherry Drysdale, Becky Menefee, Judy Duncan, Kathy Cressy and Terry Estepe.

The following Asteens will be recognized for having completed the level of Queen under the study act plan: Debbie McNeely, Naisha McNeely, Susan Cooper, Regina Menefee, Robin Cooper, Debbie Wolf, Paula Spegal, Amy Collins, Shirley McNeely and Ada Spegal.

Robin Cooper and Paula Spegal will also be recognized for having completed not only the Queen level but also Queen Scepter.

The public is invited to attend this special service, and to remain for the reception immediately following honoring these girls in the church's Fellowship room.

"Judge, I don't know what to do." "Why, what's wrong?" "Well I swore to tell the truth, but every time I try, some lawyer objects."

FALL FESTIVAL OF TAYLOR MILL PTA

The annual Fall Festival of the Taylor Mill PTA will be held on Saturday, October 2, from 4:30 to 10:00 p. m., in the school.

Mrs. Ozella Perry, dietician; Mrs. James Gregg and Mrs. Jay Henson, social chairmen, will be in charge of the spaghetti supper which will be served from 5:00 to 7:30 p. m.

There will be booths featuring games for all ages, homemade pies, cakes and candies, as well as other handmade articles. Door prizes will also be given out.

The PTA sponsored a "Get-Acquainted" breakfast for mothers of all new and first grade students on Sept. 15 in the cafeteria.

Edgar Baker, principal, along with Mrs. Richard Howard, president, introduced the first grade and new teachers to those present.

Dance at W-V High

Annual Meeting Of PCA, September 30

Carl Walters, manager of the First Kentucky Production Credit Association reports plans have been completed for the Association's annual stockholders meeting to be held in Walton, on Thursday, September 30.

Mr. Walters said this year's meeting would start at 6:00 p. m. and it will be held in All Saints Catholic School on Needmore St., with the meal being served by women of the church.

The local PCA has over \$3,267,000 outstanding to over 700 farmers in Kenton, Boone, Gallatin and Grant Counties.

All members are invited to attend.

Standard Station Robbed

Dave's Standard Service Station on Verona Road at I-75, Walton, was robbed recently. Among the items taken were 20 tires, 7 batteries, 5 cases of oil, and one case of fire tubes.

Most of the tires and batteries were stamped with the words "David N. Welte" on them. If anyone has clues of this crime, Mr. Welte would be glad to hear about them.

W-V Band Boosters Meet

The September meeting of the Walton-Verona Band Boosters was conducted by the president, Mrs. Robert Eisenschmidt.

October 10th is the deadline to get a listing on the birthday calendar.

The annual turkey dinner will be held Sunday, November 14th.

Dates for the band to participate in parades during the month of October are:

October 2—Eastern, Richmond, Ky., Band Day.

October 9—Carrollton Tobacco Festival.

October 16—Morehead.

October 25—Cincinnati, Veterans' Day.

Mr. Layne would invite each parent to be present and support the band in these events.

Wa-Na Club To Meet

The Wa-Na Woman's Club will meet October 7th at 8:00 p. m., in the home of Mrs. Nelson Popham on Bedding Ave. Mrs. Jack Norris and Mrs. David Peebles are co-hostesses.

The program will be a quiz on "How Sensuous Are You?" A question session will be held after the quiz.

The club has place mats for sale. Designs are "Songbirds of America." Call any club member for your order.

OFFICERS ARE ELECTED

The Ladies Auxiliary of the Union Volunteer Fire Department elected new officers September 23 with the following being named, and will take office the second week in November.

Miss Betty Craddock, president; Mrs. Pat Kerns, vice president; Mrs. Helen Fibbe, secretary; Mrs. Bonnie Stearns, treasurer, and Mrs. Frances Clemons, chaplain.

The Union Volunteer Fire Department phone number, for fires only, is 384-3342.

My First Week In the Hospital

By R. V. Lents

EPISODE II

At six o'clock, Wednesday morning I was awakened and served a good breakfast. It was given a barrage of hypodermics. The nurse started to give me some pills. Clowning around, I told the nurse that I would open my mouth and she could pitch the pills into my mouth and I would swallow them. I opened my mouth as wide as the mouth of a five-pound bass and at a short distance she pitched the pills, one by one, into my mouth like pitching baseballs into an empty tilted keg at a carnival trying to win a cupie doll.

I had known my surgeon for a long time and had a lot of confidence in him, because he had the reputation of being one of the

best eye surgeons in Greater Cincinnati. I prayed to the Lord to bless the sick and the afflicted, widows and orphans, and all of whom it is my duty to pray. I prayed that the Lord would give my surgeon confidence, patience, and steady nerves to guide the hand holding the surgical instrument that would take the cataract off my eye.

At eight o'clock I was placed on a carriage and pushed to the operating room and placed on the operating table. The physician gave me a local anesthetic by giving me four injections of novocaine around my left eye. I was aware of everything that was said and done during the operation. I said nothing because I had been instructed not to talk unless the surgeon asked me a question. The operation took about 30 minutes.

I was placed on the carriage, wheeled back to my room, and placed on a nice comfortable bed with a pillow. A small bag of sand was placed on the right side of my head to hold my head in the same position.

I had to remain practically motionless for the next 48 hours. To see that I did not make any improper movements three "baby sitters" women who had been trained to care for cataract patients, sat by my bedside in shifts of eight hours each and one baby sitter was on duty during the remainder of my stay in the hospital from 11 p. m. to 7 a. m.

I was under sedation during the 48-hour critical period, however, I realized what was said and done and talked to nurses, aids, and visitors. I got a big laugh when one visitor asked me if the surgeon inflated my eye before the operation. I said I hope not. You surely mean dilate. He said, "Yes, that's what I mean." My eye was not dilated.

Dance Sponsored by Local Rock Group

On Saturday, Sept. 25, "Cool Heat," a local rock band, sponsored an old fashion barn dance, which was open to the public.

The barn was appropriately decorated for the gala event, the setting was old fashion with hay bales, lanterns, wagon wheels, and horse collars. Tables and chairs were provided by spoils and nail kegs painted redwood.

There was a large crowd present and everyone enjoyed a right of fun.

Members of the group are: Carol Norris, lead singer; John Snowden, lead guitar; Tony York, rhythm guitar; Jerry Karr, bass, and Rick Garnett, drums.

The group will be appearing on Friday, October 1, at Simon Kenton High School, and will be at the Walton-Verona Youth Center on Saturday, October 9.

Rabies A Concern In All of Kentucky

Fall is a good time for increasing awareness of the importance of immunizing your pet against rabies. That's the word from Randal Ritchie, Senior Sanitarian in Boone County. Mr. Ritchie observes that, contrary to popular belief, more infections from rabies occur during cold months than during the summer.

Animal rabies continues to be a public health problem of frightening magnitude in Kentucky. Last year 141 cases of animal rabies were reported in the state, many of the animals having already bit ten humans. Although fewer than one percent of exposed humans who receive treatment die of rabies, the fatality rate for untreated exposures is between 25 and 50 percent.

Dogs and cats continue to be responsible for the overwhelming majority of anti-rabies treatments which must be given to some 30,000 persons each year in the U. S. Rabies is 100 percent preventable in pets and Kentucky law requires that all dogs over six months old be vaccinated.

Mr. Ritchie suggests that in addition to having pets vaccinated, owners of valuable livestock should consider vaccination of their animals. Of all domestic animals, cattle are the most susceptible to rabies.

According to Kentucky law, a dog or cat that bites a human should be captured, confined and observed for a period of 14 days.

Your Boone County Health Department will provide assistance in supplying needed information and shipping specimens to the State Department of Health.

Old lady (witnessing a tug-of-war for the first time): Wouldn't it be simpler, dear, for them to get a knife and cut it?

HEALTHY CHILDREN DO WELL IN SCHOOL

For most young people September brings an important event, the beginning of a new school year. It is a time for making resolutions—to study hard, to do all the homework assigned, to get good grades, and to have a good time.

"But if these resolutions are to be kept, parents will have to help," says Mrs. Edna Risen, nutritionist of the Boone County Health Department, "for only a healthy child can do well in school."

To be healthy, a child must eat well. A good breakfast is a "must" for a profitable day. No matter how peppy a child may seem when he sets off for school, he'll be listless and inattentive before mid-morning if he hasn't had enough food of the right kind for his breakfast.

Observing how many people are going barefoot, or wearing sandals, monk strap boots and high button shoes, my advice is to sell your stock in the shoe lace factory and invest in a firm making corn plasters.

A Tribute To The American Worker

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

Labor Day, the first Monday in September, is a creation of the working laborers who built America. It is a holiday dedicated to social and economic achievements of American workers, and constitutes a yearly national tribute to the contributions they have made to the strength, prosperity, and well-being of our country.

The United States, from the time of the first settlers clearing the wilderness, has been built on willingness to work and the concept of the dignity of the working man. The dignity of honest labor and pride of workmanship always will be a goal to cherish.

In studying the early history of the independent worker, labor, and management, I was always impressed with the significance accorded Labor Day by the Nation.

We should be proud of the fact that no Federal legislation initiated it. It was created by the citizenry through local and State action, in cooperation with industry. Later, Congress honored the working men of the Nation by establishing the observance of Labor Day in 1894—77 years ago. The U. S. Department of Labor came into being in 1913 and there followed a long list of labor legislation which has helped increase wages, improve working condition, and make collective bargaining a ruling principle of industry.

One cannot look back over the past Labor Days without a compelling awareness of the broad and constant improvement in the con-

dition of our people, the real wages they receive, and in the benefits they enjoy. The working man has advanced continuously to new heights of accomplishment. The rise of our level of living—the social and economic progress of the American working men and women—give promise of continuing achievement. American working men and women have been the dynamic force behind the most continuous, widely shared economic advance ever known to any people, anywhere in history.

More than two centuries ago, Voltaire said: "Labor bids us of three evils—irksomeness, vice, and poverty." I wish some of the "free loaders" on the welfare rolls would remember that when they continue to cry more and more tax money for poverty, thus burdening our hard-working taxpayers with a heavier load.

I can think of nothing that will do more to build and rebuild our Nation for the future than an even greater dedication to the principles of the dignity of the working man; for the concept of an honest wage for an honest day's work maintains the freedom and independence of individual workers—and thus the

free enterprise system.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

20 Years Ago . . .

Thursday, September 20, 1951
WALTON—

Mrs. Charles Praither was hostess to the Jean Bach Circle of the Walton Baptist Church, at her home, last Tuesday evening.

Miss Anna Jeanette Ford and Edgar Martin were united in marriage in Covington, Sept. 14th.

Pvt. Harold L. Marsh, Walton, Route 2, recently was graduated from his 8-week basic training course with the 5th Infantry Division at Indiantown Gap Military Reservation, Pa.

Pvt. Eugene K. McCubbin, 19, son of Mr. and Mrs. Roy McCubbin has completed his Air Force basic training in Texas.

Pfc. Hargis Banta has completed his Marine training at Parris Island, N. C., with a good rating, and is now enjoying a leave with his parents and family.

Joe Stephenson, son of Mr. and Mrs. Howard Stephenson, left for Camp Meade, Md., last Friday.

Mr. and Mrs. Hubert Day of Stephenson Mill Road, are the proud parents of a daughter, born last Wednesday at St. Elizabeth Hospital. Her name is Mollie.

Miss Dorothy Hoffman left on Tuesday to attend Asbury College in Wilmore, Ky.

Don Rice and Maynard Meadows left Monday for Georgetown, where they will attend college.

Mr. and Mrs. Joe Dance spent Friday at the State Fair.

Kathleen Flynn was the guest last Wednesday of Paulette Chance. James T. Vest left Monday to attend college at Bowling Green, Ky.

INDEPENDENCE—

Last week, five of our Future Farmers were sent to Louisville to be judged at the State Fair. The following made the trip: Melvin Fisk, Ray Baldwin, Jerry Dixon, David Damon and Bob Kaiser.

Bobby Cornelius, son of Mr. and Mrs. Robert Cornelius, of Fiskburg, was accidentally shot in the foot with a shotgun last Sunday afternoon.

STAFFORDSBURG—

Mrs. Roy Martin and son, Richard, visited Mr. and Mrs. J. J. Barnett, last week.

Mr. and Mrs. Charles Losey entertained the D. C. Dorsey family Sunday with a turkey dinner in honor of their son, Ronald, on his birthday.

Mr. and Mrs. Harley Hanna and son spent Sunday with Mr. and Mrs. W. E. Hanna.

Chester S. Rapp had a party on Wednesday evening celebrating his ninth birthday.

Mr. and Mrs. J. A. Keeney returned Tuesday evening from a ten-day trip to Houston, Texas, to visit their daughter, Mrs. J. W. Fryer, and family.

VERONA

Flonnie Edrington, Reporter

Mr. and Mrs. Winfred and children spent last Sunday with her mother, Mrs. Allie Chandler.

Mrs. Ethel Webster was calling on Flonnie Edrington, last Saturday.

We were sorry to hear of Orville Brown's brother passing away last week. We extend our sympathy to his wife and other relatives in the loss of their loved one. His funeral was held Friday afternoon at the Hamilton Funeral Home, with burial in New Bethel Cemetery.

The book study was well attended Thursday evening. The book was taught by Mrs. Stack from Owen County. All enjoyed it very much.

Mrs. Flonnie Edrington has been suffering with shingles the past two weeks.

Mr. and Mrs. John Scott spent one day last week with their son, Jim Scott, of Cincinnati.

Mr. and Mrs. John Locke and two sons are fixing to move to their new brick home which they bought on Pool Road.

Dewald, Raymond McHale, William Schepher, Fabian Powers, William Letcher, Raymond Dickson, Vernon Stephens, Lloyd Spegal, Anthony Schneider, Virgil Kelly, and John Mutsch.

An interesting feature of the October meeting will be the judging of flower arrangements by the above leaders. Members are to bring them to the home of Mrs. Anthony Schneider on Richardson Road. Her co-hostess is Mrs. John Mutsch.—Pub. Chm.

Oak Island Homemakers

The Oak Island Homemakers met in Fellowship Hall of the Oak Island Baptist Church, Sept. 8th, at 1:00 p. m. Mrs. Donald Dressman, president, presided and had charge of the business session.

Programs for the ensuing year were discussed and leaders for the meetings were selected.

Mrs. Donald Riddell gave the devotional on the theme, "Friendship." She read John 13:12 and a poem, "A Day Worthwhile."

An interesting lesson was given by Miss Elma Taylor on "Arranging of Flowers." Each member brought an arrangement of September flowers. These were exhibited and judged. Each member answered roll call by naming her favorite fall flower.

Those present were: Mrs. Mary Jackson, Mrs. Glenda Jackson, Mrs. Donald Riddell, Mrs. Ben Fennell, Mrs. Leontine Stephens, Mrs. Margaret Rector, Mrs. Pat Noll, Mrs. Elizabeth Barberick, Miss Elma Taylor, Mrs. Betty Gobel, and three children.

The next meeting will be at the Oak Island Church, October 4, at 1:00 p. m.—Club Reporter

Mother (to son returning from party): I hope you didn't ask for a second piece of cake. Tommy: No, I just asked Mrs. Smith for the recipe so you could make some like it. And she gave me two more pieces.

ULH&P To Move Oct. 1

The new \$1,000,000 office building of The Union Light, Heat and Power Company, 107 Brent Spence Square in Covington, is completed and will open for business Monday, October 4th. A dedication ceremony is being planned for a later date.

All activities conducted at the Company's leased headquarters at 7th and Scott Streets, will be transferred, and that building will no longer be used by ULH&P after Friday, October 1st.

GOSHEN HOMECOMING

Sunday, October 3rd will be Homecoming Sunday at Goshen Christian Church, Piner.

The Bible School will be opened by the new superintendent, Milton Jenkins, at 10:00 a. m., with the church service at 11:00.

A basket lunch will be held in the church basement following the morning worship hour.

The afternoon program will begin at 2:30, with Tom and Dian Harrison, song evangelists from Cincinnati. There will be no evening service.

Everyone is cordially invited to attend and enjoy the fellowship.

What Makes A Good Fisherman?

How much of a role does attitude play in a fisherman's ability to catch fish? Is the way you think about fish important to your angling success?

These questions are among those considered recently by the fishing department at Mercury outboards, when they sought to find out just what makes a successful fisherman.

First consideration, they decided, must be given to a fisherman's knowledge of his equipment. If he is proficient in the use of at least one type of fishing gear, whether fly rod, bait casting rod, or spinning rig, then part of the battle is won. With this, of course, must go a knowledge of lures and baits, and how they can be used. Then there is the matter of knowing fish habits, feeding tastes, spawning times, and a multitude of other data about fish behavior.

A third factor is knowledge about a particular body of water. Familiarity with a stream or lake, and its underwater characteristics, as well as other facts such as normal level, temperature, etc., can bring about better fishing.

As a final point, the matter of confidence is important. When pursuing any species of fish, you should be sure in your own mind that the methods you use are good, and that the fish you seek is about ready to take the lure you present.

Now that you've read and considered all these semi-scientific views of what makes a good fisherman, the best advice the lads at Mercury can give is to forget about the reasons why... and just go fishing! It's a lot more fun that way.

Sometimes the average, law-abiding citizen gets the impression that bond and parole are special licenses to try again.

D. Justice Announces His Election Platform

I would like to say that I believe that the City Council has worked hard and spent many long hours on this sewer system. I believe that they deserve all the credit due them. However, I feel that the present proposals are just too much for the people of this community. The working man, trying to pay for a home, support a family and battle the high taxes, can't afford such a sewer as this.

The low income and those on fixed income would be forced to sell or lose their property. Other cities such as Florence, Falmouth, Dry Ridge and Williamstown, to name a few, got sewage and no one was forced out of their home.

In the past months, after talking to local and state government officials, I believe we need to approach this in a different manner. I feel we need to open up different channels and work through them.

I would like to say I would be against any sewer system that does not fit the people's pocketbook.

CITY STICKERS—

I believe that the City Stickers are one of the most mislabeled parts of our city government. It seems that year after year the same old crowd are the ones that pay. If elected, and should the council vote to keep the stickers, I would set up a program that would cover this city to see that they are bought.

Running Mates

Names of the Independent Council ticket includes: James L. Allphin, Lloyd Poore, Robert A. Coyie, Bill Robinson, Maida L. Holder, and Tim Kidwell.

I, Dallas Justice, am a candidate for mayor.

National 4-H Club Week, Oct. 4 to 9

Northern Kentucky's more than 10,000 4-H members will be having a celebration this week—October 4-9. They will be joining the four million members in the nation in observance of National 4-H Week, whose theme is, "4-H Bridges the Gap."

Opportunities in 4-H and the opportunity to join 4-H are greater now than ever before. Young people between the ages of 9 and 19 qualify for membership whether they live on farms, in towns, in cities, or suburbs. In fact, 41 percent of all members are in towns of the 10,000 size.

4-Hers can choose a variety of projects to suit their own needs and interests. The major categories of the projects offered include family living, personal development, leisure education, and recreation, conservation, agriculture, engineering, and management.

4-H is part of the National Educational system of the Cooperative Extension Service in which the U. S. Department of Agriculture, state land grant Universities and counties have responsibility.

Two Hard-Working Girls

Demonstrations are for showing others how to correctly do some certain thing, and Kenton County's Susan Campbell and Lisa West are well on the way to mastering this skill.

Susan, the daughter of Mr. and Mrs. Morgan Campbell, and a member of the Top Hats 4-H Club was awarded second place with her Health demonstration at State 4-H competition.

Lisa is a member of the Discoverers 4-H Club and the daughter of Mr. and Mrs. Robert West. She demonstrated her cooking ability in the State 4-H competition and came in second.

Any youth interested in bowling may come to the bowling lanes on Saturday at 11 a. m. and sign up for the winter league.

New Branch Greet Depositors During Opening

Dawson T. Bagby, better known as "Doc", of Madison Pike in Independence, was the first depositor at the grand opening of the Independence Branch of the Union Savings and Loan Association.

"Doc" settled in Independence in 1921 where he farmed, ran a dairy and later ran a general store for sixteen years.

While at the grand opening, he told Mary Beth Armstrong, who will be working at the new branch office, "I am 82 and still work every day."

Mary Beth chuckled and then greeted Kenny and Alta Gail Back of Green Road.

The directors of the Union Savings and Loan are Dewey Ammon, Don Conrad, George Cook, Charles H. Deters, J. Ben Dean, Robert Hollister, Carl Schmidt, Justice Schindler and Charles Wilson.

The last day of the grand opening celebration will be October 9. You may register for the free color TV until drawing time at 2 p. m. on October 30. Everyone is invited to stop in for a free gift.

Hear Bill Burkett

Rev. Bill Burkett will lead an evangelistic service this Thursday evening, 7:30 p. m., at the First Baptist Church in Walton. Now in full-time evangelism, Bro. Burkett pastored Walton Baptist Church in 1951-52. He is an outstanding soloist as well as a preacher. He has traveled in 20 countries of Europe, South America and the Near East. You are cordially invited to attend.

PTA Meets Tonight At A. M. Yealey

On October 7, at 7:30 p. m. in the multi-purpose room, at A. M. Yealey Elementary School, a PTA program will be presented which should interest all concerned parents. The guest speaker for the evening will be Mr. Charles A. Neff, a reading specialist at Indian Hill School, Indian Hill, Ohio. He is also a lecturer at Xavier University in Cincinnati. His topic will be "Balancing Books on the Tightrope of Today and Tomorrow." He will explain how parents can help their children to be better readers and how to create the framework for a better understanding between parents and teachers of today's reading program.

Everyone is urged to attend. Refreshments will be served after the program.

ANNUAL FARM BUREAU MEETING OCTOBER 12th

The annual Farm Bureau meeting and election of officers will be held at the Duss Smorgasteria (the former Old Farm Smorgasteria) on U. S. 25 near the intersection with Industrial Road, Florence, on Oct. 12th at 6:30 p. m. It will be a dinner meeting and the cost will be \$1.35 each.

C. E. Barnhart, Dean of the College of Agriculture, University of Kentucky, will be the guest speaker. All Farm Bureau members are invited to attend.

A Third Place Finish

The ability to properly operate a tractor is of great importance to many successful farm operations, and 13-year-old Dexter LaFollette is well on his way to developing this skill.

Dexter placed third in the State 4-H Tractor Driving Contest. He was competing with other multi-area winners from all over Kentucky. He is the son of Mr. and Mrs. Raymond LaFollette, and a member of the Piner Clover 4-H Club.

School Of Instruction

The following committee chairman from the Taylor Mill PTA attended the School of Instruction of the Sixth District Kentucky Congress of Parents and Teachers on Sept. 17 at the Church of Christ in Latonia.

Mrs. Richard Howard, president; Mrs. James Lambert, vice president; Mrs. James Havesy, treasurer; Mrs. Charles Hasler, recording secretary; Mrs. Elmer Lea, health and mental health; Mrs. Kenneth Williams, magazines; Mrs. C. C. James, corresponding secretary; Mrs. Donald Wilson, publicity.

Telephone Cables Are Being Shot

Cincinnati Bell would like to change the old saying, "Woodman Spare That Tree," to "Hunter Spare That Cable."

The squirrel hunting season began September 10 and already 18 incidents of cable shooting have occurred in Northern Kentucky and nine in Ohio's Butler County.

Telephone company officials say the cables have not been completely knocked out of service, but some customers have had service interruptions because of the shootings.

So far cable shootings have been discovered in Florence, Erlanger, Falmouth, Bromley, Alexandria, Warsaw, Williamstown, Walton, Butler, and Independence, in the Northern Kentucky Area and at Seven Mile, Rely, Shandon and Hamilton in Butler County, Ohio.

The accidental shooting of telephone cables seriously damages vital communication links for the rural residents, on whom the hunters must depend for hunting privileges. Be careful!

Church Loyalty Month

October has been designated as "Church Loyalty Month" at Walton Christian Church. Last Sunday was installation of officers. This coming Sunday, October 10th, will be a covered dish dinner with a special program immediately following morning worship services.

October 17th will be Visitation Sunday; October 24th, Church Roll Call and October 31st is Youth Sunday.

Literary Club to Meet

The Walton Woman's Literary Club will meet October 13 at 2:00 p. m., in the Walton Christian Church.

Hostesses will be Mrs. J. C. Maybough, Mrs. W. W. Rouse and Mrs. John Campbell.

Mrs. Margaret Daugherty Green will be the speaker. Her topic will be, "Come Home, Be My Guest," and is expected to be quite interesting. Guests are welcome.

His Land, What Is It?

It is a movie produced by Billy Graham, a narrative of a trip to the Holy Land. Cliff Barrows, song leader for Billy Graham, and Cliff Richard, England's Pop Star, are featured. Produced in color, it will provide almost "a personal visit" to Israel—His Land!

See it in the Walton First Baptist Church on Sunday evening, October 31. You are invited to come and enjoy the evening.

Union Fire Department To Have Fish Fry Saturday

The Union Volunteer Fire Department is having a fish fry this Saturday, October 9th at 4:30 p. m. at the fire house.

The menu will consist of fish, cole slaw, french fries and coffee. Also, homemade pies and cakes will be available.

The Ladies Auxiliary is holding a linen social on Tuesday, October 12th at 7:30 p. m. at the fire house.

Information Requested

The Advertiser received a call on Monday of this week, seeking information regarding relatives of William Norman, recently deceased at age 90 in New York. Mr. Norman was a resident of Walton sometime ago, it seems, and now no one knows the whereabouts of any relatives.

Any reader who has any information that might be helpful may write to: Everett Cain, 204 Avenue A, New York, N. Y. 10009.

Volts Hold Open House

In observance of Fire Prevention Week, the Walton Volunteer Firemen are having open house the remainder of this week.

Local kindergarten groups were visitors at the firehouse earlier in the week.

Stop by and see the fire-fighting and life-saving equipment at the fire house on Main Street at the city building.

Editor Misses First Issue

For the first time since buying the Walton Advertiser in December of 1962, Malcolm Simpson, editor, has missed a few days work because of illness. He came down on Saturday with tendinitis. He expects to be back on the job later this week, but needless to say, he is missed at the time of putting the paper to bed.

ANNUAL CHILI SUPPER SET FOR OCTOBER 8th

The annual chili supper and festival, sponsored by the Kenton Elementary PTA, will be held on Friday, Oct. 8, from 5:00 to 9:00 in the school at Independence.

President, Mrs. Ray Baldwin, has appointed Mrs. Frank Egger, Mrs. Lloyd Brueckner, Mrs. Jack Lane, Mrs. Eugene Parsons, Mrs. Albert Cain, and Mrs. Robert Myers to serve as committee chairmen for the evening's affair.

The menu will include chili, chili spaghetti, fish sandwiches, hot dogs, salad, and homemade pies and cakes.

Games and booths will be available in the gym. Door prizes will be drawn throughout the evening with the major prize an 18-inch portable television.

This is the major fund-raising event of the year. Everyone is invited to attend for a delicious meal and an enjoyable family evening that will support the school through the PTA.

Home Nursing Courses

Area homemakers and expectant parents are advised of six Red Cross home nursing courses scheduled to begin this month at the Memorial Building, 720 Sycamore St., Cincinnati.

The first of four "Mother and Baby Care" classes will commence Tuesday, Oct. 19, with similar classes beginning Oct. 20-21-25.

Two "Care of Sick and Injured" training courses include a daytime class beginning Wednesday, Oct. 20, 10 a. m. to 12 noon. An evening class will get underway Friday, Oct. 22, 7:30 to 9:30 p. m.

All classes will meet once a week for six weeks under the supervision of a specially trained Red Cross nurse. Call 721-2665 to enroll for any of these classes.

BAPTIST WOMEN MEET

The Baptist women of Wilmington Baptist Church, Fiskburg, met at the home of Mrs. B. N. Spegal on Sept. 9th. The meeting was called to order by the president, Mrs. Lyle Spillman.

Mrs. James Bailey was in charge of the devotional, I Sam. 1:12-33, and led in prayer for missionaries and leaders in the State of Kentucky in our churches. Silent prayer for the sick and the boys in service was closed by Miss Nancy Culbertson.

Minutes and treasurer's report were read and approved. Roll call with ten members answering with the name of a county or mission work in the State of Kentucky.

Report of committees and our business session was in charge of Mrs. Bailey which was our State Missions in Kentucky, with all talking part, which was very interesting. Prayer by Mrs. B. N. Spegal closed the session.

Refreshments were served to the following: Mrs. Bob Cooper, Mrs. Sherry Burkhardt, Mrs. Wayne Adams, Mrs. Keith Cressy, Mrs. Lyle Spillman, Mrs. James Bailey, Miss Nancy Culbertson, Mrs. Wendel Bridges, Mrs. Minnie Mann, and the hostess, Mrs. B. N. Spegal.

The next meeting will be held on October 7 at 7:45 p. m., in the home of Mrs. Minnie M. Mann. All ladies of the church are invited, and visitors are welcome.—Reporter

Boone DAR To Meet

Boone County Chapter Daughters of the American Revolution will hold its October meeting at the Boone County Health Department building, on Woodpoint Drive at 7:30 p. m., October 6th.

Miss Laura Dickinson, State Regent, will speak on "The Continental Congress and Our Flag."

First Ky. P. C. A. Has Annual Meet

The annual meeting of stockholders of First Kentucky Production Credit Association was held last Thursday evening at All Saints Church, Walton.

Gerald Penick, chairman, presided, and Father Tenhundfeld opened the meeting with prayer. Carl Walters, manager of the Walton office, welcomed members and advisory board committee; Wilfred Scott, Field Representative in the Walton office, welcomed the guests.

Due to the illness of Director W. C. Gatewood, Leslie Herbst, vice president, gave the directors' report. Highlights were: A patronage refund resolution adopted so excess net earnings could be paid back to members; approval of reducing interest from 7.75 percent to 7.50 percent, effective on March 1, 1971; approved reducing interest from 7.50 percent to 6.75 percent, effective May 1, 1971.

Many new services offered by PCA, according to Edwin Orem, which will be explained at your local office.

Carl Walters explained growth of the Walton office, now in second place in growth. It is due, he said, to the people in the area.

Two in the local office received service pins. Gwendolyn Soden, a gold bracelet for one year, and Mr. Walters a gold tie pin for five years.

Gerald Penick reported the nominating committee had selected Sam K. Crawford of Shelby County, and Leslie Herbst, Pendleton County, as board members, and they were accepted.

After dinner the Walters Gospel Trio entertained with several songs. Brenda Pyles also entertained with guitar and solos.

A delicious meal was served by ladies of All Saints Church. The session was dismissed with prayer by Orsborne Silvers.

Layman's Day at Walton Methodist

Layman's Day service will be conducted on Sunday, October 10, at Walton United Methodist Church. Many of the 40,653 United Methodist Churches will be joined by churches from other denominations in observing this day as a special celebration of thanks to God for giving Christ to the world.

The subject this year is, "In the Interest of Others." To a great extent our belief in Christ is expressed in our relations with others. Sometimes we are caught up in this rush-a-day world to the extent that we become loners, not concerned with the needs and problems of others.

As men, women and youth participate in the Layman's Day service they are saying that each one has a contribution to make to the growth of the church.

A special offering will be taken in Methodist Churches throughout Kentucky for a new Retreat Center at Alderage Camp at Fitchburg, near Irvine.

Twenhofel PTA To Hear Asst. Supt. Barnes

The first meeting of the Twenhofel PTA will be held at the school on Monday, October 11 at 7:30 p. m.

Mrs. Robert White, president, will preside. Guest speaker will be Robert Barnes, assistant superintendent of Kenton County. The topic will be "What's Going On in Our Kenton County School System."

Twenhofel had four representatives at the September 20th Kenton County Council meeting. They were Mrs. Hall, Mrs. White, Mrs. Kelly and Mrs. Gadd.

Hospital Administrator

The Booth Hospital Advisory Council has been notified of the election of Col. Evelyn Skinner, administrator, to full membership in the American College of Hospital Administrators.

James C. Ware, council president and vice president of the First National Bank, Covington, made the announcement.

The Parking Meter Changes Explained

"Many complaints and some hard feelings have been experienced by city council members since some changes have recently been made along some of the city streets in regard to parking and parking meters. The following letter and report may help clear up some of the misunderstandings in this regard. We feel that these changes were made for the betterment of our city now and in the future. Sincerely, Mayor Guy Carlisle."

The following report came from B. R. Flenner, Director, Division of Traffic, Department of Highways, Frankfort.

November 23, 1970; Greater Walton Businessmen's Association, PO Box 123, Walton, Kentucky 41094

Gentlemen: Enclosed are copies of a parking survey for the City of Walton. This survey was made by the Highway Department at the request of City Officials and your organization.

At the time this request was made, I understood that Walton was considering building an off-street parking lot, and several suggestions regarding this are made in the report.

Should the city decide to follow the parking restrictions in the report, the Kentucky Department of Highways will furnish signs (restricting parking) and curb striping.

I trust that you will give some copies of this report to your City Officials.

"The following traffic and parking study for the City of Walton has been made at the request of the Greater Walton Businessmen's Association and City Officials.

"No observation or recommendations have been made concerning the relationship of traffic on Main Street or parking to the proposed connector route between U. S. 25 and I-75 since this route is still in a preliminary planning stage and, to date, no definite corridor for this route has been selected.

"There is one main route through the City of Walton—U. S. 25 or Main Street. This street must be used by through motorists not traveling Interstate 75 and by everyone shopping or doing business in the stores in the business district.

"The main obstacle to a smoother flow of traffic in the downtown area of Walton are the double parking of cars, and the improper parking of trucks while loading and unloading. Both of these can be corrected to an extent, by a small expenditure of funds.

Most of the interruption of traffic caused by trucks is due to a lack of loading zones. This congestion could be greatly relieved by the establishment of three loading zones. To accomplish this, very few, if any, existing parking meters would need to be removed. The three proposed loading zones are as follows: (1) On east side of U. S. 25 immediately south of High Street (existing); (2) On the west side of U. S. 25, north of Depot Street, 40 feet, and south of Depot Street, 40 feet; (3) On the west side of U. S. 25, in front of the Walton Garage, 110 feet.

An inventory of all existing curb parking in the downtown area was conducted. Also, the use of all curb parking in the downtown area was conducted on Fridays. From the inventory and use study, it was possible to determine several characteristics relative to parking availability and demand.

It was found that there are 58 metered parking spaces in Walton. A few of these meters are not in working condition.

On a typical Friday, it was found that 70 percent of these metered spaces were in use. This percentage would most likely be lower on other week days and higher on Saturday. Therefore, Friday was chosen as representative.

Of the metered spaces in use, 52 percent of the meters were on "violation." Also, it should be noted that most of the before-mentioned loading zones had cars parked in them.

From the above data, several conclusions may be drawn.

If the City of Walton were to build an off-street parking lot, with parking meters, it would produce very little revenue. However, this (proposed) parking lot could produce quite a bit of revenue if: (1) It were located near the center of the business district—i. e. the Depot-High-Main Street area; (2) Most of the existing parking meters were removed, and those remaining were changed to shorter term parking, i. e. one-half hour or one hour; (3) 10 or 15 remaining meters should also be in the Depot-High-Main Street area; (4) Parking regulations are enforced.

THE PRAYER AMENDMENT

By Gene Snyder

The House of Representatives by a discharge petition overrode its House Judiciary Committee on September 21 to force a proposed constitutional amendment to the House Floor for a vote.

Its passage in the House is virtually assured since the bill would come to the Floor by use of the discharge petition which required 218 signatures of the Members.

From the days of our Founding Fathers, reference to Almighty God has played an important part in our Nation's history. Both the Declaration of Independence and the Constitution of the United States contain references to God. Over the years, prayer and Bible reading in our public schools have been as basic a part of our public school's opening exercises as the Pledge of Allegiance to the flag.

The opponents of the proposed amendment have charged that those who believe in such an amendment are political demagogues. In my opinion, Members of Congress who have offered resolutions similar to mine are merely expressing the will of the overwhelming majority of the American people.

As I said on the House Floor several years ago, I am a firm believer in the separation of

Church and State—but I do not believe in the separation of God from State. As a matter of fact, there are a growing number of people who subscribe to the idea that it is a basic American principle to believe in God.

This is a real first-step victory for the prayer amendment. Throughout our history, the conscience of the people has been demonstrated to be stronger than any moral forces in America. I am confident American people have faith in their sacred institutions. I would, therefore, reply to the indifference and callousness of the opponents to the Constitutional amendment by saying that our people do not need protection from the truth—the American people believe in the truth imprinted on our coinage: "In God We Trust."

When the prayer amendment passes the House, I hope every reader of this column, his friends, and family will write in a great letter campaign to the United States Senate to urge its swift passage.

CARD OF THANKS—

We would like to express our appreciation to those who showed kindness and helped so much in the passing of our loved one. Especially do we thank Dr. Huey, Dr. Waller, Rev. C. G. Dearing and Chambers and Grubbs and all the other friends and neighbors God bless you.

Buckaroos 4-H Club

A meeting of the Buckaroos was called to order by the president, Darlene Smith, on September 16, at the home of leader, Renate Burden.

Seven members and three visitors were present. Last month we were told to study the parts of the horse. This month we had a quiz, and five members made a perfect score. We welcomed to our club, Sheila Crawford. The Buckaroos donated \$6.00 to Muscular Dystrophy.

We had a very good day at the Ridgeway Show. Darlene Smith, first and third; Rebecca Burden, fourth; Tina Burton and Melinda Burden, second.—Reporter

COLOR CREST STUDIO

PAUL J. KIRST, Owner

"Go with a winner when it comes to prized photographs of your loved ones."

Paul J. Kirst, owner of the fine COLOR CREST STUDIO, located at 26 North Ft. Thomas Ave., in Ft. Thomas, is a winner in every sense of the word. Here are some of the awards he has won: At the 80th Annual PPA Exposition, "Best Wedding Photo Award." The recent exposition at Indianapolis, Ind., he received winning awards on three of four photos entered. At the Kentucky PPA, Mr. Kirst received winning awards on five of six photographs entered.

For the bride and groom they offer a service that is a necessity. The wedding album is a must if you want the memories of that "day" to live forever. (Mr. Kirst is instrumental in at least four Bridal Shows a year.)

The "moment" at COLOR CREST STUDIO can help you select your photographs and album. Work out the details when you stop here and you will see why they have achieved the awards that they have received. HERE'S A BONUS YOU SHOULD NOT PASS UP! This fine studio will allow you a generous 10% discount on all WEDDING INVITATIONS and CUSTOM FRAME work, when you present this article to them.

The authors of this, our 1971 COMMUNITY SPOTLIGHT edition, recommend that you contact COLOR CREST STUDIO for all of your photography needs.

KENTON COUNTY MOTORS

JOHN D. BREEDEN, Owner

"The authors of this 1971 COMMUNITY SPOTLIGHT issue would like to point out a dealer in this area that can offer you the most important point in your purchase of an automobile. That is SERVICE!

In today's fast pace of living, when we are offered automobiles from so many different companies, and each company offers a wide selection of models, styles, colors and accessories, it becomes difficult to decide where to buy your car.

As all the cars on the market today have their good points or they would not have survived the fluctuations of the business. THE REAL DIFFERENCE in buying a car today is the dealer's reputation where you buy your car.

You want to buy your car from the dealer who can offer you a fair price on your new car as well as an honest trade-in value for your old car. The most important consideration you must consider is the service you will receive after the sale, year after year.

The authors of this COMMUNITY SPOTLIGHT edition wish to point out our recommendation to KENTON COUNTY MOTORS at 5323 Madison Pike in Independence, phone 356-3166, a dealer for the famous CHEVROLET AUTOMOBILES.

See them TODAY for a quality "OK" used car or a new "CHEVY" and you will see why "Customer Satisfaction" is their byword.

My First Week In the Hospital

By R. V. Lents
EPISODE III

Friday morning, I was awakened by the rattle of dishes and loud talking in the hall. The first thing

that came into my mind was that an earthquake had hit. Los Angeles, Calif. was having several quakes at that time. On second thought I realized that I had not felt any irregular movement of my bed and decided surely it was not an earthquake. My breakfast was brought to me, I asked the aid what was all the excitement about in the hall? She told me that

some of the dishes had shifted in a cart that was bringing food to the patients.

During my stay in the hospital I had several dreams. The most outstanding dream, that I was sitting in the grandstand at Freedom Hall in Louisville, cheering basketball coach Adolph Rupp's University of Kentucky Wildcats. Someone said, "What's going on here?" I was lying on my back and must have been having a nightmare.

After lunch I was lying in bed thinking and planning how I could cheer up the nurses and other aids who were working so hard attending to their patients and trying to

comfort them as much as possible. I decided to give the nurses and other hospital aids who came into the room to give us medicine and attend to our needs a series of seemingly foolish questions.

The first question was what is the smallest human being in the world called? The answers I received were: "Lilliputian, midget, pygmy," and some answered, "I don't know." No one had answered the question correctly, because the smallest human being in the world is a baby. The second question, is it true they kill kids in France, skin them, and make their hides into gloves? All answered, "Of course not." Kids are not children. Kids are goats, and they do kill them in France, tan their hides, and manufacture them into kid gloves. Grenoble, France is noted the world over for the manufacture of kid gloves. The next question I asked, is it true that whales give milk? "No," was their answer, and some said, "If they do give milk, what would they do with it?" Whales do give milk. They suckle their young, known as calves.

I changed my line of questioning and gave them a problem to solve. If a frog were in a well 30 feet deep and every time the frog jumped up three feet it fell back two feet. How many jumps would it take the frog to get out of the well? All the answers I received were thirty jumps, but 30 jumps is incorrect. It took only 28 jumps because the frog jumped out of the well on the 28th jump and did not fall back. All the people that were asked the question seemed to enjoy them.

(Continued Next Week)

Modern Miss: Mother, did you ever flirt when you were young?
Mother: Yes, dear, I'm afraid I did.
Modern Miss: And were you punished for it Mother.: Yes, dear, I got married.

The reason some people don't recognize opportunity is because it usually comes disguised as hard work.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The year 1971 has turned into months, the months into weeks, and the weeks into days until we find our Boone-Kenton Crusade has become another great historical first for our area. The preaching of Walt Brashier and the singing of Dee Wayne White were superb. You could have searched this wide world over and could have not been blessed any more than all of us who attended the Crusade. In spite of the weather we held all but the last meeting in the Stadium; however, at 7:23 p. m., Saturday evening, the last day of the Crusade the threatening clouds turned into a reality

as the rains came down in the proverbial "buckets" and the Crusade was moved into the Hickory Grove Baptist Church. Many decisions were made during the week and many people were blessed. The losers were those who did not come to at least one service. They had their opportunity to find Jesus Christ; and now they stand before Jesus Christ without excuse. We appreciated the help of all the pastors and members of the churches involved for making this Crusade such a success. We do not have the complete report at this time; however, we will give the report in this column just as quickly as we receive it. But God should receive all the glory on behalf of His Son Jesus Christ, who died for our sins, that when we profess Him and Possess Him in our hearts, and come to know Him

as our Lord, Saviour and Master, then all is well in heaven.

At New Banklick Baptist Church the Evangelistic Crusade was just the beginning of great joy. Sunday following the close of the Crusade was our homecoming day at our church. People, people, people from everywhere came to make this the greatest homecoming in our church's history. The morning service began with a smashing crowd of 278 to hear the beautiful singing of the Southern-Aires Quartet of Dayton, Ohio; and the Divinely inspired message of former pastor, Don Davidson. There were decisions made for repentance, re-dedication and others by several people. The Lord used this service for His purpose. Then following the preaching service we had a delightful lunch, and, we might add, this was one time when very little food was left. In fact, we gave out most of the vegetables before half the serving was completed. We served over a 100 more than had been planned by our ladies. The meal was delicious and our ladies are to be congratulated for a job well done. A great debt is owed the Special Days Committee, under the leadership of Mrs. Louise Mercer. Others of the committee are: Mrs. Margaret Kanatzer, Phyllis Elam, Dorothy Anderson and Jackie Perry. After lunch came the afternoon singing, featuring the Southern-Aires. Our church provided the singers for the intermission. Those who par-

ticipated were: the Adult, Youth and Junior Choirs, the Spiritual-Kadettes, the Spiritual-Heirs, and a special by Mrs. Katherine Hoperton. The house was packed with the need for chairs in the aisle and front. The ushers stopped counting when they reached the 400 mark, and people kept coming, and some left, because of the lack of viewing space. Over 21 churches of all denominations were represented. Cars were parked in every available foot of space on both sides of the Banklick Road in both directions. We were informed that this was the greatest attendance in the history of our church. We give the glory to our Lord; however, we do want to thank each and everyone involved with our publicity and mail-outs for a job well done. It does pay to advertise for Jesus!

This pastor and writer wants to share with all of our readers something very dear and precious to us. Seldom does this preacher attend local revival repeatedly. We find that the real evangelistic zeal of the Holy Spirit is missing in most preachers, when it comes to real evangelistic preaching, and this includes this writer; however, this past week we have attended almost each and every service of the Oak Island Baptist Church's revival. We have really been impressed with the dynamic evangelistic preaching of their evangelist, Brother Jerry Ennis, pastor of the First Baptist Church of Walton. We have not heard such Spirit-led preaching from today's pulpit by any pastor as we have enjoyed each night by Brother Jerry. We cannot help but feel that this young man has been filled with a special function of the Holy Spirit from on high. Some of you might say, "ah

yes, he is dynamic right now, but just you wait until he ages a little. After all, he has youth on his side." To this we must add, "but we see 'youthful' preachers coming out of our colleges and seminaries by the hundreds every year, and seldom do you find one with the Holy Boldness of Brother Jerry."

If you are not ready to believe this writer than we invite you to do and hear Brother Ennis at the First Baptist Church of Walton, straight through town from the West, and past the I-75 Exit from the East, on Main Street, across the street from the Walton Post-office and find out for yourself.

We would say that he is a future Spurgeon or Moody in this dark and evil Twentieth Century. We highly recommend him for evangelistic work in any church that is ready to hear the Word of God preached as it is. Brother Bill Garrison, pastor of Oak Island, will verify what we have written.

Give Brother Bill a call and, then give Brother Jerry a call to preach your next revival, and let the Holy Spirit take it from there.

New Banklick Baptist Church is the place where friends are made at the first meeting, and where the sinner meets Christ. Give us a try and see!

A 'PECULIAR PEOPLE'

Lesson for October 10, 1971

Background Scripture: Exodus 19,
Peter 2:1-10.
Devotional Reading: Matthew 16:10-20.

"But ye are a chosen generation," says the King James Version of I Peter 2:9, "a royal priesthood, a holy nation, a peculiar people..."

Yes, Christians have often been thought "peculiar," but that's not what the writer of I Peter has in mind. It was not his intention to say that Christians were "odd" or "strange," but, as the Revised Standard Version puts it, "God's own people," or Rev. Althouse "a people claimed by God for his own" (New English Bible). What makes them "peculiar" or sets them apart from other people is that they have been chosen by God for a special relationship with him.

The great privilege

The people of Israel gloried in the fact that they were God's "chosen people." Often it gave them a tremendous sense of pride and, not uncommonly, a sense of superiority. What a singular privilege to be elected by God for this place position of special status!

Unfortunately, this line of thinking was not very beneficial to the Hebrews. They thought of their election in terms of status. Yet it was not status, but responsibility that God had in mind in electing them. True, being God's people was a privilege, but much more than that it was a responsibility, a task to perform, a mission to accomplish. They were chosen, to be sure, but they were chosen "that you may declare the wonderful deeds of him who called you out of darkness into his marvelous light" (2:9).

The great responsibility

Protestants have often spoken of "the priesthood of all believers" in that same erroneous manner, as if it means that each man is his own priest. But what this universal priesthood really means is that each of us is a priest, not just for himself, but for others. As the late German theologian, Paul Althaus, has written: "Universal priesthood" definitely does not mean an individualistic dissolution of the church as a fellowship. It is just the opposite; it is the binding of every member to every other member in the inner structure of the fellowship. Priesthood, in the Reformation sense, means the 'communion of saints'."

So it is with Christians today. What should make us "peculiar" or identify us as God's special people is a reflection upon the purpose for which we have been called, not our own worthiness. What makes us unique is that we know we have tasted the mercy of God. "Once you were no people but now you are God's people; once you had not received mercy but now you have received mercy" (2:10).

It's after hours. Yet most of the windows are bright. Perhaps the cleaning crew is at work, or a few executives catching up on their mail.

Whatever the reason, the lighted windows glow with purpose. The dark windows are blank, austere and forbidding. What difference one flick of a light switch can make!

People are like the windows of this building. Some, radiant with the joy of living, find days full, happy and useful. They are fun to be around. Others, gloomy and sad, find life lonely and meaningless. Their company is tedious.

What makes the difference? Where can you turn if life seems troublesome? You can't flick a switch to change an attitude.

The secret is in your church. Worship and study there, and welcome the living presence of God into your heart and mind. Your whole life will be lighted and your days filled with new happiness.

PARKING METERS (Continued from Page One)

If not off-street parking lot is to be built, a better turnover of business customers may still be realized by converting the meters in the center of the business district to shorter term parking. This will encourage long term parkers to park outside of the core area, and will free the spaces they are presently using for the average or short term parker who wants to do business in this area.

It is felt that the flow of traffic in Walton would be improved if

the City affected the above proposals.

Of course, no traffic or parking regulation or restriction can be effective if it is not properly enforced. At the present time, Walton has an enforcement problem, as do many small towns. An effort would have to be made to correct this before any of the proposed improvements could be effective.

There's no justice. If you make out your income tax correctly you go to the poorhouse. If you don't, you go to jail.

TEL-STAR 4-H CLUB

The Tel-Star 4-H Club met on Thursday, Sept. 23 at the home of Kim Works. The meeting was called to order by the former president, Kim Works. Pledges were given and the meeting was underway.

The club first voted in the new members and then elected new officers. The new officers elected were: Cheryl Lewin, president; Kenny Dixon, vice president; Rhonda Davis, secretary; Regina Wayman, corresponding secretary; Jan Lewin, reporter; Rusty Stevens, song leader; Susan Campbell, recreation leader.

Mrs. Works, leader, gave out ribbons to members who won at the Kenton County Fair. Doug Lewin got a purple for woodworking and went to the State Fair and got a white ribbon; Rhonda Davis got a red for both apron and cookies and a white for her horse; Donna Rhodes got purple and blue for advanced dress and went to State Fair and got red; Regina Wayman got blue for apron, red for cookies, and white for flowers; Kim Works got champ and blue for her skirt, white for cooking, in vegetables she got five blues, 2 purple, 5 red and 5 white and for horse and pony she got blue and white, and at State Fair 2 red, white and blue ribbons; Jan Lewin got red for cookies and red for apron; Cheryl Lewin got blue for her pillow and for sewing she got blue for play clothes, and last, Tel-Star got champion for their record book.

After the ribbons were given out the skating party for October 5, and National 4-H Week for posters were discussed. The style show for 4-H'ers, Nov. 4, was also discussed.

The club also did a very thoughtful thing. They made a sunshine basket for Cheryl Lewin who was sick in bed. We all hoped she would be well soon.

The meeting was adjourned by Jan Lewin and all said goodnight. —Reporter

We were shocked to hear of the sudden death of Mrs. Roy Payne. She was our neighbor for several years and the entire community joins in extending deepest sympathy to Mr. Payne and the children.

Mr. and Mrs. Buzz McClure of Latonia have purchased the Burke property at Whites Tower.

Mrs. Roy Martin, Mrs. Richard Martin and little son, Ryan, called on Mr. and Mrs. J. J. Barnett on Wednesday afternoon.

Mr. and Mrs. Chester Rapp entertained with a family dinner one evening last week in honor of Mrs. Georgia Rapp's birthday.

Mrs. Georgia Carpenter's father will enter Veterans' Hospital in a few days. We wish him a speedy recovery.

Mr. and Mrs. J. J. Barnett were guests Tuesday evening of Mr. and Mrs. C. L. Barnett of Coleman road in Ryland Heights.

Mrs. Lillie England is still in the hospital but hopes to be home soon.

Independence Homemakers

The Independence Homemakers met Sept. 21 at 7:30 p. m. with Mrs. Ollie Nienhaus, 5204 Belle Drive, Independence.

There were two visitors welcomed, Mrs. Robert Cotton of Covington, and Mrs. Luke of Independence.

Mrs. Robert White gave the devotional, reading a poem by Helen Steiner Rice, "Thank God for Little Things." Mrs. Charles Davis also read a poem by the same author, "Prayers Can't Be Answered Unless They Are Prayed."

The lesson, "Flower Arranging" was given by Mrs. Carl J. Hellmann. Special emphasis was given to selection of containers, not crowding arrangements, and different designs of flower arranging. The ladies were advised that "practice makes perfect."

The October meeting will be on the 19th at 7:30 p. m. Hostess is Mrs. Carl Hellmann. Visitors are welcome. Lesson for this meeting, "Personal Grooming." —Pub. Chm.

Birthday Is Sunday

John Klein of Riggs Road will observe his 88th birthday on Sunday, October 10th. Mr. Klein was born in Kenton County and has lived his entire life here.

He was a rural mail carrier for 31 years. His wife, Mable Riggs Klein, passed away in 1963.

Helping observe his birthday will be his four children: a son, Roy B. and three daughters, Mrs. Viola Watson, Mrs. Loretta Richardson and Mrs. Lorena Martin, all of Independence.

A veterinarian quit his practice and successfully ran for the legislature. One day, in the midst of a bitter debate, an opponent asked with a sneer: "Isn't it true that you're actually an animal doctor?" "Indeed it is," he replied. "Are you ill?"

CARD OF THANKS . . .

I would like to express my sincere appreciation to the people of Walton for their prayers, cards and many acts of kindness shown to me and my family after my accident. Your concern will always be remembered. I thank you all very much.

COUNTY AGENT'S 1/2 ACRE

—by—
JOE CLAXON

Fall is an ideal time to get much of your fertilizer applied—not only for fall-growing crops but also for crops to be planted next spring. Pull soil samples now to have it tested for determining lime, phosphate and potash needs.

Fall fertilization is a sound, economical, management practice. Fields on which fall-planted or fall-growing crops are located should be limed and fertilized as necessary to get top production. And, since lime, phosphate and potash do not leach, they can be applied in the fall for next spring's crops.

Fall application of lime, phosphate and potash for spring planted crops has several advantages. Generally, lime applied in the fall will correct soil acidity before spring plantings are made. Weather conditions are usually better for getting spreaders on fields during the fall, lessening the risk of compaction.

And, if you wait until spring to fertilize, you risk not getting the job done, because, in Boone County rainy days are much more likely during spring planting than in the fall. Perhaps the greatest value, though, is the time you'll save next spring. Fall fertilization gets one other job out of the way which would otherwise have to be done in the spring, when the main objective is to get seed in the ground. Spring is the rush season for fertilizer dealers, too, and in spring, you can't always get what you want from dealers, exactly when you want it. Fall fertilization also spreads out production costs over a longer time period.

While lime, phosphate and pot-

ash can be fall applied for next spring's crops, fall use of nitrogen should be restricted to those fall-growing crops which need it—small grains and grass pastures. Small grains should receive 30 pounds per acre of elemental nitrogen at seeding and an additional topdressing of 30 pounds per acre around the first of next March.

Howard Hamilton.

1967 and 1970 state horseshoe champ

Howard Hamilton, Georgetown, Ky., won the 1967 and the 1970 Kentucky state horseshoe pitching championships.

Winning the state tourney isn't the easiest chore for any pitcher. Besides all the competition and the nerve-racking tension, a state winner will walk four miles, bend over 1,200 to 1,500 times and pitch six tons of forged steel (horseshoes weigh two and a half pounds each).

Boone Jail Issue Up to the Voters

Boone County voters will decide November 2nd if they want a new jail and are willing to pay for one. For years each grand jury has inspected the antiquated jail in Burlington. And each grand jury has urged the Boone Fiscal Court to replace the old structure.

Their admonitions were strengthened when nine prisoners cut their way to freedom from the old jail last fall.

Fiscal Court has not opposed construction of a new jail, but cited that money to build it simply was not available out of present revenues.

Now it has been decided to put the matter before the voters. It will take approval by two-thirds of those voting to pass the issue.

The question will be whether the county is to issue bonds for \$625,000 to finance the building. The planned structure will include a headquarters for Boone County's growing police force as well as a jail.

A big question among voters will be how much it will cost. Fiscal Court, working with its fiscal agent, has come up with the following answers:

1. For a property owner with \$5,000 of assessed property, the cost would be \$1.29 a year.
2. On \$10,000 of assessed property, it would be \$2.58 a year.
3. At the \$20,000 figure, where many home owners would be, the cost is \$5.15.

Location for the new police-jail building has not been determined, pending outcome of the balloting on November 2.

Simon Kenton FHA Alumnae Meeting

On Thursday, September 16, the Simon Kenton FHA Alumnae met at the Mike Fink Restaurant on the Ohio River, Covington, for dinner and an evening out.

After dinner, the group went to Cincinnati to see the movie, "The Summer of '42."

The evening was enjoyed by the following: Mrs. Helen McElroy, Judy Schiedler, Sandy Richardson, Judy New, Pam Barnes, Ginger Bailey, Judy Coffey, Marilyn El-tison, Beth Halsey, Toni Lichter, Barg Mats, Arlene Porter, Carol Reed, Verna Wagner, Marilyn Young, and Pat Ledford.

The next get-together of the alumnae will be on Thursday, Oct. 21, at 7:30 p. m., in the RECC Building. The program will be the making of Christmas decorations.

Verna Wagner will teach the group how to make Christmas tree ornaments and will be bringing all the needed supplies.

All active and inactive members are urged to attend this October meeting and the welcome mat is out to eligible new members to come and join in the activities and meet former schoolmates.

Walton OES To Meet

Walton Chapter, No. 161, OES, will hold its regular monthly business meeting on Monday, Oct. 18 at 7:30 p. m. All members are urged to be present, and visitors are welcome.

TEA AT WOODPOINT

The Woodpoint Auxiliary is giving a tea Sunday, October 17, from 2:00 to 4:00 p. m., at the Boone County Health Department Building on Woodpoint Drive, Florence, to honor the volunteer workers at Woodpoint. If you appreciate the efforts of these workers, who give so freely of their time, please attend and show them your gratitude.

Mrs. W. R. Belcher, Walton, is chairman of the tea, and serving with her are Mesdames Floyd Roberts, Lloyd Watson, Robert Howard, Floyd Tate, James Tulley, Wayne Winstead, L. L. Franks and Mel Shoemaker.

SOCIAL AT ALL SAINTS

The regular monthly social at All Saints Church will be held on Saturday, October 16 at 8:15. You are invited to attend.

NEW BETHEL REVIVAL

New Bethel Baptist Church in Verona is having a youth-led revival conducted by a youth team from Cumberland College. Perry Sears will be leading the services every night at 8:00 o'clock. The revival will start October 22 and continue through both Sunday services on October 24.

Gene Huffman will be leading the music and directing the choir.

Pat Bradley will come to help in any way she can and will give her testimony.

The youth are inviting everyone to attend.

WINNERS IN THE FIRE PREVENTION POSTERS

Winners of the Fire Prevention Poster Contest were announced by the Walton Volunteer Fire Department's Chief Worthington. He reported that it was a tough decision to select the winners, as all of the children made some good posters.

Students of Leonard McKinney of the Walton-Verona School at Verona made the posters. Entries from the 4th, 5th and 6th grades drew the posters.

Winners were: Mary Cheesman, first place, \$5.00; Amy Kuchle, second place, \$3.00, and Roxane Justice, third place, \$2.00. Winning posters are on display in the window of Benton-Bonar Department Store, Walton.

Heads Radiologic Group

A former resident of Walton has been named president-elect of the Kentucky Society of Radiologic Technologists.

Richard Smith, chief x-ray technologist at Booth Hospital School of X-Ray Technology, was named to serve for 1973 when the state organization concluded its annual meeting in Owensboro.

Smith reported that Covington will be the host for the convention that year.

A former Booth Hospital x-ray student, Miss Gayle Brown, now of Lexington, was named councillor to serve as liaison between the state and national organization.

BAND IN PARADES

The Walton-Verona Marching Band is invited to participate in the Homecoming game at Eastern Kentucky University on Saturday, October 23 with the parade beginning at 10:00 a. m. The football game between EKV and Western will begin at 2:00 p. m.

On Monday night, October 25, at 7:30 the band will take part in the Veterans' Day Parade in Cincinnati, Ohio.

Programs Supplied By Phone Company

Do you need a speaker or a film in a hurry? Nearly every program chairman has been faced with this problem during the term of office.

Cincinnati Bell gladly will come to your assistance with a wide variety of interesting programs covering the world of communications—from the light-hearted and humorous to the more serious and technical—all without charge.

There are 15 programs available, including five new to the list this year. The new programs are: "How to Build a \$3 Million Machine for \$3 or \$4"; "The Charisma of the Queen"; "Preface to Understanding"; "Life and Legend in Northern Kentucky"; and "The Wonderful World of Ohio."

Call the telephone company's Program Bureau, 397-2766, to arrange for a talk or to receive a catalog describing all talks available. Many fine films are available and can be ordered by calling 397-2764.

Revival At Beaver Lick

The Beaver Lick Baptist Church, Route 2, Walton, invites you to attend revival services October 18 thru 24. Services will begin at 7:30 each evening.

Rev. Edwin Kirkpatrick will be conducting the services. Music is to be led by Bro. Jewell Scott of the East Bend Baptist Church. Everyone is welcome to attend.

BROWNS WED 50 YEARS

Mr. and Mrs. Clayton R. Brown, Sr. of Florence, will observe their 50th wedding anniversary October 19, 1971. They will be honored at a reception on Sunday, October 17

from 2:00 until 5:00 p. m., in the Fellowship Hall of the Florence Baptist Church, Florence.

All friends and relatives are most cordially invited to the reception.

Essay Contest Is Now Underway

Land use—an increasingly important subject in conservation—is the topic this year as Kentucky elementary and high school students compete for \$3,825 in U. S. Savings Bonds in the 1971 Conservation Essay Contest.

The subject for this year's essay is "Land Use—Its Effect On My Local Environment." This is the first time the subject has been used in the contest.

Frank E. Jackson, chairman of the local Soil Conservation District board of supervisors, said "The theme is of vital concern to all of us, since more and more demands are being put on this most important natural resource."

The Kentucky County Soil Conservation District will give monetary awards to county first second and third place winners at their awards banquet early next year.

Winners in the state's 121 Soil and Water Conservation Districts will each receive a \$25 bond and a wooden plaque. Top winner in the state gets a \$500 bond; second a \$200 bond, and third a \$100 bond. Deadline for schools to submit their winning essays to their local school superintendents is Dec. 1.

Krueger Becomes Third Dog Warden

Boone Fiscal Court has appointed a new dog warden. He is David N. Krueger, 29, of Stevens Road, Burlington, a Delta aircraft mechanic at Greater Cincinnati Airport.

Krueger also is a member of the Boone SPCA. His appointment becomes effective October 15.

He succeeds Sam Vest, 63, Walton, who is resigning for health reasons.

Krueger will be Boone County's third dog warden this year.

W. J. Craig, warden for 15 years, resigned under fire last spring when the SPCA found a pile of dog carcasses in a county gravel pit near Rabbit Hash.

Vest was then appointed upon recommendation of the SPCA but later encountered disagreement with the group over operation of the animal shelter.

Krueger agreed to serve as official dog warden but does not plan to do actual pickup of dogs. A helper will be employed to pick up and transport the animals.

Krueger will serve as overseer and handle the paper work.

Add To Boone County Auxiliary Police Force

Boone Fiscal Court has authorized its police auxiliary to increase its manpower from 25 to 35.

The request came from Auxiliary Chief Bill Martin, Florence, who pointed out that more men are needed.

He cited increased activities brought about by establishment of the second county high school in the county at Hebron.

Auxiliary policemen serve without pay, aiding in traffic handling and other matters.

W-V Students Name Their Class Officers

More Women Bus Drivers In Kenton

More women bus drivers may be taking Kenton County children to school in the future.

Assistant Superintendent Robert Barnes reported to a group of 70 parents at the Crescent Springs School that a shortage of bus drivers exists and more women may be employed.

The trend, he said, is nationwide and "many women drivers are more concerned with mechanical conditions than men."

The meeting was the first of a series taking the Board of Education to all parts of the county. The next session will be held at the Administration Building at Independence.

Supt. Don Davis also told the group that bids are being taken to install traffic bumps on driveways on school property. He also reported additional lights may be installed to cut down on vandalism.

To make a fine watch about 150 tiny, complex parts must be precisely assembled.

LOCAL ROBBERIES

Ryan Hardware, North Main St., Walton, was broken into last Tuesday night by forcing a rear window. Twelve chain saws, 22 boxes of pocket knives, along with ammunition were taken.

The home of Mr. and Mrs. Ed Egan, North of Walton, was also broken into last week, and jewelry and a rifle were taken. The Enco Service Station at I-75 was entered but we did not learn what was taken.

Assistant Principal At Simon Kenton Named

The new assistant principal at Simon Kenton High School, Independence, is Robert Konerman, a resident of Erlanger and teacher of mathematics.

He was named to succeed Robert Abell who recently was named principal of the school.

Konerman is advisor to the student council and immediate past president of the Kenton County Faculty Association.

A 1960 graduate of Thomas More College, he also holds a graduate degree from Xavier University.

He and Mrs. Konerman have four children.

Food Service Meeting

The first meeting of the Kenton County Schools Food Service Association for the school year 1971-1972 will be at Trenchard Junior High School, Taylor Mill Road, on Tuesday, October 19, at 3:30 p. m. A representative from the Gibson-Greeding Card Co. will give the program.

Mrs. Marcella Fields will preside. Mrs. Alberta Lanham is director of food service in Kenton County Schools. All members are urged to attend.

VISIT FIREHOUSE

Last week 18 students of Kiddleland Kindergarten, 28 students of All Saints and 19 students from Boone County Head Start, made a tour of the Walton Fire Department.

Ham Dinner at Union

The women of the Union Presbyterian Church will have a ham dinner on Friday, October 15, from 5:00 to 8:00 p. m., in the church. The menu will include ham, sweet potatoes, green beans, relish tray, and home baked pies, coffee and tea.

Tickets may be purchased in advance from the women of the church or may be bought at the door. Adults \$1.50, children 12 and under 75c. The public is invited.

October Meeting Of Wa-Na Club

The October meeting of the Wa-Na Woman's Club was held in the home of Mrs. Nelson Popham on Bedinger Ave., Walton, with Mrs. David Peebles and Mrs. Jack Norris serving as co-hostesses.

The program was a quiz, "How Sensuous Are You?"

A rummage sale will be held by the club, November 6, on the town parking lot on North Main Street, from 9:00 a. m. to 3:00 p. m. Anyone having donations may call any member of the club.

The club voted to make a donation to the Walton Volunteer Fire Department for the new ambulance.

Those present were: Evelyn Hance, Doris Elsenichmidt, Sara D. Anderson, Irene Peebles, Mary Stephens, Dortha Black, Pauline Flynn, Sonny Popham, Betty Slayback, Fay Norris, Libby Rouse, Gayle Mathis, Helen McElroy, Louise Rouse, and Evelyn Rouse.

Please contact the Wa-Na Club if you have anyone in the Walton area who is serving Vietnam, as the list is being compiled for the Christmas boxes. Call any of the following: Libby Rouse, 485-7193; Sonny Popham, 485-5370; Ann Simpson, 485-7261; Doris Elsenichmidt, 485-4550.

Walton Masons To Meet

Walton Lodge, No. 719, F&AM, will hold its regular monthly business meeting on Thursday, Oct. 21 at 7:30 p. m. All members are urged to be present, and visitors are welcome.

Free Parking In City of Walton

The parking meters in Walton have been covered and, we understand, there will be no meters in operation until after Christmas. However, it is said a two-hour parking limit will be enforced.

The meters were recently changed to 5 cents for 30 minutes, and 10c for an hour. It seems the Internal Revenue Service recommended the meters be returned to the regular price of 1c for 12 minutes, 5c for an hour, and 10c for two hours.

A parking survey was made in November, 1970, by the State Highway Department, and the new meter parts were ordered before the Presidential freeze.

Marvin Baker, maintenance employee for the City, resigned the past week, and just recently Carl Hartman, police, tendered his resignation.

Votes on the controversial sewer plans presented by Council, will be counted Friday evening at the City Building. There was heaps of conversation about the sewers, and bad feelings resulted, which is a regrettable situation.

Wendell Webster has contracted with the City to do street repairs.

NEW HAVEN PTA

The New Haven PTA will hold its regular scheduled meeting in the school cafeteria on Monday, October 18, at 7:30 p. m.

The program will be given by the Shiliko Department Store. Mr. Donald Johnson will speak and show a film, "The Silent Crime," on the growing problem of shoplifting.

Mrs. Ackerman, developmental reading teacher, will give a brief summary of her duties at the New Haven School. This program is very interesting, so please support your school and attend this meeting.

Don't forget the yard sale to be held at the school on Saturday, October 1, from 10:00 a. m. to 5:00 p. m.

Local Youth Center Leader Resigning

The following letter was received by this newspaper from Mrs. Estelle A. (Pink) Morgan in regards to the local Youth Center:

"Walton kids are like all kids anywhere. Gay, carefree, pressured, cooperative, rebellious, and troubled—all of these feelings are part of growing up.

"There is probably no other time in life so utterly confusing and demanding. For instance, kids are kids until it's time to pay for something, then suddenly they are adults.

"Kids need, and should get all of the help possible from home, church, school, and every other means.

"Help to kids in recreation and problems is the goal of the youth club. I hope that it will always be its goal.

"I have enjoyed my work with you, however, personal obligations demand my attention, and for reasons I am submitting my resignation to the operation, and the club."

Mrs. Morgan gave the financial condition of the club: Savings account at First Federal, \$1,526.66, and checking account at Dixie State Bank, \$503.30.

She added, "Try to keep in mind—should you ever disband your organization, dispose of your assets in such a way as to help your community. The people who helped you start your club trusted you, do not betray that trust."

The Board of Directors of the Walton-Verona Youth Club are: Cliff Ryan, Wilfred Scott, and William Napier.

FISH FRY AT BEAVER

The Beaverlick Christian Church will hold its annual fish fry Friday, October 22, at the church on U. S. 42. Serving will begin at 5:30 p. m.

The menu will include fish, slaw, French fries, homemade pie, and coffee or soft drink. A complete meal for \$1.35. Everyone is cordially invited to attend.

Take Banking Courses

Two bankers from the Boone-Kenton area are enrolled in courses under the auspices of the American Institute of Banking, the educational arm of the New York based American Bankers Assn.

James Barnes, auditor for First National Bank, Covington, a resident of Florence, is taking a program in speed reading. Rely Ogden of Taylor Mill, is enrolled in business administration. He is with First National's credit card division.

We are glad Mrs. Dora Hon has returned home from the hospital. Mr. and Mrs. Lawrence Wilson were Sunday guests of Mr. and Mrs. William Rorer of Cynthiana. Mrs. Joan Perkins underwent surgery last week at St. Elizabeth Hospital, Covington.

A group of "special people," those 60 years and over, from Walton's First Baptist Church, took a trip to Butler Park on Tuesday of last week. Mrs. Dora Fields celebrated her birthday on that day.

Mr. and Mrs. Francis Kilgore spent three days touring Tennessee and five days in Nashville, attending the Gospel Quartet Convention.

Mrs. J. B. Johnson has been removed from the intensive care center and is getting along nicely at Booth Hospital.

Miss Joella Sleet and Mrs. Lewis Webster took Mrs. Harry Sleet and

son, Hank, to their home in Knoxville, Tenn., over the weekend.

Mr. and Mrs. Jack Rouse and daughter, Mary Beth, spent the weekend in Barboursville, Ky.

Mr. and Mrs. Thomas Rodney of Nicholson Road, had as guests last week, Mr. and Mrs. George Quillen of Bishopville, Md.

Mr. and Mrs. Dale Harness of LaPort, Ind., were Tuesday night guests of Mr. and Mrs. William Mastin and son.

Jim and Bill Lawrence attended the UK-Ohio U. football game on Saturday night at Lexington.

Mr. and Mrs. Terry Webster attended the homecoming at Morehead University over the weekend.

Mrs. Walter Whitson has returned home after a week's visit with her daughter, Mrs. Jack Rosenfeldt. Mr. Rosenfeldt and family of Taylor, Mich.

Mr. and Mrs. Chester Sturgeon attended the Arkansas State Fair and Charolais sale last week.

Donnie Michael, a student at Asbury College, Wilmore, Ky., was the weekend guest of Mr. and Mrs. George Stuard and Louise.

Staffordsburg

Miss Marie Armstrong of Covington, called on her sister, Mrs. Charles Losey, Tuesday afternoon.

Mr. and Mrs. Radford Thornton and children of Covington, called on Mr. and Mrs. Jack Howard on Sunday afternoon.

Rev. and Mrs. Paul Pepon and children are visiting his father in New York.

Mrs. Kenneth Childers of Williamstown, visited her son, Kenneth, and family, Sunday afternoon.

Mr. and Mrs. Donald Keeney and sons of Riggs Road, visited Mrs. J. W. Parish of Eminence, on Sunday.

Mrs. Cecil Faulkner of Riggs Road, visited her father and other relatives in Cynthiana, one day last week.

Jack Benny tells of the time he carried his violin case to the White House to play for the President. A guard stopped him and asked, "What's in that case?" To be funny, Benny replied, "a machine gun." "Thank goodness," deadpanned the guard, "I was afraid it was your violin!"

PROCLAMATION...

Whereas, it has come to my attention that each year at Halloween time, the begging by children, young people, and in some cases adults, is on the increase. Many homes have been visited at least a week in advance of Halloween. We do not object to children enjoying this season of the year, but feel that it is being overdone.

Therefore, I do proclaim Saturday, October 30, 1971, as begging night in Walton, Kentucky.

I ask all home owners or residents of our town not to issue treats of any kind until the above date.

GUY CARLISLE, Mayor
City of Walton, Kentucky

2t-41c

An Open Letter—

I believe the recent murder of the service station attendant, the service station break-ins, the window breaking spree of a few weeks back, and the past week's break-in of a local hardware store (they lost about \$2,500 worth of merchandise), is due to lack of police protection.

This, to me, is evidence enough that we need night-time police protection. With night-time police protection, the station attendant, Carl Walp, might still be alive.

Delbert Messmer, in shock and disgust, gave up his business at the Walton Enco. Other stations have closed their doors at night, which is costing them many dollars in business.

We are having too much tire squealing, speeding and reckless driving in our city. I feel the business sections of Walton should be checked every hour on the hour or as close as possible.

I believe the resident sections should be patrolled during the night. I would, in every respect, back the police force to the very limit.

I believe in Judge Rouse. We have a man who is honest, sincere and capable of handling the duties of his Court.

If elected, I promise the people of Walton night-time police protection.

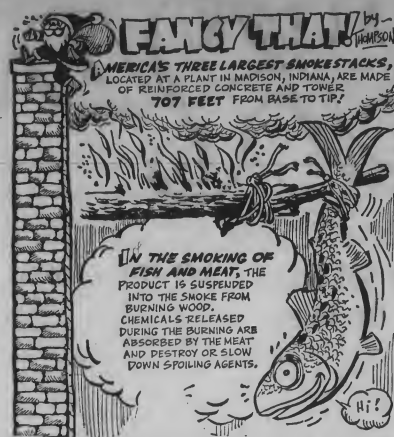

City Streets—

It seems the only thing we got to slow the speeders down are the holes in the streets.

Many of our streets are a disgrace to the City of Walton.

The condition of our streets, in my opinion, are an insult to the taxpayers. I know nothing about the city funds but is elected, I would make every possible effort to get our streets back in decent condition.—DALLAS JUSTICE

You want to think twice before you invite house guests these days. They might take you literally and bring their house along in the form of a camper van or mobile home and park it in your driveway.

SEATBELTS ARE
PEOPLE
STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

Grant County, Kentucky

Just 5 minutes from I-75 exit, Taft Highway, State Route 22 is the Dry Ridge exit off I-75.

MR. KLEIN GORDON, EXECUTOR OF THE ESTATE OF JAMES GORDON, HAS CONTRACTED WITH US TO SELL AT ABSOLUTE AUCTION ON THE ABOVE DATE:

200 ACRE FARM — Divided into 11 parcels, with two houses, 4 barns and approximately 1½ miles of road frontage on Taft Highway, a State Highway.

TO BE SOLD—RAIN OR SHINE

Terms: 10% down, balance 30 days. Taxes for 1971 will be paid by seller.

TOBACCO BASE will be apportioned by ASC. All parcels will be sold separately and will not be grouped together.

PARCEL I—32 ACRES with 6-room, two-story frame home, basement, bath, furnace, barn. Lying on south side of Taft Highway with good frontage. This is the home site of the Gordon family, setting in the midst of several nice trees. This could be your future home, where you and your grandchildren can roam, but close to everything, 5 minutes from I-75.

PARCEL II—41 ACRES with no buildings. Lying on the south side of Taft Highway, adjoining parcel I, facing with good frontage on Taft Highway, also on the old country road. P. S. Look at this beautiful ridge, then build your home in the center of it in your head, then come and buy, then build it for real. Remember—it is to be sold at absolute auction.

PARCEL III—10 ACRES (Pretty) with barn on south side of Taft Highway, good frontage, see and believe.

PARCEL IV—21 ACRES, no buildings, some ridge. This could be a sleeper.

PARCEL V—5 ACRES Lying on south side of Taft Highway, long frontage, A beautiful home site.

PARCEL VI—8 ACRES on north side of Taft Highway, also good building site.

PARCEL VII—8 ACRES and large barn on north side of Taft Highway.

PARCEL VIII—10 ACRES with 4-room home and barn, good frontage on north side of Taft Highway.

PARCEL IX—5 ACRES, good frontage on north side.

PARCEL X—5 ACRES, good frontage on north side.

PARCEL XI—57 ACRES with frontage on Taft Highway and running back to take in the prettiest flat ridge you will ever have the opportunity to buy at absolute auction. (It is in corn now).

REMEMBER— All parcels will be sold separately and will not be grouped together.

To be sold immediately after the real estate: Case tractor, 430; side delivery rake; Case manure spreader; rear-mounted manure loader; grader blade; drag disc; rubber-tired wagon; Allis Chalmers "B" tractor; Case hay baler, No. 22; all household articles left in house, including bedroom suite, etc.

My First Week In the Hospital

By R. V. Lents
EPISODE IV

Saturday morning, as usual, I was served breakfast, given my hypodermics and pills. The nurse handed me several pills. I put them all in my mouth at once and swallowed them with a drink of water, but it was not so easy to swallow them. While I was rolling them around in my mouth trying to swallow them I thought about Demosthenes, the Greek orator, who put pebbles into his mouth to correct a speech difficulty. I had no speech unless it was that I did not know when to stop talking.

After lunch I was permitted to sit up over two hours. I needed the aid of a nurse, but I was too far away to reach my signal cord to summons help. My room mate, Leroy Foster, a distant relative of Stephen Collins Foster, the American author of My Old Kentucky

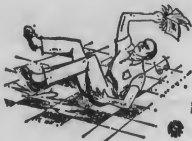

Home, Old Black Joe, and other famous folk songs, could not reach his signal cord. Trying to get the attention of a nurse or aid, Mr. Foster began to imitate the call of a quail by whistling bob white, bob white, bob white, and at intervals repeated the call several times. I heard noise of scooting of chairs, tables, desks, and talking came from most of the rooms on the 3rd floor. Finally an aid located the room from which the whistle was coming and I received the aid I needed. She then told me that they thought a quail had, in some mysterious manner, entered the hospital on the 3rd floor, and they were searching for it.

Football

Fall signals the revival of the football season. If your child will be participating in football this year, help protect him from injury by following these simple precautions. Make sure he has a complete physical examination before training season begins and that the program includes a good physical conditioning program. Good protective equipment is extremely important, too, along with a properly trained and experienced supervisor. Remember, a well-conditioned healthy athlete with good equipment and proper coaching is much less likely to get hurt.

Falls

Accidental falls still remain one of the major causes of injury in the United States. Because tripping, slipping or loss of balance comes as a surprise, the average person is not prepared for the resulting impact. Take these preventive measures. Keep walking surfaces free of spilled foods and liquids. Fasten loose materials, like area rugs, to the floor or use a non-skid backing. Keep walking surfaces well lighted and repair damaged floor coverings. Use ladders of appropriate height to extend your reach. Install and use secure handholds in tubs and showers.

My husband plays tennis, handball, swims and goes in for physical exercise. Does your husband take regular exercise? Well, last week he was out seven nights running.

Letter To The Editor:

Everyone has heard comments about the town from renters and property owners, but this comment is from one of the younger generation. Since the main topic of discussion in Walton is the sewers, I'll talk about that first.

Granted Walton needs sewers, but people can't see \$2,000. You turn to your politicians to hear their solutions. If none of them sound good, then you haven't heard all of them or listened close enough—some of their ideas are much, much cheaper than \$2,000 and will work with the right people in command.

The streets in Walton are a mess, as everyone knows, and now people turn to their politicians again. The only streets in Walton decent to drive on, excluding the county streets, are Plum, Cataline, and Bedinger. People can't afford to pay to have them paved, so to you people, ask your friends running for office their answer. Some of them have ways of getting them fixed without having you go broke.

The clean-up campaign of Walton fascinates me. I have a hard time distinguishing whether we're building a town or tearing one down. It's not only business buildings, but around people's houses also. It's a shame to have a town look bad and not have any air pollution to blame it on.

These are just a few things we have to get together and fix, not to mention the police force, etc. Each and every one of us has to get up and get things rolling instead of sitting back and letting George do it. If Walton progresses as much in the next few years as it has in the last few years, I may seek political asylum in Verona.

HOW TO BE A PERFECT HOUSE GUEST

You wangled an important weekend invitation and you're on Cloud 9. Now you've only one problem: how to be the perfect guest and make an indelible impression on your host. Follow these ten "do's and don'ts of guesting" and you're sure to be high up on future invitation lists.

1. Get the date straight and make certain the invitation is for the weekend. You'd feel ridiculous arriving with a suitcase to find out it's a sit-down dinner, or that your host is away on a safari.

2. Do not bring your pet; don't even ask if you can. Have a friend or neighbor care for Tootsie. So you'll owe a favor.

3. If Mrs. Host has no cook or maid, offer to help in some way. She'll probably say no, but your offer adds "points" for you as a guest.

4. Make your bed daily, put clothes away neatly and be extra-careful with the furnishings in your room. Do not smoke in bed.

5. The bathroom may be your severest "guest test." Don't spend hours there, don't leave hair on sink, don't leave toothpaste uncapped, don't leave soiled tissues around. Do clean up the sink after you're done, do fold your towel, do tidy up the floor if there's an overflow from shower or bath, do take your paraphernalia back to your room with you.

6. About beauty and grooming items: to avoid bothering your hostess for personal care items—for which you'll lose guest "points"—don't forget to pack toothbrush, cosmetics, hair care items,

7. About clothes to bring: take only what you'll absolutely wear and be certain you know what kind of activities are scheduled and what the weather is like. The most marvelous weekend can be ruined if your clothes make you stand out like a sore thumb.

8. Be your natural self with your host and other guests. Don't arrive with 20 bad jokes memorized, or try to sound like an expert on every topic. Listen more, talk less, particularly about yourself, your achievements.

9. Bring a house gift. It needn't be elaborate—something you made yourself, like a cake—or a useful knick-knack, or gifts for the host's children. When in doubt about bringing a gift or not, bring one—it's safer.

10. On leaving, thank your host for a delightful time, even if the visit was something less than you anticipated.

School Boards To Meet

School board members and administrators from 22 area school districts will gather in Dry Ridge on October 21 for the annual meeting of the Northern Kentucky Region of the Kentucky School Boards Association.

Regional Chairman, Dr. Clay C. Parks, a member of the Grant County Board of Education, will preside at the dinner meeting, scheduled for 6:30 p. m., in the Grant County High School in Dry Ridge.

Children's Home Has Centennial Celebration

Methodism's great heart has always been warm with compassion toward the homeless child. "Bethesda", established by Geo. Whitfield, is the oldest children's home in America.

In 1871, Methodists were convinced of a need to witness to their concern for the war orphan and otherwise homeless child. In that year, the Kentucky State Legislature authorized the Kentucky and Louisville Conferences of the Methodist Episcopal Church, South, to establish a "Widows' and Orphans' Home." This year the Methodist Home of Kentucky is celebrating the one hundredth anniversary of its founding and marking the completion of a century of care for homeless children.

The Home provides love and total care for dependent children from Methodist and other families throughout Kentucky, within the regulations of the Kentucky Department of Child Welfare.

The Methodist Home is owned and operated by the Kentucky and Louisville Conferences of United Methodist Churches who are responsible for its continuing growth and development.

The Home was officially chartered on March 18, 1871. A large residence served as the orphanage until 1931. Then the Home purchased a 123-acre farm near Versailles in Woodford County, Ky. At that time there were three brick buildings located on the property.

Thirteen more red brick structures have been added to the campus.

The Home has a capacity for 84 children, boys and girls, ages 3-18. The Home employs 8 full-time houseparents and 3 relief workers. The administrative staff consists of the superintendent, Dr. James W. Averitt, a campus director and four other employees.

October has been designated as Centennial Month for the Methodist Home. On Saturday, the 16th, there will be a special observance at the Home beginning at 10:30 a. m. Bishop Roy H. Short will be the principle speaker. A light lunch will be served on the grounds following the program. The public is invited to attend.

BIRTHDAY DINNER

A delicious turkey dinner was given in honor of Mrs. Charles Praither to celebrate her birthday on October 2. She received many nice gifts from friends and relatives. The out-of-town guests were: Mr. and Mrs. Walter Hughes and son Walter Lee, Mrs. Rozella Hughes from Hurricane, W. Va.; Mr. and Mrs. Elmer Hughes and son, Eddie from Benton, Ky.; Mr. and Mrs. Danny Praither and Lori from Independence; Wes Praither from Dayton, Ohio; Miss Lenora Helms from Middletown, Ohio.

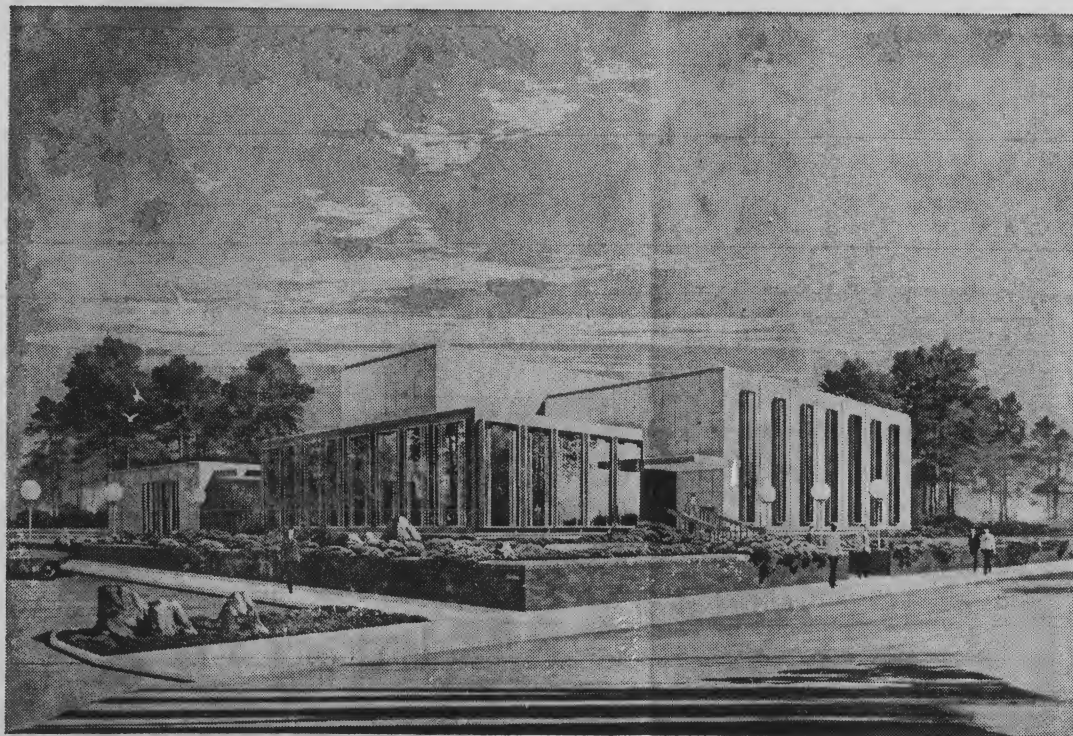

Others present from Walton were Mr. and Mrs. Bill Smith and children; Mr. and Mrs. Franklin Breedren and children, Marty Stephens and Ronnie Ascraft; the guest of honor and husband Charles and David, Carla and Nancy.

JOE CLAXON

National 4-H Week, October 3-9, is an appropriate time to call attention to youth, leaders and extension professionals who make this informal educational program work for the benefit of all.

"4-H is an action-oriented, practical, learn-by-doing program that helps young people learn how to make a living, how to make sound judgements and how to become good citizens of their community and their country."

We believe that any program which achieves these goals deserves the wholehearted support of all people who are interested in America's young people.

The youngsters come from every state in the Union, as well as from territories like Puerto Rico, Virgin Islands and Guam. They live on farms, in rural non-farm homes, in suburbia and in the country's largest cities. A growing number each year are from inner-city, low income homes, where the need for 4-H type programs is greatest. Similar programs have been organized in 85 countries around the world. Theme of this year's National 4-H Week is "4-H Bridges the Gap."

The 4-Hers between the ages of 9 and 19 are certainly helping to bridge the gaps resulting from traditional prejudices, generations of ignorance and area isolation. They are working to improve communications between generations and the haves and have-nots.

Through their clubs they are working for the betterment of their homes, their communities, and their country.

Many clubs join together to work on individual community problems, such as conservation, health, nutrition, and safety. The young people inaugurate roadside clean-up drives and collect waste paper and bottles for recycling. The older members work with younger ones teaching better nutrition ideas, leadership and how to be of service.

But 4-H is more than just the present members who are gaining knowledge while having the time of their lives.

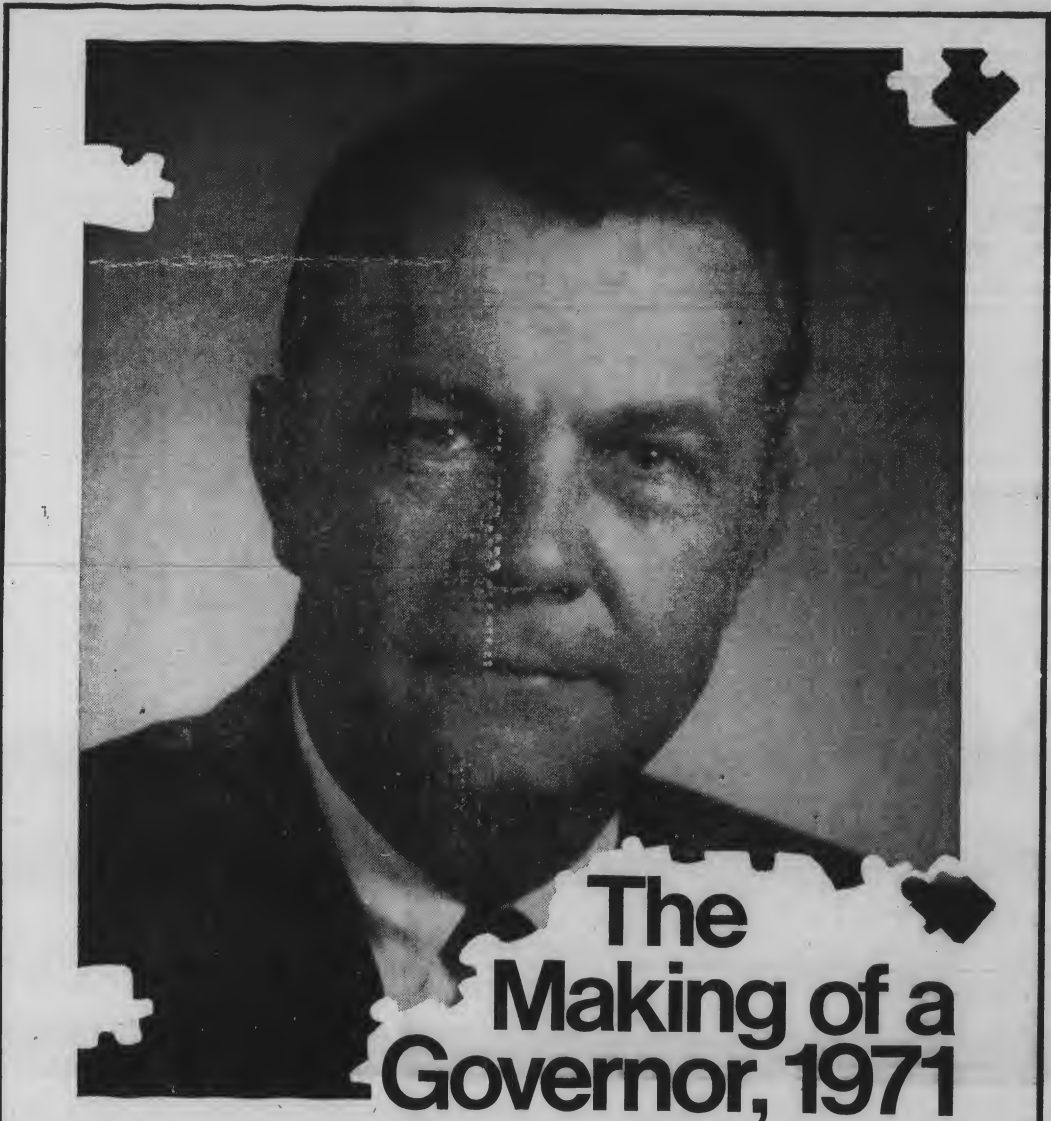

It is the half-million volunteer adult, teen and junior leaders who work with them, guiding their efforts and encouraging them to greater achievement.

It is the men and the women with the Extension Service—both federal, state and county—who supervise 4-H programs and projects, expanding 4-H as the needs are made known.

It is individuals, corporations, civic organizations and foundations who give encouragement through support at all levels from local communities to programs of national and international importance. Their financial aid, technical assistance, incentives and recognition span half a century.

And it is the more than 30 million former 4-Hers who have benefited from their 4-H experiences and now pass on their knowledge and encouragement to the present members.

The Peacekeepers may have a point. It doesn't make much sense to keep fighting the enemy abroad while granting bail to the ones at home who are dedicated to overthrowing the government by violence.

The Making of a Governor, 1971

As pieces of a jigsaw puzzle are combined to form a picture, so experience and ability must be combined in a man qualified for the governorship.

Wendell Ford has this experience and ability. He has been an important State Senator and a working Lieutenant Governor. Wendell Ford has been national president of the U. S. Junior Chamber of Commerce. He was described in a magazine article along with the late President John F. Kennedy

as an "Outstanding Young Man of America."

Wendell Ford's leadership has brought many improvements to Kentuckians: his efforts removed the harsh tax on prescription medicines, and got the oppressive sales tax off farm equipment. He has supported tough consumer protection and anti-pollution legislation. Wendell Ford says the only reason for the existence of government, at any level, is to serve people.

Isn't it time the people had a Governor?

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The Music Department of New Banklick Baptist Church has been very busy these past few months. To bring our readers up on the "happenings" at our church and our visits with other church groups we present this article.

A group from our church choir took part in the homecoming and singing with the Goshen Christian Church. They were: Mrs. Wanda Spada, Margaret Kanatkar, Willie and Clara Kidwell, Jackie Grayson, Ann Sorrell, Peggy Johnson, Katherine Hopperton, Louise Mercer, and Mr. Gene Parker. The singing was enjoyed by everyone who attended. Brother Hills is pastor of Goshen Christian Church.

The Spiritual-Heirs will be singing in revival with the FBC of Ludlow, Ky., on Friday evening, October 8; in revival with the Banklick Christian Church, Tuesday evening, October 12; in revival with the Rosedale Baptist Church, Monday evening, October 18.

The Youth Choir will be singing with the Erlanger Church of the Nazarene in revival, Sunday evening, October 10; in revival with Banklick Christian Church, Wednesday evening, October 13.

nesday evening, October 13.

The Junior Choir will be singing in revival with the Rosedale Baptist Church, Tuesday evening, Oct. 19.

The directors of the Youth Choir are Mrs. Lois Reinhardt and Francis Beach. The directors of the Junior Choir are Mrs. Katherine Hopperton, Mrs. Jackie Grayson and Mrs. Francis Beach.

The Lord has blessed New Banklick with such a witnessing ministry as our Gospel singers, and we are proud to be pastor of such a wonderful group of people. We have learned that we must never put our emphasis on material things as we follow the leadership of the Holy Spirit as we go from place to place to sing. The moment we start receiving honorariums we lose sight of the Spirit's gift to witness for Him and, as such pride soon envelopes around those serving the Lord in this capacity. We are not full time professionals but we are, and must always be, professing and possessing Christians working for Christ to testify about the saving grace of our Lord Jesus Christ. This is why our church has such talented people in this area of service for Him. We encourage our readers to always pray for us that we will always be in the will of the Spirit of Christ.

We recommend to everyone who would like to hear good singing and good Gospel preaching to attend the revival services each evening at 7:00 with the Rosedale Baptist Church, 45th and Glenn, in Latonia, October 18-24. The Rev. Don Davidson, pastor of the Second Baptist Church, Defiance, Ohio will be preaching the messages each evening. Special music will be provided each night. This writer highly recommends the preaching of Pastor Davidson and be-

lieves you will enjoy the Christian atmosphere at Rosedale Baptist Church. The pastor is Brother Carl Evans, former associate pastor with this writer with New Banklick Baptist Church. His wife, Eva Lee, is a very devout Christian, and one of these days we will write a special article about her unique type of witnessing for Jesus. She is an elementary teacher at Beechgrove Elementary School. So you keep reading this column and one day we will present her thrilling testimony for Jesus.

The New Banklick Baptist Church has just adopted the new Constitution and By-Laws for our church. The amendments made were such that gives our church a more flexible operational ability than was possible with the original in which we live. We believe that we will have better harmony in all phases of our Christian life and business at New Banklick Baptist Church. The committee responsible for this fine job consists of Mrs. Francis Beach, Gilberta Kidwell, Ray Mercer and the pastor.

The church was presented with our Stewardship program for 1971-1972. The theme is "Victory Sunday," and every tither giving an additional tithe and every non-tither giving a minimum of \$10.00 on "Victory Sunday," December 26, 1971, to start our new year in the black for Jesus. Special envelopes and containers will be supplied to each member of friend of the church who desires them to help them save their small change to add up to that "extra" tithe and offering on "Victory Sunday," above their regular tithes and offering. We believe we will be able to start 1972 with a balanced budget and a clean slate.

Our Sunday School Evangelistic Outreach has organized our "300"

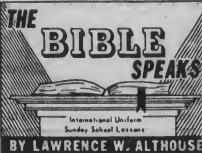

Club. Everyone has been invited to join this club. If you desire to join all you need to do is to contact the pastor or Brother Harold Callen, our Sunday School Director. Our goal is to reach 300 in Sunday School by the first Sunday in January, 1972. Already our space has run out in certain age groups and we are in great need of adequate space for more classes. We need at least 5 or 6 new class rooms right now. Praise the Lord! Can you not see the need when we reach the 300? This is the kind of problems we enjoy at New Banklick Baptist Church. Won't you help us reach this goal if you don't have a Sunday School to attend. We believe you will enjoy coming to New Banklick Baptist Church. We use the Bible for the adults and young people with a special guide for each student, and special materials for the children and the youth departments. We believe in having pupil participation in these departments and those who are coming express their enjoyment over the new material.

If you do not have a church home why not give us a try. We are not the largest but we try to be the friendliest.

PRAY BOLDLY!

Lesson for October 17, 1971

Background Scripture: Matthew 7:1-12; Romans 8:26-27; 2 Corinthians 12:1-10; Hebrews 11:6.
Devotional Reading: Psalms 42.

One summer while I was in college the only job I could get was selling household goods door-to-door. Usually, my summers were spent in construction projects, but this summer saw a building slump and the sales position was the only thing available to me.

I was a timid salesman. I approached each door with mixed feelings: afraid no one would answer my knock, and even more afraid someone would! I wanted to make sales but I dreaded the process of selling. When someone did open the door, I was apologetic and dubious in my approach. I had steeled myself to accept their refusal. Needless to say, it was a lean summer!

Beginning with belief

Many people attempt to pray in much the same manner that I tried to make door-to-door sales. Their prayers are timid, apologetic, and prepared to accept the worst. They seem not only afraid that God will not answer, but even more fearful that he will! They are not terribly disappointed that nothing seems to happen, because they didn't expect anything to happen in the first place.

Failure in prayer can often be traced to timidity. We do not receive anything in prayer, not because God is reluctant to give, but because we have rendered ourselves unable to receive. It is interesting that the Greek word for receiving and taking is the same. As Andrew Murray once pointed out, when Jesus says, "Every one that asketh receiveth," he used the same verb as at the Supper, "Take, eat" . . . Receiving not only implies God's bestowment, but our acceptance. Thus, the problem is not at the giving end but at the receiving end of the transaction.

Continuing with vigor

This is why Jesus uses three action verbs in one of his well-known discourses on prayer: "Ask . . . seek . . . knock . . ." (Matthew 7:7). There is nothing timid about these verbs. They are vigorous approaches to prayer. Yet neither are they harsh: they are aggressive and assertive only because they presume to know that God is even more willing to give and answer than they are to seek and ask. We may dare to pray boldly because we have caught a vision of the boldness of God's grace.

Emily Gardner Neale has said: "Our besetting sin, and I think it is a sin, is that we habitually expect so pitifully little, daring to impose upon His mercy and His power the limits of our own humanity." To pray timidly is to demean God, to indicate that we have grave doubts about his grace. In a sense, this is insulting to him for he has so clearly demonstrated to us the depths of his Fatherly love.

To pray boldly is an act of affirmation and praise.

His dejected face slumps under a shabby hat. We don't know who he is. But we know what he is. He is a MAN. One of us! To his loved ones he may be a disappointment. To himself he may be a failure. To society he may be useless. But to God he is a SOUL—like each of us! And therefore his whole life can change . . . when one day he'll discover the power and strength and hope with which every soul is endowed. Quietly, behind the closed doors of a pastor's study, the Church is daily helping men to come to grips with their problems. Sunday by Sunday its pulpits are imparting faith and courage for those secret inner struggles.

The century-old Christian concept of the dignity of man has never rested simply on who and what we are. It is founded on the vision of what—with God's help—we can become.

Today's Young People, Cripples Of Tomorrow!

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

The drug abuse problem in the United States has reached crisis dimensions and continued growth of the marijuana problem has become an alarming threat to many American parents.

This problem has lead to considerable study by many of us here in the Congress and we are deeply involved and working constantly to provide strong laws to curtail the distribution and misuse of drugs. Estimates of experts concerning the number of active hard narcotics addicts in America range between 65,000 to 125,000. Between one-quarter and one-half million people practice habitual abuse of sedatives, stimulants, tranquilizers, and related drugs. Between 8 and 21 million people, both juvenile and adult, have used marijuana at least once—these figures include one-third of the entire college population of the U. S.

As important as this subject is to all of us, I will deal today only with the increasing marijuana problem. The jargon of drug abuse varies from time to time, but "Mary Jane" as it is sometimes known, can strike a mighty damaging blow to our young people according to some of the latest data that has come over my desk. In recent scientific findings sub-

mitted to the Annual Meeting of the American Chemical Society, the Mason Research Institute has come up with the results that corroborates like material from other independent researchers. Brain damage was found in laboratory rats exposed to marijuana over long periods of time. The researchers said the rats showed bizarre reactions resulting from brain damage caused by the administration of marijuana. The studies were done under contract to the National Institute of Mental Health.

The marijuana problem is not one that is found only in large metropolitan urban areas, but has been creeping into our smaller suburban cities and even rural areas. One of the foremost authorities of strong opposition to the legalization of pot. It has been pointed out in a number of reports that most hard drug users started with marijuana.

should beware of the damaging effects, the lethargy, the indolence that mark the habitual marijuana user. Our society cannot afford the undisciplined, immoral, undignified, drug user who also lacks principles and characters.

Many persons of permissive attitudes are writing a voluminous amount of letters trying to influence Members of the Congress to legalize marijuana. They might consider that they would be creating a dangerous playmate known as "Mary Jane" that would influence our young people and turn them into tomorrow's cripples.

SURE CURE FOR RAINY-DAY BLUES AN ELECTRIC DRYER

Laugh at the weather when it comes to getting the laundry done. With an electric dryer, you can wash whenever you like—rain or shine. Makes it easy to keep housekeeping on schedule.

And you'll love the soft, fluffiness and fresh, clean smell of your clothes. You'll iron less, too. Electric drying cuts down on wrinkles, makes wash-and-wear really wash and wear. Quit worrying about the weather. Get an electric dryer now.

Small wonder an electric clothes dryer is a woman's most wanted appliance! Takes the uncertainty from washday because you can dry your clothes any day...any hour. See your Rural Electric System for free information.

Oak Island Homemakers

The October 4th meeting of the Oak Island Homemakers was held in Fellowship Hall of the Oak Island Baptist Church at 1:00 p. m. Mrs. Dixie Dressman, president, opened the meeting and had charge of the business session.

Kenton County Homemakers annual meeting at Summit Hills Country Club, Thursday, October 21st, was announced. Several members plan to attend.

The County Homemakers Christmas exhibit will be held Tuesday, November 9th at Trinity Methodist Church, Latonia. The club voted to participate in the display.

The "Cultural Development" chairman and the "Issues and Concerns" chairman made short reports.

Mrs. Dressman presented "perfect attendance" awards to Mrs. Ailene Riddell, Mrs. Mary Jackson, Mrs. Glenda Jackson, Mrs. Margaret Rector, Miss Elma Taylor, Mrs. Elizabeth Barberick and Mrs. Dixie Dressman.

The devotional, "Slow Me Down Lord," was given by Mrs. Leontine Stephens. She read Matthew 7:7-8 and a poem by O. L. Crain and led in prayer.

An interesting lesson, "Personal Grooming and Self-Improvement," was given by Mrs. Glenda Jackson and Mrs. Pat Noll. The topic for the November meeting will be "Kentucky Heritage."

Mrs. Roberta Larison was a welcomed guest. Members present: Mrs. Mary Jackson, Mrs. Glenda Jackson, Mrs. Ailene Riddell, Mrs. Leontine Stephens, Mrs. Margaret Rector, Mrs. Pat Noll, Mrs. Elizabeth Barberick, Miss Elma Taylor, Mrs. Betty Goebel, and Mrs. Kathryn Guttridge. Four children were also present.—Reporter

Stirring musical tributes, majestic marches, hand-clapping tent show, spirituals from the cotton field, jazz and blues—all innately American—have enriched our country from its very beginning. From The Battle Hymn of the Republic to The Yellow Rose of Texas, they provide decidedly patriotic notes.

No one knows who actually made the first official American flag. But Betsy Ross is given credit for having done so. According to one account, George Washington asked her to make a flag from his rough pencil sketch. She suggested a few changes, including the use of a five-pointed star rather than a six-pointed one. It was a banner day for America.

Parents: "Sorry we're so late getting home." Baby Sitter: "Do not apologize. If I had a kid like yours, I wouldn't hurry home either."

Letter To The Editor:

Dear Editor,

If you are interested, here are some protest farm facts, using grain for an example, or I could use any other farm products you would care to mention.

Ear corn leaving the farm at \$1.10 per bushel is awfully close to 100% less than it was during a 25 to 30 year ago period. Price and our cost are from 300 to 500% higher, seed alone this year cost \$3.95 for a 50-lb. bag which is something over a 500% increase.

Consider a 12-oz. box of cereal at 45c per box and grain leaving the farm at around \$1.00 for 60 lbs. of it. Is this true inflation or "fat cat profits" somewhere along the line?

The meat processors were taking our hogs for \$15 per cwt. for many months last year and they were selling the blood, bones, and hair which the average consumer would consider a loss for \$7.70 per cwt. This was sold back as 60% tankage protein, a necessary feed additive.

A Highway Corridor Public Hearing is scheduled on Thursday, November 18, 1971, at 7:30 P. M., prevailing local time, in the Gymnasium of the Walton-Verona High School, Walton, Kentucky, to afford all interested persons and those affected by the roadway improvements of Ky 14 and KY 16, SP 8-2050, S 740 (1), beginning West of I-75 extending to US 25 in Walton an opportunity to become fully informed about the proposed project. Said persons are invited, and encouraged, to attend and express their views on the highway corridors, including social, economic, environmental and other effects of alternatives.

Project exhibits will be on display for public review on the second floor in the Design Division of The District No. 6 Office, I-75 and Buttermilk Pike, Crescent Park, Kentucky, on Tuesday, November 16 and Wednesday, November 17 from 8:00 A. M. to 4:30 P. M., prevailing local time, prior to the Public Hearing. Maps, drawings and detailed plans of the project will be on display at the site of the Hearing. Department of Highways personnel will be present to discuss the proposed corridors and respond to questions while the plans are on display.

The Draft Environmental Statement will be available for reviewing and copying at the District Office in Crescent Park, Kentucky after Monday, October 18, 1971.

Maps, exhibits and other pertinent information developed by the Department of Highways and written views received from local, state and federal agencies and other public officials will be reviewed and discussed by the Department representatives at the Public Hearing and will be available for inspection and copying. The procedure and tentative schedule for acquiring right-of-way and the Relocation Assistance Program will also be discussed during the Public Hearing.

Written statements and other exhibits will be accepted at the Public Hearing and made a part of the Hearing record. Additional statements may be submitted to the District Office of the Department of Highways, P. O. Box 469, Covington, Kentucky 41012, within ten days after the Public Hearing.

The Public Hearing is being conducted pursuant to the Federal Aid Highway Act, 23 U. S. C., its revisions and as required by the U. S. Department of Transportation's Policy and procedure Memorandum 20-8 dated January 14, 1969.

TEN COMMANDMENTS OF BOATING COURTESY

Note how the boat does not make any smoke. Proper care of this Crestliner's engine prevents air pollution — and keeps the atmosphere on an even keel.

At the helm of your modern, sleek, efficient boat, you are definitely in command. But there is a higher level of responsibility than that to your own crew and passengers, a responsibility to others that is best acted on when you heed these ten commandments of boating safety:

1. Thou shalt not be discourteous to others when another boater is waving at you. Be sure not to come too close to him. Remember, what you interpret as just a friendly wave may be a request to steer clear.
2. Thou shalt not speed away from smaller craft too rapidly. If you do come close to a smaller boat, remember not to leave the area too fast. Your wake may wash over his railing.
3. Thou shalt not clamber aboard your friend's darkened boat unexpectedly. Someone may be sleeping.
4. Thou shalt not gaily come alongside and yell, "Is the old battle-ax aboard?" She may well be.
5. Thou shalt not climb aboard for a party when the skipper is in the midst of applying a coat of varnish.
6. Thou shalt not throw rubbish overboard in the harbor — someone may want to swim.
7. Thou shalt not throw the rest of that can of green paint in the water. The guy to leeward may really like white topides.
8. Thou shalt not ignore the lead of a soft drink leader. The folks at Pepsi-Cola advise that boating is a lot safer, a lot more fun, and a great deal more scenic — when you save your empties for land disposal. No one profits from maritime litterbugging.
9. Thou shalt not unvail a sanding machine and create a duststorm in a boatyard just after other boaters have sanded and thoroughly turped up their brightwork and are in the midst of varnishing.
10. Thou shalt not, when visiting, step on the brightwork with hard soles or even sneakers in which grit and pebbles are embedded and practice the latest dance steps.

Remember, when it comes to courtesy, we're all in the same boat.

VERONA

Fionnie Edrington, Reporter

Bro. and Mrs. Lewis Searcy were calling on Mrs. Fionnie Edrington, Monday afternoon, and they calling on the John Scott family also. Bro. Searcy was having some dental work done.

Walton Residents Oppose Sewerage

Walton City Council's meetings with property owners regarding a sewer system has come to an end and it appears that the local people oppose sewerage. The votes in the matter were counted last Friday evening. Council presented three proposals:

No. 1—The city would borrow remaining funds needed to build the sewer system, and the average Walton sewer customer would be billed about \$20.72 a month for the first ten years and \$9.30 a month for the next 30 years.

No. 2—Each customer would give \$1,000 toward construction of the system, and the average monthly sewerage bill would be \$9.30 over the 40-year period.

No. 3—Each customer would give \$2,000 to the system and his average monthly sewerage bill would be only \$3.00.

Well, here's how things turned out: Plan 1 received 40 votes; Plan 2, 29 votes; Plan 3, 44 votes, for a total of 113 votes.

There were 22 blanks, said to be "no" votes, and 111 "no" votes, plus 54 who registered but did not vote (probably "no." It would therefore, seem to us, there were 113 votes in favor of sewerage and 187 opposed.

Some harsh words and hard feelings resulted from the meetings. A council is to be elected in November, so it would appear to us that sewers will be pretty much at a standstill until after the first of the year, at least.

After a wait, maybe more money will be available. A city near here, we hear, turned down two governments loans, and finally accepted the third offer, because it was sufficient for their needs. So, let's all live in hope, even if we die in despair.

Letter Not Published

Because we had said nothing about it previously, a few years ago we printed a political "Letter to the Editor." At that time we said this would not be done in the future. We do not feel that we are obligated to publish this type of letter since candidates pay for the right to ask for votes.

We received another political letter this week and, we're sorry, but we are not publishing same. We feel it is unfair to others who are paying their way.—Editor

Protect Children On Halloween

Halloween will soon be here, and to help make your child and other youngsters safe on their goody-getting expeditions, the Boone County Health Department suggests the following precautions:

In outfitting your child, see that his mask does not interfere with his vision. Don't let him wear sunglasses, as this reduces visibility. Give him a light-colored costume or a dark one with reflective tape or paint on it so that drivers can see him. Be sure his costume fits well enough so that he will not trip on it catch it on a tree limb or fence. Outfits should be flame-proofed, and provide him with a flashlight.

Instruct your child to: Watch out for items over which he might trip; to stop, look and listen before crossing streets; not to take short cuts through yards or alleys; to stay in or near his own neighborhood; not to eat any unwrapped treats until you have checked them. If your child is small, an adult or older child should accompany him. Put toys, tools and miscellaneous yard clutter away to prevent tripping. If you drive, watch out for children darting in to your path—drive slowly.

CHURCH LEAGUE OPENS

Once again it's time for basketball, and the Walton Church League opens its season Saturday, October 23, at 8:00 p. m., when Hickory Grove plays St. Cecilia. Walton Methodist meets the Church of Christ and 7:15, and the last game at 9:00, see New Bethel take on Walton Baptist.

You're invited to attend.

Revival At Staffordsburg

Rev. Donald Tipton

Rev. Donald Tipton, pastor of the Burlington United Methodist Church, will conduct a revival meeting, November 1-7, at the Staffordsburg United Methodist Church.

The Rev. Mr. Tipton has had a wide experience in evangelistic work and God has blessed his efforts with great success.

There will be special music during the meetings and a cordial welcome awaits the general public, and especially all members and friends of the church.

Time of the services is 7:30 p. m., and the pastor, Rev. Paul C. Peppoon, urges all to attend.

New Ticket In Race At Independence

Five newcomers have banded together in the race for Council in the November 2 election in Independence.

They are running on the Citizens ticket and are: Paul Cooper, 57 Apple Drive; Harold Watson, Jr., 53 Sylvan Drive; Dawson Higbottom, 5388 Madison Pike; Marion C. Schader, 5232 Madison Pike, and Norman Meier, 5643 Madison Pike.

The present mayor, J. Norbert Schoberg, is not running for re-election.

Incumbents seeking re-election are: Albert Schulte, 20 Peach Dr.; Joe Caldwell, 50 McCullum Road; Stanley E. Kahrs, 5225 Belle Dr., and John R. Williams, 26 Sidney Drive.

Col. Charles R. King, Poplar Ridge Road, is running as an independent.

An issue in the campaign appears to be allowing development of a mobile home park in the city. Other needs of the city are sewage and water line extensions.

Five men are to be elected to run affairs of the city.

Walton Homemakers

The Walton Homemakers Club held its October meeting at the RECC Building, 7363 Nicholson Road, with Mrs. Ruth Glenn serving as hostess.

Mrs. Paul Beighle, president, conducted the business meeting. She informed the club the Christmas Display would be held at Ockerman Junior High School, U. S. 42, Florence, November 20. All members are to bring display articles to the November meeting.

Mrs. James Burden gave a very interesting lesson on "Food Sources of Vitamin A." The foods prepared by members and eaten for the noon meal were enjoyed.

Mrs. Ruth Glenn taught the lesson on "Games, Toys and Play Materials." She said toys are the tools of play—look and question before selecting toys.

Those enjoying Mrs. Glenn's refreshments were: Mrs. Paul Beighle, Mrs. Donald McMillan, Mrs. Nelson Popham, Mrs. Homer Winburn, Mrs. James Burden, Diana Burden, Mrs. John Wood, Mrs. Frank Penick, Mrs. Lillian Acree, Miss Rachel Acree, Mrs. Donald Rice, and Mrs. Gaines Huey and Mrs. Harry Henson, guests.

Kindergarten Open House

The Walton Kindergarten, held in the First Baptist Church, will hold Open House on Thursday, October 21 at 7:30 p. m.

All parents and interested friends are invited to attend.

Walton Literary Club Has Meeting

The Walton Woman's Literary Club met Wednesday, Oct. 13, at 2:00 p. m., in Fellowship Hall of Walton Christian Church.

Mrs. A. H. Gaines, president, opened the meeting. Mrs. Zayda Clore led in reading the Club Collect and the Pledge of Allegiance.

Mrs. D. L. Lusby and Miss Louise Conrad were delegates to the KFWC Fifth District Conference, Oct. 6th, in the President Motor Inn, Ft. Mitchell. Mrs. Lusby gave an interesting report. She announced that Mrs. Gaines won second place in "Landscape In Oil," in the art exhibit at the conference. She also announced that Mrs. Mary E. Cobb, Covington Art Club, was elected governor of the Fifth District.

Other local members attending the conference were: Miss Rachel Acree, Miss Virginia Beverly, Mrs. W. R. Belcher, Mrs. Jesse Callen, Mrs. Zayda Clore, Mrs. A. H. Gaines, Miss Katherine Scott, and Miss Elma Taylor.

Mrs. W. R. Belcher, American Heritage chairman, and Mrs. John Hetterman, Conservation chairman, made brief reports. Mrs. L. M. Gabriel suggested that club members write letters commending the astronauts for reading the Bible in space while orbiting the moon in December, 1968.

Mrs. Claude Thompson gave the Spiritual Guidance on the theme, "Light." She read Romans 13:12.

Mrs. Zayda Clore introduced the guest speaker, Mrs. Margaret Daugherty Green, Cincinnati. Mrs. Green was a resident of Walton during her youth. Her topic was, "Come Home, Be My Guest." She read several poems from her published book, "Curves of Bright." She also read, "Tribute," her contribution to "Commemorative Anthology," published in memory of President John F. Kennedy. She was one of 112 poets asked to contribute to the anthology.

Mrs. Gaines welcomed as guests Mrs. Green, Mrs. Harry Daugherty, Mrs. Wadsworth Latimer, Mrs. Sidney Wyatt, Mrs. Asa Rouse and Mrs. Jack Rouse.

Members answering roll call were: Miss Rachel Acree, Mrs. Charles Alphin, Mrs. Dan Bedinger, Miss Virginia Beverly, Mrs. W. R. Belcher, Mrs. Cameron Brakel, Mrs. William Brown, Mrs. Jesse Callen, Mrs. John Callen, Mrs. Zayda Clore, Miss Louise Conrad, Mrs. L. M. Gabriel, Mrs. A. H. Gaines, Mrs. John Hetterman, Mrs. George Knox, Mrs. D. L. Lusby, Mrs. J. C. Mayhugh, Mrs. Melvin Moore, Mrs. W. H. Presser, Mrs. Thomas Rodney, Mrs. L. R. Richardson, Mrs. W. W. Rouse, Mrs. Sam B. Sleet, Miss Elma Taylor, Mrs. Claude Thompson, Mrs. Lloyd Watson, and Miss Mary West.

A delicious dessert course was served. Hostesses were: Mrs. J. C. Mayhugh, Mrs. W. W. Rouse and Mrs. John Campbell.

Christmas For Servicemen

Boone County Memorial Veterans of Foreign Wars, Post 6099, Ladies Auxiliary is again preparing and sending Christmas packages to the servicemen from Boone County serving in Korea and Vietnam.

If the parents or friends of servicemen from Boone County will please send their names and addresses to Mrs. Ada Horton, Union, Ky. 41091, Treasurer of the Auxiliary, be assured that they will be very happy to see that the boys will not be forgotten at this time of the season.

Fall Festival At Piner

The Piner Elementary School PTA will hold their Fall Festival on Saturday, October 23, 1971 from 5:00 to 9:00 p. m.

A turkey dinner will be served. Adults \$1.25, and children 12 and under, 75 cents. Also available will be barbecue and hot dogs.

There will also be an auction, country store, booths and games. Door prizes from local merchants will be awarded every 15 minutes with the final drawing being for a Polaroid camera.

Everyone is invited for a delicious meal and fun for the whole family.

NEW BETHEL REVIVAL

New Bethel Baptist Church in Verona is having a youth-led revival conducted by a youth team from Cumberland College. Perry Sears will be leading the services every night at 8:00 o'clock. The revival will start October 22 and continue through both Sunday services on October 24.

Gene Huffman will be leading the music and directing the choir. Pat Bradley will come to help in any way she can and will give her testimony.

The youth are inviting everyone to attend.

NO SCHOOL FRIDAY

Supt. E. C. Roberts has announced that students of the Walton-Verona Schools will be dismissed from classes on Friday, October 29th, as teachers will attend a session of the NKEA.

It was also announced that an in-service day has been changed from October 22 to January 28.

300 Applaud At Hinsdale Dinner

R. C. Hinsdale was ushered into retirement to the applause of 300 friends at a testimonial dinner at Simon Kenton High School, Independence.

Hinsdale, superintendent of the Kenton County school system for the past 11 years, also heard a letter of praise from President Richard M. Nixon, who wished him well in his retirement.

Supt. Don Davis read the letter which reminded the audience that a member of the White House staff, Ron Ziegler, was a graduate of the Kenton County system.

Other letters came from Kentucky's two senators, John Sherman Cooper and Marlow Cook, and from Rep. Carl Perkins of Kentucky, chairman of the House Committee on Education.

Personal best wishes were received from officials of the State Department of Education, who attended the testimonial, organized by the Kenton County Faculty Association.

The Kenton Fiscal Court also presented a resolution of praise. Gifts included a tackle box, a transistor radio, wrist watch, luggage and a down payment on a riding mower.

Candlesticks made from the old desks purchased when Hinsdale joined the system 40 years ago, also were presented.

The editor has known Mr. Hinsdale for many years and we add our best wishes in retirement.

MENTAL HEALTH FILM

A film will be shown by the Mental Health Association, "Children's Emotions," at the regular meeting of the Kenton Elementary PTA, to be held Thursday, October 21 at 8:00 p. m., in the school gym.

Mrs. Robert Gibson and Mrs. Isaac Gabbard, the membership chairman, urge all parents to become members of the PTA.

BEN HALL IN HOSPITAL

Ben K. Hall, Contact Representative for the Bureau of Veterans Affairs, will NOT be in Burlington, or in Warsaw, on November 3, 1971. However, there may be a replacement for him on this date.

Mr. Hall is in the Veterans Hospital, Cincinnati, and will be there for a period of four to six weeks.

WINS SECOND PLACE

A student at the Anneliese Art Studio of Walton, Mrs. Anna Pearl Gaines, Walton, entered an oil painting in the Fifth District meeting of the Kentucky Federation of Women's Clubs at the President Motor Inn, recently. She was the second place winner in oils.

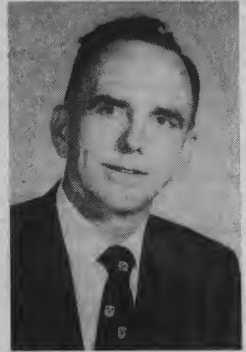

We congratulate Mrs. Gaines!

Spiritual Healing Services

The Union Presbyterian Church will hold a spiritual healing service every Sunday night at 7:30. Everyone is invited to attend.

On a recent visit to a cosmetics counter, I discovered that there is a product known as "throat oil" which, I suppose, is for women who talk all the time.

Special Classes At New Banklick Church

Dr. George A. Jones

New Banklick Baptist Church is happy to announce the presence of Dr. George A. Jones to the church October 25-26, 7:00 to 9:00 each evening to teach the First and Second Epistles of Peter.

A coffee break will come during the first and second sessions of the two evenings. Rev. Johnson, pastor, said, "We do want to invite everyone who is interested in good, sound Bible teachings to come and join us each evening. There is no charge or offerings taken at either session. New Banklick Baptist Church believes in presenting the best of Bible teaching, using sound Gospel teachers like Dr. Jones."

Dr. Jones is Executive Secretary and Treasurer of the Northern Kentucky Baptist Association. He came to this area July 1, 1970 to assume this responsibility. He has served the Association in many capacities, and holds his classes spell-bound by his method of class participation.

A hearty invitation is extended to any church group who would like to attend these two evenings of Bible Study with this man of God.

Wage-Price-Rent Freeze

Persons with questions about the wage-price-rent freeze are reminded that they can get information by calling the Boone County Agricultural Stabilization and Conservation Service office in Burlington at 586-6175, according to Director Doretta B. Rouse.

Local Internal Revenue Services offices are also available to provide information on the freeze, Mrs. Rouse said.

The Burlington office is open weekdays from 8:00 a. m. to 4:30 p. m.

Revival at Independence

Independence Christian Church, Independence, will hold a revival from October 24 through October 29, each evening at 7:30.

Bro. Wally Lewson, pastor of Bethel Baptist Church, will be the speaker. You are invited to hear his inspiring Word of God preached as it is from His Holy Book, the Bible.

Shirley Cummins, song leader, has special music planned.

The public is cordially invited to attend.

Plan Annual Meeting

The Boone County Artificial Breeding Cooperative will hold its annual meeting, with lunch, on Thursday, October 28 at 12:45 p. m. at Duff's Famous Smorgasbord, U. S. 25 and Industrial Road, in Florence.

The program will feature a talk on feeds by an expert from the Indiana Farm Bureau Cooperative Association.

All active members are invited.

Methodist Men Meet Here

The Walton United Methodist Church will be host to the Covington District Methodist Men on Thursday night, October 21.

The Wesleyan Service Guild will serve dinner at 6:30 p. m. The speaker for the evening will be Capt. Philip DeMichael of the Salvation Army, during the 7:30 business session.

Oct. 17, 3:05 a. m., High School Court, man to hospital.

In reporting the groups that visited the fire house during Fire Prevention Week, the name of the Walton Kindergarten was omitted.

BROWN CAMPAIGNING

Don Brown, candidate for State Representative from Boone County, campaigned in the Walton-Verona and Florence areas with Jim Host, candidate for Lt. Governor, and with gubernatorial candidate Tom Emberton, the past week.

Don noted the enthusiasm generated by the candidates and their personal appeal to Boone Countyans from all walks of life.

McBEE WORKS WALTON

Bill McBee, Democratic candidate for State Representative from Boone County, was working in Walton, last week. He was accompanied by Buddy Grubbs and they both stopped in the Advertiser's office. However, we were so busy we had little time to talk to them.

HOST-HARPER IN TOWN

Jim Host brought his campaign for Lieutenant Governor of Kentucky to Boone County last week. He was accompanied by Ken Harper, a native of Northern Kentucky. Host and Harper stopped in the Advertiser for a short time. Both are quite pleasant gentlemen.

Host said, "Our state has come a long way in the past four years. We have been able to erase the multi-million dollar state deficit left by Gov. Breathitt."

Social At Independence

A turkey social will be given by the Independence and Community Volunteer Fire Department Ladies Auxiliary on Sunday, November 8, at 2:00 p. m., in the Firehouse on Madison Pike, Independence.

Twenhofel PTA Meeting

Twenhofel's first PTA meeting was held with the new president, Mrs. Robert White, presiding. She introduced the faculty for this year.

Assistant County Superintendent Robert Barnes informed the parents of the over-crowded schools. He stressed the point that the parents should speak out for better education.

Presents Thesis To Dietetic Association

Anda Lou Gouge has just returned from Philadelphia, where she presented her thesis to the American Dietetic Association. The paper was entitled, "Nutritional Deficiencies in the Diets of Mentally Retarded and Handicapped Children and Correlations With Environmental Factors." The paper will be published in the Journal of American Dietetic Association in the near future.

Mrs. Gouge has been a member of ADA since 1966. She also holds membership in the Ohio Dietetic Association, Cincinnati Dietetic Association, American Home Economics Association, and the American Association on Mental Deficiency.

Anda Lou is the daughter of Mr. and Mrs. Andrew Penn, Walton, and a 1961 graduate of Walton-Verona High School. She received her B. S. degree from the University of Kentucky in 1965 and completed her dietetic internship at the VA Hospital, Hines, Ill., in 1966. She will complete the requirements for the M. Ed. at the University of Cincinnati, in December.

Anda Lou is married to Ira Dumont Gouge, son of Mr. and Mrs. Leo Gouge, Independence, and they have a daughter, Andrea.

Revival At Carrollton

Revival services will be held at the Second Baptist Church in Carrollton, November 7-12, at 7:30 each evening.

The evangelist will be Rev. W. K. Brown, pastor of the First Baptist Church, Burlington. The pastor, Rev. Herbert Baker, said you are most welcome.

PROCLAMATION...

Whereas, it has come to my attention that each year at Halloween time, the begging by children, young people, and in some cases adults, is on the increase. Many homes have been visited at least a week in advance of Halloween. We do not object to children enjoying this season of the year, but feel that it is being overdone.

Therefore, I do proclaim Saturday, October 30, 1971, as begging night in Walton, Kentucky.

I ask all home owners or residents of our town not to issue treats of any kind until the above date.

Not Responsible for Accidents!

Dear Voter:

On the Ballot at the Regular Election on November 2nd, your Fiscal Court will be asking your approval to issue bonds from which the proceeds will be used to construct a New County Jail and County Police Facilities.

The present jail facilities are totally inadequate. In the past year alone there were nine escapes by prisoners from the old jail. These escapes must be considered criminals who jeopardize the welfare and safety of all of our citizens. In addition, it has been necessary for the County to bear the expense of transporting and housing its prisoners in the Covington, Kentucky jail.

Your County Police force has grown as the population in the County has grown, and will continue to grow as the County grows and prospers. If you are to be provided the protection and safety you are entitled to, it is necessary we provide adequate police facilities.

The following table shows how little it will cost each property owner per year—

Taxable Valuation	Per Month	Per Year
\$ 5,000.00	\$.107	\$ 1.29
\$10,000.00	\$.215	\$ 2.58
\$15,000.00	\$.322	\$ 3.86
\$20,000.00	\$.430	\$ 5.15
\$25,000.00	\$.538	\$ 6.45
\$30,000.00	\$.645	\$ 7.73
\$35,000.00	\$.753	\$ 9.03
\$40,000.00	\$.860	\$10.31
\$45,000.00	\$.968	\$11.61
\$50,000.00	\$1.076	\$12.90

The question as it will appear on the Ballot is as follows:

"Are you in favor of the incurring by Boone County, Kentucky of an indebtedness in the principal sum of \$625,000.00 by the issuance of General Obligation Bonds, for payment of which, with interest, the full faith, credit, resources and taxing power of Boone County would be irrevocably pledged, said Bonds to be issued for the purpose of providing funds for the construction and installation of a new Boone County Jail and County Police Department Building, with necessary appurtenances, and to defray all expenses incurred in connection therewith?"

Boone County is the fastest growing County in the State and it is vitally important for the safety and welfare of all of its Citizens that these facilities be built without delay.

A simple majority is not sufficient for approval, a two-thirds majority is required, so we urge you to support this needed facility.

BRUCE FERGUSON, County Judge
WILLIAM P. McEVY, County Attorney
MELVIN COLLINS, County Sheriff

VOTE YES ON NOVEMBER 2

For The Boone County Police & Jail Bond Levy Don't Vote No!

WHAT IT IS ALL ABOUT?

The construction of a modern and efficient police and jail complex in Burlington to replace the long antiquated facility now in use. Grand Jury after Grand Jury has asked for replacement. The bond issue will ask for \$625,000.00, which will cost the county an estimated interest cost of 1¼% for a period of 25 years.

WHY DO WE NEED IT?

Boone County is and has been on the move—and to continue our rapid development we must improve and expand all public facilities of this nature. A first class county cannot serve the people of Boone County with inadequate facilities. This Bond Issue can keep us up front. Building costs will not go down, nor will interest rates . . . Let's Do It Now!

HOW MUCH DOES IT COST?

The total bond issue will cost \$625,000.00 plus an annual interest rate of 6¼%, payable over 25 years. Interest figures are based on current market rates.

WHAT WILL IT COST YOU?

TODAY'S FABRICS

Automatic dryer designers saw the trend to durable press fabrics for fashionable apparel.

So, they designed a special dry cycle to keep the new fabrics wrinkle free. It is included on the latest automatic dryers.

There is a new innovation on the latest automatic washers too. It introduces cold water during the rinsing cycle. This prevents wrinkles from setting in the new fabrics.

See the many automatic washers and dryers... with the carefree wash 'n dry cycles... CG&E's downtown Cincinnati Lobby, Fourth and Main.

COUNTY AGENT'S 1/2 ACRE

—by—
JOE CLAXON

Late October or November is a good time to apply fertilizer to shade trees. Contrary to popular belief, roots do grow during much of the winter when soil is not frozen. As they grow, fertilizer is consumed for use when the trees leaf out in the spring.

Fertilizer speeds growth and increases leaf size and twig development. Perhaps its effect on the tree's overall height is its most important contribution. Slow-growing tree species may be stimulated to mature at twice the rate of an unpampered tree. Rapid growth may be the answer for the man with a limited budget who can only afford to buy small trees.

Homeowners who fertilize new trees should wait until they are at least one year old. Over-fertilizing a recently planted tree can severely damage feeder roots and may actually kill it.

Before applying fertilizer to older trees, decide if it is really needed. Measure the rate of annual growth by placing a measuring tape at the tip and measuring back to the bud scale scars. They are conspicuous concentric markings left by last winter's bud protecting scales. Growth rate will vary with tree species, soil type, and environmental conditions. Generally, terminal twig growth on most trees should be 9 to 12 inches or more a year. Trees approaching mature size grow only 6 to 9 inches a year. If annual growth is less, fertilization may be warranted.

Conscientious objector: Shun of a gun.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

Nunn Calls for 5% Sales Tax, \$12.50 Auto Tags. (February 1968)

Kentucky Nears 100,000 Unemployed (September 1971)

Nunn Rejects Ford's Call To Take Tax Off Groceries (August 1971)

Isn't it time we had some good news?

Tax and spend, tax and spend, tax and spend—that's the way it has been for four Republican years. Now we have a 5¢ sales tax, and car and truck license fees have been raised from \$5.00 to \$12.50. Our driver's license has been raised 50 per cent to \$3.00. Auto transfer taxes were imposed by the Nunn administration at 5¢ on the dollar, regardless of how many times the car had been sold. The best news in years for Kentucky taxpayers will be the news that Wendell Ford has been elected governor. He has already helped by getting the tax off prescription medicines and farm implements and automobile transfers between family members. His record proves he deserves to win. He is a proven tax cutter. Join the move to restore confidence in government and confidence in our government leaders. Elect Wendell Ford.

My First Week In the Hospital

By R. V. Lents

EPISODE V

Sunday is usually a day for rest and worship but not for the nurses and aids, who had to wait on their patients and make them as comfortable as possible. I heard the church hymns being sung in the chapel. The pastor of the church of which I am an elder came to the hospital offered prayer and served communion to me.

I was permitted to sit up most of Sunday afternoon, and as the day before needed the help of a nurse or aid. My room mate and I were in the same predicament as the day before. My eyes were bandaged and neither my room mate nor I could get to our signal cords to turn the signal light for aid. I had been drinking milk and was holding the empty milk carton and attempted to get the attention of an aid by pecking on the carton with my fingers. I continued on the carton until a passerby asked me if I were trying to signal for help. I told her I was and I

soon had the needed help. The nurse said, "Your signal had been heard, but someone said 'That is one of those birds in room 302 mocking a woodpecker.'" Room 302 was called the bird room by some of the aids afterwards.

During visiting hours Sunday evening a visitor said, "Mr. Lents, why do you have all those bricks hanging to the limbs of your apple trees?" That question has been asked hundreds of times. I live in the city and have two semi-dwarf apple trees in my back yard. The trees did not begin to bear fruit until I tied the bricks to the limbs to keep them from touching each other permitting more sunlight to penetrate the foliage.

Attention Northern Kentuckians

There has been in recent weeks much heated discussion concerning the merger of the Salmon P. Chase School of Law into Northern Kentucky State College.

The question that rises to the minds of most Northern Kentuckians is—why?

This merger entails no cost to the Commonwealth; Chase School of Law has been completely self-supporting for many years. There is no logical argument against this move.

It's time Northern Kentucky started reaping some of the benefits of belonging to the great Commonwealth of Kentucky. The pledge of support below, when signed by you and mailed to Box P, Northern Kentucky State College, 1401 Dixie Highway, Covington, Ky. 41011, will join those of thousands of other loyal Northern Kentuckians in the fight to make this merger a reality.

—Students in Support of the Merger of Chase Law School
and Northern Kentucky State College

Northern Kentucky State College and Chase Law School:

I support the Merger which will benefit all Northern Kentuckians.

Sanitarian Speaks

By Randal E. Ritchie

It is a beautiful time of the year. Leaves are turning all colors and making a very beautiful landscape. But the leaves are beginning to fall and when the first good frost comes many more will fall.

This creates a problem for many homeowners who have enjoyed the beauty of the trees and their cooling shade. In a few weeks the beautiful leaves will be ugly and harmful smoke.

However, there is no reason for the smoke. It is just as easy and much safer to buy some large trash bags and have these leaves hauled away by your trash hauler. Burning leaves create a nuisance to yourself and your neighbors. They pollute the air and we all know we do not need any more of this. There is also the danger of causing a damaging fire.

Your local health department requests that you refrain from burning anything, anywhere, anytime. Help us fight air pollution by not adding to it yourself.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The other morning our household was stirred earlier than usual by a sudden chilly wind blowing outside. We looked out the window and to the amazement of all saw that over night the leaves of the trees had changed their hue, and some had already fallen to the ground. This was the signal that Fall was not very far hence. Soon there would be the early frost, with the sudden icy film on car win-

dows, causing the early rising drivers a bit of anxiety by having to remove this icy film with an ice scraper, or some other means. With fingers chilling; with the necessity of the car heater; with the prayer on each lip that the old buggy will hold up with the present filling of anti-freeze and tune-up. All of these things should make us aware that after Fall, then comes Winter. And we fear that still some will neglect the necessary winter preparation of their cars.

As this writer thinks of these things he cannot but help recall the words of the Prophet Jeremiah when he voiced his concern over the calamity of the Jews and their forth coming judgment by saying, "The harvest is past, the summer is ended, and we are not saved," (Jer. 8:20). Truly, God has given our churches this past summer every opportunity to have a great harvest of souls; however, just as we procrastinate with our preparation for the cold weather around our homes, even have we done so with the opportunities opened to us during the summer for the reaching of souls.

We of the New Banklick Baptist Church are happy that God has used us in many ways this past summer, and even still uses us; however, when we get to the point that we are totally satisfied with the results of our efforts, then will we fall into the pit and the snare as the people in the days of Jeremiah the prophet. They had become self-satisfied with doing nothing, and so they let harvest time come and go and they were still lost and without hope in the coming judgment of God. This writer has always told his people that the day they stop doing anything for God will be the day that he feels that God will remove him

to another place of service where people want to serve the Lord. For just as the farmer cannot expect the harvest of golden ears of corn, or first grade tobacco plants, neither can the child of God expect to reap a harvest of souls when he has not cultivated and reaped with his labors.

Truly, New Banklick Baptist Church has been doing some mighty fine sowing, and now, is not the time to let down on the job. The harvest time is drawing nigh, and we must roll up our sleeves and get busy with the task at hand. We can see how that our talented music groups have gone out and sung for the glory of God. We have witnessed the show of gratitude by the warm response of those who came to listen and to be filled with the messages in song, and the preaching of God's Word. But the important thing that we must remember is that one's faithfulness will only be as strong as their dedication for Jesus Christ. May none of our people at New Banklick Baptist Church ever go out with the idea that they are good within themselves, and that they need no one to help them along life's way. Should this ever happen, then, and truly then, will our efforts for Christ draw to a close and without any visual results.

CROCKETT'S COVE

I get plenty of teasing from the fellows at the plant about my cove. They call it "Crockett's Cure-all for Tired Executives." And they're right.

Drifting alone on the still water, tiny under the full sky, things fall into perspective. A bird calls, upriver a fish arches, a passing breeze brings blossom scent. Somehow, no matter how thorny my problem, the harmony of God's nature takes the kinks out of me.

Things weren't always this way. A few years back a tree was just a tree to me—a lake, a lake. Now, wherever I look, I see God's goodness.

It all started one evening when, worried and depressed, I wandered into a church. I can't remember now what was sung or read, but I will never forget the sense of God's presence. Since then, God's Church and teachings have been my strength.

Your church offers inspiration and a fresh viewpoint. Take advantage of it.

NEVER TOO BROKEN

Lesson for October 24, 1971

Background Scripture: Isaiah 61; Ephesians 2:11-19; Colossians 1:21-23. Devotional Readings: Isaiah 42:1-9.

Rev. Althouse

There is a dramatic scene in John Masfield's poem, *The Window In The Bye Street*, with a widow present at the execution of her son. Deeply moved, she prays, and in her prayer she speaks of eternal life as "a rest for broken things too broke to mend."

It is true: there are some things that have become too broken for men to repair. Some people are like "Humpty Dumpty" in that "all the king's horses and all the king's men" can't put them together again. Often the most tragic consequences of sin is the knowledge that we cannot do anything to "make up for it." Though men are capable of destroying almost everything, there are many things they cannot repair.

The beauty of the Gospel of Jesus Christ is its word of hope and promise concerning all the brokenness of life. Jesus came to heal our brokenness, to make us whole again. He came as the fulfillment of Isaiah's ancient promise of a divine Healer:

... the Lord has anointed me to bring good tidings to the afflicted; he has sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound ... (Isaiah 61:1).

"Holy" and "whole"

Christ's whole purpose in coming, said Paul, was to: "present you holy and blameless and irreproachable before him ..." (Colossians 1:22). To be "holy" is to be "whole." Both of these terms as well as "healthy" are derived from a common Old English word, *hal*, which means complete. Thus, the Gospel proclaims to us the assurance that things are never too broken that, by the power of Christ, they cannot be made whole.

An Open Letter—

Betty Carlisle Goes To The Top For Help—Richard Nixon

Yes, I sent a certified letter to the President of the United States. The men (City Council) have gone through most committees and government people they know to try. They have talked to everyone that is suggested to them. I doubt if Mr. Nixon sees my letter, but someone will probably answer and can give us new people to try.

If everyone would spend as much time doing his share to help, maybe our town would not die.

I had this thought during the night—"Wouldn't It Be Awful If Jesus Would Come Today?"—when everyone is full of hate, spite and untruths. I thought of the things I had heard about my husband—a person who has tried to help everyone by his service in the fire department and life squad and many other ways in our community. I know he cares about the people, in spite of the talk. I thought of the pain I was feeling inside. I thought, how Awful—For Me If Jesus Would Come Today.

Walton Sewer System???

Please Read This Very IMPORTANT NOTICE Of Your Rights

The present Town Council only let you vote for one of three sewer plans. This is not fair! You should also have the right to vote FOR or AGAINST ANY system at all. The following is a list of 8 people who are running for the 6 vacancies. November 2, 1971 is election day. Each person on this list absolutely GUARANTEES you a vote FOR or AGAINST any sewer system, not just a feeble vote for 1 of 3 plans. If you want complete say-so in this matter, just vote for your 6 favorites out of the 8 on this list. This way, you can't go wrong.

Expenditures**

By Gene Snyder

In the weeks ahead, Congress likely will have a prolonged and bitter debate about defense spending. There will be much talk about reordering priorities, the military-industrial complex, and the cost of building new weapons systems. This, of course, is not a new debate, but if the history of the recent past is any guide, it is a debate in which the real issue

will be obscured.

The real issue is this: How much defense is enough? No reasonable American can believe seriously that we can get along in today's world without a strong defense program. Therefore, the debate should center on the matter of how much military strength is necessary to guarantee national survival and security.

There is no basic value in maintaining extensive military forces or in developing costly weapons beyond our real security needs. A country with peaceful intentions cannot justify armed might which in greater than that needed for its own security. But, decisions about how many men are needed, how sophisticated weapons must be, and how large the defense establishment should be, cannot be determined by mere consideration of domestic priorities. Those decisions have to be the result of an evaluation of the power relationships within which the nation must operate and its responsibilities to other countries.

President Nixon has summed up our responsibilities and our defense needs in these terms: "We do not seek power as an end in itself. We seek power adequate to our purpose, and our purpose is peace."

Therefore, we must maintain a defense posture which will keep America ready and strong. Military power is not a luxury but a necessity. As long as we live in a world where some nations desire to dominate others, we have no choice in the matter of maintaining a defense capability adequate to assure our survival. Great nations cannot retire from the world. They must live in the knowledge that there can be no peace unless they have the power and the will to defend it.

I am aware of the many domestic needs and problems facing our nation; but, I believe you will agree, if we cannot preserve our freedom, then the domestic priorities are purely academic.

The military budget has already been substantially cut, and there

are serious questions about whether it can be safely reduced by much more.

That's something which Congress should not ignore regardless of how politically charged the debate

over defense spending becomes. My prime concerns in this matter will continue to be to eliminate waste and to obtain the absolute maximum from our defense expenditures.

When railroads, trucks and water carriers work together

America is really on the move!

The Louisville and Nashville Railroad brings the products of America's farms and factories to your town. Working closely with shippers, they help hold transportation costs to a minimum while improving and expanding their service to meet the growing freight needs of our nation. Surface transportation companies like the Louisville and Nashville Railroad can't cope with soaring costs because income just hasn't kept pace. The problem is common to all three transportation modes: railroads, trucks, and water carriers. If the system should break down, you and your family would find yourselves paying more for everything you need. The problem

demands immediate attention. That's why the Surface Transportation Act of 1971 has been introduced in Congress by Senator Vance Hartke (S-2382) and Representative Brock Adams (HR-10146). Transportation must be relieved of burdensome, antiquated government-imposed restrictions which hamper the improvement of services essential to the public. Many solutions are included in the proposal: a finance agency to assist in providing loans and guarantees carriers need for new equipment; wider latitude in permitting railroads to relinquish unprofitable routes; new approaches for protecting grade crossings. There's more of course, but

the end result will provide America with a sensible program upon which its vital surface transportation companies can grow. The Louisville and Nashville Railroad, one of the Nation's great railroads serving shippers on 6,540 miles of track in 13 states, is solidly behind the proposed Act. The L&N urges you to write your Congressmen and Senators to request its passage. May we count on your support?

Court Bars Further Sewer Action By Walton Council

The Walton City Council has been blocked from further discussion of a sewer system by a Boone Circuit Court restraining order.

The order was signed by Circuit Court Clerk Mabel Benson, Burlington, following filing of a suit against Acting Mayor Guy Carlisle and members of Council.

The suit was filed Tuesday of last week by Lloyd Poore, 14 Welsh Avenue, a candidate for Council in the November election.

The temporary restraining order was served on councilmen as they enter the Walton City Hall for a regular meeting.

Mr. Carlisle said, "From what our attorney told us, we can't do anything further on a sewer system until this goes through the courts."

The restraining order prohibits Council "from taking any action to enter into any agreement or commitment" of any kind for the construction of a sewer system, and demands Council place the matter of the system "on the ballot in the form of a referendum or bond issue."

Attached to the suit was an 18-page petition with some 532 signatures supporting Mr. Poore's action and opposing Council.

"I was selected by a group of citizens opposed to Council's three plans," Poore said, referring to sewer system financing plans rejected by Walton residents.

"I oppose the proposals, but not the sewer system itself—and I'd say that's the feeling of 90 percent of the town," Poore added.

Carlisle said, "They're opposed to the amount of money the sewer system is going to cost, but we think we've found the cheapest, best system there is."

On Ford Committee

Two Boone Countyans have been appointed to two Ford-Carroll statewide campaign committees it was announced this week by Walter (Dee) Huddleston, Democratic state campaign chairman.

The members and their committees are: Asa M. Rouse, Walton, Lawyers Committee, and Carroll L. Cropper, Burlington, Citizens Committee.

The Lillard DAR Spotlights Hawaii

The 50th state was depicted in song, story and pictures at the Hawaiian luncheon given by the Capt. Lillard Chapter of the Daughters of the American Revolution, October 9th, at Harp House, Williamstown.

Presiding over the meeting was Miss Martha M. Blaine, newly elected Regent for 1971-1973.

Guest speakers were: Herman Norton of the Kentucky Department of Motor Transportation, and Mrs. Norton, along with Mrs. Edward Eskew from the faculty of LaFayette High School, Lexington, all of whom had recently toured the islands.

Hostesses for the occasion were: Mesdames Alva Ransdell, Lois Allen, Edward Eskew, Mable Walden, Edgar McNabb, and Miss Martha Blaine.

Chapter officers for the year, other than Miss Blaine, are: Vice Regent, Mrs. T. A. Perry; Chaplain, Miss Elizabeth Flage; Recording Secretary, Mrs. Iva Clements; Corresponding Secretary, Mrs. Sally Odor; Treasurer, Mrs. Alva Ransdell; Registrar, Mrs. Zayda Clore; Historian, Miss Louise Conrad; Librarian, Mrs. Winston Mason.

Attending the meeting: Dr. Le-nore Chipman, Misses Martha M. Blaine, Louise Conrad, Elizabeth Flage, Louise Flage, Mary Kene Shipp, Mesdames Lois Allen, Chas. Z. Allphin, Kate Barnes, J. W. Bennett, Joella Brames, Ivan Clements, Sally Odor, Zayda Clore, B. C. Cotton, Robert Darnie, Edward Eskew, Kenneth Greene, Abram Hedges, John Just, Alva Ransdell, and Otis Roadmour.

W-V Band Boosters To Have A Turkey Dinner

The Walton-Verona Band Boosters will have their annual turkey dinner on Sunday, November 14th in the Walton-Verona cafeteria.

The menu will consist of turkey, dressing, gravy, green beans, parsley potatoes, jello salad, hot rolls, coffee or tea, and homemade dessert.

Prices for adults are, \$1.35 in advance or \$1.50 at the door; 75 cents for children through grade six or 85 cents at the door.

Band members will be selling tickets.

The County Patrol Fighting Robbery

According to a report to Boone Fiscal Court by Boone County Patrol Captain Tom Schwartz, patrolmen have been working extra hours to control the rise in breaking and entering in the county.

Twenty-three cases of breaking and entering were reported for the month of September, and Capt. Schwartz said that patrolmen have been working their days off to prevent further theft. They have been visiting all areas of the county in an attempt to inform citizens to be on the alert and, Capt. Schwartz said, "asking them to be more aware, and help their neighbors when they're gone."

Capt. Schwartz also told court members that a new full-time patrolman has been hired. Lawrence Lee Graves, Erlanger, will take up his duties November 1st. He will move to the county.

To Sell School Building

The old Verona school building on Route 16, Verona, will be sold at auction, Saturday, October 30, at 10:30 a. m.

There are about 2.68 acres and a very large cabinet.

Col. Cecil A. Wayman and Associates, Tom Hodge and Gayle McElroy are in charge of the sale.

Attend Annual Meeting

Those from the Walton Homemakers Club attending the Boone County Homemakers' Annual meeting, October 19th at the Round-tower Motor Inn Restaurant were as follows:

Carol Burden, Wilma Winburn, Aurelia Day, Sue Gibson, Gaynelle Flynn, Margaret Wood, Sonny Popham, Wilma McMillian, Dorothy Beighle, Lillian Acree, Pauline Huey, and Gertrude Henson.

A very interesting program was presented by the County Chairmen and a delicious buffet dinner was enjoyed by the guests.

Kenton County 4-H Leaders' Style Show

"Holiday Horoscope," with future fashions is the theme for the style show to be given by the Kenton County 4-H leaders.

Mrs. Herbert Works and Mrs. Curdiss Noem, chairman and co-chairman, have announced the date as November 4th. The place will be the Simon Kenton High School auditorium, at 7:30 p. m. Donation per ticket will be \$1.00. Each ticket will be eligible to win door prizes. The profits of this event will be used to promote and carry on the county 4-H club program.

Tickets will be available in advance through the county extension office, also the 4-H club members will have them for sale. Please help make this event a success. The fashions will be presented by the Fashion Store, 40 Pike Street, Covington.

Bake Sale; Rummage Sale

The Wa-Ne Woman's Club will sponsor a bake sale and rummage sale on the City-Parking Lot on Saturday, November 6th from 9:00 a. m. to 3:00 p. m.

Each member is asked to bring two items for the bake sale.

If pickup is needed on donations for the rummage sale, call Mrs. Dennis Flynn, 485-7179, or Mrs. Asa M. Rouse, 485-7163.

Plan Move To the New Verona School

Plans are being made for the 4th, 5th and 6th grades to evacuate the old school in Verona and parade to the new building on Thursday, October 28th at 2:00 p. m. It is hoped that the Fire Departments from Verona and Walton, as well as the State Police, can participate in the parade.

In case of rainy weather, the parade will be cancelled. In this case the students will go home from the old Verona building as usual on Thursday, but will go to the new building the following Monday.

Friday, October 29th is NKEA for teachers at Conner High School at Hebron.

Remember to attend the auction of the old Verona building on Saturday, October 30 at 10:30 a. m.

Lunches will be served in the new school building beginning on Wednesday, November 1st.

Wa-Na Club To Meet

The November 4th meeting of the Wa-Na Woman's Club will be held in the home of Mrs. Gayle McElroy on Alta Vista.

The program will be Christmas decorations, given by Mrs. Nelson Popham and Mrs. Daniel Hance. Mrs. Harry Henson and Mrs. McElroy will serve as hostesses.

PINER HOMEMAKERS

"Self Improvement," was the lesson given by Mrs. Malcolm Oliver and Mrs. Clarence Duncan at the October 18 meeting of the Piner Homemakers Club, in the home of Mrs. Richard Colclough.

Mrs. Clarence Duncan, vice president, opened the meeting in the absence of Mrs. James Bentley, president.

The highlight of the day was honoring Mrs. Edna Flynn on her 94th birthday. She has been a member of the club for 41 years, being a charter member. Mrs. Elliott baked her an angel food cake, which was enjoyed by all. The club presented her with a gold pin.

Members present: Mrs. Edna Flynn, Mrs. Hazel Mullins, Mrs. Malcolm Oliver, Mrs. Frank Elliott, Mrs. W. O. Marshall, Mrs. Clarence Duncan, Mrs. Harold Bray, Mrs. Elmer Spaulding, Mrs. Mae Martin, Mrs. Robert Rolling, Mrs. Howard Willenborg, and Mrs. Richard Colclough.

Police Nab 6 In Walton Burglary

Boone County and State police arrested six young men Thursday of last week in connection with a \$3,000 burglary September 26, at the Standard Oil Station, I-75 and Needmore St., Walton.

Charged with break-in and entering and receiving stolen property are:

Gerald Dunn, 18, of High Street, Walton; Bob Stamper, 20, of Verona Road; Tony Thurman, 18, of Route 1, Walton; Rick Howard, 20, of Bullock Pen Lake, and two juveniles, 16 and 17.

State Detective Charles Seay, Boone County Deputy Sheriff Ron Kemmer, and Boone County Patrolman Monte Gordon made the arrests.

"We received a tip that broke the case," Kemmer said. He said the suspects have admitted the break-in.

Kemmer said Della Appel, head of the Boone County Scuba Divers, recovered about 16 tires that had been thrown into Bullock Pen Lake. More tires were found in caches on Old Salem Creek Road near Walton, and on Bagby Road in Kenton County, he said. He said the suspects admitted they had some loot.

Dunn, Stamper and Howard were held in Burlington jail under \$2,000 bond each. Thurman, who police said is on probation from an earlier break-in at the Walton firehouse, was held under \$4,000 bond. Hearing was set for November 4th.

A bachelor is a man who thinks he is a thing of beauty and a boy forever.

Maintenance Man Hired

The Walton City Council has employed Woodrow Ross as maintenance man for the City of Walton. Also, Guy Carlisle, Mayor, reported to the Advertiser, early Tuesday morning that Wendell Webster would start repairing the streets in Walton, very soon.

Mr. Carlisle also said that a policeman was not hired because references had to be checked.

St. Cecilia Turkey Shoot

The annual turkey shoot will be held Sunday, November 7th, starting at 1:30 p. m., until dark at the St. Cecilia Church, Independence.

Shooters will be limited to 12-gauge shotguns with shells provided. There will be refreshments on the grounds.

To Wed October 28th

Mr. and Mrs. Luther Barton of Verona, announce the forthcoming marriage of their daughter, Peggy Diana, to Mr. Charles Daniel Thornton, of Walton.

The wedding will take place on Thursday, October 28, at 7:30 p. m., in the First Baptist Church of Walton.

The public is invited.

Morning Circle Meets

The Morning Circle of the Walton Christian Church met on Wednesday morning at the church with Mrs. David Peebles as hostess.

Mrs. Al Reed had the lesson on "Techniques," and Mrs. Jack Rouse had the worship.

Those enjoying the breakfast were: Mesdames Morgan Campbell, Paul Simpson, Robert Eisen-schmidt, Al Reed, Nelson Popham, Frank Afterkirk, Jack Berkshire, Lula Huey, Gertie Lawrence, Jack Rouse and David Peebles.

Fire Dues Past Due

The Verona Volunteer Fire Department has announced that the fire protection dues for 1971-1972 are past due.

If you have a house or just one building, the dues are \$7.50; for a house and other buildings, \$15.00.

Make checks payable to the Verona Volunteer Fire Department, Box 31, Verona, Ky. 41092.

Fish Fry at Verona

The Verona Volunteer Fire Department will be having a fish fry on Saturday, October 30, starting at 10:00 a. m. and continuing until 7 at the Verona ball park.

Proceeds from this event will be used to purchase equipment for the fire department and for the building fund.

Fire protection dues will be accepted at the fish fry. Be there!

Fred came home from camp sporting a gold medal for packing his trunk more neatly than any other boy. "How did you do it?" marveled his mother. "At home we never can clean up the mess you leave behind." "Nothing to it," shrugged Fred complacently. "I just never unpacked it all summer."

The Church League Basketball Results

In the opening game of the Walton Church League basketball season, St. Cecilia defeated Hickory Grove, 59-51. Powers led the winners with 18 points and Koch added 12. Janeway was high for the losers with 12.

In the second game, the Church of Christ defeated Walton Methodist, 81-41. Bailey was tops for the winners with 18, D. Stahl and B. Gaskins added 12 each. Royce led the losers with 18 points.

The third game, which was close all the way, saw the Baptist defeat New Bethel, 72-70 in the final seconds. Ron Brown was high for the winners with 23 points, and Jim Noe and Gask added 16 each. D. Rich had 19 markers for the losers, and Huffman added 13.

This weekend, the first game at 5:30, pits Richwood against the Methodists; the second contest at 6:45, sees St. Cecilia play New Bethel; at 8:00, Piner tangles with Walton Christian, and in the finale at 9:15, Hickory Grove goes against All Saints.

The Walton-Verona Halloween Festival

Fun for everyone! Yes, there will be fun for everyone on Friday, October 29th, when the Walton-Verona PTA holds its annual Halloween Festival in the Walton High School gym.

It is hoped there will be plenty of young ones, teenagers, and adults dressed as their favorite character for the Grand March, which will be held promptly at 7:00 p. m. There will be several prizes given away—some for the little characters and some for the bigger ones.

Judges for the Grand March are: Mr. and Mrs. Eugene Sizemore, Mrs. Malcolm Simpson, Dan J. Roberts and James Lawrence. Marion A. Waller will act as the Master of Ceremonies.

There will be plenty of booths for you to win a prize: The Pepsi toss, Country Store, Sweet Shop, Basketball Shooting skill, and a great many more. Door prizes will be given away every 15 minutes, except during the Grand March.

Then from 8:00 to 10:00 p. m., there will be a dance held in the school cafeteria, the charge being 25 cents per person. There will be music for the younger set and teenagers and also for adults.

There will be two dance contests held—one for the best couple (boy and girl) to be held about 8:45, and one for the best single boy dancer and the best single girl dancer—this contest will be held around 9:15 p. m. The judges for these contests are Joe and Delores Sargent, Mary DeMoisey, Mr. Thompson (school principal), and Colleen Shields.

There will be live music furnished by the Mormon Tarish, a group known from their appearances at the Youth Center. They will play some slow dance music and also the current music popular today. It is hoped all ages will participate in this dance and make it successful. Those in charge of the dance are Maide Holder and Doris Elsen-schmidt, and they sincerely urge you to give it a try, as this is a first for the Halloween Festival. The PTA hopes to make it a permanent part of the festival every year.

There will be plenty of food to suit your taste and soft drinks and coffee.

The donation of cakes, pies and candy will be greatly appreciated.

The doors will open at 6:15 p. m. and the admission will be 10 cents, as usual. Get there early and enjoy a fun-filled evening from 6:15 to 10:00 p. m.

Don't forget! See you Friday night at the Walton-Verona Halloween Festival. Don't be late!

X-Ray Unit at Florence

The Boone County Health Department announces that the "B Chest X-Ray Unit, sponsored by the Kentucky Elks Association and the State Department of Health, will be at the Boone County Health Department, 7325 Woodstock Dr., Florence, on Friday, Nov. 5th.

The hours are 10 a. m. to 12 noon and 1:00 to 3:00 p. m. Persons eligible for the free chest x-rays are those over 18 years of age, those persons under 18 and pregnant women only if referred by a physician.

Fall Housecleaning Should Include the Medicine Cabinet

This is the time of year for fall housecleaning. The Boone County Health Department reminds all of the busy housecleaners to include the family medicine cabinet.

It's a rare cabinet that doesn't contain some ancient medicines prescribed for an illness long vanished, lotions and ointments you've had for years, and aged cough medicine and nasal sprays that may no longer be effective. Some substances may even be dangerous to use if their chemical composition has changed during a long storage period on a cabinet shelf.

It's a good idea to dispose of the unused portion of any prescription medicine as soon as the illness for which it was used is over. Your physician should decide when it's time to renew a prescription.

If it is necessary, because of a chronic disorder, to keep a poisonous or dangerous drug on hand, be sure to label it clearly and store it out of reach of children—on a high shelf or in a locked drawer.

A good rule to follow in medicine cabinet cleanup is this one: When in doubt, throw it out.

And another thing, always turn on the light at night when searching for something in the medicine cabinet—this might save your life.

Taxpayers Will Receive Needed Tax Reduction

By Gene Snyder

The House of Representatives just passed a major tax relief bill which incorporates the basic outline of the tax proposals in the President's new economic policy and will affect every taxpaying citizen.

This bill, the Revenue Act of 1971, was designed to stimulate our sluggish economy, reduce unemployment, improve our balance of payments, and equally important, help those taxpayers hardest hit by inflation. I am glad to see tax relief aimed at those with modest

incomes. These people suffer the most by inflation.

This legislation is part of President Nixon's New Economic Policy—a program of price and wage restraints, job development tax cut incentives, personal income tax cuts and auto excise tax repeal, realignment of major international currency exchange rates, and imposition of a 10 percent surcharge on imports. The tax relief in the bill, therefore, is overwhelmingly in favor of consumers, contrary to the unfounded charges made by some labor leaders.

The major provisions of the Revenue Act of 1971 as passed by the House and sent to the Senate are:

Increase the \$650 personal income tax exemption to \$875 this year and \$750 next year.

Raise the standard deduction in 1972 from 13 percent of taxable income with a \$1,500 maximum to 15 percent with a \$2,000 maximum.

Increase the low-income allowance from \$1,000 to \$1,300 in '72. (This is the amount of income not subject to taxes, in lieu of the standard deduction.)

Stimulate business investment in new machinery by allowing businessmen to subtract 7 percent of the cost of new machinery from his taxes effective on or after orders placed after last April 1.

Repeat the 7 percent excise tax on automobiles, retroactive to

August 15, and 10 percent on light trucks retroactive to September 22.

Reduce the depreciation allowance granted business under fast write-off rules last January 1.

Allow U. S. exporters to defer taxes on profits from goods sold

overseas. I supported the tax bill—but with the full knowledge that any reduction in taxes must be coupled with a reduction in Federal government spending.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

(Continued from Last Week)

The pastor, deacons, future deacons, and their wives had a won-

WHO IS THE ENEMY?

Lesson for October 31, 1971

Background Scripture: Habakkuk 1 through 2; Isaiah 17:22-31; Devotional Reading: Isaiah 40:12-17.

There's a parable of a young man who was sent forth from his native land to "fight the enemy." Thoroughly trained in all the arts of war, the young man felt there was yet one thing he needed to know: "How will I be able to tell

who is the enemy?" Thus, his superior officers gave him a briefing on the distinguishing characteristics of the enemy: he was "ruthless," "tyrannical," "cruel," "unjust," etc. At last, the young man was given passage on a sailing ship to begin his journey to the enemy's land. The first night at sea, however, and unknown to the young man, the ship ran into a fierce storm and had to put back into port. In the morning, thinking the ship had finished its journey, the young man disembarked and began to search for "the enemy."

"The Enemy Is Us!"

Actually, "the enemy" was all he was described to be. Wherever he went, the young man found "ruthless," "tyrannical," "cruel," "unjust" men. When he did, he engaged them in battle and was very successful. Having caused much death and destruction in the land, one day he discovered that he had been fighting his own people. They had become his unwitting "enemy."

The parable points to the deceptiveness of life. How we rage against the forces that thwart and threaten us, only to find at times that, in reality, we are the enemy. This is what the prophets often tried to communicate to the people of Israel. In Habakkuk 1, for example, the obvious enemy is Chaldea (Babylon). Even the prophet's description seems to confirm that judgement: "that bitter and hasty nation, who... seize habitations not their own. Dread and terrible are they..." (1:6).

Yet, despite this foreboding appearance, the Chaldeans are not Israel's greatest enemy. The real enemy here is Israel itself. Though the chosen people of God, they have become viciously evil: "Because you have plundered many nations, all the remnant of the peoples shall plunder you, for the blood of men and violence to the earth, to cities and all who dwell therein." (Habakkuk 2:8)

Our worst enemy

Israel, not Chaldea, had become the Hebrew's own worst enemy. The worst danger was not that of the Chaldean might, but of the weakness of Israel, the corruption within that drained away her strength and vitality.

So it is often with us. Our greatest danger is not the might of our supposed enemies, but what happens to us from within when as a nation we forsake our God and his ways. Then, who is the enemy? We are!

derful fellowship at the Ponderosa Steak House in Erlanger, last Saturday evening. Those present were Roy and Frances Beach, Harold and Coella Callen, Helen and John Goff, Ray and Louise Mercer, Geo. and Emma Schadler, Herman and Wanda Spada, and Jim and Mary Johnson. We had a wonderful time together, and had several humorous incidents during the passing of the evening. We plan to do this more often. The ladies were the ones who really enjoyed it: they didn't have to wash any dishes, which is the usual case when we meet at the church. (Be real nice ladies and we might do it again in the near future). We do hope that the others who could not attend will be at the next fellowship of this group of workers for Jesus.

The first Youth "Thing" took place with the Frank Kidwells on Maher Road last Saturday evening as well. There was planning for the coming revival, youth activities and discussions for ideas in 1971-72 church year. A fellowship of hotdogs and cold drinks followed the meeting. Those who attended were Kitty and Sheila Davis, Alan Grayson, Billy Hensley, Barbara Johnson, Donna and Greg Kidwell, Terri Kyle, Jeanne and Johnny Lawson, Mike Mercer, Mike Schadler, Rhonda Wagner, and counselors, Frank and Gilberta Kidwell. Watch this column from time to time for future events with the Youth of New Banklick Baptist Church.

We want to share with our readers of the wonderful turn out for our first session of our Witnessing-Soul-Winning Class which started last Sunday afternoon, October 10, 5:00 'til 7:00 o'clock. There were 30 who attended this first session. They were Roy and Frances Beach, Betty Best, Harold, Coella and Joe Callen, Valera Darner, Kitty Davis,

Phyllis Elam, John and Helen Goff, Jackie Grayson, Katherine Hopperton, Jim and Mary Johnson, Clarence Jump, Albert and Mary Martin, Ray Mercer, John Patrick, Gilbert and Jacqueline Perry, William and Dorothy Race, Lois Reinhart, George V. and Linda Schadler, Mike Schadler, Wanda Spada, and Dewey Switzer. Our next session was Sunday, Oct. 17, 5-7 p. m. If you would like to

learn how much fun it can be to visit in His name, then this is the class to attend. We believe you will go away rejoicing in the Lord. Already results have been seen. Christ is being glorified. And a harvest will be reaped—in souls!

Kid brothers who snoop are bad enough. Kid brothers who take notes while they snoop—they could grow up to be blackmailers!

Yet, Joey doesn't think what he's doing is really wrong. He's just having a little fun at Sis's expense. And that notebook will come in handy the next time she threatens to "squeal" on him.

Part of growing-up is learning what is fair and what is unfair. Part of growing-up, too, is learning to forgive someone who has been unfair to us.

Never underestimate the immediate value of religious training in the Church. Obviously it provides a sound moral and spiritual foundation for later adult life. But, right now, it is molding the attitudes and decisions which will influence his life today.

Some things are hard to forgive

—DEATHS—

MRS. LUCY GALLOWAY

Mrs. Lucy Kathryn Galloway, 79, of 6155 Taylor Mill Road, Taylor Mill, died at 1:55 p. m., Thursday

of last week at St. Elizabeth Hospital, where she had been a patient for three weeks.

She was the last surviving member of the Oak Ridge Homemakers Club, and a lifelong resident of Kenton County.

Survivors include her husband, Kenneth L. Galloway, a retired contractor; two sons, L. M. Galloway of Independence, and Byron Galloway of Taylor Mill, and two daughters, Mrs. Shirley Metcalfe of Taylor Mill, and Mrs. Kathy Ishmael of Denver, Colo.

Services were held at 10:30 a. m., Monday at Swindler's in Independence. Burial was in the Independence Cemetery.

"You say your son plays the piano like Paderewski?" a man asked a friend. "Yes," his friend said. "He uses both hands."

IN LOVING MEMORY . . .

In memory of our beloved husband, father and grandfather, Ray Sparks, who left us October 27, 1956.

In our hearts there is a picture, more precious than silver and gold. It is a picture of you, dear Ray, Dad, and Pap-Pa, whose memory will never grow old. Always loved and remembered by his loving family.

11-43"

CARD OF THANKS—

Thanks to all my many friends who gave me cards and came to see me while I was in the hospital. May God be with all of you, and thanks to Mrs. Tillery and the D. E. III class for the beautiful flowers.

New Leaders Needed For the Days Ahead

It has been said that I'm against sewers. This is not true. I would like to see the City of Walton get sewers as bad as the next person. If elected, I would go to Washington, along with other men, in an effort to obtain more money. I would go through different people and use different methods to try to get a sewer system. I would offer the property owners a "yes" or "no" vote on any sewer plan or plans. I would only want a sewer the people could afford.

I would like to see the following:
—Free parking continued; would work for the completion of the parking lot on Depot Street.

—Nighttime law and order, with our own police, so our City (not the County) can get the revenue.

—Would work to get our streets back in decent and passable condition.

—Would work with the fire department and try to help the annual picnic to become bigger.

—Would work to restore the City government and give it back to the people.

—If elected, I would ask the City Council to appoint a vice mayor to handle any given situation should I be out of town.

I would like to thank those who have worked with and for me during this election.

If elected, the City Council and I would need the prayers of the people and the help of God. If you feel we need changes, go to the polls on November 2nd, and vote the complete Independent ticket. It would be appreciated.

—DALLAS M. JUSTICE

Conscience doesn't keep you from doing anything wrong. It just keeps you from enjoying it.

A vote for Lyman V. Ginger for State Superintendent of Public Instruction on November 2 is a vote for educational leadership as demonstrated through successful teaching, administration and service.

He is recognized for his leadership at local, state and national levels. He was instrumental in developing the Minimum Foundation Program. He was chairman of a committee which studied Kentucky schools and made recommendations for their improvement.

He is completely committed and dedicated to the improvement of the elementary and secondary schools of Kentucky.

A vote for Lyman V. Ginger is a vote for Kentucky's children.

An Open Letter—

October 22, 1971

MAYBE YOU DON'T KNOW DO YOU KNOW?

How many hours of work and worry every councilman of Walton has given to us, the people, to help us, the people, get a Sewer System for our home and/or business, our school, our health, our children's health, our town, and its prosperity and growth.

DO YOU KNOW?

That the financial aid coming from the Federal Government for this project is a part of our tax dollar and if not used will be lost completely to some other project in some other town or city which has enough foresight to know, "WE GROW OR WE WITHER, WE CANNOT STAND IDLE."

DO YOU KNOW?

Very few people have enough money to buy a new household appliance, new furniture, new car (or used one), braces for our children's teeth, bicycles, mini bikes, etc. However, most of us find a way to handle such situations when it becomes a want or a necessity.

DO YOU KNOW?

A Sewer System, for our town, is now a necessity.

For those of you who believe we can have free parking, free sewers, free street repair, etc.

WHEN WAS THE LAST TIME YOU RECEIVED ANYTHING WITH WORTH, FREE?

To the Citizens Of Walton . . .

This is the last issue of the Advertiser before Election Day.

I feel, as a member of the City Council for the past 10 years, that it is my duty to enlighten the voters of this community, if I can, regarding the operations and financial status of the city, as to why some things are done and some things are not done, for

which the council is now being greatly criticized.

FIRST—During my first term in 1962, serving under Mayor Kennedy, the city and waterworks was some over \$20,000.00 in debt. (No criticism of previous council, as these were necessary debts). This is why—property owners, it was necessary to have parking meters, automobile stickers, increases in occupational licenses, garbage fees, etc. With these means, non-property owners have shared in the costs as well as the benefits. Con-

sequently, we have had to operate with minimum police coverage and street repairs in order to stay within the budget and pay these debts. The city is now, after 10 years, out of debt, with the exception of bond issues on waterworks and the city building. During the past 10 years it has not been necessary to borrow any money.

SECOND—As one who is in the position to "know" the financial status of the city, due to the increase in the economy, the above-mentioned revenue or another source of revenue would be needed in order to provide police protection, street repairs (as have been done each year), and other functions of the city. (Street repairs are due to begin soon).

The big issue at the present time, of course, is the Sewer Sys-

tem. Here too, I would like to make some comments about some things which you may not be aware of because you are not in position of council. (1) The issue seems to be the cost of the system, which is, at this time, estimated. Council believes, if we could get in the position to receive bids now, due to the wage-price freeze and unemployment in this type of contracting, we would expect a somewhat lower figure. However at this time, I cannot mention these figures due to the effect it would have on the bidders. (You may be surprised). (2) The System as planned now is a system (barring any unforeseen act of God) which should take care of our needs and operate properly without further expense until it is paid for or long-term. Revenue received by an in-

crease of users will take care of any addition to the System. I would like to give you an example to show you why preparations should begin at the beginning of the system for increased usage.

This is our Water System situation. I have been told and also have seen files on our water system when it was installed 40 years ago. (No criticism to the council of that time), the cost was under \$50,000 for the system. The system did not include all streets within the city. Since that time each water line added to the system has been paid for by the property owners involved. They paid the same rate for water as those whose lines were paid for by bond issue. (Remember, property owners, if you are left out of the sewer system). The increase in water users, since that time, has required the building of a new lake, new tower, larger lines, etc. Now after 40 years, the city owes approximately \$250,000 on a \$50,000 project. Do we want a sewer system like this?

These are the things that Council has tried to avoid with our Sewer System, which without a doubt, makes it more costly in the beginning but nothing like it would cost to add later on.

I feel Council is being unjustly criticized by the news media and other sources by inferring neglect on our part in mentioning sewer systems in other cities without being able to give full details. Council is more than willing to discuss any plan or financial system you may have when it is done at the proper time and place.

I believe our recent meetings with you were very constructive, even though there were some remarks made which I feel were remorseful to some. I hope, as I'm sure all of Council hope, that any remarks made do not reflect upon our friendships. We understand the circumstances in which they were made.

I, as one of your City Councilmen, whether you favor or not favor a sewer system, urge you to vote in this coming election for the candidates of your choice. At least, you will have a right to complain or praise if you have cast your vote.

Think about it!

IT'S NO TRICK TO TREAT YOURSELF TO SECURITY LIGHTS

In no time at all, you have the safety
and protection of a well-planned Se-
curity Light system. And, with it, you
can light up your yard, barn, drive-
way — the whole outdoors if you like.

When you light up the night with
Security Lights, you can schedule
outdoor activities for anytime that
suits you — and do them in well
lighted safety. And you'll feel so pro-
tected. Security Lights automatically
turn on at dusk; off at dawn.

The cost of a Security Light system
is surprisingly low. Ask us for com-
plete information. We'll be happy to
help.

Add extra hours to your day with out-
door lighting. Ask your Rural Electric
System for free information. They'll be
glad to study your lighting problems
and make practical suggestions which
will add hours to your day.

White's Tower 4-H Club

The White's Tower 4-H Club met September 29 at 1:45 p. m., in the school cafeteria. There was a large number of student enrolled as 4-H has been offered to fourth grade students this year.

Officers were elected as follows: President, Gwen Brautigan; Vice President, Anita Woods; Secretary, Vickie Hester; 4th Grade Reporter, Doug Garner; 5th Grade Reporter, Mary Kieley; 6th Grade Reporter, Todd Hensley.

Anita Woods led in pledges to the American Flag, followed by the 4-H Pledge.

Project leaders explained each project and advised what items were necessary to begin work on each project.

Miss Langford, County Extension Agent in 4-H, explained and answered questions on projects and enrollment cards; also, advised members of the 4-H skating party. The meeting then adjourned.

The next meeting will be held on October 27.—Reporter

My First Week In the Hospital

By R. V. Lents

EPISODE VI

Monday morning a nurse came into my room and said, "Aha, Mr. Lents, I caught a pretty girl in the bed with you. Wait until I see Mrs. Lents." At meal times I was always as hungry as a bear that had hibernated all winter, but on account of my bandaged eyes I had to be fed like a bird feeds its young. The pretty girl was a young nurse sitting on the side of my bed putting the food into my mouth.

Monday was a blue Monday to some of the nurses and aids who had to have so much patience in waiting on the sick, especially the invalids and those who had uncontrollable excretory organs. And some patients who were going home that day made it a bright Monday for them. The day was not so blue to me, because it was the first day that I was permitted to go to the bathroom since the operation and only then with an orderly guiding me.

My roommate, Leroy Foster, and I tried to entertain the hospital workers as they would come into our room by imitating the calls of many birds. Mr. Foster would imitate the call of a male quail and I would answer with the whistle of the female. All during the day as people came into our room we would imitate the whistle of many birds that we were asked to imitate. Mr. Foster also imitated the bark of a gray squirrel and I imitated the bark of a red squirrel.

I was served a good breakfast Tuesday morning, but was given no medication. I had a premonition that I was going to get to go home that day. The doctor came into my room about ten o'clock, dressed my eye as he had done every day since the operation, and said, "You may go home this morning and come to my office in a week." I was happy to hear that phraseology, but I was somewhat reluctant to leave my room mate and the kind, efficient, and hard working nurses, aids, candy strippers, and orderlies, who had worked so patiently with me to help me to recover from my catarrh operation and to make me as comfortable as possible. Candy strippers are young girls who are getting experience in nurse's training, doing small jobs as delivering mail to the rooms, getting water for the patients, massaging the backs of patients, and learning in general what kind of work goes on in a hospital. They work without pay.

I could now understand why a dog tag was placed on my wrist when I entered the hospital. On the account of the type operation I was not permitted to shave during my stay in the hospital. My beard and my whiskers were so long that I looked like the leader of a hippie cult and my eyebrows were as long and curly as a French poodle. Without the dog tag I could not have been identified.

I undressed and felt of my left arm and hip that had received so many hypodermics that I felt like I had backed nude through a briar patch. I put on street clothes and was pushed in a wheel chair by a nurse's aid to the exit where an automobile was waiting to take me home at number 1 Lloyd Avenue, Florence, Ky.

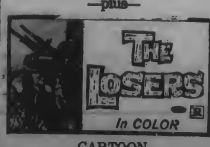

After arriving home from the hospital I could not keep from thinking about the kindness and good treatment that I had received at the hospital, but I said to myself, there is no place like home.—The End

It's the hard tasks that make us.

Walton-Verona Homecoming

The biggest and best annual Walton-Verona Homecoming will be held Friday, November 5th at 6:00 p. m. They would like to acknowledge the oldest living Walton-Verona graduate, but they need help in locating this person. Call 485-4407, because he or she will be given the special privilege of being the honorary Grand Marshal. The parade will start at the Walton Christian Church and proceed at a marching pace down Main Street and up Alta Vista to the school. Many gifts will be given to the spectators along the route of the parade. A prize of \$10.00 will be awarded to the best float. After the parade, there will be a bonfire with a lot of cheers, led by the cheerleaders, then everyone will go into the gym for a scrimmage game. After that there will be a big dance with live music by a popular local band, Ivanhoe. The admission to the dance will be \$1.00.

To Wed November 12th

Miss Arlene Wyatt

Mrs. Odella Wyatt of Covington, wishes to announce the approaching marriage of her daughter, Arlene, to Mr. Charles Robert Steve Stephenson, son of Mr. and Mrs. Bob Stephenson, Box 512, Beaver Road, Walton.

The wedding will take place on Friday, November 12th, at 8:00 p. m., in the Sherman Full Gospel Church.

A reception, immediately following the ceremony, will be held at the home of Mr. and Mrs. Bob Stephenson, on Beaver Road. The public is cordially invited.

Social Planned at Union

The Ladies Auxiliary of the Union Fire Department is holding a social on Tuesday, November 9th at 7:30 p. m., in the firehouse at Union. The public is cordially invited to attend.

A Mental Health Discussion Held

"Education for both parents and children is half of the solution to today's emotional problems," said Mrs. Kathy Mains, Executive Director of the Northern Kentucky Mental Health Association. He presented a film, "Children's Emotions," to the Kenton Elementary PTA at the October 21 meeting. The film showed how each child is different and demands different understanding. Also, that communication can be attained through mutual respect between parents and the child.

Mrs. Jack Land, program chairman, had a film shown to those children attending on "Trick or Treat." Also supplied by the Mental Health Association. During the business session, Mrs. Ray Baldwin, president, thanked everyone for their efforts in making the recent chili supper a success.

Program Booklets were given to members present. These contain information about the school and PTA activities.

Wilmington Youth Revival

November 5-7, the Wilmington Baptist Church, Fiskburg, will hold a Youth Revival.

A youth team from Cumberland College will hold the services, and special music will be provided by the Wilmington Youth Choir.

Youth activities have been planned for the weekend. Services will start at 7:30 each evening. Everyone is welcome.

Plan Community Choir

Rev. Larry Cook invites anyone in the community to participate in the Community Choir rehearsal to be held on Wednesday nights, November 10 and 17, at 8:30 at the First Baptist Church, Walton. The Community Choir will sing at the Thanksgiving service which will be held at the First Baptist Church, Wednesday night, Nov. 24.

If you don't think women are explosive, dry dropping one.

BAND BOOSTER DINNER

The Walton-Verona Band Boosters invite you to have dinner with them on Sunday, November 14th in the W-V High School cafeteria.

The menu will consist of turkey, dressing, gravy, jello salad, hot rolls, coffee and tea, and home-made dessert.

Prices for adults are \$1.35 in advance and \$1.50 at the door; 75c for children through grade six, or 85c at the door.

Band members will be selling tickets.

Businessmen To Meet

The next regular meeting of the Greater Walton Businessmen's Association will be held on Wednesday, November 10, at 8:00 p. m., at First Federal. The Board of Directors decided on this date, instead of Nov. 3, due to election.

The newly elected members of the Walton City Council will be invited to attend. This will give you a chance to meet them first-hand and discuss the problems and opportunities facing Walton in the coming year, according to Charles Wiley, secretary.

Senior Bake Sale at Simon Kenton High

Mom, are you tired after slaving all day for the Thanksgiving Day feast? Have you stuffed turkeys until your arms ache, and have you prepared dressing until you feel it's coming out of your ears? Are you so tired that you just can't imagine yourself even attempting to make the goodies like pumpkin and mince-meat pies or even homemade bread?

If you have answered "yes" to any of the above questions, then the seniors of Simon Kenton High School have the solution for you.

The annual Senior Bake Sale is now going on. You should get in contact with any senior of S. K. and place your order for Thanksgiving Day goodies before Nov. 12. Your order will then be baked and delivered to your door November 23. You should have your money ready on that day. So, how about it Mom, you can help yourself out of the kitchen and help the graduating class of '72 with your donation.

Open House—Bake Sale

Twenhofel Junior High PTA will observe open house and a bake sale on Monday, November 8th, from 7:00 to 8:30 p. m.

Mrs. Roy Harmon and Mrs. Tom Hardy, the membership chairmen, urge all parents to become members of the PTA.

The Church League Basketball Results

In the first game Saturday night, Richmond defeated the Methodists, 67-57. Jerry Feagan led all scorers with 27 points; Houston added 19. Royce led the Methodists with 23, while Yates chipped in 17.

The second game saw St. Cecilia slip by New Bethel 59-54. Heuser was high for the winners with 17 markers, while Heusman added 14. Rich led New Bethel with 27 tallies, and D. Chipman had 11.

In the third go-round, Piner's rally was cut short, as Walton Christian defeated them 62-59. Mike Simpson led the winners with 20 points, and Terry Ne added 12. Dunn and Bob Callen led Piner with 26 and 24 points respectively.

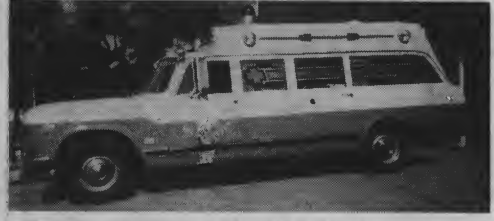

In the final game, All Saints defeated Hickory Grove, 65-50. Larry Ryan was tops for All Saints with 18 points and Tom Code added 12. Janeway was high for Hickory Grove with 13 and Bolen had 10. There will be no games on Saturday, Nov. 6th, due to a school activity.

Children's Eyes Tested

The Ladies Auxiliary of the Walton Lions Club have completed the testing of eyes of 240 children in the local schools—Walton-Verona and All Saints.

The club thanks the ladies who helped: Mrs. Carl Parker, Mrs. Eugene Sizemore, Mrs. Lou Davis and Mrs. Stan Jones.

Walton's New Ambulance

The Walton Fire Department & Life Squad has a new ambulance, purchased through a Federal Highway program. The new vehicle arrived last week and has been the object of much inspection by local citizens.

The new addition to the existing equipment comes fully equipped and ready to go. It is powered by a 392 V-8 engine, automatic transmission and positraction rear end. Power brakes and power steering, plus air conditioning are included on the International Harvester body which was basically made in Springfield, Ill.

Safety features built-in include a circuit breaker on the electrical system in case the vehicle is involved in an accident itself, plus a safety light indicator which warns of any door not being shut properly.

The engine is complimented by a generator to supply additional power for the many lights, two floodlights on each side, three spotlights (two in front and one in the rear), a courtesy light in the patient area, two large revolving beacon lights on top front, and two flashing lights on each top side plus those in the rear. The generator also supplies power to three electrical outlets for power tools.

There is room for two reclining patients and one to sit, plus an attendant in the rear and one attendant in front with the driver.

Arrest 5 Two Hours After Holdup—Assault

Two men pistol-whipped a Richmond service station attendant early last Thursday, robbed the station and fled.

But an area police alert resulted in the arrest of two suspects less than two hours later near Lexington.

Boone County Police were alerted to the crime at 1:03 a. m., and dispatched Capt. Tom Schwartz and Patrolman Lou Wilson to the American Oil Station on Richmond Road at I-75, just south of Walton.

They found Jerry Eugene Robinson, 23, of 5 Price Pike, Florence, said he was beaten after refusing to give his assailants a tank of gas.

They took between \$120 and \$150 from the cash register and left in a white-yellow Buick with one headlight out.

Boone County issued an alert and Fayette County police stopped the car at Lexington. They found the car to have five occupants, identified as:

Arnold Carter, Jr., 22, of Glendora, N. J., and Danny Barnes, 29, of Caryville, Tenn., both carpenters; Wesley J. Lynn of Sweetwater, Tenn., a rug plant worker. With the men were Taska Roberts Evans, 20, and Laura Jean Shoe, 19, both of Concord, N. C.

They were charged with assault and robbery and held in the Boone County jail.

Tennessee police were here Friday to see if the same men were wanted in Tennessee.

SIMON KENTON FHA

The chapter meeting of the Simon Kenton FHA was held on October 20. Some 40 members attended with Mrs. McElroy, chapter advisor, and our honored guest, Rick Hamilton, the FHA beau.

The program, with the main purpose to install new members, moved along smoothly. Forty-three new members were accepted into the chapter, and FHA emblems were given out. Recreation was led by Rosetta Gash and Vicki Martin. The meeting ended with all members and the FHA beau being invited to go on a field trip on October 28.

There is a standard stretcher plus a collapsible stretcher and litter carrier. Standard equipment also includes a folding patient chair. And a small first aid kit will be supplemented by a larger, more complete kit.

Three small oxygen tanks and one large tank are available for persons who need it for first aid through a resuscitator.

The two-way radio has a capacity of about 25 miles. Double doors in the rear make loading of patients easier. There is also a door on each side.

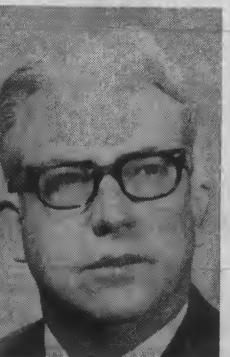

Two sirens mounted on the cab roof operate on 100 amps and are electronic Federal approved with two sounds—a wail and a yelp.

Some people have asked about why the lettering on the hood is backwards. This is to allow the driver in front of the life squad to read "LIFE SQUAD" at a glance through his rear-view mirror. The Omaha orange and white paint will make the new unit easy to see in daylight or after dark as it is highly reflective.

Let us hope that No. 7 is never used but if the need arises you can be sure the finest in equipment and personnel is available.

Donations of money in any amount will be welcomed by the Vols.

Verona Students Parade to School

Elementary students from grades four, five and six at Verona, held final classes in the old building Thursday, October 28th. At 2:00 p. m., the pupils formed a parade enroute to the new elementary building, already occupied by the first, second and third grades.

The parade was led by one of the school buses, followed by the Verona Fire Department. Students were grouped according to grade and accompanied by their respective teachers with the fourth grade in front. Many of the students carried posters which they had made in class, to help celebrate the occasion. The Walton Fire Department was immediately behind the pupils followed by several parents in autos.

Friday was moving day for the furniture and equipment as Elementary Principal Ernest Hahn and six other teachers spent all day at this chore.

At the auction held on Saturday morning, the old Verona site was sold to J. C. Benton, Sr., Walton, for \$12,000.00. Serving the community since 1914, an era of school life in the two-story building is now history.

At least two Walton-Verona personalities were happy to be a part of the Eastern Kentucky University Homecoming recently. Roscoe Denny was lucky enough to get to escort the young lady who was chosen as Queen, and Supt. E. C. Roberts, an EKV alumni, took part in the parade and crowning ceremonies as he presented silver cups to three of the contestants.

FISH FRY AT UNION

The Union Volunteer Fire Department is having a fish fry on Saturday, November 6th, starting at 3:00 p. m. at the firehouse.

The menu will consist of fish, french fries, cole slaw, and coffee. Cake and pie will be available.

Twenhofel FHA At Fall Meeting

"Flower Garden of Leadership" was the theme of the Northern Kentucky District Future Homemakers of America Fall Meeting, held at Conner Senior High School, Hebron, Saturday, October 9. The purpose of the meeting was to train new chapter officers in their duties. There were 230 girls present from the Northern Kentucky Kentucky schools.

Rev. Jim McLean, minister of Falmouth Christian Church, was the guest speaker. A special skit was presented by Silver Grove School.

Those attending from Twenhofel Junior High School, Independence, were: Karen Penick, president; Robin Pettit, first vice president; Debbie Mullins, second vice president; Cindy Willenborg, Karen McNeese, treasurer; Terri Bowling, reporter; Pam Johnson, Charlotte Deters, recreation leaders; Rhonda Gillum, song leader; Marie Herron, scholarship chairman, and Susan Ballard; also Mrs. Carol Neely, adviser, and Mrs. Ruth Penick, chapter mother.

The FHA members from Twenhofel Chapter had fun when their first chapter meeting was held on Friday, October 15. The officers and members conducted a party in the home economics department during fourth hour. In initiation day was also celebrated.

Plans for the party were discussed with Mrs. Neely, home economics teacher, and Mrs. Penick, chapter mother. A committee of FHA officers and members supervised the games, decorations, and clean-up after the party. The refreshments were made in the home economics department.

Both meetings were enjoyed by everyone and all will remember the new friends they have made. —Terri Bowling, Reporter

The Greater Cincinnati Airport Board has placed an order for two of these Yankee Walter Twin 3500. This vehicle is especially engineered and designed for aircraft, rescue and fire fighting assignments.

Each one is designed to carry 3,000 gallons of water and 500 gallons of fire fighting foam. These two units (\$287,940) will make the Greater Cincinnati Airport second to none in fire fighting capabilities.

"ALIVE AND WELL"

Lesson for November 7, 1971

Background Scripture: Psalms 104; Acts 14:15-17; Colossians 1:15-17; Devotional Reading: Job 38:1-11.

A bumper strip on the car ahead of me read: "GOD IS ALIVE AND WELL IN MY BACKYARD!" I mused on that proclamation for the next fifty miles. What did it mean? To begin with, it probably was intended to indicate that the driver was one of those people who do not accept the claim that "God is dead!" In a sense, he was saying that he knows God "lives" because he encounters God in his own life.

"Thou art very great!" This is the kind of faith we find so often in the Book of Psalms. Very seldom is it a speculative faith that reasons its way to God. Much more, it is the faith of someone who experiences that "God is alive and well in my backyard!" The Psalmist believes in God because he sees him at work in his world. For him life is full of the sights and sounds of a God who does things.

Many of us would like to live in such a world today. We wish we could hear and see God at work in our world. Ironically, we do live in that kind of world. The sounds and sights are the same as those that the Psalmist heard and saw. Through the trappings of civilization have radically changed since the day of the Psalmist, it is still pretty much the same world; the sun, the moon, the stars, the seasons, the elements — despite all that we have learned about them — exist pretty much as they existed thousands of years ago.

The difference is with us. Feeling largely self-sufficient, we manage to ignore the presence of God. There is the analogy of two men listening to a violin solo. For one man it is a truly inspiring experience, the beautiful music delighting the man's ear and heart. For the other man, the same experience is perceived simply as "so much horsehair scratching over catgut."

What God did and does!

When the Psalmist looked at the world, he was overwhelmed with the evidences of what God had done. He had created an orderly, dependable world, set on firm foundations. He had conquered the chaos and established both a moral and natural order. The world bore striking evidence of the mighty works of God and the Psalmist could not help but exclaim: "Bless the Lord! O my soul! O Lord, my God, thou art very great!" (104:1).

When the Psalmist looked at his world he saw a God who was not dead or even in retirement, but the Lord who was alive and well and active in his creation. When you look at the world, what do you see?

President Zachary Taylor's Old Kentucky Home

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

Zachary Taylor, the 12th President of the United States, locked his doors from marauding Indians with "lift locks" that are still on the doors of the 178-year-old home at 5608 Apache Road in Jefferson County, Ky.

The 18th century locks, made in England by Carpenter and Co., (locksmiths to the king) still bear the British royal seal. They are just as durable as the illustrious record that "Old Rough & Ready" Zachary Taylor chiseled on the scrolls of American history.

I recently introduced a bill in Congress to authorize the Secretary of the Interior to establish the Zachary Taylor home as a national historic site. An identical bill has been introduced by my friend and colleague, Congressman Bill Natcher. It is my hope that this bipartisan effort will result in the Taylor home being acquired as a national historic site for the benefit of present and future generations.

The boyhood home of President Taylor, which is known as Springfield, is a registered national landmark and is presently the residence of Mrs. Paul Davis, who has been attempting to preserve it from any large scale alterations. The three-story brick structure has a historic background that even predates President Taylor's brief presidential era. President Taylor's father, Colonel Richard Taylor, was a Revolutionary aide to General George Washington, and came to the site in 1785 to start

building in the early 1790's. The house was then the center of a 400-acre farm overlooking the Ohio and was Zachary Taylor's home from early childhood until the age of 23 when several Kentucky representatives recommended Zachary Taylor for a first lieutenantcy in a joint petition to the Secretary of War.

The Taylor homestead then had quarters for house servants, a 30-foot hallway which ran from the double front doors to the back, dividing twin parlors. On the second floor were four spacious bedrooms; on the top floor were housed Taylor's coachmen. It was more than a substantial home in a day when travelers were taken in for the night because of Indian raids and bedded down in an upstairs bedroom which, for safety sake, was approached by an isolated stairway. The handsome carved walnut paneling and woodwork came from walnut trees that were cut and hand-tooled on the Taylor farm. The floors are the original 1½-inch tongue and groove ash flooring that Colonel Richard Taylor put down.

During the period of his military career, Zachary Taylor rose to major general and his role in the Mexican War brought him national recognition. One of General Taylor's junior officers well in love with Taylor's 18-year-old daughter, Sarah Knox Taylor, and three years later, they were married. His name was Lt. Jefferson

Davis, who was later to become President of the Confederacy.

President Taylor died in 1850, a few days after dedicating the Washington Monument on a broiling July 4th day, only 16 months after taking office. Historian Claude Bowers has pointed out: "No single servant of the Republic did more, or as much, in negotiations or in battle to open the settlement of the white man of the rich commonwealths of Indiana, Illinois, Kentucky, Missouri, Wisconsin, and Michigan."

The historic shrine is one of two Presidents' homes not now owned by the Federal government. With virtually all the homes of the U. S. Presidents now national shrines, the home of this great national hero should be added to our national historic sites.

TOBACCO TALKS

are you listening?

- Jobs
- Income
- Prosperity

In Kentucky, tobacco talks in terms that are
clear and impressive. It says jobs—as some
240,000 Kentucky families depend on to-
bacco for a livelihood. It says income—as
more than \$300 million is derived from to-
bacco annually by Kentucky farmers, and
the crop generates an estimated \$1.5 billion
within our total economy. It says prosperity
—as tobacco, being Kentucky's leading
cash crop, provides the foundation for eco-
nomic growth and development.
Kentucky's burley tobacco farmers be-
lieve tobacco has a lot going for it, and are
letting the product speak for itself. Are you
listening?

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

This is the season when people are busy talking about those two favorite subjects: weather and politics. This writer has been swamp-

ed with calls about "who is the best man?" or "who will you cast your vote for in November?" and there is that pet question, "are you Republican or Democrat?" New, being a minister of the Gospel of Jesus Christ, when people ask me such questions I cannot resist using the answers that I do. I always answer to the first

two questions: "Why friend, Jesus Christ is the best man for anyone;" "I will cast my vote for Jesus Christ in November, December, January, etc., because I am proud to be one of the 'elect of God.'" (Colossians 3:12). Then for the question, "Are you Republican or Democrat?" I always answer, "neither, I'm a Christian." As a long-time Christian I have learned to avoid two types of arguments: religion and politics—to each his own.

But the thing that I want to share with my readers this week is the glorious way in which the Spirit of the Lord is moving among our people. I must agree with Evangelist Billy Graham in a statement he made recently on the eve of his Greatest Southwest Crusade in Texas Stadium: "We are either in an awakening right now or we are on the verge of an awakening—especially among the young people," Dr. Graham said. I feel this to be true with what is happening at

New Banklick Baptist Church; however, there are many of our people who will not enjoy this great filling of the Spirit of God because they have grown too cold and unconcerned. Let me share several of the most exciting "greats" that has already happened in recent weeks.

First, I want to thank our precious Lord for the blessings He has bestowed upon us already in our special evangelistic outreach programs to enlist 300 in Sunday School by January 2, 1972. This means the doubling of our present Sunday School; however, under the leadership of His Holy Spirit, it will be done. The first victorious move was our special Witnessing classes which were held three Sunday afternoons for two hours prior to preaching service. Over thirty people attended each and every session. There was such a great enthusiasm—and enthusiasm has a way of spreading. A church census will follow as the next step on Sunday afternoon, Nov. 14, right after our lunch at the church. A large turn-out for this project is expected. The efforts will be to enlist prospects for our bus ministry for Sunday School. These census will continue until we have covered every area where there is men and women, boys and girls who have not been reached for Sunday School. We will feel that "the Word of God is (still) quick, and powerful, and sharper than any two-edged sword..." (Heb. 4:12), and is the only solution for our world problems.

Secondly, our first Christian Life Class Graduation was Sunday, Oct. 31, with the following receiving their Certificates of Graduation: Mrs. Betty Best, Ray and Phyllis Elam, Mrs. Alphae Grayson, Frank Kidwell, Gilbert and Jacqueline Perry, Mrs. Phyllis Sargent.

This fine Graduating Class is to be congratulated for a job well done. They completed over 30 weeks of Bible Study and Church History and Doctrine to earn their Certificates. A new class has already been formed and will continue until March, 1972. Again, God has truly blessed us with such fine spirit among our people.

The third area of rejoicing is the number of people who are attending our Wednesday night Pray-

er Meetings. We are really having some real wonderful Spirit-filled sessions. If you don't have the Prayer Meeting habit, we believe you will be rewarded if you will come.

(Continued Next Week)

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

The window of the little antique shop is filled with lovely colors, sparkling in the sunlight. They could smash into bits in an instant if one were careless. But this fragile glassware has outlasted the men who made it. It would seem that things are more durable than people.

Things—all things—are the products of men's minds and talents. But they have no will of their own, no feeling. No matter the obvious evidence, it is impossible that objects could outlast man—even if you didn't believe in eternal life.

Where is the answer? Perhaps you can find out in the church of your choice.

JOE CLAXON

For the first time in this century, the Nation's farm population in 1970 dropped below the 10-million mark. The total number last year is estimated to have fallen to 9.7 million persons—6 percent fewer than lived on farms in 1969 and 38 percent fewer than in 1960.

Since 1960, the decline in the farm population has averaged 4.8 percent a year. The nonfarm population over the past decade had an annual increase of 1.7 percent. About three-fifths of the farm people 14 years old and over in 1970, or 4.3 million, were either working or seeking work. The proportion was unchanged from ten years earlier.

The percentage of women in the farm-resident labor force, however, has been going up since '60. The proportion rose from 30 percent to 38 last year. The rate of male participation has declined—from 85 percent in 1960 to 80 in 1970. The drop is due in part to the increasing proportion of older men living on farms who are of retirement age.

Of the 4.3 million in the 1970 farm resident labor force, 54 percent worked solely or primarily in agriculture. The remainder were employed in nonagricultural industries.

Cancer Society Meeting

The American Cancer Society has begun its third annual Mother-Daughter program for high schools in the Northern Kentucky area. The hour-long program consists of two films on breast and uterine cancer and is followed by a question and answer period conducted by a local physician or nurse.

Such a meeting will be held at Simon Kenton High School, Madison Pike, Independence, on Monday, November 8, at 10:00 a. m. The speaker will be Cynthia Rankin, a registered nurse.

Seven Safeguards Against Cancer

Cancer killed nearly 330,000 Americans last year, and an even greater number will die of this disease in 1972. Researchers seek clues to cancer's cause; physicians help cancer patients with increasingly effective treatment techniques. But still the figures rise. What else can be done to halt them?

"Every adult in the Northern Kentucky area can help," said Mrs. Charles Alphin, Florence, President of the Boone County Unit of the American Cancer Society. "Each of us has within himself the power to help cut down the number of cancer deaths in Boone County."

The Seven Safeguards Against Cancer include: All adults can help guard themselves against lung cancer by not smoking cigarettes; from skin cancer by avoiding overexposure to the sun, from colon-rectum cancer by having procto every year, especially after the age of 40; from cancer of the mouth by having dental examinations regularly; a woman, to help protect herself from breast cancer, should practice breast self-examination each month; for uterine cancer, she should have a Pap test each year, and finally, everyone should have an annual health checkup.

—DEATHS—

Vote Incorrect In City Council Race

We were told last Wednesday morning that we were incorrect in one of the Council seats for the City of Walton. Thursday, about noon, we were informed by Sheriff Melvin Collins that an error had been made in the vote for Leon B. Hall, candidate for City Council, and that he had received; 155 votes instead of the 255 we credited him as receiving. This changed things somewhat, and resulted in Lloyd Poore being elected to council and Mr. Hall being out, having finished in seventh place when six were to be elected.

Sheriff Collins said a recheck of the machines showed the correct vote, and that the error was a human one. We were also told by a Walton resident, connected with the results, that the error was made in Burlington, because the correct vote was turned in to the County Clerk.

As we get it, here's the total Council vote:
Allphin 271, Gamble 257, Robinson 227, Norris 222, Augenstein 186, and Poore 174.
(Absentee votes not included)

READING ASS'N TO ORGANIZE NOV. 15

There will be an Organizational meeting of the Licking Valley Council of the International Reading Association on Monday, November 15th, at 4:30 p. m., at the Northern Kentucky State College, Building H. Room 1.

Membership in this organization is open to teachers, supervisors, and administrators at any school level, also parents and others interested in the improvement of interests and skills in reading.
Miss Sue Brown, a first grade teacher at Crescent Springs Elementary School, will preside. Dr. Zelda Smith, professor at Northern Ky. State College, will serve as consultant.

November Meeting Of Literary Club

Fellowship Hall of the Walton Christian Church was festive with candles, garden flowers and magnolia leaves for the November 3rd meeting of the Walton Woman's Literary Club.

Mrs. A. H. Gaines, president, presided. Mrs. Melvin Moore led in reading the Club Collect and in the Pledge of Allegiance.

Committee reports on Civic Improvement, the annual Christmas luncheon meeting, and the Fine Arts exhibit were given by Mrs. W. R. Belcher, Mrs. J. C. Mayhugh, and Mrs. Lloyd Watson, respectively.

Spiritual Guidance was given by Mrs. Claude Thompson. She read I Thessalonians 4:11. Her topic was "Hands"—God's wonderful gift to man.

Mrs. John Farrell, program chairman, introduced the speaker, Mrs. William Brown. Mrs. Brown gave an interesting book review of "A Handful of Stars" by Ray House, a school mate of Mrs. Brown at Kentucky Wesleyan College.

Guests welcomed to the meeting were Mrs. Dolly Droege, Mrs. Ashlin Logan, and Mrs. Wadsworth Letimer.

Members present were: Miss Rachel Acree, Mrs. Charles Allphin, Mrs. Dan Bedinger, Mrs. Virginia Beverly, Mrs. W. R. Belcher, Mrs. Cameron Brakefield, Mrs. William Brown, Mrs. John Campbell, Mrs. Carl Conner, Mrs. Zayda Clore, Miss Louise Conrad, Mrs. John Farrell, Mrs. L. M. Gabriel, Mrs. A. H. Gaines, Mrs. George Knox, Mrs. D. L. Lusby, Mrs. J. C. Mayhugh, Mrs. Melvin Moore, Mrs. W. H. Presser, Mrs. Thomas Rodney, Mrs. W. W. Rouse, Miss Katherine Scott, Mrs. Sam B. Sleet, Miss Elma Taylor, Mrs. Claude Thompson, Mrs. Bruce Wallace, Mrs. Melvin Wasson, Mrs. Lloyd Watson, Miss Mary West, and Mrs. Walter Whitson.

A delicious dessert course of sherbet and home made cake was served. Hostesses were Mrs. Dan Bedinger, Mrs. Thomas Rodney and Mrs. Bruce Wallace.

BAND BOOSTER DINNER

The Walton-Verona Band Boosters invite you to have dinner with them on Sunday, November 14th in the W-V High School cafeteria.

The menu will consist of turkey, dressing, gravy, jello salad, hot rolls, coffee and tea, and home-made dessert.

Priced for adults are \$1.35 in advance and \$1.50 at the door; 75c for children through grade six, or 55c at the door.

Band members will be selling tickets. There will be carry-out service but you must bring your own containers.

Express Service Is Discontinued by L&N

It was reported to the Advertiser this week that part of the service on the L&N Railroad is no longer available at the local depot. The railway express service was discontinued at Walton's L&N depot, effective November 1.

Only L&N freight in carload lots will be received and forwarded here, according to Clerk Don Garrett. He said that anyone who wants to use rail express can go through the office in Cincinnati, 621-4940, or Lexington, 252-2714.

Passenger service was discontinued here in May.
Mr. Garrett, a clerk here for the past five years, said he hated to see the REA service go by the board here but that is progress catching up with us.

New School Dedication

Tentative date set for the dedication and open house of the new elementary school building at Verona, has been set for Sunday afternoon, December 5th at 2:30. A more detailed program will be published in the near future.

Local Students at UK

The following Boone County students from this area of the county are attending the University of Kentucky, Lexington, this fall:

Charles Caldwell, Route 2, Walton; Paula Dunn, Verona; Judy and John Hetterman, Route 2, Crittendon; Barbara Lynn Houston, Richmond Road, Walton; Ronald R. Huffman, Verona; David and Susan Jarman, 73 South Main, Walton; Debra Lamb, Stephenson Mill Rd., Verona; Kay Ann Krekler, 27 Welsh Ave, Walton; Russell Gary Ryan, 17 Beaver Road, Walton; Loren Wendell Schmidt, 322 Killarney Drive, Walton, Monte Shinkle, Verona.

Mrs. Berkshire Is Wa-Na Club Speaker

The Wa-Na Woman's Club of Walton, met in the home of Mrs. Gayle McElroy, Alta Vista, for the November meeting. Mrs. Harry Henson was the co-hostess.

Mrs. Jack Rouse gave the devotional. The program was "Christmas Decorations." Mrs. Sue Kate Berkshire, Florence, who is a former floral designer, displayed many of her Christmas wreaths, tree ornaments and gift wrapping. These were made mostly of wild materials. Mrs. Evelyn Hance showed several Christmas wreaths and decorations. She also gave instructions on how to make them.

A delicious dessert was served to the following: Mrs. Sue Kate Berkshire, Mrs. Thelma Sturgeon, Mrs. Doris Eisenhardt, Mrs. Helen McElroy, Mrs. Margaret Elliott, Mrs. Betty Slayback, Mrs. Gail Mathis, Mrs. Sonny Popham, Mrs. Evelyn Hance, Mrs. Irene Peebles, Mrs. Faye Norris, Mrs. Mary Stephens, Miss Joella Sleet, Mrs. Trudy Henson, Mrs. Ann Simpson, Mrs. Evelyn Rouse, and Mrs. Libby Rouse.

The Christmas party will be held December 4th at the RECC Building on Walton-Nicholson Road. A catering service will serve dinner at 7:00 p. m. All members please make reservations if you plan to attend. Husbands are to be guests at this meeting.

"I baked a sponge cake for you, darling," said the bride, "but it didn't turn out right. I think the grocer gave me the wrong kind of sponges."

New Boone Jail Falls Short In Vote

Boone County voters approved construction of a new county jail and police building in the regular election by 153 votes. But not by enough margin to authorize issuance of \$625,000 in bonds to finance the construction.

Thus, officially the issue failed, since it did not receive the two-thirds majority necessary for passage.

But the proposed new building may still be built.

"While the majority was not big enough to authorize us to issue the bonds, it does show the will of the people," said County Judge Bruce Ferguson. "It shows that a majority of the voters want the new jail-police building and are willing to pay for it. So we'll explore other avenues of financing it," the judge said.

The vote on the new building was 2,152 for and 1,999 against.

Our idea of the situation differs from that of Judge Ferguson. We don't think it shows a majority of the voters were for the building—only a majority of those voting. More than 7,000 votes were cast in the county for some offices, and only 4,151 for the jail-police building. In our opinion, when a person does not vote on an issue, they are not too concerned, and might be termed as against the proposal.

Personally, we feel it is something needed, and hope some sort of a system can be worked out where the construction may be available. However, the talk we have heard is, "Why build a new jail, when most of the suspects are turned loose."

That Beautiful Snow

Northern Kentucky received a taste of winter Saturday as falling temperatures turned rain showers into snow showers, leaving leafless trees and lawns covered with a soft blanket of beautiful white snow. Prediction: more to come.

ASC Committee Election Details

Full details are now available to Boone County farmers on the upcoming election of ASC committee-men says J. Lassing Huey, Chairman of the Boone County ASC Committee.

ASC community committeemen elections this year will be held on December 1st. The ballots farmers will use to elect three regular members and two alternates to ASC committees will be mailed about November 19. A special effort is being made to make sure every eligible voter in the county receives a ballot.

"We would like farmers to voice their choice for good committee-men candidates who will effectively serve all the farmers in their community without regard to race, color, creed, sex, or national origin," Mr. Huey said.

ASC programs in the county are tobacco, feed grain (corn and wheat), and rural environmental assistance, and the county committee makes all local farm program decisions.

A farm owner, tenant or sharecropper, 18 years old or older, is eligible to vote if he can participate in any ASC program administered in the community where his farm is located. A wife may vote if her name is listed on the farm deed or if she is listed in the tenant contract.

Mr. Huey said that any practicing farmer who has not received a ballot by November 20 should contact the county office. A list of known eligible voters in Boone County is available for inspection at the County ASCS Office at 6 East Park, Burlington, or by telephoning 586-6175.

Walton OES To Meet

Walton Chapter, No. 161, OES, will hold its regular monthly business meeting on Monday, Nov. 15th at 7:30 p. m. Due to very important business, all members are urged to be present.

There will also be a dinner preceding the meeting at 6:30.

VIET VETERAN GETS BOONE POLICE POST

Boone County Police have added a new patrolman. He is Lawrence Lee (Larry) Graves, 24, of Roger Lane, Florence.

Patrolman Graves recently completed duty with the Air Force, having served as an airborne radio operator at Nha Trang, Vietnam.

He is the son of Mr. and Mrs. Kreko Graves of Phelps Court, Erlanger. His father is maintenance superintendent for the Covington Housing Commission.

With the addition of Patrolman Graves, the Boone County Police now have six officers.

The Walton-Verona Band Boosters will meet Monday night, Nov. 15th at 7:30 p. m., in the band room at the high school.

Celebrates First Birthday

To honor the first birthday of their son, Scott, Mr. and Mrs. Robert Jones of 178 North Main St., Walton, had a birthday party, Friday, November 5th.

Helping Scott celebrate this occasion were: Mrs. Sue Baker and daughters, Pam and Robin, Bobby Holder, Mrs. Doris Stidham and son, Rodney, Mr. and Mrs. Kerry Vest and daughter, Kim, and Mr. and Mrs. Herman Slusher.

Mr. and Mrs. Clayton Jones and Evelyn of Hilliard, Ohio, could not be present for the party but spent Saturday and Sunday with relatives in Walton and Verona.

PTA Joins In The Juvenile Crime Fight

Mrs. Gilbert Bryant, Kentucky Congress Juvenile Protection Chairman, told delegates to the Sixth District PTA Fall Conference, in Newport, that "Volunteers in the Juvenile Court can be the answer to the crime problem." She is carrying to the counties in the state a cooperative effort with the National Juvenile Court Foundation and the National Congress of Parents and Teachers.

Mrs. Blair Branham, Sixth District Juvenile Protection Chairman, has begun the preliminary contacts necessary to determine the need for volunteers in this area and will follow them through to the completion of the program.

Mrs. George White, president of the Kentucky Congress PTA, represented 44 units and 7 councils of the two special projects of the NPTA, "Reading Improvement Services Everywhere" and "Parent Teacher Student Association."

Mrs. Owen Hoffman, Sixth District publicity chairman, outlined the essay contest being promoted by the National Organization of State Presidents, which will award 10 subscriptions each to seven states, including Kentucky.

Delegates from the units and councils of the district gave their approval for the District Board of Managers to appoint a committee to draw up resolutions of respect and to make a contribution to the State Scholarship Fund in memory and honor of Mrs. Clara Keyes, recently deceased president of the Sixth District.

Mrs. Robert Rose, president, presented gavels to newly formed units. Accepting were Mrs. Michael Fisk for Lindeman PTA, Mrs. Alvin Wert for Tichenor PTA, and Mrs. John Davis for Sunset PTA.

Mrs. Charles Sickmeier proclaimed poster winners to be the 11th District School, Erlanger Lloyd PTSA, and Cold Springs.

Delegates were reminded by Mrs. Donald Rodgers, public relations, that the date for the Sixth District Publicity Book Workshop is Nov. 11, at 9:30 a. m., in the Licking Valley Federal Savings & Loan Friendship Room, Caruthers Road, Newport, adjacent to the Newport Shopping Center.

W-V Students Put On A Fine Parade

The Walton-Verona Student Council sponsored one of the finest parades ever seen in Walton, last Friday evening.

During the week, several classes and groups worked long hours in building seven beautiful floats: These were joined by cheerleaders and many other students as the parade organized at the Walton Christian Church parking lot.

Leading the parade was the new fire department ambulance, followed by the varsity and junior varsity cheerleaders. The Grand Marshal was Mrs. Jane (Hance) Sleet, a graduate of 1908. There were 10 in that class with six still living. She rode in a red convertible driven by Michael Perlow, teacher in the science department. Mrs. Sleet said that she thought the parade was very nice and that she enjoyed being with the young people for the evening.

The seven floats were spiced by several clowns who were busy passing out balloons to the many spectators along the parade route. Floats were presented by the senior class, the junior class (the winner of first place), Geometry class, FFA had two floats, freshman class, and Student Council. Those who rode the winning float were Joyce Bowling, Karen Curtis, Sharon Brown, Rene DeMolloy, and Marvin Ingram.

There were also a group of Girl Scouts, some bees, motorcycles, and horses making up the long procession which was cheered by the fire department's "Big 6," and a seemingly endless line of autos.

Around the bonfire, the cheerleaders led in several cheers before the students entered the gym to watch the varsity defeat the alumni in a scrimmage game. A dance closed a week of excitement for the Bearcat enthusiasts.

Athletic Boosters Don't Meet

The Walton-Verona Athletic Boosters Club will not meet tonight (Thursday, Nov. 18) due to the basketball tourney at Ft. Thomas.

Mrs. Marshall adjourned the meeting.—Reporter

Verona Bank Is Robbed Saturday

At about 2:57 p. m., last Saturday, the Verona Bank was robbed of about \$28,000.

According to Mrs. Wilma Grant, cashier, a lone gunman entered the bank just before closing time. He told the three women employees to stand back from the counter. He then inquired as to the location of the vault. After herding the women into the vault, he threw a sack across the floor to Mrs. Grant who put money into it. The masked robber then took the sack to the counter drawers and proceeded to empty them.

After taking the sack from the cashier, the bandit closed the inside gate to the vault but did not close the big outside door.

He warned the employees not to leave for 10 minutes as he had someone waiting outside. They did not hear him leave as they feared for their lives because of his warnings.

There were no customers in the lobby at the time of the holdup. No one had seen any autos parked in the lot.

The security camera was activated and pictures are now being examined by authorities.

The robber was reportedly heavy masked.

The three regular employees are Marie Vest, Joyce Vest and Mrs. Grant. Neither of them were harmed in any way.

No leads were reported Monday as State and Federal authorities continued the investigation.

New Haven Open House

On Monday, November 15th, an Open House will be held at the New Haven School. Mini-classes will be held, and parents will move from class to class just as their child does during the school day. In this way you may meet all of your child's teachers.

A bazaar table will be set up in the cafeteria consisting of hand-made items for birthdays or Christmas, home baked goods, and home made candy. All proceeds from this table will help purchase books for the new library.

Please send all donations to the school by Monday. Please come and help make this the best Open House ever.

Celebrates Second Birthday

Sunday afternoon, Mr. and Mrs. Kerry Vest of near Verona, entertained in honor of their daughter, Kim, on her second birthday.

On hand to help Kim celebrate this happy day were: Mr. and Mrs. D. H. Vest, Miss Sallie Vest, Mr. and Mrs. Robert Jones and son, Scott, of Walton; Mr. and Mrs. Clayton Jones and Evelyn Jones of Hilliard, Ohio; Mrs. Carolyn Coyle and son, Darryl, Mrs. Linda Robinson and son, Brian, Mrs. Kate Reed, Mr. and Mrs. Herman Slusher, and Mrs. Marie Vest, all of Verona.

Cancer Society to Meet

The Boone County Cancer Society will meet November 17th at 1:00 p. m., at the Boone County Health Department on Woodpoint Drive, Florence. All interested persons are invited to attend.

Kenton Council PTA

"What You Always Wanted to Know About PTA But Never Asked," will be a round-table discussion led by Mrs. Raymond Evans at a meeting of the Kenton County Council PTA, Monday, November 15th at 10:00 a. m., in the Willard Wade YMCA, Covington.

Display of program books of the local units will be exhibited.

Break-even point: The moment when you stop trying to balance the budget and begin trying to budget the balance.

**NEW BANKLICK
BAPTIST CHURCH**

By James D. Johnson

Last time we shared with you three areas in which New Banklick Baptist Church has been richly blessed of the Lord. This week we want to further share with you several other wonderful experiences that have blessed our church.

The fourth area of fellowship was the way our people have received our "Victory Sunday" Outreach program. Already we are well on reaching our goal of ending the year of 1971 in the black financially by every tither giving an additional tith and every non-tither giving an additional gift of not less than \$10.00. Already we are well on our way of reaching this goal; however, there is still eight more weeks left until the finish date—Dec. 26. We are expecting great things to happen in these eight weeks. Our young people have taken home little church banks to help them save extra money, and the adults have taken a special marked envelope to bring that extra tithe to the church on Dec. 26. We believe at New Banklick Baptist Church that if we want God to do GREAT things for us, then we must ATTEMPT GREAT THINGS FOR HIM. We will have only that which we are willing to pay the price for. If we want Sunday School Class rooms we are the ones that will have to do it. If we want Bibles, tracts and literature to spread all over Northern Kentucky we are the ones who will have to do it. If we want additional equipment to be able to give the gospel message to more people in our area, then we must be the ones to do it. Nothing is free in this world in which we live; but there is no limit on doing labor in His vineyard.

A fifth area of victory has been in the area of Bible study. We were greatly rewarded for having Dr. George A. Jones, Executive Secretary-Treasurer of our North-

F-R-E-E

One Coal Furnace and Stoker.

ern Kentucky Baptist Association. We had a wonderful study of the First and Second Epistles of Peter. Even though we would have liked to have had a larger number, one thing those who got to attend all sessions must say that Dr. Jones leaves one with the desire to search out more of the Scripture in the Word. He has a very unique way of presenting the lesson material, and a way that brings you back time after time. We hope to have him back in the very near future to study another Book of the Bible. The losers are those who failed to attend. Plan ahead not to be a loser next time.

And now we come to the last report of this group of blessings from our Lord by reporting on the reaping of the harvest in our sowing on good ground. We want to welcome into our fellowship by baptism the following: Mrs. Ella Faye Kincer and son, Timothy; Miss Patricia Dean, and Mr. Joseph Callen. By letter: Mrs. Clara Dillion, Mrs. Carol Gadd and

daughter, Pam, and Glenn and Shirley Klette; surrendering to the Gospel Ministry, George V. Schaller. To God be the glory, great things He has done.

We, the members and pastor, of New Banklick Baptist Church do not believe that you can attend our church without being convicted by the Holy Spirit that you should be serving Him. We have many places of service open for dedicated men and women, boys

and girls. If you are searching for something different in your life, then why not come forward and give us a try toward a greater spiritual growth in His service. You will be blessed if you do. Truly, as our motto claims, "Enter To Worship—Depart To Serve," is a must to a truly "born-again" baptized believer of Jesus Christ. We'll be looking for you Sunday!

"IN THE HEART OF LATONIA"

CAROLINE AND SOUTHERN AVENUE
COVINGTON, KY. PHONE 431-7723**DREAMS ARE THE DAWN
OF TOMORROW**

And like the first light of a new day they seem distant, unreal. Yet out of our dreams we often fashion tomorrow.

The dreams of the daylight hours are not in the subconscious. Rather they project our hopes on a screen of reality. They grow into goals and aims and ambitions.

Whether tomorrow will fulfill those dreams depends on certain values which must be acquired today. Ideals, standards, moral principles, religious faith—these inspire dreams worth dreaming, and help us to translate them to reality.

Never worry about your daughter's daydreaming. Be concerned about her opportunities for spiritual development. The Church shares that concern. It can help you do something constructive about it.

Thank You...

I would like to thank those who worked with and voted for me in last week's election. I appreciate the trust and confidence you, the people, have placed in me. I will do everything in my power to uphold this trust and confidence.

I am delighted with the Council you have given me to work with for the next two years. These men, in my opinion, are men with great ability, and with these men the City of Walton can and will move forward. There will be times I will want the opinion and advice of you, the people.

The only way the Council and I can know is for the people to give us their views.

Again I say thanks for your help and support.

MEET A MANAGER

Eileen Elliott is a District Office Supervisor in our Plant Department.

She started out as a Records Clerk, as she would say, "back in 19-ought-two". Today she keeps a busy schedule supervising a hectic district office. It's a big job and she loves it.

Eileen likes to relax too and spends many leisure hours dreaming up exotic places to travel and see. Within the next few months she's planning an exciting vacation on a Caribbean Cruise.

We like Eileen Elliott. She's a good telephone employee. If you see her, say "hello" ... telephone people make good neighbors.

Beechgrove Homemakers

The Kenton County Homemakers recently attended a lesson in "Good Grooming," given by Janette Brown, Area Extension Specialist from Louisville. In turn, it was given by Mrs. Tom Ellis and Mrs. Lloyd Spegal to the Beechgrove club at the home of Mrs. Tony Schneider. She was assisted in hospitalities by Mrs. John Mutch.

Leaders stressed the "natural look." Also that first impressions mean so much and that you should be prepared at all times to make a good impression. Cleanliness is always first. Wear the style that is becoming to you.

They also demonstrate the proper way to get into an automobile, walking and sitting. We are never too old to learn and feel we profited by this lesson.

One hundred percent members for 1970-71 were honored. The president, Mrs. Edward Andress, won the flower arrangement contest. Membership program was stressed and efforts to establish a sister club will be doubled.

Members in attendance were: Mesdames Edward Andress, Tony Sterbing, Raymond Dickson, William Enders, Wilson Hall, Kay McHale, Roy Kunkler, William Letcher, Fabian Powers, Verner Stephens, and James Floyd.

The November meeting will be held in the home of Mrs. Erwin Dewald on Hallam Ave., Erlanger, with Mrs. Fabian Powers as co-hostess.

LOSE DRIVERS LICENSE

Listed below are the names of individuals who have lost their drivers license for the week ending October 22nd, as released by the Department of Public Safety, KENTON COUNTY: Dennis Gerald Spegal, 24, Anderson Road, Demossville, point system suspension; Michael John Reynolds, 24, 775 Cox Road, Independence, point system; Lloyd Allen Hammons, 23, 602 Orchard St., Elsmere, point system.

Today, the accent may be on youth, but the stress is still on the parents.

Mrs. J. A. Keeney, Reporter

The Homemakers met at the church on Wednesday, Nov. 3rd, with Mrs. Peepson presiding. She opened with a short prayer, then called for Mrs. Danico to give the devotion. Minutes were read and the secretary's report given. Mrs. Hill described a trip which it seemed would be quite pleasant—a visit to the home of Jesse Stewart. Plans were made for the December meeting, in the form of a Christmas party. The menu was planned and each is to bring a special dish. Mrs. Rich will prepare the turkey. Our president told us that she had invited a guest, Rev. Tipton, the evangelist. We were glad to have him with us and after lunch he played and sang several selections, ending with "How Great Thou Art," in which all joined. As tables were cleared and dishes put away, we were ready for the lesson, "Kentucky Heritage," given by Mrs. M. Rich and Mrs. Georgia Rapp and was very well done and quite interesting. Among those present were: Shirley Danico, Francis Elam, Genoa Herron, Bess Hill, Elizabeth Faulkner, Lena Fimmel, Francis Keeney, Virginia Lynch, Ethel Mann, Mrs. Nitschke, Dolores Peepson, Georgia Rapp, Marie Rich, Opal Shaw, Mrs. Terry, Linda Vandlingham, Edith Ware, and Katy Wharton and two little girls.

Mrs. Amie Martin, well known here but now living in Visalia, was taken to St. Elizabeth Hospital on Wednesday. We hope she will improve soon.

Miss Ruth Schmidt, a former resident, is a patient in St. Luke Hospital and quite ill. May she be better soon.

We learn that Rev. Frank Phillips continues quite ill at St. Elizabeth Hospital.

Just talked to Mrs. Bertie Wolf who told us of a trip she made to Houston, Texas to attend the Garden Club Convention.

Miss Hope Keeney of Houston, Texas, attended the O. T. conference in Cleveland, last week, and arrived in Kentucky to spend a week with relatives and friends.

CARD OF THANKS—

I would like to thank my friends, neighbors and relatives for their prayers, flowers, beautiful cards, and visits during my stay in the hospital and convalescing at home. And a very special thanks to my family. Sincerely,
—FAYE LAMB

Fionnie Edgington, Reporter

Mrs. May Wilson returned to her home in Florence, Sunday afternoon, after spending a few days with friends here in Verona.

Mr. and Mrs. Edgar Orr of Portland, Ind., spent the weekend with his brother, Mr. and Mrs. Robert Orr.

Mrs. Lillie Cooke was calling on Mrs. Fionnie Edgington, Sunday afternoon.

Mrs. Josephine Robinson, Tim and Lisa, spent Sunday with her brother, Mr. and Mrs. Marvin Hocker, and sons of Argonia, Ohio, and attended church there, where her brother is pastor.

Mr. and Mrs. Levi Pennington were calling on her sister, Mrs. Allie Chandler, Sunday afternoon.

We are glad Myrick Crouch got to come home last week, but he has to go back in a few days for a checkup. They operated on his knee and he has to be in a cast for two months.

Bobby Masters had to go to the hospital last week. We wish him a speedy recovery.

Mrs. Ora Scott and daughter and Mrs. Albert Crowe were calling on Mr. and Mrs. John Scott recently.

"Mommy, can I swim in the ocean?" "No, dear, the water is too rough." "But daddy's swimming." "Daddy's insured."

PROPOSED HIGHWAY CORRIDOR

A Highway Corridor Public Hearing is scheduled on Thursday, November 18, 1971, at 7:30 P. M., prevailing local time, in the Gymnasium of the Walton-Verona High School, Walton, Kentucky, to afford all interested persons and those affected by the roadway improvements of Ky 14 and KY 16, SP 8-2050, S 749 (1), beginning West of I-75 extending to US 25 in Walton an opportunity to become fully informed about the proposed project. Said persons are invited, and encouraged, to attend and express their views on the highway corridors, including social, economic, environmental and other effects of alternates.

Project exhibits will be on display for public review on the second floor in the Design Division of The District No. 6 Office, I-75 and Buttermilk Pike, Crescent Park, Kentucky, on Tuesday, November 16 and Wednesday, November 17 from 8:00 A. M. to 4:30 P. M., prevailing local time, prior to the Public Hearing. Maps, drawings and detailed plans of the project will be on display at the site of the Hearing. Department of Highways personnel will be present to discuss the proposed corridors and respond to questions while the plans are on display.

The Draft Environmental Statement will be available for reviewing and copying at the District Office in Crescent Park, Kentucky, after Monday, October 18, 1971.

Maps, exhibits and other pertinent information developed by the Department of Highways and written views received from local, state and federal agencies and other public officials will be reviewed and discussed by the Department representatives at the Public Hearing and will be available for inspection and copying. The procedure and tentative schedule for acquiring right-of-way and the Relocation Assistance Program will also be discussed during the Public Hearing.

Written statements and other exhibits will be accepted at the Public Hearing and made a part of the Hearing record. Additional statements may be submitted to the District Office of the Department of Highways, P. O. Box 469, Covington, Kentucky 41012, within ten days after the Public Hearing.

The Public Hearing is being conducted pursuant to the Federal Aid Highway Act, 23 U. S. C., its revisions and as required by the U. S. Department of Transportation's Policy and procedure Memorandum 20-8 dated January 14, 1969.

LAW OF HARVEST

Lesson for November 14, 1971

Background Scripture: Exodus 20:1-20; Romans 7:12-25; Galatians 6:7-10.

Devotional Reading: Psalms 75.

Heinrich Heine, the German poet, let it be known that he did not worry very much about "the world to come" beyond death. Asked why he was so confident, he replied, "C'est son metier" ("It is his trade!"). Why worry about judgement when God is so gracious and forgiving by his very nature?

Rev. Althouse

The game of "grace" For some people grace is a game. They assume that grace is automatic, that, in a sense, God has to give it to us when we want it because it is his nature to give it to us and he cannot transgress against his own nature. Following this line of logic, I live as I please and do not worry about the consequences because the forgiveness of God is always there for the taking.

This, however, is a distortion of the reality of grace. As Paul says to the Galatians, "Do not be deceived; God is not mocked . . ." (6:7).

What some people fail to understand is that just as God has ordained laws that govern the processes of nature, so also there are certain moral laws that are inherent in the universe. One of these we might call the law of "identical harvest," and Paul states this law simply: ". . . for whatever a man sows, that he will also reap" (Galatians 6:7b).

A man was standing in his yard shaking his head sadly at the flowerbed of marigolds. He had wanted a bed of roses. "Oh," said a sympathetic neighbor, "did you plant roses?" "No," replied the man, "I planted marigold seeds, but I so hoped they'd come up roses!"

Reaping what we sow

Perhaps many of us are like that man; we want to reap something else than we have sowed. The fact is, however, God has ordained the universe according to the law of "identical harvest"—what we sow determines what we reap. God's grace can restore our relationship with himself, it can bring us his forgiveness, but it does not change the consequences of our acts.

Jesus also indicated a law of "identical harvest" in his teachings. He spoke of life beyond death as an existence filled with what you have "laid up" for yourself by your choices here on earth in this life. He reminded his listeners that one does not get "grapes from thorns, or figs from thistles." The judgement of God that awaits us is not so much the retribution of a vengeful God, as it is the harvest of the seeds we have chosen to plant and nurture. The place of our abode in the life beyond is the dwelling we have fashioned for ourselves.

Kenton Officials Put Money to Work

Kenton County school officials have invested approximately \$1 million during October in U. C. government securities.

The "idle" money is used to stretch the school tax dollar. The securities are sold during the year as bills fall due.

The report was made by Donald Lancaster, Board of Education treasurer, who pointed out that interest rates on government securities are lower than they were earlier this year and last year.

Donald Davis, county school superintendent, informed the Board that additional funds will be invested when tax collection money is received.

Last year, he said, the Board earned \$59,000 on its government investments.

Of the October investment, \$700,000 came from the sale of construction bonds on the new R. C. Hinsdale School. Other money came from the general fund and other sources.

WHITE'S TOWER PTA

The regular monthly meeting of the White's Tower Elementary School PTA will be held Thursday, November 18th at 7:30 p. m., in the school cafeteria.

Robert Barnes, Assistant Superintendent of the Kenton County Schools, will be the speaker for the evening. The program will center around "Happenings in the Kenton County School System."

Baby-sitting will be provided, and refreshments will be served immediately following the meeting.

Beechgrove Elementary PTA

Beechgrove Elementary School PTA will hold their monthly meeting Thursday, November 18, at 8:00 p. m., in the school.

Don Davis, Superintendent of Kenton County Schools, will be the guest speaker.

The PTA urges everyone to attend this important meeting, and refreshments will be served following the program.

St. Henry Winner In NKIAC Tourney

The Walton-Verona Bearcats participated in the annual Northern Kentucky Independent Athletic Conference, held at St. Thomas High School in Ft. Thomas, last week.

The team came home Saturday night with the second place trophy, falling victim to the St. Henry Crusaders in the championship game by a score of 70-43. The score at halftime was 35-27, but the 'Cats managed to score only five points in the third quarter as the Crusaders notched 20.

Bob Messmer injured his index finger on his right hand near the end of Friday night's game. He missed the final game and will be out of action for several weeks.

St. Thomas took the consolation game over Bishop Brossart by a score of 65-52.

Individual W-V scoring in the final game: Ingram 6, Dixon 3, Burnett 2, Raybourne 7, Rouse 2, Johnson 12, Ramsey 6, McCubbin 4, and Wilmoth 1.

The Bearcats won the right to play in the finals by downing Silver Grove, Thursday, in the opening game, and then winning over Bishop Brossart, Friday evening.

In Thursday's encounter, the 'Cats had a hot second quarter to take a lead in their 48-40 win. Bob Messmer, Mills Rouse and Dwight Johnson had 12 points each; Gene Dixon added 7, Ricky Raybourne and Mike Ramsey two each, and Tim McCubbin had a free throw. Remley led all scorers with 17 for the losers.

Friday night, the locals led all the way to take a 69-50 win over Bishop Brossart. Messmer was tops in scoring on eight field goals and four free tosses. Rouse had 15 markers, followed by Dixon with 12, Raybourne 9, and Ramsey 2. Late in the game Messmer suffered an injured hand as he blocked a shot and hit the wall at the end of the court.

Scores of other games were: St. Thomas 80, Augusta 54; St. Henry 55, St. Thomas 54.

On All-Tourney Team

Three 'Cats named to the all-tournament team were Messmer, Johnson and Rouse.

The W-V varsity cheerleaders won second place in their competition during the games. Saint Thomas won first place.

DINNER NOVEMBER 20

The seniors of Walton-Verona High School, Walton, are having a dinner on Saturday, November 20, from 4:30 to 7:00 p. m., in the school cafeteria.

The menu will consist of ham, green beans, baked potatoes, pineapple, apple and cottage cheese salad, coffee, tea, pie or cake.

Adults \$1.25 presale and \$1.50 at the door; children 75c presale and \$1.00 at the door.

Everyone is welcome.

Baptists Honor Staff

The First Baptist Church of Walton honored two of their staff members with a reception last Sunday evening.

Both having served the church for over 16 years, Juliana Shields and Henry Sleet each received a "money tree," and other gifts from members of the church in appreciation for their many years of faithful service.

Mrs. Shields served as church secretary and Mr. Sleet as church custodian. The church will miss the services of these two fine people.

Last Call—Vietnam Boxes

Any boy serving in Vietnam can have a Christmas box from the Walton Women's Club of Walton, by calling Mrs. Asa M. Rouse at 485-7163, or Mrs. Nelson Popham at 485-5370. Please call before November 20.

Walton Masons to Meet

Walton Lodge, No. 719, F&AM, will hold its regular monthly business meeting on Thursday, Nov. 18th at 7:30 p. m. All members are urged to be present, and visitors are welcome.

WORKING FOR THE MENTALLY RETARDED IN BOONE

Shown above are members of one of the Acteen groups at Walton Baptist Church. They are, left to right, Cloyce Spencer, Lois Fredricks and Susan Tessenner. These girls are folding and preparing brochures to be mailed to Boone Counties. The brochures deal with the Fund Drive being held by the Boone County Association for the Mentally Retarded. This entire Acteen group will also be conducting a tag day in Walton.

Be on the lookout for your brochure in the mail—please read and consider all it says, and give generously to this worthy cause.

The Fund Drive is for the purpose of collecting \$10,000 to build

NEW PROJECT FOR LOCAL LITERARY CLUB

The Walton Woman's Literary Club has a new project—they are saving Hunt-Wesson food labels to replace burned out forest areas. Each label turned in will plant a new tree in a national forest—350 trees per acre.

Last year more than 555,000 acres of forest land was burned. Trees help prevent erosion and floods, fight air pollution, and aid wildlife.

Anyone wishing to aid in this worthwhile project may give their labels to the club's conservation committee chairman, Miss Louise Conrad, or Mrs. Lucille Hetherman, before January 15, 1972.

Labels may be collected from Hunt's tomato sauce, tomato catsup, tomato paste, Big John beans, Manwich, skillet dinners, snack pack, Snowdrift shortening, and Wesson oil.

MERIT SEMIFINALISTS

Fifteen thousand high school seniors have been chosen National Merit Semifinalists. Two from Boone County High School, Florence, who have earned this honor are Daniel Richter and Susan Brockett.

The next step in this contest is to win Finalist status. To earned Finalist a semifinalist must have high school grades and score well on the College Board given November 6.

Two commended Boone County students who won high honors in the Qualifying Test were Timothy Jones and James Allen.

The Church League Basketball Results

In Saturday's first game, Walton Christian defeated the Church of Christ, 81-59. Stephens led the winners with 20 points, while Simpson and Noe added 18 and 16, respectively.

In game two, New Bethel defeated Hickory Grove, 82-66. Huffman and Rich led the winners with 29 and 25 points. Pettit was tops for the losers with 14.

In the third fray, Piner edged Walton Methodist, 57-51. Dunn was tops for Piner with 25 points, and Yates led the losers with 28.

In the first game Sunday, Walton Baptist downed All Saints by a 91-42 score. Jim Noe led the winners with 33 points, and Ron Brown added 23. Mike Rust was high for All Saints with 28, and Bill Wellington added 21.

St. Cecilia then slipped past Richmond, 58-53. Powers led with 15, while Koch and Huesman added 10 each. Jim Houston and Jerry Fagan led Richmond with 15 points each.

Next Saturday there will be no games due to the Bearcat-St. Henry game.

Play in the Church League will resume on Sunday at 1:30, with Walton Christian going against Walton Methodist, and then at 2:45, Richmond tackles the Church of Christ.

Businessmen Of Walton Hold Meet

The Greater Walton Businessmen's Association held its first fall meeting at First Federal Savings and Loan Building, Walton, Wednesday evening of last week.

"Ab" Ryan, president, conducted the meeting. Matters discussed included parking meters, loading zones, street lighting, removal of old cars, building permits, the I-75 exit, the Southern Railroad bridge on Walton-Nicholson Road, auxiliary police, and a sign designating Walton on I-71.

Dr. W. M. Walter was named to obtain information and help for Christmas lighting of the town, and lights for the city parking lot.

A nominating committee, composed of Chester Sturgeon, Charles Carlisle and Dr. Walter, was appointed.

Woodrow Greene and Dr. Roger Augenstein of the City Council were present.

Members of Walton's newly-elected City Council present included William Robinson, Sam Gamble, Roger Augenstein, James Alphin and Jack Norris, as well as the new mayor, Dallas Justice.

High School Year Books On Sale Just One Day

Subscription orders for the 1972 year book at Walton-Verona High School will be taken at a Year Book Assembly on Thursday, Nov. 18th.

Students will be given just this one opportunity to place an order for the year book. No extra books will be ordered, but orders will be placed for students absent from school on Year Book Thursday. In the event that an absent student does not wish to purchase his book, the copy will be placed on sale on a first come, first served basis.

Validation of all orders by full remittance will take place at a later date.

Persons who do not have children in school, but who wish to purchase a copy of the year book may do so by sending a full remittance of \$6.00 per book to Donna Coyle, care of Walton-Verona High School. Your receipt will be mailed.

Wins Color Television

Mark Huesman, son of Mr. and Mrs. Joseph Huesman, 32 Roselawn Drive, Independence, was the winner of the color television given away at the grand opening of the Union Savings and Loan Association office in Independence.

Little Larry McClanahan of 29 Carrie Way, pulled out the lucky ticket.

Piner Elementary PTA

The November meeting of the Piner Elementary PTA will be held Thursday, Nov. 18th at 7:30 p. m. During the business session a report will be given on the fall festival and membership drive.

Open house will be held after the meeting, and refreshments will be served.

Dedication of New School December 5

The Walton-Verona Board of Education has engaged Don C. Bale of the State Department of Education to preside at the dedication of the new elementary school building at Verona, Sunday, December 5th at 2:30 p. m. Open House activities will follow the dedication program.

In other action at the last Thursday evening meeting, the board voted to have about 200 elementary desk tops repaired with Formica at \$5.00 per desk.

Bids were accepted from the Verona Fire Department for one group of old window frames, \$15.00 per lot. Accepted 10-burner gas range went to the First Baptist Church of Walton on a bid of \$50.

The board expressed thanks to Gene McElroy for the use of a truck used in moving the furniture from the old Verona school building.

In an earlier meeting, the members voted to replace the wooden doors on the west side of the gym with new metal doors.

KENTON ELEMENTARY OPEN HOUSE NOV. 18

The annual Open House will be held at Kenton Elementary School, the PTA announces, on November 18, at 8:00 p. m. Students will have lesson, booklets and art projects on display. All parents are urged to attend, and visit their child's classroom.

No regular business meeting will be held this month.

Plans are being made for eye test screening of the student body by health chairman Mrs. Frank Egger.

Mrs. Norma Kearns, sixth grade teacher, is in charge of a charm school for the fifth and sixth grade girls to be sponsored by the PTA. Kenton Elementary PTA was represented at the recent Sixth District Fall Conference by the secretary, Mrs. Earl Jones, and Mrs. Vivian Russell, a teacher.

Thanksgiving Services

The annual Community Thanksgiving services will be held Wednesday night, November 24th at 8:00 p. m., in the First Baptist Church, Walton.

The Community Choir will sing, and everyone is invited to attend.

SHORT SHOTS...

R. C. Hinsdale, recently retired superintendent of Kenton County schools, was commissioned a Kentucky Colonel by Gov. Louie B. Nunn, for his long service in the field of education.

A large tractor rig loaded with white sand broke down on I-75, early Thursday morning near Walton, closing two lanes for northbound traffic. The bags of sand were removed to other trucks before the traffic returned to normal.

Secretary of State, Ken Harper, of Lakeside Park, filled the post of Governor of Kentucky, last Wednesday. His experience may be advantageous in the future.

Dr. Frank Steely, president of Northern Kentucky State College, has asked for \$11.2 million for operating funds for the next two years. Student enrollment now numbers 3,000 as compared to only 1,400 two years ago.

Florence City Council has rejected a proposal by a private firm to operate an ambulance in the city, and has asked for a volunteer life squad unit.

UNION THANKSGIVING SERVICES SCHEDULED

Four Boone-Kenton communities will hold union Thanksgiving services with Catholics and Protestants worshipping together.

The Northern Kentucky Interfaith Commission has co-ordinated plans and in all, 13 such community services are planned.

These groups in the Walton Advertiser area include: Erlanger—7:30 p. m., Wednesday at the Erlanger Church of the Nazarene.

Florence—10:00 a. m., Thursday at the St. Paul Roman Catholic Church.

Hebron—7:30 p. m., Wednesday at the Hebron Baptist Church.

Walton—8:00 p. m., Wednesday at the Walton First Baptist Church.

Walton Emergency Runs

During the past two weeks, the Walton Vols responded to four auto wrecks, plus three other squad runs.

Nov. 8, 2:15—Auto wreck on U. S. 25, South, Williamstown man received facial cuts and leg injury.

Nov. 8, 3:30 p. m.—Garage fire on Richmond Road.

Nov. 11, 4:35 a. m.—Williamstown woman became ill at Boron 338, taken to St. Elizabeth Hospital.

Nov. 12, 4:05 p. m.—Single car wreck on I-75 near Eads Road bridge, women driver received back injuries.

Nov. 12, 10:45—Soldier received leg and back injuries in auto accident on I-71, 3 miles West of Walton.

Nov. 14, 2:55 p. m.—Woman received dislocated shoulder and a bruised eye at Richmond Mobile Home Court, taken to St. Elizabeth Hospital.

Nov. 14, 6:00 p. m.—Squad run to Big Bone Trailer Park, man complained of severe stomach pain.

Nov. 15, 7:35 a. m.—On I-75 at Walton, tire blew out, auto overturned, Somerset man received a compound fracture on other injuries, taken to St. Elizabeth.

EARLY REQUESTS

Dallas Justice, recently elected Mayor of Walton, has received numerous comments and requests as to what should be done on many city projects.

Mr. Justice said that he appreciated the response, but thought that it was a little too soon, in many respects, as he will not assume his duties until in January, 1972. After that he welcomes suggestions and comments from all citizens that may be helpful in city administration.

Simon Kenton FHA Alumnae Meeting

The Simon Kenton FHA Alumnae met on Thursday, October 21, with Judy Schadler, president, presiding. Eleven members and a guest were present.

Plans were started for the Christmas party to be held on the regular meeting night in December. It was decided to help a needy family in the area at Christmas, and each member is to bring a suggestion to the November meeting.

The Alumnae appeared on the Bob Braun Show, Wednesday of this week.

The Alumnae is sponsoring a skating party at Lloyd's in Latonia on Tuesday, Nov. 30, from 7:00 to 10:00 p. m.

The program was presented by Verne Wagner. Each member made a Christmas tree ornament out of a foam ball, straight pins and sequins. They will sure brighten up the trees this year, and it was very creative.

Refreshments were served by the hostess, Carol Reid, after the meeting was adjourned.

The Alumnae will meet Thursday, Nov. 18 at 7:30 p. m., in the RECC Building. Election of officers for 1972 will be held.—Pam Barnes

March of Dimes Treasurer

Arthur Tanner, Jr. has been re-appointed treasurer for the Boone County March of Dimes drive for 1972—the 10th consecutive year.

Mr. Tanner has been associated with the Florence Deposit Bank for 24 years, and has been involved with the March of Dimes fundraising effort since 1944.

New Goodwill Manager

John Michael (Mike) Rist, 35, commenced service Monday, Nov. 15, as the new branch manager of Northern Kentucky Goodwill Industries Rehabilitation Center in Covington. He comes from Columbus, Ohio, and was appointed by W. Sharon Florer, executive director of the parent Ohio Valley Goodwill.

Birthday Celebration

A birthday supper was served by Mrs. Fannie Adams, Monday evening, Nov. 8th, at her home on Nicholson Road, for her son, Wayne Adams.

Those present to enjoy the occasion were: Mr. and Mrs. Clarence Sturgeon, Walton; Mr. and Mrs. Foster Straub, Demossville; Mr. and Mrs. Huber Clemons of Pendleton County, and the honor guest, Wayne Adams, and wife, Virginia, and the hostess, Mrs. Fannie Adams.

All enjoyed the food and the fellowship together and wished Wayne many more happy birthdays.

Sympathy is extended to John Still and family in the death of his brother, Gordon Still, of Dayton, Ky. Services were held Saturday in Bellevue.

Miss Joella Sleet spent the weekend with Mrs. David Webster.

Mike McDavid of Eastern Kentucky University, Richmond, spent the weekend with his wife and daughter, Kelley, of South Main.

Happy Helpers Meet

The Happy Helpers Class of the Walton United Methodist Church met Tuesday evening, Nov. 9, in the church with Mr. and Mrs. Ed Crow as hosts. The meeting was opened by the vice president, Mrs. Anna Mae Simpson, who also had charge of the business session.

Election of officers was held, with the following results: President, Mrs. Anna Mae Simpson; Vice President, Mrs. Betty Ammer; Secretary, Mrs. Rebecca Brown; Treasurer, Mrs. Myrtle Carlisle.

Cards were sent to the sick, and Mrs. Simpson talked about the annual Christmas dinner and graciously invited the class to be her guests for the Christmas dinner.

Those enjoying the delicious refreshments were: Mr. and Mrs. Charles Carlisle, Mrs. Mary Stephenson, Mr. and Mrs. Lawrence Lemons, Mrs. William Brown, Mr. and Mrs. J. J. Barnett, Mrs. Malcolm Simpson, Mr. and Mrs. Ed Crow, Rev. Robert Yates, and Mrs. George Stuard.

Mr. and Mrs. Billy Cook of Ghent, Ky., were Sunday dinner guests of their aunt, Mrs. Mary Stephenson.

David Doggett, son of Mr. and Mrs. Arthur Doggett of Verona, has returned home after spending two years in the U. S. Army. He was stationed in Hawaii prior to his discharge.

Mrs. O'Neal Masters was a Sunday dinner guest of her mother, Mrs. Jesse Callen. Afternoon callers were Mr. and Mrs. Andy Penn, William Roberts, Mr. and Mrs. Hargis Banta and son, and Dan Corman and family.

Mrs. Robert Slayback, Mrs. Nelson Popham, Mrs. George Black, Mrs. Dewey Mulford, Mrs. Preston Art and Miss Lila Black attended a style show at the Beverly Hills Club, last Tuesday, sponsored by the Boone County Jaycees. Mrs. Art, a member, presided over the Christmas decorations. Mrs. Black was lucky and won a gift certificate. Proceeds from the show are used for the needy children of Boone County.

Mr. and Mrs. Cecil Osborn of Hartwell, Ohio, were the Saturday guests of her parents, Mr. and Mrs. Stanley Bush.

LIVING
MORE FUN!**

Electric living is a powerfully good way to live.

You can enjoy everything from hot and cold running water to year 'round Climate Control. But, be sure you're operating with full house power—adequate wiring, proper circuit loads, and enough outlets for the appliances you operate. And, remember, as you add more appliances and equipment, your electrical load increases.

For safety's sake, have your wiring checked periodically.

Be certain your home has adequate electrical entrance equipment (fuse box) for your current use of electrical power. If lights dim or motors start slowly, you should have your system checked so you can make full use of rural electric power.

COUNTY AGENT'S ½ ACRE

—by—
JOE CLAXON

In every year of the 1960's the Americans upped their purchase of food produced on U. S. farms.

Expenditures in 1970 were a record \$102 billion—almost 7 percent more than a year earlier. The farmer's share?

It worked out to 33c for every dollar spent. That's roughly a cent less than in '69. The farmer's share has generally trended down over the years.

There are various ways of expressing the farmer's share of food spending. Four of these are shown below. In every case, the farmers got a smaller slice in 1970 than in 1960. In 1960, the shares were: 47c for market basket food, 39c in 1970; 41c for all farm food, 33c in 1970; 39c for all food, 29c

in 1970, and 9c per dollar of consumer disposable income, 5c in '70. The "market basket" is the average retail value of U. S. farm produced food bought by urban wage earners and clerical workers families and single workers living alone. It is primarily food purchased at the grocery store (excluding alcoholic beverages) and prepared at home.

"All food produced on U. S. farms" is the market basket plus the value of meals eaten in restaurants and other away-from-home eating places. Due to the high cost of preparing these foods, the farmers' share is naturally smaller than it is for the market basket alone.

The "salt food" share is smaller still, since it includes imported food and fishery products.

"Per \$ of disposable income" is the farm value divided by consumers' total income after taxes.

The lady said to the tramp at the door: Have you ever been offered work? "Only once, lady," the man said. "Aside from that I've met with nothing but kindness."

IN KENTUCKY...

TOBACCO IS NO. 1

Tobacco, as most Kentuckians know, is the state's leading cash crop. Tobacco accounts for 32 percent of farm income in our state, and is worth \$300 million annually to Kentucky's farm families. Of equal importance is the fact that tobacco provides jobs and income for thousands of other Kentuckians engaged in its marketing, processing, and retail sale. Tobacco, it is estimated, generates \$1.5 billion each year within our economy. Tobacco is, indeed, Kentucky's Number One product. As such, it has a story to tell, and that's why Kentucky's burley tobacco farmers bring you this message. Burley farmers believe it's time to speak up for what's good about tobacco. So, they're talking. Are you listening?

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

Letter To The Editor:

November 10, 1971

Election day is now history, and we hope the candidates which you voted for were elected and the issues which you supported were approved. One of the most baffling processes in the American system of Democracy is the God given right to vote—fought for all over the world, but often ignored here.

So, remember, if you went to the polls to cast your ballot, whether your man or issue was the winner, you at least had a say in deciding the results.

And for the rest of you, if you neglected to vote, then don't complain about what a lousy system of government we have—you're contributing to it by not voting.

THOSE IN SERVICE

Airman Michael R. Richter, son of Mr. and Mrs. Robert J. Richter of 6406 Walnut Drive, Independence has completed basic training at Lackland AFB, Texas. He has been assigned to Chanute AFB, Ill. for training in aircraft maintenance. Airman Richter is a 1971 graduate of Simon Kenton High School.

Private First Class Larry Alexander spent the weekend at home with family and friends. He is presently stationed at Ft. Leonard Wood, Mo., after completing his training as an administration specialist. At the present time, he is working as an assistant instructor while waiting for orders.

He was selected as "Soldier of the Week," in his assigned unit and received his fifth letter of commendation with a promotion to Specialist Four, which is expected to be final within the next 60 days.

ed to be final within the next 60 days.

During the past 11 months, Larry has undergone intensive training under the assignment of the United States Army Security Agency at Ft. Devens, Mass. After completion of basic training at Fort Jackson, S. C., he was assigned to Ft. Devens for further training. He received his advanced individual training in Morse code intercept and finished first in his class of 100 men. While waiting for further training, he served as an assistant instructor and a clerk in his unit. Due to a hearing loss, which was noticed, he had to be removed from further training in this field. Because of his training in the handling of classified information and outstanding performance in this field, he was given an assignment to his present status so that his knowledge and abilities may be exercised to the fullest extent. He was given recognition for his outstanding performance in first ASA band while at Fort Devens.

At the present time it is impossible to give a mailing address due to his forthcoming change of station and some complications which exist. A mailing address will be published as soon as possible. Larry wishes to thank those who have sent cards and letters, for their concern, and giving him reason to work much harder. He is expected to be back home for Christmas and would like to hear from everyone.

Army Private Troy J. Lucey, 17, son of Mr. and Mrs. Lelon Lucey, 44 Bowman Road, Independence, recently completed eight weeks of basic training at the U. S. Army Training Center, Infantry, Fort Polk, La.

WHAT ARE YOU READING?

Last year thousands of new books were published in America. Some are already forgotten. Others become best-sellers. Yet the best-selling book of all time is probably not listed in your weekly book review.

This book is the Bible. It contains the record of God's love for mankind and His wish to reconcile man to Himself through Jesus Christ. That's quite an order, isn't it?

To understand the meaning of life and our relation to God, we cannot lightly scan the pages of this Book like a recent novel. In fact, we must have the help of scholars and students of centuries past.

Your church represents generations of accumulated knowledge and faith which will help you discover, in fellowship with others, the meaning and direction of life.

VERONA

Flonnie Edrington, Reporter

Mrs. Susie Glone of Owenton, spent Friday with Mrs. Allie Chandler, and Mrs. Flonnie Edrington was an afternoon caller.

We are glad Mrs. Hannah Chapman is getting along real good since she came back from the hospital. She is able to get around the house with her walker.

Mr. and Mrs. Winfred Swearingin and children spent Sunday with Mrs. Allie Chandler.

Mrs. Rose Lee Kimberlin passed away Thursday at Mt. Sterling, Ky. She was formerly of Verona, and went to Mt. Sterling to make her home with one of her daughters. Her funeral was held at the Hamilton Funeral Home, Saturday

afternoon. We extend our sympathy to the children and other relatives in the loss of their loved one.

This little town was shook up last Saturday when it was reported a lone gunman had robbed the bank of \$28,000. We only hope they find the one or more who did it.

Mrs. Ethel Webster was calling on Flonnie Edrington, Tuesday afternoon.

Mrs. Cora Richards was calling on her sister, Mrs. Ethel Webster, Monday.

Mrs. Dorothy Renaker and twins were calling on Mrs. Cassie Risner, Friday morning.

A good husband is one who feels in his pocket every time he passes a mailbox.

Bible Week Nov. 21-28

Gov. Louie B. Nunn has proclaimed the week of November 21-28 as Bible Week in Kentucky.

Gov. Nunn called upon the people of the commonwealth in his proclamation to set aside this week to encourage men, women and children of all faiths to read the Scriptures and set up a plan of regular examination of the Foundation Book of the Judeo-Christian heritage.

"AMAZING GRACE"

Lesson for November 21, 1971

Background Scriptures: Romans 5/ 8:28-39, 2 Corinthians 4:7-12, 5:17.

Devotional Reading: Psalms 85.

"Amazing grace"

How sweet the sound...

Once limited to churches and camp meetings, the old hymn can now be heard on radios, juke boxes, and wherever else popular music is played. Recently, a little

boy was heard to exclaim in church, "Hey Mom, listen—they're playing my record!"

Let us hope and pray that its newfound popularity will bring this old hymn not only admiration of its

beautiful melody and catchy rhythm, but also the contemplation of its vital message. Actually, when we really

consider the meaning of God's grace — his undeserved love poured out for us in Jesus Christ — we can hardly have any other response: "Amazing!"

A sense of wonder

The song conveys this sense of wonder: God's grace is almost too good to be true!

"I once was lost, but now am found,

Was blind, but now I see."

For the person whose life has been changed by the love of God, it all seems a wonderful miracle.

God's grace is therefore "amazing" because of what it can do in our lives. Situations that seem hopeless can be transformed by the love of God. Nothing is so dark, so evil, so far-gone, that God's grace cannot transform!

In the newer versions of this old hymn we sing... "That saveth men like me." The older version, however, was much more pointed: "That saved a wretch like me." Somebody obviously thought that the term "wretch" was a bit too strong. But that's what makes God's grace so truly "amazing." By this grace God is able to save the "wretches" of this world. It is a grace that does not simply perform minor repairs on "almost righteous men," but the radical surgery by which the most evil of men can be changed.

"While we were enemies..."

Paul makes it clear that God doesn't wait until men have repented before he tries to win them back with his grace. He takes the initiative: "while we were yet sinners, Christ died for us" (Romans 5:8).

This is what makes God's grace so "amazing" too. We can partly comprehend someone giving their life (or risking it) for another who is worthy, but it is "amazing" to contemplate someone who will lay down his life for another who doesn't deserve it. And who of us ever "deserved" the salvation of Jesus Christ?

This is the "amazing grace" we have received in Jesus Christ

BIRTHDAY DINNER

Mr. and Mrs. Donald Whaley of Piner entertained with a birthday dinner on Sunday, Nov. 14th, in honor of their son, Jeffrey's 13th birthday on Nov. 12th; the ninth birthday of Sandy Whaley, and the eighth birthday of Laura Whaley, both nieces.

Those present were: Mr. and Mrs. Virgil Whaley, Mr. and Mrs. Eddie Whaley, Sandy, Laura and Tracy, Mr. and Mrs. Artie Tugate, Mrs. Lloyd Bridges, Mrs. James Haverly, Joey, Jimmy and Shannon, Mr. and Mrs. George W. Campbell, Michael and Kim, Diane, Janice and Dawn Ann Whaley.

The nagging wife bought her husband two ties for his birthday. The next morning he put one on. At the breakfast table his spouse scowled: Oh, so you didn't like the other one, huh?

PUBLIC HEARING ON HIGHWAY CORRIDOR

By Jim Lawrence

A Highway Corridor Public Hearing for a new proposed access route connecting I-75 and U. S. 25 in Walton was held last Thursday in the high school gym. John B. Morledge, District Engineer, Department of Highways, Covington, conducted the meeting which lasted about two hours.

He explained that the purpose of the meeting was to inform the public of the location of the proposed highway and for citizens to voice any opposition or approval. Five state officials accompanied Mr. Morledge to explain various parts of the plans.

A second public hearing, called a design hearing, will be held next if this hearing results are acceptable. A notice will be published in the local paper if such a meeting is scheduled.

Robert Capito presented the results of six corridor studies which have been made for the road. Of these six only three are still being considered as a potential route. He noted the new road will be constructed to carry the projected estimate of 9,000 plus vehicles between now and 1993. This compares to 4,000 average daily traffic according to recent surveys.

The proposed access road construction begins at a point 1,000 feet on the west side of I-75 to a point near the intersection of School Road and Routes 14 and 16. From here the surveys were made in several directions.

Corridor "A" followed School Road in front of the high school, across Beaver Grade and Maloney Drive and finally out on Bedinger Avenue.

Corridor "B" ran along School Road to Beaver Grade and then up to U. S. 25. These two routes are no longer being considered.

A third route is referred to as Corridor "C" and it includes the area along and on each side of Alta Vista. C-2 begins at a point on Ky. 14 and 16, then up the middle of Alta Vista to U. S. 25. Because of the improvements of this area, no further studies are planned here.

C-1 would run on the east side of Ros Street, under Alta Vista and parallel with High School Court to U. S. 25.

C-3 runs across Park Avenue and out onto Alta Vista 350 feet from U. S. 25 then onto 25, 100 feet north of the L&N Railroad. These two routes are still under study.

Corridor "D" would have intersected with U. S. 25 on the north side of First Baptist Church, but this route would require a culvert under the railroad that would present a drainage problem.

Corridor "E" along the present Needmore Street does not allow enough right-of-way without great expense and the relocation of a great many houses. The steep grade required to go over the railroad was also another reason to discontinue this route study.

Still another route, as published in the Advertiser recently, is called Corridor "F." F-1 would run parallel to and south of Needmore Street but this route was eliminated because of the short distance between the highway and the railroad.

Route "F-2" is considered the best corridor route because it affects only four houses and open farm land. The new road is planned to be four lanes wide with a median and an overall width of 68 feet. A second bridge will be constructed across I-75, if and when the access road is constructed. There will also be a bridge across the L&N Railroad.

The estimated cost of the three routes are: C-1, \$1,744,000, involving 11 houses, no businesses; C-3, \$1,475,000, involving nine houses and two businesses; F-2, \$2,010,000, involving only four houses but more mileage.

Rush Matthews, Jr., explained the procedures involved in negotiations with property owners, including title search, appraisal as to fair market value and executing the deed.

Ralph Anderson discussed some of the services and payments made by the state to persons affected by relocation.

The meeting was attended by

about 80 persons. They were given an opportunity to speak pro or con regarding the road. Any interested person may send a written comment to the district office within ten days (not later than November 29) and that letter will be included as part of the meeting.

Several persons did ask questions or comment about the proposals. Rep. King of Kenton County expressed favor of the proposal as did Boone County Judge Bruce Ferguson. Councilman Don McMillian spoke for the city, stating that they favored plan F-2, but he as an individual opposed the plan because it might leave his house under a 50-foot embankment, and the recipient of trash from the road. There were no business people or organizations who expressed any views.

Andrew Jarman asked if a new road might raise taxes and would anything be done to improve Needmore Street? Answer: No immediate plans call for work on Needmore, but a new road would relieve the traffic which would be an improvement.

Mrs. Alva Falls suggested that even with a new access road, many autos would still use Alta Vista and School Road.

Willard Rice asked if the bridge over the railroad would be demolished if a new road is built? No! Would it be possible to build a street instead of a road for future development? No! This will be a partial control access road with entrances no closer than 500 feet, designed for fast, smooth egress and ingress.

Mr. Morledge asked the people present to reflect on what they had heard and seen on the three large maps on display and write their opinion and comment within the ten-day period.

The houses affected by F-2 include a tenant house of Ernest Dance; the houses of Mr. and Mrs. C. O. Carlisle; Mr. and Mrs. Daniel Hance; and Mr. and W. R. (Red) Belcher, occupied by Mr. and Mrs. Gary Crutcher; parts of numerous lots and a farm are also involved.

Mail Days For the ASC Election Ballots

It's now time for Boone County farmers to vote their choice for ASC community committeemen says J. Laessing Huey, Chairman of the County ASC Committee.

Ballots went out in the mail on Nov. 17th, and they must be properly voted and returned to the County ASCS Office by Dec. 1st, in order to be counted.

Votes will be tabulated publicly by the County Committee, Dec. 6, at the county office at 9:00 a. m. Anyone, regardless of race, color, creed, sex or national origin may view the counting.

Each ASC community will vote its own slate of nominees. In this area, they are:

Community C—John D. Baker, Elbert Cook, John L. Feagan, W. C. Gatewood, Robert Flaig, and Robert H. Smith.

Community D—Carl Bodie, Harold Dringenberg, Theodius Ryle, Eugene Schwenke, George Stephens, and D. D. Williamson.

Community E—Ralph Curry, Finley Jacobs, Jr., Harold Rosenstiel, J. C. "Mike" Ryan, Ronald Vest, and Jay Webster.

Each farmer may vote for not more than three candidates in the ASC election. He may select any three candidates listed or he may write in his own choices on the lines provided on the ballot.

To Attend 4-H Congress

Miss Judy Hetterman, daughter of Mr. and Mrs. John Hetterman, Salem Ridge Farm, Verona Road, will attend the National 4-H Congress in Chicago, which begins on November 27.

Miss Hetterman has been a 4-H member since she was nine years old. She won the all-expense paid trip on her electric projects. Judy is a freshman at the University of Kentucky, Lexington.

Robbery Sunday Night

At 11:30 p. m., Sunday night, someone threw a tire and rim through the big, front plate glass window of Webster's Radio and Television, North Main Street in Walton, which set off the burglar alarm. The only thing missing was a 16-inch portable black and white television set.

Boone Driver Licenses

The Boone County Circuit Court Clerk's office will be open from 9:00 a. m. to noon on the last Saturday of each month to issue drivers' licenses only. Mrs. Mabel Benson, clerk, has announced, from her office in Burlington.

Rest Area Improvements

Highway Commissioner B. E. King has announced improvements for the southbound rest area on I-75 in Boone County, 1.5 miles North of the Ky. 338 interchange.

Expansion of existing facilities will include additional parking, roadway lights, drainage, landscaping, sidewalks, satellite building, one sewage unit with piping, new water lines, and picnic pads.

The project should be finished next summer, Commissioner King said.

BEARCATS DEFEAT ST. HENRY SQUAD

The Walton-Verona Bearcats thrilled a packed house of local supporters Saturday evening with a come-from-behind win over the St. Henry Crusaders in double overtime, 71-70.

The 'Cats took an early lead and had to score 16 points in the fourth quarter to knot the score at 60-60. The first overtime ended in a deadlock at 66-66.

Down by a point and with only six seconds remaining, Ricky Raybourne grabbed a free pass at mid court and raced in for a layup and a win over the NKIAC rivals.

Dwight Johnson tossed in 11 field goals and a free throw to take scoring honors with 23 points. Other scoring: Rouse 19, Dixon 16, Raybourne 9, and Ramsey 6. Robinson was tops for the visitors with 25 points.

The Crusaders JV team won the preliminary game, despite the 22 point effort of Marvin Ingram.

Traveling to Augusta, Tuesday of last week, the Bearcats won their regular season opener by a score of 59-52. Rouse and Raybourne led the way with six field goals and three free throws each, good for 15 points. Other scoring included Dixon with 10, Johnson 7, Ramsey 6, Wilmoth, Robinson and McCubbin, two each.

The JV team also won by a score of 54-46.

Club Workshop Is Held

A publicity workshop preceded the luncheon which was held at the home of Mrs. James Lee Cobb, the new Fifth District Governor of the Kentucky Federation of Women's Clubs, on Saturday of last week.

The workshop was for presidents and publicity chairmen of clubs in the district. District and State officers attended the workshop at the historic residence of Mrs. Cobb on Walton-Nicholson Road, in Kenton County.

Mrs. Daniel Hance of the Wa-Na Woman's Club, Walton, attended the meeting.

"Cool Heat" Cuts Record

"Cool Heat," a popular rock band from the Independence area, recorded their first record on November 10th.

The record was cut at Jewel Recording Co., Cincinnati, and will be distributed by Jewel.

The song titles are, "The Other Side of Us" and "Life." Music and lyrics for both were written by members of the group.

The group is composed of Carol Norris, lead singer; John Snowden, lead guitar; Tony York, rhythm guitar; Jerry Karr, bass, and Rick Garnett, drums. The manager is Jerry Rigley.

FFA Greenhand Ceremony at SK

The Simon Kenton Chapter of Future Farmers of America received 38 Vocational Agriculture students for membership in the first FFA degree, "Greenhands."

Twenty-two were freshmen and 16 were sophomores. Requirements for this degree are that each member must be enrolled in a class of Vocational Agriculture, must have a supervised farming program or money-making project, and each must recite the FFA creed.

Those who met these requirements on the day of the initiation were asked informally to wear a dress shirt on backwards with a tie, work pants, one dress shoe and one work shoe, with an FFA corn cob necklace, and a green-hand over his heart.

The members meeting these requirements were: Freshmen, Dean Caldwell, Stanley Collett, Ralph Collins, Kenny Cooke, John Daugherty, Dave Eubank, Ronnie Klotz, Robert Knockelmann, John Lawson, Byron Lile, Tim Martin, Larry Orme, Dave Osbourn, Scott Parker, Kevin Pike, Gary Riley, William Schadler, Kenny Smith, Mike Spioer, Billy Souder, Don Wood, and Roland Gabbard.

Sophomores, Albert Bach, Ricky Courtney, Bobby Evans, Danny Epperson, Tony Howard, John Jackson, Greg Kidwell, Jess Laws, Dexter LaFollette, Charles Readnor, Tim Rose, Leslie Schadler, Joe Scott, Mike Smith, Mark Williams, and Dean Wolfenbarger.

We are proud to have these greenhands in the Simon Kenton Chapter and hope that they can become outstanding leaders in their community and learn more about the primary aims of the FFA, which are to develop agricultural leadership, citizenship, and cooperation.—Joe Calhoun

Mrs. W. J. Craig New Dog Warden

The Boone County Fiscal Court, last week, named the wife of a former dog warden, W. J. Craig, to be the new warden.

Mrs. Trudy Craig of 530 Mt. Zion Road, Florence, will assume her duties December 1. Her appointment came after months of problems in getting and keeping a dog warden. The county has had none since September.

In regard to the Boone County SPCA, County Judge Bruce Ferguson said, "They (the SPCA) told us to let them take it over and we'd have no more troubles. But all we've had is trouble."

Craig said his wife might have to hire someone to pick up the dogs, and that he had a man—not in Boone County—that would take the unclaimed dogs.

Mrs. Craig is to be paid the same salary her husband received—\$4,275 a year.

Dan Roberts, president of the Boone County SPCA, said, "We're still organized and we're going to keep a close watch on them and their kennel. If we find conditions like we once did—of big dogs eating the little ones—they'll hear from us again."

30th Wedding Anniversary

Rev. and Mrs. Dee S. Gadd of South Main St., Walton, celebrated their 30th wedding anniversary on November 17.

A surprise given shower was given Saturday, Nov. 13th at their home.

Among those present were: Sp/4 and Mrs. David Carney, Mrs. Polly Mize, Mrs. Lori Mullins, Mrs. Mae Cole, Mrs. Vera Wright, Mrs. Aretta Rice, Mrs. Westover, Mr. and Mrs. Ernest Cummings and children, Lori and Danny, Rev. and Mrs. Floyd Race and children, Becky and Nathan, Mrs. Debbie Day, Martha Sue Helton, Martha Lee Gadd, Garland Davis, Mrs. Lori Scroggins and daughter, Toni, Mr. and Mrs. Troy Helton, Mr. and Mrs. Coy Bullock and daughter, Rhonda, and Mrs. Grace Ashley of Clay City, Ky.

ASCS CONTINUES AS INFORMATION CENTER

Boone County residents can get information on Phase II of President Nixon's Economic Stabilization Program at the Agricultural Stabilization and Conservation office, 6 East Park Ave., Burlington, according to Mrs. Doretta B. Rouse, County Executive Director.

The county office will receive regular updated information on Phase II. The office is open from 8:00 a. m. to 4:30 p. m., and the telephone number is 586-6175.

Any questions that cannot be answered by ASCS or interpreted by the IRS District Office, will be forwarded for higher level action.

Boone County Jail Gets A Poor Rating

The Burlington jail which Boone County voters decided to keep is an "inadequate facility," according to inspectors from the State Department of Corrections.

The jail—scene of three escapes in the past year, and the rape of a 16-year-old Boone boy by male adult prisoners—was inspected by Leroy Porter as part of the statewide examination of county and city jail facilities.

Boone County voters rejected a \$25,000 bond issue in the general election for a new jail and police building—a two-thirds majority was needed for passage.

County Judge Bruce Ferguson said recommendations in the report to install an intercom system in the jail, and to replace light fixtures with the "prisoner-proof" lights had been followed.

The report criticized the jail for inadequate preparation of male and female prisoners, and for placing juveniles too close to adult prisoners, Ferguson said.

A possible solution to the jail situation, Judge Ferguson said, would be the imposition of a two-cent per \$100 valuation health tax. He said the county was taking \$40,000 a year from the general fund for support of health in the county. He said all the counties around us assess a health tax, which can be done without going to the voters.

CITY COUNCIL ASKS THAT RESTRAINING ORDER BE LIFTED BY COUNCIL-ELECT

A meeting of the Walton City Council plus members-elect was held Tuesday night of last week in City Hall.

Present council members present were: Mayor Guy Carlisle, Dr. Roger Augenstein, Don McMillian, Chester Armstrong, Luther Stephens, and Robert Eisenschmidt. Woodrow Greene was absent. Of the new council, to be seated on January 1, Mayor Dallas Justice, Jimmy Alphin, Bill Robinson, Jack Norris, Lloyd Poore, and Dr. Augenstein. Sam Gamble was not present.

The session was presided over by Mayor Carlisle.

Roy Brannum was present and asked about street repairs on Edwards Avenue, saying he thought revenue from auto stickers was to be used for this purpose.

"Ab" Ryan inquired about the liability insurance the City was to carry on the City parking lot. It seems nothing had been done on this matter.

It was decided to have the Fire Department reimburse the City for insurance on the new ambulance. It was also decided to repair the spillway at the new reservoir on Percival Road. Wendell Webster is to repair streets in the City. The present council decided to let the new council take care

Principal's Car Is Firebombed

Cars owned by the Simon Kenton High School principal and one of the teachers were firebombed one night last week.

They were parked outside the home of Principal Robert Abell on Walton-Nicholson Road, Kenton County.

Abell said he was sitting in his living room about 9:15 p. m. "I noticed the flames and ran out," he said.

He found his 1963 Chevrolet burning, along with the 1971 Plymouth of Mrs. Tula Pritchett, a Simon Kenton commerce teacher, who lives in an upstairs apartment in the Abell home.

"Evidently someone had thrown a bottle of gasoline on my car," he said. "But her car was damaged worse than ours."

Kenton County police said the interior of both cars was burned out.

Covington Police Sergeant Tom Henry, who was in the area, told officers he saw a car leaving earlier.

Pieces of a quart beer bottle and a handkerchief soaked in kerosene or gasoline were found at the site.

"We just have no idea why it was done," Abell said. "Of course there are all kinds of situations which come up during the school year, but we have an overall good student body and I wouldn't in any way implicate them."

The Church League Basketball Results

In Sunday's first game, Walton Christian went over the century mark in defeating Walton Methodist, 109-44. Rick Stephens led the winners with 26 points, Mike Ferguson added 23 and Mike Simpson 22. Mike and Jeff Gray had 12 and 11 for the losers.

In the second game, Church of Christ defeated Richmond 109-63. Bailey was tops for the winners with 41 tallies. Knisely and D. Stahl chipped in 20 and 16. Neuman led the losers with 20, while Jim Houston and Jerry Feagan came through with 18 and 16.

Saturday at 6:00 p. m., Piner plays New Bethel; in the second game, Hickory Grove goes against Walton Methodist, and in the last game at 9:00, Walton Christian tangles with All Saints.

Sunday at 1:30, Walton Baptist plays Richmond, and following this fray, St. Cecilia goes against the Church of Christ.

Mr. and Mrs. Richard Howard have returned home after a three months visit with their sons in California.

4-H Club Meeting

November 12, Mrs. Steinhauser's fifth grade class at Piner held their second 4-H meeting.

We first had the pledges by Jill Cooper and Janet Bray. Then the devotion was given by Rhonda Rose, and roll call by Kathleen Creasy. Minutes of the last meeting were read, and Barry Oliver read a poem on Thanksgiving. We had reports on some of the projects. Rhonda Rose reported on her apron in sewing. Rodney Callen reported on his garden project, and he showed a giant green onion that he grew. Howard Gaylor reported on his woodworking project, and he made a birdhouse. Then Kathy Cummins and Tamra Roland reported on their cooking project. Tamra had made some oatmeal cookies, and Kathy made a cake. We celebrated Joe Mobley's birthday.

After our meeting, we had a game, led by Judy Duncan. Our next meeting will be held on Dec. 10.—Reporters

Walton Homemakers

The Walton Homemakers held their November meeting in the home of Mrs. John H. Wood on Chambers Road.

Mrs. Paul Beighle, president, conducted the business meeting. She informed the club that 10 lap-ropes were presented to Wood-Point Nursing Home, in Florence. They were made by club members.

The club voted to give a \$5.00 gift to Miss Judy Hetterman. She won a trip to the National 4-H Congress in Chicago. Her award was won on her electric work book.

Mrs. Edward Lay gave the devotional, reading verses from the 139th Psalm. The theme was God created us all as a individual human being and we are to do the best we can to our ability.

The lesson, Convenience Meals, was taught by Mrs. Nelson Popham and Mrs. William Gibson. The menu: Golden beef casserole, carrot casserole, quick a spic salad, and apricot glaze cake, was prepared and served to the club members for the noon meal.

Those enjoying Mrs. Wood's hospitality and the delicious food were: Mrs. Paul Beighle, Mrs. Donald Rice, Mrs. Edward Lay, Mrs. Aurelia Day, Mrs. Leo Flynn, Mrs. Frank Penick, Mrs. Homer Winburn, Mrs. Lillian Acree, Mrs. Donald McMillan, Miss Rachel Acree, Mrs. James Burden, Diana Burden, Mrs. Nelson Popham, Mrs. William Gibson, Mrs. Gaines Huey, Mrs. Robert Wood, Mrs. Stanley Allen, and Mrs. Harry Henson.

The Christmas party will be held at the RECC Building, Nicholson Road, Dec. 10 at 11:00 a. m. Gateway Catering Service will serve the meal. Bring a \$1.00 exchange gift.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

There is nothing more beautiful than this time of the year. It is the season of the year when our hills dress in their most colorful splendor and remind us of the magnificence of God's work. The thing that caught this writer's eyes

'COMING' OR
'GOING'?

Lesson for November 28, 1971

Background Scripture: Micah 4:1-7; Romans 8:18-25; 1 Thessalonians 5:1-11; Revelation 11:1-2.

The little boy came home from church deeply pondering the sermon. "It is from dust that we have come," intoned the preacher, "and it is to dust that we will return." Spying a clump of dust under his bed, the little boy sang

"Mother, there's a man under my bed, but I can't tell whether he's coming or going!"

Unfilled hopes

There are many people today who feel like this little boy is Man "coming" or "going," they wonder? Many have the sickening feeling that the world is "sliding downhill." Despite our expanding technology, our mastery over things, many people are despairing for the future of civilization. "What is the world coming to?" they ask and their tone of voice reveals that they have already decided on the answer.

One of the reasons for the despair we sense today is the failure of many of men's brightest hopes. Addressing the House of Commons on Armistice Day, November 11, 1918, Prime Minister Lloyd George said: "I hope we may say that thus, this fateful morning, came an end to all wars." That hope was rudely dashed in 1939 with the beginning of an even bigger "World War." Then the "Second World War" was fought "to make the world safe for democracy," but that hope too was forlorn.

We have painfully discovered that progress is not automatic. It is quite plain to us that in many areas, we are getting "worse." No wonder so many people are beginning to despair and see "the beginning of the end."

The saving hope

Yet, we find a different point of view when we come to Paul. Despite the sins of men and the corruption of society, despite the rejection of God's own Son and the insensitivity of so many to the "Good news" of the gospel, Paul was hopeful because he saw God moving his creation toward the fulfillment which had been his plan from the very beginning. "For the creation waits with eager longing for the revealing of the sons of God" (Romans 8:19).

For Paul, despite everything, God was moving the world on to fulfillment.

This purposefulness of creation, according to Teilhard de Chardin, is evident in the process of evolution. Teilhard, a Roman Catholic priest with an international reputation as a paleontologist, found in the march of evolution the promise of fulfillment for God's universe. Men of many faiths are rejoicing in this hope today just as in the first century A.D. men found in Paul the grounds for a hope that would be fulfilled by the power of God in a day yet to come.

during his recent trip down into some wild country was the soft yellow and the deep reds splashed among the many shades of brown that adorn our Kentucky mountains subtly shift shades like a chameleon as the canopy of the sky changes from white fog in the early morning to a deep blue for the day and then to an evening purple. The weather has been crisp but quite comfortable. Men and women are traveling to and fro with proper dress in respect to weather conditions that match the dress in which God has clothed the hills. This is the fall view as we have enjoyed it from the mountains.

This fall of the year, in spite of all its beauty, is also a time that makes one think quite seriously about the fact that the beautiful scene today on those mountains will soon be gone. The season's foliage is now dying and it will not be long until we will anxiously wait for spring to bring new life and hope for another year. Fall is the end of a season of work; we enjoy the fall but we recognize it is the end of a season and we begin to look forward for spring and her promise of new beginning, a new season. Fall, to me, represents one last beautiful gesture of a beautiful life.

As I prepared this article for the press, I could not but recognize that another year's labor at New Banklick had all but come to a conclusion. As I look back these past few months, I have witnessed many variations of life among our people: there have been moments of joy; moments of concern; moments of doubt; moments of sadness; but, in the final analysis of our church year, we must all agree that our precious Lord has blessed us with so many blessings that we find it hard to hold them

all. This has been one of the greatest years in the history of our church in almost ever phase: our church rated fourth out of 62 in additions by baptism this past year; we have seen victory in our finances over the past years; we are witnessing growing pains in Sunday School with the great need of additional Sunday School rooms; everyone has learned to "wait upon the Lord and He will sustain thee"; He has taught us patience with our fellow men, most of all with our brothers and sisters in Christ; He has taught us not to be judges of others, but remember that He is to be the final judge of everyone—denomination won't be brought into His judgment, but most of all, we have witnessed "a sweet, sweet Spirit in this place."

There is just a little over a month to go in 1971. We have only two major emphasis to complete by 1972: Our "VICTORY SUNDAY" on December 26, and our "300 IN SUNDAY SCHOOL" ef-

forts to end January 2, 1972. But already we have many plans for a profitable year in 1972, if the Lord doesn't come for His own, the creek doesn't rise, and our church still stands, that we believe will be some "firsts" for New Banklick Baptist Church. But it will take the untiring support and efforts of every last member to show Him that we of New Banklick Baptist Church means business with Him. We have seen Him reward us openly for our every effort for Him. When any church will stop being self-centered and self-righteous He can and will bless them; however, He will never bless those who leave Him out of their spiritual and physical plans in this life.

We do encourage anyone who reads this column to find a church that loves Jesus Christ, and start serving Him today!

Jesus said, "I am come that they might have life, and that they might have it more abundantly."

Now it is a tribute to the intelligence of men that no one thinks He was talking about the material abundance we enjoy today. Everybody knows He was talking about something else.

But what else? What could Christ add to your possessions? What can He give men that might account for the logical distinction we readily make between a life of abundance and the abundant life?

Himself! That's it. That's all. Precisely what He said: "I am come that..."

To know Him and to know the meaning His Life has for our lives is to discover the abundant life!

Who could ask for anything more than a refreshing, springtime kind of indoor climate year-round?

Those in central, electric comfort-conditioned homes ask. And they receive.

For instance, including an electronic air cleaner can virtually eliminate all airborne dust, pollen and bacteria. Even tobacco smoke is no longer a problem. Room freshness is constantly maintained.

Besides assuring cleaner, healthier air for all, previously annoying housekeeping tasks become almost a token dusting effort.

The addition of an automatic humidifier can control moisture level to relieve nasal irritation and protect furniture.

Whether you modernize or build now or later on, you will find our brochure most helpful.

Mrs. J. A. Keeney, Reporter

Miss Hope Keeney has been visiting her mother and other relatives and friends for the past week. She has returned to her home in Houston, Texas.

Miss Ruth Schmidt is now in the rest home at Lakeside Place. Her condition is serious.

Mr. and Mrs. George Finnell, Jr. entertained with a family dinner recently. Among those present were: Mrs. Georgia Richardson, Mr. and Mrs. Ray Richardson, Miss Helen Richardson, Mr. and Mrs. Raymond Giles, Mrs. Francys Keeney, Miss Hope Keeney and the host family.

Most of the members of Staffordsburg Homemakers Club attended the Christmas display at Trinity Methodist Church, Nov. 9. Wayne Stephens of Atlanta, Ga., was a recent guest of his mother, Mrs. Leontine Stephens, and called on a few friends and relatives.

Brucewood Senior Citizens

We met at the church Nov. 9. We had our refreshments first with Rev. Riley of Oak Ridge Baptist Church saying grace. All enjoyed the fellowship and memories of days gone by. Rev. Riley then gave the devotion.

As a special feature, Mrs. Shirley Tallent showed pictures taken on her trip to visit a pen friend with whom she had corresponded for some 20 years, on the Isle of Wight.

Among those present were: Elizabeth Egger, Alma Yates, Marie Rich, Georgia Rapp, Leslie Frazer, Shirley Tallent, Stella Floyd, Dorothy Ballinger, John Bruce, Anna Bruce, Hilda Griffith, Francys Keeney and Caroline Keck. All senior citizens are invited to come

and enjoy the interesting program and the pleasure of making new friends. Next meeting, Dec. 7, at 10:00 a. m.

The Expulsion of Nationalist China

By Gene Snyder

The recent vote to oust the Free Republic of China from the United Nations and give its seat to Communist China was a grave mistake in international affairs.

I believe this defeat will have a very significant effect on the U. S. Congress and the American people. Much of the moral, legal and fiscal integrity of the United Nations was sacrificed in admitting Red China to membership. The General Assembly's historic move to expel the Nationalist government sets a "dangerous precedent" for the future course of the United Nations.

No matter how persuasive the case for giving 900 million mainland Chinese direct representation in the U. N., it is an appalling moral compromise. With cold cynicism, the majority of the U. N. members turned their backs on every principle of the U. N. charter. In doing so, they curried favor with the United States as if it were some fourth-rate state; yet we pay most of the United Nations' bills. To expel the Nationalist government that has fulfilled its responsibilities with courage, honor, and dedication since the founding of the U. N. is, in my view, slapping Uncle Sam in the face pretty hard.

It was personally shocking to me to see the Nationalist Foreign Minister, Chow Shu-kai, have to walk out of the assembly hall minutes before the final resolution vote after 26 years of membership in the U. N. There was no loyalty shown by our so-called "friends of the free world" such as Britain, Denmark, France, and Canada — to name a few.

In recent years, American influence at the United Nations has been in a state of progressive erosion. It is fast becoming a fact that "the U. N. is not worth the sale or even worth a dime-store salt shaker."

To out a respected member of the family of nations from the U. N. in order to welcome a Communist government that blatantly defies the peaceful mission of the U. N. puts a strain on the American confidence and gives the Congress every justification for a "complete reassessment" of continued UN support.

From my observation it has been pretty well established that the U. N. is Communist dominated. This vote proves my point in a precedent move that could be exercised against other members. It probably won't be exercised against the United States as long as we continue carrying the lion's share of the U. N. financing. I have stated before and repeat again that as long as we stay in the U. N. we ought not to contribute any more than our per capita share.

The "glee club" of nations that were visibly jubilant with the vote are the same ones who sing for the American taxpayers dollars. I hope every member of the Congress remembers this "vote of defeat for the U. S." the next time the United Nations has their hand in Uncle Sam's pockets.

Out of the mouths of babes all too often come words we never should have said in the first place.

A true music lover is a man who will put his ear to the keyhole if he hears a girl singing in the shower.

Home Agent's Party Line

By Nancy Norman

Toys are the tools of a child's work. They are the means by which he learns what the world is all about. Toys represent the symbols of reality such as a cuddly doll or a miniature tractor or car.

During October, Boone County Homemakers learned about games, boys, and play materials in their monthly lesson. The leader training was taught by Mrs. Mary Cunningham, an instructor in kindergarten and nursery school education at the University of Kentucky.

I would like to share with you some ideas on choosing toys.

To a child, happiness is a toy. It is tragic when a toy, meant to bring happiness, injures a child.

Protecting children from unsafe toys is one of the Food and Drug Administration's primary concerns and responsibilities. The Child Protection and Toy Safety Act of 1969, which became effective in January, 1970, empowers the FDA to remove and keep from the market toys and other children's products with electrical, mechanical, and thermal hazards. These hazards would include sharp and protruding edges, fragmentation, explosion, suffocation, asphyxiation, electrical shock, and excessive heat.

The sale of toys that are poisonous, radioactive or flammable and those that cause rashes, had previously been prohibited under other laws.

The Child Protection and Toy Safety Act also allows owners to return toys, declared hazardous, to the retailer and get their money back. As with any law, interpretation becomes important. A toy is it presents a risk of injury or illness in normal use or when subjected to reasonable foreseeable damage or abuse. Often injuries from toys do not result from pre-determined misuse as children learn by touching, tasting and taking apart.

No mention is made of possible psychological hazards in the new law. Examples of possible psychological hazards would be teenage dolls or play firearms. These and some other toys are under fire from some authorities as being potential sources of psychological hazards as attitudes and values are formed as a child plays.

Protecting children from unsafe

toys must go beyond what the government can do and become a parental responsibility, too.

Birch Society Opposes Nixon Trip to Red China

The John Birch Society has launched a new campaign. Under the firm, direct appeal, "Please, Mr. President, Do Not Go!" the nationwide conservative group is urging President Nixon to cancel his plans to visit Red China.

The plea appears in the form of a four-page "Protest Letter" to the President, with spaces at the end for five signatures. Members and friends of the anti-Communist organization are being asked to get the letters signed and sent directly to the White House. The Birch Society reports that already nearly two million copies of the letter are in circulation.

In discussing the Birch campaign, Nathan Hatton, Highway 42, Union, Ky., a local leader in the Society, said: "We are convinced that a visit by our President to the murderous criminals who control mainland China would be disastrous for all freedom-loving people. It would mean a betrayal of our anti-Communist allies in Asia, as well as an abandonment of millions of Chinese who are suffering under one of the most despot tyrannies in history."

Mr. Hatton stated that the campaign is meeting with a very good reception in Northern Kentucky, and that most persons who read the "Protest Letter" agree to sign it. He also said that copies of the letter are available upon request, simply by writing to him at "The John Birch Society, P. O. Box 72, Erlanger, Ky. 41018."

Mr. Hatton concluded: "There are too many people who never write to Congress, to the press, and especially to the President. We feel that this is a good opportunity for concerned Americans to exercise their right to speak out on a major issue. And the cause could not be more important."

Simon Kenton FHA Takes A Field Trip

The Future Homemakers of America field trip started at Simon Kenton High School, Independence, at 9:00 a. m., Tuesday, October 28, with an attendance of 72 girls and one guy.

Destination for the morning was the Vocational School in Covington. We arrived at the location with the old S. K. spirit present in all our hearts. As we entered, we were served in the cafeteria where the Day Principal, Mr. Halsey, provided us with much appreciated information. Then came the highlight of our visit. Two guides per group of 14 were nice enough to show us around the building. In each department people supplied us with really neat information. At the completion of the tour, we boarded the bus with much regret.

Next stop was Frisch's. We being teenagers, dug that the most. The next thing we knew, we were in Cincinnati at Southern Ohio College. We decided to walk up eight flights of stairs. There we went! One, two three—when we arrived on the eighth floor, we stumbled breathlessly into a room and sank gratefully into a seat. The director of the college, Mr. Nagel, kindly supplied us with information concerning the college. Mr. Briggs, director of admissions, was quite helpful as he took us on a tour of the building.

It was a great day. They just don't make that kind of days long enough.—FHA Reporter

Walton Legion to Meet

The monthly meeting of Johnson-McElroy Post, 277, American Legion, will be held at 8:00 p. m., on Friday, December 3, at the Legion Hall on High St., Walton. All members are urged to be present, according to Clyde Chapman, the adjutant.

Ind. Lions Club Social

The Independence Lions Club will sponsor a social on Sunday, December 5th at 2:00 p. m., in the Independence Fire House.

All proceeds will be used to purchase glasses for needy children who attend Simon Kenton, Kenton Elementary, and the St. Cecilia schools.

Cancer Society Film To Be Shown Here

The American Cancer Society's Mother-Daughter programs continue in the Northern Kentucky area with eight programs scheduled for December. Mrs. Dorothy Pfalzgraf will act as Mistress of Ceremonies in the Boone County schools.

The films on breast and uterine cancer are shown under the direction of a local physician who will answer questions on cancer following the program.

The program will be presented at Walton-Vernon High School on Friday, December 10 (time not given), and Dr. William Waller will be the physician present.

Buckaroos 4-H Club

The November meeting of the Kenton County Buckaroos was called to order by President Darlene Smith. Ten members were present. Secretary Melinda Burden read the roll. They answered by giving a part of the saddle. Minutes were read and approved. The members discussed a date for the Christmas party, and December 17 was selected. Names were exchanged. Carla Martin and Ricky Smith were chosen as recreation leaders.

Pledges were led by Rebecca Burden. Everyone received new books and record books were then worked on.

The Buckaroos pledged \$6.00 to the Jerry Lewis Muscular Dystrophy fund. It was voted to send for a club charter.—Reporter

HEADS COUNTY JUDGES

Boone County Judge Bruce Ferguson was recently elected president of the Kentucky County Judges Association.

On Dean's List at Centre

Three Simon Kenton High School graduates were listed on the dean's list at Centre College, Danville, Ky. They were: Linda Hodges, now of Cynthia; Carolyn Emory of Park Hills, and Donald Rauh, Park Hills.

NKSC Vice President

John P. DeMarcus, Assistant to Gov. Louie B. Nunn, has been named vice president of Northern Kentucky State College.

Dr. Frank Steely, president of Northern Kentucky state college, said DeMarcus, 33, was his own "personal choice" for the position. "I doubt if many people in the Northern Kentucky area know how much he has done for the school," Steely said.

DeMarcus was appointed by the governor to work on the college's development in 1968 when the school was authorized by the legislature. Steely described Mr. DeMarcus as "a most competent" man.

The Church League Basketball Results

In the first game Saturday evening, New Bethel defeated Piner, 94-81. Rich and Huffman led the winners with 36 and 21 tallies. Bob Callen topped the losers with 33 points, and Dunn added 22.

In the second contest, Hickory Grove edged Walton Methodist by 70-68-66. Bolen was high man for Hickory Grove with 17 markers. Pettit added 16. Royce led the Methodists with 23, and Yates chipped in 15.

In the final contest, Walton Christian kept up their winning ways by defeating All Saints, 90-73. Mike Simpson led the winners with 29 points, while Rick Stephens added 20. Larry Ryan topped the losers with 22, and Bill Wethington tossed in 13.

In the first game Sunday, Walton Baptist remained undefeated by whipping Richmond, 91-67. Ron Brown led the winners with 33, and Collins added 18. Jedry Feagan was high for Richmond with 20, and Jeff Newman had 19.

In the second game, St. Cecilia defeated Church of Christ, 65-50, to remain undefeated. Powers led the winners with 26 points, and Heuser added 25. D. Stahl was top man for the losers with 17, while Knasley added 14.

This Saturday at 5:30, Hickory Grove goes against Walton Christian; at 6:45, All Saints tangles with Piner; and at 8:00, New Bethel plays Richmond. In the nightcap at 9:15, St. Cecilia goes against Walton Methodist. Why not be on hand and see some good basketball games?

Form Supply Co. Entered

According to Chief James Callahan of the Kenton County Police, the Boone County Farm Supply, U. S. Highway 25, just south of Walton, was entered by forcing a door in the rear of the building. Four chain saws, valued at \$800, and 20 silver dollars were taken. The incident was reported at 8:15 a. m., Monday, Nov. 22.

Chris Combs is manager of the farm supply business.

Dedication of New School December 5

The Walton-Vernon Independent School Board will dedicate the new elementary school facility near Verona, on Sunday, December 5th at 2:30 p. m.

The new building is located just off State Highway 14, one mile northwest of Verona. It has 16 teaching stations in an open complex with complete supportive facilities.

Designed to accommodate 480 students, the entire structure is air conditioned and electrically heated. A beautiful red wall-to-wall carpet covers the teaching area with acoustical ceiling. The rooms are arranged in a fashion so as to permit movable wall partitions to be set up in a multiple choice of room sizes.

Total cost of the 26,300 square foot school was \$679,740, an equivalent of \$1,416 per student.

Principal speaker for the dedication will be Don C. Bale of the State Department of Education.

Other platform guests will include Supt. Earl C. Roberts, Elementary Principal Ernest Hahn, and all board members who have served since 1966. The program will be held in the multipurpose room, followed with "open house" tours conducted by the teachers.

After the tours, refreshments will be served by wives of the present board members. A register will be available for all to sign.

The Kenton County 4-H Honor Banquet

The Kenton County 4-H Honor banquet was held recently in the Ryland School.

Pledges to the flags were given by Julie and Jeff Heeger, princess and prince. Andrea Ballard and John Richardson, queen and king, were also present.

Mrs. Robert West, chairman, gave the welcome, and introduced the program participants. They were winners of 4-H State Fair awards. In the order of participation: Susan Campbell, first premium award in Health; Dan Smock, champion of the halter class division, and Lisa West, second place winner in Other Foods. They were presented trophies by the 4-H Discoverers Club.

Dexter LaFollette also received a trophy for placing third in the State Fair tractor pulling contest. Ben Heeger received a trophy for placing first in the tractor driving contest in Kenton County.

Miss Langford recognized all the leaders and presented pins to the winning members of the 4-H Clubs participating in the county in the various divisions.

Ralph Windle, CG&E representative, and Frank Jackson, RECC representative, gave awards to those participating in the electrical program.

The delicious dinner was prepared by the cafeteria workers of Ryland School, and served by 4-H members, for which we were very appreciative. Many thanks to all others for the effort in making the banquet a success.—Reporter

Simon Kenton PTA to Meet

The Simon Kenton High School PT will meet December 6th at 8:00 p. m., in the school cafeteria. A program will be presented by the school band.

PLAN ROAD PROJECTS.

The Boone County Fiscal Court has voted to add eight road projects for inclusion in the county road aid program of the State Highway Department.

Sam Fortner, highway planning engineer, said the county will receive \$22,732 in county aid money for the 1972-73 year.

This money will be used for continued maintenance of 75.8 miles of county roads placed on the list last year.

Some improvements will be made, if funds stretch that far, in the following roads: Huff, Brown, Williams, Mt. Zion (4.3 miles from Pleasant Valley to Ky. 530), Locust Grove, Porter, and Zig Zag.

Inauguration Of Ford, Dec. 7th

Inauguration Day, Tuesday, Dec. 7th will be a festive day for Kentucky residents as they gather from every nook and corner to see a new governor and Lieutenant governor sworn in.

Beginning at mid-morning and continuing until about 2:00 p. m., a mammoth parade will flow on to the capitol grounds. It is expected that every county in the state will be represented. This will be followed by the swearing-in ceremony and speeches.

The reception in the capitol for Governor Wendell Ford will begin at 7:30 p. m. There will be five locations for the inaugural ball which begins at 9:00.

The Walton-Vernon High School Marching Band will participate in the parade, accompanied by numerous local citizens.

Kenton Co. Council PTA Meeting Held

Those units represented at the Kenton County Council PTA in November were the following: Beechgrove, Bromley, Caywood, Crescent Springs, Dixie Heights, Ludlow, Park Hills, Piner, Simon Kenton, Taylor Mill, Turkey Foot, Twenhofel, Versailles, and White's Tower.

"What You Always Wanted to Know About PTA But Never Asked," was the topic of discussion. A very helpful and informative debate was held.

Mrs. Joseph Gadd, president, introduced Mrs. William Schroder, the new treasurer. Achievement certificates and awards were received. There were five standards, four superior, and five extra superior ratings. A report of the fall conference was given by Mrs. Gadd. Program books from the local units were displayed.

There were four units represented at the Publicity Workshop on November 11. They were Kenton County Council, Twenhofel, Caywood, and Kenton Elementary.

Attend Annual Meeting

Ralph Curry of Verona, represented Southern States Cooperative's members in the Walton area at the association's 48th annual stockholders meeting held in Richmond, Va., November 11-12.

Also attending the session was Christopher C. Combs, manager of Boone County Farm Supply, the local Southern States retail outlet.

Interested Parents At "Open House"

Interested parents were in evidence at the recent open house held at the Kenton Elementary School, Independence.

The PTA had invited parents to visit the classrooms and talk to their child's teacher. Parents were able to see first hand where and how their children spend the school hours. This annual event was well attended.

The PTA is the sponsor for a charm course, now in progress, for the fifth and sixth grade girls. Mrs. Norma Kearns, sixth grade teacher, is in charge. Also helping are teachers Mrs. Margaret Baird, Mrs. Fay Holbrook and Mrs. Wanda White.

Guest speakers who will instruct the girls are: Mrs. Robert Shulton, beautician; Mrs. Robert Myers, dance instructor; Mrs. Edward Obert, clothing representative, and Mrs. Marie Overpeck, registered nurse.

610 Get Food Stamps

During October, 610 low-income persons in Boone County received food stamps valued at \$12,704, Commissioner of the Department of Economic Security Merritt S. Deitz, Jr., has announced.

This record compares to 452 low-income persons who received food stamps worth \$11,124 during October of 1970. During September of this year 489 persons in this county received food stamps at a cost of \$11,962.

BURLINGTON REVIVAL

Rev. Herbert L. Bowdoin

The Burlington United Methodist Church is sponsoring revival services Nov. 28-Dec. 5th. Sunday morning services at 10:50, and services each evening at 7:30.

Rev. Herbert L. Bowdoin will be the evangelist. Mr. Bowdoin is a conference evangelist in Florida, and has served as pastor in the church. He can be heard on the Erlanger Station, WHKK-FM, each Sunday at 5:30 p. m.

The pastor, Rev. Donald Tipton, and members of the church extend to you a personal invitation to attend and share in these days of revival. Many churches will be assisting in the music, and praying for genuine revival.

W-V Bearcats Win Their Third Game

The Walton-Vernon High School Bearcats won their third straight conference basketball game last Tuesday at Silver Grove. They led at all the stops, winning by a score of 89-70.

Gene Dixon had the hot hand as he tossed in 10 field goals and 7 free throws for a career high of 27 points. Dwight Johnson added 19 tallies, and Mills Rouse had 15. Other scoring: Raybourne 8, Ramsey 7, Messmer 6, McCubbin 6, and Wilmoth 1.

The W-V Junior Varsity borrowed a page from the varsity's book as they went into overtime to win their game, 53-46.

The next home game for the 'Cats will be on December 3rd, as Covington Latin comes to town. You'll be there, won't you?

Teacher Certification

College and high school teachers from Northern Kentucky schools will convene at Thomas More College, Saturday, Dec. 4, and on Wednesday, Dec. 8, to discuss possible changes in the Kentucky state teacher certification requirements.

The sessions covering such areas as English, music, health and physical education, and mathematics and science, are being co-sponsored by Northern Kentucky State College and Thomas More.

The first all-day session will begin at 10:00 a. m., Monday, Dec. 4, involving as many as 50 teachers in both English and music. Other subjects will be covered on December 8.

Union Religious Census

The Union Baptist Church will conduct a religious census in the Union and surrounding area during the weeks of December 5-12 and on Dec. 5 and Dec. 12, from 2:00 to 5:00 p. m.

The census takers will be wearing name tags for identification, and will be asking for religious information only.

Bazaar On Saturday

The choir of the Richmond Presbyterian Church will hold a Christmas bazaar on Saturday, Dec. 4th at the Benton-Bonar Dept. Store in Walton, starting at 10 a. m.

The bazaar will feature homemade gifts and crafts, Christmas wrapping paper and bows, and all kinds of home-made bakery goods.

Film at Oak Island

A film, "The Bible," will be shown at the Oak Island Baptist Church, Sunday, December 5, at 6:30 p. m. The public is invited.

A Boone County Cancer Meeting

The Boone County Cancer Unit held its November meeting at the Boone County Health Department's conference room, Florence.

Mrs. Ralph Pfalzgraf reported that 1,250 book marks had been placed in the Boone County and Walton-Vernon High School libraries. Mother-Daughter films with Mrs. Daugherty, Wallace and Ravenscraft have been scheduled for showing in the high schools.

All banks in the county have agreed to place cancer material with statements, and a special thanks was given C. R. Norman, assistant Boone County superintendent of schools, as he has made smoking films available to all junior and senior high school students in the county schools.

New by-laws for the unit, making it on a state and national level were read, discussed and adopted.

A report of the state meeting in Louisville, Sept. 23, was given by Mrs. Harry F. Daugherty.

The following attended the information meeting which was MC'd by Adolph Rupp, UK's famous basketball coach: Mrs. Charles Alphin, president; Mrs. Ralph Pfalzgraf, vice president; Mrs. Ellsworth Winn, treasurer; Mrs. Harry F. Daugherty, board member; Dr. J. F. Daugherty, professional adviser; Wayne Miller, area director.

Highlight for Boone Countians was Mrs. Daugherty being awarded a plaque for long and faithful service, and Mrs. Pfalzgraf receiving one for her years of service as president of the unit.

Mrs. Alphin announced the appointment of Mrs. W. R. Belcher and Mrs. Zayle Clore, both of Walton, as public relations committee.

Various chairmen needed for the '72 Crusade were discussed.

Mr. Miller presented plaques to Mrs. Frank Trego in appreciation of her 1971 Florence Crusade chairmanship, and to Mr. and Mrs. William S. Jordre, overall Boone County Crusade chairmen, plus a framed certificate of appreciation to Mrs. Ellsworth Winn for years of service as treasurer of the unit.

January 19 will be the next meeting at the Health Department. All interested persons are urged to attend.

Beechgrove Homemakers

"Kentucky—Our Heritage" was the lesson for the November meeting of the Beechgrove Homemakers when they met in the home of Mrs. Ervin Dewald of Erlanger. Mrs. Fabian Powers was the co-hostess.

The lesson was ably given by Mrs. Wilson Hall, Cultural Arts chairman, and Mrs. John Mutch. Members also added their bits of information. We will all be more conscious of the great history of our Commonwealth.

The program, guided by Mrs. Raymond McHale, tied in with the lesson in so much as the quiz was "How many things can you find on a Lincoln penny?" The club president, Mrs. Edward Andress, presented information she had received at the Advisory Council on Nov. 15.

The clubs were asked to help on the Expansion program of the Kenton County Fair, also to take as a project, assistance in furnishing the kitchen of the Riverside Good Council School, which the pupils will use. The members responded by voting donations to both projects.

The December meeting will be held at Town and Country Restaurant on the 16th.

Members in attendance were: Mesdames Thomas Ellis, Tony Stirling, Lloyd Spegal, Raymond Dickson, Roy Kumlir, William Enders, William Wolsing, John Mutch, Verner Stephens, Virgil Kelly, and James McHale.—Pub. Chairman

THE JUNIOR ROLLERS

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

GIVE MOTHER A GOOD LAUGH AT THE WEATHER

An electric dryer is the perfect gift to cure winter woes or rainy-day blues. Mother can laugh at any kind of weather when you give her summer-time drying—all year 'round.

With electric drying, clothes stay soft and fluffy, smell fresh and clean. And, there's less to iron because wash-and-wear clothes are REALLY wash and wear. An electric dryer is a great gift idea. Everyone in the family will love it.

Small wonder an electric clothes dryer is a woman's most wanted appliance! Takes the uncertainty from washday because you can dry your clothes any day...any hour. See your Rural Electric System for free information.

By Nancy Norman

Protecting children from unsafe toys is a parental responsibility as well as governmental. Consumers should exercise sound buying judgement, based on the age and maturity of the child for whom the toy is purchased.

The parent should screen toys for the non-reader. The ages of other children in the family should also be considered. A toy that is safe for one child may be dangerous in the hands of an unsupervised and less skillful younger child. Encourage old children to keep their toys out of the way.

Children are individuals and develop at their own rate which may be very different from the average. For example, a toy that is recommended for 7-12 year olds may not appeal to a sophisticated 11-12 year old.

There are many specific points that parents should consider when buying toys. A few are:

INFANT TOYS—

1—Strings on toys attached to a play pen or crib should be no longer than 10 inches due to the possibility of strangulation if the

string becomes wrapped around the infant's neck.

2—Pull toys should not have features that catch on doorbells and the cord should be fastened securely and have a knot at the end of the cord rather than a whistle or ball.

3—Avoid rattles that are soft enough for a child to chew off pieces and those that could break and leave ragged edges. Avoid any rattle that could be punctured or broken open, allowing the beads to escape perhaps into an infant's mouth.

MECHANICAL TOYS—

1—Choose toys that small parts cannot be pulled off easily and possibly swallowed. Avoid those that if a part is removed, sharp pins, etc. are exposed.

2—Avoid any toy with sharp points or round, unfinished surfaces.

3—Avoid toys made from brittle materials that could break easily.

4—Parts such as triggers and gears activated by spring or motors could pinch tiny fingers.

5—Care should be taken with suction cups. They can come off and expose sharp ends.

DOLLS—

1—As toys are often misused, consider any part of a doll that can be removed and swallowed or inhaled, such as eyes, hair or fuzzy, small squeakers, etc.

2—Look for flame-retardant fabrics covering the non-flammable plastic faces.

ELECTRICAL TOYS—

1—Even though electrical toys are labeled with the UL label, this means only that it meets the basic electrical safety standards required for any household equipment. It does not take into account use by children.

2—More and more experts suggest safer forms of power such as batteries rather than the potentially deadly household current of 110 volts.

3—Choose very carefully and keep out of reach of younger children.

—DEATHS—

Judging from the divorce rate, the practice of planned obsolescence has gone a lot farther than anyone intended.

"Doctor, will the scar show?" inquired the pretty young thing.

"Young lady, that's entirely up to you," replied the doctor.

THE GOOD NEWS

Lesson for December 5, 1971

Background Scripture: Luke 1:1-4, Acts 1:1-5.

The writers and editors of the various books of our Bible media have very few personal references. Often they do not even identify who they are. Usually they do not tell us what purpose motivated, although sometimes this is quite evident. An exception to the rule is the writer of the books of Luke and Acts (whom we will call Luke).

Rev. Althouse
own purpose.

"Many have undertaken . . ."

For one thing, he tells us that there have been "many" who have attempted to tell the story of Jesus and the early church. He was referring, not only to the books we know as Matthew, Mark, and John, but a number of other "gospels" and books of "acts." It may come as a surprise to Christians today to learn that there were many writings to choose from when the New Testament was assembled. Those who decided what would be included in the New Testament believe that they were preserving for the church the best, most authoritative accounts—though not the only ones.

Secondly, it is obvious that Luke did not personally observe all that he wrote about, but collected his information from different sources. This he did, not simply so he could write a biography of Jesus, but so that he might put together an account of that which he believed was essential to convey the "good news" of Jesus Christ. Often, Christians forget that the gospels were not intended to be biographies—the gospel writers were not interested in biographies—but evangelistic tracts to challenge and win converts to Jesus Christ.

"He presented Himself alive . . ."

Thus the gospels are unlike biographies in that biographies are concerned primarily with history. But Luke is not writing about a "great man" who lived and died some time ago, but about a living Lord whose story has not ended but is continuing in the life of the Church. Luke's book is a story that is open-ended; it is still going on, new chapters are still being written.

Luke also had another purpose in writing his account of the life and ministry of Jesus and his Church: he wanted people to see the reality of Christ in relation to their own lives and situations. Luke does not tell us everything Jesus did, but he tells us many of the acts and words of Jesus that had meaning, not only for the people of his own day, but ours as well.

Luke experienced the glory of the "good news" of Jesus Christ, but that experience was so compelling that he had to pass it on. However we do it, that is the challenge that comes to each of us.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

We want to share with all our readers some great news. The Walton First Baptist Church and New Banklick Baptist Church have joined hands to have a "COUPLES RETREAT" at Cedarvale Baptist Assembly, Bagdad, Ky. There is a limitation on the number who may go as well as the time to get in your reservations. Only 50 couples (man and wife; service man's wife with another service man's wife, or perhaps two widow ladies might want to team up for a couple) will be able to attend. This will be on a first come, first serve basis, regardless which church has the reservations first.

The cost for one night's lodging and three meals is only \$21.00 per couple with a deposit at time of reservation of \$3.00 per person, which will be deducted from the total fee which must be paid at the camp. We have been able to obtain Brother Jay Brown, pastor of the Farmdale Baptist Church in Louisville, as our camp speaker and in charge of the retreat. The date of the retreat is February 25 and 26, 1972. All reservations should be in no later than December 5, 1971. Remember, it is a first come, first serve basis, so don't put it off, but do it now, or you might be left out. For New Banklick Baptist Church anyone interested please contact Brother Ray Mercer, our "Retreat" chairman. For Walton Baptist contact Brother Jerry Ennis or Brother Larry Cook.

Recently, November 18, to be exact, our Recreation Department sponsored a skating party at

Lloyd's Roller Rink in Latonia, with a turnout of over 70 adults and youth. The next skating party will be Church Wide and will include all ages; on January 31, 1972, from 6:30 to 9:30 p. m. Our church will have the entire skating rink for that night. The total cost will be 50¢ per person. Make your plans to be present for a lot of fun and frolic (no falls!).

Our Youth Department, under the direction of Frank and Gilberta Kidwell, has had some wonderful programs for the youth of our church. The Halloween party was a howling success. The skating party was greater than they dared hoped for at this time. But now they are planning a great outing for the youth the day after Thanksgiving: They will take a bus load of youth, ages 13 years and up, and will visit first the Museum of Natural History in Cincinnati, the cost will be 25¢ per person. Then they will leave for Dayton, Ohio and the Air Force Museum.

The Recreation Department has been very active in basketball for our age groups. All games are played at South Side Baptist Church each Saturday. We do not have all the scores in at this time to report to our readers; however,

we know that our men and boys are making a good showing in true Christian Spirit.

The Special Days Committee, consisting of Mrs. Louise Mercer, chairman; Margaret Kanatzar, Phyllis Elam, Jackie Perry and Dorothy Anderson, planned and executed our Thanksgiving supper at the church, Wednesday night, Nov. 24, 6:00 p. m. The menu consisted of turkey, dressing with the trimmings, a full array of desserts and hot coffee or iced tea. The Youth and Junior Chairs sang during the program of the evening. This was a great occasion for all who attended, and we are looking forward to the one next year.

If you have been sleeping in on Sunday morning, why not arise early and join our people in Sunday school this Sunday morning at 9:50 a. m. We believe you will be back again and again. We dare you to try us!

Everybody and his cousin too... notice the lone man in the foreground of the picture. He must be wondering if he will ever get his shopping done. Even with his back to us he looks confused and bewildered.

Most of us have felt the pangs of loneliness in the midst of a crowd. Surrounded by people, we couldn't escape that feeling of utter desolation. It may engulf us in a busy department store, a crowded supermarket, a jam-packed subway, but suddenly it strikes... this feeling that no one cares about us or about our burdens.

When our hearts cry out for assurance that somebody cares, we can always turn to the truth and love revealed by the Holy Word of God: "Lo, I am with you always."

At the heart of the universe there are great resources of strength. Discover them for yourself by worshipping each week in the church of your choice.

LET'S TALK TURKEY

From Thanksgiving to Christmas the turkey is probably the most popular bird around. But he can also be a dangerous bird if he is not handled correctly.

The Boone County Health Department reminds all Boone Countians that food poisoning, caused by improper cooking and handling frozen turkey, occurs in large numbers every year during the

holiday season. The danger is especially high in school cafeterias or other establishments where a large quantity of food is prepared.

Extra care must be taken in the preparation, cooking and storing of turkey because of its large size. If you buy your turkey early, be sure to freeze it immediately. If it is to be prepared within 38 hours after it was purchased, you may refrigerate it at 33-38 degrees.

Let it thaw in the refrigerator for two or three days.

Although it is safer to cook turkey and dressing separately, some still prefer to stuff the bird with dressing and cook together. In this case, a meat thermometer should be inserted into the center of the stuffing. If the turkey is cooked alone, insert the thermometer into the center of the thigh.

Cook the turkey in a 325 degree oven for the required length of time, until the temperature of the stuffing reached 165 degrees or the temperature in the center of the thigh reaches 190 degrees.

Leftovers must also be taken care of. When refrigerating leftover turkey or other fowl, remove all dressing and wrap separately. Place the meat in shallow pans rather than large bowls so that it will chill quickly and thoroughly. Refrigerate all leftovers immediately.

Proper cooking times for completely thawed turkeys:

8-10 lb. turkey ... 3 to 3 1/2 hours
10-14 lb. turkey ... 3 1/2 to 4 hours
14-18 lb. turkey ... 4 to 4 1/2 hours
18-20 lb. turkey ... 4 1/2 to 5 hours
Over 20 lbs. allow approximately 20-22 minutes per extra pound.

Letter To The Editor:

This letter to the editor is to commend a dedicated group of men in our community. These men do not get the recognition they deserve. I know that I myself have taken them for granted, but I never shall again.

Two times these men have saved the life of a member of my family. My husband had a heart attack about a year ago. After one phone call and a very few minutes, these men rushed him to the hospital, giving oxygen on the way. For this I was grateful.

About three weeks ago my son lost control of his car and was seriously injured. Once again these men rushed him to the hospital. In the accident his ear was cut off. Later I learned from his doctor that due to the expert training and speed of these men, his ear, as well as his life, was saved. For this I was also grateful—but people, grateful is just not enough.

The Life Squad of Walton, Ky., works hard, all hours of the day and night to help people, with no pay and very little appreciation from the community they serve. I just wanted to let the community know how thankful I am for these men, and I believe there could be no more appropriate time than Thanksgiving.

What tobacco means to you...

As Kentucky's leading cash crop, tobacco obviously is important to our state's farmers. What is sometimes overlooked, however, is that tobacco is equally important to the banker, the factory worker, the local businessman, the housewife, and to virtually every Kentuckian. While tobacco generates farm income of \$300 million annually in Kentucky, it is estimated that the crop is worth some \$1.5 billion each year to our total economy.

About 240,000 Kentucky families share in returns from the farm sale of tobacco, and with this income they buy new homes, automobiles, farm supplies, groceries, clothing, and other items. As a result, local businesses and labor are bolstered. In short, tobacco is vitally important to employment, income and economic growth in our Commonwealth. What does tobacco mean to you? A lot.

Coed Earns National Dress Scholarship

An 18-year-old Kentucky coed, whose color photo was on the cover of a national magazine modeling an outfit she made in 4-H, has been named one of six national winners in the 4-H dress revue program.

Michelle Lee (Shelley) Baute of Long Branch Road, Union, received a \$700 scholarship from Simplicity Pattern Co., Inc., at the 50th National 4-H Congress in Chicago, Nov. 28-Dec. 2. She also received an expense-paid trip to the Congress from Simplicity as state award winner in the 25th year of the company's sponsorship of the program.

Miss Baute modeled a tunic-top and fit-flared pants, both made of cranberry red wool, and a sleeveless wool beige and cranberry-colored coat. She spent \$85.00 for materials, but estimated the Valentino-designed outfit would retail for \$450.00.

Miss Baute went to London earlier this year as one of 18 American teenage girls who were finalists in the annual Singer World Stylemaker sewing competition. While there a cover-photo for Co-ed Magazine was made with the famed Tower Bridge in the background. She later was asked to model for Seventeen Magazine.

Shelley is the daughter of Mr. and Mrs. Elmer Baute, and is a freshman at the University of Kentucky, Lexington. She plans either a career in home economics for the Extension Service or as a fashion editor for a magazine.

She has been sewing since she was nine, and was asked to take part in the program of making the First Ladies of Kentucky Doll Collection by the KFWC.

The Greater Walton Businessmen Meet

The Greater Walton Businessmen's Association held their December meeting at First Federal Savings and Loan Bldg., Walton. George W. Ryan, president, presided over the business session.

Dr. William Waller, chairman of the Christmas decoration committee, reported difficulties in getting street lights installed for the holidays. Four permits would be required for pole use and crossing of the street. Decorations at this late date are difficult to get, and it was decided to start plans for next year. Suggestions from interested persons will be welcome.

Christmas Carols will be sung at Verona and Walton. If weather permits, a get-together will be held on the parking lot afterwards. If the weather is bad, they will move into the firehouse.

Dr. Waller, Chester Sturgeon and Charles Carlisle of the nominating committee, submitted the names of David Houston, Dr. Roger Augenstein and Leon B. Hall as new board members. They were elected. In January, new officers will be elected.

Business subjects discussed included a new exit route sign on I-71 with "Walton" on it, and future plans for businesses and a shopping center.

Union Christmas Festival

The Union Volunteer Fire Department and the Ladies' Auxiliary are having a Christmas Festival, December 11 at the Union Fire House.

Chicken and fish dinners will be served, starting at 2:30 p. m. and will continue until late evening.

There will be a combination of games and prizes.

Bring your children and have their picture taken with Santa Claus from 2:30 to 6:30 p. m.

Young Democrats to Meet

The Boone County Young Democrats will meet in the office of Andrew Busald, attorney at law, 11 Locust St., Florence, on Dec. 9th at 8:00 p. m. All interested young Democrats are invited to attend.

A bachelor is a guy who doesn't have to leave a party when he starts having a good time.

NEW BURLEY AVERAGE IS \$78.85 PAST WEEK

Last week, the New Burley Tobacco Warehouse, Inc., U. S. 25, just North of Richmond, sold some 432,896 pounds of tobacco for an average of \$78.85 per hundredweight. This totaled \$341,349.98 for local farmers.

Some high averages were: Mary Baumgartner, Florence, 1,378 lbs., \$79.00; William Waymeyer, Walton, 1,042 lbs., \$79.00; Harvest Acre Farms and Joe Aylor, Walton, 2,162 lbs., \$79.00; Robert Carlyle, Independence, 1,178 lbs., \$79.76; Bertha Wallace, Walton, 2,130 lbs., \$80.00; George Rehkamp, Jr., Florence, 3,026 lbs., \$79.96; Clem Bramlage, Walton, 1,028 lbs., \$80; Roy Nickell, Independence, 1,138 lbs., \$79.75; Randall Rhodes, Walton, 1,422 lbs., \$79.86; J. C. Benton, Jr., Walton, 2,884 lbs., \$79.84.

Simon Kenton FHA Alumnae Meeting

The FHA of Twenhofel Junior High School met in the Home Economics Department on Friday, Nov. 19th, for the third meeting of the year.

The guest speaker was Bro. Colburn Hooten, pastor of the Hickory Grove Baptist Church. He spoke to the members on "The Role Teenagers Play in Society." In his speech, Bro. Hooten related to the problems of dating and how it can lead to marriage.

All officers and members enjoyed the speaker very much.

The bake sale, Tuesday, Nov. 23, was conducted outside the Home Economics Department in order to raise money to send to the State FHA Scholarship Fund; also, to contribute a Thanksgiving dinner to a needy family in the community, and to sponsor the annual Mother-Daughter Christmas party. Due to the many contributions, the bake sale was a success—Terri Bowling

"Ab" Ryan New Director

George W. (Ab) Ryan, Walton, owner of the Ryan Hardware and Implement Co., was recently elected to the board of directors of the Northern Kentucky Chamber of Commerce. He will serve a three-year term.

Congratulations, "Abner!"

Bradford Lodge Party

Bradford Lodge, No. 123, F&AM, Independence, will hold a Christmas party on Saturday, December 18th at 7:00 p. m. All Masons, their families and friends are invited. This is a chance for the families to meet and enjoy the spirit of Christmas.

About 350 persons braved the rain to attend the dedication of the beautiful new elementary building at Verona Sunday afternoon.

Superintendent Earl C. Roberts presided during the program and gave a brief review of the structural qualities and costs.

Elementary Principal Ernest Hahn spoke of the cooperation between teachers and students in making the change from the old building to the new. He also noted some of the many advantages and conveniences in the new building.

Rev. Ralph Curry, Verona, gave the invocation and Rev. William Johnson of Walton pronounced the benediction.

Other platform guests were the members of the present board of education: J. B. McCubbin, Walt Ryan, Daniel Hance, Mrs. Colleen Shields and Donald Rosenstiel, and former board members Arthur Doggett, William M. Waller and George Black.

Immediately following the dedication ceremony, parents and friends were introduced to the facilities of the new building by the teachers. The 16 teaching stations were elaborately dressed with Christmas decorations in several styles and forms. Parents met the teachers in the "work areas" where many favorable comments were heard expressed.

A refreshment table with gallons of punch and dozens of cookies was presided over by the wives of the present board members.

Special guests recognized in the audience included Mrs. Don C. Bale, Mr. and Mrs. Carey and Mr. Wright, architects and Mr. and Mrs. Tessenner of Northern Kentucky State College.

The Dedication Speaker for the new Elementary Building of The Walton-Verona Independent District was Dr. Don C. Bale, Assistant Superintendent, Department of Education, Commonwealth of Kentucky. The contents of his address follows:

"The goal of the American school is the production of well-rounded citizens. Our objectives, however, are broader than ever before in the history of education. There is no comparison between the restricted functions of the old school and the complex functions of the schools of today.

"As you know, the old schools taught the three R's and thereby aided in the development of the citizens by establishing the fundamentals of his intellectual equipment. Its task was clean cut, its methods few and definite. There were no problems of curriculum content, no problems concerned with the so-called trills, no health or social problems, so to speak.

"The school did not profess to give all of education. Much of it (Continued On Back Page)

Literary Club Meets At Christian Church

Forty-nine club members and guests met in Fellowship Hall of the Walton Christian Church on December 1st at 1:00 p. m., for the Walton Woman's Literary Club annual Christmas luncheon and party.

The dining room and tables were festive with Christmas decorations, and all felt the holiday spirit. The members had arranged a splendid exhibit of art and handicraft—painting, weaving, quilting, knitting, Christmas decorations, etc. All enjoyed the display.

Mrs. George Knox asked a blessing for the meal. After a delicious turkey dinner, the meeting was opened by the president, Mrs. A. H. Gaines.

Mrs. Sam Sleet led in reading the Club Collect and the salute to the flag.

Mrs. John Farrell introduced Miss Mary West. She read beautiful Christmas poems by Helen Stener Rice for the Spiritual Guidance.

Mrs. J. C. Mayhugh introduced Miss Karen Hamilton, a sophomore at Walton-Verona High School, who sang two beautiful selections. Miss Hamilton was accompanied by her music teacher, Mrs. Burdette F. Powers.

Mrs. Lloyd Watson introduced Mark Wells, a freshman at Ockerman Junior High School, Florence, who rendered two beautiful piano numbers.

Mrs. Watson then introduced Mrs. E. B. Hess of Lakeside, who gave some dramatic readings. The group especially enjoyed "Kentucky Bell."

With Mrs. Mayhugh at the piano, the musical program was closed by the group singing Christmas Carols.

Mrs. Cameron Brakefield and Mrs. Claude Thompson had charge of the exchange of small Christmas gifts.

The president and club members introduced their luncheon guests: Mrs. James Lee Cobb, Mrs. Roy C. Lutes, Mrs. Ashlin Logan, Mrs. Margaret Fields, Mrs. Clarence Hoffman, Mrs. Evan Hance, Mrs. John R. HIGHWAY PROJECTS APPROVED IN BOONE

Highway Commissioner B. E. King has approved five projects for Boone County to be funded under President Nixon's new Emergency Employment Act.

The program is designed to provide jobs on public works projects to persons who are currently unemployed. Salaries for the workers are provided by the federal government with the state paying the cost of materials and equipment used on the projects.

The projects approved for Boone County include patching, repairing and replacing paved ditches on I-71, replacing paved ditches on I-71, replacing concrete handrails with steel beam guardrail for the bridge on U. S. 42 over Mud Lick Creek, U. S. 42 over Gunpowder Creek, and U. S. 42 over Little South Fork, repairing right of way fence on a 14-mile section of I-75.

The total estimated cost of the five projects is \$32,506, Commissioner King said.

W-V On "It's Academic"

Walton-Verona High School, Lebanon High School, and Ursuline Academy will be featured in regular competition on "It's Academic," Saturday, Dec. 11th.

Due to a change in network programming, "It's Academic" will be telecast at 3:30 p. m. over WLWT instead of the regular time of 5:00 p. m. The program is sponsored ULH&P and CG&E.

W-V Bearcats Win A Pair of Games

The Walton-Verona Bearcats won their fourth and fifth straight victories last week at the expense of Bishop Brossart and Covington Latin.

In the Brossart game, the 'Cats overcame a 26-23 deficit to win by a score of 54-43. A balanced attack by Raybourne (12), Rouse (12), Dixon (11), and Messmer (11) proved the difference. Johnson had 6 and McCubbin 2 to round out the local offense.

The Brossart reserves took their game 51-49 in overtime.

The Visiting Covington Latin squad was no match for the locals last Friday evening as the 'Cats had an easy 75-47 win. Leading 48-16 at halftime, the subs saw a lot of action in the final stanza. The JVs also won over the visitors.

Individual scoring: Messmer 14, Dixon 14, Raybourne 13, Rouse 12, Ramsey 9, Wilmhoff 5, Johnson 4, and McCubbin 4.

Annual Christmas Party

The annual Christmas party of the Kenton County Schools Food Service Association will be held at Ryland Elementary School on Friday, Dec. 10th, beginning at 5:00 p. m. There will be an exchange of \$1.00 gifts. Several door prizes will be given.

Kenton County employees are 100 percent members of State and National organizations, as well as their local unit of School Food Service.

The United Nations & Foreign Spending

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

I have been publicly stating for several years that the United Nations and foreign aid spending are badly in need of reevaluation. The dramatic proof of this has now come to light in the recent UN vote admitting Red China and ousting Nationalist China.

I recently became a co-signer on a resolution that I hope will clarify once and for all the inequitable representation in the UN for member states. The Soviet Union maintains three separate and equal votes in the UN to our, and the rest of the members, one vote. The Soviets claim that both the Ukrainian SSR and the Byelorussian SSR are separate states. However, according to our State Department's Soviet Desk, the British Embassy's information office and the French Embassy, these two integral states of the USSR have not been sovereign since the 1918 Revolution. Consequently, according to International Law, they are nonexistent as recognized separate nation states as Nationalist China has been. It is time that international law be invoked if the United Nations is to be respected as an international institution.

In the wake of the UN action, the few of us who have worked to reduce United States foreign aid spending and who have felt that our country was carrying too much of the cost of UN operations, have undoubtedly gained new support.

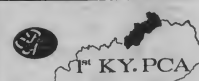

Here are some facts and figures that will interest readers of this column—after all, it's American taxpayers' money. It is a fact that 46 of the countries who voted to expel Taiwan are recipients of US foreign aid. They were scheduled to receive approximately \$1½ billion in American aid in Fiscal Year 1972. It is a fact that last year, the US contributed \$318 million to the UN including \$180 million voluntary assistance. It is

a fact that this year we are asked to increase voluntary assistance to \$141 million. It is a fact that our country is putting up over 36 percent of the total cost of the UN programs and operations—which is far more than our share of world population and world income. The UN is over \$175 million in debt and the Soviet Union owes nearly half of that sum.

I am also cosponsoring legislation to curtail our financial contribution to the UN and to implement a payment plan more equitable to all. It would be based on the ratio of US population to the population of all member states. Under this plan, we would pay \$59 million per year as opposed to our present payment of \$318 million. Russia would pay \$74 million and China would pay \$228 million.

It is my belief that our own economic problems at home as well as other pressing domestic needs, require that we cut our foreign aid spending and our total UN spending—including some of our voluntary contributions to that organization.

The sad story my business career tells is that I started out on a shoestring the same year everybody started wearing loafers.

—DEATHS—

MRS. VIOLA H. ROBERTS

Mrs. Viola H. Roberts, 83, of 160 North Main St., Walton, died at 6:10 a. m., Tuesday, Nov. 30th at Woodpoint Nursing Home in Florence.

She was the widow of Rev. John E. Roberts, Methodist minister, who died about 20 years ago.

Mrs. Roberts was a member of Walton United Methodist Church; Order of Eastern Star Chapter, 161, Walton, and of White Shrine of Jerusalem, No. 10.

Survivors include four sons, William L. and Daniel J. Roberts of Walton, John W. Roberts of Florence, and Eugene Roberts of Erlanger; two daughters, Mrs. Anna Louise Penn of Walton, and Mrs. Nannie Lee Siskman of Hebron; a sister, Mrs. Mary Jane Calloway of Cincinnati; 23 grandchildren, and 18 great-grandchildren.

Services were held at 11:00 a. m., last Friday at the Walton United Methodist Church, with the Chambers and Grubbs Funeral Home, Walton, in charge. Burial was in Walton Cemetery.

DAVID J. WORKMAN

David J. Workman, 66, of Route 1, Walton, a former local dry cleaner, died at 3:35 p. m., Monday, Nov. 29, at Booth Hospital following a long illness.

Survivors include his wife, Zobia; a daughter, Mrs. Helen Marx of Mariemont, Ohio; a stepdaughter, Mrs. Dorothy Still of Walton; a sister, Mrs. Lillian Smith of Largo, Fla.; five grandchildren and two great-grandchildren.

Services were held at 1:00 p. m. last Thursday at Allison & Rose in Covington.

MRS. EDITH BLACK

Mrs. Edith Black, of 28 South Main St., Walton, died at 5:30 p. m., Wednesday, Dec. 1, at St. Elizabeth Hospital.

She is survived by a sister, Mrs. Naomi Sparks of Verona; several nieces and nephews.

Services were held at 2:00 p. m., Saturday at Chambers & Grubbs Funeral Home, Walton, with burial at Beaver Lick.

CYRUS JOHNSON

Cyrus Johnson, 89, of Verona, died at noon last Thursday at the Owen County Hospital. He was a retired farmer.

He made his home with a niece, Mrs. Mae Stungson. Survivors include several other nieces and nephews.

Services were held at Bowling Funeral Home, London, Ky., Sunday, Nov. 29, at Booth Hospital following a long illness.

Hamilton Funeral Home of Verona, had charge of local arrangements.

MRS. KATIE B. SUTTON

Services were held at 2:00 p. m., Monday in the Hamilton Funeral Home, Verona, for Mrs. Katie B. Sutton, Route 1 (South Fork), Verona, who was burned to death last Friday afternoon at her home. She was 88 years old.

Mrs. Sutton was found by a niece, Mrs. Elizabeth Baker, who lives near her aunt.

Boone County Coroner Don Stith said Mrs. Sutton was apparently lighting her coal stove when her clothing caught fire.

She is survived by a daughter, Mrs. Sara Scudder, Warsaw, and several other nieces and nephews. Burial was in Hance Cemetery.

ARTEMESIA (MISSIE) BROWN

Artemesia (Missie) Brown, 98, a lifelong resident of Grant County, died at 8:45 p. m., Sunday at the Woodpoint Nursing Home, Florence. She was the oldest member of the Dry Ridge Baptist Church.

Survivors include three daughters, Mrs. Adeline Reed of Verona (with whom she lived), Mrs. Nina Kuhn of Covington, and Mrs. Utha Justice of Kenton County; nine grandchildren, 13 great-grandchildren, and 30 great-great-grandchildren.

Services were held Wednesday at the convenience of the family. Hamilton Funeral Home, Verona, had charge of arrangements.

The Church League Basketball Results

In the first game Saturday, Walton Christian defeated Hickory Grove Baptist, 71-68. Jim Mullins led the winners with 21 points, Charlie Holder added 20. Pettit and Bolen had 23 and 13 for the losers.

In the second encounter, Piner outlasted All Saints to win, 86-81. Dunn was high for Piner with 25 tallies, and Bob Callen added 20. Mike Weithington was tops for All Saints with 29, and Larry Ryan and Tom Code each had 15.

In the third encounter, New Bethel Baptist defeated Richwood Presbyterian, 84-72. D. Rich and P. Chipman led New Bethel with 29 and 23 points, respectively. Jim Houston topped Richwood with 22, and Jerry Feagan chipped in 19.

In the final game of the evening, Walton Methodist upset St. Cecilia by a 55-54 score. Yates led the winners with 18, Royce and Gray added 17 and 16. Hueser and Koch had 18 and 14 for St. Cecilia.

This coming Saturday at 5:30, All Saints plays the Church of Christ; at 6:45, St. Cecilia will go against Piner; at 8:00, Walton Baptist and Walton Christian will tangle, in what should be a very good game. These two teams are the only undefeated ones in the league. In the final game, at 9:00, Hickory Grove plays Richwood.

Twehofel FHA Has Meeting Nov. 19th

The Simon Kenton FHA Alumnae met on Thursday, Nov. 18, with Judy Schadler, president, presiding. There were 14 members and one guest present.

Final plans for the Christmas party were made. Each member is to bring a grab-bag gift within the price range of \$2.00 to \$2.50.

It was decided to help a family of nine children and their mother this Christmas. Each member is to bring anything non-perishable, such as canned goods, linen, toiletries, clothing and toys.

It was also decided to give a gift of money to a less fortunate teenage girl in the area.

It is hoped this will make their Christmas a little happier this year.

The alumnae sponsored a skating party at Lloyd's on Nov. 30th and the group wishes to thank all those who attended. There was a large crowd and it is hoped that everyone had a good time.

Officers were elected, as follows: President, Rita Trapp Potts; Vice President, Marilyn Friedman Ellison; Secretary, Pam Schadler Bernes; Treasurer, Judy Courtney Schadler; Reporter, Carol Gibson Reid.

It was decided to change the regular meeting night to the second Thursday of each month, beginning with the January meeting.

Following the meeting, members made more Christmas tree ornaments from a styrofoam ball, straight pins, sequins, etc. Each member is asked to bring her hand-made ornaments to the Christmas party to decorate the tree. The Christmas party will be held Thursday, Dec. 16th at 7:00 p. m., in the RECC Bldg. Catering will be furnished by the alumnae.

Refreshments were served by Beth Halsey and Barb Mains.—Reporter

Politicians are faced with a new dilemma. They have to have the 18-year-old vote but they don't dare let their Golden Age constituents know they have it or what they had to promise to get it.

SPORT SHORTS

The Reds obtained infielders Joe Morgan and Dennis Menke, outfielder Cesar Geronimo, pitcher Jack Billingham, and minor league outfielder Ed Armbrister from

Houston for Lee May, Tommy Helms and Jimmy Stewart. The deal didn't seem to go over too well with Cincinnati sports writers.

Leftyhander Don Gullett, youngest member of the Cincinnati Reds, was named the club's outstanding pitcher for 1971 by the Cincinnati Chapter of the Baseball Writers Association of America.

Staffordsburg

Mrs. J. A. Keeney, Reporter

The WSCS met at the church on Nov. 24, with Miss Helen Richardson as program chairman. The attendance was not large, but the interest was good in the program, considering the needs on the fields and duties of the officers who were then installed. The business was conducted by the president, Mrs. Opal Shaw. It was decided to prepare fruit baskets for the shut-ins and older folk in the community. We also learned of a needy family for whom we will prepare a basket of food, etc. Our next meeting will be in the form of a dinner on Dec. 22, to which all folk are welcome—just bring a dish.

Mr. and Mrs. David Rundell and baby of Miami, Fla., spent several days visiting her grandparents, Mr. and Mrs. Denver Binder, and also other relatives and friends. They would have enjoyed some snow.

Mr. and Mrs. E. Paul Keeney and Crystal of Lake Bluff, Ill., spent the Thanksgiving holidays with relatives and friends here.

Mr. and Mrs. H. L. Stephens entertained on Sunday, Nov. 28, with a dinner for several relatives. Our sympathy is with the family of the late Omer Lucas.

We shall long miss the friend we lost in the death of Miss Ruth Schmidt.

Challengers 4-H Club

The October meeting of the Challengers 4-H Club was held in the home of Mrs. Wayne Riley. Six members were present and two new members were received: Lynn Tucker and Dale Pepon.

Fishing and a hot dog roast were enjoyed by all who attended.

New officers were elected for 1972: President, Garry Riley; Vice President, Linda Riley; Secretary, Lynn Tucker; Treasurer, Tom Noble; Reporter, Dale Pepon; Recreation Leader, Mark Noble.

Those who attended the 4-H banquet were: Mark Noble, Garry Riley and Linda Riley. Garry Riley and Mark Noble received electric clocks for outstanding work in their electric projects.—Dale Pepon

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

We never cease to be amazed at the members of New Banklick Baptist Church. Wednesday evening before Thanksgiving, we had our special Thanksgiving supper. We had planned for a little over 60 people. Mrs. Louise Mercer, our Special Days chairman, and yours truly, had been busy decorating and making the plans to feed, which at that time we could not see more than 60 attending the supper—all who came. They started pouring in by 6:00 o'clock that evening. The 60 mark was passed. By 6:30, the count was 80. And would you believe that before the serving was completed, we had fed over 100 people. Louise and I got so excited that we got only the scraps off the table, but the joy of seeing so many present filled our cup of thanks to God. We were happy that everyone did get enough to eat. The program was under the direction of Gene Parker, our music director. We had the joy of listening to the Soul-ettes, the Youth Choir, the Adult Choir, and once again, after a long absence, the Spiritual-Heirs blessed our hearts with their sing-

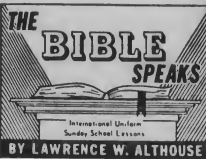

ing. All-in-all, everyone had a wonderful time.

Then in this season of Thanksgiving and blessings, our youth came out in a wonderful turnout to visit of Air Force Museum in Dayton, Ohio. Over 30 made the trip by church bus. We are indebted to Youth Director, Mrs. Gilberta Kidwell, George V. Schadler, and Recreation Director, Ray Mercer, for making the plans and executing them with precision. The youth making the trip were: Diane Brown and her cousin, Sally, Alan Buckmeir, Steve Dunn, Tammy Engel, Rita and Gilbert Fisk, Ralph Gibbs, Ronnie Gilbert, Stephanie and Alan Grayson, Eve and Billy Hensley, John Henry, Randy Holt, Barbara Johnson, Donna and Greg Kidwell, Teri Kyle, Regina and John Lawson, Ruth Lawson, Becky Martin, Steve and Lary Powell, Mike and Nelson Schadler, Dave Miller and Mike Mercer. The trip was completed without any accidents or bus failures. We are proud of our youth of New Banklick Baptist Church and their friends and relatives who were brought as guests on the trip. The youth have a revival planned in March. All-in-all we are proud of our youth and we believe they are the finest group of youth one can find any place in the world. We are also thankful for their parents who are very cooperative in all things that we have asked them to do to help our youth.

The Youth Choir of New Banklick Baptist now meets on Tuesday

**A GOD WHO ACTS!**

Lesson for December 12, 1971
Background Scripture: Luke 1:5-8; 2:25-35.

Have you ever been so excited about something that you've felt you just had to sing about it?

That's the way the writer of Luke apparently felt about the birth of Jesus Christ. In the first two chapters of this gospel he uses four stirring hymns to express both the depth of meaning and feeling stirred by these events. First, there is Mary's beautiful and humble response to the angelic announcement that she will be the mother of Christ (Luke 1:46-55). We call this hymn, the "Magnificat" ("my soul magnifies the Lord . . .").

Rev. Althouse

"Mine eyes have seen . . ."

Then in Luke 1:68-79 there is Zechariah's ecstatic response to the revelation that his newborn son, John (the Baptist), will be the prophetic forerunner of the Messiah. Because it begins with the word, "blessed," it is known as the Benedictus.

The announcement to the shepherds of the birth of Jesus is also a hymn, this time by an angelic multitude (Luke 2:14):

Glory to God in the highest,
and on earth peace among
men

with whom he is pleased!
The fourth of these great lyrical testimonies comes shortly after the birth of Jesus when he is brought to Jerusalem for the rite of presentation in the temple. (2:30-32). Here an aged and faithful Jew realizes that this infant is the answer to Israel's hopes. His life is fulfilled: "Lord, now lettest thou thy servant depart in peace according to thy word; for mine eyes have seen thy salvation . . ." This ecstatic testimony is often known as the "Nunc Dimittis," ("Now lettest . . .").

Action verbs

If you examine each of these songs closely, you will see, however, that they are not speculative in nature. There are no speculative, philosophical ideas about who or what God is. Rather, they are recountings of what God has done and is doing! These are not passive verbs, but action verbs. They speak of God's activity in his world. For example in Zechariah's "Benedictus," (1:68-79) God has "visited," "redeemed," "raised," "spoke," "to perform," "to remember," "swore," "to grant." This is no absentee God, but one whose presence is evident in the dramatic work he performs.

The verbs describing the response of Mary, Zechariah, and Simeon, are also active. What each has to testify comes, not through idle contemplation, but observation of what God is doing. The God of Mary, Zechariah, the shepherds, and Simeon was a God who acts. So is ours, if we will open our hearts.

"What goes on in the beauty parlor? Bet you hear all the gossip in town." That's what my husband says.

Well, I'll admit it—there is talk. When people get together—whether in a beauty parlor, a barber shop or, in the old days, around the cracker barrel in the general store—tongues start flying. It is human nature to talk, to criticize, to complain.

But isn't it refreshing to hear something good about someone? Sometimes it takes a lot more strength to say something good than something bad! Sometimes it takes more strength to stand up and be counted as a churchgoer than it does to sit on the sidelines, espousing neither faith nor cause.

Which side are you on? If you're not sure, why not cast your vote for the Church? Try it next Sunday.

NEW VERONA SCHOOL IS DEDICATED SUNDAY

(Continued From Front Page)

came at home, in daily life and work. The early school, therefore, performed but a relatively small part of developing a citizen. Little by little modern life has forced an ever-increasing responsibility upon schools of this nation. The modern home is no longer a trade school, a gymnasium, or a social center. It is quite evident that much of education by the early home can be given better today by the school. Modern life has reduced possibilities of the home as an educational institution, and we as school people and parents find ourselves with these broad responsibilities.

"It is our responsibility to accept students from every walk of life and stimulate them to believe and encourage them to work together as free men in a democratic society.

"We must do this with your support at a most difficult time. The demands of our society both in citizenship and vocation have become so many and so complex. These demands may be greater than schools can achieve without the complete cooperation of progressive minded citizens. What can you expect from our school

when parents and teachers are working together to meet the needs of all the children?

1. A common core of basic information.
2. Learning how to think.
3. Development of each individual's unique combination of abilities and interests.
4. Physical and mental health.
5. Responsible citizenship.
6. The Moral and Spiritual basics of modern society.

"As the duties of the schools expand, the establishment of priorities in education should be studied. The development of the intellectual powers of young people each to the limit of his capacity is the first responsibility of the schools. Beyond this basic task, all kinds of instructions are not equally important for all children and their importance varies from community to community.

"How can those responsible for the school system accomplish the desired results? They will not unless organizations such as yours help them accomplish. The fact that the dollar cost of education has constantly increased makes this a greater challenge to you. Education costs too much only when it fails to meet the needs of the people.

"Sometimes I think that about the only time the average citizen

stops to inquire about his investment in schools is when something goes wrong. Day after day as the school goes about educating the child and doing a good job of it, the average parent never takes any notice. This is a challenge to you because it is time for us to find what is good about public education. It doesn't cost any more to build a school building per cubic foot than any other substantial business building. It doesn't cost any more to buy good books for boys and girls than it does to manufacture best sellers, monthly magazines, daily newspapers or comic books from news stands—in fact statistics would indicate that the average two-child family spends more on newspapers than it does for school books.

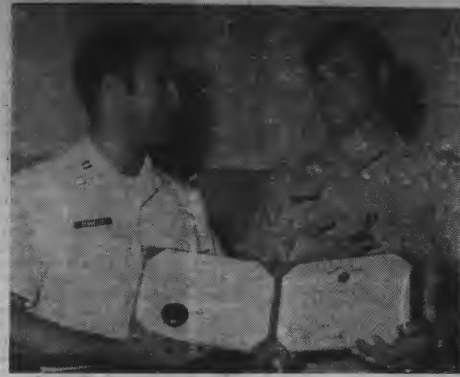

"Your presence on this occasion indicates that you are interested in education and can be counted upon for cooperation in all of its facets. You as progressive citizens are a part of the leadership that will help your school officials to create something better for the youth of your district. You are to be commended for your cooperation thus far with a fine superintendent and board of education as they work diligently to be of assistance to this community. Your educational program will improve only to the extent that citizens and school officials work together trying to achieve the same goal. May every citizen in the Walton-Verona district fully realize the importance of working together so that all of you may instill into the future citizens a desire to compete fairly and succeed nobly in a manner compatible with the true American tradition.

"I dedicate these classrooms to the school children of the Walton-Verona district knowing full well that they are destined to play an important part in the future progress of this community.

"I dedicate these classrooms to the teachers of Walton-Verona who work unselfishly with your children. We respect their ability; we appreciate their kindness; we admire their character and we shall always value their friendships.

"I dedicate these classrooms to this superintendent and board of education for dynamic leadership in providing you with these facilities.

"I dedicate this building as a facility where improved teaching will be a determining factor in the

Sgt. Harold L. Cuzick (right), son of Mr. and Mrs. Henry E. Cuzick, Verona, recently received the U. S. Air Force Commendation Medal at Dobbins AFB, Ga. The presentation was made by Capt. Michael P. Ryanczak (left). Sgt. Cuzick was decorated for meritorious service as a communications specialist while assigned to the 621st Tactical Control Squadron at Udon Royal Thai AFB in

Thailand, and with Detachment 3, 620th Tactical Control Squadron at Quang Tri Combat Base in Vietnam.

He is now at Dobbins with a unit of the Air Force Communications Service which provides global communications and air traffic control for the USAF.

The sergeant, a 1966 graduate of Walton-Verona High, attended N. Kentucky State College.

Missionary Ladies Meet

The Goshen Christian Missionary Ladies met in the church basement December 1st for their regular meeting. The president, Mrs. Claude Burns, presided over the meeting which was opened with prayer by Mrs. Raymond LaFollette. Roll call was answered by the ladies reading a verse of scripture with the word "babe" in it. The secretary and treasurer gave their reports.

During the new business, the ladies decided to sponsor a white Christmas for a family in the area and they ask all to participate.

The ladies again this year will be giving fruit baskets to the elderly and shut-ins in the community.

The ladies will have a Christmas card box in the vestibule for the church family to use. The ladies donated many useful items to be used in the church's kitchen.

The ladies voted to continue their support of a boy at the Christ Nagar Institute in India.

After a delicious Christmas dinner each of the ladies participated in the Christmas program.

Those present were: Mrs. Rich Glenn, Mrs. Kenneth Glenn, Mrs. Burns, Mrs. LaFollette, Mrs. Chester Mullins, Mrs. Marshall Hills and Diane, Mrs. Roy Elliott, Mrs. Lawrence Fisk, Mrs. Harold Bray, and Mrs. Woodie Worthington.

The church's annual Christmas program will be presented Saturday, Dec. 18th at 7:00 p. m. We wish everyone a very blessed Christmas.—Reporter

Walton to Dedicate Its New Ambulance

The Walton Volunteer Fire Department will dedicate their new ambulance in ceremonies Sunday afternoon at 2:00. Chief Charles Worthington said that several of the members will take part in the short program. Also to be recognized are several members (men and women) who have recently completed advanced Red Cross First Aid classes.

The ambulance has already clocked over 1,000 miles in runs—six of those being this month.

The new unit cost \$13,036.50, plus \$1,100 for a radio hookup and several other pieces of life-saving apparatus.

Chief Worthington issues a cordial invitation to citizens of the community to come to the City Building, Sunday afternoon for the dedication service and to meet some of the members and to see all the equipment on display.

Santa To Be Present

Immediately following the ambulance dedication service, Santa Claus will make his appearance with treats for the youngsters and rides on the big red fire engine. It is hoped that the last rides will be completed around 4:00 p. m.

New Year's Eve Dance

A dance will be held at All Saints in Walton, on New Year's Eve from 9:00 until 1:00. The cost is \$12.00 per couple, which includes lunch. For reservations, call 485-4567 or 485-4161.

Calls From Servicemen

Cincinnati Bell suggests that families and friends of American servicemen in Vietnam, and other overseas stations, plan for Holiday telephoning, by asking servicemen to place the call from his duty area.

"It is nearly impossible," a telephone company spokesman said, "to locate a particular serviceman in Vietnam or other foreign country, because of the remoteness of some of the areas or the servicemen being on duty."

Rates for telephone calls at all hours between the U. S. and Vietnam are \$9.00 for a three-minute station-to-station call, and \$12.00 for a three-minute person-to-person call. Servicemen can call collect so that the message can be paid for at home. Remember, Vietnam is 13 hours ahead of Cincinnati time.

Boone Circuit Court Is Now In Session

The Boone Circuit Court convened December 14th in Burlington, according to Mrs. Mabel Benson, Circuit Court Clerk. The court term will extend through most of January, it is said, according to the court docket prepared for the attorneys by Mrs. Benson's office.

Twenty-eight cases have been scheduled for trial during this term of court, and nine of these are cases previously indicated by the grand jury. A number of right-of-way cases are on the docket.

To be tried Tuesday are three men and a woman for the Sept. 14 pistol killing of Carl Ray Walp, 20-year-old night attendant at the Walton Enco Service Station, just west of I-75.

Charged with the slaying are: Charles R. Cain, 22, Edward L. McIntosh, 30, Miss Janice Smith, 19, all of Covington, and Rodger A. Wood, 34, of Cincinnati.

Among those selected for jury duty from the Walton-Verona area are as follows:

Lillian Davis, Route 2, Walton; W. E. Duchemin, 77 South Main St., Walton; Harry W. Henson, Route 2, Walton; Robert C. Elsen-schmidt, 5 Maloney Drive, Walton; Frances Walden, Verona; Edward Earl Atkins, Box 28, Verona; William F. Chusler, 167 North Main St., Walton; Ernest Dancie, Route 2, Walton; Joseph Kolar, 36 Needmore St., Walton; David Kuehle, Route 2, Walton; Almata Ingram, 23 Church St., Walton; Elizabeth Poore, 49 Alta Vista, Walton; Beulah Lay, High St., Walton, and Elizabeth English Farrell, 35 Bedinger Ave., Walton.

BAND CONCERT SUNDAY

The Walton-Verona High School Band, under the direction of Mr. James Layne, will give a Christmas Concert on Sunday afternoon, December 19th at 2:30 p. m., in the school auditorium.

The public is invited.

Christmas Program At New Haven School

On Monday, December 20th, at 7:30 p. m., the children of the New Haven School will present a Christmas program.

The theme of the program is "Bells," and is under the direction of Mrs. Hall, music teacher. All children in grades 1-6 will participate.

There will be no regular PTA meeting this month.

Refreshments will be served after the program, in the cafeteria.

St. Elizabeth Plans For New Hospital

St. Elizabeth Hospital's board of trustees have given the go-ahead for design of a new \$10 million 175-bed hospital on a tract of land adjoining Thomas More College.

Plans are to have the new hospital open by January, 1975.

The site is just off the Circle Freeway, now under construction, which loops the Greater Cincinnati area, and is in the Dunley Pike section of Kenton County.

It is designed primarily to serve Kenton and Boone counties, but the interstate highways will make it easily accessible for residents of other areas.

The 175-bed hospital, to serve acute general medical and surgical patients, is the first of a two-part development. Phase II will double the number of beds by 1980 if needed.

The unit in Covington will continue operating after the new facility is completed. Such services as psychiatric, obstetric and pediatric care would continue to be offered only at the Covington hospital until need is sufficient to extend these to the new facility.

Christmas Party Enjoyed

The Alpha Sunday School Class of Walton Baptist Church held their annual Christmas party on Thursday evening, December 9th at the lovely home of Mrs. Norma Boyers.

Ladies in attendance were as follows: Margie Schadler, Ruth Glenn, Ann Soden, Bonnie Burden, Estelle Christy, Gwen Soden, Betty Slayback, Dortha Black, Dora Pennington (the teacher), Juliana Shields, Betty Clifton, Glenna Rice, Maxine McCubbin, Mildred Robinson, Betty Blanton, and the hostess, Norma Boyers.

Refreshments of pecan pie and coffee or tea was served to those present.

Exchange of Secret Pal gifts was made and a very enjoyable evening was had by all.

Plan Christmas Caroling

The Greater Walton Businessmen's Association, cooperating with the choirs of the local churches will sponsor a time of Christmas Caroling in the Walton and Verona areas on Thursday evening, Dec. 23rd. Wagons with hay will be provided at 7:00 p. m. to transport singers primarily to homes of shut-ins in about the area.

Refreshments will be served following the Caroling. Everyone is invited to participate. Names of those taking part should be given to Jack Norris or Dr. Wm. Waller.

Garden Club To Meet

Mrs. Wesley Hall of 6404 Taylor Mill Road will be hostess to the Kenton County Garden Club at 7:45 p. m., December 17th.

Roll call will be answered by symbols of Christmas, Christmas legends, or Christmas customs.

Each member will exhibit a Christmas arrangement (doorway, mantel, living or dining room).

Social at All Saints

A social will be held at All Saints on Saturday night, December 18th, starting at 8:15. The public is invited to attend.

W-V School Board Holds Regular Meet

During their regular monthly business meeting last Thursday evening, the Walton-Verona Board of Education employed four persons and adjusted some pay scales.

John A. Hartman, local attorney, was contracted to serve as school board adviser on legal matters. Joan Black will serve as substitute cook at the elementary lunchroom. Paul Ryan and Sammy Sanders were hired as substitute bus drivers.

In other action, the board contracted with Walton I-75 Sunoco for bus servicing and maintenance. Effective in January, salaries of teachers aides will be increased to comply with the minimum wage law. Coaches Tyler and Hiller will also receive a wage bonus for coaching the basketball teams in the Junior High.

Rounding out a busy session, the members approved the organizing of a girls interscholastic basketball team, to be directed by Loraine Stark, and voted to continue membership in the KSBA and NSBA.

Beechgrove PTA to Meet

Beechgrove Elementary School PTA will meet on Thursday, Dec. 16th at 8:00 p. m., at the school.

A Christmas program will be presented by the students of Miss DeBoer and Miss Grosselore.

Refreshments will be served following the program.

Christmas Music By the W-V Elementary Students

On Monday night, December 20 at 7:30 p. m., the entire student body of the recently dedicated Walton-Verona Elementary School at Verona, will present a program of Christmas music.

There will be singing by each grade as well as by the entire student body. You will hear both new songs and the old familiar carols.

Plans include a special Nativity pageant during the musical program.

Include Monday evening in your Christmas holiday plans. Everyone is cordially invited.

Cantata At Wilmington

A cantata, "The Saviour Has Come," by Evelyn Turner, will be presented by the church choir of the Wilmington Baptist Church of Fishburg, in a special candlelight service on Wednesday evening, December 22 at 7:30.

The story of the birth of Jesus will be presented in pageant form at the same time.

The public is invited to this special service.

WED FOR 66 YEARS

Mr. and Mrs. Ed Redman of Morning View, will celebrate their 66th wedding anniversary on Sunday, December 19.

They have seven living children: Mrs. Virginia Ishmael of Covington, Mrs. Julia Hammon and Mrs. Helen Koenig of Morning View, Walter, John and Harry Redman of Morning View, and Edward Redman of Ft. Thomas. Mr. Redman is a retired farmer.

YOUTH CENTER CLOSED

The Youth Center in Walton, is now closed, due to the need for volunteer help.

Anyone willing to volunteer their services to help reopen the Center please contact Cliff Ryan, phone 485-4000, of Bill Napier, 581-7387.

This is an unfortunate situation and it is hoped that someone will lend a hand in order to keep the Center in operation.

If a man thinks for one minute he can understand his wife, he has it timed just about right.

TO PRESENT CANTATA

On Sunday evening, December 19 at 7:30, the choir of Richwood Presbyterian Church, under the direction of Debbie Nix, will present the highly regarded Christmas Cantata by John W. Peterson, "Love Transcending."

The public is invited to attend and the pastor, Rev. Roy Sharpe, encourages all church groups to be present for this special Christmas service.

Refreshments and fellowship in the community house will follow the program.

Cantata At Piner Church

The combined choirs of Goshen Christian Church and the Piner Baptist Church will present the cantata, "Tell of Christmas," by John W. Peterson. It will be held at the Piner Baptist Church on Sunday evening, Dec. 19 at 7:30.

The public is cordially invited to be present.

W-V Downs Ludlow; Whips Williamsdown

The Walton-Verona Bearcats won their eighth game in nine starts this season by defeating Ludlow's Panthers, 72-65, Tuesday of last week on the home floor.

The 'Cats placed four players in double figures with Gene Dixon leading the way with 18 points and Rick Raybourne added 17. Other scoring for the winners: Messmer 15, Ramsey 12, Rouse 6, McCubbin 4.

The lead changed hands frequently in the first half before the winners took over in the third period. Bob Dawne led the losers with 19 points, while Doug Singleton added 18.

The Walton-Verona reserves won their game by a 55-43 score.

The Walton-Verona Bearcats won over Williamstown, 70-67, in a close game last Friday night on the Grant County floor.

The two teams played to a 16-16 first period tie, and with Walton trailing at the half. The winners took over in the third period.

Dwight Johnson led the Bearcats with 21 points, while Gene Dixon added 19, and Rick Raybourne 12. Teddy Beckham had 18 and Fred Hale 17 for the losers.

Kenton Elementary Christmas Musical

The Kenton Elementary PTA is to meet December 16 at 8:00 p. m. Miss Rebecca Berna, music teacher, is in charge of the program, and a Christmas musical is planned with students participating.

Mrs. Ray Baldwin, president, has sent word to the North Pole in hopes Santa Claus will be able to attend.

A holiday bake table will be set up prior to the meeting. Homemade candy, cookies, cakes and other goodies will be on sale. Mrs. Eugene Parsons, Mrs. Jack Land, Mrs. John Hamilton, and Mrs. Lucien Royce are in charge.

Kenton Elementary PTA reached the highest membership ever attained by the school. Eight rooms obtained 100 percent membership. They were: Mrs. Mary Bates, Mrs. Mildred Popp, Mrs. Ruth Batley, Mrs. Helen Brown, Mrs. Marie Carter, Mrs. Margaret Baird, Mrs. Faye Holbrook, and Mrs. Wanda Jo White.

The annual candy sale is now in progress. A bicycle will be given to the boy and girl who sells the most candy.

Surprise Baby Shower

A surprise baby shower was given for Mrs. Carol Menefee at the home of her mother by her sister, Mrs. Sherry Perkins, and her mother, Mrs. Bonnie Burden.

Those who attended were: Mrs. Jean Benton, Mrs. Margaret Fields, Mrs. Carol Burden and daughter, Mrs. B. H. Cotton, Mrs. Freda Kennedy, Mrs. Ruth Stephenson, Mrs. Sue Elliott, son and daughter, Mrs. Christine Eason, Mrs. Linda McNay and daughters, Mrs. Nora Caswell, Mrs. O. P. Young, and Mrs. Anna Burden.

Chances Better For A White Christmas

Here's good news for those who dream of a white Christmas. The chances of your dream coming true here in Kentucky seem to be getting better.

In the past, Santa's sleigh has had some rough landings here at Christmas-time, but he's found snowy rooftops more often in recent years. In the past 22 years, there have been only seven Christmas Days with any significant snow cover in Kentucky—but all seven of these have been within the past 11 years, according to A. B. Elam, Jr., climatologist at the U. S. Weather Service Office for State Climatology, University of Kentucky College of Agriculture.

Last Christmas Day, some snow fell on most sections of Kentucky during the afternoon or evening. And, on December 26, 1969, Kentucky had the heaviest Christmas snow since the 1930's, with from one to six inches recorded around the state. The Weather Service defines a "white" Christmas as one with an inch or more of snow on the ground.

However, if you really look forward to a white Christmas, consider only the past 11 years. With the seven snow-covered Christmas Days recorded, that almost a 64 percent chance of snow in Kentucky on December 25. Mr. Elam points out that conditions vary according to location and elevation.

Christmas Play, Sunday

The young people of the Walton United Methodist Church will present their Christmas play Sunday evening, Dec. 19, at 7:30.

The public is invited to attend.

COOL HEAT RETURNS TO WALTON-VERONA

Cool Heat returned to Walton-Verona High School on Friday, December 3rd to provide music for a dance sponsored by the freshman class. There was a large turnout and everybody enjoyed a night of fun, especially after watching the Bearcats take two victories.

On Saturday, December 11, Cool Heat appeared at the VFW in Devou Park, Covington, for a Christmas dance. They will be returning to the VFW for a New Year's Eve dance, Dec. 31.

Saturday afternoon the group had their pictures made for posters to be distributed with performance information.

The group recently cut a record called "The Other Side of Us" and "Life." It is available to the public at this time. The songs are both originals, and were written by all members.

Health Dept. To Close

The Boone County Health Department, 7325 Woodpoint Drive, Florence, will be closed Thursday, December 16th, in order that personnel may attend a Regional meeting in Lexington.

Legion Christmas Dinner

A Christmas dinner will be held at Johnson-McElroy Post, No. 277, Walton, on Saturday, December 18 at 7:00 p. m. Bring your family and a covered dish.

BURLEY PRICES HIGH

The New Burley Tobacco Warehouse, Richmond, sold 748,392 lbs. of tobacco last week for \$608,460, an average of \$81.30.

Some of the high averages were: James Riddle, Walton, 1,800 lbs., \$82.14; G. H. Borchers, Walton, 1,002 lbs., \$82.00; Arnold Easton, Florence, 2,766 lbs., \$82.00; Harry Fisk, Independence, 2,150 lbs., \$82; Hopkins and Menefee, Independence, 1,196 lbs., \$82.00; Harry R. Daugherty, Florence, 2,146 lbs., \$82.00; Holt and Williams, Independence, 1,136 lbs., \$82; Thomas Schwartz, Florence, 1,588 lbs., \$82; Elizabeth Youell, Florence, 1,834 lbs., \$82; Chalmers Williams, Walton, 1,938 lbs., \$82; Kenneth Martin, Florence, 1,930 lbs., \$82.47; James Sharon, Erlanger, 4,968 lbs., \$82; Sterling Rouse, Walton, 1,034 lbs., \$82.44.

Holiday Safety Is Urged

Local firemen urge all citizens to be extremely careful to prevent fires and other accidents during the holidays. Just a little caution goes a long way in preventing tragedy. The volunteers want to spend a happy Christmas season with their families too, so take that extra precaution to help prevent an accident.

"LOVE TRANSCENDING"

The adult choir of First Baptist Church, Walton, will be singing, "Love Transcending," on Sunday night, December 19, at 7:30.

The children's choir will present, "Something Wonderful," on Wednesday evening, Dec. 22 at 7:30.

Both will be candlelight services.

Capping Ceremonies Held

Capping ceremonies were held last Friday at the Booth Hospital School of Practical Nurse Education. One student was from Walton, Mrs. William Brown.

Special Services at Verona

The members of New Bethel Baptist Church, Verona, invite you to join with them in a special Christmas service on Sunday morning, December 19, at 10:55. The choir will sing "The Prince of Peace," by J. T. Adams, an account of the miraculous birth of our Lord.

A brass ensemble, composed of Mike Sargent, Steve Alford, Greg Coyle and Mike Stahard, will participate, and the narrator will be David Lucas.

You are welcome to attend. The youth of New Bethel will lead in a Christmas service of scripture and Carols on Sunday evening, Dec. 19, at 7:30.

Bobby Messmer will be the narrator, and the director is Steve Alford. You are invited.

Boone GOP Christmas Party Held Dec. 10th

A large group of Republicans filled the recreation room at First Federal, Walton, Friday evening for their annual Christmas party festivities.

Secretary of State Ken Harper, speaking in the absence of Congressman Gene Snyder, who had been detained in Washington on a late vote, expressed his appreciation to the work Boone Counties put forth this past campaign. "We were beaten, but not defeated," he said. "We'll bounce right back."

Don Brown, GOP candidate for the legislature from Boone County, also thanked everyone for their help.

For their outstanding work in the past campaign, gifts were presented to Mr. and Mrs. Dale Campbell, Mr. and Mrs. Russell Cornett, Mr. and Mrs. Don Brown, and Mrs. John Schram.

Officers for the coming year were nominated for the Republican Club. They are: Dale Campbell, president; Don Ravenscraft, first vice president; Russell Cornett, second vice president; Lucy Allphin, secretary; D. H. Vest, treasurer. The next meeting of the club will be held the second Thursday in January.

The Christmas party was co-sponsored by the Boone County Republican Club and the Boone County Republican Women's Club.

First Place For Magazine

"Input Kentucky," the Commonwealth's industrial promotion magazine, won first place in a recent 16-state competition among public relations periodicals.

The Kentucky-bred three-year-old magazine topped the field at the 26th annual conference of Southern Industrial Development Council in Biloxi, Miss. Kentucky has entered the competition three times and has brought home a first, second, and a first.

The design and graphics for Input Kentucky have been produced by Charles Wiley of Wilbe, Inc., Walton. Input Kentucky's chief editorial advisor for the Department of Commerce is Barney Stanley.

Mrs. J. A. Keeney, Reporter

The Homemakers Club met at the church Dec. 7th for their annual Christmas party. Almost every member was present, also several visitors. The meeting was called to order by Mrs. Pepon and opened with prayer. Mrs. Damico gave the worship; Mrs. Wharton read the minutes, and Mrs. Faulkner gave the treasurer's report. Mrs. Pepon gave a report on the meeting of the Advisory Council, at which it was suggested that each club in the county give a contribution to the Kenton County Fair Board for us in increasing the area for displays. Mrs. Rapp moved that we make a donation to this worthwhile project. We were also asked to contribute to the Riverside school, to which we said yes. The luncheon or dinner, was the main event for the day. Each brought the best she could produce and we all ate more than we should. Mrs. Elam kept us busy with a few games before the gifts were distributed. All departed with a "Merry Christmas to all."

Mr. and Mrs. J. J. Barnett entertained with a family dinner on Friday evening. Among those in attendance were: Mr. and Mrs. Clarence Barnett, Mr. and Mrs. Robert Barnett, Mr. and Mrs. Andy Perry, Mrs. Sally Corbin, and Mrs. Mattie Rider.

Mr. and Mrs. Carsee Brinkley returned on Tuesday from a week-end in Alabama with relatives.

Our sympathy is with Harvey Miller in the death of his wife, Frances, on Friday, Dec. 10. She had no children and no close relatives.

I was surprised by a visit by my neighbor, Mrs. Fern Elbeck, Saturday.

The Christmas program for the Sunday School is set for Sunday evening, Dec. 19th at 7:00. We would like to have a nice attendance. Can't you come?

Mrs. F. Keeney enjoyed very much a week's visit with Mr. and Mrs. John Klette of Park Hills.

Mrs. Mary Rice of Bristow Road is feeling much better following an illness of two or three weeks.

Mr. and Mrs. Chester Sturgeon attended a Charolais sale on Saturday at Owensboro.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

John, the beloved disciple, was projected into the future as recorded in Revelation, chapter four. He was given the privilege of looking into the future of mankind: the redeemed and the unredeemed. What John writes in this Book of Books of the New Testament has caused much confusion in our existing world—men want to deny that this has anything to do with the places where man shall spend their eternity: hell for the wicked; heaven for the redeemed. The sad fact is that many come to realize this is true as they face death and in a confused state do not know what they must do to be saved.

I believe that the church of Jesus Christ has a commitment to God, through our Lord Jesus Christ, to have a vision too. The writer of Proverbs wrote, "Where there is no vision, the people perish . . ." (Proverbs 29:18a).

I have seen the death of a lot of churches throughout this country who did perish simply because they did not have a vision. I write about Baptist Churches because I feel qualified to write about us having spent fifteen years in four sections of this country pastoring Baptist churches; however, many of my brethren from other denominations say the same is happening to them. Why? In each case the church had lost their vision.

This has been my emphasis at New Banklick Baptist Church: to get our people to get a vision of future joy because we obeyed the command of Jesus Christ to "Go . . . into the world . . . preach . . . teach . . . the Gospel message . . . to every person." When we, as Missionary Baptist, get the zeal for souls then truly, "The Lord will add to his church daily those that should be saved." But we must get a vision. We must have a desire to witness to the lost multitudes, but in the right spirit and in the right way. We are committed to this common cause among Christians whether we be Baptist, Methodists, Presbyterians, Catholics, Lutherans or whoever you are, to bring human beings in from the fields of sin and introduce them to Jesus Christ our Lord, Saviour and Master. When we of New Banklick Baptist Church or any other church fails to do

this, then have we lost our vision for a bright future, and then will we perish.

New Banklick Baptist people have many visions; however, recently in our Sunday School Outreach Ministry in preparing for a new bus route in our area over 30 concerned people turned out to take this important bus census. We returned to the church, and that evening had a wonderful service of listening to the wonderful experiences and joy in meeting and talking with so many new people; and of enlisting them for prospects in our bus ministry. This pastor would have given anything if all of you dear readers could have been present to hear the wonderful testimonies and see the sweet Spirit of our Lord written all over the faces of those who went.

Another vision that we have at New Banklick is to see the reality of a new pastorum for the pastors of New Banklick who come to serve with these wonderful people.

Then there is the vision of a much needed youth and educational building to meet our present needs. We have some of the finest youth you will find in Northern Kentucky, and we are just plain proud of everyone of them. We don't have a bad one in the whole bunch—full of vim, vigor and vitality, mingled with a little mischief humor (thank the Lord for fun-loving youth); and thanks for people like Frank and Gilberta Kidwell, Ray and Louise Mercer, Jackie Grayson, Francis Beach, Pat Dean, Wanda Spada, Katherine Hopperton, Geo. V. and Linda Schadler, George and Emma Schadler, who spend so much of their time and give so much of themselves to our youth. The only reward they will receive now is the joy of knowing that they have helped some young per-

son find Jesus Christ as Saviour; Christ. Just remember, "payday or, to help a Christian youth to will be someday" in His kingdom, continue to grow in the Spirit of received from His hand.

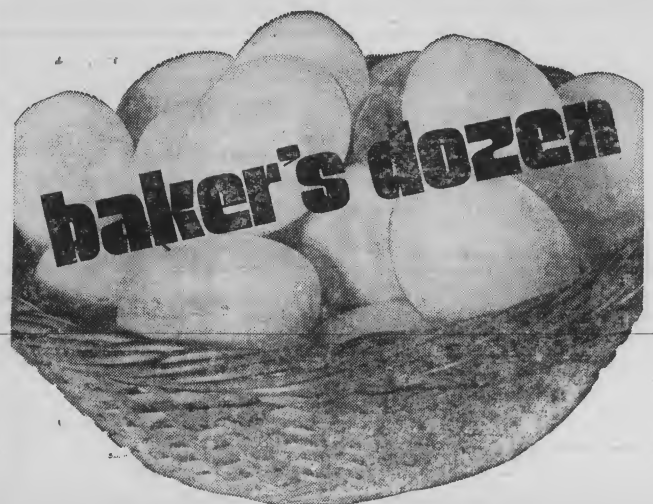

GREETINGS... may the wonderful blessings of Christmas be yours this holiday season.

CHRIS COMBS, MANAGER

"Eleven, twelve and one more for a baker's dozen," said my grandma, counting out eggs for a customer. "It'll be 'found gold' for her!" And she smiled as she bustled about the shop.

Even then, as a child, I knew that Grandma was the "found gold" for all who knew her—always giving more than was expected, cheerfully looking for ways to gladden those whose lives touched hers.

Today I know that Grandma's strength was of the spirit. The teachings of her church gave purpose to her life. She lived her creed joyously, demonstrating vividly for all around her the vitality and richness of the Christian life.

Today, in a world that sometimes seems dark with selfishness and greed, each of us needs to realize and utilize the spiritual resources of his church as a necessity of life.

Is That Toy Teddy Bear Safe?

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

With the Christmas holidays almost at hand, I want to devote a few minutes to a subject that is important to all parents. During the next few days, many people will be buying toys. Some are potentially dangerous. Many parents would agree that most toys are safe and most toy manufacturers take care to build non-hazardous toys; but we are well aware that a number of hazards are built into some toys. Though the Child Protection and Toy Safety Act was passed by the Congress in November of 1969, the Public Health Service estimates that some 700,000 children are injured annually by their playthings.

The Food and Drug Administration has presently banned the sale of 141 toys as hazardous for children. In most cases, the dangerous toys have been removed from production or redesigned to make them safe. However, some dangerous toys are still available.

Malcolm Jensen, Director of the FDA Product Safety Bureau, has briefly outlined some helpful hints in choosing safe toys. Here are a few: choose toys appropriate to the child's age; check fabric labels for "flame resistant" notices; avoid toys that produce excessive

noise (even cap pistols fired too close can injure ears); avoid the shooting games involving darts and arrows. For small children make sure it (1) is too large to swallow (2) does not have detachable parts to lodge in windpipe or ears (3) is not apt to break easily into jagged pieces—gas plastic (4) has not been put together with sharp wires and prongs that will be exposed when the fabric wears—as several teddy bear brands to hold up the ears (5) does not contain poisons or toxins (6) does not have flimsy electrical wiring—such as certain toy ovens that can reach a heat of 400 degrees.

The Christmas shopper has his work cut out for him. There are many considerations to which the shopper must be alert, but being alert every day of the year is just as important. Local merchants are aware of hazardous toys and will be happy to advise toy buyers. A list of toys that have been banned as hazardous by the Federal Government is available through my office. A little late for this year maybe, but if you will write to me at the House of Representatives, 306 Cannon Building, Washington, D. C. 20515, I will be happy to forward such a list to any reader.

While I feel that most toys are safer than in years gone by, nothing the government can do can replace the parents as a safety inspector of their children's toys.

It is my experience that folks who have no vices have very few virtues.—Abe Lincoln

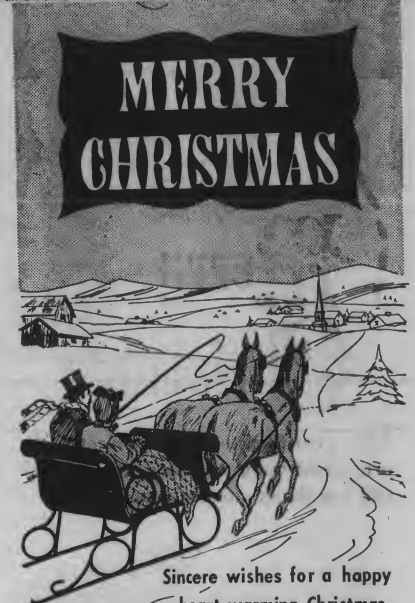

Husband looking over over the stacks of bills, to his wife: What ever happened to that guy named Bob who wanted to marry you so badly?

I am sure that my attitude towards men who use riding mowers was influenced by the way my mother felt towards women who sat down to iron.

VERONA

Flonnie Edrington, Reporter

Mrs. Susie Gore spent Tuesday with Mrs. Flonnie Edrington. Mr. and Mrs. Winfred Swearingin and children spent Sunday with Mrs. Allie Chandler. Mr. and Mrs. Warren Rich are the proud grandparents of a new grandson, born to their daughter, Dianna Simpson, and Mrs. Simpson

last week.

We extend our sympathy to the Missie Brown family in her passing at Woodpoint Nursing Home, last Sunday evening. Services were held Wednesday. Hamilton Funeral Home, Verona, was in charge of arrangements.

Mrs. Susie Gore was the supper guest of Mrs. Allie Chandler Tuesday evening.

We extend our sympathy to the Mrs. Katie Sutton family, who was burned to death last Friday. Her funeral was held at Hamilton Funeral Home, Monday afternoon, with burial in Hance Cemetery.

This scribe wants to wish all the Advertiser staff a Merry Christmas and a Happy New Year.

Green Road Special

The Green Road Special 4-H Club met November 13 at the home of Mrs. Deters. There were 19 present.

The business meeting was conducted by Donnie Richardson, the president. We discussed the accomplishments of our club this fall. During National 4-H Week, we had two window displays of completed projects at Wilson's and Schneider's in Independence. Three of our members entered the Poster contest. Connie Waymeyer and Melanee Simpson were winners. Members of our club attended the October skating party and Melanee and Lori Simpson were among the winners in the costume contest. The club performed their square dance act, The Whoa, Haw, Gee, at the 4-H Recognition banquet at Ryland. We had 34 members and a guest in attendance at the Recognition banquet. Amy Deters was recognized for achievement in best Record Book, and Joe Bergman for achievement in Home Furnishings.

We have selected our projects for the coming year, and the members are eager to start them. At the end of our business session,

Christmas Tree Lighting

Don't allow the holiday spirit in your home to be dampened by an electrical fire. When purchasing Christmas tree lights, the most important thing to look for is the UL seal. This will assure you that the lights meet certain minimum electrical safety standards. The lights should also be in sockets that screw or push into the cord; they should not be wired directly into the cord. No wires should be exposed, and the plug at the end of the cord should be insulated.

sion, we elected new officers for the coming year, as follows: Tommy Richardson, president; Thad Deters, vice president; Connie Waymeyer, secretary; Donny Richardson, song leader; Lori Simpson, reporter; Lori Elliott, membership; Becky Sallee, treasurer; Jerry Bach, recreation; Timmy Smith, devotion.

The December meeting was held at the home of Mrs. Simpson, and members brought 50¢ for Neediest Kids of All.—Reporter

Bit 'n' Spur 4-H Club

The Bit 'n' Spur 4-H Club held its monthly meeting in the home of Tim Dunn.

Two demonstrations were given by Sandy Lanter on "How to Help Your Mare Have A Healthy Foal" and by Kathy Lanter on "Teeth of the Horse."

We decided to have the Christmas party at the home of George W. Ryan on December 17 at 7:30. We set a limit of \$3.00 for exchange gifts and decided each family should bring cookies or cakes. All members' parents are

invited to come and there will be games for everyone. Every member try and come.

The first meeting of 1972 will be held in the home of Elaine Campbell on January 9, at 2:00. Election will be held. Everyone interested in joining, please try and come to the January meeting.—

CARD OF THANKS—

I want to take this opportunity to say how deeply I appreciate the prayers, visits, flowers, cards and many acts of kindness shown to me following my recent heart surgery. One never fully appreciates good Christian relatives and friends until times like these.
—ARLENE DAWSON 1t-50c

CARD OF THANKS—

The family of William Cross wishes to express their sincere thanks to friends and neighbors who were so thoughtful with food, flowers, spiritual bouquets, and cards. We especially thank Dr. Jim Rich for special care and attention; Peoples Funeral Directors, and Rev. Al Griesinger. Our prayers are that God will bless all of you. 1t-50c

CARD OF THANKS—

We cannot find words to express our thanks for all the deeds of kindness shown during the illness and death of our beloved mother, Missie Brown. Thanks to our neighbors and friends for the cards, flowers, food, and visits, and thanks to Dr. J. M. Huey for attending to her physical needs; Rev. Bob Shetler and Rev. Roy Johnson for their consoling words; to Fred Hamilton for his kind and efficient service; a special thanks to Ada Jones, Roberta Perry and "Joe" and the entire personnel of Woodspoint Nursing Home for being so kind to her and taking such good care of her while she was there—she was so happy and contented there. Your kindness and understanding will never be forgotten, and may God richly bless you all.

New Record Release

Denny Taylor has had a new record released. The songs are, "Make It" and "Playing the Juke Box and Grieving About You."

"Butch" wrote both words and music for these releases. The record is on sale at Cliff Ryan's, Jim Boner's, and at 22 Catalina Drive, Walton, or from members of the Junior High School.

SEATBELTS ARE PEOPLE STOPPERS

When an auto stops suddenly in a collision, or emergency, the people inside keep going with tremendous force. What stops them? The windshield, steering wheel, dash, all too often with tragic results.

But seatbelts stop people, too—safely. With your seatbelt fastened you stay put when your car stops suddenly.

Seatbelts are the best people stoppers!

POWER OF CHRISTMAS
Lesson for December 19, 1971
Background Scripture: Luke 1:26-38; 2:1-20.

Perhaps one of the reasons that the mystery of the Christmas power often eludes us is that we have forgotten just how unsuitable and unlikely a birthplace a stable is. The stables and mangers on our Christmas cards and in our creches lock rather quaint and antiseptically romantic. The stables are always clean and colorful, the mangers always picturesque, and the animals well-scrubbed and sweet-smelling.

The "earthen vessels"
If that is the way the Christmas stable has been "prettyed-up" in your mind, then maybe the best Pilgrimage you could make in this season would be to the closest stable — equipped with a can of air spray and a pair of hip-boots, for there is nothing quaint and romantic about a real stable. Thus, when God chooses a stable as the birthplace of his Son, He is saying to us something very important: that He reveals Himself and works in this world through the common, ordinary, earthy things that men count as unimportant. As Paul puts it: "We have this treasure in earthen vessels..." The majesty of God is continually expressed in what Emerson calls "the mud and scum of things."

I'm told that there is a sign in Philadelphia's Hayden Planetarium that reads: "TO THE SOLAR SYSTEMS AND RESTROOMS!" There is some truth there, for the loftiest pursuits never get far away from the most basic needs. There is nowhere in this world where the beauty and glory of God cannot penetrate, nothing so soiled that it cannot be cleansed, nothing so low that it cannot be lifted up.

"Power under weakness"
Thus, the power of Christmas is the power of God to transform his creation with new life. He shows us how holy all of life can be: God incarnate in a newborn baby, born to simple people in an anonymous stable, laid for all the world to see in the food trough of barnyard beasts. If God could see the potentialities of these simple things, so must we.

As we approach the day of Christmas, then, let us stand in awe once again of the God who stoops so low to come into this imperfect world. In one of Matthew Hale's poems, he says:
... yet, when my best
Is done, the room's not fit for
such a guest,
But here's the cure; thy
presence, Lord, alone
Will make a stall a court,
a cratch a throne.

That is the meaning of the Word become flesh: that by the power of God a cratch can become a throne, a stall a court, and your life and mine reborn.

COUNTY AGENT'S 1/2 ACRE

JOE CLAXON

Are you planning to remodel your home or build a new home in the next 2-5 years? If so, you will want to enroll in the Boone County Housing Workshop. This workshop has been planned by the Boone County Extension Housing Committee. This paper carried a form to be filled out and mailed to the Extension Office. If you misplaced the form, call at Extension office at 586-6101, Extension 17, now!

In the fall is an excellent time to test soil and treat grass fields that you are planning to renovate this winter. Not only does heavy equipment move over fields easier now, but also applications made during fall and winter do just as well or better than those made in the spring.

So make a good soil test. Divide fields into 10-15 areas for sampling. Pull 10 or more samples from each of these areas and mix these "pulls" together to make each composite sample.

Apply needed lime, phosphate, and potash now. Nitrogen is not recommended in renovation this late, because grass is stimulated and crowds the legumes in the new stand.

As soon as you get the liming

and fertilizing done and the heavy top growth grazed, you are ready to tear up the sod. A disk, field tiller or cultivator are excellent tools to use.

You can renovate an old grass stand for about one-third the cost of making a new seeding. You will also get top production of high quality feed from this field next year.

WALTON UNITED METHODIST CHURCH

By Robert Yates

Behold, I bring you good tidings of great joy.—Luke 2:10.

I am sure that the thought that is foremost in your mind is the thought of Christmas. We pray that nothing will destroy for us the beauty and charm of this most joyous occasion. May its true meaning be realized throughout the whole world.

Christmas is traditionally a time of giving. We exchange gifts with our families and friends. Giving is what Christmas is all about. Gifts which have been carefully selected, beautifully wrapped and placed under the Christmas trees are more than just gifts, they are symbols of love. The greatest gift of all, God's gift to man in Jesus Christ, was a gift of love. "For God so loved the world that he gave his only Son."

When someone receives a gift he feels an inward compulsion to give something in return. Those

who have accepted the gift of Christ feel this compulsion, but what can we give to this one who is perfect? The Magi gave him gold, frankincense, and myrrh. These were symbols of love, expressions of a more perfect giving, the giving of self. Is this not what God desires most from his children everywhere?

May your lives be filled with joy when you receive love-gifts from your family and friends this Christmas. But let us not forget whose birthday it is. Set aside one special gift for Him, the one thing He wants most—the gift of yourself.

If you do not have a church home, we invite you to come and worship with us during this Holy Season!

MERRY CHRISTMAS!

Holiday Shopping Can Be Foot Hazard

"Shopping for the holidays can be one of the most vigorous activities to which the feet are exposed," says Mrs. Mary Cress, RN, Boone County public health nurse. "In crowded stores, especially around the bargain counter, shoppers' feet and ankles often receive punishment worse than that meted out in a football game. Their feet and ankles are kicked, stepped on, gouged or generally roughed up."

Your chance of surviving the year-end shopping spree will be increased, Mrs. Cress says, if you follow a few simple rules of good foot care and self-defense. For example:

Wear low heels if you plan to

shop for hours. Heels are high if they are 1½ inches or more for a short foot (about size 4B) and more than 2 or 2½ inches for the average or longer foot.

Try to take time out to rest your feet every hour or so. Slip off your shoes and flex your toes.

Use the small electric foot-massage machines found in many of the stores. They are a fine relaxing aid. Foot sprays that can be applied right through your stockings also afford excellent relief.

When standing in a long check-out line, keep moving. Shift your weight from one foot to the other or take a few steps to the side of the line. This promotes circulation and relieves foot strain. It also reduces the chances of your foot being impaled by a spike heel.

Promptly attend to any foot injury, such as a cut, bruise, burn, crack or frostbite to prevent infection or other serious consequences.

Keep your feet warm and dry. Particularly in extreme weather avoid prolonged exposure to cold, damp conditions. This prevents frostbite and chilblain. If your feet do become cold and wet, change your shoes and hose at the earliest opportunity.

Don't go hoseless while shopping or at any other time while wearing shoes. You need something, at least footlets, between your foot and shoe, to absorb normal perspiration and prevent chafing and blisters.

At the end of a full, action-packed day of shopping, revive your swollen, tired feet by plunging them alternately into warm and cool water or by treating them to warm-cool sprays of water. Finally, for the ultimate in pedicurean ecstasy, massage your feet with a softening cream or lotion and prop them at an angle higher than your head.

To wish you joy
at this blessed
holiday season.

Home Agent's Party Line

By Nancy Norman

Last week, toys for the pre-school child were mentioned. This week, toys for older children will be discussed. Continue to use toys from previous groups that still hold interest.

Six to 9 years—More housekeep-

ing toys—add ones that really do; more doll accessories, doll house and furniture and small dolls, paper doll sets, more items for store play, masks and joker items, toy typewriter, printing outfit, simple word and number games, jackstones, jump rope, marbles, tops, kites, pogo sticks, hoops, stilts, games calling for simple skills, simple gym apparatus, bicycle, sturdy wagon, scooter, Irish mail, more difficult puzzles, harder construction sets, baseball, football, hand ball equipment, electric train sets, more carpentry tools, simple sewing and embroidery sets, simple weaving materials and equipment, dominoes, lotto, gun and holster sets, interlocking building blocks in addition to those previously mentioned good grooming kits, garden sets.

Nine to 12 years—Handcraft sets of all kinds, model kits for boats, airplanes, etc., space toys, hobby kits, telegraph, sound effect sets, make-up and good grooming kits, archery, target shooting, dart games, table tennis, ping pong, card games, board games, anagrams, lotto, dominoes, checkers, chess, more intricate construction sets, character dolls in addition to others, jig saw puzzles, sculpturing materials in addition to play, plastics, wax, etc., punching bag, marionettes, science toys, magic sets.

Whatever the age of the child, always provide a place for toys and teach the child to put his toys away. Open shelves make it easier for a child to get them out and put them away than when they are closed. Toy chests are really inconvenient and discourage a child. If you add doors, sliding doors are easier to manage than swinging doors.

"The party's over; it's time to call it a day." These popular song lyrics are quite appropriate for the upcoming holiday season with its flurry of activities. Make sure there will be other parties for you and your family to enjoy. Drive defensively and drive only when you are sober. Don't overindulge in alcoholic beverages. Every year thousands of people are killed in automobile accidents involving drunk drivers. Have a good time but remember to make the one for the road a cup of coffee.

The term "rock festival" actually refers to a musical happening and not to a non-violent demonstration at which pacifists throw stones at the police.

Look at that horse, standing on three legs, scratching his stomach with his hind hoof. I wonder what is wrong with him. Nothing's wrong with him. He's just feeling his oats.

CHRISTMAS JOY

We join with Mr. Snowman in sending greetings to all our friends everywhere. And we hope your day will be filled with laughter and love and real Christmas joy.

Six CG&Easy ways to save on gas during winter's coldest months

...and still enjoy the comfort of clean, automatic gas heat.

1 Close vents or shut registers in rooms you're not using and close the doors.

2 Let the sunshine in. Open the window shades and blinds when the sun is out. Close them on dull days and at night.

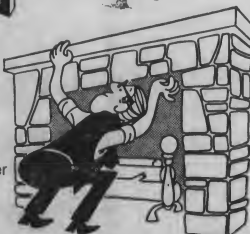

3 Don't open and close outside doors any more than you have to.

4 Check furnace filters frequently. Change or clean them several times over the winter.

5 If you have a fireplace, close the damper when not in use.

6 Avoid frequent adjustment of the thermostat. Find the temperature at which you're comfortable, set the thermostat there, and leave it.

December, January and February nearly always bring the lowest temperatures and the longest cold spells around here. So, even though you take measures to conserve gas, you're probably going to use a lot more of it than in the warmer months. And, naturally, your bills for gas will be a little more.

Another thing, since last spring your bills have reflected the increase in wholesale gas rates which was granted by the Federal Power Commission to our

gas suppliers—the producing companies in West Virginia, Louisiana and Texas. Such cost increases by gas producers and transmission pipeline companies are simply passed along under jurisdiction of state and local regulatory authorities to all gas customers. But there is no gain in revenue for CG&E in such price adjustments. During colder months, when you use the most gas, the moderate increase is naturally more noticeable than in your previous bills.

Attend Church Seminar

St. Paul's Church of Florence, and the Erlanger Christian Church were among those whose financial officers participated in a three-hour seminar on church fiscal problems.

The discussion was sponsored by the Northern Kentucky Interfaith Commission and the First National Bank of Covington. The speaker was William Grieme, Erlanger, bank vice president.

Five denominations were represented at the meeting.

CARD OF THANKS . . .

The Night Before Christmas

'Twas the night before Christmas when all through the house Not a creature was stirring, not even a mouse; Then down through the chimney, all covered with soot, Came the 'Spirit of Fire', an ugly galoot.

His eyes glowed like embers, his features were stern As he looked all around for something to burn.

What he saw made him grumble his anger grew higher,

For there wasn't a thing that would start a good fire.

No door had been blocked by the big Christmas-tree. It stood in the corner, leaving passageways free. The lights that glowed brightly for Betty and Tim Had been hung with precaution so none touched a limb.

All writing was new, not a break could be seen, And wet sand at its base kept the tree nice and green. The tree had been trimmed by a mother insistent That the ornaments used should be fire-resistant.

And mother had known the things to avoid Like cotton and paper and plain celluloid. Rock wool, metal icicles, and trinkets of glass Gave life to the tree; it really had class!

And could you believe it? Right next to the tree, Was a suitable box for holding debris.

A place to throw wrappings of paper and string, From all of the gifts that Santa might bring.

The ugly galoot was so mad he could bust, As he climbed up the chimney in utter disgust.

For the folks in this home had paid close attention To all the rules of good fire prevention.

A Safe Christmas— The Gift That Could Give A Lifetime.

Bill Would Stiffen The Driver Penalty

A bill that would hike the fine to a maximum of \$5,000 and raise the prison sentence to two years for driving a motor vehicle after a person's driver license has been revoked was pre-filed last week for introduction into the 1972 session of the General Assembly in Frankfort.

This is the first year that pre-filing of legislation before the session begins has been permitted.

The bills will go into the hopper and be formally introduced on the first day of the session. Four bills were introduced for the Senate and two for the House.

The above bill was introduced in the Senate by Senator Nicholas Baker (D., Louisville).

Other Senate bills filed by Baker would: Authorize a peace officer who did not witness an offense to make an arrest for traffic law violations upon notification by an officer who did witness same.

Another was to amend state law to allow confiscated weapons to be donated to police departments of state, local and county governments or to be sold at auction, with the money going to the county school fund.

PTA Christmas Program

The annual Christmas program will be presented by the Taylor Mill PTA on Thursday, December 16 at 7:30 p. m., in the school auditorium.

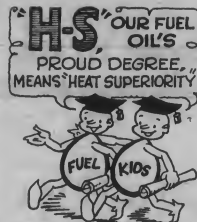

"Christmas Doll" is the title of the operetta to be given by the fourth graders. A lively cast of students will support the actors in song and merriment. The musical will be directed by Mrs. Marilyn Hundley.

Engagement Announced

Miss Kandis Kay Wrenn

Mr. and Mrs. Stephen Wrenn, Jr., of Kenton, announce the engagement of their daughter, Kandis Kay, to Mr. Howard Davis, Jr., son of Mr. and Mrs. Howard Davis of New Kensington, Pennsylvania.

Both are seniors at Evangel College in Springfield, Missouri. The wedding date is May 27, 1972 at the First Christian Assembly of God Church, William Howard Taft Road, Cincinnati, Ohio.

Plan Christmas Caroling

The Greater Walton Businessmen's Association, cooperating with the choirs of the local churches will sponsor a time of Christmas Caroling in the Walton and Verona areas on Thursday evening, Dec. 23rd. Wagons with hay will be provided at 7:00 p. m. to transport singers primarily to homes of shut-ins in the area.

Refreshments will be served following the Caroling. Everyone is invited to participate. Names of shut-ins should be given to Jack Norris or Dr. William Waller.

YOUTH CENTER CLOSED

The Youth Center in Walton is now closed, due to the need for volunteer help.

Anyone willing to volunteer their services to help reopen the Center please contact Cliff Ryan, phone 485-4000, of Bill Napier, 581-7387. This is an unfortunate situation and it is hoped that someone will lend a hand in order to keep the Center in operation.

Local Literary Club Has Tree Project

Members of the Walton Literary Club are saving container labels to help rebuild burned-out forests. They are cooperating through a program sponsored by Hunt-Wesson Foods. Each label will plant one new tree and each person may contribute as many as nine labels for a maximum of nine trees to be planted.

A climax to this label collecting will be at their next meeting on January 5th. Save any of the labels mentioned below and turn them in to the club so that they may be collectively arranged.

Trees are an important part of our total ecology program. Do your part by helping plant a new forest area.

Use the following list to help select labels, etc.—

Big John's Beans 'n' Fixin's, (the bottom can label; Hunt's tomato sauce, (code no. stamped on the bottom of can); Hunt's tomato paste, (code no. stamped on bottom of can); Hunt's tomato ketchup, (neck label from bottle); Wesson oil, (part of label showing word "Wesson"); Hunt's Manwich, (part of label showing woman's face); Hunt's skillet dinner, (part of box showing word "skillet" from top of package); Hunt's snack pack 4-pack, (one open can illustration from top of carton); whipped Snowdrift, (part of label showing word "Snowdrift").

These new trees will bring a forest back to life.

Holiday Bowling Schedule

The Youth League will bowl on Friday, December 24th at the regular time. On New Year's day, there will be a tournament and a trophy will be given. The pizza parlor will also be open.

New ASC Community Committees Elected

Results of the Dec. 1 election of community ASC committeemen for the communities of Kenton County were announced by Mose L. Black, Chairman of the Kenton County Agricultural Stabilization and Conservation Committee.

The election was held by mail and ballots were counted publicly by the previous ASC County Committee, Dec. 8, at the Kenton County ASCS office, Nicholson.

Farmers elected to the committees were:

Crescent Springs-Independence: Norbert List, chairman; Ted Gripshover, Jr., vice chairman; John Tewes, third member; Wesley Johnson, first alternate, and Geo. Wolsing, second alternate.

Atwood: Warren Van Horn, chairman; Foster Works, vice chairman; Robert Northcutt, third member; Herbert Hoffman, first alternate, and Clarence Schuerman, second alternate.

Decoursey-Towers: D. B. Vandlingham, chairman; Bernie Cavanaugh, vice chairman; Chester Ballinger, third member; Cyril Blau, first alternate, and Harry Armstrong, second alternate.

Bracht: Basil Lunsford, chairman; James Reardon, vice chairman; Cecil Cummins, third member; Raymond LaFollette, first alternate, and Charles Northcutt, second alternate.

Piner-Fiskburg: Lawrence Fleck, chairman; Ed Helmer, vice chairman; W. W. Worthington, third member; O. E. Mendez, first alternate, and Leatha Woods, second alternate.

The ASC community committee chairmen, vice chairmen and third regular member automatically become delegates to the county convention where farmers are elected to fill vacancies on the county ASC committee.

Alternate committeemen become alternate delegates to the convention, which was held Dec. 15 at 10:00 a. m. in the Kenton County ASCS office, Nicholson.

Electric Company Changes

Lloyd W. Baldwin

Two assignment changes in the Community Services section of the Public Relations Department at The Cincinnati Gas and Electric Company-Union Light, Heat and Power Company were announced this week by John Yeager, president.

Frank Middelberg, director of Community Services at ULH&P, in Covington, will become director of Community Services for CG&E's Eastern Division, Batavia, Ohio.

Lloyd W. Baldwin, director of Community Services in CG&E's Cincinnati offices, will replace Mr. Middelberg at ULH&P. Both of the changes are effective Jan. 1st.

Mr. Baldwin, of 214 Applewood Drive, Ft. Mitchell, joined CG&E in 1968 after 21 years with local radio stations, including the position of public affairs director and news commentator for WKCY, and was with this station when it was located in Covington.

Want To Go Caroling?

Everyone is invited to go Christmas Caroling in the Walton/Verona area at 7:00 p. m., this (Thursday) evening.

Wagons with hay will be provided in the city parking lot and the church parking lot in Verona. Refreshments will be served. The Caroling is completed.

Please submit names of shut-ins to Jack Norris or Dr. Waller.

Masons Observe Christmas

All Masons, their families, and friends are invited to attend the Christmas Observance Services to be held Christmas Day at the Masonic Temple, 1553 Madison Avenue, Covington. At 10:30 a. m. the Knights Templar Obligatory Service will be held. The one-hour public service beginning at 11:00 a. m., will be conducted by Rev. Walter C. Bruen, Past Grand Prelate of Kentucky, Knights Templar, assisted by Rev. Albert Weaver, Past Grand Chaplain of Kentucky, Royal Arch Masons. Music will be furnished by the Scottish Rite Choir under the direction of Fenton C. Pugh. Seating arrangements will accommodate 950 people. Coffee and fellowship will follow the services.

Walp Slayers Are Sentenced to Chair

A Boone Circuit Court jury deliberated three hours last Saturday before returning a death penalty verdict against two men for the shooting death of a Walton gas station attendant during a \$20.00 robbery last September 14th.

Charles Ray Caine, 22, of 223 East 15th St., Covington, and Edward Lynn McIntosh, 30, of Richmond, Ky., were found guilty of murder by a jury of nine men and three women following the 5-day trial.

Defense attorneys for the two men said they planned to appeal. Caine and McIntosh were charged with the murder of Carl Ray Walp, 20, an attendant at an Enco service station at the Walton-Verona exit of I-75.

Two others charged with murder in the incident, still to stand trial, testified for the prosecution in the case. They are Miss Janice K. Smith, 19, Covington, and Rodger Allen Wood, 34, Cincinnati.

Both testified that they were with Caine and McIntosh on the night of September 13 and early September 14.

They said they met the two defendants in a Covington bar where Wood suggested robbing a parking lot attendant in Cincinnati. They then drove to Newport, where McIntosh left the car and returned with a pistol, according to Miss Smith. They did not rob the parking lot attendant because there were too many people around.

They then came to Walton. Miss Smith said she drove past the Enco service station at the direction of McIntosh, where he and Caine left the car to walk toward the station, Caine carrying the gun.

She and Wood waited in the car until they heard three shot-like noises, they testified. Caine and McIntosh ran back to the car, and Caine had the gun in his hand, both witnesses said.

The prosecution introduced as evidence a wallet that Covington police found in Caine's apartment September 16, the day they arrested him. Mrs. Donna Jean Walp, wife of the man killed, testified the wallet belonged to her husband. "McIntosh said the reason they killed the man was he wouldn't keep his face on the floor. He looked up into their faces, and the man could identify them if he was asked," Miss Smith testified.

Walton Homemakers

The Walton Homemakers Club held their Christmas party at the RECC Bldg., on Nicholson Road. Mrs. Paul Beigle, president, presented the devotional, "What Is Christmas?"

The moon meal was served by Gateway Catering Service.

Mrs. Frank Penick was in charge of the entertainment.

Those enjoying the food and the games were: Mrs. Gaines Huey, Mrs. Edward Ley, Mrs. James Burden, Diane Burden, Mrs. Robert Eisenhardt, Mrs. Clinton Shields, Mrs. Donald Rice, Mrs. Lillian Acres, Mrs. Claude Burns, Mrs. William Gibson, Mrs. Donald McMillan, Mrs. Nelson Popham, Mrs. Paul Beigle, Mrs. Frank Penick, Mrs. Aurelia Day, Mrs. John Wood, Mrs. Leo Flynn, Mrs. Harry Henson, Mrs. Homer Wilburn, Mrs. Ruth Glenn, and Miss Rachel Acres.

The January meeting will be in

Bearcats Win Two Games; Lose One

Tom Fuchs tossed in 26 points to pace the Dixie Heights Colonels to a 72-56 victory over the Walton-Verona Bearcats, Tuesday of last week, on the Dixie floor.

The Colonels grabbed a 3-point lead at the end of the first period and widened it to eight at the half.

The victory was the fourth in five games for the Colonels, and it was the second loss in 11 games for Walton.

Gene Dixon led W-V with 19 points, Messmer had 13, and Ray-bourne 11. Neimeyer tossed in 19 markers for the winners.

The Walton-Verona reserves won the preliminary game by a score of 47-43.

Walton-Verona won the consolation title in the annual Williams-town Invitational Tournament by defeating Gallatin County, 70-68, last Saturday night.

Gallatin County tallied 21 points in the third period to take a 5-point lead into the final period. However, Walton moved to the lead nearly in the final period and held on to win.

It was the 10th win in 13 games for the Cats. Rick Raybourne led the winners with 17 and Bobby Messmer added 15 points. Miles was high for Gallatin with 19 and Williamson added 17 tallies.

Previously, Owenion had defeated the Bearcats, and Williams-town bested Gallatin County. In the championship fray, Williams-town was the winner over Owen County by a 79-67 score.

Boone County DAR December Meeting

Boone County Chapter, Daughters of the American Revolution, met in the Florence Christian Church, December 1. Mrs. Joseph Eubanks, Regent, presided.

Mrs. Ashlin Logan, National Defense Chairman, summarized an article written by Senator James Buckley in which he stated he believes the United States is making a mistake in the drastic cutbacks in spending for this country's defense. He maintains the foreign policy of the United States is in jeopardy. The DAR agrees with Mr. Buckley in regard to the need for a strong policy of National defense.

Mrs. J. P. Brothers announced she had made a gift of a copy of the new Pictorial History of Kentucky to John Fox Memorial Library at Paris, Ky. The chapter expressed its appreciation of this gift made in its name.

Miss Donna Sayre, presently serving in the U. S. Navy, was nominated as Page at the Continental Congress of the National DAR held in April in Washington, D. C.

Mrs. Samuel Denham, program chairman, introduced Mrs. Carl Cummins who sang several lovely Christmas Carols from England, Europe and America. She was accompanied by Mrs. Ralph Stith. A paper, "Christmas Customs in Colonial Times," was read by Mrs. Henry Dye.

Refreshments were served by hostesses Mesdames Floyd O. Roberts, Clifford Coyle, Wallace S. Grubbs, Rufus Tanner, and Jesse Shackelford. Festive Christmas decorations graced the tables. The meeting was followed by an auction of gifts suitable for Christmas giving.

Members attending were: Mesdames Joseph Eubanks, Francis Sayre, Roy Nestor, William Conrad, Helen Collins, Bernard Scott, J. P. Brothers, Samuel Denham, Jr., Clifford Coyle, C. D. Gaines, Carroll Conrad, Henry Dye, Jesse Shackelford, Floyd Roberts, Wallace Grubbs, and guests, Mesdames Carl Cummins, Ralph Stith, Charles Patrick, and John Liver.

the home of Mrs. Paul Beigle on U. S. 25, Walton. The lesson, "Fabric Clues," will be taught by Mrs. Donald McMillan and Mrs. Donald Rice. There will also be a "white elephant" game, and the money will be donated to the Boone County Association for Retarded Children.

Overflow Crowd Attends PTA Christmas Program

An overflow crowd attended the Kenton Elementary School PTA annual Christmas program held on December 16. Miss Rebecca Berna, music teacher, directed the play, with a toy shop setting. Students from the school's six grades were the characters and choral groups.

Following the program, Santa Claus paid a visit to the anxious children and passed out treats.

Santa presented new bicycles, on behalf of the PTA, to the boy and girl who had sold the most boxes of candy in the recent candy campaign. Rene McKinley of Mrs. Wanda Jo White's sixth grade, and Robert Kroegel of Mrs. Faye Holbrook's fifth grade, were the lucky salesmen.

Motor Vehicle License

Tags On Sale Jan. 3rd

Motor vehicle license tags will go on sale January 3, 1972 at the Boone County Clerk's office in Burlington.

The fees are:

Auto, \$12.50; farm truck, \$12.50; commercial truck (6000 lbs) \$12.50; and motorcycles, \$6.00.

In order to obtain your new license you must bring your 1971 registration certificate. To obtain your license by mail, send your 71 registration certificate together with \$13.25 (\$12.50 license fee and 75c postage) to Jerry W. Rouse, Boone County Clerk, Burlington, Ky. 41006.

Auto tags expire December 31, and must be on the vehicle by March 1, 1972. Truck tags expire April 1, 1972 and must be on the truck by April 1.

The clerk's office will be open daily, 9:00 a. m. to 4:30 p. m. Beginning Friday, January 7, the office will be open every Friday evening until 6:00 p. m. during January and February.

King, Queen, Prince and Princess Selected at W-V

The Walton-Verona Junior High started their Christmas celebration on December 10th with a Christmas party. Besides having refreshments, dancing and fun, the students elected their own Christmas King and Queen and Prince and Princess. They are shown in the above photo: seated on the right is Diane Raybourne, Queen; with Leany Spicer, King standing behind her. The Princess is Elizabeth Martin, left, with the Prince, Todd Ryan standing behind her.

Dixie Bank Closed Friday

The Dixie State Bank, Walton, will be closed Friday, December 24th, as it has been declared a day of Thanksgiving by Governor Wendell Ford.

Piner Elementary PTA

The December meeting of the Piner Elementary School PTA was held Dec. 14 at 7:30 p. m.

Mrs. Leo Stahl's sixth grade had the devotional with David Mullins reading the scripture. Chris Parker led the pledge to the flag.

Miss Rebecca Berna, music instructor, was in charge of the program. Seventh grade band members each played a solo.

Instead of room count each room received a check from the PTA.

Baseball's first deliberate bunt was held down by Dickey Pearce of the Brooklyn Atlantics in 1886.

The Yule season would not be complete without an expression of sincere thanks to our many good friends for their loyal support.

VACATION TIME

It's vacation time again, and we are really ready for it—1971 has been a long and busy year—and we feel that a little time off will be good for us.

Remember, no paper will be published next week, so don't send in ads or news items. If you have something for the January 3 issue, please send it in the latter part of December—we must get started before January 3.

We hope you all have a very nice holiday season and that 1972 will be good to you, and we trust you will not forget us during the coming year. You have all been nice to us and it is hoped we justify your patronage.

See you on Monday, January 3, 1972, at 8:00 a. m.

THE PROVEN GENERATION

by
M. GENE SNYDER
U. S. Congressman
4th District, Kentucky

Washington recently saw the arrival of some very important guests—the delegates representing the more than 20 million citizens at the White House Conference on Aging. According to national statistics, the fastest growing minority group in the nation are those Americans who are 65 or older.

This important national conference was authorized by Congress three years ago. It was arranged far in advance so that a series of forums, hearings, and meetings could be held at the local, state, and regional levels to lay the ground work for the conference. Since much study has already gone into the problems of aging, the theme of the 1971 White House Conference on Aging was to ratify programs rather than innovate any new ones. But at the same time, I do believe we need a new national attitude toward aging as the President stated. We must recognize that we have to bring this proven generation of Americans back into the mainstream of America.

It was fortunate for the conference that Mr. Arthur Flemming was its chairman. He was chairman for the only other conference on aging, which was held during the Eisenhower Administration. Mr. Flemming expressed hope at the start of the conference that it could implement some meaningful programs for the elderly. In following the conference, it is noted that he got right to the point by putting his finger on some of the situations that exist today for the elderly.

He said that society has placed the elderly in a secondary position in our society. Second, society has made some promises to the elderly that it has not kept. Third, older persons want the opportunity to make their own decisions and to continue to be involved in local and national affairs. Finally, the elderly want to be treated with dignity—which they certainly do not have at the present time. But the central concern during the conference was still the main problem of the elderly—their financial situation such as income, pensions, health insurance, and nursing home care.

forward to only a set income for the year, but they have no assurance that inflation and rising costs won't grab the power of those few dollars away from them. In addition, many are kept in their isolation because of difficulties with housing, transportation, and nursing home care.

I believe we should seek sensible legislation that will unburden the elderly without adding more bur-

dens to our taxpayers. Legislative measures must be considered that would insure that pension funds are soundly and honestly managed to be available in later years so the elderly can live out their lives in dignity.

"Doctor, will the scar show?" inquired the pretty young thing. "Young lady, that's entirely up to you," replied the doctor.

NEW BANKLICK BAPTIST CHURCH

By James D. Johnson

The last articles we have written gave a final report on the "happenings" for 1971; and, a report on those completed for the year. Since this is our last article for

1971, we want to express our thanks for the wonderful comments and letters from all of you who read these articles. You have done a lot to make our tenure of duty for our Lord in Northern Kentucky a joy. There is still a little nostalgia at this time of the year since being from Alabama, we are once again for the eighth consecutive year separated from our families. We will be a little sad

as usual this year, but as we count our blessings and all of our new found friends in Northern Kentucky, we will be able to smile and be thankful unto Him whose birthday we honor for having the privilege of serving with you in Northern Kentucky.

My wife, Mary, our children, Barbara, Brenda and Linda, along with our married son (who married a Northern Kentucky girl, Peggy Ann Sorrell) and who this past year presented us with a granddaughter, Tracy Lynn, and I want to wish all of you a very Happy and Prosperous Holiday Season. As Tiny Tim would say, "God bless you everyone."

We particularly want to express our thanks to Mr. Simpson, and Mr. and Mrs. James Lawrence of the Walton Advertiser for being so "extra" nice and considerate to us by printing these articles each week, and so forgiving when we were a little late or forgetful with an article. We do love and appreciate all of them very much. They are indeed a GREAT asset to our community.

Let me conclude this year's article with a little "Happening" that we had the good pleasure of having a part in on Sunday, Dec. 12th, with the Erlanger Baptist Church. The occasion was the presentation of the Northern Kentucky Baptist Association Carol Sing with the Associational Youth Choir presenting "It's the Lord's Thing." The program was presented by Mr. Larry Cook, Music

Director of the Walton First Baptist Church; and, the Youth Choir, under the very able direction of Mr. Joel Younglove, of the Erlanger Baptist Church. The program consisted of the congregation singing Christmas Carols, a solo by Joel Younglove, and a ladies trio from the Ludlow Baptist Church, before the Folk-musical, "It's the Lord's Thing."

As I write this report, this writer has some reservations about it being accepted by our older adults; however, we noticed there were more adults present than young people. The use of a portion of "Jesus Christ Superstar" was intended to contrast with "It's the Lord's Thing," which everyone had to agree at the conclusion had a wonderful message for our day; however, I believe that the music is still a generation away from our use in the majority of our

churches (Baptist). As the crescendo of drums, guitars, and piano reached the highest peak in one place, this writer must confess that he almost left his seat, from the suddenness of it all. It took me back to the days of Gene Krupa, Clyde McCoy, and Les Paul. Of course I was a teenager too, and

in my hey-day of a boogie woogie generation; however, we would have never dared to present it to our churches for any reason. Oh, well, that's been several generations ago, and the gap is closing fast. "Who knows what tomorrow brings? The Shadow knows!" Good luck kids.

A fragrant pine wreath festooned with a big red bow encircles the door knocker, a symbol of hospitality. Inside, the tree blazes with rainbow lights, and there is a tiny creche on the mantel. You light the red candles on the table and serve coffee and sandwiches and cake. The atmosphere is rich with warmth and friendliness.

This is Christ's birthday and we are celebrating, and, in a magical way, it seems to instill in all of us a special feeling of friendship and love for our fellowman. What a wonderful thing it would be if we could keep this Christmas spirit in our hearts all year long!

To do so would be perfection—and that is something none of us can quite attain. But through the Church we CAN keep faith and truth within us from one Christmas to the next. Try it, and see.

UNDER THE HOLLY BOUGH

Ye who have scorned each other,
Or injured friend or brother,
In this fast fading year:

Ye who by word or deed,
Have made a kind heart bleed,
Come gather here...

Let sinners against, and sinning,
Forget their strife's beginning,
And join in friendship now:
Be links no longer broken,
Be sweet forgiveness spoken,
Under the Holly Bough.

Ye who have loved each other,
Sister and friend and brother,
In this fast fading year:

Mother and sire and child,
Young man and maiden mild,
Come together here;

And let your hearts grow fonder,
As memory shall ponder
Each past unbroken vow.

Old loves and younger wooing
Are sweet in the renewing,
Under the Holly Bough.

White's Tower PTA

The regular monthly of the White's Tower Elementary School PTA was held Thursday, Dec. 16, at 7:30 p. m., in the school cafeteria.

Featured for the evening was a two-act play, "The Drum," a play co-starred Doug Stewart and Jerry Herron. Also participating were members of the sixth grade chorus. The play was under the direction of Mrs. Roy Klein, music director.

Refreshments were served immediately following the meeting.

IS LOVE "WEAK"?

Lesson for January, 1972

Background Scripture: Luke 6

Is Christian love indicative of moral weakness?

There are many today who think so, including some who are presumably members of the various churches. Mercy is equated with cowardice, benevolence with compassion with evil. Those who take seriously Jesus' teachings on love are regarded not only as being in error, but subversive and dangerous as well.

But Jesus says...

The teachings of Jesus seem no less acceptable today as they did when he first appeared to the world: Society advises us to hate our enemies...

...but Jesus says to "Love your enemies!" Society suggests that we return hatred to those who hate us... but Jesus says "do good to those who hate you!" Society demands that we return blow for blow...

...but Jesus says we are to "turn the other cheek!"

Nietzsche once said, "Distrust all in whom the impulse to punish is strong." In interpreting this remark, psychiatrist Karl Menninger has pointed out that those who often call for the harshest measures against wrongdoers are those who feel uneasy because they have entertained the same ideas themselves. "No one is more bitter in condemning the 'loose' woman than the 'good' woman who have on occasion guiltily enjoyed some purple dreams themselves. The 'first stone' is always 'cast' by someone who himself is not 'without sin.'"

The courage to love

Thus, hatred and anger and the withholding of mercy and love are often means of coping with our own secret sense of sin. If we can find an obvious object of guilt — the town drunkard or adulteress — we can load all our own guilt upon this person, just as the ancient Hebrew practiced a rite of loading their sins upon a "scapegoat" and driving him into the wilderness.

CHRISTMAS DECORATIONS

This year as you trim the tree, fill Christmas stockings, or hang the mistletoe, give a thought to where you got your favorite Christmas custom. Chances are it goes farther back in history than you realize.

According to ancient legend, on the night that Christ was born trees burst into bloom and bore fruit despite the wintry weather. In modern times, the transformation in honor of the holy holiday is almost as miraculous, as homes throughout the world are trimmed with greens and garlands and set aglow with tiny twinkling lights for the celebration of Christmas. Like the trees that flower, holly, mistletoe, poinsettias and many other flowers and plants are all part of the glorious history of the Holy Season.

The reasons we celebrate Christmas with flowers have been passed down through the ages. Many of the customs and traditions have their origins in ancient pagan rites, yet over the years, they have taken on Christmas implications of deep significance.

The use of greenery at Christmas grew out of ancient Grecian and Roman customs. Holly, for example, was a favorite decoration of the Romans, who considered its greenness in the middle of the winter a promise of the sun's return to earth for another year. Later, the early French and Eng-

lish hung sprigs of the bright-berried plant on their doors to indicate homes in which Christ dwelled.

It is also believed that holly sprang up where the infant Jesus took His first baby steps. Ironically, this same plant was supposed to have made up His crown of thorns—the berries turning from red to white at the Crucifixion.

Nowadays, holly is frequently used for wreaths. The red-berried plant, worked into a circular shape symbolizes the hope of eternal life and makes a gift with a warm personal message when sent by wire to friends too far away to share Christmas with you.

The most popular flowering plant for Christmas is the poinsettia, brought to the U. S. and thence to Canada more than 125 years ago from Mexico. So popular are these scarlet-leaved blooms, that according to many florists, more poinsettias are distributed to customers than any other holiday floral offering.

Many legends surround this Christmas colored wonder. One tale relates how a poor Mexican girl was heartbroken because she had nothing of value or beauty to

offer the virgin. In desperation she plucked some scrawny roadside weeds and placed them at the feet of the Holy Statue. They were instantly transformed into scarlet brilliance.

Mrs. J. A. Keeney, Reporter

It seems everyone is busy getting ready for Christmas.

Mr. and Mrs. I. Jackson were called back home by the death of his mother, Mrs. Bonnie Jackson. Our sympathy is with them in their loss.

In a recent letter from the Russell Sweeneys to Mr. and Mrs. D. Ballinger was an account of a recent operation which was very serious, performed in Atlanta. We are thankful that is proved successful and hope for complete recovery.

We regretted to hear of the death of Robert Casey on Wednesday morning. We had known Mr. and Mrs. Casey for a long time. He had been in poor health for several months and his "going home" was a blessing, though he will be missed by his wife and family; also by friends. So often he would say, "So and so is ill, I must go to see him."

My best wishes to all who read this news for a wonderful year. May we, one and all, get a new realization of the worth of the gift of God in the coming of Jesus.

Garden Club Meets

The Kenton County Garden Club held its Christmas meeting Dec. 17 at the home of Mrs. Wesley Hall on Taylor Mill.

Mrs. Hall, assisted by her friend, Mrs. Cole, served delicious refreshments, following the meeting, to: Nettie Damon, Audrey Gouge, Geneva Herron, Margaret Stephens, Elma Taylor, Francys Keeney, Mrs. Cole and Lucille Hall.

The next meeting will be held on February 24 with Miss Alice J. Williams and Mrs. William Guttridge as hostesses.

Senior Citizens Meet

The Senior Citizens met at Bruce-Wood Presbyterian Church, Tuesday, Dec. 14 at 10 a. m. This was the best attendance to date and a

very interesting program was presented. Two of the ladies had done some baking and brought date bread and coffee cake, which was wonderful.

Rev. Pepon played and all joined in singing Carols.

Among those enjoying the session were: Caroline Kirk, Delores Pepon, C. L. Frazier, Alma Yates, Lillie Massman, Elizabeth Egger, Stella Lloyd, Georgia Rapp, Helen Banks, Ben Banks, John Bruce, Annie Bruce, Ethel Gabbard, Ruth Keck, Paul Pepon, Dorothy Ballinger, Hilda Griffith, Francys Keeney.

Wife to husband reluctant to help his small son with homework: Help him now, dear, while you can. Next year he goes to the fourth grade.

Wounds, Tularemia Are Hunting Hazards

The rabbit hunting season this year continues until January 31st. "Take care to prevent hunting accidents," says Mary Cress, RN, Boone County Health Nurse, "and keep in mind the danger of illness from tularemia."

In 1970, there were 52 accidental deaths from firearms in Kentucky. "How many of these were directly associated with hunting is not known," Mrs. Cress notes, "but everyone at any time—whether hunting or not should watch his step in handling a gun."

Mrs. Cress mentioned tularemia as another possible hazard during the rabbit hunting season, two cases having occurred in Kentucky last year. An infectious disease of wild animals and man, its onset is marked with chills, fever and prostration.

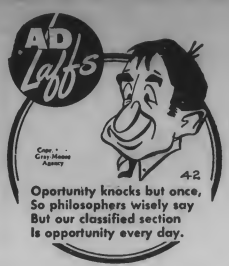

Tularemia is commonly called "rabbit fever," although its source could be a tree squirrel, quail, fox, hog or even a dog. The disease is usually contracted by handling a sick rabbit or squirrel. For this reason a hunter should never handle a rabbit or squirrel found dead or brought in by a dog or cat. Animals shot on the run are less likely to be sick.

Rubber gloves should always be worn when dressing a rabbit or a squirrel, Mrs. Cress said. If the

animal's internal organs show any small white spots, there is a possibility of infection and it should not be eaten but, if possible, buried.

Thorough cooking of the meat of any wild animal is important, and the flesh of any diseased animal should never be eaten. Rabbits and squirrels should be cooked so that no red meat or blood remains.

A young man should think twice before he agrees to marry a girl who insists on writing her own marriage ceremony, especially if she happens to be an attorney.

"IF
ONLY I HAD
MORE
TIME"

We all know the feeling
of frustration that comes
from not finding enough
hours in a day. Time to kill
is a luxury for most of us.

New Year's reminds us
that time is one commodity
that cannot be bought. Try
as we will, we cannot crowd
more than twenty-four hours
into a day. Whether it's too
much time on our hands or
too little, we need constantly
to be aware of how
we spend our time.

After all, in a hundred
years, we'll all be gone.
This thought makes current
problems look pretty small.
Proper balance of work,
play and worship makes
happier lives. Let God
speak to your heart and
bring new perspective into
your life. Attend church
this Sunday.

the same time develop themselves as an individual and a family member.

Home Economics is a good career if the person has a desire to work with people, and wish to help people improve their health and well being, has special interest in science or research, has a flair for the creative, or has a desire to develop new products.

No longer is an education in Home Economics limited to just cooking and sewing. The course of study includes a broad education in liberal arts and science subjects, such as English, History, Chemistry and Biology.

Home Economics courses deal with all aspects of family living. Job opportunities across the nation and around the globe are available for graduate home economists. Beginning salaries are among the top for college graduates.

Don't limit Home Economics careers to only women. Many opportunities for men exist in research, business, teaching or administration. In fact, men who graduate with a major in food service administration are so much in demand, they can choose from many positions.

If you know of someone who might be interested in a career in Home Economics, I would be glad to talk to them about this and especially the University of Kentucky College of Home Economics.

GENIUS OF TEMPTATION

Lesson for December 26, 1971

Background Scripture: Luke 3:15-22; 4:1-15.

God seems to have a strange sense of timing. One moment Jesus is at the River Jordan in a moment of high inspiration and commitment. It was here, following his baptism by John, that "the Holy Spirit descended upon him . . . and a voice came from heaven, 'Thou art my beloved Son; with thee I am well pleased.'" (3:22).

Yet, shortly after, Jesus is in a barren wilderness facing the temptation and trial of his life. What a change! What a glaring contrast! Surely there was something wrong that such a high moment should follow with one so filled with the potential for tragedy and failure.

"The higher we climb . . ."

Yet, that's the way it is in life: the higher we climb, the greater the distance we may fall. When we seem to be our strongest, it is often that we are most vulnerable. The Tempter is often strongest just after we have seemed to deal him his worst blow.

Actually, there is a kind of diabolical genius in temptation. It has ways of getting to us that are so hard to detect. For example, see how the Tempter starts with Jesus: "If you are the Son of God . . ." (4:3). Notice the subtlety. "If . . ." No sooner has Jesus received a divine indication about his identity than the Tempter begins to cast doubt upon it. Are you really sure that you are God's Son? he is saying. Perhaps you just imagined that voice from heaven!

This is one of the Tempter's most ingenious weapons: causing us to doubt the reality and validity of our spiritual experiences.

It's such a good cause!

There is ingenuity, too, in the nature of the three temptations. They are temptations to depend on the material, to seek power, to put self first, but the Tempter knows that he cannot appeal to this man on a strictly selfish basis. Jesus is too dedicated, for that. Instead he appeals on the basis of what Jesus could do for others if he were to heed him. If he could rule the kingdoms, he could demonstrate the power of God — and each of these for a noble objective: to successfully bring the kingdom of God to men.

There it is: the ingenuity of an appeal to use base means for noble ends. "Think of all the good you could do!" is ever the Tempter's invitation. But noble ends cannot sanctify ignoble means and Jesus would not be trapped by this clever appeal.

The genius of temptation, then, is that, at its best, it is always so attractive, so reasonable, so deceptively beguiling.

A CHRISTMAS HYMN

Love came down at Christmas,
Love all lovely, Love Divine;
Love was born at Christmas,
Star and Angels gave the sign.

Worship we the Godhead,
Love incarnate, Love Divine;
Worship we the Jesus;
But wherewith for sacred sign?

Love shall be our token,
Love be yours and love be mine,
Love to God and all men,
Love for plea and gift and sign.
